SCENE REPORT

ORIGIN:

On Saturday, January 21, 2023, at about 0029 hours, I was notified by Homicide Team V, Sergeant A. Lewis (0307) of a San Diego Police Department (SDPD) Officer involved shooting (SDPD Case # 23002957/Event # 23010028602) and was requested to respond to the 2000 block of Logan Ave near the intersection of Logan Avenue and E. Cesar Chavez Parkway in the city of San Diego.

I was assigned as lead investigator as a part of Sheriff's Homicide Team V, and Sheriff's Homicide Team I also responded to assist Team V.

INVESTIGATION:

On Saturday, January 21, 2023, at about 0137 hours, I arrived on scene at the 2000 block of Logan Ave near the intersection of Logan Avenue and E. Cesar Chavez Parkway in San Diego. Upon arrival, I assembled with members of the investigative team.

On Saturday, January 21, 2023, at about 0201 hours, I attended an incident briefing provided by San Diego Police Department (SDPD) Sergeant M. Deans (7422). The briefing was attended by the following personnel:

Name	ARJIS/ID	Assignment
C. Steffen, Lieutenant	4474	Homicide
J. Wilson, Sergeant	6013	Homicide
A. Lewis, Sergeant	0307	Homicide
M. Moser, Detective	0034	Homicide
B. Noah, Detective	0077	Homicide
A. Van Lingen, Detective	3117	Homicide
M. Blumenshine, Detective	2137	Homicide
H. Davidson, Detective	1909	Homicide
C. Roberts, Detective	0322	Valley Center Substation
R. Garza, Detective	2865	San Marcos Station
M. Robison, FET	6300	Crime Lab
Z. Foglia, FET	7217	Crime Lab
K. Hensley, Criminalist	7836	Crime Lab
S. Rogo, Criminalist	6716	Crime Lab

M. Gervasoni, FET	6196	Crime Lab
S. Hutchinson, Investigator	215	District Attorney's Office
C. Gamboni, Investigator	2069	City Attorney
Y. Quintos, Sergeant	5635	SDPD Internal Affairs
T. Schmottlach, Lieutenant	5682	SDPD Internal Affairs
T. Deyling, Police Officer II	6239	San Diego Police Department
J. Peterson, Captain	5188	SDPD Central Division
J. Resch, Lieutenant	5829	San Diego Police Department
N. Dedonato, A/Lieutenant	6076	SDPD Central Division
A. Jimenez, A/Sergeant	6967	SDPD Central Division
M. Deans, Sergeant	7422	San Diego Police Department
T. Gleysteen, Police Officer II	1196	San Diego Police Department
D. Hawksley, Detective	7340	SDPD Homicide
J. Dungan, Sergeant	6137	SDPD Homicide

BRIEFING:

On January 20, 2023, at approximately 2331 hours, SDPD Officer J. Meyers (1576) and SDPD Officer C. Aguilar (1189) conducted a traffic stop of a red 2008 Dodge Ram vehicle (CA Disabled Plate [redacted] at the 1800 block of Logan Avenue, in San Diego, CA (Beat 511), which is located in the county of San Diego. The vehicle yielded eastbound at 1800 Logan Avenue. Officer Meyers approached the driver's side of the vehicle and made verbal contact with the driver. The driver provided his driver's license to Officer Meyers. The driver was identified as Christopher Dearman (10/31/1985). Dearman was a solo occupant inside the vehicle.

Officer Aguilar approached Dearman's vehicle from the passenger side. Sergeant R. Murillo (6115) arrived on scene shortly after the initial traffic stop and approached Dearman's vehicle on the passenger side. Officer Meyers left the driver's side of the vehicle to a conduct law enforcement record check of Dearman. As Officer Meyers returned to Dearman's vehicle, he informed Dearman that officers were going to conduct a weapons pat down of the vehicle due to Dearman's prior firearm history. Dearman began to argue with officers and refused to exit the vehicle. Officer Aguilar walked from the passenger side of the vehicle to the drivers' side to assist Officer Meyers. Sergeant Murillo observed Dearman place the vehicle into drive and Dearman fled the scene eastbound in his vehicle. Sergeant Murillo deployed his OC spray at Dearman, which spayed him in the face/brow line. Officers retreated to their patrol vehicles and initiated a vehicle pursuit and activated their overhead lights and sirens. Dearman stopped at a red light at the intersection of Cesar Chavez Parkway and Logan Avenue. Dearman continued driving eastbound on Logan

Avenue. Dearman's vehicle eventually yielded approximately two blocks away at 2000 Logan Avenue. Dearman exited the vehicle and Officers fired approximately 6 times towards Dearman, striking him in his lower extremities. As Dearman fell to the ground, a firearm was seen falling to the ground. Officers gave verbal commands and instructed Dearman to not reach for the firearm. As more officers arrived on scene, SDPD K9 Handler Officer P Harvey (7093) deployed his police service dog, which bit and pulled Dearman away from his firearm on the ground. Dearman was ultimately taken into custody and SD Paramedic #9 and SD Fire #7 arrived on scene and provided Dearman with medical treatment. Two SDPD Officers applied (2) tourniquets to Dearman's legs. SD Paramedic #9 transported Dearman to UCSD Hospital. Officer J. McGee (1469) accompanied Dearman inside the ambulance. On January 21, 2023, at 0024 hours, Doctor Cha from UCSD Hospital, pronounced Dearman deceased. Dearman remained at UCSD with Officer McGee and was assigned Medical Record Number [redacted]

While Officer Meyers and Officer Aguilar were on scene, Acting Sergeant Amanda Jimenez (6967) obtained a safety statement from Officer Meyers and Officer Aguilar. Officer Meyers stated he shot between 5-6 times to the east and no suspects were outstanding. Officer Aguilar also provided a safety statement to A/Sergeant Jimenez and stated he shot three or more shots to the east and no suspects were outstanding.

SDPD observed the following initial evidence located at the scene:

1. Suspect vehicle (1800 Logan Avenue - CA LIC [redacted]
2. Firearm (north of the Dearman's vehicle on the ground)
3. Black/red hat, white shoes, and black clothing belonging to Dearman
4. Blood trail from suspect
5. Officer expended cartridge casings (Driver's side - 6 rounds + Magazine) (Passenger side 13 rounds)

The following SDPD Officers were identified as responding to the scene but did not use any force:

D. Allahwardy (7825)
D. Collins (7790)
S. Aaland (7472)

Officer Harvey arrived on scene after the shooting occurred and did not witness the shooting.

Officer Aguilar, Officer Meyers, and Sergeant Murillo were currently at the Central Substation with peer support personnel. Central Division was located at 2501 Imperial Avenue, in San Diego.

The following witness was located during witness checks:

[redacted] resided at [redacted] in San Diego and reported he had finished dinner near the south side of Logan Avenue. He was dropped off at his vehicle and observed SDPD officers pull a vehicle over at 1800 Logan Avenue. [redacted] observed officers talking to the suspect, who was later identified as Christopher Dearman. [redacted] could not hear the conversation between the officers and Dearman but observed Dearman drive away. [redacted] witnessed the pursuit and confirmed the Officers had their lights and sirens activated during the pursuit of Dearman's vehicle.

The briefing was concluded at approximately 0225 hours.

INVESTIGATION CONTINUED:

Immediately following the briefing, I provided the investigative team with their initial assignments. I assigned Detective Van Lingen, Detective Blumenshine, and Detective Davidson to respond to SDPD Central Division and assist with processing and conducting interviews of the SDPD Officers involved in the incident. Forensic Evidence Technician Gervasoni also responded to Central Division to photograph the Officers and collect evidence.

I assigned Detective Moser and Detective Noah to respond to UCSD Hospital. I tasked Detective Garza and Detective Roberts to canvas the area near the crime scene for any other potential witnesses and to locate any possible video surveillance cameras that may have captured video surveillance relevant to this investigation.

SCENE:

In the search of the scene, items identified as having evidentiary value were photographed in place, identified with a placard, and collected. The placards were used for inventory purposes and do not indicate the order in which an item was found, nor do they indicate the relevance of the item. FET Robison was assigned to the scene documentation through photography and evidence collection. Criminalist Hensley and Criminalist Rogo assisted in documenting the scene with trajectory analysis, scene measurements, and diagraming where items of evidence were located (refer to their respective reports for further details).

Unless labeled otherwise, all photographs are Unmanned Aircraft Systems (UAS), or Forensic photographs taken on January 21, 2023. The weather was clear, and the approximate temperature was 46 degrees Fahrenheit according to weather app records.

The scene of the incident was outdoors and occurred on the city street of the 2000 block of Logan Avenue, in San Diego. Officers initiated a traffic stop at the 1800 block of Logan Ave of a red 2008 Dodge Ram vehicle (CA Disabled Plate [redacted] The vehicle yielded and officers contacted the driver, identified as Christopher Dearman. After a brief encounter with the Officers, Dearman placed the vehicle into drive and began driving eastbound along Logan Avenue. Dearman stopped at the red light at the intersection of Cesar Chavez Parkway and Logan Avenue. The vehicle continued eastbound on Logan Avenue. As the vehicle drove away, Officers imitated a pursuit of the vehicle and Dearman eventually yielded his vehicle at 2000 Logan Avenue.

Please note the following pictures presented in this report of the crime scene were taken during the daytime hours.

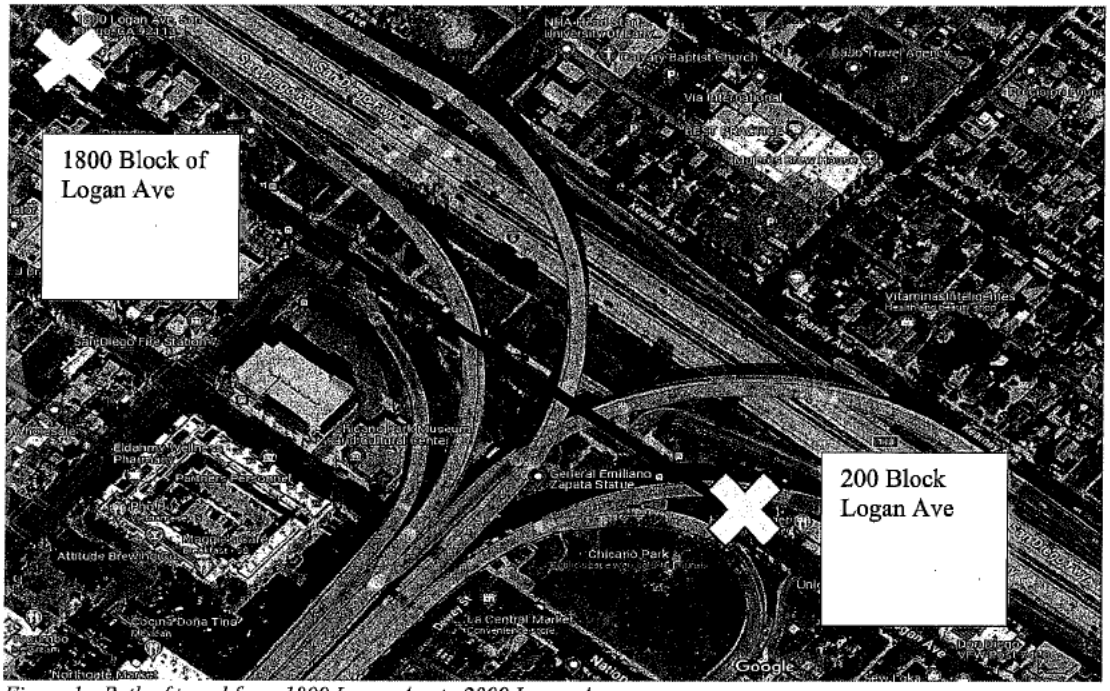

Figure 1 - Path of travel from 1800 Logan Ave to 2000 Logan Ave

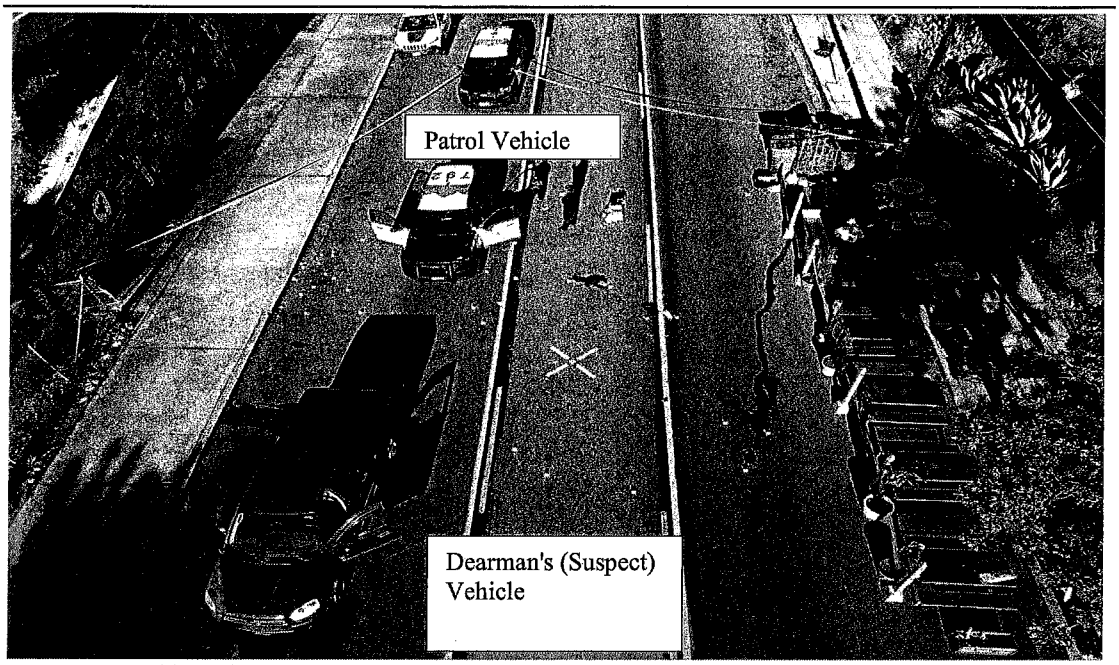

Figure 2 - 2000 block of Logan Ave (Scene of shooting)

Yellow crime scene tape was placed throughout to establish an outer perimeter of the scene to prevent foot and vehicle traffic from entering. Yellow crime scene tape was placed at the west end, across the intersection of Beardsley Street and Logan Avenue. SDPD Officer G Kain (7718) was posted with his vehicle at the location. Yellow crime scene tape was also placed across the intersection of Logan Avenue and Cesar Chavez Parkway. SDPD Officer G. Yosenick (1074) was posted with his vehicle at the location. Yellow crime scene tape was placed at the east end, across at the intersection of S. Evans Street and Logan Avenue with a SDPD marked unit posted at this location. There was yellow crime scene tape placed along Chicano Park, which was the south end of the scene. The North end of the scene paralleled the I-5 freeway.

Yellow crime scene tape was also placed to establish an inner perimeter. The east perimeter had crime scene tape placed across the North curb line near 2060 Logan Avenue to the south curb line near a telephone pole and the inner western perimeter was tied to a patrol vehicle #7373. The main intersections were blocked and manned by law enforcement personnel throughout the duration of this investigation to protect the integrity of the scene.

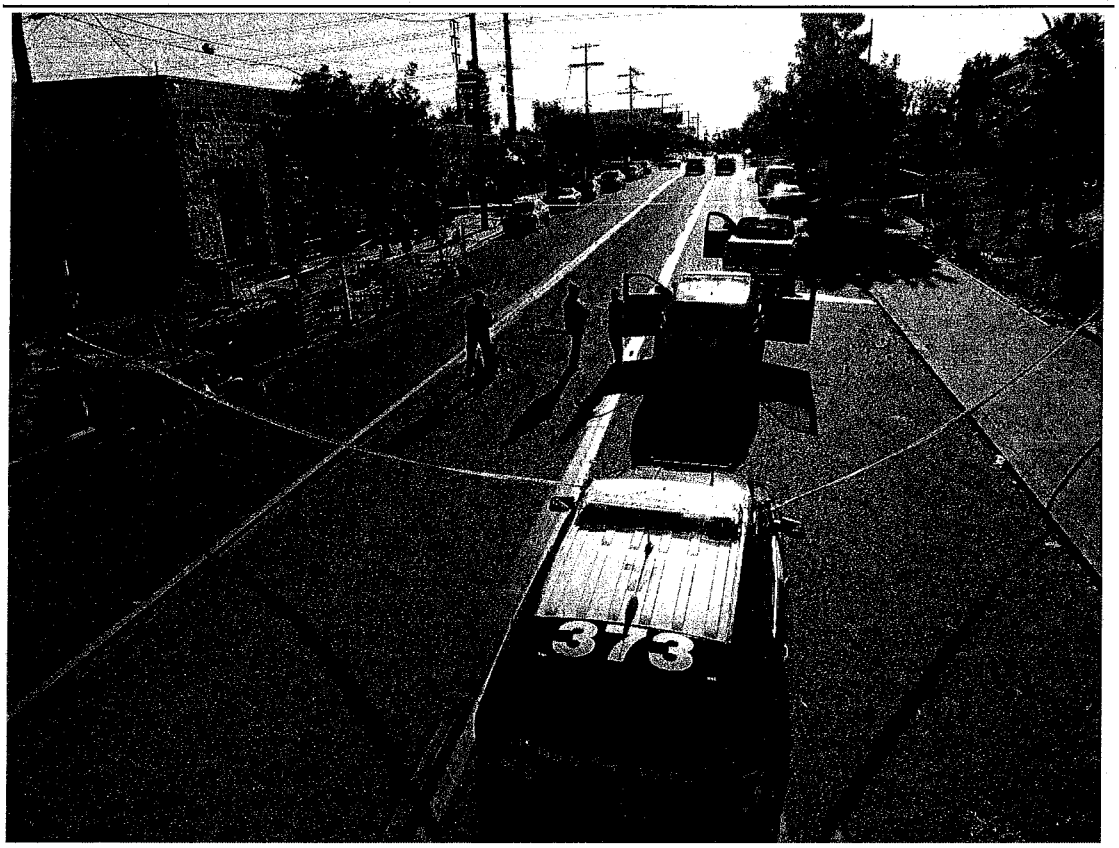

Figure 3 - Inner perimeter

INVESTIGATION CONTINUED:

On Saturday, January 21, 2023, at about 0256 hours, FET Robison began taking photographs of the scene. FET Robison and I walked the entire scene from the 2000 block of Logan Avenue to the 1800 block of Logan Avenue, where the initial pursuit began.

On Saturday, January 21, 2023, at about 0400 hours, Traffic Deputy N. Bier (0013) arrived on scene to conduct FARO scans of the scene.

On Saturday, January 21, 2023, at about 0429 hours, Criminalist Hensley, Criminalist Rogo, and I began identifying items of evidentiary value throughout the scene and placed placards down.

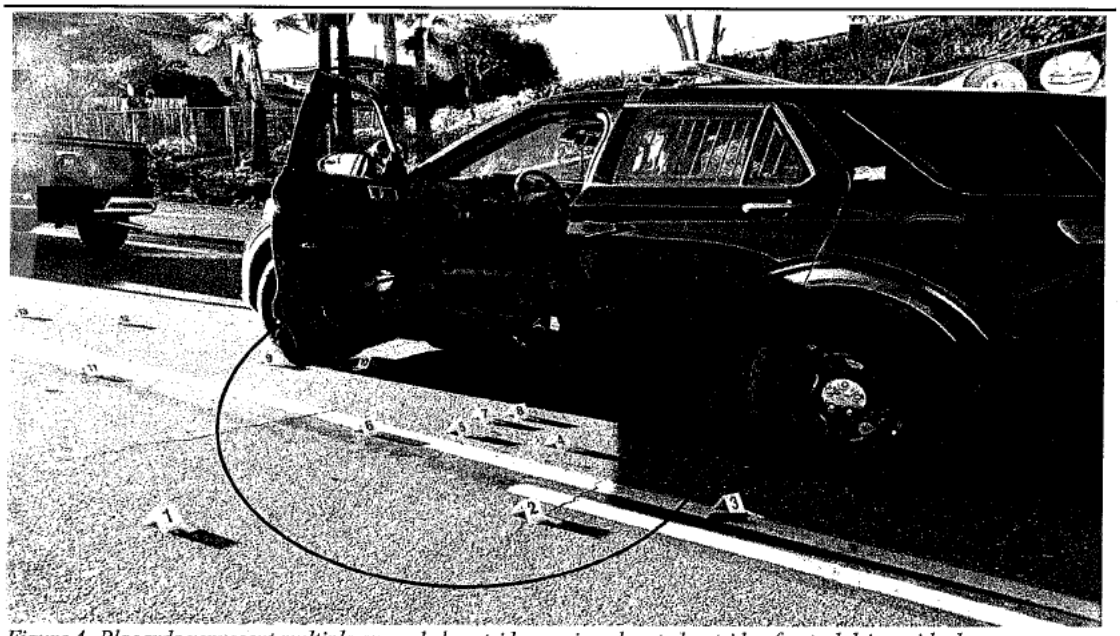

Figure 4- Placards represent multiple expended cartridge casings located outside of patrol driver side door

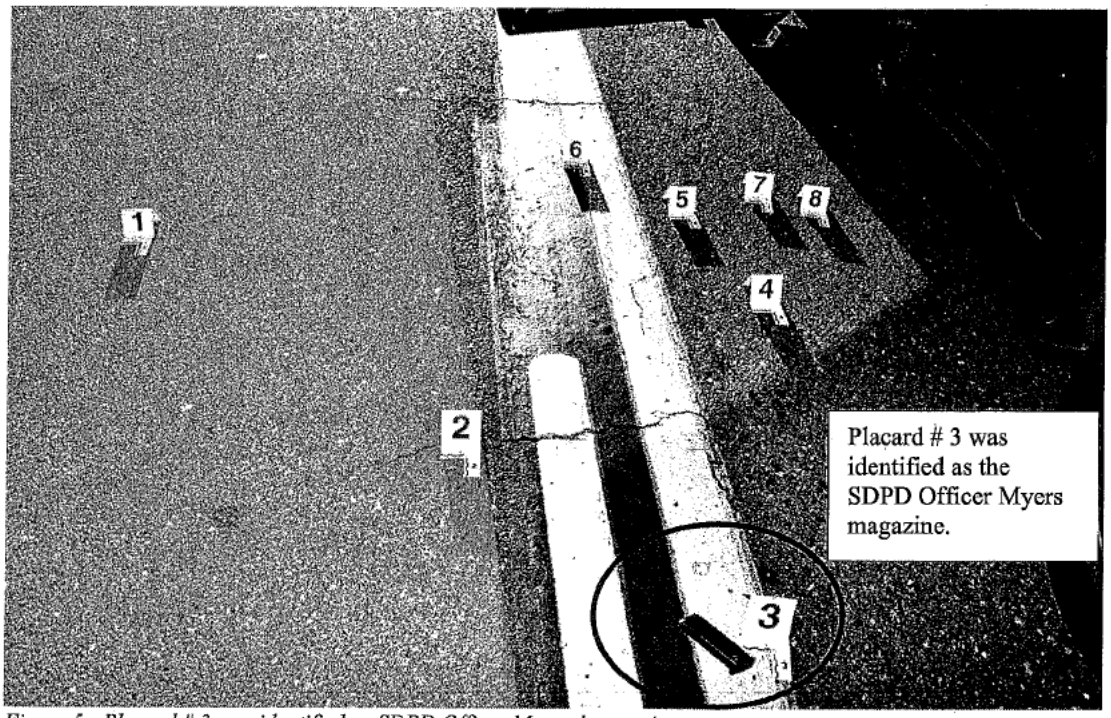

Figure 5 - Placard # 3 was identified as SDPD Officer Meyers' magazine

During the investigation, it was learned that Officer Meyers conducted a tactical magazine change and placard #3 was identified as Officer Meyers' magazine.

Figure 6 – SDPD Officer's magazine located on the ground

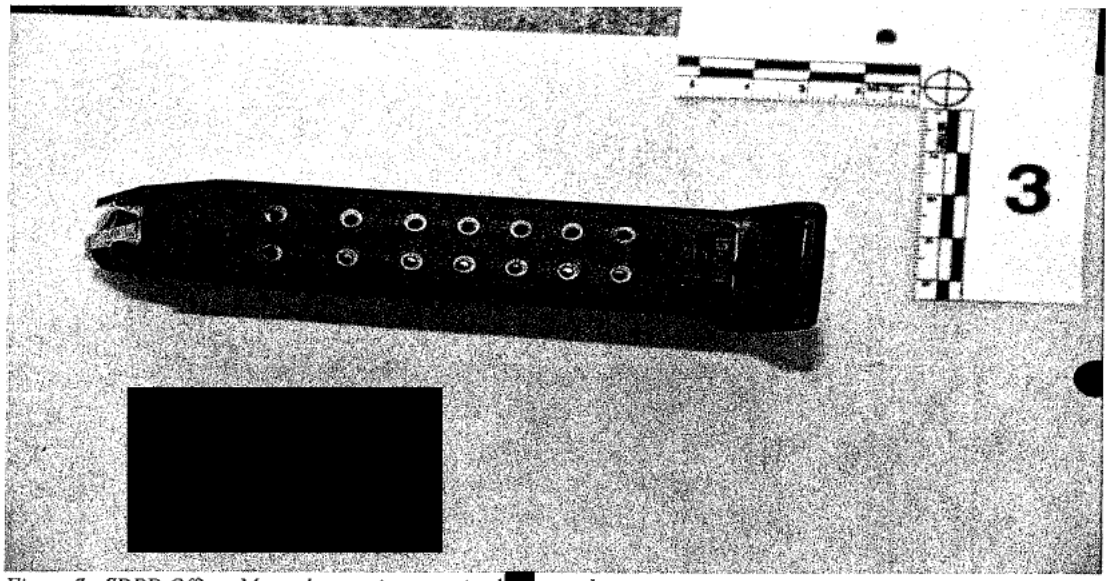

Figure 7 - SDPD Officer Meyers' magazine contained [redacted] rounds

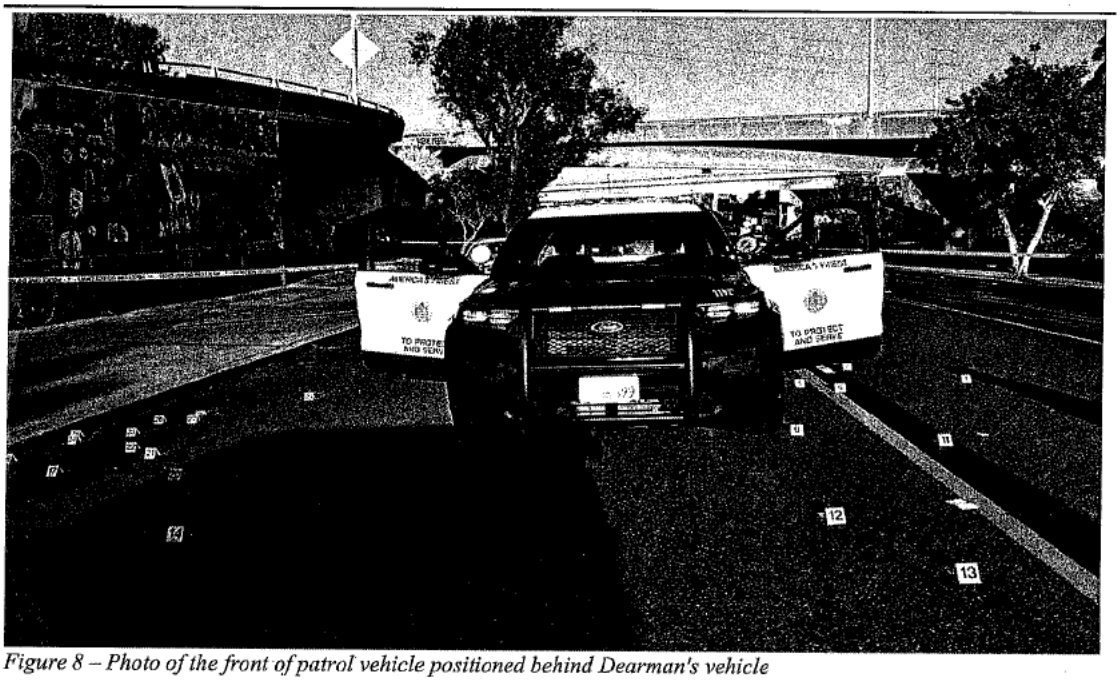

Figure 8 – Photo of the front of patrol vehicle positioned behind Dearman's vehicle

Figure 9 - Placards located on the passenger's side of the patrol vehicle represented several expended cartridge casings

On Saturday, January 21, 2023, at about 0810 hours, Deputy Bier completed the FARO scans.

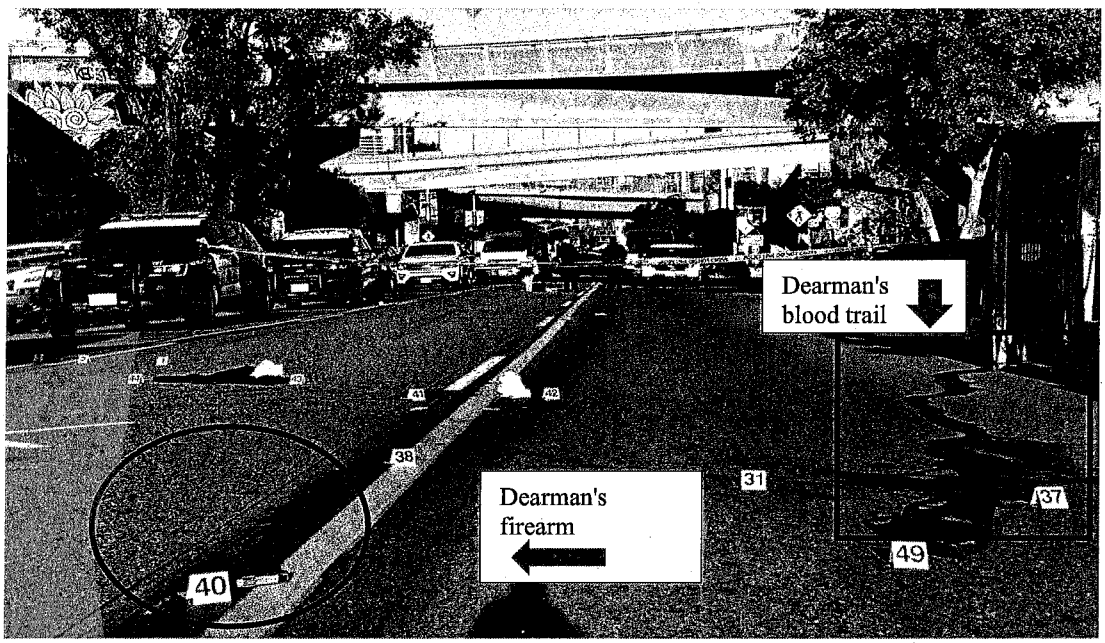

Figure 11 - Placard # 40 represented the placement of Dearman's firearm recovered at the scene

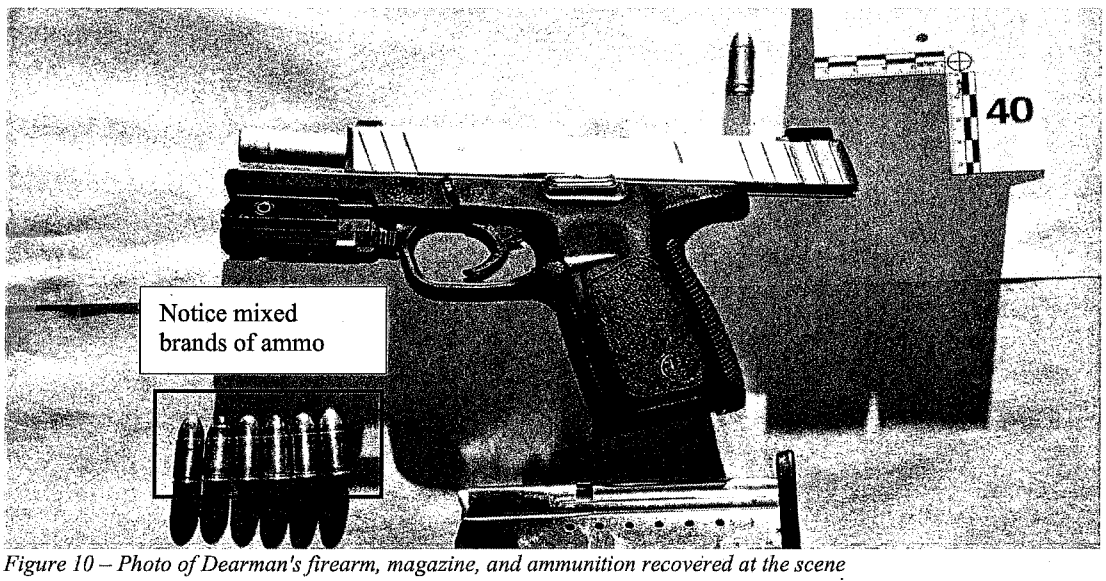

Figure 10 – Photo of Dearman's firearm, magazine, and ammunition recovered at the scene

On Saturday, January 21, 2023, at about 0828 hours, Sgt. Lewis placed gloves on and unloaded Dearman's firearm. The firearm was a Smith and Wesson (SN # [redacted] The firearm was loaded with one cartridge (Headstamp "FC 9mm Luger") in the chamber and (6) additional rounds were loaded in the magazine with various types of ammunition ("WIN 9M Lugar, R-P, MM Lugar, WCC 97, FC 9M Lugar, FC 9M Lugar, and SB 9X19 19"). The magazine had a 16-round capacity. FET Robison took possession of the magazine, firearm, and the ammunition and later placed the items into evidence at the Major Crime Division located at 5590 Overland Ave, in San Diego.

Figure 12 - Placards # 32 & 33 were identified as cartridge casings located on scene with different headstamps

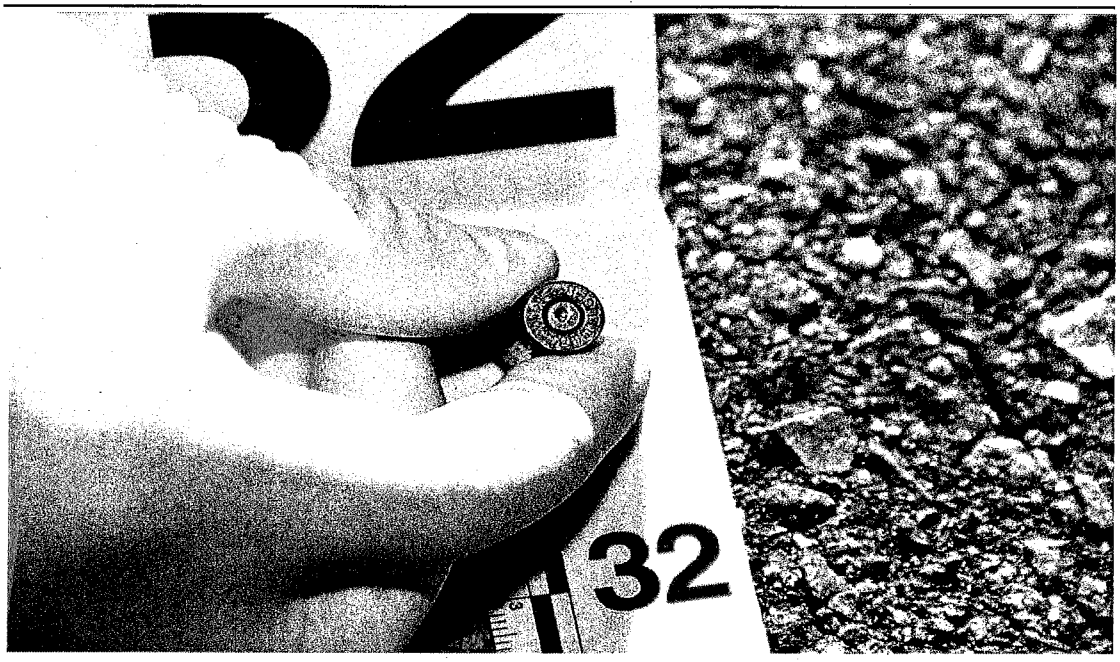

Figure 13 - WIN 9MM Luger cartridge casing

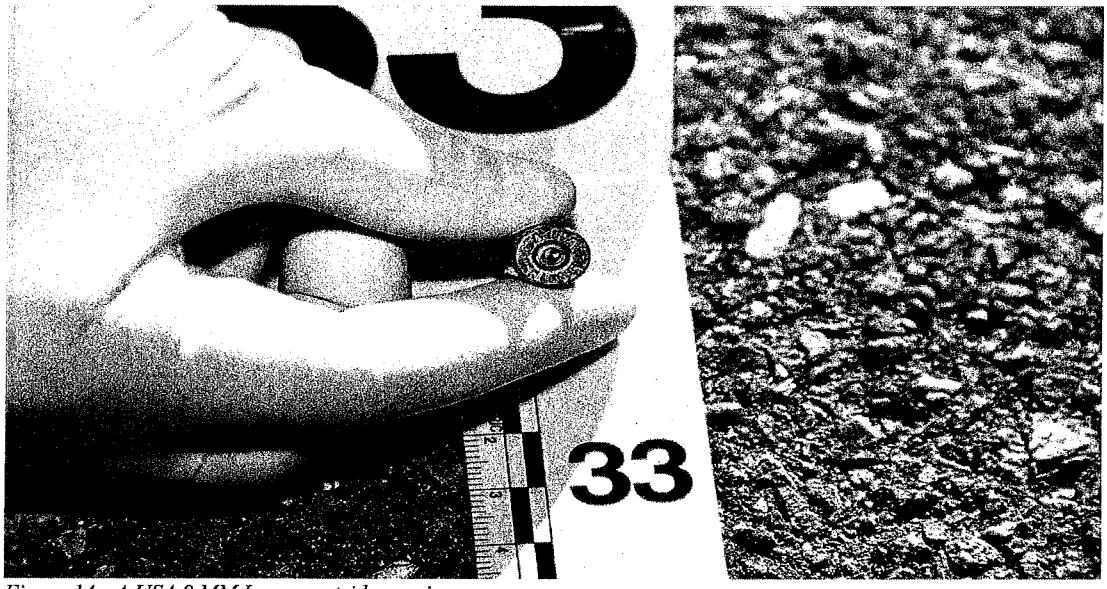

Figure 14 - A USA 9 MM Luger cartridge casing

Due to Dearman having a variety of different head stamped ammunition, cartridge casing pictured in placard #32 (WIN 9MM Luger) was consistent with the same headstamp ammunition located in Dearman's magazine. Placard #33 was a cartridge casing located next to placard # 32 and had a head stamp of A USA 9 MM Luger.

This photo below represents the close proximity of the (2) located cartridge casings, Dearman's vehicle, and Dearman's firearm.

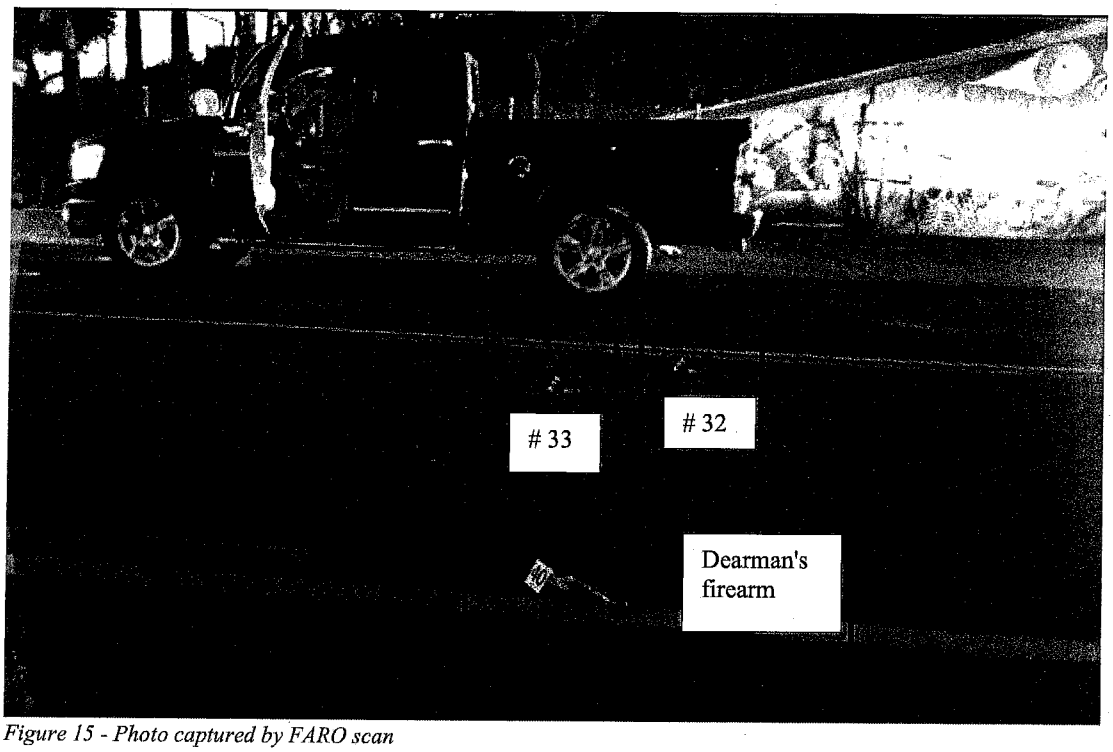

Figure 15 - Photo captured by FARO scan

On Saturday, January 21, 2023, at about 0837 hours, Deputy R. Christy (0165) with the Video Analysis Unit (VAU)/ Unmanned Aircraft Systems (UAS) arrived at the scene with the Autel Evo II drone and conducted aerial photographs of the scene.

On Saturday, January 21, 2023, at about 1005 hours, Sheriff's Property and Evidence Specialist T. Gonzalez (5824) arrived on scene and towed Dearman's vehicle to the Sheriff's Crime Laboratory garage located at 5590 Overland Ave, in San Diego. Dearman's cell phone and keys were left inside the vehicle.

While Criminalist Hensley and I were examining the crime scene, we observed apparent damage/defects to the marked patrol vehicle #7792, which was positioned immediately behind Dearman's vehicle. The patrol vehicle had damage/defects to the hood and windshield, which appeared to be consistent with ammunition striking the patrol vehicle.

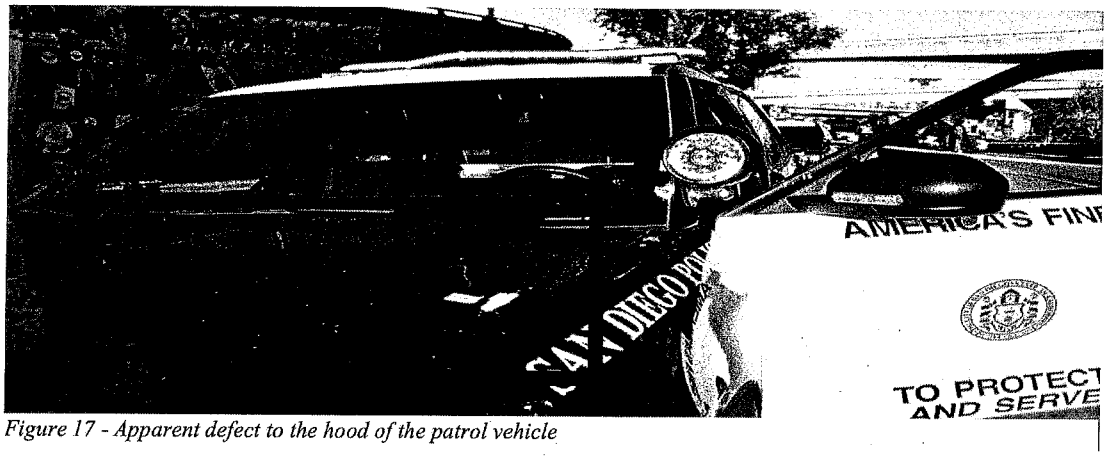

Figure 17 - Apparent defect to the hood of the patrol vehicle

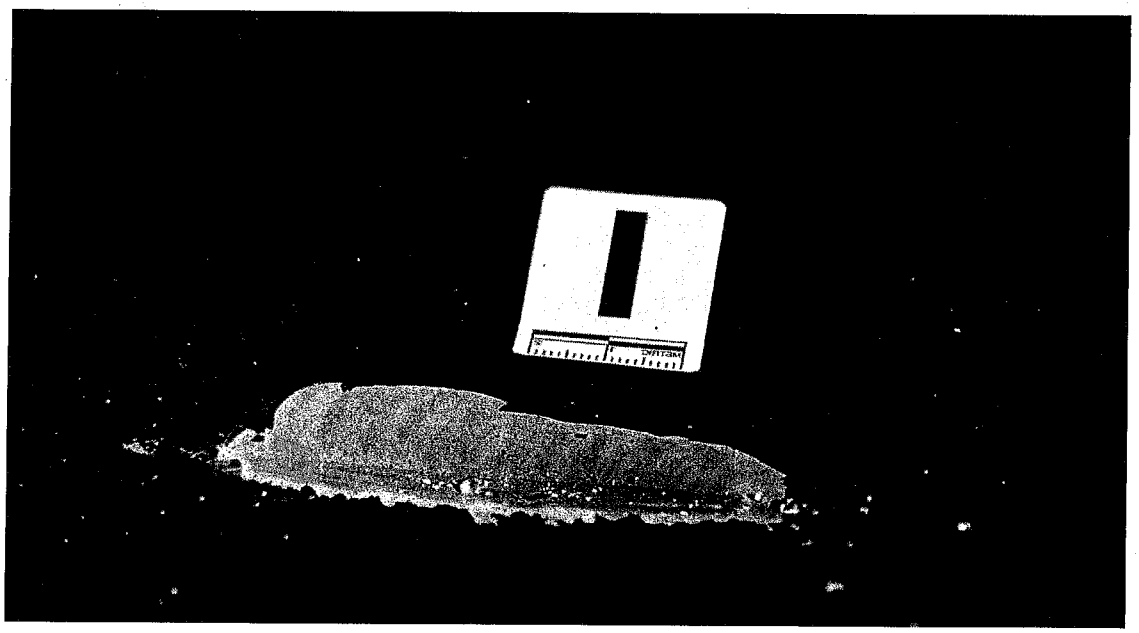

Figure 16 - Close up photo of damage to hood

Letter I appeared to be a ricochet mark located on the hood of the patrol vehicle.

Letter J appeared to be an apparent strike mark to the left of the spotlight area, attached to the A-Pillar of the patrol vehicle.

Figure 18 - Apparent defect to the windshield

Figure 19 – Close up photo of defect to the windshield

Additionally, a fired bullet was also located northeast of the patrol vehicle. I believe this bullet was consistent with the location and damage to the patrol vehicle.

Figure 21 - Placard # 1 represents the location of the fired bullet

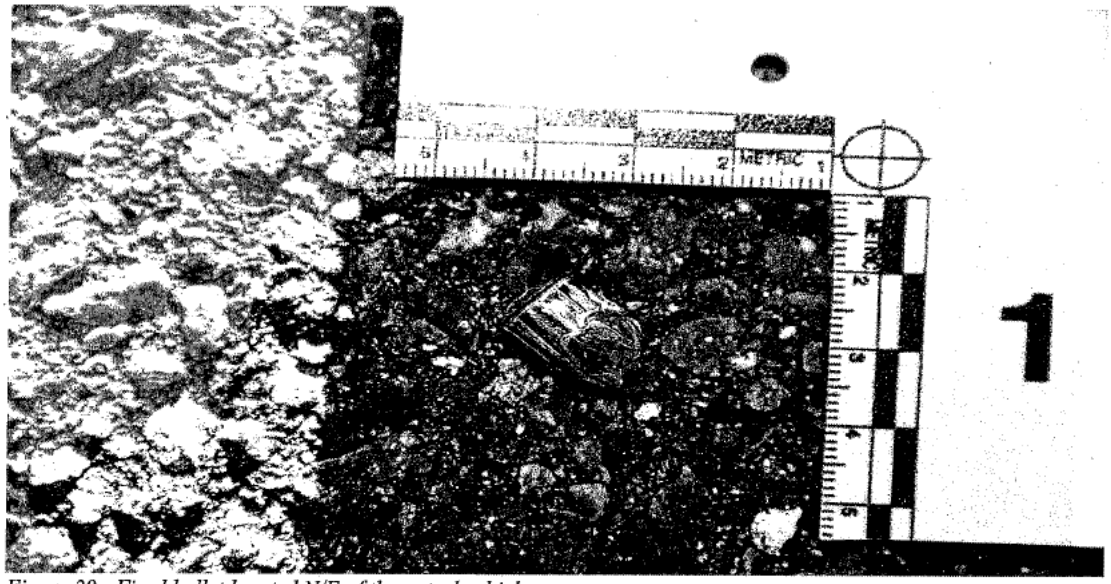

Figure 20 - Fired bullet located N/E of the patrol vehicle

Placard #1 was identified as a fired bullet located Northeast of the SDPD patrol vehicle. Placard #2 was identified as FC 9MM cartridge casings located Northeast of the SDPD patrol vehicle. Placard #3 was identified as a magazine belonging to SDPD Officer Meyers located on the Northside of the patrol vehicle. Placards #4-11 were identified as FC 9MM cartridge casings located Northeast of the SDPD patrol vehicle. Placards #12-13 were identified as FC 9MM cartridge casings located Southeast of the SDPD patrol vehicle. Placards #14-30 were identified as FC 9MM cartridge casings located Southwest of the SDPD patrol vehicle. Placard #31 was identified as a fired bullet and collected from the asphalt Northeast of the red Dodge truck. Placard #32 was identified as WIN 9MM cartridge case, and placard #32 was identified as a USA 9MM LUGER cartridge case. Both placard #32-33 were located NE of Dodge truck. Refer to evidence items collected for further detail.

Criminalist Hensley identified additional defects to the wood, planter, and tree adjacent of the Dodge truck.

Figure 22 - Overall photo showing proximity to the wood, planter, and tree to Dearman's vehicle. Photograph taken by Faro scan.

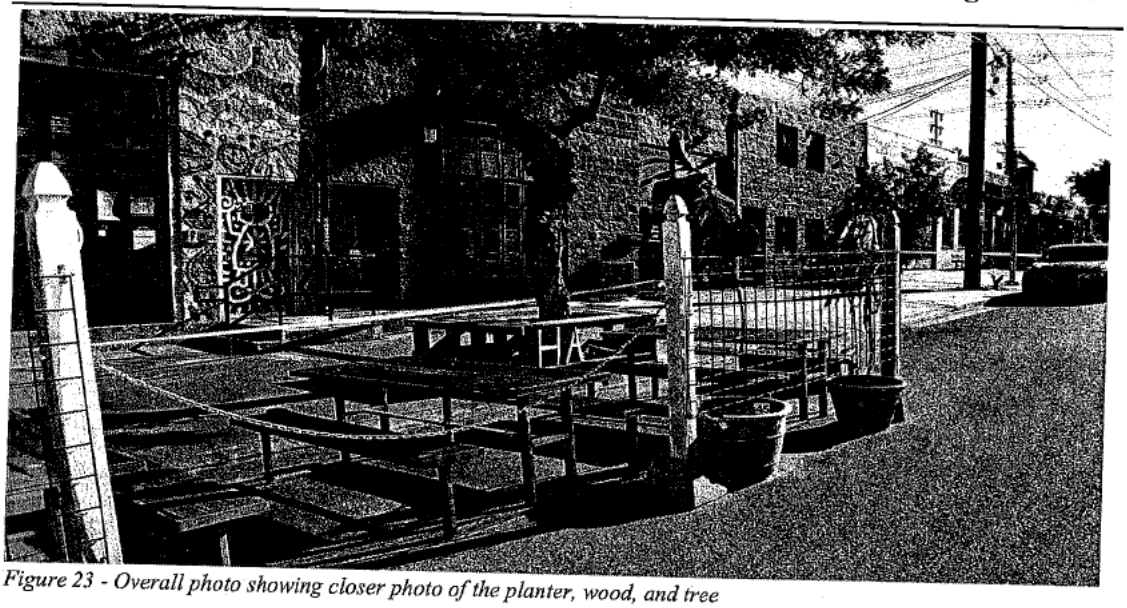

Figure 23 - Overall photo showing closer photo of the planter, wood, and tree

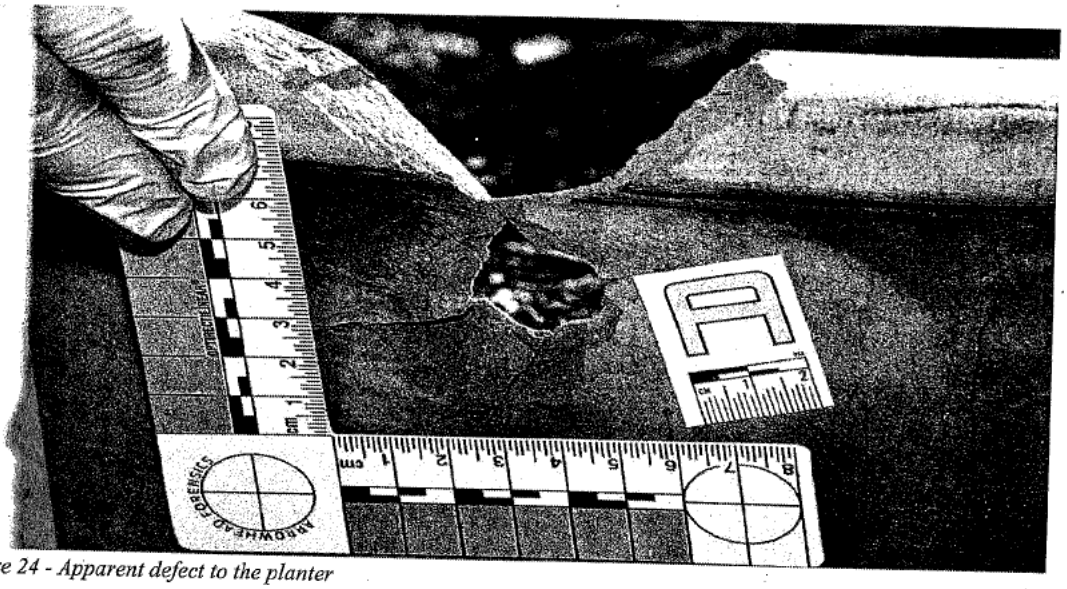

Figure 24 - Apparent defect to the planter

Figure 25 - Apparent defect to the wood

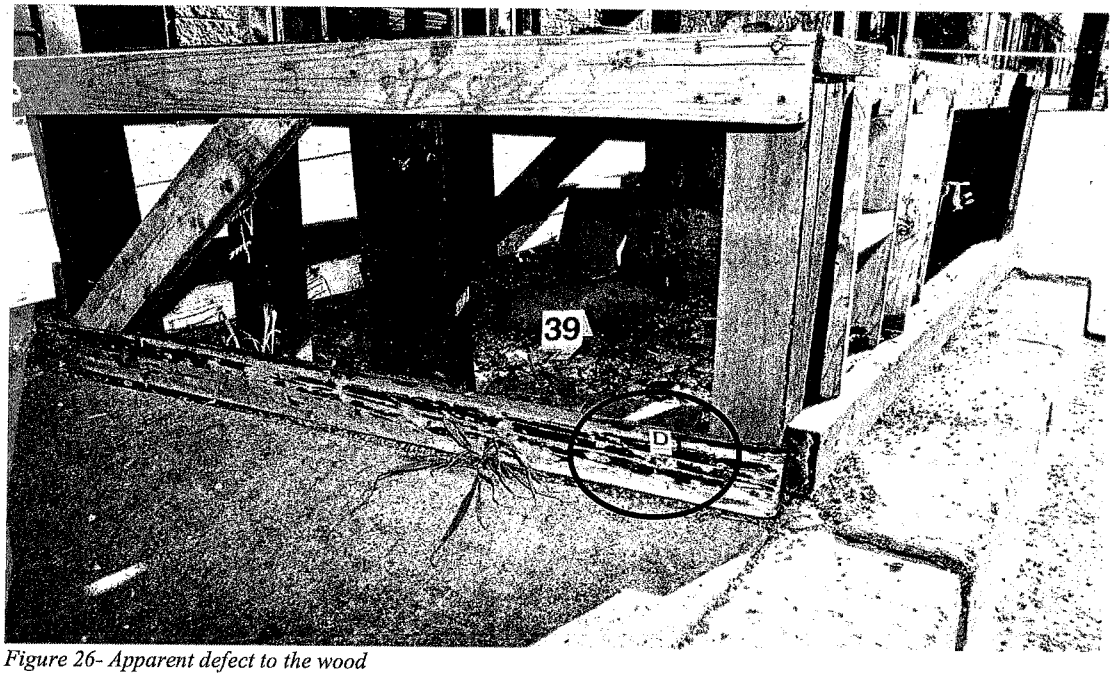

Figure 26- Apparent defect to the wood

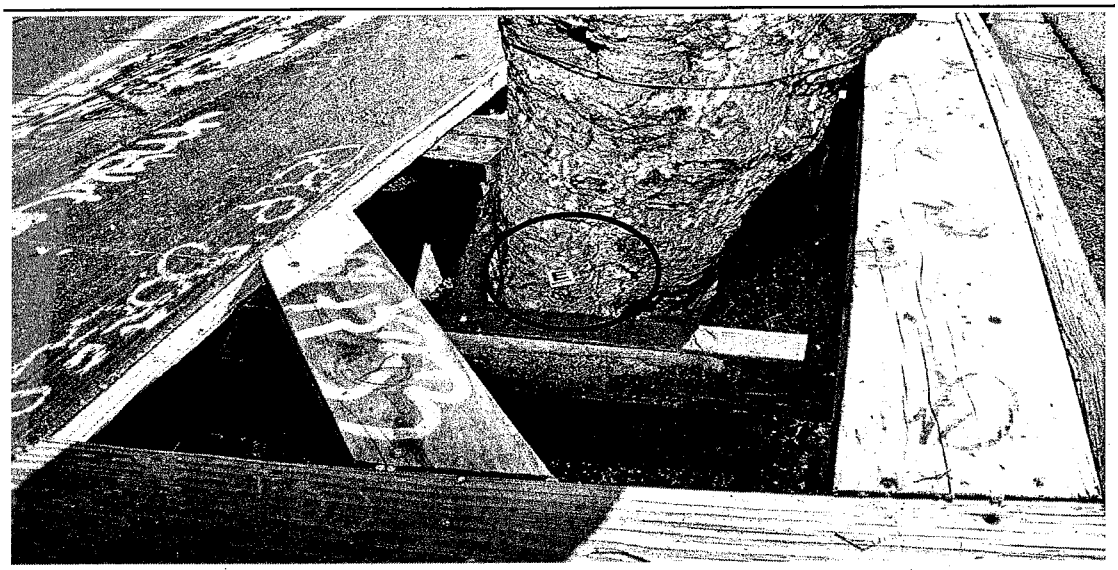

Figure 27- Apparent defect to the tree

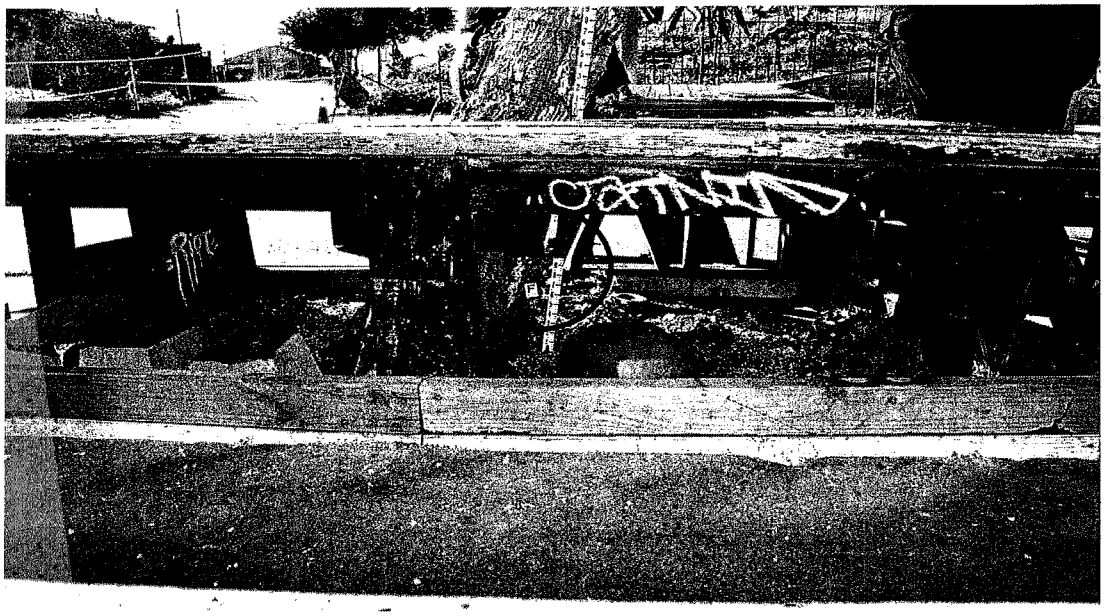

Figure 28 - Apparent defect to the tree

Criminalist Hensley placed stickers A-F to identify the defects located. Criminalist Hensley and I did not attempt to remove possible projectile rounds from the letters identified as "C, D, or E".

On Saturday, January 21, 2023, at about 1030 hours, Criminalist Hensley discovered a trajectory defect located on the front passenger bumper of a Nissan Sentra bearing CA license plate [redacted] which appeared to have an exit path through the wheel well. The projectile was lodged in the front passenger tire. The letter "L" was used to identify the trajectory path and the fired bullet was located in the tire.

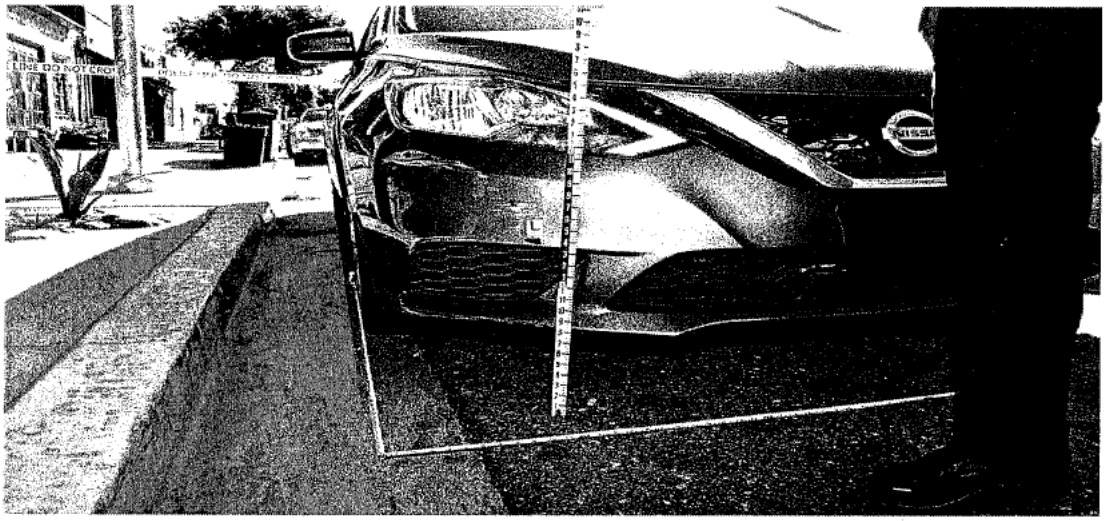

Figure 30 - Apparent defect to front bumper

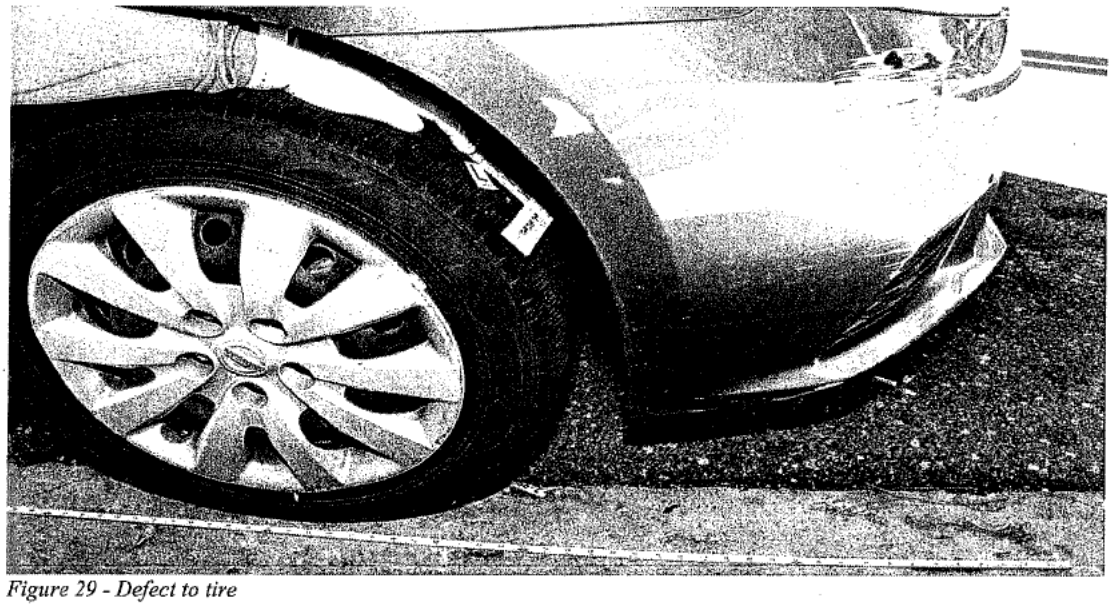

Figure 29 - Defect to tire

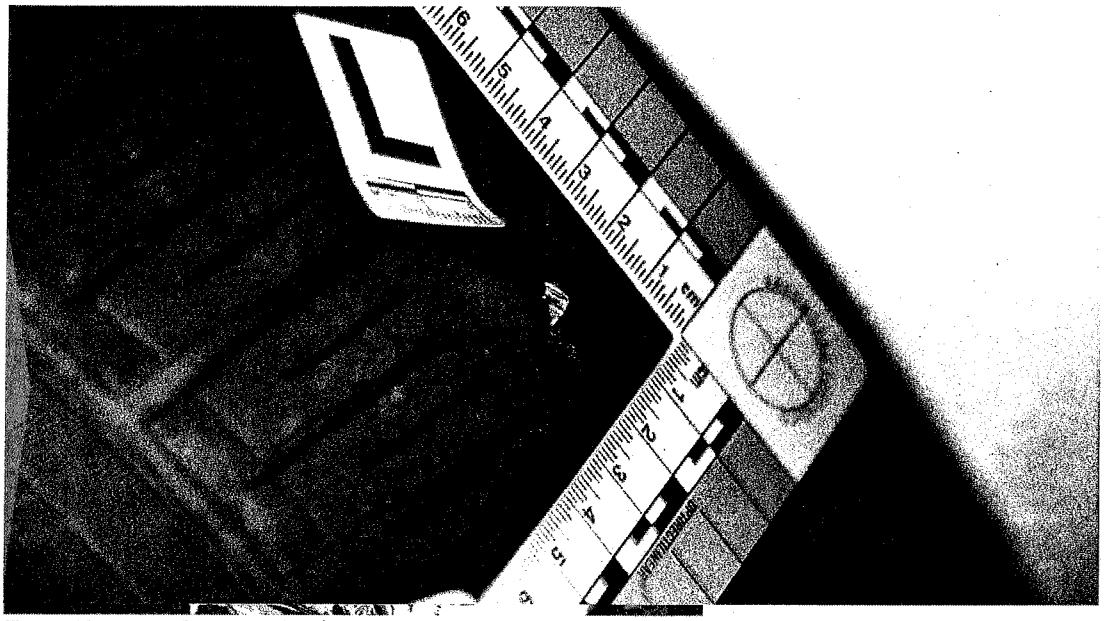

Figure 32 - Zoomed in view of projectile lodged in tire

Figure 31 - Defect to tire wheel well

The flower shop called Luna Bloom Shop located at 2060 Logan Ave appeared to have evident broken glass on the front door to the business.

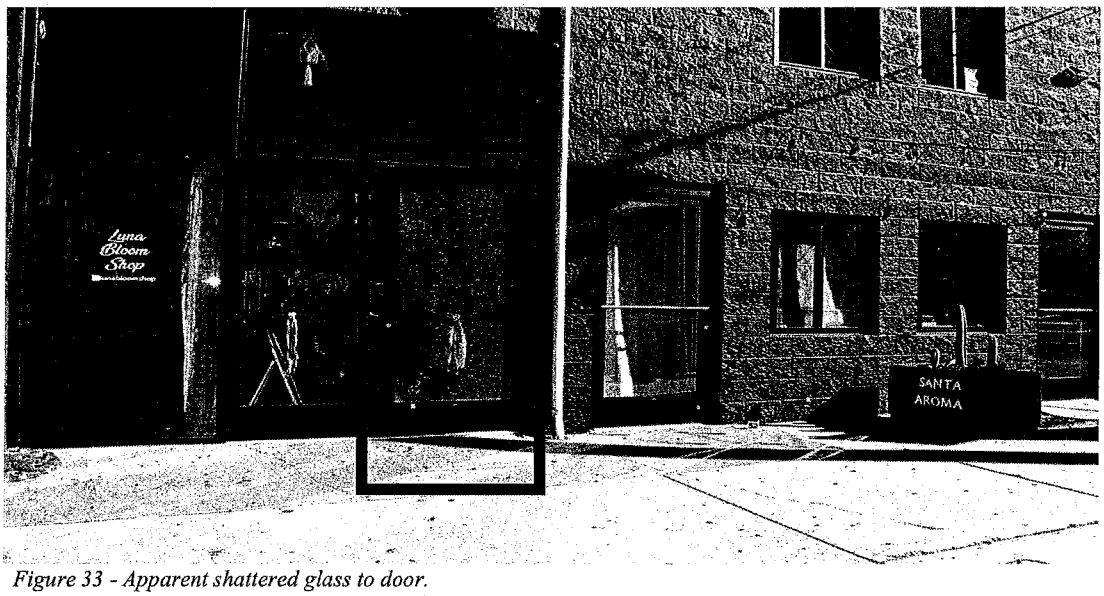

Figure 33 - Apparent shattered glass to door.

Criminalist Hensley identified letter G as an entrance to a fired bullet. The business located east of Luna Bloom Shop, was identified as Santa Aroma.

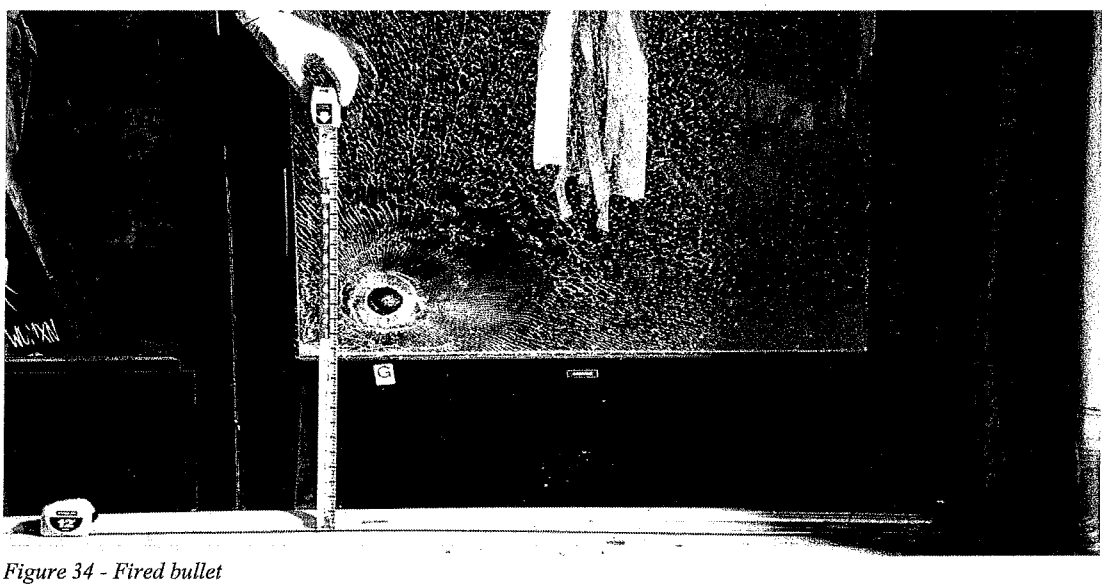

Figure 34 - Fired bullet

Criminalist Hensley identified a projectile lodged in the bottom of the door, which was identified as letter H.

Figure 35 - Projectile lodged in door

On Saturday, January 21, 2023, at about 1053 hours, Detective Moser provided me with the video surveillance camera footage from the Luna Bloom Shop. I reviewed the video surveillance and according to the timestamp from the video, at 2338 hours, the Dodge Ram yielded, and Dearman exited his vehicle. An officer yelled, "Let me see your hands" and Dearman presented and pointed a firearm at the officers. There were several gun shots heard on the video and it is unclear who fired the first round. The video surveillance was placed into the electronic case file.

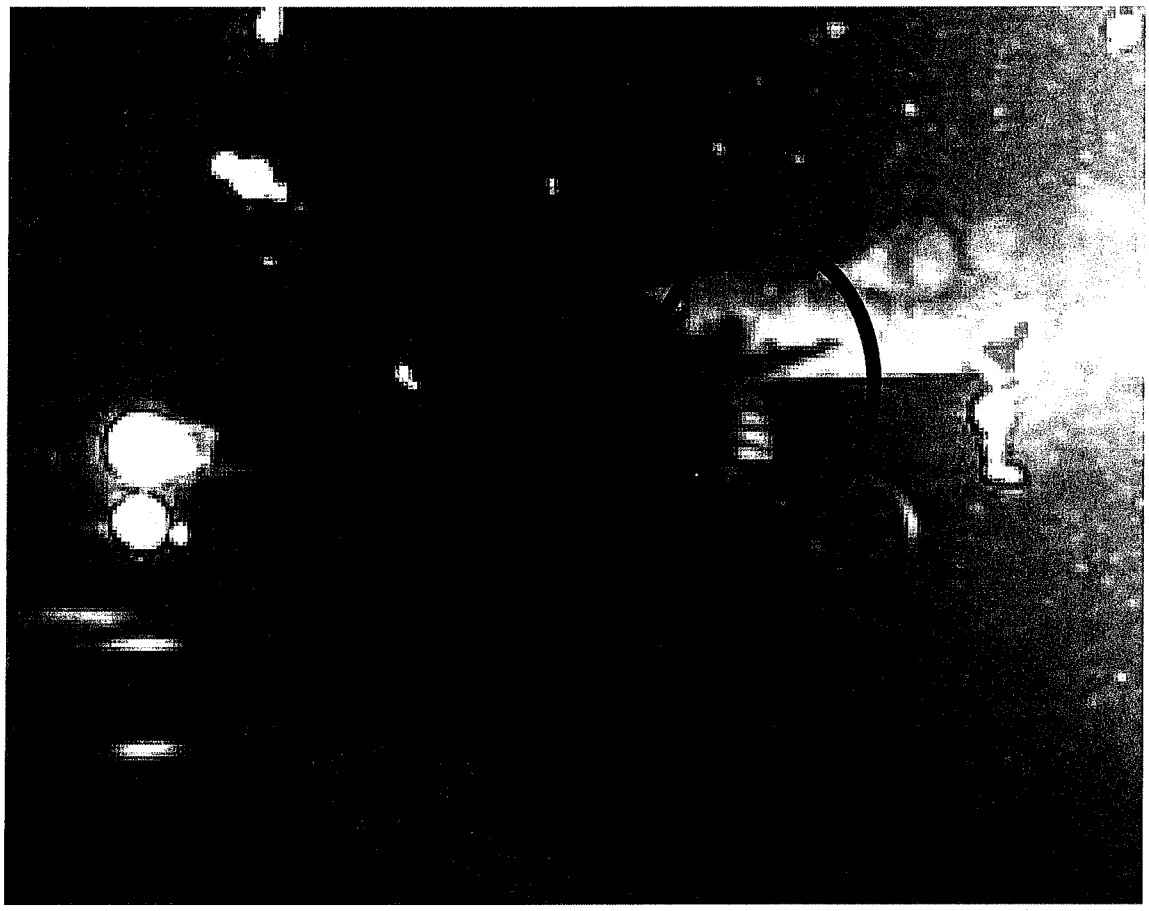

Figure 36 - Still shot from Luna Bloom Flower Shop video surveillance, the photo represents Dearman pointing a firearm towards the officers.

On Saturday, January 21, 2023, at about 1111 hours, I requested Detective Noah to write a search warrant to retrieve a fired bullet from a silver, 4-door, 2019 Nissan Sentra, bearing California license plate [redacted] and (2) businesses located at 2060 Logan Avenue, Suite C, Studio #1, and 2060 Logan Avenue, in San Diego. The search warrant also included a search of Dearman's vehicle. The search warrant was reviewed by Deputy District Attorney (DDA) C. Alfaro for legal sufficiency and at 1247 hours, the Honorable Judge D. Belsky approved the search warrant [redacted]

On Saturday, January 21, 2023, at about 1254 hours, (1) projectile was removed from the Nissan Sentra's passenger front tire (Identified as Letter L). At about 1300 hours, Criminalist Hensley broke the Luna Bloom Shop's double pane glass door in effort to retrieve the projectile round wedged in the door frame (Identified as Letter G). Next, Criminalist Hensley recovered (1) projectile from Santa Aroma's front door (Identified as Letter H).

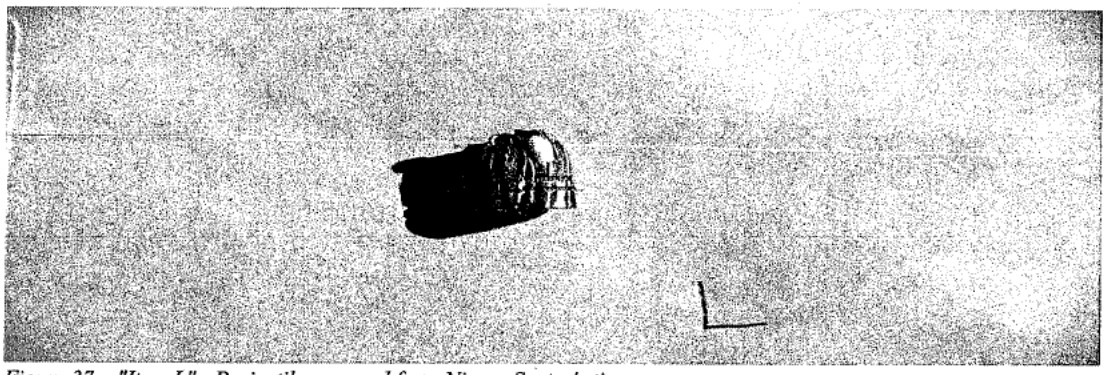

Figure 37 – "Item L" - Projectile removed from Nissan Sentra's tire

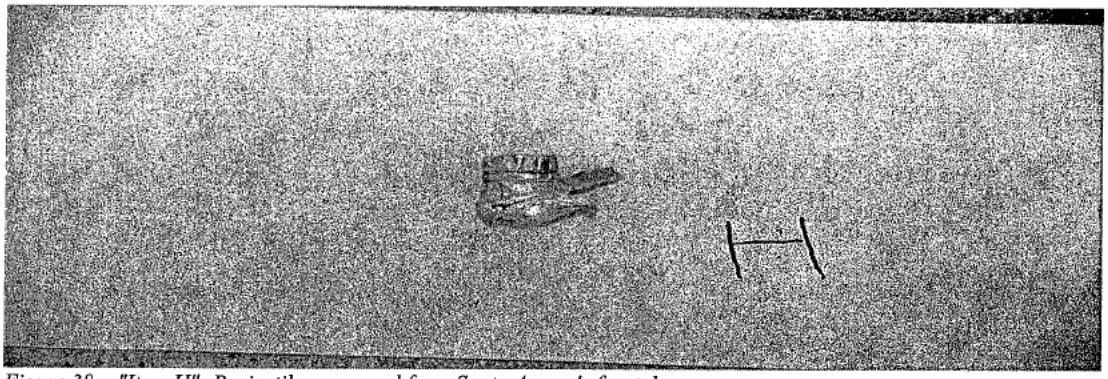

Figure 38 – "Item H" -Projectile recovered from Santa Aroma's front door

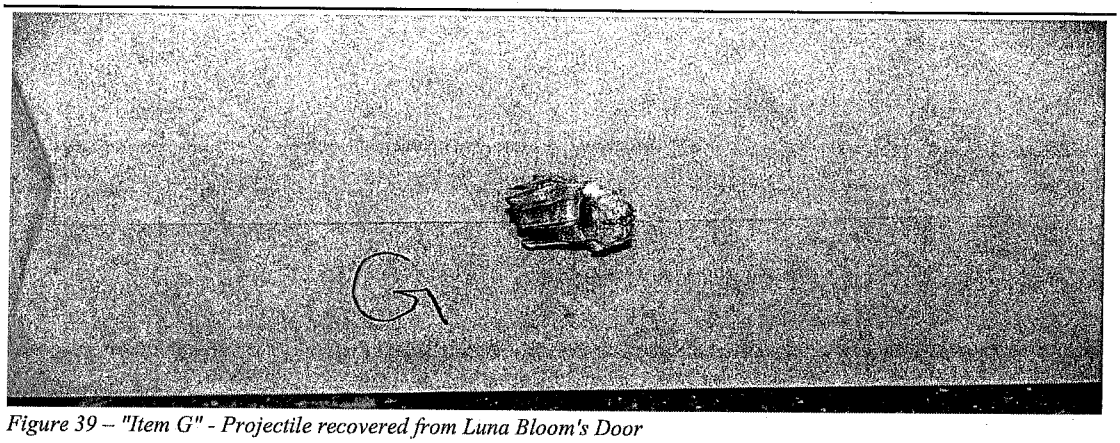

Figure 39 – "Item G" - Projectile recovered from Luna Bloom's Door

On Saturday, January 21, 2023, at about 1330 hours, I completed (3) receipt and inventory forms and left copies of the forms at the Luna Bloom Shop, Santa Aroma, and on the Nissan Sentra.

The following items were collected from the scene as evidence:

1. Fired bullet NE of SDPD patrol vehicle
2. FC 9MM cartridge case NE of SDPD patrol vehicle
3. SDPD Magazine
4. FC 9MM cartridge case NE of SDPD patrol vehicle
5. FC 9MM cartridge case NE of SDPD patrol vehicle
6. FC 9MM cartridge case NE of SDPD patrol vehicle
7. FC 9MM cartridge case NE of SDPD patrol vehicle
8. FC 9MM cartridge case NE of SDPD patrol vehicle
9. FC 9MM cartridge case NE of SDPD patrol vehicle
10. FC 9MM cartridge case NE of SDPD patrol vehicle
11. FC 9MM cartridge case NE of SDPD patrol vehicle
12. FC 9MM cartridge case SE of SDPD patrol vehicle
13. FC 9MM cartridge case SE of SDPD patrol vehicle
14. FC 9MM cartridge case SW of SDPD patrol vehicle
15. FC 9MM cartridge case SW of SDPD patrol vehicle
16. FC 9MM cartridge case SW of SDPD patrol vehicle
17. FC 9MM cartridge case SW of SDPD patrol vehicle
18. FC 9MM cartridge case SW of SDPD patrol vehicle
19. FC 9MM cartridge case SW of SDPD patrol vehicle
20. FC 9MM cartridge case SW of SDPD patrol vehicle

21. FC 9MM cartridge case SW of SDPD patrol vehicle
22. FC 9MM cartridge case SW of SDPD patrol vehicle
23. FC 9MM cartridge case SW of SDPD patrol vehicle
24. FC 9MM cartridge case SW of SDPD patrol vehicle
25. FC 9MM cartridge case SW of SDPD patrol vehicle
26. FC 9MM cartridge case SW of SDPD patrol vehicle
27. FC 9MM cartridge case SW of SDPD patrol vehicle
28. FC 9MM cartridge case SW of SDPD patrol vehicle
29. FC 9MM cartridge case SW of SDPD patrol vehicle
30. FC 9MM cartridge case SW of SDPD patrol vehicle
31. Fired bullet from asphalt NE of red Dodge truck
32. WIN 9MM cartridge case NE of Dodge truck
33. A USA 9MM LUGER cartridge case NE of Dodge truck
34. DNA Swab Kit cartridge cases (item 1.31 & 1.32)
35. Fired bullet from asphalt SW of 2060 Logan Ave
36. Fired bullet from asphalt SW of 2060 Logan Ave
37. Fired bullet, concrete sidewalk SW of 2060 Logan
38. Stain Collection Kit from asphalt NE of Dodge truck
39. Stain Collection Kit from asphalt NE of Dodge truck
40. Fired bullet from wooden planter's box
41. Pistol & magazine from asphalt NE of Dodge truck
42. Cartridges from S&W pistol (item 1.40)
43. Cartridges from S&W pistol (item 1.40)
44. Left shoe from asphalt NE of SDPD patrol vehicle
45. Right shoe from asphalt NE of SDPD patrol vehicle
46. Pants from asphalt NE of SDPD patrol vehicle
47. Fired bullet from inside flowerpot NE of Dodge
48. Fired bullet from concrete SW of 2060 Logan Ave
49. Fired bullet from asphalt SW of 2070 Logan Ave
50. Fired bullet from concrete SW of 2070 Logan Ave
51. Red & black hat from asphalt NE of Dodge truck
52. Metal fragment from asphalt NE of SDPD vehicle 7715
53. Black fabric from asphalt NE of Dodge truck
54. Metal fragment from concrete sidewalk of Logan Av
55. Red &white sock from asphalt NE of SDPD patrol vehicle
56. Sock & fabric from asphalt NE of SDPD patrol vehicle
57. Fired bullet from inside glass door to 2060 Logan
58. Fired bullet from inside door to 2060 Logan
59. Fired bullet from tire of Nissan Sentra

Throughout the investigation, it was learned Officer Meyers' initial magazine was loaded with [redacted] rounds, and (1) round was in the chamber. Officer Meyers fired 13 rounds and conducted a tactical magazine change. The magazine was left on scene (Placard #3) and contained [redacted] remaining rounds. Officer Meyers never fired his weapon again after he conducted a tactical magazine change. Officer Aguilar's magazine was also loaded with [redacted] rounds, and (1) round was in the chamber. Officer Aguilar fired 15 rounds and had [redacted] rounds remaining in his magazine. Collectively, both Officer Meyers and Officer Aguilar fired a total of 28 rounds and 28 "FC 9MM Lugar" cartridge casings were recovered at the scene. Two separate cartridge casings were located Northeast of the Dodge truck and had different head stamped cartridge casings identified as "WIN 9MM" and "A USA 9MM LUGER" (Placard #32 and #33).

A total of 30 cartridge casings were recovered at the scene. A final safety sweep was conducted, and no other projectiles were located, and no other outstanding cartridge casings were located.

On Saturday, January 21, 2023, at about 1400 hours, the investigative team cleared from the scene.

This investigation is still ongoing, and any further follow-up investigation will be documented in a separate follow-up report.

FOLLOW UP

ORIGIN:

On January 21, 2023, at about 0030 hours, I received a text message from San Diego Sheriff's Department Homicide Sergeant J. Wilson (6013) requesting I respond to the area of Logan Avenue and Cesar Chavez Parkway in San Diego for a San Diego Police Department (SDPD) Officer Involved Shooting.

INVESTIGATION:

I arrived at the location around 0140 hours. Detective R. Naputi (3018) was assigned as the lead investigator.

At about 0201 hours, I attended a briefing by SDPD Sergeant M. Deans (7422) who provided SDPD case number 23002957. I essentially learned that on January 20, 2023, at about 2333 hours, Officers Meyers and Aguilar, who were working as a two-man patrol unit (515K3), conducted a traffic stop on a red Dodge Ram (CA[redacted] near 1800 Logan Avenue, that was driven by Christopher Dearman (per his driver's license). Sergeant Murillo (6115) arrived and remained on the passenger side as cover. There were no other occupants inside the vehicle. A record check showed Dearman had a prior arrest for being a felon in possession of a firearm. Officers requested Dearman step out of the vehicle so they could conduct a pat down search of the vehicle for firearms, but he refused and eventually fled the scene in his truck. Sergeant Murillo sprayed Dearman with OC (Oleoresin Capsicum) spray as he began to flee. A short pursuit occurred until Dearman stopped his truck near the 2000 block of Logan Avenue. Dearman exited his vehicle and a shooting occurred between Dearman and Officers Meyers and Aguilar. Dearman was struck in the lower extremities. As he fell to the ground a firearm was seen falling to the ground near him. Commands were given for him to move away from the firearm. A SDPD K9 was deployed by Officer P. Harvey (7093) to pull Dearman away from the firearm and he was taken into custody. Life saving measures were deployed and Dearman was transported to UCSD Medical Center where he was pronounced deceased by Doctor Cha at about 0024 hours. All involved officers activated their Body Worn Cameras at the time of the incident. See Detective Naputi's report for further details.

The briefing ended at about 0225 hours.

Detective Naputi assigned Detective M. Blumenshine (2137), Detective A. Van Lingen (3117), and I to interview Officers Meyers, Aguilar, and Harvey, as well as Sergeant

Murillo, who were all standing by at the SDPD Central Station located at 2501 Imperial Avenue, in San Diego.

I left the briefing area at about 0243 and arrived at the Central Station at about 0248 hours.

At about 0330 hours, Forensic Evidence Technician M. Gervasoni (6196) took photographs of Officer P. Harvey and the equipment he was wearing at the time of the incident.

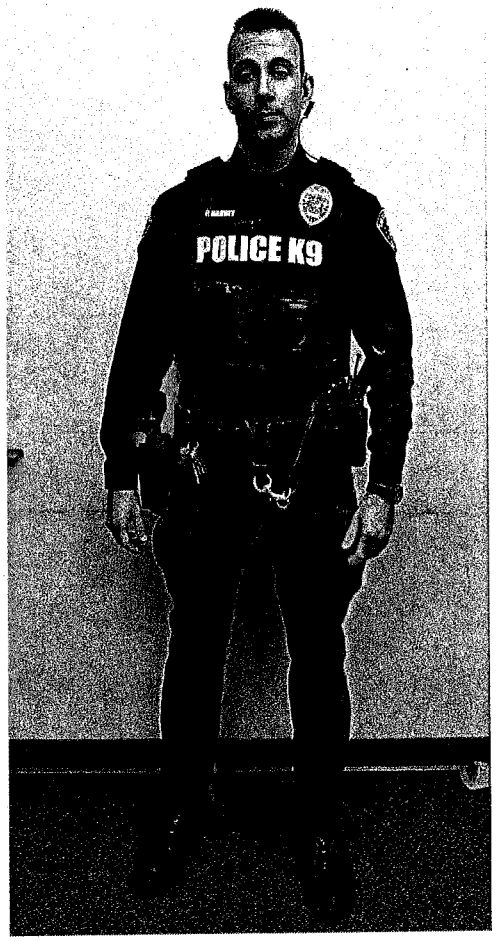

Photo *MMG_001* of Officer Harvey

At about 0338 hours, FET Gervasoni took photographs of Officer Meyers and his equipment he was wearing at the time of the incident. Equipment on his duty belt included:

key, handcuffs, Glock 17 Gen 5 firearm (serial number [redacted] with a magazine inserted, tourniquet, handcuffs, radio, flashlight, taser, and a [redacted] magazine holster (one magazine present). Officer Meyers confirmed the firearm was his [redacted] firearm and the ammunition was department issued. [redacted] Officer Meyers stated he typically inserts a full magazine into the firearm in addition to one cartridge in the chamber. Officer Meyers stated he dropped one of his magazines [redacted] round capacity) on scene and inserted another magazine into the firearm afterwards.

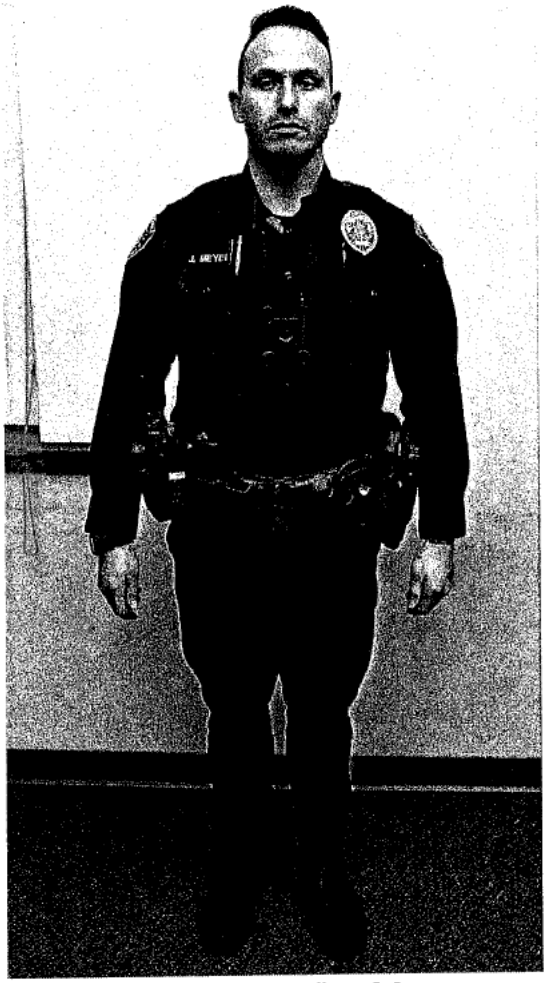

Photo *MMG_0020* of Officer Meyers

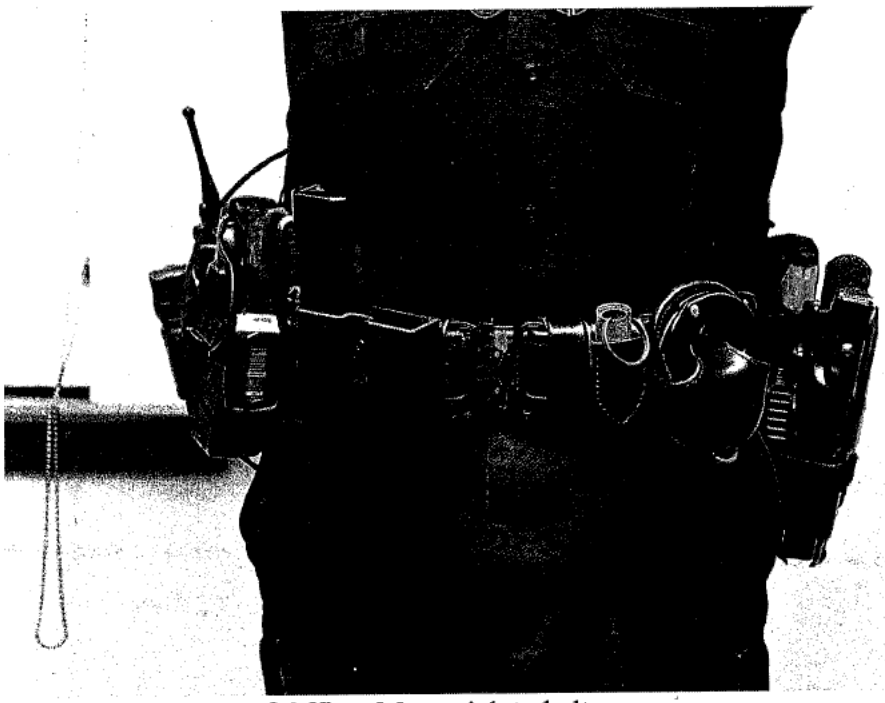

Photo *MMG_0033* of Officer Meyers' duty belt

FET Gervasoni counted the ammunition in Officer Meyers' Glock 17 firearm and found there to be [redacted] in the magazine (extended magazine) plus one round chambered. His spare magazine in his magazine holster had [redacted] rounds. FET Gervasoni collected the firearm and the loaded ammunition as evidence. The processing of Officer Meyers ended at about 0354 hours.

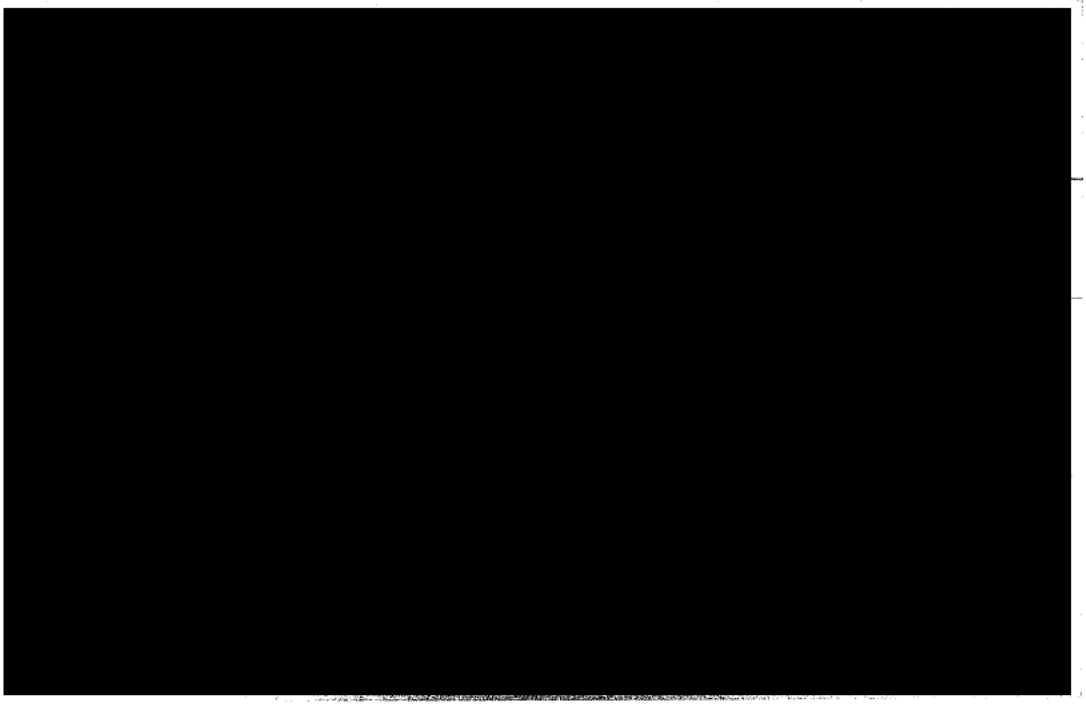

Photo *MMG_0049* of Officer Meyers' firearm

At about 0356 hours, FET Gervasoni took photographs of Officer Aguilar and his equipment he was wearing at the time of the incident. Equipment on his duty belt included: OC spray, taser, baton, tourniquet, radio, small flashlight, large flashlight, Glock holster with Glock 17 Gen 5 firearm (serial number [redacted] and a magazine inserted, two handcuffs, and [redacted] round magazines inserted into a magazine holster. Officer Aguilar confirmed the items he was wearing was what he had on during the time of the incident. He also confirmed the firearm and ammunition was SDPD [redacted]

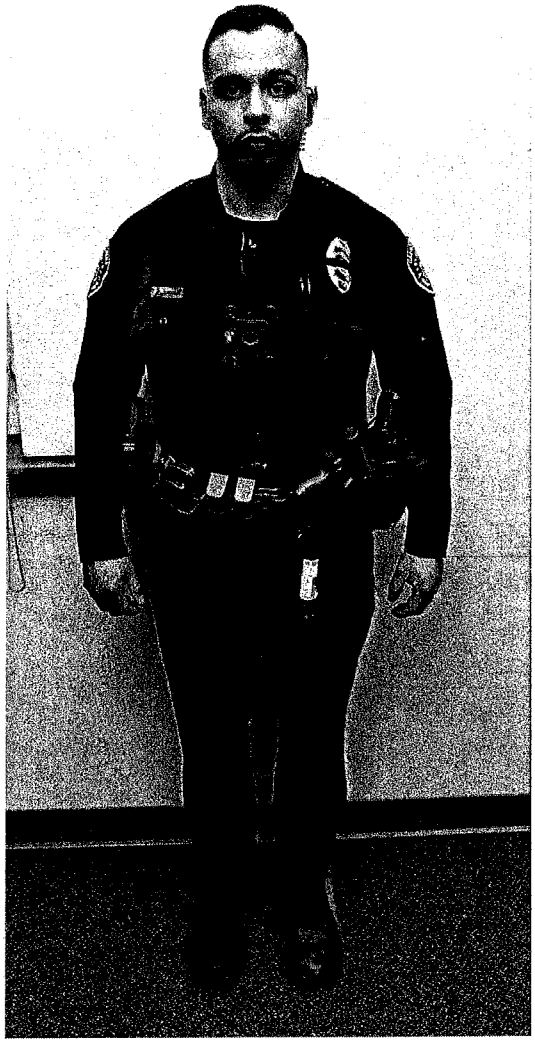

Photo *MMG_0020* of Officer Aguilar

Photo *MMG_0072* of Officer Aguilar's duty belt

FET Gervasoni counted the ammunition in Aguilar's Glock 17 firearm and found there to be [redacted] in the magazine plus one round chambered. The inserted magazine had a [redacted]-round capacity, which he usually fully loads with an additional cartridge chambered ([redacted] total). His [redacted] spare magazines on his duty belt held [redacted] rounds and were full. FET Gervasoni collected the firearm and the loaded ammunition as evidence. The processing of Officer Aguilar ended at about 0409 hours.

Photo *MMG_0089* of Officer Aguilar's firearm

At about 0414 hours, FET Gervasoni took photographs of Sergeant Murillo and the equipment he was wearing at the time of the incident.

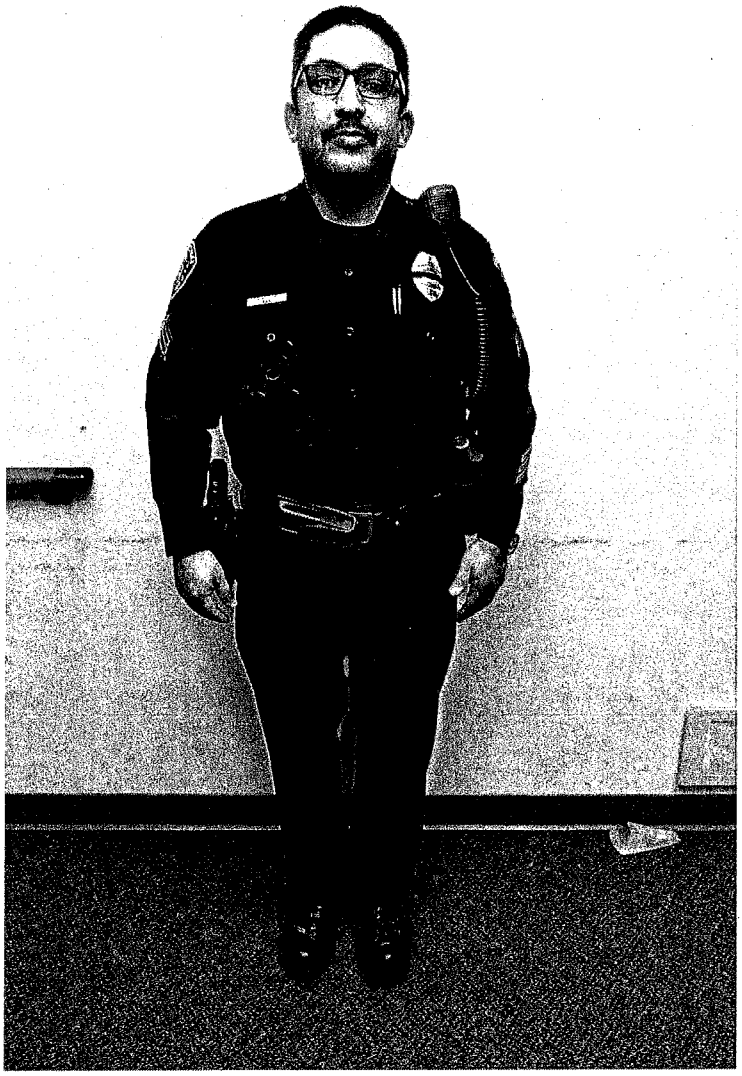

Photo *MMG_0059* of Sergeant Murillo

At about 0428 hours, Detective Blumenshine, Detective A. Van Lingen (3117), and I reviewed Officer Meyers and Officer Aguilar's BWC footage for the incident.

On January 21, 2023, at about 0452 hours, Detective Blumenshine and I interviewed Officer Christopher Aguilar (1189) inside the captain's office at the Central Station. Attorney Rick Pinckard was present to represent Officer Aguilar. Officer Aguilar

confirmed his statement was being provided voluntarily. I recorded the interview using my department issued audio-recorder and later uploaded the recording to the Sheriff's access-controlled case file. Refer to the statement report for further details. The interview ended at about 0540 hours.

On January 21, 2023, at about 0657 hours, Detective Van Lingen and I interviewed Sergeant Murillo inside the captain's office at the Central Station. Attorney Rick Pinckard was present to represent Sergeant Murillo. I recorded the interview using my department issued audio-recorder and later uploaded the recording to the Sheriff's access-controlled case file. Refer to the statement report for further details. The interview ended at about 0737 hours.

On January 21, 2023, at about 0743 hours, Detective Blumenshine and I interviewed Officer Harvey inside the captain's office at the Central Station. Attorney Rick Pinckard was present to represent Officer Harvey. I recorded the interview using my department issued audio-recorder and later uploaded the recording to the Sheriff's access-controlled case file. Refer to the statement report for further details. The interview ended at about 0802 hours.

At about 0815 hours, I left the Central Station. This concluded my involvement in his case. Any additional follow up will be conducted on a separate report.

REVIEW OF DEARMAN'S CELL PHONE:

ORIGIN:

On Tuesday, February 28, 2023, I met with Detective Laudermilk from CATCH located at 330 W. Broadway, in San Diego and retrieved Dearman's cell phone. The cell phone was forensically downloaded onto a USB flash drive per search warrant [redacted] I placed the download into the electronic case file.

INVESTIGATION:

Figure 1 - Back of Dearman's cell phone

Figure 2 - Front of Dearman's cell phone

On Wednesday, April 5, 2023, I briefly reviewed the content of Dearman's Apple iPhone 13 Pro Max cell phone download. The phone call logs were set to Coordinated Universal Time (UTC). Per Apple world clock, UTC time is 7 hours ahead of Pacific Standard Time (PST).

Dearman had 1,715 contacts stored in his phone and had 370 calls in his call log history. It appeared Dearman's last answered call was an incoming facetime call from [redacted] timestamped 1/21/23, at 0735 hours (UTC).

Dearman had 3,365 videos and 57,612 images on his phone. The majority of the images that I reviewed appeared to be female and car related.

I reviewed Dearman's calendar and did not observe anything of evidentiary value.

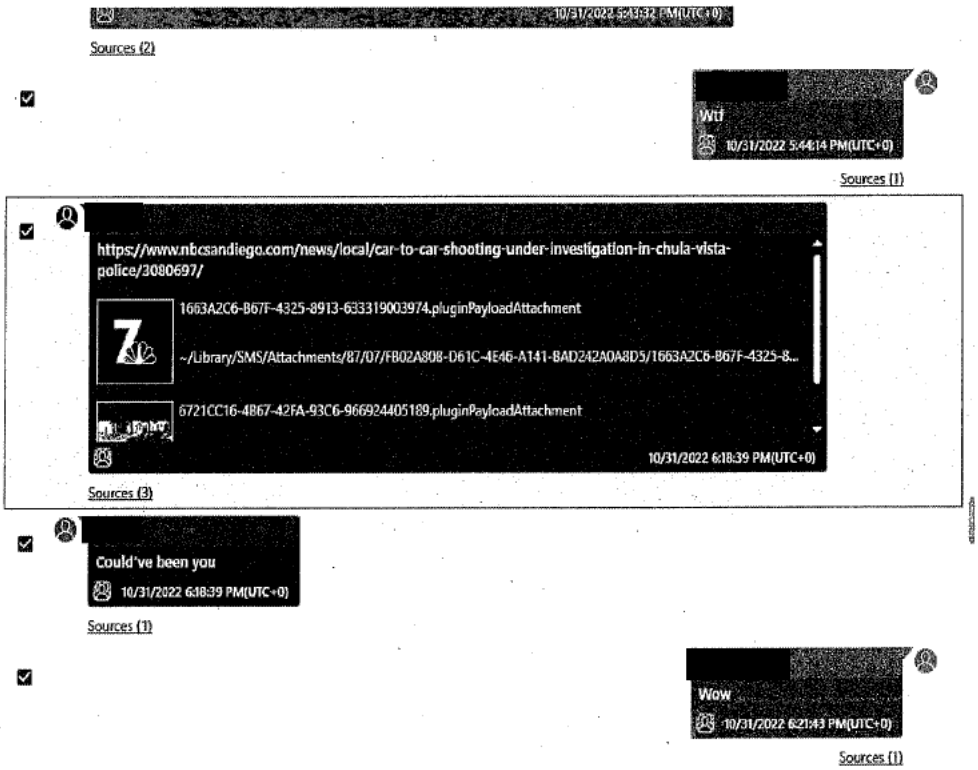
Reporting Officer:	Det. R. Naputi	ID# 3018	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	4/5/2023

Dearman had 95 voicemails, I reviewed approximately 6 voicemails and they were all business related.

I reviewed Dearman's web history and there was mostly business and pornographic websites searched.

Dearman had thousands of text messages stored in his phone. I briefly reviewed the text messages and searched key words such as "gun, shoot, and police". I primarily focused my attention to the past month of text message conversations and observed the sale of narcotic related texts and one text message that his friend discusses a 1911 firearm and another text that Dearman states he was at the Bonita shooting range.

There was a text message received from [redacted] on October 31, 2022. [redacted] is believed to be [redacted] sent Dearman a text message containing a link regarding a Chula Vista Police investigation involving a vehicle shooting and texted Dearman, "Could've been you". Dearman responded by texting, "wow".



See PDF attachments for the entire conversation of the text messages.

This report concludes the review of Dearman's cell phone.

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

Follow Up Report

Origin:

On Saturday, January 21, 2023, at 0030 hours, I received a callout notification from Sergeant Wilson (6013) reference an investigation into the officer involved shooting by officers from the San Diego Police Department (SDPD) at Logan Avenue and Cesar Chavez Parkway in San Diego.

Detective Naputi was assigned as the lead investigator.

Investigation:

On Saturday, January 21, 2023, at 0118 hours, I arrived on scene near 2000 Logan Avenue.

On Saturday, January 21, 2023, at 0201 hours, I attended an incident brief provided by SDPD Sergeant Deans.

On Friday, January 20, 2023, at about 2330 hours, two officers from SDPD conducted a traffic stop of a red truck. Upon contact, the occupant refused to comply with commands for a vehicle pat down and fled the area in his truck. A vehicle pursuit ensued before ending with the suspect exiting the truck and pointing a gun at officers before they fired upon him.

The officers were at the Central Division station and the decedent was at the hospital.

The briefing concluded at 0225 hours. For details of the briefing, refer to Detective Naputi's report.

At the conclusion of the briefing, my team (Homicide Team I), was tasked by Detective Naputi with interviewing the three involved officers as well as the K-9 handler who later arrived on scene. We were also tasked with processing the three involved officers and the K-9 handler.

On Saturday, January 21, 2023, at 0243 hours, I left the scene. At 0247 hours, I arrived the SDPD Central Division station.

I met with Attorney R. Pinckard from Bobbitt Pinckard & Fields. I explained to him who we planned on interviewing and agreed we'd all watch the body worn camera video prior to the interviews.

After meeting with Attorney R. Pinckard, I asked the SDPD officers to call K-9 Officer Harvey and have him return to the station.

SDPD's command staff allowed us access to a conference room to process the officers. Officer Harvey, Officer Meyers, Officer Aguilar, and Sergeant Murillo were all processed. Officer Meyers' firearm and seated magazine were collected as evidence. Officer Aguilar's firearm and seated magazine were collected as evidence. Sergeant Murillo's OC Spray was collected as evidence (during the brief we'd learned he had deployed it prior to the officer involved shooting). For details of the processing, refer to the Detective Davidson's report.

On Saturday, January 21, 2023, at about 0428 hours, I obtained a USB of the body worn camera from Sergeant Wilson. I played the video on the computer in the captain's office so Sergeant Wilson, Detective Van Lingen, Detective Davidson, and I could review it.

I met with Attorney R. Pinckard and confirmed the involved officers had ample time to review their body worn camera and were ready to conduct their interviews.

On Saturday, January 21, 2023, at 0452 hours, Detective Davidson and I interviewed Officer Aguilar in the Captain's office. Present for the voluntary interview was Attorney R. Pinckard as legal representation. The interview was audio recorded. For details, refer to the statement report and/or audio recording.

On Saturday, January 21, 2023, at 0547 hours, Detective Van Lingen and I interviewed Officer Meyers in the Captain's office. Present for the voluntary interview was Attorney R. Pinckard as legal representation. The interview was audio recorded. For details, refer to the statement report and/or audio recording.

On Saturday, January 21, 2023, at 0743 hours, Detective Davidson and I interviewed Officer Harvey in the Captain's office. Present for the voluntary interview was Attorney R. Pinckard as legal representation. The interview was audio recorded. For details, refer to the statement report and/or audio recording.

At the conclusion of the interviews and processing, Detective Naputi stated no further assistance was needed from Homicide Team I.

On Saturday, January 21, 2023, at 0813 hours, I cleared from the SDPD Central Division Station. This concluded my involvement in this investigation.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

ORIGIN:

On Saturday, January 21, 2023, at approximately 0030 hours, I was notified by Sergeant J. Wilson (#6013) of a San Diego Police Department (SDPD) officer involved shooting that occurred at 2000 Logan Avenue in the city of San Diego. Detective R. Naputi (#3018) was assigned as lead detective.

INVESTIGATION:

On Saturday, January 21, 2023, at approximately 0141 hours, I arrived at the briefing location and assembled with the investigative team. The incident was briefed near 2000 Logan Avenue in the city of San Diego.

On Saturday, January 21, 2023, at approximately 0201 hours, I attended a briefing conducted by SDPD Sergeant Deans (#7422). During the briefing, I essentially learned the following:

> On Friday, January 20, 2023, at approximately 2331 hours, SDPD Officers Aguilar and Meyers conducted a traffic stop on a red Dodge truck near 1800 Logan Avenue. The vehicle yielded and the driver was identified as Christopher Dearman (DOB 10/31/85). During the contact, Officers determined they would conduct a "vehicle pat down" of the vehicle. After multiple commands to exit the vehicle, Dearman refused and became argumentative. Dearman eventually fled in his vehicle. A short vehicle pursuit ensued, and the vehicle ultimately yielded at 2000 Logan Avenue. Dearman exited the driver seat and pointed a firearm at the officers, resulting in Officer Meyers and Officer Aguilar firing their handgun at Dearman. Dearman fell to the ground. Law Enforcement and Paramedics assisted with life-saving measures on Dearman. He was transported to UCSD; however, at 0024 hours, Dr. Cha pronounced Dearman deceased. The officers involved in the incident were at the SDPD Central Division.

The briefing was concluded at approximately 0225 hours. Refer to the brief and scene reports for further details.

On Saturday, January 21, 2023, at approximately 0247 hours, Detective Garza (2865) and I were assigned to contact a witness located at 1800 Logan Avenue.

Upon our arrival, Detective Garza and I met with SDPD Officer T. Leah who directed us to the witness, [redacted] Detective Garza and I interviewed [redacted] at 1800

Wilson, Jacob
Digitally signed by Wilson, Jacob
Date: 2023.02.23 11:44:11 -08'00'

Logan Avenue. The interview was audio recorded. A copy of the recording was placed in the digital case file. Refer to [redacted] statement report for details.

[redacted] stated the exterior of the building was equipped with video surveillance. He was able to bring the video up on his cell phone and said he would review the video and email me a copy.

I took digital photographs of the live stream video on his cell phone showing the timestamp. I compared the timestamp with Detective Garza's GPS Smartwatch for accuracy purposes. I noted the date was correct, but the time stamp is as follows:

Actual: 01/21/2022 @ 0303 hours
Stamp: 01/21/2022 @ 0413 hours

[redacted] later emailed me two video clips. I reviewed the video, which was dated 01/23/23 at 0040 hours (corrected time 2330 hours).

1800 Logan Avenue Video:

This first video clip depicts a red dodge truck stopped at a stop sign facing east at the intersection of Logan Avenue and Beardsley Street. As the red truck passes through the

intersection, you can see a marked patrol unit initiating a traffic stop using their overhead lights.

The second video clip depicts a red dodge truck continuing east on Logan Avenue passing the Travelodge hotel with the marked unit trailing behind.

I later placed the video clips into the case file.

I was then assigned to respond to the SDPD Central Division facility located at 2501 Imperial Avenue in the city of San Diego. I was informed that all the officers involved in the incident needed to be interviewed were at the location. I left for the Division at approximately 0326 hours.

On Saturday, January 21, 2023, at approximately 0332 hours, I arrived at the Central Division and met with Detective Blumenshine and Detective Davidson who had already began the processing of Officer P. Harvey inside the conference room.

On Saturday, January 21, 2023, at approximately 0338 hours, I stood by as Forensic Evidence Technician (FET) M. Gervasoni (6196) took digital photographs of the remaining involved SDPD Officers, Officer Meyers, Officer Aguilar, and Sergeant Murillo. For details of the processing, refer to the Detective Davidson's report.

On Saturday, January 21, 2023, at approximately 0548 hours, Detective Blumenshine and I interviewed Officer Meyers (1576) inside the captain's office. The interview was audio recorded and a copy was later placed in the electronic case file. For further details, refer to the audio recording or the written statement report. The interview was concluded at approximately 0636 hours.

On Saturday, January 21, 2023, at approximately 0657 hours, Detective Davidson and I interviewed Sergeant Murillo (6115) inside the captain's office. The interview was audio recorded and a copy was later placed in the electronic case file. For further details, refer to the audio recording or the written statement report. The interview was concluded at approximately 0737 hours.

Once all interviews were completed, I was informed there were no further assignments for me. I cleared from the Central Division at approximately 0815 hours.

This concludes my involvement in this incident. Any further follow-up will be documented on a separate Follow-up Investigative Report.

Approved By:	Sgt. J. Wilson	ID# 6013	2/23/2023

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932
City: San Diego

ORIGIN:

On January 21, 2023, at about 0029 hours, I was notified by Homicide Team V Sergeant A. Lewis (0307) of a San Diego Police Department (SDPD) Officer involved shooting (SDPD Case #23002957/Event #23010028602) and requested to respond to the 2000 block of Logan Avenue near the intersection of Logan Avenue and E. Cesar Chavez Parkway in San Diego.

I was assigned as the lead investigator for the case. This report is a continuation of my investigation.

INVESTIGATION:

On Thursday, March 30, 2023, I submitted lab requests on Dearman's firearm to include operability examination, DNA, latent print examination, and CAL-ID (AFIS search).

On Tuesday, April 4, 2023, I submitted a cartridge case examination lab request regarding FIN 1.31 (WIN 9mm Luger) and FIN 1.32 (A USA 9mm Luger). A cartridge casing DNA swabbing was previously conducted by FET Robison; therefore, I did not request an additional DNA lab request on these aforementioned cartridge casings.

On Wednesday, April 12, 2023, I met with District Attorney Investigator (DAI), S. Hutchinson at the Hall of Justice located at 330 W. Broadway, in San Diego and provided him with a USB flash drive containing all the available case discovery.

On Tuesday, May 23, 2023, I contacted ATF Agent, M. Renteria (6521) and requested an eTrace record check of Dearman's Smith and Wesson firearm (SN# [redacted] FIN 1.40) due to locating no prior record on the firearm.

On Thursday, May 25, 2023, Agent Renteria emailed me a copy of the firearm trace summary. According to the trace record, the firearm was shipped to [redacted] located in Arizona on October 5, 2015. On October 24, 2015, the firearm was purchased by [redacted] Per Law Enforcement TLO data base, [redacted] was listed as deceased; therefore, I was unable to contact him to inquire regarding his registered firearm.

On May 30, 2023, I received a copy of the lab report from the Sheriff's Crime Lab regarding latent print development.

Reporting Officer:	Det. R. Naputi	ID# 3018	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	Digitally signed by Lewis, Ashley Date: 2023.08.25 08:10:56 -07'00' 8/25/2023

On June 7, 2023, I received a copy of the lab reports from the Sheriff's Crime Lab regarding the weapon operability and cartridge case examination for Dearman's firearm. I read and reviewed the report which indicated the FIN 1.40 was operable and the magazine from FIN 1.40 was correct for the pistol. The expended cartridge cases (FIN 1.31 and FIN 1.32) were identified as having been fired from FIN 1.40. The identifications were confirmed by Criminalist R. Chang (4826).

On Wednesday, July 19, 2023, I submitted a request for all crime lab reports for discovery and received a copy of the IBIS report, which confirmed a search of the data base in the standard regal area and Yuma, AZ, did not result in a current association.

On Friday, August 11, 2023. I received a copy of the Medical Examiner's report regarding Christopher Dearman (ME case # [redacted] Per Dr. Stabley's report, he indicated based on the autopsy findings and the circumstances surrounding the death, as currently understood, the cause of death was multiple gunshot wounds, and the manner of death was homicide.

I read and reviewed Dearman's toxicology report, which indicated the following:

Toxicology Report

Approved By:	Sgt. A. Lewis	ID# 0307	8/25/2023

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officers Meyers & Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932
Incident: E8308258
City: San Diego

ORIGIN:

On Saturday, January 21, 2023, at about 0029 hours, I was notified by Sergeant Lewis (#0307) of a shooting involving officers from the San Diego Police Department (SDPD). I responded as part of Homicide Team V to the scene located at Chicano Park at 2000 Logan Avenue in the city of San Diego. Detective Naputi (#3018) was assigned as the lead investigator.

INVESTIGATION:

On Saturday, January 21, 2023, at about 0128 hours, I arrived at the briefing area near 2000 Logan Avenue.

On Saturday, January 21, 2023, at about 0201 hours, I attended an incident briefing held by SDPD Sergeant Deans (#7422). The briefing concluded at about 0225 hours. Refer to Detective Naputi's report for a synopsis of the briefing.

After the briefing, Detective Naputi assigned Detective Noah (#0077) and I to process the decedent's body with Forensic Evidence Technician (FET) Robison (#6300) at UC San Diego Medical Center. I contacted the San Diego Medical Examiner and was told they did not have available staff to process the decedent and they would call me back when an investigator was available.

On Saturday, January 21, 2023, at about 0519 hours, I received a call from Medical Examiner Investigator (MEI) Hough (#50). MEI Hough said she was enroute to UC San Diego Medical Center.

On Saturday, January 21, 2023, at about 0543 hours, Detective Noah, FET Robison, FET Foglia (#7217) and I arrived at UC San Diego Medical Center. We met with MEI Hough in Operating Room 11 on the second floor.

In the operating room, I observed a male, later identified as Christopher Dearman, laying on a bed in the supine position with a blanket draped over him. Once MEI Hough removed the blanket, I saw Christopher's body was covered in dozens of tattoos. Most of the tattoos were some variations of the letter's "H" and "K." The body had numerous defects covering both legs. I initially counted about 11 defects, but it was unclear what the actual number was due to the volume and what appeared to be signs of a canine contact mixed with the defects on the left leg.

FET Robison collected gunshot residue swabs from both of Christopher's hands. Christopher's head, hands and feet were covered in paper bags before being placed in a vinyl body bag at 0629 hours. The body bag was sealed with a red tamper evident tag [redacted]

MEI Hough informed me the autopsy would be scheduled for January 22, 2023.

After leaving the hospital at 0630 hours, I went to El Cajon for a pre-arranged meeting with a person on an unrelated case. At 0828 hours, I arrived back at the scene at Chicano Park.

On Saturday, January 21, 2023, at about 0854 hours, Detective Noah and I interviewed [redacted] had approached an officer on the southern perimeter of the scene and identified herself as [redacted] The interview was audio recorded. A copy of the recording was placed in the digital case file. Refer to [redacted] statement report for details.

On Saturday, January 21, 2023, at about 0951 hours, Sergeant Lewis and I interviewed [redacted] had approached an officer on the northern perimeter of the scene and identified himself as [redacted] The interview was audio recorded. A copy of the recording was placed in the digital case file. Refer to [redacted] statement report for details.

On Saturday, January 21, 2023, at about 1046 hours, I spoke to [redacted] is [redacted] of the florist business which was impacted by gunfire. [redacted] allowed me to use her cell phone to access her security camera footage. I copied 10 video files which were recorded by her system around the time of the incident. I airdropped the files to my department issued iPhone and later placed the files in the digital case file.

On Saturday, January 21, 2023, at about 1145 hours, I went to the San Diego Central Courthouse to print out a search warrant obtained by Detective Noah. At 1246 hours, the judge signed the search warrant and Detective Noah emailed me a copy. After printing out a copy, I returned to the scene at about 1300 hours.

On Saturday, January 21, 2023, at about 1400 hours, the investigative team cleared the scene.

On Sunday, January 22, 2023, at about 0934 hours, FET Robison, FET Foglia, and I attended an autopsy at the San Diego County Medical Examiner's office. Dr Stabley conducted the autopsy with Forensic Autopsy Specialist Nelson assisting. **The cause of**

death was determined to be multiple gunshot wounds and the manner of death as homicide. The autopsy concluded at 1407 hours. Refer to my autopsy report for details.

On Tuesday, January 24, 2023, at about 0759 hours, I attended a vehicle processing at the Sheriff's Crime Lab. FET Robison, FET Foglia, and Criminalist Rogo (#6716) assisted with the processing. Refer to my vehicle processing report for details. The processing was concluded at 0922 hours.

On Wednesday, January 25, 2023, at about 1330 hours, I attended a roundtable meeting with the District Attorney's Special Operations Division. At the meeting, Detective Noah presented the facts of the case to representatives from the DA's Office.

This concludes my follow-up at this time. Any additional follow-up will be documented in a subsequent report.

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932
City: San Diego

ORIGIN:

On Saturday, January 21, 2023, at approximately 0030 hours, I was notified of a San Diego Police Department (SDPD) Officer involved shooting that occurred at 2000 Logan Avenue, in the city of San Diego.

I was requested to respond by Homicide Sergeant A. Lewis (#0307). I was requested to respond to the area of 2000 Logan Avenue to attend an incident briefing. Sheriff's Homicide Team I also responded. Detective R. Naputi (#3018) was assigned as the lead investigator.

INVESTIGATION:

On Saturday, January 21, 2023, at approximately 0140 hours, I arrived at the briefing location and assembled with the investigative team.

On Saturday, January 21, 2023, at approximately 0201 hours, I attended a briefing provided by SDPD Central Division Sergeant M. Deans (#7422). During the briefing, I essentially learned the following information:

> *On January 20, 2023, at approximately 2331 hours, Officer J. Meyers (#1576) and Officer C. Aguilar (#1189) conducted a traffic stop of a red 2008 Dodge Ram vehicle (CA Disabled Plate #* [redacted] *at 1800 Logan Avenue. The vehicle yielded, facing eastbound, at 1800 Logan Avenue. Officer Meyers approached the driver's side of the vehicle and made verbal contact with the driver. The driver was identified as Christopher Dearman* [redacted]*. There were no other occupants inside of the vehicle.*
>
> *Officer Aguilar approached Dearman's vehicle from the passenger side. Sergeant R. Murillo (#6115) arrived on scene shortly after the initial traffic stop and approached Dearman's vehicle on the passenger side. Officer Meyers left the driver's side of the vehicle to conduct a law enforcement records check of Dearman. Once Officer Meyers returned to Dearman's vehicle, he informed Dearman that officers were going to conduct a weapons pat down of the vehicle due to Dearman's prior firearm history. Dearman began to argue with officers and refused to exit the vehicle. Officers demanded Dearman exit the vehicle. Sergeant Murillo observed Dearman place the vehicle into drive and Dearman began to drive away. Sergeant Murillo deployed his OC spray at Dearman hitting him in the face/brow*

line. Officers retreated to their vehicles and began to pursue Dearman as he drove away. Dearman stopped at the red light at the intersection of Cesar Chavez Parkway and Logan Avenue, and then continued eastbound on Logan Avenue. As the vehicle drove away, Officers pursued with overhead lights and sirens activated. Dearman's vehicle yielded approximately two blocks away at 2000 Logan Avenue.

Dearman exited the vehicle and Officers fired approximately 6 times toward the suspect, striking him in his lower extremities. As Dearman fell to the ground, a firearm was seen falling to the ground. Officers gave commands to Dearman to not reach for the firearm. As more officers arrived on scene, a SDPD K9 was utilized to bite and pull Dearman away from the firearm on the ground. Dearman was ultimately taken into custody and SD Paramedic #9 and SD Fire #7 arrived on scene and provided Dearman with medical treatment. Two SDPD Officers applied (2) tourniquets to Dearman's legs. SD Paramedic #9 transported Dearman to UCSD Medical Center. Officer J. McGee (#1469) accompanied Dearman inside the ambulance. On January 21, 2023, at approximately 0024 hours, Doctor Cha from UCSD Medical Center, pronounced Dearman deceased.

While Officer Meyers and Officer Aguilar were on scene, A/Sergeant Amanda Jimenez (#6967) obtained a safety statement with each officer. Officer Meyers stated he shot between 5-6 times to the east and no suspects were outstanding. Officer Aguilar also provided a safety statement to A/Sergeant Jimenez and stated he shot three or more shots to the east and no suspects were outstanding.

The briefing was concluded at approximately 0225 hours.

On Saturday, January 21, 2023, at approximately 0225 hours, I was assigned to respond to UCSD Medical Center to assist in processing Dearman's body.

On Saturday, January 21, 2023, at approximately 0531 hours, I responded to UCSD Medical Center located at 200 West Arbor Drive, in the city of San Diego. I arrived at approximately 0542 hours.

On Saturday, January 21, 2023, at approximately 0543 hours, I arrived at Operating Room 11, located on the 2nd Floor. I met with Detective M. Moser (#0034), Forensic Evidence Technician (FET) M. Robison (#6300), and FET Z. Foglia (#7217). Medical Examiner Investigator (MEI) Hough arrived shortly after and began the assessment of Dearman's body.

In the operating room, I observed a male, later identified as Christopher Dearman, laying on a bed in the supine position with a blanket draped over him. Once MEI Hough removed the blanket, I saw Christopher's body was covered in dozens of tattoos. Most of the tattoos were some variations of the letters "H" and "K." The body had numerous defects covering both legs. I initially counted about 11 defects, but it was unclear what the actual number was due to the volume and what appeared to be signs of a canine contact mixed with the defects on the left leg.

FET Robison collected gunshot residue swabs from both of Christopher's hands. Christopher's head, hands, and feet were covered in paper bags before being placed in a vinyl body bag at approximately 0629 hours. The body bag was sealed with a red tamper evident tag which read: [redacted] Medical Examiner transport, G. Herrera (#57143), arrived and took possession of Dearman's body, to be transported to the Medical Examiner's Office located at 5570 Overland Avenue, Unit 101, in the city of San Diego. The autopsy was tentatively scheduled for January 22, 2023.

All personnel cleared the room at approximately 0635 hours. I cleared from the hospital at approximately 0637 hours and returned to the scene. I arrived back at the scene at approximately 0707 hours.

While I was at the scene, I was requested to obtain a search warrant for two businesses that were apparently struck by bullets during the shooting incident. The businesses were located at 2060 Logan Avenue, Suite C, Studio #1 and 2060 Logan Avenue respectively. The warrant was signed by the Honorable Judge Daniel Belsky and was ultimately served on the two businesses. The warrant was documented under Search Warrant #[redacted]

On Saturday, January 21, 2023, at approximately 0854 hours, Detective Moser and I interviewed [redacted] near the intersection of Logan Avenue and South Evans Street. [redacted] had approached an officer on the southern perimeter of the scene and identified herself as [redacted] The interview was audio recorded and a copy of the recording was later placed in the digital case file. [redacted] essentially provided brief background information about Christopher and articulated his demeanor the last time she saw him. Refer to the audio recordings or [redacted] written statement report for details. The interview was concluded at approximately 0915 hours.

I ultimately cleared from the scene at approximately 1342 hours.

On Tuesday, January 24, 2023, at approximately 1000 hours, I arrived at the San Diego Police Department Headquarters, located at 1401 Broadway in the city of San Diego, and obtained a CD and paperwork containing Body Worn Camera (BWC) footage and a CAD printout from Homicide Sergeant Dungan. The BWC footage and printout were later attached to the electronic case file.

On Wednesday, January 25, 2023, at approximately 1330 hours, members of Homicide Team I, Team V, and I briefed the Special Operations Division of the San Diego County District Attorney's Office at the San Diego Sheriff's Department Major Crimes Division located at 5590 Overland Avenue in the city of San Diego.

This concludes my involvement in this case. Any further follow-up will be documented on a separate Follow-up Investigative Report.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

STATEMENT OF SDPD OFFICER PATRICK HARVEY

ORIGIN:

On January 21, 2023, at about 0743 hours, Detective M. Blumenshine (2137) and I interviewed San Diego Police Department K9 Officer P. Harvey (7093) inside the captain's office at the SDPD Central Station located at 2501 Imperial Avenue, in San Diego. Attorney Rick Pinckard was present to represent Officer Harvey. I recorded the interview using my department issued audio-recorded and later uploaded the recording to the electronic case file. The following is a summary of the interview. Refer to the audio-recording for further details.

Witness Information:

Name: Patrick Harvey
ARJIS: 7093
Assignment: Acting Sergeant for the SDPD K9 Unit
Phone: (619) 744-9500

Statement of Patrick Harvey:

Officer P. Harvey has been a law enforcement officer with the San Diego Police Department for about nine years. He has no law enforcement experience prior to SDPD. Officer Harvey has been a K9 handler for about 4 years and a trainer for about 1 ½ years. He is currently working as an acting sergeant. [redacted] On January 20, 2023, he began work at about 1800 hours since he was training a regional law enforcement academy class on high risk stops.

At the time of the incident, Officer Harvey and two other K9 Officers, Officer Matt Cobb and Officer Brendan Johansson (unknown spelling), were in Balboa Park conducting K9 training, when he heard code 3 sirens and one of the K9 officers turn his radio volume up. Officer Harvey could hear on the radio that shots had been fired and the suspect was down. Officer Harvey put his uniform on since he was dressed down for training, then heard a patrol sergeant or officer say the suspect was down, the gun was nearby him, and he was not compliant with commands. It was Officer Harvey's understanding that this was an

officer involved shooting, the suspect also had a firearm, the officers were attempting to move him away from the firearm, and the suspect was actively resisting officers. Officer Harvey broadcasted via the radio that dispatch could attach all three K9 units to the call and they would be enroute to assist.

Officers Cobb and Johansson arrived on scene first then Officer Harvey arrived. Officer Harvey estimated he arrived around 2345 hours but stated he could be off by about 15 minutes or so. Officer Harvey estimated from the time he heard "shots fired" to the time he arrived on scene was about 5-10 minutes.

When Officer Harvey arrived, he saw Officer Johansson had his K9 partner out and they were preparing a contact team on the passenger side of the patrol vehicle. Officer Johansson was giving the suspect K9 warnings. Officer Harvey could see the suspect down on the street near the 2000 block of Logan Avenue, with his back and feet towards officers. Officer Harvey could not see the suspect's hands and there was a gun (possibly a larger framed handgun) about 5-8 feet away from his head towards the center of the street. The suspect was moving his upper body and possibly twitching indicating he was still alive. Officer Harvey also saw a Glock magazine near the patrol vehicle which he suspected belong to an officer. Officer Harvey gave K9 warnings to the suspect and told him to crawl away from the gun and that they wanted to help him. Since Officer Harvey could not see the suspect's hands, there was a gun laying near the suspect, and based on Officer Harvey's experience that suspects often carry more than one firearm, Officer Harvey planned to give the suspect K9 warnings to test his compliance; If no compliance was obtained, then Officer Harvey planned to deploy his K9. Officer Harvey's K9 was deployed while on a 60-foot leash and bit the suspect in the upper left back of the thigh. The K9 (approximately 85-pound Belgium Malinois) held onto the suspect's leg and pulled him backwards at least 10 yards, away from the firearm. Officer Harvey explained the pulling of the suspect by the K9 puts back pressure on the suspect so he could not pull away towards the firearm and acts as a compliance tool to see if the suspect was baiting the officers into an ambush. The use of a K9 was used as a tool to prevent another shooting and the potential of additional harm to officers or the suspect via another shooting. After the bite, they saw no reaction from the suspect leading them to believe it was safe to approach the suspect.

Once the suspect was detained, Officer Harvey secured his K9 then checked on officers involved in the incident to see if peer support was needed.

Officer Harvey believed the use of the K9 was the safest method to approach the suspect and de-escalate the situation, so another officer involved shooting was prevented. The interview ended at about 0802 hours.

Reporting Officer:	Det. H. Davidson	ID# 1909	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	1/27/2023

STATEMENT OF SDPD SERGEANT RENE MURILLO

ORIGIN:

On January 21, 2023, at about 0657 hours, Detective Van Lingen (3117) and I interviewed Sergeant Murillo (6115) inside the captain's office at the SDPD Central Station located at 2501 Imperial Avenue, in San Diego. Attorney Rick Pinckard was present to represent Sergeant Murillo. I recorded the interview using my department issued audio-recorded and later uploaded the recording to the electronic case file. The following is a summary of the interview. Refer to the audio-recording for further details.

Witness Information:
Name: Rene Murillo
ARJIS: 6115
Assignment: SDPD Sergeant in Central Division patrol
Phone: (619) 744-9500
Age: [redacted] years old

Statement of Rene Murillo:

Sergeant Murillo has been employed with the San Diego Police Department for about 17 years. He has been a Sergeant for about two years. He has no military experience and no law enforcement experience prior to being employed with SDPD. Sergeant Murillo is assigned to the Central Division as a patrol sergeant. [redacted]

Sergeant Murillo's unit callsign is 517S3, and on the evening of January 20, 2023, he was driving patrol vehicle 7373. The vehicle is equipped with emergency lights and sirens and identifiable as a SDPD patrol SUV via decal stickers throughout. Sergeant Murillo was dressed in the SDPD patrol uniform with SDPD patches and badge visible, that clearly identified him as a SDPD Sergeant. He was also wearing a duty belt that contained various tools such as a taser, handgun, collapsible baton, and OC spray.

Sergeant Murillo is about 5'8" tall and weighs about 220 pounds. He is right-handed [redacted] Prior to beginning

his shift on January 20, 2023, Sergeant Murillo slept for about eight hours until about 0830 hours on January 20, 2023. He arrived at work around 2040 hours.

Sergeant Murillo was wearing a body worn camera at the time of the incident. The equipment and clothing he was wearing at the time FET Gervasoni photographed him, is consistent with what he was wearing at the time of this incident, apart from his BWC being removed after the conclusion of the incident. Sergeant Murillo utilized his OC Spray during this incident but did not use his firearm.

On January 20, 2023, at about 2330 hours, Sergeant Murillo heard 515K3 go out on a traffic stop near 1800 Logan Avenue. Sergeant Murillo responded to cover them. He parked behind 515K3's vehicle which had the overhead lights on as they were clearly involved in the traffic stop of a red Dodge four door pickup truck. Sergeant Murillo exited his vehicle and stood on the south side of truck on the sidewalk behind Officer Aguilar, who was one of the officers attached to 515K3. Sergeant Murillo had a clear and unobstructed view into the cab of the truck but was not close enough to hear the communication between officers and the driver. Sergeant Murillo could see Officer Meyers contact the driver at the driver's door. At one point Officer Meyers went back to their patrol unit and conducted a records check. Sergeant Murillo could see the driver was using his cellphone and Officer Aguilar was addressing him. A few minutes later, Officer Meyers approached Officer Aguilar who was still standing at the passenger side door of the truck. Officer Meyers and Officer Aguilar had a brief conversation then Officer Meyers walked behind the truck towards the driver's door of the Dodge truck. Officer Aguilar walked across the front of the Dodge truck to the driver's door. Sergeant Murillo could see that the driver's demeanor was uncooperative. They were having a conversation, and Sergeant Murillo heard Officer Aguilar or Officer Meyers say to the driver that given his history of weapons they were going to conduct a weapons pat-down of the vehicle.

Sergeant Murillo took a few steps forward, so he was standing at the passenger door of the truck. Both officers asked the driver to step out of the vehicle. The driver responded, "No, I shouldn't have to." At one point the driver said he wanted their supervisor there. Sergeant Murillo told the driver he was right there and that he needed to get out of the vehicle. The driver made eye contact with Sergeant Murillo then looked forward. As the driver was looking forward, one of the officers reached inside the vehicle and unlocked the driver's door, which they opened. The driver exchanged words with the officers and still refused to step out. The driver turned on the ignition (unknown if he placed the key back into the ignition or if the keys were still in there). The two officers told the driver multiple times to turn the vehicle off, and Sergeant Murillo also gave commands for him to "shut the car off". At some point Sergeant Murillo observed the driver reach for the gear shift on the

steering column of the truck. Sergeant Murillo pulled out his OC spray. As soon as the driver lowered the lever into what Sergeant Murillo knew to be the drive position, Sergeant Murillo deployed his OC spray onto the driver, right before he sped off, through the open passenger window, striking the suspect in the right side of his face.

As soon as the truck sped away, he could see Officer Aguilar rolling on the ground. Sergeant Murillo did not see Officer Aguilar fall to the ground, but Sergeant Murillo believed it was caused by the driver's actions. Officer Aguilar got up then both Officer Aguilar and Officer Meyers ran to their vehicle, while Sergeant Murillo ran to his vehicle. Sergeant Murillo broadcasted that the truck was now fleeing. As he was running to his vehicle, Sergeant Murillo looked over his shoulder to see which direction the truck went at the intersection and saw him stopped at the red light of Logan Avenue and Cesar Chavez Parkway.

Sergeant Murillo activated his lights and sirens on his patrol vehicle then engaged in the vehicle pursuit. Sergeant Murillo could see the Dodge truck and 515K3 continue eastbound on Logan Avenue passing Cesar Chavez Parkway. Just east of the Coronado Bridge overpass, he could see the vehicles slow down and heard 515K3 broadcast, "He appears to be yielding." Sergeant Murillo began to slow down and broadcasted, "hot stop in progress", to remind officers that a hot stop should be initiated due to the threat of the suspect being armed. 515K3's vehicle was slightly canted, and Sergeant Murillo could not see the driver's door to the Dodge truck. Prior to Sergeant Murillo coming to a complete stop, he heard gun fire. Sergeant Murillo looked up and could see the suspect appear and was running north from the truck towards the westbound lanes of the roadway. Sergeant Murillo could see muzzle flash coming from the driver's side of the patrol vehicle and the suspect slowing down then eventually collapse. Sergeant Murillo was fearful that the officers were being shot at and was concerned for their safety in addition to his own. Sergeant Murillo heard multiple gun shots but loosely estimated there to be 6-8 shots.

Sergeant Murillo ran up to 515K3's vehicle on the passenger side and yelled for Officer Meyers to come to the passenger side of their vehicle for cover. Officer Aguilar pointed out to Sergeant Murillo that there was a gun in the street, which was about 10 feet away from the suspect's person; The suspect's head was pointing east bound and the gun was laying southeast of his head.

They tested the suspect for his level of compliance by giving the suspect commands to show them his hands, but the suspect refused and at one point the suspect flipped them off by gesturing with his middle finger. Sergeant Murillo and Officers Aguilar and Meyers held the suspect at gunpoint because Sergeant Murillo did not feel safe approaching.

Sergeant Murillo stated because the gun was still very close to the suspect, he was worried the suspect was playing "possum" with the intent to harm them upon approach. Sergeant Murillo added there was also a potential the suspect had another firearm on his person and would attempt to shoot multiple officers if they approached to handcuff him or render medical aid (since he was actively bleeding). The suspect's non-compliance delayed his medical response because Sergeant Murillo did not want paramedics (who were staged close by) entering the area until it was safe for them to approach.

Eventually, SDPD officers formulated a plan to approach the suspect via the use of a K9. The K9 bit the suspect's leg and was able to pull the suspect away from the firearm. Once they determined the suspect was not moving, officers approached with a ballistic shield and handcuffed the suspect. Sergeant Murillo requested officers look for the source of the bleeding and recalled most of the wounds being on the suspect's lower extremities. Sergeant Murillo asked another officer to lift the suspect's shirt up but does not recall seeing any injuries to his torso. Sergeant Murillo requested they roll the suspect into the recovery position. Two officers applied tourniquets to each of the suspect's legs. Sergeant Murillo remained on scene for about 10 additional minutes before being relieved.

Sergeant Murillo articulated that during the traffic stop he saw that the officers had already opened the driver's door to the truck and were moving closer to the driver. Sergeant Murillo was concerned that the suspect was going to "take off and drag one of the officers with him." Sergeant Murillo's reason for utilizing OC spray was that the suspect was displaying active resistance and by hindering the driver's ability to see, he believed the suspect would not be able to drive far or fast. Sergeant Murillo had also overheard the officers tell the driver he had a history of being in possession of firearms, so Sergeant Murillo believed the suspect was likely armed and posed a danger to the public in the event he fled. Sergeant Murillo sprayed the driver on the right side of his face, with a short burst of his OC spray. Sergeant Murillo did not see a response from the driver after being sprayed.

Sergeant Murillo stated the commands the officers and he were giving the suspect to step out of the vehicle during the traffic stop were appropriate. At no point did Sergeant Murillo believe he had to step in to intervene with the officers' actions. The verbal commands given by the officers and Sergeant Murillo were not effective in gaining the suspect's compliance. The detention during the traffic stop was justified by officers since the driver was stopped for a traffic infraction, of having a taillight out.

Sergeant Murillo explained that a vehicle pat-down for weapons is often conducted for the safety of law enforcement officers depending on factors such as the suspect's criminal history (i.e., being a felon in possession of firearms), or whether the area is known for

narcotics or gang trafficking. Sergeant Murillo stated that based on his experience, he knows that people who are known gang members or drug users typically carry firearms on their person.

Sergeant Murillo did not believe there was anything else he could have done to de-escalate the situation.

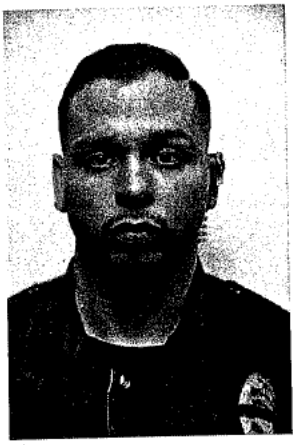
The interview ended at about 0737 hours.

Statement of Christopher Aguilar

Origin:

On Saturday, January 21, 2023, at 0452 hours, Detective Davidson and I interviewed Officer C. Aguilar (1189) in the captain's office at the San Diego Police Department Central Division. The interview was audio recorded and later placed into the case file. The below statement is a synopsis of the interview.

Attorney R. Pinckard was present as legal representation for the voluntary interview.



Witness Information:

Name:	Christopher Aguilar (1189)
Agency:	San Diego Police Department
Title:	Officer
Phone:	(619) 744-9500
Address:	2501 Imperial Avenue San Diego, CA 92102

Investigation:

Officer Aguilar had been with the San Diego Police Department for two years and three months. He graduated from the 123rd regional academy. Officer Aguilar has only been assigned to Central Division patrol; he has not worked any specialty assignments.

Officer Aguilar did four years in the United States Marine Corps.

Officer Aguilar is 5' 7" and weighs 190 pounds. [redacted] Officer Aguilar is right-handed and shoots right hand dominant.

[redacted]

At the time of the incident, Officer Aguilar was sitting passenger while Officer Meyers drove. They were both in a black and white patrol vehicle in full San Diego Police Department Officer's uniform. Officer Aguilar was equipped with a collapsible baton, a

Conductive Energy Device (CED), and OC Spray. Officer Aguilar did not use or attempt to use any less than lethal options during his encounter.

Officer Aguilar was equipped with a Glock 17 handgun with 9mm caliber ammunition. Officer Aguilar does [redacted] which is [redacted] cartridges in the magazine and one in the chamber. The firearm and ammunition collected by the Sheriff's Department was the firearm used by Officer Aguilar during the incident. The firearm had not been altered in any way since the incident.

Officer Aguilar was working patrol the evening of the incident. At about 2330 hours, he observed a red Dodge Ram pull up and park on 17th street. That area is a high narcotic area. Officer Aguilar and Officer Meyers drove away and stopped to observe the truck. They were watching the truck for "5 minutes or less." The male occupant got out of the vehicle and walked away from it, out of sight of the officers. Officer Aguilar was observing the male's actions for possible drug transactions due to his experiences of the area being a high narcotic trafficking neighborhood. Officer Aguilar added it was a late hour to be in that area and he had "arrested plenty of felons there, on that exact same street." Officer Aguilar knows that the people who are "in those tents on that block are up to no good usually." Officer Aguilar described the area as a mixture of residential and commercial. There is a tow yard on one side of the street and residences on the other. There are homeless encampments on the curb line in front of the tow yard. The male later returned to the vehicle and drove off.

Officers Aguilar and Meyers observed an equipment violation on the truck, that the third brake light was out. They initiated a traffic stop and the driver yielded on Logan Avenue. Upon contact, they identified themselves and notified the driver, Christopher Dearman, of the reasoning for their stop. Officer Meyer approached from the driver side while Officer Aguilar approached from the passenger side. Upon contact, Officer Aguilar did not recognize Dearman and does not believe he had any prior contacts with him. Officer Aguilar did not recall what Dearman was wearing but believes he may have had a black and white shirt on.

Officer Aguilar smelled the odor of marijuana emitting from the vehicle. He asked Dearman if there was, and Dearman confirmed there was marijuana in the truck. Dearman moved a blanket on the passenger seat which had a marijuana jar underneath it. Officer Aguilar notified Dearman he was going to pull him out of the vehicle and conduct a vehicle search to ensure he was not transporting marijuana illegally. Officer Aguilar asked Dearman what he was doing in the area. Dearman responded that he was dropping off a blanket to a friend. At some point, Officer Aguilar asked if Dearman was probation or

parole and he responded he was not. Officer Aguilar did not conduct a records check but remembers Officer Meyers telling him Dearman was not on probation or parole. During the contact, Dearman called [redacted] and told her to facetime him for his safety. While on facetime, Dearman told her to stay on the phone in case "they try to do anything stupid." Officer Aguilar asked him why he was calling her but did not ask or say anything else about Dearman being on the phone during a traffic stop. When asked how it made Officer Aguilar feel, he answered it was an officer safety concern in case he made a phone call to set up an ambush.

While Officer Aguilar was conversing with Dearman, Officer Meyers went back to their patrol vehicle to conduct a records check via their "MPS" (computer in patrol vehicle). Officer Meyers returned and notified Officer Aguilar that Dearman had prior arrests for "felon in possession of a firearm in a vehicle." Officer Aguilar stated, "with both of those as probable cause to search the vehicle", he notified Dearman they were going to remove him from the vehicle to search it. Dearman began arguing, stating they could not search the vehicle. During the argument, he asked to speak to a supervisor. Officer Aguilar's supervisor was standing at the passenger side window and instructed the driver to exit the vehicle.

As Dearman was still refusing to exit the vehicle, Officers opened the driver door. Dearman looked at Officer Aguilar and Officer Meyers. Officer Aguilar believed Dearman stated, "what are you doing?" Officer Aguilar ordered him to step out of the vehicle. Dearman replied, "no." Dearman explained he was not going to get out of the vehicle. Dearman turned the vehicle on and began driving with the door open. Officers Aguilar and Meyers used no force on Dearman as he drove off. Officer Aguilar estimated he was conversing with Dearman "less than 8 minutes, 10 minutes" before he drove off. Officer Aguilar described the truck as a large truck. He was worried for Officer Meyers' safety as he was standing in the door frame when Dearman started driving off. Officer Aguilar also did not know where Sergeant Murillo was standing and believed he could have been run over.

Officers returned to their vehicles and pursued Dearman who was driving approximately 20 miles per hour. Officer Aguilar stated he was pursuing Dearman for "resisting arrest." During the pursuit, Officer Aguilar was unable to see what Dearman was doing inside his vehicle. During the pursuit, Officer Aguilar told Officer Meyers to be careful because he believed Dearman was planning something. He did not appear to be evading them instead appeared as if he was buying time to plan something. Officer Aguilar believed he had a firearm on him due to his prior arrests and that "he was trying to evade us and had something to hide." Dearman continued until the 2000 block of Logan Avenue where he came to a stop. He immediately exited his vehicle as his door flew open. Officers Aguilar

and Meyers exited their vehicle to initiate a high-risk vehicle stop. The driver immediately turned his body to the left and presented a black semi-automatic firearm as he exited the vehicle, pointing it at Officers Aguilar and Meyers. Dearman was pointing the firearm using his right hand. Officer Aguilar believes he was getting out of his car at the same time as Dearman. Dearman was instructed to show his hands to the officers. Officer Aguilar believes Dearman shot one time before Officer Aguilar returned fire. Officer Aguilar returned fire to protect his partner and himself. Officer Aguilar wanted to prevent Dearman from killing them. Dearman was shooting at them as he continued moving across the street toward the sidewalk. Officer Aguilar continued shooting while Dearman was standing, with his gun pointed at them, since he was still a threat.

Officer Aguilar was asked what he was feeling during the incident. He replied, "scared to get shot, possibly get killed." Had Officer Aguilar not returned fire, he and his partner would have been shot by Dearman.

Officer Aguilar believed he shot 9 to 10 rounds at Dearman. After being processed by San Diego County Sheriff's homicide detectives, Officer Aguilar believed he fired 15 times. Officer Aguilar believed Dearman shot 1 to 3 times.

Officer Aguilar stopped shooting when he believed Dearman was no longer a threat and had stopped pointing the gun at them. Officer Aguilar did not see what happened to Dearman's gun after he went down. While on the ground, Dearman, "visibly flicked us off and saying the words 'fuck you'". Dearman was on his side while using his right hand pointed over his shoulder to display his middle finger toward the officers. Officer Aguilar described his behavior as "jolting around and groaning." While Dearman was on the ground, Officer Aguilar was able to see the gun in the street which was about 2 to 3 feet away from him. Officer Aguilar was unable to determine the state of the firearm. Officer Aguilar and Officer Meyers gave multiple commands to Dearman to show his hands and roll over, but he continued flipping them off and not following commands. Officer Aguilar was concerned Dearman may grab the firearm he had dropped or may have had another one on him.

Officer Aguilar believes his supervisor pulled up in his vehicle after the shooting. Officer Aguilar's supervisor instructed both he and Officer Meyers to stand on the passenger side of the vehicle behind cover.

Officer Aguilar was asked what would have happened had Dearman not gotten out of the vehicle and shot at he and his partner. Officer Aguilar stated Dearman would have been arrested for "148" and "evading police."

Officer Aguilar was asked to explain how he was feeling and what emotions were running through him during the incident. He replied, "I guess, if it went wrong, if he were to have hurt me or my partner, caused great bodily injury or death, then our families would have to get that bad news and not have us in their lives anymore."

Officer Aguilar stated no other force options were available because Dearman immediately presented deadly force.

Officer Aguilar was relieved shortly after by other officers. He was asked the safety questions by a supervisor and returned to the station for his interview.

Officer Aguilar did not observe any actions taken by another officer that required intervention. Officer Aguilar was never presented with the opportunity to deescalate the situation.

The interview concluded at 0540 hours.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

STATEMENT OF OFFICER MEYERS

ORIGIN:

On Saturday, January 21, 2023, at about 0547 hours, Detective M. Blumenshine (2137) and I interviewed San Diego Police Officer J. Meyers (#1576). Officer Meyers attorney, Richard Pinckard, was present in the room during the interview. The interview was conducted inside the captain's office, at the San Diego Police Department Central Division located at 2501 Imperial Avenue in the city of San Diego. The interview was audio recorded and a copy was later placed in the electronic case file. The following is a synopsis of the interview and not meant to replace the actual recording. For further details, refer to the audio recording.

WITNESS INTERVIEWED:

Name: Jacob Meyers
ID #: 1576
Address: Central Division
2501 Imperial Avenue
San Diego, CA 92102
Work Phone: 619-744-9500

STATEMENT OF OFFICER MEYERS:

Officer Meyers was hired by the San Diego Police Department (SDPD) in January of 2021 and graduating from the 126th San Diego Regional Academy. Following graduation, Officer Meyers worked in Mid City, Western, Southeastern and Central Division during his phase training. Once he completed the phase training, Officer Meyers was assigned to the Central Division Station where he works as a patrol officer. Officer Meyers does not have any previous law enforcement or military experience.

Officer Meyers is [redacted] years old, stands five feet, eleven inches tall, and weighs 205 pounds. [redacted] Officer Meyers does not have any [redacted] and he is left-handed.

Reporting Officer:	Det. A. Van Lingen	ID# 3117	MCD - HOMICIDE
Approved By:	Sgt. J. Wilson	ID# 6013 Wilson, Jacob	3/22/2023 Digitally signed by Wilson, Jacob Date: 2023.03.22 15:11:41 -07'00'

Officer Meyers current work schedule is [redacted] He last slept last night (01/19/2022) for about 8 to 9 hours.

On Friday, January 20, 2023, Officer Meyers began his shift at approximately 2150 hours. He was assigned the unit designator of 515K, which covers Downtown San Diego, Logan Heights, Barrio Logan, Sherman Heights, Golden Hills and SouthPark. During this shift, Officer Meyers was driving his department assigned patrol vehicle (Unit# 7792). He described the vehicle as a Ford Explorer SUV (Sport Utility Vehicle), painted black and white, with San Diego Police markings on both sides and on the rear of the vehicle. The vehicle was equipped with overhead emergency lights, a siren, and a push-bumper with lights. Officer Meyers was the driver of the vehicle during this shift, with his partner, Officer Aguilar (1189), riding as passenger.

Officer Meyers was wearing his body worn camera. Officer Meyers was carrying his flashlight and a Conducted Energy Device "Taser". Officer Meyers had Oleoresin Capsicum "OC" spray however, it was in his bag inside the vehicle. Officer Meyers was not carrying a baton, less lethal, AR-15 rifle and shotgun with him during the incident.

Officer Meyers had his [redacted] Glock 17 9mm handgun with him during the incident. His Glock was loaded with one magazine containing [redacted] rounds, in addition to one round in the chamber. This is the manner in which Officer Meyers normally carries and maintains his firearm. Some of the ammunition is department issued and some is his personal ammunition which is Hornady Hollow point.

This is the firearm used in the incident. He maintained custody of the firearm and it has not been manipulated. Officer Meyers qualified with his handgun but could not remember the exact date. [redacted]

Prior to the interview, Officer Meyers was wearing the same clothing he was photographed in by the crime lab personnel as he was during the incident. Officer Meyers was not injured before or during the incident.

On the date of the incident, Officer Meyers and Officer Aguilar were driving near 16th and Logan Avenue. Officer Meyers was aware that this area is known for individuals with weapons, outstanding warrants and narcotics trafficking. As they arrived in the area, they observed a "clean" red truck parked in the area which appeared to be out of place. Based on Officer Meyers experience, the nicer cars in the area typically belong to individuals selling illegal drugs.

Officer Meyers ran the plate and found it came back to the correct vehicle (CA[redacted] He then ran the registered owner and stated it didn't come back to anyone.

Officer Meyers parked his marked vehicle on 17th Street and Imperial Avenue. They were parked on the westside of 17th Street facing in the direction of the truck to maintain observations. They waited to see if the vehicle would leave.

At about 2330 hours, the red truck started to leave, Officer Meyers noticed the third brake light was non operable. The red truck began driving southbound on 17th Street and turned left onto Logan Avenue.

Officer Meyers followed the vehicle and as it turned onto Logan Avenue. He initiated a traffic stop for the equipment violation. The truck yielded in front of a restaurant called Las Cuatro Milpas (1857 Logan Avenue, San Diego). Officer Meyers approached the vehicle which smelled of Marijuana. The male driver told his partner, Officer Aguilar, he had marijuana in the vehicle.

Officer Meyers asked for the driver's license. The driver was identified as Christopher Dearman. Officer Aguilar continued to speak with Dearman while Officer Meyers walked back to his patrol vehicle to run the driver's information on the computer inside the patrol vehicle. Officer Meyers was not familiar with the vehicle or with Dearman. Officer Meyers said Dearman was wearing a black hat and had a tattoo on his face.

Officer Meyers entered Dearman's name in Law Enforcement data base SD LAW. Officer Meyers learned Dearman had prior arrests for felon in possession of a firearm. He also ran his name through eWarrants, which is local database. Dearman did not have any outstanding local warrants. Officer Meyers estimated being away from his partner for about two minutes.

Officer Meyers returned to the truck and relayed this information to Officer Aguilar. Officer Meyers and Aguilar told Dearman they would be conducting a "vehicle pat down" of his vehicle due to his prior offenses. Officer Meyers explained that a "vehicle pat down" is a search of the vehicle within arm's reach of Dearman looking for weapons.

Dearman refused to exit the vehicle and was getting agitated and argumentative. Officer Meyers explained that because of his past arrest they would be checking inside the vehicle. Dearman began telling them that his priors were in his past and he knows his rights.

Dearman then requested to speak with a supervisor. Sergeant Murillo was already on scene and instructed Dearman to step out of the vehicle. Officer Aguilar reached into the driver's window and unlocked the door. Officer Aguilar then opened the driver's door. Dearman turned on his vehicle and refused to comply with their commands.

Officer Meyers noticed Dearman had a cell phone in is hand, but he was unsure if he was using it.

Both Officer Meyers and Officer Aguilar were standing next to the driver side door giving Dearman commands to exit the vehicle. Officer Aguilar was standing in between the driver side door and rear passenger door (B pilar). Officer Meyers was able to see Dearman's hands and he wasn't doing anything other than turning on his vehicle and refusing to comply with commands. Dearman then drove away with the driver side door open. Officer Meyers said Dearman sped off quickly as if he was trying to get away.

Officer Meyers estimated their initial interaction at about fifteen minutes.

Officer Meyers did not think of any force options at the time because things escalated quickly. However, because Dearman was not complying, Officer Meyers determined Dearman was in violation of 148 PC.

Officer Meyers and Officer Aguilar returned to their patrol vehicle and started to pursue Dearman. Dearman was stopped at a red light at the intersection of Caesar Chavez and Logan Avenue. There were two vehicles stopped at the light in front of Dearman. Dearman went into the turn lane, drove around the other two vehicles, and continued driving on Logan Avenue.

Officer Meyers thought Dearman was generating a plan because of his actions. If he wanted to get away, Dearman would have just driven off instead driving away slowly. Officer Meyers believed Dearman had something that he did not want them to find, likely a firearm.

Dearman began to slow down near the 2000 block of Logan Avenue. Dearman suddenly came to a complete stop in the middle of the street and exited the vehicle. Officer Meyers believed Dearman was going to start running on foot.

Once Officer Meyers was stopped behind the red truck, Officer Aguilar quickly exited. Officer Meyers was still trying to place the vehicle into park. Officer Meyers heard Officer Aguilar yelling at Dearman to get on the ground. As Officer Meyers stepped out of his vehicle, he began drawing his firearm to conduct a high-risk vehicle stop. Officer Meyers

looked toward Dearman and saw him pointing what appeared to be a handgun at him and Officer Aguilar. Officer Meyers then heard a loud pop and saw a "puff of smoke" coming from the handgun. Officer Meyers had his left foot on the ground and was kneeling to his left side behind his door and returned fire in the direction of Dearman.

As Officers Meyers was firing his weapon, Dearman began running eastbound into the street away from his truck. Officer Meyers stopped shooting once Dearman fell to the ground. Dearman was now facing away from him with his arms in the air. Officer Meyers did not see where Dearman's firearm was.

Officer Meyers initially believed he fired 5 to 6 rounds at Dearman but after reviewing his BWC, he believed it was closer to 9 to 10.

As another officer arrived on scene, Officer Meyers was instructed to reposition himself to the passenger side of the vehicle behind cover. At this point Officer Meyers could see Dearman's firearm in the middle of the street. The firearm was about 5-6 feet from where Dearman was.

Officer Aguilar and Officer Meyers began instructing Dearman to keep his hands up and roll onto his stomach. Dearman put his hands up and began flipping them off with his middle finger. Dearman yelled out that he couldn't roll over. Dearman kept putting his hands up and putting them back down.

Officer Meyers was relieved by another officer. Officer Meyers did not have any further involvement with Dearman once he was relieved from the scene.

Officer Meyers was asked what he was thinking about during the incident. Officer Meyers said he was thinking whether or not Officer Aguilar had been shot but he continued to focus on Dearman. Officer Meyers thought about his family and if would see them again. Officer Meyers said he was scared that he and his partner could have been shot.

Officer Meyers believed if he did not return fire, Dearman would have continued firing his weapon and possibly hitting him and his partner and potentially dying.

Officer Meyers did not feel there was an opportunity to use another level of force because Dearman had a firearm. If he did not use this force option, he or his partner would have been shot.

Officer Meyers did not feel he had to intervene and did not have the opportunity to deescalate because the Dearman presented a firearm.

Officer Meyers' BWC was activated during the incident, and he had a chance to review the footage prior to the interview.

Officer Meyers did not have any further information and the interview ended at 0634 hours.

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

STATEMENT OF [redacted]

ORIGIN:

On Saturday, January 21, 2023, at approximately 0951 hours, Sergeant Lewis (#0307) and I interviewed [redacted] near the parking lot of Chicano Park. [redacted] had approached an officer on the northern perimeter of the scene and identified himself as [redacted] The interview was audio recorded and a copy of the recording was later placed in the digital case file. The following is a summary of [redacted] audio recorded statement and not meant to replace the actual recording. For full details, refer to the audio recording.

WITNESS INFORMATION:

Name: [redacted]
DOB:
Address:
Phone:

STATEMENT OF [redacted]

[redacted] began by saying that he had spent 30 years in the US Navy as a federal law enforcement officer. [redacted] recounted what he had heard from [redacted] which appeared to be a recital of the press release issued by the Sheriff's Department. [redacted] said Christopher had fled from a traffic stop and eventually exited [redacted] truck with a gun in his hand and said, "*then, of course, the officers don't have a choice at that point*" when referring to the officer's use of force.

[redacted] appeared very sympathetic to the officers and said "*I get it, I mean you guys, you're put into a corner, the cops get... all the time, bad media. But what are they [the officer's] supposed to do? You don't fool around with somebody who's got a weapon in their hands.*"

[redacted] said Christopher has lived [redacted] Christopher comes and goes [redacted] as he pleases and normally does not check in with [redacted] Christopher recently (3 - 4 weeks ago) quit his job because he did not like his supervisor. When he quit, [redacted] told Christopher that the only reason he had a job "*with your record*" was because of [redacted] connections and that [redacted] got him the job.

Reporting Officer:	Det. M. Moser	ID# 0034	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307 Lewis, Ashley Digitally signed by Lewis, Ashley Date: 2023.02.21 13:08:43 -08'00'	2/21/2023

A couple weeks ago, Christopher texted [redacted] saying, "*I'm going to kill myself, blah, blah, blah, blah.*" [redacted] showed the text to [redacted] said the text was "*weak*" and "*bullshit.*" [redacted] and [redacted] both agreed "*that's a weak way out.*" I asked if they ever talked to Christopher about the text message. [redacted] responded, "*no. Should have, could have, probably should have.*"

When asked if Christopher had any mental disorders, [redacted] said he was diagnosed with ADD while in school. [redacted] also said he possibly had depression too. Christopher was nicknamed "*Serio*" meaning "*the serious one*" by his friends because he was always very serious. Other than the recent text message, Christopher has never made any suicidal statements.

When asked about the day of the incident, [redacted] was unaware of Christopher's activities throughout the day. Christopher took [redacted] to the hospital for a colonoscopy in the morning.

[redacted] said his only complaint with the officers involved was that no one notified him of the incident before Christopher was pronounced dead at the hospital. I explained that the officers probably did not know [redacted] phone number.

[redacted] said there are no firearms in his household, and he has no idea where Christopher would have gotten the gun from.

[redacted] said he just replaced the right taillight and said he hoped it was not his fault for not replacing the broken light. [redacted] said, "*even though it was my fault, because it's my vehicle, that doesn't excuse his behavior. I mean you get pulled over, you get a ticket, a fix-it ticket, go pay for it. You don't pull out a weapon on a police officer.*"

[redacted] finished the conversation by describing Christopher's conduct as "*inexcusable.*" Our interview ended at 1019 hours.

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

STATEMENT OF [redacted]

ORIGIN:

On Saturday, January 21, 2023, at approximately 0854 hours, Detective Moser and I interviewed [redacted] near the intersection of Logan Avenue and South Evans Street. [redacted] had approached an officer on the southern perimeter of the scene and identified herself as [redacted] The interview was audio recorded and a copy of the recording was later placed in the digital case file. The following is a summary of [redacted] audio recorded statement and not meant to replace the actual recording. For full details, refer to the audio recording.

WITNESS INFORMATION:

Name: [redacted]
DOB:
Address:
Phone:

STATEMENT OF [redacted] (WITNESS):

Detective Moser and I explained to [redacted] that detectives were at the scene, investigating an officer involved shooting incident. [redacted] was asked if she was willing to speak with detectives about Christopher. [redacted] stated that Christopher lives with [redacted] Christopher decided to leave their residence at approximately 2230 hours, the prior evening, to go to Wal-Mart and buy foot powder. [redacted] explained that Christopher "gets bored" sometimes and decides to go out for drives.

[redacted] remembered falling asleep and woke up at around 2300 hours and texting Christopher to ask him where he was. Christopher responded that he was getting foot powder but did not state which store he actually went to. Per [redacted] this is not abnormal behavior for him. Sometime later during the evening, Christopher called [redacted] and told her to stay on the phone with him because he was "getting pulled over by the cops." Detective Moser asked [redacted] if Christopher was known to carry firearms and she said, "no."

At that moment, [redacted] was with her and she wanted to speak with Detective Moser. She began to explain that she has seen Christopher with a gun before but she did not think the gun was real. [redacted] thought that Christopher would go out to play laser tag with his friends, which is why she thought Christopher had a "laser gun." Christopher would often go out with his friends but [redacted] stated, "nobody know who those people are."

[redacted] stated Christopher would work at the shipyards but knows that work is temporary at times and people get laid off when there is a shortage of jobs. Christopher was waiting for a phone call to be able to go back to work at the shipyards.

I asked [redacted] if Christopher was known to have suicidal thoughts or ideations and she stated that she found a suicide note in his room once. [redacted] believed she saw the note about a month ago and the note read: "sorry for all the pain, but at least you won't be in pain any longer." [redacted] said she talked to Christopher about it but he would just remain quiet and is usually quiet.

I asked [redacted] if Christopher was known to abuse alcohol or drugs and she stated that Christopher has a history of drug abuse but since he has been out of jail for almost four years, she did not believe he was using drugs or alcohol. [redacted] has known Christopher to be active in gangs in the past but did not believe he was active in that life since he has been out of jail. [redacted] knew Christopher to stay home a lot or if he would go out, he would be back within an hour. Christopher does not bring anybody over to the residence.

[redacted] did not know Christopher to have any anti-law enforcement sentiments. [redacted] stated Christopher "seemed fine" when he left to go get foot powder. She did not suspect that Christopher was under the influence of any drugs or alcohol or acted strangely. Christopher was not known to be taking any medications and was not diagnosed with any mental illness.

The truck that Christopher was driving belonged to [redacted] provided Christopher's cell phone number as [redacted] and stated that Christopher's phone was an iPhone 12 Pro Max and was a dark soft green color. Christopher did not have any other phones.

Detective Moser and I informed [redacted] that Christopher was deceased and the incident was still under investigation. [redacted] stated that she would inform [redacted] who would most likely respond to the scene to speak with detectives.

was visibly upset by the news but stated she understood. It was also explained to [redacted] that a press release would be released in the future and she also understood.

The interview was concluded at approximately 0915 hours.

Approved By:	Sgt. A. Lewis	ID# 0307	2/21/2023

VEHICLE SEARCH REPORT

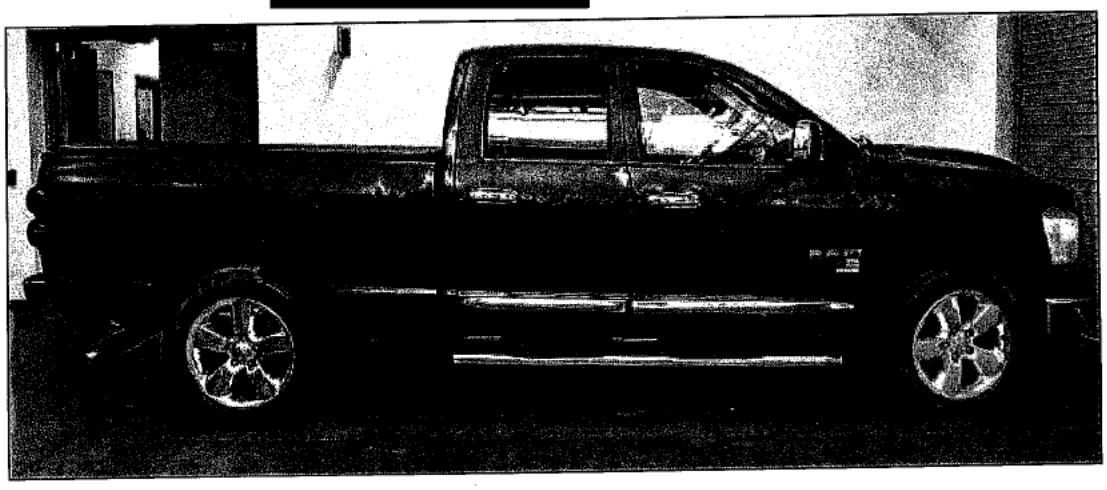
ORIGIN:

On Saturday, January 21, 2023, Judge Daniel Belsky signed California Search Warrant No. [redacted] which authorized the search of a red 2008 Dodge Ram bearing California license plate No. [redacted] On January 21, 2023, the vehicle was towed from 2000 Logan Avenue to a secured garage at the Sheriff's Crime Lab.

On Tuesday, January 24, 2023, at about 0759 hours, I attended a vehicle processing at the Sheriff's Crime Lab. FET Robison, FET Foglia, and Criminalist Rogo (#6716) assisted with the processing. Refer to my vehicle processing report for details. The processing was concluded at 0922 hours.

VEHICLE INFORMATION:

Year: 2008
Make: Dodge
Model: Ram Lone Star
License Plate: [redacted]
VIN:
Registered Owner:



EXTERNAL SURVEY:

The vehicle had California license plates on both the front and the rear. The paint on the passenger side and the tailgate appeared to be heavily damaged and the clear coat was peeling off. The hood of the vehicle had a fake air intake mounted on the hood.

I conducted a test to see if the brake lights were functional. The red stop lamp mounted on the top center of the truck did not illuminate when the brake pedal was pushed.

VEHICLE SEARCH:

In the interior of the vehicle, I observed a green Apple iPhone 13 Pro (CSI #1). The phone was sitting on top of the front middle seat center console, which was folded down. FET Robison collected the phone, placed it in airplane mode, and then turned it over to me.

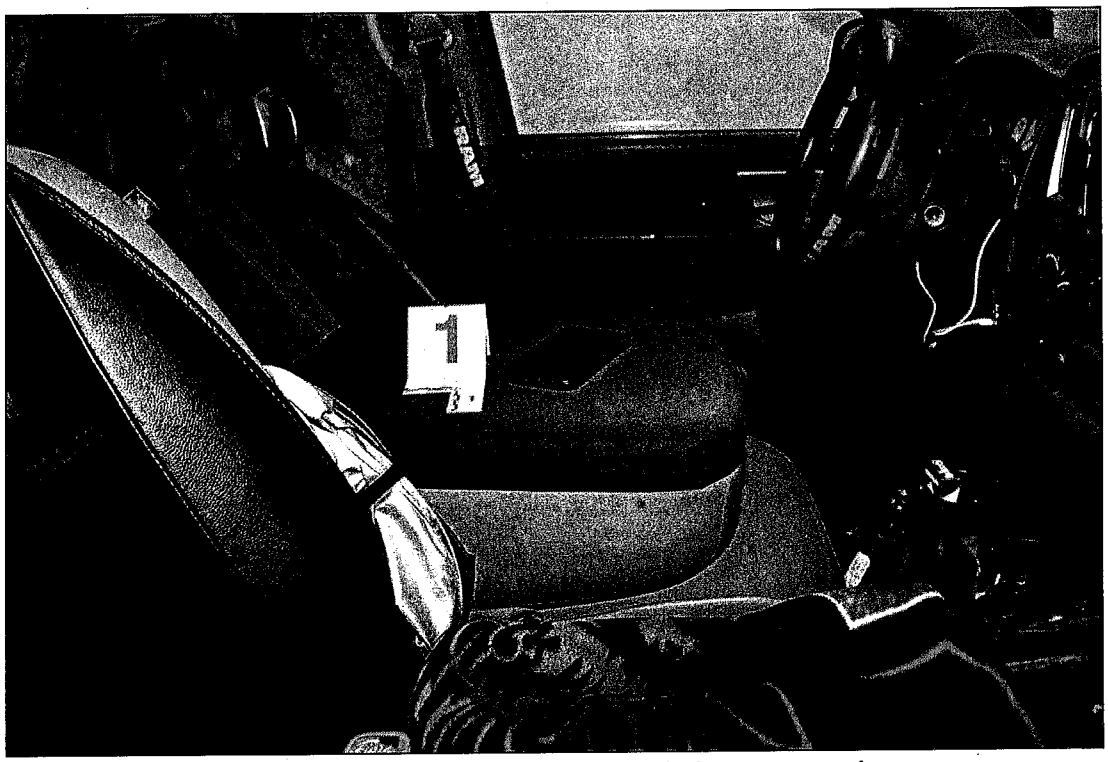


Figure 1 - Photo of the green Apple iPhone 13 Pro (CSI #1) sitting on the front center console.

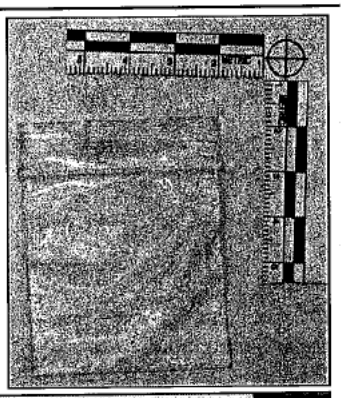
A white Apple iPad was located on the front passenger seat under a folded black blanket.



I removed the blanket and found a black plastic bag hidden by a fold at the top of the blanket. Upon emptying the black bag, I found a glass jar containing apparent marijuana (CSI #3), three Swisher Sweets wrappers, an assortment of coins, a cigarette box, and a small clear plastic baggie containing a white residue (CSI #4). The iPad (CSI #2), the marijuana and the plastic baggie were seized as evidence.

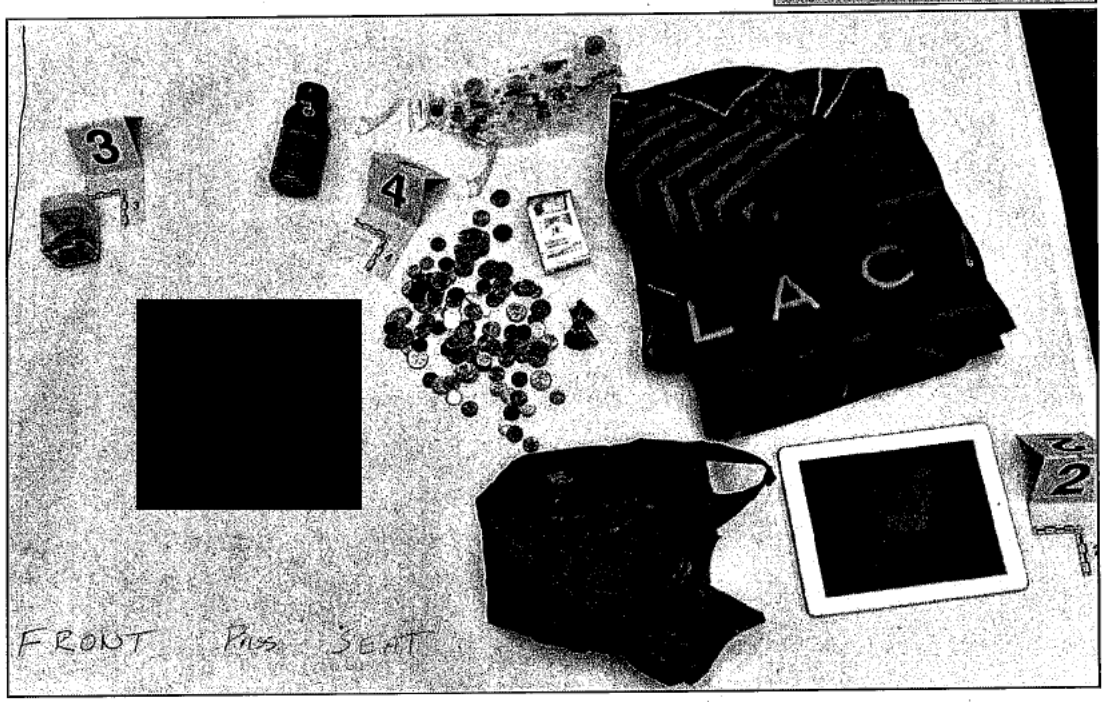


Figure 2 - Overall contents of the front passenger seat area (Bottom) and close-range photo of the clear baggie containing white residue (top).

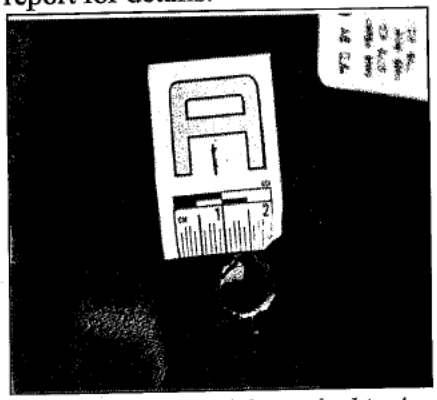
A wallet was also seized from the center console area. The wallet was lying on the transmission mound near the front cup holders. The wallet contained four cards in Christopher De Arman's name and two cards in [redacted] (one card listed her last name as [redacted]

A defect consistent with a bullet impact was observed on the driver's door. The defect was on the exterior edge of the door and perforated through the door. Refer to the criminalist's report for details.



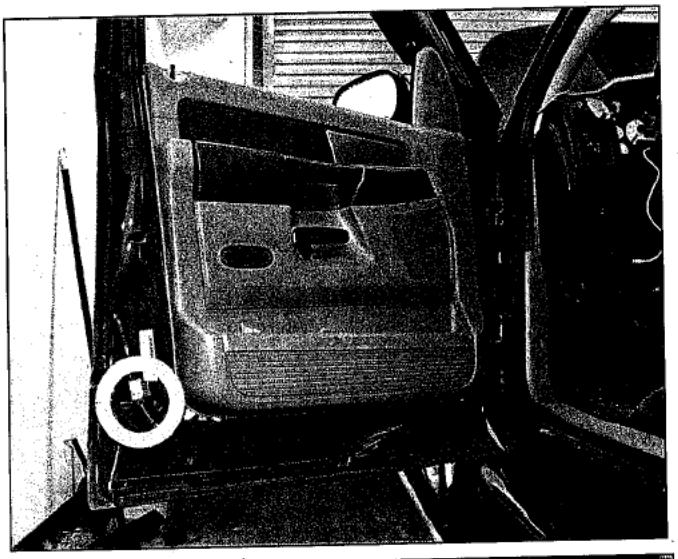


Figure 3 - Location of defect on the driver's door, circled in yellow (right). Close-range photo of the defect (above). Trajectory rod documenting the perforation of the door panel and potential trajectory angle (below).

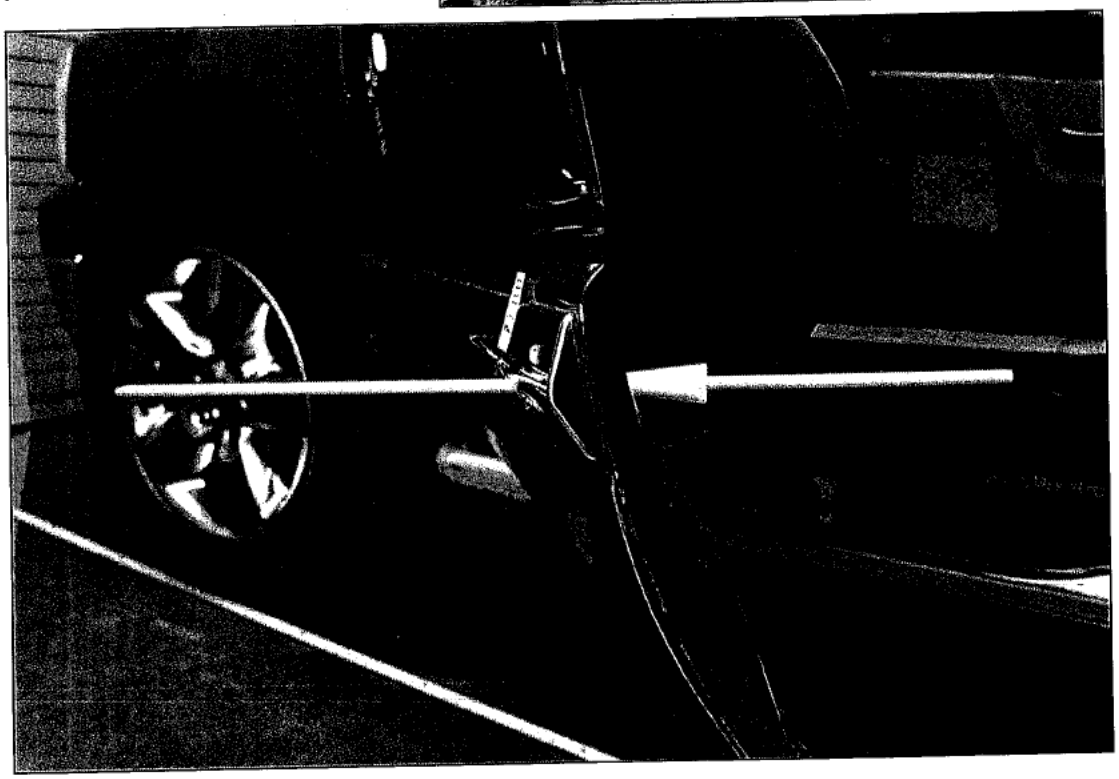

At the conclusion of the search, a copy of the search warrant and the receipt & inventory were left in the passenger compartment. The vehicle was towed to the Sheriff's Evidence Yard in El Cajon.

The vehicle search concluded at 0922 hours.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

ORIGIN:

On January 21, 2023, at about 0029 hours, I was notified by Homicide Team V Sergeant A. Lewis (0307) of a San Diego Police Department (SDPD) Officer involved shooting (SDPD Case #23002957/Event #23010028602) and requested to respond to the 2000 block of Logan Avenue near the intersection of Logan Avenue and E. Cesar Chavez Parkway in San Diego.

I was assigned as the lead investigator for the case. This report is a continuation of my investigation.

INVESTIGATION:

On Thursday, March 30, 2023, I submitted lab requests on Dearman's firearm to include operability examination, DNA, latent print examination, and CAL-ID (AFIS search).

On Tuesday, April 4, 2023, I submitted a cartridge case examination lab request regarding FIN 1.31 (WIN 9mm Luger) and FIN 1.32 (A USA 9mm Luger). A cartridge casing DNA swabbing was previously conducted by FET Robison; therefore, I did not request an additional DNA lab request on these aforementioned cartridge casings.

On Wednesday, April 12, 2023, I met with District Attorney Investigator (DAI), S. Hutchinson at the Hall of Justice located at 330 W. Broadway, in San Diego and provided him with a USB flash drive containing all the available case discovery.

On Tuesday, May 23, 2023, I contacted ATF Agent, M. Renteria (6521) and requested an eTrace record check of Dearman's Smith and Wesson firearm (SN# [redacted] FIN 1.40) due to locating no prior record on the firearm.

On Thursday, May 25, 2023, Agent Renteria emailed me a copy of the firearm trace summary. According to the trace record, the firearm was shipped to [redacted] located in Arizona on October 5, 2015. On October 24, 2015, the firearm was purchased by [redacted] Per Law Enforcement TLO data base, [redacted] was listed as deceased; therefore, I was unable to contact him to inquire regarding his registered firearm.

On May 30, 2023, I received a copy of the lab report from the Sheriff's Crime Lab regarding latent print development.

Reporting Officer:	Det. R. Naputi	ID# 3018	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	Digitally signed by Lewis, Ashley Date: 2023.08.25 08:10:56 -07'00' 8/25/2023

On June 7, 2023, I received a copy of the lab reports from the Sheriff's Crime Lab regarding the weapon operability and cartridge case examination for Dearman's firearm. I read and reviewed the report which indicated the FIN 1.40 was operable and the magazine from FIN 1.40 was correct for the pistol. The expended cartridge cases (FIN 1.31 and FIN 1.32) were identified as having been fired from FIN 1.40. The identifications were confirmed by Criminalist R. Chang (4826).

On Wednesday, July 19, 2023, I submitted a request for all crime lab reports for discovery and received a copy of the IBIS report, which confirmed a search of the data base in the standard regal area and Yuma, AZ, did not result in a current association.

On Friday, August 11, 2023. I received a copy of the Medical Examiner's report regarding Christopher Dearman (ME case # [redacted] Per Dr. Stabley's report, he indicated based on the autopsy findings and the circumstances surrounding the death, as currently understood, the cause of death was multiple gunshot wounds, and the manner of death was homicide.

I read and reviewed Dearman's toxicology report, which indicated the following:

Toxicology Report
Report Issued 05/18/2023 09:02

To: **153628**
San Diego Medical Examiner, Toxicology Section
5570 Overland Ave - Ste 101

San Diego, CA 92123

Patient Name DE ARMAN, CHRISTOPHER
Patient ID [redacted]
Chain NMSCP251452
DOB Not Given
Sex Not Given
Workorder 23154876

Page 1 of 5

Positive Findings:

Analyte	Result	Units	Matrix Source
Caffeine	Presump Pos	mcg/mL	001 - Peripheral Blood
Cotinine	Presump Pos	ng/mL	001 - Peripheral Blood
Benzoylecgonine	3800	ng/mL	001 - Peripheral Blood
Cocaine	170	ng/mL	001 - Peripheral Blood
Methadone	300	ng/mL	001 - Peripheral Blood
11-Hydroxy Delta-9 THC	2.4	ng/mL	001 - Peripheral Blood
Delta-9 Carboxy THC	50	ng/mL	001 - Peripheral Blood
Delta-9 THC	>50	ng/mL	001 - Peripheral Blood
Fentanyl	65	ng/mL	001 - Peripheral Blood
Norfentanyl	11	ng/mL	001 - Peripheral Blood
4-ANPP	9.5	ng/mL	001 - Peripheral Blood

This investigation has been concluded and all discovery has been submitted to the District Attorney's Office for review.

All the reports and evidence placed into the electronic case file have been placed into Sheriff's evidence.

Case Disposition: Department Closure.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932
City: San Diego

ORIGIN:

On January 21, 2023, at about 0029 hours, I was notified by Homicide Team V Sergeant A. Lewis (0307) of a San Diego Police Department (SDPD) Officer involved shooting (SDPD Case #23002957/Event #23010028602) and requested to respond to the 2000 block of Logan Avenue near the intersection of Logan Avenue and E. Cesar Chavez Parkway in San Diego.

I was assigned as the lead investigator for the case. This report is a continuation of my investigation.

INVESTIGATION:

On Sunday, January 22, 2023, at approximately 0900 hours, Forensic Evidence Technician (FET) M. Robison (6300) and Detective M. Moser (0034) attended an autopsy for Christopher Dearman (10/31/1985) at the San Diego County Medical Examiner's Office, located at 5570 Overland Avenue suite 101, in San Diego. Medical Examiner number [redacted] was assigned to this case. The autopsy was performed by Doctor Stabley and documented through digital photographs and forensic evidence collection. Dr. Stabley informed Detective Moser the preliminary cause of death was "multiple gunshot wounds" and the manner was "homicide". See FET Robison's report for further details regarding evidentiary items collected. For further details, refer to the written autopsy report/Medical Examiner's Report.

On Tuesday, January 24, 2023, at about 0800 hours, FET M. Robison and Detective Moser met at the San Diego Sheriff's Crime Laboratory garage located at 5590 Overland Ave, in San Diego to process and search, per search warrant [redacted] a red in color, 2008 Dodge Ram vehicle (CA DISABLED PLATE LIC [redacted] For further details, refer to the vehicle processing report. Dearman's Apple iPhone and iPad (Serial # [redacted] were recovered from the vehicle and later placed into Sheriff's evidence.

On Tuesday, January 24, 2023, Detective B. Noah (0077) met with SDPD Homicide Sgt. J. Dungan (6137) and obtained the SDPD 911 audio, CAD records, and Body Worn Camera (BWC) footage from SDPD Sgt. R. Murillo (6115).

On Wednesday, January 25, 2023, Detective Noah presented the case to the San Diego District Attorney, Special Operations Division at the Major Crimes Division (MCD) located at 5590 Overland Avenue, in San Diego.

Reporting Officer:	Det. R. Naputi	ID# 3018	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	Lewis, Ashley Digitally signed by Lewis, Ashley Date: 2023.04.05 11:57:41 -07'00' 4/5/2023

On Thursday, January 26, 2023, Detective Noah wrote a search warrant to forensically examine Dearman's cell phone. The search warrant was reviewed by Deputy District Attorney (DDA) M. Williams for legal sufficiency and the Honorable Judge M. McLaughlin approved the search warrant [redacted]

On Thursday, January 26, 2023, Criminalist S. Hoopes (6686) confirmed he completed the operability examination from SDPD Officer Meyers and SDPD Officer Aguilar's firearms.

On Friday, January 27, 2023, FET Robison notified me she photographed Dearman's pants and located a small piece of foil with a white powdery substance inside. FET Robison documented the clothing, foil, and substance with digital photographs and placed the items into evidence.

On Sunday, January 29, 2023, Sgt. Lewis contacted Deputy Probation Officer S. Yanez regarding Dearman's Post Release Community Supervision (PRCS) status. Deputy Probation Officer Yanez confirmed on April 27, 2015, Dearman was sentenced to 5 years state prison for charges related to PC667.5, PC29800, and VC2800.2. Dearman expired from PRCS supervision on January 28, 2020.

On Tuesday, January 31, 2023, I met with Criminalist Hoopes and retrieved the following items from him:

Pistol and magazine	(Item # JM1)
[redacted]cartridges	(Item # JM2)
Pistol and magazine	(Item # CA1)
3 cartridges	(Item # CA2)

Item #JM1 and #JM2 belonged to Officer Meyers. For clarification purposes, Officer Meyers initial magazine contained [redacted]rounds. He fired 13 rounds and conducted a tactical magazine change. The magazine was left on scene (Placard #3) and contained [redacted] remaining rounds. Officer Meyers inserted a new magazine, which contained [redacted]rounds. One round was left inside the chamber; therefore, equals the [redacted]cartridges. Officer Meyers never fired his weapon again after he conducted a tactical magazine change.

Item #CA1 and #CA2 belonged to Officer Aguilar. Officer Aguilar's magazine was also loaded with [redacted]rounds, and (1) round was in the chamber. Officer Aguilar fired 15 rounds and had [redacted]rounds remaining in his magazine. One round was left inside the chamber; therefore, equals the 3 cartridges.

On Tuesday, January 31, 2023, I placed a property release to SDPD Sgt. J. Dungan for the SDPD issued gun magazine and cartridges (Placard #3/FIN 8.14).

On Wednesday, February 1, 2023, I met with Detective C. Laudermilk (0922) from Computer and Technology Crimes High Tech Task Force (CATCH) at the Major Crimes Division (MCD) located at 5590 Overland Ave, in San Diego and provided Detective Laudermilk with Dearman's iPhone and requested a forensic download.

On Wednesday, February 1, 2023, I reviewed the BWC from Sgt. Murillo, Officer Meyers, and Officer Aguilar. Multiple commands were given to Dearman. Due to angles of the BWC, the patrol vehicle door panels/door pillars created a restrictive view, and it was difficult to view Dearman initially exit his vehicle.

On Thursday, February 2, 2023, I met with SDPD Sgt. Dungan and released the firearms and cartridges to him (Items JM1, JM2, CA1, and CA2). I escorted Sgt. Dungan to Sheriff's P&E, and he obtained the SDPD magazine (FIN 8.14) recovered from the scene. Sgt. Dungan also provided me with the SDPD Officer reports, which I scanned and attached into the electronic case file. The reports were later placed into Sheriff's evidence.

On Wednesday, February 8, 2023, I requested a copy of the Medical Examiner's, autopsy report when it becomes available.

On Wednesday, February 8, 2023, I contacted DDA F. Dunleavy regarding the case and was advised to submit the reports to their office once the case was completed.

On Tuesday, February 28, 2023, I met with Traffic Deputy N. Bier (0013) at the Poway Sheriff's Station located at 13100 Bowron Road, in Poway and obtained a flash drive containing the completed FARO scans of the scene. I placed the scans into the electronic case file.

On Tuesday, February 28, 2023, I met with Detective Laudermilk from CATCH located at 330 W. Broadway, in San Diego and retrieved Dearman's cell phone. The cell phone was forensically downloaded onto a USB flash drive per search warrant [redacted] I placed the download into the electronic case file. For further detail, see Dearman's cell phone review supplemental.

On Wednesday, March 1, 2023, I completed and electronically submitted the receipt and inventory (R&I) to the court.

Reporting Officer:	Det. R. Naputi	ID# 3018	MCD - HOMICIDE
Approved By:	Sgt. A. Lewis	ID# 0307	4/5/2023

On Tuesday, March 14, 2023, I received the digital forensic report from CATCH, which I attached into the electronic case file.

On Tuesday, March 28, 2023, I placed Dearman's Apple iPhone and Apple iPad into evidence along with SDPD Officer reports, SDPD CAD log, SDPD 911 audio, and Sgt. Murillo's BWC into Sheriff's evidence.

On Thursday, March 30, 2023, I submitted lab requests on Dearman's firearm to include operability examination, DNA, latent print examination, and CAL-ID (AFIS search).

On Tuesday, April 4, 2023, I submitted a cartridge case examination lab request regarding FIN 1.31 (WIN 9mm Luger) and FIN 1.32 (A USA 9mm Luger). A cartridge casing DNA swabbing was previously conducted by FET Robison; therefore, I did not request an additional DNA lab request on these aforementioned cartridge casings.

I placed all files from the electronic case file into Sheriff's evidence located at 5590 Overland Ave, in San Diego.

This case will be submitted to the San Diego District Attorney's Office, Special Operation Division located at 330 W. Broadway, in San Diego for review.

This investigation is still ongoing, and any further follow-up investigation will be documented in a separate follow-up report.

Case Disposition: Submit to DA

AUTOPSY REPORT

ORIGIN:

On Sunday, January 22, 2023, at about 0934 hours, Forensic Evidence Technician (FET) Robison (#6300), FET Foglia (#7217), and I attended an autopsy at the San Diego County Medical Examiner's Office. The Medical Examiner's case number was [redacted]

INVESTIGATION:

The autopsy was performed by Doctor Stabley with Forensic Autopsy Specialist Nelson assisting. FET Robison documented the autopsy through photography and evidence collection. FET Foglia was on training and was present to observe FET Robison.

The decedent was on the autopsy table, enclosed in a white double-zippered vinyl body bag. There was a red tamper-evident tag ran through the pull-tab hole on both zippers securing the bag. The number on the red tamper evident tag was [redacted] Attached with the tag was a tan label with the following information hand-written on it: [redacted] Doe, John AKA: Dearman, Christopher, [redacted] 01/21/2023.

On Sunday, January 22, 2023, at about 0938 hours, Dr. Stabley cut the red tamper-evident tag and opened the bag. I observed the body of the decedent, later identified as Christopher Dearman, presented in a supine position on the examination table. Dearman's body was covered with a purple blanket while it was inside the vinyl bag. Once the blanket was untied, it was laid down on the table under Dearman's body. Between the body and the purple sheet, was a white and blue body carrier.

Dearman's head and feet were covered with brown bags and his hands were covered with white bags. There was medical intervention equipment on Dearman's body to include automated external defibrillator pads, tourniquets, and other medical equipment.

Once the medical intervention equipment and bags were removed from Dearman's body, I observed a yellow tag and a blue tag on Dearman's right ankle. He had tattoos covering nearly all of his body. Most of the tattoos were some form of the letters H & K.

The Medical Examiner's Office determined Dearman was about 70 inches in height and weighed about 254 pounds (as received with medical intervention equipment).

Dr. Stabley conducted an external examination of Dearman. I observed defects on the outer and inner area of the right leg and the left leg consistent with gunshot wounds.

There was also a defect on the right side of the lower back consistent with a gunshot wound. Defects consistent with a dog bite were observed on the left leg.

Dr. Stabley identified nine defects that appeared to be gunshot wounds and two additional defects that appeared to be grazing wounds. Their locations were as follows:

1. Right leg – 3 potential gunshot defects
2. Left leg – 5 potential gunshot defects
3. Right buttocks – 1 potential gunshot defect
4. Right forehead – 1 potential grazing defect
5. Left arm – 1 potential grazing defect

Dr. Stabley recovered three projectiles. The first projectile was located in Dearman's left femur. The second was located in his right thigh. The third projectile was located in the chest cavity near the right side of the pelvis.

Dr. Stabley informed me the preliminary cause of death is "**multiple gunshot wounds**" and the manner is "**homicide**". Refer to the Medical Examiner's report for further details.

The following items of evidence were collected by FET Robison:

1. Reference oral swab kit
2. Fingernail swabs
3. Head hair samples
4. Brown bag from left foot
5. Brown bag from right foot
6. White bag from left hand
7. White bag from right hand
8. Brown bag from head
9. Hanes 3XL underwear
10. Blood sample
11. Recovered projectile from lower back
12. Recovered projectile from right thigh
13. Recovered projectile from left femur

Refer to FET Robison's report for further details on the evidence collected.

The autopsy concluded at 1407 hours.

SAN DIEGO SHERIFF'S DEPARTMENT
Follow-up Investigative Report

Event: Officer Involved Shooting
Officers Involved: Officer Meyers, Officer Aguilar
Location: 2000 Logan Avenue
Date Occurred: January 20, 2023 (Friday)

Case Number: 23102932

City: San Diego

STATEMENT OF [redacted]

ORIGIN:

On Saturday, January 21, 2023, at about 0247 hours, Detective R. Garza (2865) and I interviewed [redacted] at 1800 Logan Avenue in the city of San Diego. The interview was audio recorded. The following is a synopsis of the interview and not meant to replace the actual recording. For further details, refer to the audio recording.

PERSON INTERVIEWED:

[redacted]

[redacted]

STATEMENT OF [redacted]

[redacted]

Earlier in the night [redacted] was dropped off in front of [redacted] Logan Avenue. [redacted] observed a red truck being stopped by the police across the street next to Las Cuatro Milpas. Shortly after, [redacted] noticed a second police unit arrive on scene.

[redacted] could hear the officers speaking with driver, but he could not understand what was being said. The drivers side door was open, and [redacted] said based on the officer's body language, it appeared the officers were trying to rationalize with the driver. There was an officer standing on the sidewalk next to the truck and one in the street speaking with the driver.

After about 5 minutes, [redacted] saw the red truck driving south, toward Chicano Park. The red truck stopped at the red light ahead while officers followed with their light and

sirens on. The red truck then drove around another vehicle that was at the intersection and began to slowly drive away through the red light.

[redacted] went inside the building and did not see or hear anything further. [redacted] said there are cameras on the building which he can access through his cell phone.

The interview was concluded at approximately 0320 hours.

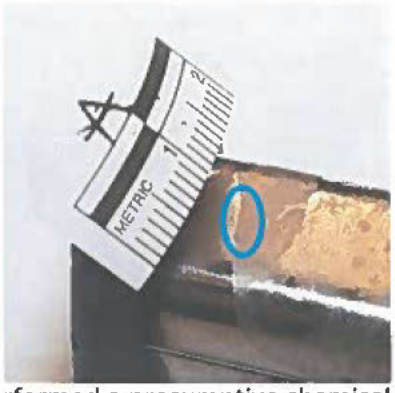
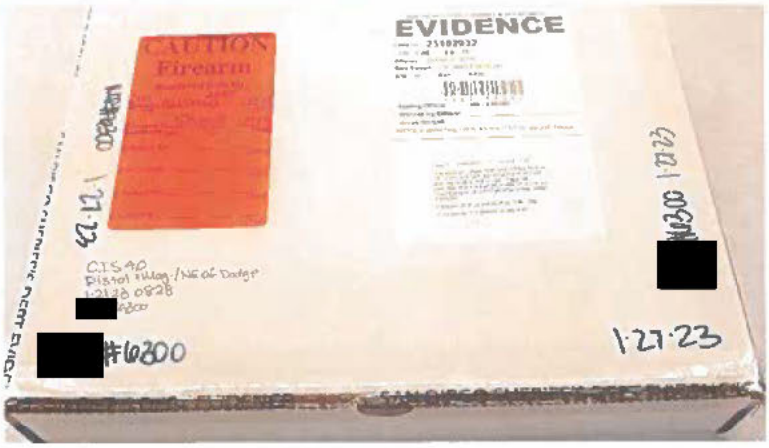
Comments: Lift card w/ casting attached. (1) images of gun magazine prior to LPD & (8) images of after CAE

This document is uncontrolled outside of Qualtrax.

- Item 1.40 received from P&E prior to LPD
- One swab was collected from the textured areas of the pistol prior to LPD and one swab was collected from the remaining smooth areas of the pistol (including the trigger) after CAE fuming and powder. One swab was collected from the gun magazine after CAE fuming and powder and one swab was collected from the detached laser and parts after CAE fuming and powder.
- I placed all the swabs into one DNA Swab Kit as item 13.1



- Prior to LPD, I performed a presumptive chemical test for blood on a stain (blue circle) on item 1.40 (gun magazine). The stain indicated no blood was detected



[redacted]

- Item 1.41 received from P&E prior to LPD
- One swab was collected from the seven cartridges after CAE fuming and powder
- I placed the swab into one DNA Swab Kit as item 13.5

LABORATORY SERVICE REPORT

REQUESTED BY:	Detective R. Naputi, ID #3018	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	None listed	INCIDENT TYPE:	920000 ZZ – Death
VICTIM(S):	Dearman, Christopher	INCIDENT DATE:	01/20/2023

SERVICE REQUESTED:

Integrated Ballistics Identification System (IBIS)

EVIDENCE SUBMITTED:

ITEM #	EVIDENCE SUBMITTED	ENTERED		COMMENTS
14.1	Eight test fire components from item #1.40	Yes	☒	
		No	☐	

Database entries are retained in IBIS indefinitely unless otherwise noted.

RESULTS AND INTERPRETATIONS:

A search of the database in the standard regional area and Yuma, AZ, did not result in a current association. In the event a firearms examiner links this evidence to another shooting investigation in the future, you will be contacted.

DISPOSITION OF EVIDENCE:

All evidence items were submitted to the SDSD Property and Evidence Unit. Detailed notes of the examination are maintained at the Sheriff's Crime Laboratory and are available upon request.

SDSO CASE #: 23102932

Notes:

On 6/8/2023, I obtained evidence items #5.1 (eight sheets of major case prints from C. Dearman, sealed), #13.3 (one working DVD with print images from the magazine, sealed) and #13.4 (one latent print card lifted from the magazine, sealed) from the Property & Evidence Unit for the purpose of a comparison to Sergeant R. Murillo and (V) Christopher Dearman.

6/29/2023, examination commenced.

The ridge detail present from items #13.3 and 13.4 is of no-value.

Item #5.1 remains sealed and unopened.

6/29/2023, examination completed.

The unsealed evidence, report, and case notes will be transferred to SLPE A. Houg for verification and technical review.

LABORATORY SERVICE REPORT

REQUESTED BY:	R. Naputi #3018	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	Not listed	INCIDENT TYPE:	920000 ZZ
VICTIM(S):	Dearman, Christopher	INCIDENT DATE:	01/20/2023

SERVICE REQUESTED:

Weapon operability
Cartridge case examination

EVIDENCE SUBMITTED:

Item 1.31 One expended cartridge case
Item 1.32 One expended cartridge case
Item 1.40 One Smith & Wesson SD9 VE pistol, serial number [redacted] and one magazine

EXAMINATION:

Item 1.31 Item 1.31 consists of one expended Winchester cartridge case, caliber 9mm Luger. The cartridge case is brass with a nickel-plated primer. The primer exhibits short striations, limited flowback with shear, and an off-round hemispherical firing pin impression with drag.

Item 1.32 Item 1.32 consists of one expended Armscor cartridge case, caliber 9mm Luger. The cartridge case is brass with a nickel-plated primer. The primer exhibits short striations, circular flowback with shear, and a shallow off-round hemispherical firing pin impression.

Item 1.40 Item 1.40 consists of one Smith & Wesson SD9 VE semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Smith & Wesson magazine. The pistol was examined and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 14.1. Item 1.40 has a maximum capacity of seventeen (16+1) 9mm Luger cartridges when used with the included magazine. The minimum measured trigger pull for the pistol was 7 ¾ pounds. The barrel of the pistol exhibits a conventional five right (5R) rotation rifling pattern.

Items 1.31 and 1.32 were microscopically examined and compared to each other and to the test-fired cartridge cases from Item 1.40.

RESULTS AND INTERPRETATIONS:

The Smith & Wesson SD9 VE pistol from Item 1.40 is operable. The magazine from Item 1.40 is correct for the pistol. And is considered a "large-capacity magazine" as defined in the California Penal Code.

The expended cartridge cases (Items 1.31 and 1.32) were identified as having been fired in Item 1.40. The identifications were confirmed by Criminalist R. Chang.

[redacted]

DISPOSITION OF EVIDENCE:

Items 1.31, 1.32 and 1.40 were resealed in their respective original containers and returned to the Sheriff's Property and Evidence Unit. Item 14.1 was transferred to Forensic Evidence Technician K. Dyer for entry into the IBIS database.

Detailed notes of the examination and calculated uncertainty values for all reported quantitative measurements are maintained at the Sheriff's Crime Laboratory and are available upon request.

Cartridge Case Notes

Case #23102932

Item 1.31 recd sealed in envelope from PtE

Caliber: 9mm Luger

Marketed by: Winchester

Primer: nickel-plated

Case: brass

Firing Pin Impression: off-round hemi w/ drag

Breechface Marks: short striations
limited flowback w/ shear

Trace: none noted

Damage: none noted

Notes:

Item 1.32 recd sealed in envelope from PtE

Caliber: 9mm Luger

Marketed by: Armscor

Primer: nickel-plated

Case: brass

Firing Pin Impression: shallow off-round hemi

Breechface Marks: short striations
circular flowback w/ shear

Trace: none noted

Damage: none noted

Notes:

Notes: Items 1.31 + 1.32 microscopically examined + compared to each other + to tf cases from Item 1.40 → identified

Items 1.31 + 1.32 resealed in orig. envelopes + returned to PtE

Item 1.40

-9 MM-
SMITH & WESSON
SPRINGFIELD, MA USA
CAUTION: Capable of firing with magazine removed
[redacted]
SMITH & WESSON SD9 VE

Item 1.40 iccid sealed in box from P&E

One Smith & Wesson SD9 VE semiauto pistol, cal 9mm Luger, serial # [redacted] and one Smith & Wesson magazine

Also in box: sealed envelope marked "attached laser/parts" not opened or evaluated

barrel & slide → steel (magnetic)
frame → black polymer

trigger ✓
frame ✓
slide ✓
barrel ✓
disconnector ✓
trigger safety ✓
firing pin ✓
firing pin block ✓

BBL: 4"
OAL: 7 1/8"

trigger pull: 7 3/4 lbs

tested w/ included mag:
fit, catch, release ✓
load, extract, eject ✓
locks back on empty ✓
∴ mag is correct for pistol
capacity: 16+1 9mm Luger cartridges
∴ mag is "large-capacity magazine" as defined in CA PC

test-fired using included mag & lab ammo:
2× Fed 9mm Luger w/ 147gr HST bullets (#380461)
2× Am Eagle 9mm Luger w/ 115gr MC bullets (#380350)
no malfunctions noted during test-firing
∴ Item 1.40 is operable

tf components designated Item 14.1

tf component characteristics:
cases - short striations
circular flowback w/ limited shear
off-round hemi fpimp w/ drag
bullets - 5R conv. rifling
LW (range): .097" - .100"
GW (range): .117" - .119"

tf cases microscopically compared to Items 1.31 + 1.32 → identified

Item 14.1 transferred to F.E.T. K. Dyer for IBIS entry

Item 1.40 resealed in orig. box & returned to P&E

LABORATORY SERVICE REPORT

REQUESTED BY:	Detective R. Nuputi	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	None Listed	INCIDENT TYPE:	Death Investigation
VICTIM(S):	Christopher Dearman	INCIDENT DATE:	1/20/2023

SERVICE REQUESTED:

Event 1 – Crime Scene Investigation and Victim processing

NARRATIVE:

On January 21, 2023, at 0135 hours, I arrived at the 2000 block of Logan Avenue, located in San Diego. I met with Homicide Detective R. Naputi, Forensic Evidence Technicians (FET) M. Gervasoni and Z. Foglia, Criminalists K. Hensley and S. Rogo, other Sheriff's personnel, and San Diego Police Department (SDPD) personnel. I took photographs at the scene location. While at this location, I received one item of evidence from SDPD Sergeant M. Deans. I departed the scene location.

I arrived at UCSD Medical Center and met with Homicide Detectives M. Moser and B. Noah, and FET Z. Foglia, other Sheriff's personnel, and Medical Examiner personnel. I took photographs and collected items of evidence from the victim, Christopher Dearman. I departed UCSD Medical Center.

I arrived back at the scene location and met with the same personnel. I took photographs and collected items of evidence from the scene location. While at this location, I received three items of evidence from Criminalist K. Hensley. I finished and departed the scene location on January 21, 2023, at 1320 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I submitted the evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

SERVICE REQUESTED:

Officer Processing – Event 3

NARRATIVE:

On January 21, 2023, at 0247 hours, I arrived at the San Diego Police Department Central Division Substation, at 2501 Imperial Avenue, in San Diego. I met with Detective M. Blumenshine, other Sheriff's personnel, and San Diego Police Department (SDPD) personnel. I took photographs and collected evidence during the processing of SDPD Officers J. Meyer, C. Aguilar, and Sergeant R. Murillo. I also took photographs of SDPD K9 Officer P. Harvey. I completed this assignment and departed the substation at 0424 hours on January 21, 2023.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I released one pistol and magazine (JM1), twenty-four cartridges (JM2), one pistol and magazine (CA1), and three cartridges (CA2) to Firearms Criminalist S. Hoopes for analysis. I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

SERVICE REQUESTED:

Vehicle Processing – Event 6

NARRATIVE:

On January 24, 2023, at 0753 hours, I arrived at the Sheriff's Crime Laboratory Vehicle Examination Garage to assist with a vehicle processing. I met with Detective M. Moser, Forensic Evidence Technician Z. Foglia, and Criminalists K. Hensley and S. Rogo. Prior to processing the vehicle, I received the red Dodge Ram (item 3.1) from the Sheriff's Property and Evidence Unit. I took photographs and collected items of evidence from the red Dodge Ram truck with California disability license plate [redacted] I completed this assignment and departed the Vehicle Examination Garage on January 24, 2023, at 0933 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

On January 24, 2023, while at the Vehicle Examination Garage, I released two items of evidence (CSI 1 and 2) to Detective M. Moser for download. I also returned the red Dodge Ram (item 3.1) to the Sheriff's Property and Evidence Unit.

On January 30, 2023, I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

LABORATORY SERVICE REPORT

REQUESTED BY:	R. Naputi #3018	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	Not listed	INCIDENT TYPE:	920000 ZZ
VICTIM(S):	Dearman, Christopher	INCIDENT DATE:	01/20/2023

SERVICE REQUESTED:

Weapon operability
Cartridge examination

EVIDENCE SUBMITTED:

Item CA1 One Glock 17 Gen4 pistol, serial number [redacted] and one magazine
Item CA2 [redacted] unfired cartridges
Item JM1 One Glock 17 Gen5 pistol, serial number [redacted], and one magazine
Item JM2 [redacted] unfired cartridges
Item 8.1 One magazine and [redacted] unfired cartridges

EXAMINATION:

Item CA1 Item CA1 consists of one Glock 17 Gen4 semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Glock magazine. The pistol was examined and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 6.1. The pistol has a maximum capacity of [redacted]+1) 9mm Luger cartridges when used with the included magazine. The minimum measured trigger pull for Item CA1 was 7 ½ pounds. The barrel of the pistol exhibits a polygonal six right (6R) rotation rifling pattern.

Item CA2 Item CA2 consists of three unfired Federal cartridges, caliber 9mm Luger. The cartridges all have nickel-plated cases, nickel-plated primers with blue sealant, and copper-jacketed hollow point bullets.

Item JM1 Item JM1 consists of one Glock 17 Gen5 semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Glock magazine. The pistol was examined with the included magazine and the magazine from Item 8.1 and was test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 7.1. The pistol has a maximum capacity of [redacted]+1) 9mm Luger cartridges when used with the included magazine and a maximum capacity of [redacted]+1) 9mm Luger cartridges when used with the magazine from Item 8.1. The minimum measured trigger pull for Item JM1 was 7 ½ pounds. The barrel of the pistol exhibits a "Glock Marksman" six right (6R) rotation rifling pattern.

Item JM2 Item JM2 consists of [redacted] unfired 9mm Luger Federal cartridges, [redacted] unfired 9mm Luger SIG cartridges, and [redacted] unfired 9mm Luger Hornady cartridge. The cartridges all have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets. The Federal cartridges have blue primer sealant. The Hornady cartridge has a red rubber plug in its hollow point.

[redacted]

Item 8.1 Item 8.1 consists of one Glock magazine and [redacted] unfired Hornady cartridges, caliber 9mm Luger. The magazine was examined with Item JM1. It has a maximum capacity of [redacted] 9mm Luger cartridges. The cartridges all have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets with red rubber plugs in their hollow points.

RESULTS AND INTERPRETATIONS:

The Glock 17 Gen4 pistol from Item CA1 is operable. The magazine from Item CA1 is correct for the pistol.

The Glock 17 Gen5 pistol from Item JM1 is operable. The magazines from Item JM1 and Item 8.1 are correct for the pistol.

The cartridges from Items CA2, JM2 and 8.1 are all of the correct caliber for Items CA1 and JM1. The Federal cartridges from Items CA2 and JM2 are consistent in design with each other. The Hornady cartridges from Items JM2 and 8.1 are consistent in design with each other.

DISPOSITION OF EVIDENCE:

Items CA1, CA2, JM1 and JM2 were transferred unsealed to Homicide Detective R. Naputi. Item 8.1 was transferred unsealed to Forensic Evidence Technician M. Robison. Items 6.1 and 7.1 were sealed in envelopes and submitted to the Sheriff's Property and Evidence Unit as derivative items.

Detailed notes of the examination and calculated uncertainty values for all reported quantitative measurements are maintained at the Sheriff's Crime Laboratory and are available upon request.

SERVICE REQUESTED:

Officer Processing – Event 3

NARRATIVE:

On January 21, 2023, at 0247 hours, I arrived at the San Diego Police Department Central Division Substation, at 2501 Imperial Avenue, in San Diego. I met with Detective M. Blumenshine, other Sheriff's personnel, and San Diego Police Department (SDPD) personnel. I took photographs and collected evidence during the processing of SDPD Officers J. Meyer, C. Aguilar, and Sergeant R. Murillo. I also took photographs of SDPD K9 Officer P. Harvey. I completed this assignment and departed the substation at 0424 hours on January 21, 2023.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I released one pistol and magazine (JM1), twenty-four cartridges (JM2), one pistol and magazine (CA1), and three cartridges (CA2) to Firearms Criminalist S. Hoopes for analysis. I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

LABORATORY SERVICE REPORT

REQUESTED BY:	R. Naputi #3018	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	Not listed	INCIDENT TYPE:	920000 ZZ
VICTIM(S):	Dearman, Christopher	INCIDENT DATE:	01/20/2023

SERVICE REQUESTED:

Weapon operability
Cartridge examination

EVIDENCE SUBMITTED:

Item CA1 One Glock 17 Gen4 pistol, serial number [redacted] and one magazine
Item CA2 [redacted] unfired cartridges
Item JM1 One Glock 17 Gen5 pistol, serial number [redacted] and one magazine
Item JM2 [redacted] unfired cartridges
Item 8.1 One magazine and [redacted] unfired cartridges

EXAMINATION:

Item CA1 Item CA1 consists of one Glock 17 Gen4 semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Glock magazine. The pistol was examined and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 6.1. The pistol has a maximum capacity of eighteen (17+1) 9mm Luger cartridges when used with the included magazine. The minimum measured trigger pull for Item CA1 was 7 ½ pounds. The barrel of the pistol exhibits a polygonal six right (6R) rotation rifling pattern.

Item CA2 Item CA2 consists of three unfired Federal cartridges, caliber 9mm Luger. The cartridges all have nickel-plated cases, nickel-plated primers with blue sealant, and copper-jacketed hollow point bullets.

Item JM1 Item JM1 consists of one Glock 17 Gen5 semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Glock magazine. The pistol was examined with the included magazine and the magazine from Item 8.1 and was test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 7.1. The pistol has a maximum capacity of twenty-four (23+1) 9mm Luger cartridges when used with the included magazine and a maximum capacity of nineteen (18+1) 9mm Luger cartridges when used with the magazine from Item 8.1. The minimum measured trigger pull for Item JM1 was 7 ½ pounds. The barrel of the pistol exhibits a "Glock Marksman" six right (6R) rotation rifling pattern.

Item JM2 Item JM2 consists of nineteen unfired 9mm Luger Federal cartridges, four unfired 9mm Luger SIG cartridges, and one unfired 9mm Luger Hornady cartridge. The cartridges all have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets. The Federal cartridges have blue primer sealant. The Hornady cartridge has a red rubber plug in its hollow point.

[redacted]

Item 8.1 Item 8.1 consists of one Glock magazine and four unfired Hornady cartridges, caliber 9mm Luger. The magazine was examined with Item JM1. It has a maximum capacity of eighteen 9mm Luger cartridges. The cartridges all have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets with red rubber plugs in their hollow points.

RESULTS AND INTERPRETATIONS:

The Glock 17 Gen4 pistol from Item CA1 is operable. The magazine from Item CA1 is correct for the pistol.

The Glock 17 Gen5 pistol from Item JM1 is operable. The magazines from Item JM1 and Item 8.1 are correct for the pistol.

The cartridges from Items CA2, JM2 and 8.1 are all of the correct caliber for Items CA1 and JM1. The Federal cartridges from Items CA2 and JM2 are consistent in design with each other. The Hornady cartridges from Items JM2 and 8.1 are consistent in design with each other.

DISPOSITION OF EVIDENCE:

Items CA1, CA2, JM1 and JM2 were transferred unsealed to Homicide Detective R. Naputi. Item 8.1 was transferred unsealed to Forensic Evidence Technician M. Robison. Items 6.1 and 7.1 were sealed in envelopes and submitted to the Sheriff's Property and Evidence Unit as derivative items.

Detailed notes of the examination and calculated uncertainty values for all reported quantitative measurements are maintained at the Sheriff's Crime Laboratory and are available upon request.

Autopsy – Event 4

NARRATIVE:

On January 22, 2023, at 0853 hours, I arrived at the San Diego County Medical Examiner's Office to assist with an autopsy. I met with Detective M. Moser, Forensic Evidence Technician Z. Foglia, and other Medical Examiner's Office personnel. I took photographs and collected items of evidence from the victim, Christopher Dearman. I completed this assignment and departed the Medical Examiner's Office on January 22, 2023, at 1410 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I submitted the evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

Vehicle Processing – Event 6

NARRATIVE:

On January 24, 2023, at 0753 hours, I arrived at the Sheriff's Crime Laboratory Vehicle Examination Garage to assist with a vehicle processing. I met with Detective M. Moser, Forensic Evidence Technician Z. Foglia, and Criminalists K. Hensley and S. Rogo. Prior to processing the vehicle, I received the red Dodge Ram (item 3.1) from the Sheriff's Property and Evidence Unit. I took photographs and collected items of evidence from the red Dodge Ram truck with California disability license plate [redacted]. I completed this assignment and departed the Vehicle Examination Garage on January 24, 2023, at 0933 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

On January 24, 2023, while at the Vehicle Examination Garage, I released two items of evidence (CSI 1 and 2) to Detective M. Moser for download. I also returned the red Dodge Ram (item 3.1) to the Sheriff's Property and Evidence Unit.

On January 30, 2023, I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
REGIONAL CRIME LABORATORY

5590 Overland Avenue, San Diego, CA 92123 [redacted]

LABORATORY SERVICE REPORT

ANAB ANSI National Accreditation Board ACCREDITED ISO/IEC 17025 FORENSIC TESTING LABORATORY

REQUESTED BY:	Detective R. Nuputi	SDSD CASE #:	23102932
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	None Listed	INCIDENT TYPE:	Death Investigation
VICTIM(S):	Christopher Dearman	INCIDENT DATE:	1/20/2023

SERVICE REQUESTED:

Event 1 – Crime Scene Investigation and Victim processing

NARRATIVE:

On January 21, 2023, at 0135 hours, I arrived at the 2000 block of Logan Avenue, located in San Diego. I met with Homicide Detective R. Naputi, Forensic Evidence Technicians (FET) M. Gervasoni and Z. Foglia, Criminalists K. Hensley and S. Rogo, other Sheriff's personnel, and San Diego Police Department (SDPD) personnel. I took photographs at the scene location. While at this location, I received one item of evidence from SDPD Sergeant M. Deans. I departed the scene location.

I arrived at UCSD Medical Center and met with Homicide Detectives M. Moser and B. Noah, and FET Z. Foglia, other Sheriff's personnel, and Medical Examiner personnel. I took photographs and collected items of evidence from the victim, Christopher Dearman. I departed UCSD Medical Center.

I arrived back at the scene location and met with the same personnel. I took photographs and collected items of evidence from the scene location. While at this location, I received three items of evidence from Criminalist K. Hensley. I finished and departed the scene location on January 21, 2023, at 1320 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I submitted the evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

DATE: 1/21/23@0828 **COLLECTED BY:** M. Robison **CASE #:** 23102932

ITEM #: CSI 40/1.40 **ID #:** 0300

CIRCLE OR FILL IN APPROPRIATE RESPONSE – SUBMIT COPY WITH FIREARM

TYPE OF FIREARM: REVOLVER (PISTOL) RIFLE SHOTGUN OTHER: _____

MAKE: Smith & Wesson MODEL: SD9 VE CALIBER: 9mm SERIAL #: [redacted] Unk 1.27.23 [redacted]

Photographed at scene (both sides, close ups, etc.): (yes) no

CONDITION AT SCENE:

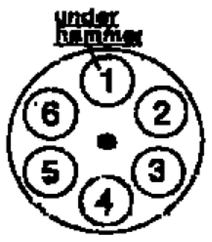
LOADED: (YES) NO HAMMER: COCKED UNCOCKED (UNABLE TO DETERMINE)

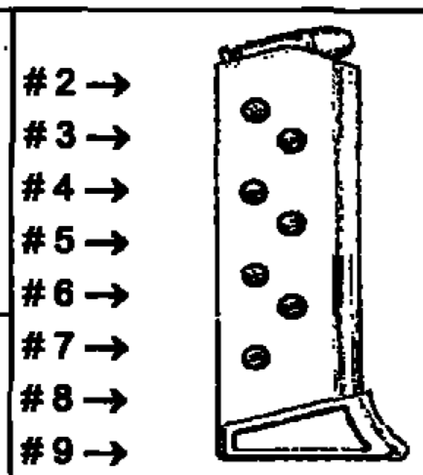
SLIDE: OPEN (CLOSED) MANUAL SAFETY: ON OFF (NONE) UNK MAGAZINE SEATED: (YES) NO

CYLINDER CAPACITY: / MAGAZINE CAPACITY: 16 NUMBER OF CTGS IN CYL/MAG: 0

COMMENTS: w/ attachment (laser)

POSITION	HEADSTAMP	CONDITION	ITEM #
1*	FC 9mm Luger	unfired	1.41
2	WIN 9mm Luger	↓	↓
3	R-P 9mm Luger		
4	WCC 97		
5	FC 9mm Luger		
6	FC 9mm Luger		
7	SB 9x19 19		
8			
9			
10			
11			
12			
13			
14			
15			
16			





Position 1:
Single barrel firearms – chamber.
Revolvers – chamber under hammer.
– mark cylinder to indicate chamber under hmr.
Multi-barrel – upper left as viewed from rear. (Numbering sequence is left to right, top to bottom.)

Tubular magazines : as ctgs come out of tube beginning with # 2. Indicate removal end. See above.

Condition: FIRED UNFIRED EMPTY

NUMBER OF SPARE MAGAZINES: 0 **NUMBER OF CTGS IN SPARE MAGS:** 0

NUMBER OF CARTRIDGES LOADED BY OWNER/USER: _____

POSSIBLE NUMBER OF SHOTS FIRED: Unk

TRACE EVIDENCE PRESENT: YES (NO)

DESCRIBE: _____

ADDITIONAL COMMENTS: On 1.27.23 Crim. R. Chang removed the attached laser to see SN prior to impound

UNLOADED AT SCENE: (YES) NO **UNLOADED BY:** A. Lewis **ID #:** 0307

REPORT NARRATIVE

DEPUTIES ACTIONS AND OBSERVATIONS:
On January 21st, 2023, at about 0100 hours, I was notified of an officer involved shooting involving San Diego Police Department officers at the 2000 block of Logan Ave, in the city of San Diego. San Diego Sheriff's Homicide detectives requested the assistance of San Marcos Area Detectives to assist at the scene.

At about 0200 hours, I arrived at the scene and attended the homicide briefing provided by San Diego Police Department officers on scene. After the brief, I was tasked with partnering with Homicide Detective Van Lingen as she interviewed witness [redacted] at [redacted] (See Detective Van Lingen Deputy Report for further details). After concluding the interview with [redacted] Detective Van Lingen dropped me back off near the scene and I was tasked in canvassing the area to see if there were any potential witnesses. At about 0340 hours, I contacted a nearby unhoused male Hispanic adult, later identified via his California Identification Card as [redacted] (DOB: [redacted] who was nearby Chicano Park in a tent at the 2000 block of Logan Avenue. [redacted] provided me the following statement in summary.

STATEMENTS:
Statement of [redacted]: (Other)
[redacted] told me that about 2-3 hours ago he was near his tent when he saw a red truck being followed by two marked San Diego Police Department patrol vehicles. The marked patrol vehicles had their lights and sirens activated and appeared to be pursuing the red truck. [redacted] said that the rate of speed was slow, about 20-30 mph. [redacted] lost observation of the pursuit and went about tending to his items near his tent. Shortly after losing observation, [redacted] heard about 8-9 gunshots. [redacted] told me that he did not witness the incident between the police officers and the driver of the truck. [redacted] told me shortly after hearing he gunshots he saw multiple emergency services vehicles begin to arrive.

DEPUTIES ACTIONS AND OBSERVATIONS (Cont.):
I concluded my involvement with this incident.

REPORT NARRATIVE

Origin:

On January 21, 2023, I was called to assist with an officer involved shooting at the 2000 Block of Logan Avenue San Diego.

Deputy's Observations and Actions

I arrived at about 0240 hours and assisted with a witness check of the transients in the area. At about 0321 hours, I talked with [redacted] who lived in a small Conex box near 2060 Logan Avenue. [redacted] told me he was asleep in his shed and did not see or hear anything. I ended my conversation with [redacted] and contacted [redacted] just to the northwest in an encampment.

It was about 0331 hours, when I talked to [redacted] told me he was at his campsite. About three hours prior to our conversation, [redacted] saw police officers in an SUV attempting a traffic stop on a red truck. A second police vehicle pulled up

Report Date **1/24/2023 9:37:44 AM**	Detective Assigned	Reviewed Date **1/24/2023 2:54:16 PM**

behind the first and followed the red truck at about 10-15 MPH. The police had their lights and sirens on and pursued the red truck traveling southeast on Logan Avenue. As the vehicles drove away from [redacted], he turned towards his tent, and he heard 8-10 shots. He described it as rapid-fire shots. I ended my conversation with [redacted], and this was the extent of my investigation.

REPORT NARRATIVE

ORGIN:
On 1-21-2023, at about 0022 hours, San Diego Sheriff's Homicide Unit responded to investigation a call of a San Diego Police Department Officer Involved Shooting (OIS) which occurred at the 2000 Block of Logan Avenue, in the city of San Diego.

DEPUTIES ACTIONS AND OBSERVATIONS:

At about 0110 hours, I was contacted by Detective Murphy #7415 directing me to respond to the scene of the OIS. I arrived on scene at about 0230 hours where I contacted the on-call homicide team. I was partnered with Detective Roberts #0322 to conduct area canvas for witnesses and video surveillance. We canvassed Logan Avenue from SR-75 overpass to the intersection of S. Evans Street.

At about 0415 hours, Detective Roberts #0322 and I contacted [redacted] who was identified by her California Identification Card. During an audio recording interview, using my department issued handheld recorder, I obtained [redacted] statements which was later placed into the case URL.

Reporting Officer	Division / Organization	Reviewed By
SH2558 - ARNOLD SR, DAVID	**123 / SMS - San Marcos Station**	**SH4541 - ROSAS JR, AGUSTIN**
Report Date **1/23/2023 7:07:33 AM**	Detective Assigned	Reviewed Date **1/23/2023 3:00:37 PM**

[redacted] told me she was asleep in her tent which was located on the eastside of Logan Avenue on the northside of Hayes Burger. [redacted] said she heard multiple gunshots which frightened her as she began to cry. She heard someone repeatedly yelling, "Get on the ground suspect!"; "Drop the weapon!"; "Suspect get back! The person replied, "I am. I am." [redacted] said she was scared, so she laid back down to try to go to sleep.

[redacted] said she heard the yelling after she heard the multiple gun fire.

At about 0415 hours, Detective Roberts and I contacted [redacted] who was identified by his prior booking information. During an audio recording interview, using my department issued handheld recorder, I obtained [redacted] statements which was later placed into the case URL.

[redacted] told me he was in his tent which was located at the northeast corner of the basketball courts at Chicano Park. [redacted] said he heard what he believed was a vehicle repeatedly backfiring. When he looked out of his tent, he saw the cop lights and sirens. [redacted] said he heard 8-9 shots.

I later transferred the recording to a disk which was placed into the San Marcos evidence section.

At about 0440, I cleared from the scene by Homicide Sergeant Lewis which concluded my involvement in this investigation.

REPORT NARRATIVE

ORIGIN:

Reporting Officer	Division / Organization	Reviewed By
SH0322 - ROBERTS, CODY	**129 / VCS - Valley Center Substation**	**SH4541 - ROSAS JR, AGUSTIN**
Report Date **1/23/2023 12:28:40 PM**	Detective Assigned	Reviewed Date **1/23/2023 3:00:42 PM**

On 01/21/2023, I was notified of an officer involved shooting involving San Diego Police Department officers near the 2000 block of Logan Avenue, in the city of San Diego (within the county of San Diego). San Diego Sheriff's Homicide detectives requested detectives from the San Marcos area command to assist with the investigation.

DEPUTY'S ACTIONS/OBSERVATIONS:

At approximatley 0145 hours, I arrived on scene and was present from the Homicide briefiing provided by a San Diego Police Department Sergeant on the scene. After the brief, I was asked to cavass the area for possible witnesses to the incident. Detective Arnold and I contacted several homeless subjects in the area and I obtained the following statements.

Statement of [redacted] (other):

[redacted] stated he did not hear any sirens, or voices before the incident. [redacted] stated he only heard the shots happen nearby. did not have anyother information to provide.

Statement of [redacted] (other):

[redacted] stated he did not hear anything except the responding police vehicles. He did not hear any shouts or loud voices and he did not hear any shots occur.

Statement of [redacted] (other):

[redacted] stated he heard what sounded like a bunch of fire crackers go off, but he did not see anything. [redacted] also heard the responding officers' sirens after the incident took place.

DEPUTY'S ACTIONS/OBSERVATIONS:

Lusk was contacted sleeping in a tent approximatley 200 yards north west of where the shooting took place. Esparza and Galindo were both contacted in a tent behind the handball courts closer to the intersection of Logan Avenue and Cesar E Chavez Parkway.

I concluded my involvement with this incident.

Service Requested

☐ CODIS Entry [1,2]	☒ No CODIS Entry (Reference Comparison) [1,5]	☐ Recovered Stolen Vehicle [1,3]
☐ CODIS Confirmation or Reference Only (no additional)	☐ Sexual Assault [1,4,5] (Non SART Kit evidence)	☐ Other: [1,5] SART Kit Evidence

Case Background[1]

Provide a brief synopsis of the incident and how the evidence relates to the crime:
On Saturday, January 21, 2023, at about 0029 hours, San Diego Police Department (SDPD) was involved with an Officer involved shooting (SDPD Case # 23002957/Event # 23010028602). I responded to the 2000 block of Logan Ave near the intersection of Logan Avenue and E. Cesar Chavez Parkway in the city of San Diego.

CODIS Only[2]

Has a crime been committed?	☐ Yes ☐ No
Was the evidence taken from the suspect's possession (i.e., home, car, backpack, self, etc.)?	☐ Yes ☐ No
Have all necessary elimination samples been submitted (i.e., victim, owner, person with recent contact of item)?	☐ Yes ☐ No ☐ N/A

Explain how the evidence is linked to the crime and reasonably assumed to be from the suspected perpetrator:

Stolen Vehicle Only[3]

Steering wheel swabs: Have there only been two or less drivers in the past 30 days?	☐ Yes ☐ No ☐ N/A
If yes, have reference elimination samples been submitted for the driver(s)?	☐ Yes ☐ No
Have you confirmed with the victim that the items submitted for testing are from a potential suspect?	☐ Yes ☐ No ☐ N/A

If yes, provide victim statement:

Sexual Assault Only[4]

Has a Sexual Assault Kit been previously submitted for this case?	☐ Yes ☐ No ☐ N/A
If yes, have you received the DNA report for analysis of the Sexual Assault kit?	☐ Yes ☐ No

Analysis Justification[5]

What associations are you trying to demonstrate with the submitted evidence?
Testing to determine if any evidence of sexual assault occurred and whether there is presence of the reference DNA sample taken or any unknown contributors.

If you need assistance with submitting your evidence for DNA analysis, please contact [redacted]
If you need assistance with CODIS elig bility questions, please contact [redacted]

Specimens Received:

ID	Tube/Container	Volume/ Mass	Collection Date/Time	Matrix Source	Labeled As
001	Gray Stopper Glass Tube	5 mL	01/22/2023	Peripheral Blood	2023-00257

All sample volumes/weights are approximations.
Specimens received on 04/25/2023.

Detailed Findings:

Analysis and Comments	Result	Units	Rpt. Limit	Specimen Source	Analysis By
Caffeine	Presump Pos	mcg/mL	0.20	001 - Peripheral Blood	LC/TOF-MS
This test is an unconfirmed screen. Confirmation by a more definitive technique such as GC/MS is recommended.					
Cotinine	Presump Pos	ng/mL	200	001 - Peripheral Blood	LC/TOF-MS
This test is an unconfirmed screen. Confirmation by a more definitive technique such as GC/MS is recommended.					
Benzoylecgonine	3800	ng/mL	50	001 - Peripheral Blood	LC-MS/MS
Cocaine	170	ng/mL	10	001 - Peripheral Blood	LC-MS/MS
Methadone	300	ng/mL	20	001 - Peripheral Blood	LC-MS/MS
11-Hydroxy Delta-9 THC	2.4	ng/mL	1.0	001 - Peripheral Blood	LC-MS/MS
Delta-9 Carboxy THC	50	ng/mL	5.0	001 - Peripheral Blood	LC-MS/MS
Delta-9 THC	>50	ng/mL	0.50	001 - Peripheral Blood	LC-MS/MS
Fentanyl	65	ng/mL	1.0	001 - Peripheral Blood	LC-MS/MS
Norfentanyl	11	ng/mL	0.40	001 - Peripheral Blood	LC-MS/MS
4-ANPP	9.5	ng/mL	0.20	001 - Peripheral Blood	LC-MS/MS

Other than the above findings, examination of the specimen(s) submitted did not reveal any positive findings of toxicological significance by procedures outlined in the accompanying Analysis Summary.

Reference Comments:

1. 11-Hydroxy Delta-9 THC (Active Metabolite) - Peripheral Blood:

   11-hydroxy-THC is a psychoactive THC metabolite. 11-OH-THC was detectable in blood, with a 0.5 ng/mL cutoff, for 1.5 hours (range: 0.25-3.5) when cannabis was smoked by occasional users. 11-OH-THC may be present over 72 hours in chronic, frequent cannabis users.

   In occasional cannabis users, median (range) peak blood concentrations after smoking of 6.9% (50 mg) THC were 1.9 (0.5-8.7) ng/mL with median times of maximum concentrations at approximately 11 minutes. In chronic, frequent cannabis users, median (range) peak blood concentrations after smoking 6.9% THC were 7.2 (1.9-30.9) ng/mL, with median times of maximum concentrations at approximately 12 minutes. Usual peak levels are less than 10% of THC levels after smoking.

2. 4-ANPP (Despropionyl fentanyl) - Peripheral Blood:

   4-ANPP (despropionylfentanyl) is a precursor chemical used in the production of fentanyl/fentanyl related analytes and is also a fentanyl metabolite and may be a metabolite of other fentanyl-related analytes. It is considered to be pharmacologically weak.

3. Benzoylecgonine (Cocaine Degradation Product) - Peripheral Blood:

   Benzoylecgonine is an inactive metabolite and chemical breakdown product of cocaine. Cocaine is a DEA Schedule II controlled central nervous stimulant drug. Effects following cocaine use can include euphoria, excitement, restlessness, risk taking, sleep disturbance, and aggression. A period of mental and physical fatigue and somnolence follow the use of cocaine after the excitant-stimulant effects wear off. Benzoylecgonine has a half-life of 6 to 10 hours. The average blood benzoylecgonine concentration in 906 impaired drivers was 1260 ng/mL (range 5-17600 ng/mL). Benzoylecgonine blood concentrations in patients admitted to an emergency room for cocaine related medical complaints were 1280 ng/mL (SD = 1290 ng/mL). Benzoylecgonine concentrations in plasma following oral administration of 2 g/day of cocaine over 6 days, averaged 4900 ng/mL. The average blood benzoylecgonine concentration in 37 cocaine related fatalities was 7900 ng/mL (range 700-31000 ng/mL).

Reference Comments:

4. Cocaine - Peripheral Blood:

   Cocaine is a DEA Schedule II controlled central nervous stimulant drug. Effects following cocaine use can include euphoria, excitement, restlessness, risk taking, sleep disturbance, and aggression. A period of mental and physical fatigue and somnolence follow the use of cocaine after the excitant-stimulant effects wear off. Cocaine is metabolized to the inactive analytes benzoylecgonine, ecgonine methyl ester, and ecgonine. Benzoylecgonine and ecgonine methyl ester can form from cocaine breakdown after death and even after sample collection. The average blood cocaine concentration in 906 impaired drivers was 87 ng/mL (range 5-2390 ng/mL). Blood cocaine concentrations in patients admitted to an emergency room for cocaine related medical complaints were 260 ng/mL (SD = 500 ng/mL). Cocaine concentrations in plasma following oral administration of 2 g/day over 6 days, averaged 1260 ng/mL. The average blood cocaine concentration in 37 cocaine related fatalities was 4600 ng/mL (range 40-31000 ng/mL).

5. Delta-9 Carboxy THC (Inactive Metabolite) - Peripheral Blood:

   Delta-9 THC is the principle psychoactive ingredient of marijuana/hashish. Delta-9 carboxy THC (THCC) is the inactive metabolite of THC. The usual peak concentrations in serum for 1.75% or 3.55% THC marijuana cigarettes are 10-101 ng/mL attained 32 to 240 minutes after beginning smoking, with a slow decline thereafter. The ratio of whole blood concentration to plasma concentration is unknown for this analyte. THCC may be detected for up to one day or more in blood. Both delta-9-THC and THCC may be present substantially longer in chronic users. THCC is usually not detectable after passive inhalation.

6. Delta-9 THC (Active Ingredient of Marijuana) - Peripheral Blood:

   Delta-9 THC is the principle psychoactive ingredient of marijuana (cannabis, hashish). It is also the active component of the prescription medication Marinol®. Marijuana use causes relaxation, distorted perception, euphoria and feelings of well being, along with confusion, dizziness, somnolence, ataxia, speech difficulties, lethargy and muscular weakness.

   After smoking a user-preferred 300 mcg/kg dose average plasma THC concentrations at 35 minutes were reported at 16.1 (range 4.7-30.9) ng/mL, and had declined to 1.5 (range 0.4-3.2) ng/mL after 190 minutes. Usual peak levels in serum for 1.75% or 3.55% THC marijuana cigarettes: 50-270 ng/mL at 6 to 9 minutes after beginning smoking, decreasing to less than 5 ng/mL by 2 hrs. Whole blood THC concentrations are typically half those in a corresponding plasma sample.

7. Fentanyl (Duragesic®; Sublimaze®) - Peripheral Blood:

   Fentanyl is a prescription opioid commonly used as an anesthetic/analgesic. It is reported to be 80 to 200 times as potent as morphine and has a rapid onset of action as well as addictive properties. Illicit fentanyl is readily available due to low production cost and its high potency. It is often sold as heroin and is commonly found in combination with other illicit drugs. Signs associated with fentanyl toxicity include severe respiratory depression, muscle rigidity, seizures, hypotension, coma and death.

   When used clinically as a transdermal preparation (25-100 mcg/hour patch), serum fentanyl concentrations up to 3.8 ng/mL have been reported within 24 hours. Following removal of the patch, serum fentanyl concentrations are reported to decrease with a mean elimination half-life of 17 hours (range, 13-22 hours). The mean peak plasma serum fentanyl concentration in adults given an 800 mcg oral transmucosal fentanyl preparation over 15 minutes is reported at 2.1 ng/mL (range, 1.4-3.0 ng/mL) at approximately 0.40 hours.

   It is reported that patients lost consciousness at mean plasma levels of fentanyl of 34 ng/mL when infused with 75 mcg/Kg over a 15 min period; peak plasma levels averaged 50 ng/mL. In fatalities from fentanyl, blood concentrations are variable and have been reported as low as 3 ng/mL. Postmortem blood fentanyl concentrations ranged from 0.30-110 ng/mL (median 11 ng/mL) in 301 femoral blood specimens obtained from accidental drug overdose death investigations. These concentrations ranged from 9.7-41.3 ng/mL (median 17.2 ng/mL) in 7 fentanyl only cases in another published case series.

   The blood to plasma ratio for fentanyl is approximately 0.80-1.0.

8. Methadone (Dolophine®) - Peripheral Blood:

   Methadone is a DEA Schedule II opioid analgesic used in the treatment of opiate addiction, and in the treatment of pain. Methadone is subject to abuse. Major metabolites of methadone include EDDP and EMDP. A single 10 mg oral dose of methadone produced a reported peak plasma concentration of 43 ng/mL at 2.1 hours. Patients with chronic pain who received 10 to 100 mg of methadone daily for 9 months had trough serum concentrations that ranged from 110 to 550 ng/mL. Chronic daily oral doses of 100 to 200 mg in tolerant patients produced reported peak plasma concentrations ranging from 570 to 1100 ng/mL. Methadone has a

Reference Comments:

long elimination half-life, estimated to be between 15 and 55 hours. Adverse effects from methadone are characterized by sedation, dizziness, lethargy, pupillary constriction, constipation, respiratory depression, bradycardia and coma. Patients receiving methadone as part of a maintenance program may take as much as 180 mg daily. For treatment of pain or in abuse situations, the threshold toxic blood concentrations for methadone in the literature range from 100 to 1000 ng/mL. A reported range of blood concentrations in methadone-related fatalities is 400 to 1800 ng/mL. However, in cases of deaths from accidental overdose of methadone, especially in naive (non-tolerant) users, postmortem blood concentrations of methadone as low as 140 ng/mL have been reported. Since the reported blood concentration range for individuals on methadone maintenance overlaps that found in fatalities in non-tolerant individuals, it may be difficult to distinguish between the two. It has been suggested that levels of the EDDP metabolite may be indicative of prior usage of the analyte and, therefore, tolerance. The blood-to-plasma ratio for methadone is approximately 0.6 to 0.7.

9. Norfentanyl (Fentanyl Metabolite) - Peripheral Blood:

Norfentanyl is the primary inactive metabolite of the synthetic narcotic analgesic fentanyl.

Sample Comments:

001 Physician/Pathologist Name: Robert Stabley, M.D.

Unless alternate arrangements are made by you, the remainder of the submitted specimens will be discarded one (1) year from the date of this report; and generated data will be discarded five (5) years from the date the analyses were performed.

Forensic Toxicologist

Analysis Summary and Reporting Limits:

All of the following tests were performed for this case. For each test, the compounds listed were included in the scope. The Reporting Limit listed for each compound represents the lowest concentration of the compound that will be reported as being positive. If the compound is listed as None Detected, it is not present above the Reporting Limit. Please refer to the Positive Findings section of the report for those compounds that were identified as being present.

Test 50014B - Cocaine and Metabolites Confirmation, Blood - Peripheral Blood

-Analysis by High Performance Liquid Chromatography/ Tandem Mass Spectrometry (LC-MS/MS) for:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
Benzoylecgonine	50 ng/mL	Cocaine	10 ng/mL
Cocaethylene	10 ng/mL		

Test 50015B - Methadone and Metabolite Confirmation, Blood - Peripheral Blood

-Analysis by High Performance Liquid Chromatography/ Tandem Mass Spectrometry (LC-MS/MS) for:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
EDDP	40 ng/mL	Methadone	20 ng/mL

Test 52198B - Cannabinoids Confirmation, Blood - Peripheral Blood

-Analysis by High Performance Liquid Chromatography/ Tandem Mass Spectrometry (LC-MS/MS) for:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
11-Hydroxy Delta-9 THC	1.0 ng/mL	Delta-9 Carboxy THC	5.0 ng/mL

Analysis Summary and Reporting Limits:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
Delta-9 THC	0.50 ng/mL		

Test 52486B - Fentanyl and 4-ANPP Confirmation, Blood - Peripheral Blood

-Analysis by High Performance Liquid Chromatography/ Tandem Mass Spectrometry (LC-MS/MS) for:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
4-ANPP	0.20 ng/mL	Fentanyl	1.0 ng/mL
Acetyl Fentanyl	0.20 ng/mL	Norfentanyl	0.40 ng/mL

Test 8062B - Postmortem, Expanded w/o Alcohol, Blood (Forensic) - Peripheral Blood

-Analysis by Enzyme-Linked Immunosorbent Assay (ELISA) for:

Analyte	Rpt. Limit	Analyte	Rpt. Limit
Barbiturates	0.040 mcg/mL	Gabapentin	5.0 mcg/mL
Cannabinoids	10 ng/mL	Salicylates	120 mcg/mL

-Analysis by High Performance Liquid Chromatography/Time of Flight-Mass Spectrometry (LC/TOF-MS) for: The following is a general list of analyte classes included in this screen. The detection of any specific analyte is concentration-dependent. Note, not all known analytes in each specified analyte class are included. Some specific analytes outside of these classes are also included. For a detailed list of all analytes and reporting limits, please contact NMS Labs. Amphetamines, Anticonvulsants, Antidepressants, Antihistamines, Antipsychotics, Benzodiazepines, CNS Stimulants, Cocaine and Metabolites, Hallucinogens, Hypnosedatives, Muscle Relaxants, Non-Steroidal Anti-Inflammatory Agents, Opiates and Opioids.

DIGITAL BRIEFING SCRIPT (updated 8/29/2022)

(Homicide, Robbery, Sex Crimes, Child Abuse, Domestic Violence, Etc.)

[The following information may have been gathered in a rapidly changing and stressful environment. Much of the information was gathered second or third hand. This information is provided as a snapshot in time to allow detectives to begin their comprehensive investigation. All information in this document is preliminary and subject to change as the investigation progresses.]

Briefing By (Name/ID/Unit): Sergeant Matthew Deans #7422

BASIC INFORMATION:

Incident #: 23010028602 Case #: 23002957

Time of Call: 2331 Entered into dispatch: 2331 Dispatched: 2331

Original Call Type: 11-50

Location:1800 Logan Avenue Beat: 511

Weather Conditions: Clear Approx Temperature: 46 Degrees

BRIEF IDENTIFICATION OF MAJOR PARTICIPANTS

(This is a short identification to help detectives understand the summary. Only list major witnesses here necessary to understand the summary. Identifying information goes in another section)

EXAMPLES: Victim: Unidentified white male appears to be in his 50s
Witness: Lara Croft, neighbor next door who saw incident

Victim #1:

Victim #2:

Witness #1:

Witness #2:

Witness #3:

Addl Witnesses:

Officer: CHRISTOPHER AGUILAR #1189

Officer: JACOB MEYERS #1576

Officer:

SUMMARY OF INCIDENT

Briefly summarize any background information, related calls, how we got involved, what we have done, what we have learned from evidence/witnesses. The goal of the brief is to ensure that investigators are up to speed and can begin their investigation with all the relevant information.

On January 20, 2023, at approximately 2331 hours, Officer Jacob Meyers #1576 and Officer Christopher Aguilar #1189 (515K3) conducted a traffic stop of a red 2008 Dodge Ram vehicle (CA DISABLED PLATE LIC# [redacted] on 1800 Logan Avenue, San Diego, CA (Beat 511). Vehicle yielded facing eastbound on 1800 Logan Avenue. Officer Meyers approached the driver's side of the vehicle and made verbal contact with the driver. The driver handed his driver's license to the officer. He was identified as CHRISTOPHER DEARMAN [redacted] There were no other occupants inside of the vehicle. Officer Aguilar, his partner, approached from the passenger side of the vehicle. Sergeant Rene Murillo #6115 arrived on scene shortly after the initial traffic stop and approached on the passenger side. Officer Meyers left the driver's side of the vehicle to conduct a law enforcement records check of DEARMAN. As Officer Meyers returned to the suspect vehicle, he told DEARMAN officers were going to conduct a weapons pat down of the vehicle due to DEARMAN's prior firearm history. DEARMAN began to argue with officers and refused to exit the vehicle. Officers then demanded for DEARMAN to exit the vehicle. Officer Aguilar then walked from the passenger side of the vehicle to the drivers' side to assist Officer Meyers. Sergeant Murillo saw DEARMAN place the vehicle into drive and begin to drive away. Sergeant Murillo deployed his OC spray at DEARMAN hitting him in the face/browline. Officers retreated to their vehicles and began to pursue DEARMAN as he drove away. DEARMAN stopped at the red light at the intersection of Cesar Chavez Parkway and Logan Avenue. The vehicle continued eastbound on Logan Avenue. As the vehicle drove away, Officers pursued with overehead lights and sirens activated. The vehilcle yielded approximately two blocks away on 2000 Logan Avenue. DEARMAN exited the vehicle and Officers fired approximately 6 times toward the suspect, striking him in his lower extremeties. As DEARMAN fell to the ground, a firearm was seen falling to the ground. Officers gave commands to DEARMAN to not reach for the firearm. As more officers arrived on scene, SDPD K9 was utilized to bite and pull DEARMAN away from the firearm on the ground. DEARMAN was ultimately taken into custody and SD Paramedic #9 and SDFire #7 arrived on scene to provide medical treatment. Two SDPD Officers applied two tourniquet's to DEARMAN's legs. SD Paramedic #9 transported DEARMAN to UCSD Hospital with Officer Jutin Mcgee #1469 who rode in the ambulance. DEARMAN was pronounced deceased at 0024 hours by Doctor CHA at UCSD. DEARMAN remains at UCSD with Officer Mcgee. Medical Number [redacted]

While Officer Meyers and Officer Aguilar were on scene, A/Sergeant Amanda Jimenez #6967 conducted a safety statement with each of the officers. Officer Meyers stated he shot between 5-6 times to the east and no suspects were outstanding. Officer Aguilar also provided a safety statement to A/Sergeant Jimenez. He stated he shot three or more shots to the east and no suspects were outstanding.

There are 19 total expended shell casings on the scene.

Officer Aguilar, Officer Meyers, and Sergeant Murillo are all currently at the Central Substation with peer support personnel.

EVIDENCE:

1. Suspect vehicle (1800 Logan Avenue - CA LIC # [redacted]
2. Firearm (north of the suspect vehicle on the ground)
3. Black/red hat, white shoes, black clothing
4. Blood trail from suspect down position
5. Officer expended shell casings (Drivers side - 6 rounds + Magazine) (Passenger side 13 rounds)

OTHER AGENCIES/SPECIALIZED UNITS (E.G. SWAT, MAST) INVOLVED:

SDPD K9

RESPONDING OFFICERS:

First Officer On Scene: Officer Aguilar and Officer Meyers at 2331 hours

Officer: Christopher Aguilar ID: 1189 Unit: 515K3
Officer: Jacob Meyers ID: 1576 Unit: 515K3
Officer: Sgt. Rene Murillo ID: 6115 Unit: 517S3
Officer: Deshnay Allahwardy ID: 7825 Unit: 526J3
Officer: Dominic Collins ID: 7790 Unit: 526B3
Officer: Sean Aaland ID: 7472 Unit: 527J3
Additional Officers: See Roster

REPORTING PARTY:

Name: SDPD Officers Traffic Stop
Address: 1800 Logan Avenue
Phone Number: N/A

MEDICS:

Paramedic Unit: 9
Engine: 7
Transported Victim to: UCSD

Additional Info:

*** Make sure the paramedics' names/info obtained by dispatch and added to event

INDIVIDUAL/S

REPORT NARRATIVE

On January 21, 2023 at about 2340 hours I was dispatched to assist with a high risk vehicle stop regarding an officer involved shooting, which had occurred in the area of 2000 Logan Avenue. When I arrived I was driving a marked police vehicle, wearing SDPD patrol uniform and wearing a department issued body worn camera, which was activated as per department policy.

I arrived and was immediately tasked to be with the arrest team taking the suspect into custody. The suspect was later identified as Christopher Dearman. A plan was made and the arrest team moved up to place the suspect into handcuffs. I moved up and grasped Dearman's left arm, immediately recognizing the limpness, and moved his body around in such a way to place his hand behind his back. I affixed my handcuffs to Dearmans right wrist and then to his left. With Dearman being placed into handcuffs and being the suspect in an officer involved shooting, I began to sweep Dearman looking for any potential gunshot wounds (GSW). I was able to locate multiple GSW's to Dearmans lower extremities. With the close proximity of the GSW's to vital arteries in the legs I applied tourniquets to both Dearmans legs. Applying the tourniquets as high and tight as possible, I vocalized to another officer to utilize their police radio to annotate the time that the tourniquets were applied.

Once the tourniquets were applied and bleeding in Dearmans lower extremities was controlled, I used my hands to visually and physically sweep Dearmans chest and back for any GSW's he may of sustained. I did not locate any GSW's in Dearmans torso on the front of rear side. I observed a laceration just above Dearmans right eye that I am unsure where or what could have caused it. I visually and physically inspected Dearmans head and neck, and did not locate any of the GSW's.

Medical staff arrived and began to medically evaluate Dearman and my involvement with aid ceased at this time. I was tasked by an on scene supervisor to begin to look for anything of evidentiary value on the north curb line of 2000 Logan Avenue. I located a bullet fragment in the street about two feet south of the north curb line of 2000 Logan, in front of the restaurant Hayes Burgers. I placed a pd-145 sheet of paper near the fragment to alert officers in the area and keep evidence prevention. I was told by an on scene supervisor to vacate the inner perimeter to preserve evidence. I checked out with the scribe Officer Gleysteen #1196 at about 0010 hours and left the scene.

I have no evidence regarding this event.

INDIVIDUAL/S

REPORT NARRATIVE

OFFICERS STATEMENT:

On 01/20/2023, at approximately 2355 hours, I responded to the 2000 block of Logan Avenue, in the city of San Diego, regarding a cover now radio call. I responded to the scene with Officer Westwood #7992, we were in full police uniform and driving a marked patrol vehicle. We were directed to block all foot and vehicle traffic eastbound at the intersection of Logan Avenue and Beardsley Street. We stay at the intersection until relieved by other units.

INDIVIDUAL/S

REPORT NARRATIVE

On 1-20-2023, at approximately 2355 hours Officer Neglia and I were driving a marked San Diego Police vehicle in the city of San Diego. We responded to a shots fired call with officers on a traffic stop at 1800 Logan.

When we arrived on scene we met with a Sergeant who placed us on a perimeter position blocking westbound pedestrian and vehicle traffic from Beardsley on Logan.

INDIVIDUAL/S

REPORT NARRATIVE

OFFICER'S NARRATIVE:

On 01/20/2023, at approximately 2337 hours, I was in full police uniform and driving a marked patrol vehicle in the city of San Diego. I was assigned to patrol in Central Division. I responded to assist Officer Aguilar and Officer Meyers who had broadcasted a cover now during a vehicle stop at 1800 Logan Avenue. I responded with my vehicle lights and sirens turned on. While enroute, it was broadcasted the vehicle was fleeing eastbound on 2000 Logan Avenue and then yielded on that block. Soon after, Sergeant Murrillo broadcasted shots were fired and no officers injured.

I arrived on scene and met up with Officer Collins, who was at the driver side of a patrol vehicle with his long rifle pointed toward the subject. I could see the suspect laying on the ground and what appeared to be a black handgun on the ground several feet next to the suspect. Officer Collins asked me to take his position so he could move over with the contact team. I drew my [redacted] firearm and pointed it toward the suspect for officer safety due to him still being in close proximity to a firearm. I continued to point my firearm at the suspect until other officers were able to approach and safely detain the suspect.

I then began to assist with placing crime scene tape around the scene. While doing this, I noticed bullet impacts at the Luna Bloom shop on 2060 Logan Avenue. A glass door was cracked with what looked like an impact near the bottom and a door to the right of it had an impact on the doorframe with a bullet fragment lodged into it. I placed folded pieces of paper from my PD 145 next to the impacts to mark as evidence.

I later relieved Officers Koegel and Officer Swalm from their post near the parking lot entrance of Chicano Park on the Logan Avenue side. I maintained my post until relieved.

BWC was activated. Blue Team was completed.

REPORT NARRATIVE

OFFICER'S REPORT:

On 01-20-2023, at approximately 2340 hours, Officer D. Swalm #1793 and I were working patrol in the city of San Diego. We were in full SDPD uniform and in a marked patrol vehicle. Officer Swalm and I responded to 1800 Logan Avenue regarding a "cover" call.

Officer Swalm and I arrived at the above-mentioned location. Officer Swalm and I took a perimeter position on the southwest side of the scene. Officer Swalm and I were eventually relieved by Officer S. AALAND #7462 at approximately 0115 hours.

BWC was recording.

OFFICER'S REPORT

On 01/20/2023 at approximately 2340 hours Officer Koegel #7799 and I responded to a radio call of an Officer Involved Shooting in Central Division located at 1800 Logan Avenue, San Diego. We were in full uniform driving a marked police car, and our Body Worn Cameras were on.
Upon arrival I assisted with setting a perimeter on the south side of the street with police tape. I was then posted on the southwest side of the perimeter to secure the scene.

On 01/21/2023 at approximately 0113 hours I was relived by Officer Aaland #7462.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/2023, at approximately 2337 hours, a radio call of a cover now originated at 1800 Logan Avenue, San Diego, CA 92113. At approximately 2350 hours, my partner Officer McGibbon (#7217) I arrived on scene at the intersection of Logan Avenue and S Evans Street in a marked police vehicle and wearing a full police uniform. I assisted with setting up an outer perimeter using police tape at the intersection of Logan Avenue and S Evans Street. I then assisted officers with performing an evidence search and found two spent projectiles in the road east of where the blood trail and red pickup truck were located. Both spent projectiles were marked with folded PD-145 paper beside them. Officers were instructed to vacate the inner perimeter at which point I stopped looking for spent projectiles and left the inner perimeter. I did not perform any additional follow-up at the scene.

My BWC was on during the initial arrival on scene and the evidence search.

REPORT NARRATIVE

On January 21st, 2023, at about 2355 hours, Officer C. Barnett #1294 and I responded to a radio call of an officer involved shooting which occurred at 1800 Logan Avenue, in the City of San Diego. We were in full San Diego Police Department uniform.

Arriving on scene I assisted with setting police caution tape on the outer perimeter of the scene near 1900 Logan Avenue.

We were later tasked with shutting down all vehicle traffic from Beardsley Street to Cesar E. Chavez Parkway on Logan Avenue. We positioned our patrol vehicle to block westbound vehicle traffic from Cesar E. Chavez Parkway.

We remain on traffic control till we were cleared to assist with radio calls.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/2022, at about 2337 hours, Officer Hernandez #1814 and I were patrolling in full police uniform and driving a marked police vehicle when we responded to officers requesting urgent cover during a traffic stop near the intersection of Logan Avenue and Cesar E Chavez Parkway. As Officer Hernandez and I were enroute, officers advised the traffic stop turned into a failure to yield and the vehicle was driving eastbound on Logan Avenue. About a minute later, Sergeant Murillo broadcasted over police dispatch shots were fired and the subject is down. Officer Hernandez and I activated our vehicle's emergency lights and sirens and were asked to block off east bound traffic on Logan Avenue at Cesar E Chavez Parkway. After parking our vehicle near the intersection, Officer Hernandez and I walked over to 1800 Logan Avenue where they were attempting to take the subject into custody. After officers took the subject into custody, I assisted Officer Hernandez with placing a tourniquet on the subject's right upper left thigh area. Officer Hernandez and I followed the subject as he was being transported to UCSD Hillcrest Hospital by Medic 9.

While at UCSD Hillcrest hospital we were informed by hospital staff the subject was pronounced deceased by Dr. Cha at 002[illegible] hours. This concludes my involvement with this investigation. My body worn camera was activated during this incident.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/23, at 2331 hours, I was on patrol in full police uniform and operating a marked patrol bicycle in the Gaslamp Distric of San Diego. Broadcasted over the radio I heard Officer Aguilar #1189 and Officer Meyers #1576 (515K3) initiate a traffic stop at 1800 Logan Avenue, San Diego. A few minutes later I heard Officer Meyers and Officer Aguilar call over dispatch for urgent cover and a failure to yield at 1800 Logan Avenue, San Diego. They updated their location to 2000 Logan Avenue, Sar Diego. Sergeant Murillo #6115 updated dispatch a high risk vehicle stop was being initiated. Sergeant Murillo then aired to dispatch shots were fired and the officers were not injured.

I secured my bicycle at the Bike Team office and drove with Officer Kain #7718 to Cesar Chavez and Logan Avenue. Upon arrival, I exited the patrol vehicle and walked towards 2000 Logan Avenue. Sergeant Deans #7422 requested for me to be the scribe of the scene. I completed the Homicide Scene Roster and Summary Report for all officers who arrived on scene. I later uploaded the report to NETRMS.

Later, Sergeant Deans asked me to walk the scene and count the approximate rounds. On the driver side of Officer Aguilar's and Officer Meyers patrol vehicle I located six silver spent shell casings and a loaded magazine. On the passenger side of the vehicle I located approximately 13 silver spent shell casings.

At the suspect's vehicle, a red Dodge pickup truck (CA-[redacted] I located two gold spent shell casings. These casings were found just north from the open driver's side door.

Later, SDPD Homicide requested I complete a RIPA for the decedent Christopher Dearman.

INDIVIDUAL/S

REPORT NARRATIVE

OFFICERS STATEMENT:

On January 20, 2023, at approximately 2337 hours, I was wearing a full San Diego Police uniform and driving a marked patrol vehicle as I responded to an officer involved shooting at 2000 Logan Avenue, San Diego. Prior to my arrival I activated my body worn camera. Prior to my arrival officers asked for a ballistic shield to be brought to the scene. I arrived on scene and saw SDPD officers were conducting a high risk pedestrian stop of a male who was laying on the ground. I noticed the male was injured, presumably from gunshot wounds. I utilized the ballistic shield to place myself in front of other officers to protect from any potential gunfire. I saw the male, later identified as Christopher DEARMAN, lying on the ground. Next to him there was a firearm approximately 4-6 feet away on the ground. I pointed my [redacted] firearm at DEARMAN due to the potential threat of the firearm in close proximity to him. I feared DEARMAN would retrieve the firearm and potentially cause lethal harm to myself or my fellow officers. I utilized the ballistic shield and my firearm during this event. Officers took DEARMAN into custody and I cleared the vehicle. There were no other occupants inside of the vehicle.

After DEARMAN was taken into custody and the vehicle was cleared, I conducted the Officer Involved Shooting Major Crimes Briefing for the event. I gathered information from the scene, officer's statements, law enforcement records checks, and the MPS system to fill in the information for the briefing. Once the briefing was completed, I remained on scene and assisted with any questions or needs from the San Diego Sheriff's Department personnel. I also assisted with scene security and preservation.

I recorded the event on my body worn camera and uploaded it per department policy. I completed a Blue Team entry for this event.

REPORT NARRATIVE

ORIGIN:

On January 20, 2023 at approximately 2330 hours, I was in full police uniform and operating a fully marked police bicycle on duty within San Diego attached to the Gaslamp Enforcement Team. I responded to assist officers with establishing a perimeter at an officer involved shooting that occurred near 2000 Logan Avenue.

INVESTIGATION:

Upon arrival, I observed officers taking the suspect into custody. I continued east and moved back media personnel to Evans St and Logan Avenue where I helped establish a perimeter. I maintained this perimeter with Officer R. Stonier until he maintained it by himself.

While maintaining perimeter, I had a witness inform me he saw the shooting but did not want to provide a full statement or his information (John Doe). Doe essentially informed me that he observed officers pursuing the vehicle and that's what made him look. Per Doe, he saw the suspect exit his vehicle and produce a handgun towards officers and "came out hot. He knew what was going to happen. It's either you guys or him at that point." After that, Doe did not want to talk more about it and stayed with a group of five other subjects for about a minute before he walked away.

This concludes my involvement with this incident.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/23, at about 2330 hours, I (Officer Lazaga #7852) was in my police uniform and riding a marked San Diego Police vehicle with my partner Officer Campante #7831. We responded to 1800 Logan Avenue regarding "Shots Fired" from officers Upon arrival I assisted on scene officers by locating vehicles that were parked within the scene. Once a vehicle was located, added the vehicle's license plate to the incident. Upon completion I was instructed to resume my duties as regular patrol and handle priority radio calls.

REPORT NARRATIVE

OFFICER'S NARRATIVE:
On 1/20/23, at about 2331 hours, Officer 1492 Williams and I were in full SDPD patrol uniform and in a fully marked SDPD patrol vehicle when we responded to a Cover Now radio at 2000 Logan Ave, San Diego Ca 92113.

When we arrived on scene, I observed officers attending to a male subject laying in the middle of the street. Officers asked over the air to clear vehicles out of the street so that medics could be cleared in. I began to move the vehicles of the street, allowing for medics to be cleared in.

I then began to set up a perimeter by placing police tape on the south curb line of 2000 Logan Ave.

I then took a perimeter post on Cesar E. Chavez Park and National Ave, until we were relieved.

BWC was on for this incident.

REPORT NARRATIVE

On 01/20/2022, at approximately 2346 hours, I volunteered to respond to a cover now radio call coming out of Central Divisio located at 1800 Logan Ave, San Diego. I responded in full San Diego Police uniform and in a marked San Diego Police vehicle. I was wearing and operating my department issued body worn camera.

Prior to arrival, I was on patrol in Southern Division when dispatch informed me that Central Division was requesting for any additional available units to assist them at their scene. I volunteered to respond and received approval from Sergeant Evans #5483. I later arrived on scene and it was determined my assistance was no longer needed. I provided my name and identification number to an officer on scene. I later left the scene and went back to patrol in Southern Division.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/23, at 2331 hours, Officer Gonzales #7500 and I were wearing full police uniforms and I driving a marked police vehicle when I responded to request for urgent cover near 1800 Logan Avenue San Diego. I activated my vehicle's emergency lights and sirens, and began driving towards the area. As I was enroute to 1800 Logan Avenue, officers advised the vehicle failed to yield and was driving eastbound on Logan Avenue near Cesar Chavez Parkway. About a minute later, Sergeant Murillo advised shots were fired and the subject in the vehicle was down on the ground, via police radio.

When I arrived on scene, I provided traffic control to block off traffic traveling eastbound, onto 1800 Logan Avenue, at Cesar Chavez Parkway. I placed my patrol car and yellow tape at the intersection of Logan and Cesar Chavez Parkway to provide traffic control.

Officer Gonzales and I walked eastbound on Logan Avenue to assist officers attempting to take the downed male subject into custody. When I arrived, I was assigned as a member of the arrest team to place the subject in handcuffs. The subject was laying in the road of 2000 Logan Avenue on the westbound lanes and once deemed safe, I assisted with placing the subject in handcuffs.

The subject had multiple gun shot wounds on his legs. I applied a tourniquet to the right upper thigh area in attempt to stop the bleeding.

Medic 9 arrived on scene. I assisted officers by turning the subject on his left side, in recovery position, in order to place a carrier under him. I assisted Medic 9 personnel with lifting of the subject and placing him onto a gurney to prepare him for transport. The subject was placed inside Medic 9 and was transported to UC San Diego Hillcrest Hospital. Officer Gonzales and I followed Medic 9 to UCSD.

The subject was pronounced deceased at 0024 hours on 01/21/23 by Dr. Cha UCSD.

REPORT NARRATIVE

NARRATIVE:

On 1-21-2023, I was on patrol in full police uniform in a marked police vehicle in the City of San Diego. At approximately 2340 hours, I responded to assist Central Division Officers with an Officer-Involved Shooting which occurred at 2000 Logan Avenue.

Upon arrival, I used my police vehicle to block northbound traffic on S Evans Street from National Avenue. I took a perimeter position at S Evans Street and Logan Avenue while on foot. I remained at this post until relieved by another second watch patrol officer.

I later returned to the scene to relieve a second watch patrol officer at Cesar Chavez Parkway and Logan Avenue on a perimeter position. I remained at the scene until being relieved by first watch patrol Officers.

This concluded my involvement in the incident. My BWC recorded the event.

INDIVIDUAL/S

REPORT NARRATIVE

Officer's Narrative:

On 01/20/2023 at 2331 hours, I was in full police vehicle assigned to Central Division in the City of San Diego. I responded to officers requesting urgent cover or "cover now" on a vehicle traffic stop at 1800 Logan Ave. I activated my patrol vehicle's overhead lights and siren to respond to the location.
While enroute it was updated the vehicle's driver refused to exit the vehicle and immediately fled the traffic stop. Officer Aguilar #1189 and Officer Meyers #1576 stated the vehicle was proceeding eastbound on 2000 Logan Ave. Officers aired the vehicle yielded at 2000 Logan Ave and a "high-risk" vehicle traffic stop was initiated. Immediately it was aired of "shots fired" and officers updated a suspect was down. It was also updated the suspect was being given commands to roll away from a gun.

Upon arrival, I observed Officer Meyers taking cover behind a patrol vehicle on the driver side. I observed a Hispanic male wearing what appeared to a checkered sweater and shorts laying on his side. I observed the male was laying on is right side and facing away from the officers on the "hot-stop". Due to the male initially fleeing officers and the officer involved shooting which had just occurred prior to my arrival, I retrieved my [redacted] service rifle. I displayed it towards the male and turned on my rifle mounted flashlight to illuminate the male. I could see approximately 5 feet from the male's head and to the right, a black framed handgun.

I had Officer Aaland #7462 relieve my position and I moved towards Officer Meyers. I moved Officer Meyers behind his patrol vehicle for cover near Sgt. Murillo #6115 and Officer Aguilar. As SDPD K9 officers and additional resources arrived, we formed a contact team to detain the male. I called out towards the male to show me his hands due to his back being towards officers. Believing the male may have had access to an additional weapon, I displayed my service rifle towards him. A plan was formed to move towards the downed male and the male was safely detained. I advanced forward as the contact team moved and ensured the suspects weapon was not retrieved or moved by the suspect. I proceeded to clear the suspects vehicle ensuring there were no other parties involved.

I stored my service rifle and proceeded to assist in setting crime scene tap around the perimeter of the incident location. Other officers and I located several broken glass doors from gunshots "Luna Bloom" located at 2060 Logan Ave.

I took (4) four initial photographs of the incident to document locations prior to EMS and other officers from moving inside the incident location.

I later left the incident to respond to a SDPD SWAT incident.

My body worn camera was on.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/2023 at approximately 2331 hours I was on routine patrol in the City and County of San Diego. I was dressed in full police uniform driving a clearly marked patrol vehicle. I was dispatched to assist officers in a cover now called at 1800 Logan Avenue.

Officers initiated a traffic stop of a vehicle located at 1800 Logan. The subject refused to get out of the vehicle and started driving eastbound on Logan. The vehicle finally came to a stop located at 2000 Logan where officers aired a high risk vehicle stop had been initiated followed by shots fired.

I arrived on scene and observed the suspect laying in the westbound lane of 2000 Logan with what appeared to be a firearm located within arm's reach just south of his location. The suspect was laying on his right side and officers were only able to see the suspects back. Officers were giving commands, but the suspect was not complying. I assisted officers by obtaining a shield and providing cover at the nearest patrol vehicle where multiple officers were located. I had my department issued firearm pointed at the subject.

I advanced towards the subject while holding a shield and provided lethal coverage until officers were able to place the suspect into handcuffs. Medics were cleared in and began performing medical care on the suspect.

I rode with Medics to USCD hospital where the suspect was taken into operating room 11 to undergo life-saving medical treatment. The suspect was unconscious and did not provide or make any spontaneous statements. The suspect was admitted into the hospital under [redacted] with a MR# [redacted] The suspect was later pronounced deceased by Dr. Cha at 0024 hours.

I remained at the operating room with the deceased until relieved by Officer Navarrete #7577.

My BWC was activated and a Blue Team was submitted for my use of force.

INDIVIDUAL/S

REPORT NARRATIVE

On 01/20/23 at about 2342 hours, I was in full police uniform and marked patrol vehicle when I responded to an urgent call for cover at 2000 Logan Avenue, San Diego. I arrived mid block 2000 Logan Avenue and activated my body worn camera. I assisted in a high risk vehicle stop and watched officers on scene take the suspect into custody. I located a 9mm Smith & Wesson firearm with a black handle and grey slide. The firearm was about three feet away from the suspect near the northcurbline of 2000 Logan Avenue. I located two gold 9mm shell casings south of the firearm, in the middle of the intersection, and just north of the suspect vehicle. The casings were marked with a PD-145.

I assumed chain of custody of the firearm and stood next to it for the remainder of the perimeter position until SDSO Homicide Team took over the investigation.

I assisted Officer Bajer in securing the south alley perimeter position between Logan Avenue and S. Evans Street.

At approximately 0647 hours, I was relieved at the perimeter position by Officer Gould and Officer Miller.

This concludes my involvement in the incident.

INDIVIDUAL/S

REPORT NARRATIVE

On 1/21/2023, at approximately 0600 hours, I responded to assist Officers, regarding a cover now. I was in full Police uniform and driving a marked San Diego Police patrol vehicle. I assisted in relieving an Officer at UCSD Hospital Hillcrest, in the County and City of San Diego.

I arrived at UCSD Hospital Hillcrest at 220 West Arbor Drive. I relieved Officer McGee #1469 at 0607 hours. I stood by (outside) the Operating Room #11. I did not see the body in the operating room.

Medical Examiner (M.E.) Hough, Alysia ID#50 was already in the operating room. I obtained their case number [redacted] Detective Moser #0034 was also in the operating room. At approximately 0640 hours the M.E. transported the body, which was covered.

I then drove to the scene at Logan Avenue (Central) to further assist with a position (post) at the intersection of Evans Street and Logan Avenue. I was there until we were released from the scene.

INDIVIDUAL/S

REPORT NARRATIVE

On 1-20-2023 at approximately 2337 hours Officer Lonthair #6917 and I responded to a "cover now" at 2000 Logan Avenue. We were in full police uniform, driving a marked patrol vehicle, in the city of San Diego.

While en route to the scene, officers on scene advised shots had been fired and one suspect was down. Officer Lonthair and arrived on scene and closed off Eastbound Logan Avenue at Cesar Chavez. Officer Lonthair and I remained on scene until the crime scene was expanded. Officer Lonthair and I moved our patrol vehicle to block Southbound Cesar Chavez at Kearny Avenue. Our perimeter position was later deemed unnecessary and we cleared from the scene. We had no further involvement in the investigation.

My BWC was activated.

REPORT NARRATIVE

On 1/20/23, I was in full police uniform and was driving a marked Sergeants car in the city of San Diego. I responded to 2000 Logan Avenue to assist in an officer involved shooting event.

I arrived on scene and activated my body worn camera (BWC). I approached officers as they were engaged in a high risk stop. The suspect was already downed and officers continued to give the subject verbal commands to stay away from the firearm that was located in the roadway.

When sufficient officers were present, I removed Officer Aguilar #1189 and Officer Meyers #1576 from the direct vicinity of the high risk stop and had them stand by my patrol vehicle. I obtained a safety statement from both officers and remained by until the appropriate Peer Support Officers responded and requested, we de-activate our BWC. They then took Officer Aguilar and Officer Meyers to Central Division.

I provided responding officers with assignments to shut down traffic. Officer Allahwardy requested I relieve her position, standing next to the evidence, for a short while. I activated my BWC and took position next to the firearm until Officer Allahwardy returned.

OFFICERS REPORT:

On 01/21/23, at about 0600 hours, I was dressed in full police uniform, driving a marked police vehicle, patrolling the area of San Diego when I responded to relieved perimeter officers on an investigative scene and 2000 Logan Avenue.

Upon my arrival to the scene I relieved an officer holding a perimeter at the north end of the scene at 2000 Logan Avenue. I maintained this perimeter controlling vehicle and pedestrian traffic. I stayed on this perimeter until the scene was released at 1345 hours.

OFFICER'S STATEMENT:

While on patrol on 01/21/23 at approximately 0600 hours, I was informed that an officer-involved shooting had occurred at the 2000 block of Logan Avenue. I was asked to respond to the location and relieve third watch units. I arrived and stopped my patrol vehicle on the 2000 block of Logan Avenue, by the entrance to the I-5SB Freeway. I blocked traffic and prevented pedestrians from going into the scene. I remained at the scene until approximately 1345 hours, when the last San Diego Sheriff's Department investigators left the area. I took down some of the police tape around the area and left the scene.

REPORT NARRATIVE

On 01/21/2023 at 0613 hours I assisted Officers in setting an outer perimeter with my patrol vehicle at the scene of the incident at 2000 Logan Avenue by staging my vehicle at the intersection of Evans Street and Logan Avenue.

I arrived on the scene and placed additional crime scene tape on the northern and southern curb line of 2000 Logan Avenue to prevent pedestrian foot traffic onto Logan Avenue. I parked my vehicle facing westbound on Logan Avenue in order to block incoming eastbound traffic.

REPORT NARRATIVE

On 01-21-2023, at approximately 0010 hours, I was driving a marked patrol vehicle with Officer W. Schlaman #1758, both wearing full police uniform.

I responded to a call regarding a cover now that occurred at 1800 Logan Avenue in the city of San Diego.

When I arrived on scene, I was instructed to take up a perimeter position blocking west and eastbound traffic at the intersection of 1800 Logan and 900 Beardsley.

I collected the license plate numbers of all the vehicles on 1800 Logan Avenue:

CA[redacted]
CA
CA
CA

After collecting license plate numbers, I contacted [redacted] (Identified per his US issues passport) who stated he observed the traffic stop that was involved in the incident. I took his statement.

STATEMENT OF [redacted] (WITNESS):

[redacted] provided me with the following paraphrased statement:

On 01/20/2023, at approximately 2300 hours, [redacted] had just been dropped off by a friend at his vehicle parked on the south curb line of 1800 Logan Avenue, [redacted] crossed the street to a building where he was assisting his family with an event. [redacted] then witnessed a marked San Diego Police vehicle conduct a traffic stop on a red pick-up truck at 1800 Logan Avenue [redacted] stated he did not give the vehicle stop much attention since it seemed routine. After approximately

REPORT NARRATIVE

On 01-21-2023 at about 0600 hours I was in full patrol uniform in a marked police vehicle when I was dispatched to assist with a critical incident that occurred at 2000 Logan Ave.

On arrival I relieved Officer Gleysteen #1196 of scribe duties. Scribe duties include annotating names and I.D. numbers for units responding to the critical incident.

I also provided perimeter security to prevent pedestrian and vehicle traffic interfering with the investigation.

I maintained my post until San Diego Sheriff Detective's concluded their investigation.

For information regarding the incident please see the Case Report.

REPORT NARRATIVE

On 01/21/2023, at approximately 0609 hours, Officer J. Gould #7928 and I were dispatched to the south alley of 2000 Logan Avenue to relieve Central Division third watch officers on a perimeter post while an Officer Involved Shooting investigation was underway. We were working as police officers for the San Diego Police Department, wearing our full police uniforms, and operating a marked police vehicle. I am currently assigned to patrol operations at Central Division.

We arrived on scene and relieved Officer T. Bajer #1448 and Officer D. Allahwardy #7825 from their post. This position was maintained until the investigation was completed and the scene was broken down. I then drove vehicle 7792 to the Central Garage for repairs and drove vehicle 7373 to the Central Division substation.

This concluded my involvement at the scene.

INDIVIDUAL/S

REPORT NARRATIVE

OFFICER REPORT:

On 01-20-21, at approximately 2331 hours, Sgt. Murrillo aired, "Shots fired" from 1800 Logan Ave in the City Of San Diego. responded to that location to assist. I was driving a marked patrol car and I was in full police uniform. I arrived onscene and parked at Logan and Evans. There were no other Officers at this intersection. I blocked the roadway and my goal was to keep all vehicle and pedestrians out the scene. This was still a very active scene with the suspect still down in the street with the gun next him. I began to tell people to move back to my patrol car to get them out the scene and out of the line of fire.

A crowd was forming outside the Don Diego VFW POST 7420 and the people were standing in the street. I was still the only Officer at this intersection and I did not have any crime scene police tape. An Officer trying to take the suspect into custody aired that he needed all the people down range to be moved. I needed to ask for another unit, while trying to keep the scene secure and stay out of the line of fire.

A female walked over to me from the VFW and identified herself as [redacted] I later identified her [redacted] I could tell that [redacted] had been drinking and she was slurring some of her words. I asked [redacted] if she could ask her patrons to go back inside because they were in the line of fire and she ignored me. [redacted] asked what was going on and told me that the patrons of the bar heard that, "The police had gunned down a person". I told [redacted] that wasn't accurate information and she became upset yelling, "You will give a statement." [redacted] turned on her cell phone to start filming me, but was initially filming herself. I told [redacted] she needed to stay back and I was using my left arm to hold it out with an open palm, while I gave her these commands. I also usually turn my flashlight on illuminating the persons chest area. I do this for Officer safety to keep people out of my personal space and away from my weapons on my duty belt.

[redacted] at times moved forward on me and I had to keep telling her, stay back, stay back. At this point the suspect was still or the ground next to the gun and I was still by myself. At one point I raised my left arm to keep [redacted] back and my hand unintentionally made contact with cell phone, due to us both moving. The cell phone dropped to the ground and [redacted] picked it back up and continued to film. Another staff member of the VFW named [redacted] eventually walkec up to [redacted] and calmly tried to have her step back. Several Officers arrived and started to put police tape up, which allowed me to step back into the scene to monitor everything. At one point [redacted] asked for my name and ID number, which I gave her. I was relieved of my post by Officer Ruud.

REPORT NARRATIVE

OFFICER'S STATEMENT / INVESTIGATION:

On 01-20-23, at about 2328 hours, I was in full uniform and in a marked police vehicle. I heard Central Division broadcast an officer involved shooting had just occurred at 2000 Logan Avenue. I volunteered to assist.

Upon arrival, officers had a plan in place to take the suspect into custody with the use of a police service dog. The suspect was safely taken into custody and I transitioned my role in assisting the on scene supervisor with scene security. I made sure officers began to set up caution tape around the perimeter to preserve the crime scene. I then learned Sgt Murillo #6115 was a witness to the officer involved shooting. I was assigned to be Sgt Murillo's peer support officer. Sgt Murillo and I drove to the Central sub station and waited for the San Diego Sheriffs Department Homicide Team to arrive. At about 0800 hours I was relieved of my duty as a peer support officer and cleared the scene.

AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	Not listed	INCIDENT TYPE:	920000 ZZ
VICTIM(S):	Dearman, Christopher	INCIDENT DATE:	01/20/2023

SERVICE REQUESTED:

Weapon operability
Cartridge case examination

EVIDENCE SUBMITTED:

Item 1.31 One expended cartridge case
Item 1.32 One expended cartridge case
Item 1.40 One Smith & Wesson SD9 VE pistol, serial number [redacted] and one magazine

EXAMINATION:

Item 1.31 Item 1.31 consists of one expended Winchester cartridge case, caliber 9mm Luger. The cartridge case is brass with a nickel-plated primer. The primer exhibits short striations, limited flowback with shear, and an off-round hemispherical firing pin impression with drag.

Item 1.32 Item 1.32 consists of one expended Armscor cartridge case, caliber 9mm Luger. The cartridge case is brass with a nickel-plated primer. The primer exhibits short striations, circular flowback with shear, and a shallow off-round hemispherical firing pin impression.

Item 1.40 Item 1.40 consists of one Smith & Wesson SD9 VE semiautomatic pistol, caliber 9mm Luger, serial number [redacted] and one Smith & Wesson magazine. The pistol was examined and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were designated Item 14.1. Item 1.40 has a maximum capacity of seventeen (16+1) 9mm Luger cartridges when used with the included magazine. The minimum measured trigger pull for the pistol was 7 ¾ pounds. The barrel of the pistol exhibits a conventional five right (5R) rotation rifling pattern.

Items 1.31 and 1.32 were microscopically examined and compared to each other and to the test-fired cartridge cases from Item 1.40.

RESULTS AND INTERPRETATIONS:

The Smith & Wesson SD9 VE pistol from Item 1.40 is operable. The magazine from Item 1.40 is correct for the pistol. And is considered a "large-capacity magazine" as defined in the California Penal Code.

The expended cartridge cases (Items 1.31 and 1.32) were identified as having been fired in Item 1.40. The identifications were confirmed by Criminalist R. Chang.

[redacted]

[redacted] 5/26/2023

DISPOSITION OF EVIDENCE:

Items 1.31, 1.32 and 1.40 were resealed in their respective original containers and returned to the Sheriff's Property and Evidence Unit. Item 14.1 was transferred to Forensic Evidence Technician K. Dyer for entry into the IBIS database.

Detailed notes of the examination and calculated uncertainty values for all reported quantitative measurements are maintained at the Sheriff's Crime Laboratory and are available upon request.

Re: Fatal shooting of Mr. Christopher De Arman by San Diego Police Officer Christopher Aguilar ID #1289 and San Diego Police Officer Jacob Meyers ID #1576, on January 20, 2023; San Diego Sheriff's Department Case No. 23-102932; DA Special Operations Case 23-013PS; Deputy District Attorney assigned: Carlos Campbell.

Dear Chief Nisleit and Sheriff Martinez,

We have reviewed the reports and materials compiled by the San Diego Sheriff's Department's Homicide Unit concerning the fatal shooting of Mr. Christopher De Arman by San Diego Police Officers Christopher Aguilar and Jacob Meyers. A District Attorney Investigator responded to the scene and was briefed by officers and detectives from the San Diego Sheriff's Homicide Unit. This case was submitted to the District Attorney's Office for review on April 12, 2023. The Medical Examiner's Report was received in June 2023.

Summary

On January 20, 2023, at approximately 11:30 p.m., San Diego Police Department Officers Christopher Aguilar and Jacob Meyers were on patrol near 17th Street and Imperial Avenue in the East Village area of San Diego. Meyers was the driver and Aguilar was the passenger in a single marked patrol vehicle.

Meyers and Aguilar saw a red pickup truck slow and stop in an area known for illegal drug use. A male exited the vehicle and walked out of their view. Meyers parked his patrol vehicle on 17th Street behind the red truck to see if the male would return. Approximately five minutes later, the male returned to the truck and drove southbound on 17th Street. Meyers and Aguilar followed the truck as it made a left turn onto Logan Avenue. Meyers noticed that the truck had a center brake light out and he conducted a traffic stop for the equipment violation. The truck pulled over and stopped in the 1800 block of Logan Avenue.

Meyers approached the truck on the driver side and Aguilar approached on the passenger side. A patrol sergeant arrived moments later and positioned himself behind Aguilar. Aguilar contacted

the driver, Christopher De Arman, from the open passenger window and told him that he was being stopped for an inoperable center brake light. De Arman appeared agitated and called [redacted] on speakerphone so she could listen to the interaction. Meyers ran a record check on De Arman and learned that De Arman was previously arrested as a felon in possession of a firearm. Meyers asked De Arman to exit the car so they could conduct a safety search. De Arman refused. Aguilar approached the driver side door, unlocked it, and opened it. De Arman started the truck and Aguilar told De Arman to step out of the truck.

The patrol sergeant took out his OC (oleoresin capsicum) spray and pointed it at De Arman. De Arman placed the gear selector in drive and the patrol sergeant immediately deployed his OC spray at De Arman's face. De Arman accelerated away from the three officers. Meyers and Aguilar got into their patrol vehicle and followed De Arman's vehicle southeast on Logan Avenue. The patrol sergeant followed behind in his vehicle. The officers utilized their police vehicle's red and blue emergency lights and audible siren. The truck was not traveling at a high rate of speed.

De Arman stopped his vehicle in the 2000 block of Logan Avenue. Meyers and Aguilar immediately exited their patrol vehicle and drew their service weapons. Aguilar yelled at De Arman to show his hands. De Arman exited his truck, turned towards the officers, and pointed a handgun in their direction. Both Meyers and Aguilar fired their handguns at De Arman. De Arman also fired his handgun toward the officers, striking the patrol vehicle. De Arman attempted to run but was struck by the gunfire and fell in the westbound lanes of 2000 Logan Avenue. De Arman dropped the handgun in the middle of the traffic lanes.

While on the ground, De Arman was yelling and had his hands under his body so the officers did not approach. Canine officers responded and a canine was used to pull De Arman away from the handgun. While the canine maintained a hold on De Arman's leg, several patrol officers approached and placed De Arman in handcuffs. Once De Arman was handcuffed, he was assessed for gunshot wounds and placed in a recovery position. Officers provided De Arman medical aid until paramedics arrived. De Arman was transported to UCSD hospital where he was treated but he ultimately succumbed to his injuries.

Dr. Stabley of the Medical Examiner's Office conducted the autopsy and determined the cause of death as multiple gunshot wounds and the manner of death as homicide. Toxicology testing of De Arman's blood revealed the presence of benzoylecgonine (cocaine metabolite), cocaine, methadone, 11-hydroxy delta-9 THC, delta-9 carboxy THC, delta-9 THC, fentanyl, norfentanyl (fentanyl metabolite), and 4-ANPP (fentanyl metabolite).

Persons Involved

De Arman was a 37-year-old resident of San Diego, CA. Aguilar and Meyers had been police officers with the San Diego Police Department for 2 years 3 months and 2 years, respectively.

Civilian Witness One (CW1)

[redacted]. De Arman lived with [redacted]. On Friday, January 20, 2023, before 11:00 p.m., De Arman left their residence to buy foot powder. Later, De Arman called and told her to stay on the phone for his safety because he was stopped by police. As soon

as she got on the phone with De Arman, her phone died. She tried to call him back from another phone and he wasn't answering. She could see the phone's location and saw it wasn't moving.

CW1 confirmed De Arman was not known to carry firearms and that he was not permitted to. CW1 confirmed De Arman had a past history of drug and alcohol use, but she did not believe he was using currently. De Arman was not currently active in gangs. De Arman stayed home a lot. De Arman did not display any anti-law enforcement sentiments.

About a month earlier, CW1 found a suicide note in De Arman's room that read, "Sorry for all the pain, but at least you won't be in pain any longer." CW1 spoke with De Arman about it, but he remained quiet.

He seemed fine when he left the house. The truck De Arman was driving belonged to her father.

Civilian Witness Two (CW2)
CW2 was working as a property manager at a building in the 1800 block of Logan Avenue. CW2 observed a red truck being stopped by the police across the street next to Las Cuatro Milpas. Shortly after, CW2 noticed a second police unit arrive on scene. CW2 said he could hear the officers speaking with the driver, but he could not understand what was being said. After about five minutes, CW2 saw the red truck driving south, toward Chicano Park. CW2 went inside the building and did not see or hear anything further.

Civilian Witness Three (CW3)
CW3 was standing near his tent in the 2000 block of Logan Avenue when he saw a red truck being followed by two patrol vehicles. CW3 said that the rate of speed was slow, about 20-30 mph. CW3 lost sight of the pursuit and went about tending to his items near his tent. Shortly after, he heard about eight to nine gunshots.

Statement of Law Enforcement Officer One (LE1)
LE1 is a San Diego Police Department patrol sergeant. On January 20, 2023, while on duty, LE1 responded to the area of 1800 Logan Avenue to cover Meyers and Aguilar who had just conducted a traffic stop on a red Dodge Ram pickup truck for an equipment violation. LE1 exited his vehicle and stood on the sidewalk behind Aguilar who was at the passenger side of the red Dodge Ram talking to De Arman through the window. Meyers contacted De Arman on the truck's driver side.

De Arman appeared uncooperative while Meyers and Aguilar spoke with him. LE1 heard either Aguilar or Meyers tell De Arman that given "his history of weapons" they were going to conduct a weapons pat-down of the vehicle. Meyers and Aguilar asked De Arman to step out of the truck and he refused. One of the officers reached inside the truck and unlocked and opened the driver's door. De Arman turned the car on and LE1 pulled out his OC (oleoresin capsicum) spray and pointed it at De Arman. When De Arman lowered the gearshift into drive, LE1 sprayed him in the face with the OC spray as the truck drove away. LE1 believed De Arman struck Aguilar as he took off from them. LE1 saw Aguilar get up and both Aguilar and Meyers ran back to their patrol vehicle and started pursuing the red truck. LE1 joined the pursuit.

Meyers and Aguilar pulled behind the red truck and LE1 could not see the driver's door to the truck. LE1 heard gunfire prior to coming to a complete stop. LE1 said he looked up and could see De Arman run north from the truck toward the westbound lanes of the roadway. LE1 could see muzzle flash coming from the driver side of the patrol vehicle and De Arman slowing down then eventually collapsing. LE1 loosely estimated he heard six to eight shots.

LE1 articulated that during the traffic stop he saw that Meyers and Aguilar had already opened the driver's door to the truck and were moving closer to De Arman. LE1 said he was concerned that De Arman was going to "take off and drag one of the officers with him." LE1 said he used his OC spray because the driver was displaying active resistance and he believed the driver would not be able to drive far or fast if he hindered the driver's ability to see.

Statement of Law Enforcement Two (LE2)
LE2 and two other canine units were in Balboa Park conducting canine training. During the training, LE2 heard police sirens in the distance and then heard an officer on the radio say the suspect was down, the gun was near him, and he was not complying with commands.

LE2 arrived on scene at approximately 11:45 p.m., LE2 could see De Arman down on the street near the 2000 block of Logan Avenue, with his back and feet toward the officers. LE2 could not see De Arman's hands and there was a gun about five to eight feet away from his head. De Arman was moving his upper body and he was twitching.

LE2 gave canine warnings to De Arman, told him to crawl away from the gun, and said they wanted to help him. De Arman did not comply with his warnings to move away from the gun. LE2 deployed his canine partner, utilizing a 60-foot leash. The canine bit De Arman in the upper left back of his thigh and pulled him backwards approximately ten yards away from the firearm. After the bite, LE2 saw no reaction from De Arman leading him to believe it was safe to approach. Once De Arman was detained, LE2 secured his canine.

Statement of Officer Jacob Meyers
Meyers and Aguilar were riding together as a two-officer unit patrolling the area of 16th Street and Logan Avenue. Meyers was driving. Meyers observed a red truck that seemed to be out of place in a known narcotics trafficking area. Meyers parked his vehicle in the direction of the truck to maintain observation and waited to see if the vehicle would leave.

At about 11:30 p.m., the red truck started to leave and Meyers noticed the third brake light on the truck was not operating, so he initiated a traffic stop. The truck stopped in front of a restaurant called Las Cuatro Milpas on Logan Avenue. Meyers approached the vehicle and detected the odor of marijuana. De Arman told Aguilar that he had marijuana in the vehicle. Meyers went back to his patrol vehicle to run De Arman while Aguilar continued to speak with him. Meyers ran a record check and learned De Arman had a prior arrest as a felon in possession of a firearm.

Meyers returned to the truck and told Aguilar that De Arman had prior arrests. Meyers and Aguilar told De Arman that they would be conducting a "vehicle pat down" due to his prior offenses. De Arman refused to exit his truck and became agitated and argumentative.

Aguilar reached into the open driver side window of the truck and unlocked the door. Aguilar opened the truck's driver side door. De Arman started his truck and refused to comply with their commands. Meyers noticed a phone in De Arman's hand, but he was unsure if he was using it.

De Arman drove away with the driver side door open. Meyers and Aguilar returned to their patrol vehicle and started to pursue De Arman down Logan Avenue. Meyers thought De Arman was generating a plan because if De Arman wanted to get away, he would have just driven off instead of driving away slowly. Meyers believed that De Arman had something that he did not want them to find, likely a firearm.

De Arman began to slow down near the 2000 block of Logan Avenue, and suddenly came to a complete stop in the middle of the street and exited the vehicle. Meyers believed De Arman was going to start running. Meyers pulled up and stopped behind the red truck. Aguilar quickly exited. Meyers heard Aguilar yelling at De Arman to get on the ground. Meyers began drawing his firearm as he stepped out of his vehicle. Meyers looked toward De Arman and saw him pointing at him what appeared to be a handgun. He heard a loud pop and saw a "puff of smoke" coming from the handgun. Meyers was kneeling to his left side behind his door and returned fire in the direction of De Arman.

De Arman began running eastbound into the street away from his truck as Meyers was firing his weapon at him. Meyers stopped shooting once De Arman fell to the ground. Meyers believed he fired five to six rounds. De Arman was then facing away from him with his arms in the air. Meyers did not initially see where De Arman's firearm went. As other units began to arrive, Meyers repositioned himself and could then see the firearm in the middle of the street. The firearm was approximately five to six feet from where De Arman was positioned.

Meyers and Aguilar continued to give commands to De Arman to keep his hands up and to roll onto his stomach. After additional units arrived, Meyers was then relieved by another officer and removed from the scene.

Statement of Officer Aguilar

Aguilar and Meyers were riding together as a two-officer unit patrolling the area of 16th Street and Logan Avenue. Aguilar and Meyers observed a red Dodge Ram pull up and park on 17th Street, a high narcotics area. Aguilar and Meyers observed the truck for five minutes or less. Aguilar observed the male occupant exit the vehicle and walk out of their sight. Aguilar was observing the male's actions for possible drug transactions due to his experiences of the area being a high narcotic trafficking neighborhood.

The male returned to the truck and drove away from the area. Aguilar and Meyers initiated a traffic stop of the vehicle for the equipment violation. The truck yielded on Logan Avenue. Meyers approached on the driver side of the truck and Aguilar approached on the passenger side of the truck. Aguilar smelled the odor of marijuana emanating from the truck and asked the driver, De Arman, if there was any marijuana in the truck. De Arman moved a blanket that was on the passenger seat and revealed a jar containing marijuana.

Aguilar told De Arman that he was going to pull him out of his vehicle to conduct a vehicle search to ensure he was not transporting marijuana illegally. De Arman pulled out his cellphone

and Facetimed [redacted]. De Arman told [redacted] to stay on the phone in case "they try to do anything stupid." Aguilar was concerned about the call because he thought De Arman might be setting him and Meyers up for an ambush.

While Aguilar was talking to De Arman, Meyers went back to the patrol vehicle to conduct a records check. Meyers advised Aguilar that De Arman had prior arrests for being a felon in possession of a firearm. With that information, Aguilar told De Arman that they were going to remove him from the vehicle and search it. De Arman became argumentative and told the officers that they could not search his vehicle. De Arman refused to get out of his vehicle. Aguilar opened the driver's door and ordered De Arman out of the vehicle. De Arman refused again, started up the truck, and began driving forward with his driver's door still open.

Aguilar and Meyers ran back to their patrol vehicle and pursued De Arman who was driving approximately 20 miles per hour. Aguilar told Meyers to be careful because he believed De Arman was planning something. Aguilar believed De Arman was buying time to plan something. Aguilar believed the driver had a firearm on him due to his prior arrests and his evasive behavior.

De Arman continued driving until the 2000 block of Logan Avenue where he came to an immediate stop. De Arman immediately exited his truck as his door flew open. Aguilar and Meyers exited their police vehicle to conduct a high-risk vehicle stop. De Arman immediately turned his body to the left and presented a black semi-automatic firearm as he exited the vehicle and pointed it at him and Meyers.

De Arman was pointing the firearm using his right hand. De Arman was instructed to show his hands. Aguilar believed that De Arman fired one shot at them before he returned fire. Aguilar fired back at the driver to protect his life and the life of his partner. De Arman was shooting at them as he continued moving across the street. Aguilar continued shooting back at De Arman. Aguilar believed he fired nine to ten rounds at De Arman and believed that De Arman fired one to three rounds toward him and Meyers. Aguilar stopped shooting when he believed that De Arman was no longer a threat and had stopped pointing the gun at them. Aguilar was able to see the gun in the street about two to three feet away from De Arman.

Aguilar was concerned that De Arman might grab the firearm he had dropped or might have had another one on him. Aguilar was removed from the scene once cover units arrived.

Investigation:
The scene was secured, photographed, and investigated by the San Diego Sheriff's Department's Homicide Unit. All detectives' reports, crime scene investigators' reports, and audio-recorded witness interviews, body worn camera, and audio recordings were reviewed. The events leading up to and the incident itself were captured on body worn camera. All items were found to provide evidence corroborating the officers' statements.

Aguilar was armed with his department-issued Glock 17 Gen 4 handgun loaded with department-issued 9mm caliber ammunition. It held one round in the chamber and a [redacted] in the magazine. Aguilar carried two additional fully loaded magazines containing [redacted] in a magazine holder on his duty belt. After the shooting incident, a San Diego Sheriff's Field Evidence Technician collected Aguilar's firearm and magazines for processing. There was one

live round in the chamber of Aguilar's handgun, and two live rounds in the inserted magazine. Both of Aguilar's spare magazines remained fully loaded with [redacted] Based on the number of unexpended rounds that Aguilar possessed after the shooting incident, it was determined that he fired 15 rounds.

A Sheriff's Criminalist conducted a test fire of Aguilar's firearm for operability and determined it to be operable. His firearm magazines were also determined to be the correct magazines for the firearm.

Meyers was armed with his department-issued Glock 17 Gen 5 handgun with 9mm caliber ammunition. It was loaded with [redacted], some of which was department-issued and some of which was personal ammunition. Meyers carried two additional fully loaded extended magazines containing [redacted] each in a magazine holder on his duty belt. After the shooting incident, a San Diego Sheriff's Field Evidence Technician collected Meyers' firearm and magazines for processing. There was one live round of ammunition in the chamber of Meyers' handgun. Meyers dropped a magazine and reloaded his handgun at the scene. The dropped magazine contained four remaining rounds. The magazine inserted in Meyer's handgun contained [redacted], some of which was department-issued and some of which was personal ammunition. The remaining magazine on Meyers duty belt contained [redacted] of unexpended ammunition.

Based on the number of unexpended rounds that Meyers possessed after the shooting incident, it was determined that he fired 13 rounds.

A Sheriff's Criminalist conducted a test fire of Meyers' firearm for operability and determined it to be operable. The magazines were determined to be the proper magazines for the firearm.

Nine expended FC 9mm Luger cartridge casings were located on the pavement just northeast of Meyers and Aguilar's patrol vehicle. This is the location Meyers was firing from.

Eleven expended FC 9mm Luger cartridge casings were located on the pavement southeast of the patrol car. Seventeen expended FC 9mm Luger cartridge casings were located on the pavement to the southwest of the patrol vehicle. This is the location Aguilar was firing from.

De Arman was armed with a black and silver Smith and Wesson model SD9VE 9mm semi-automatic pistol, serial number [redacted], with a seated magazine. The firearm contained seven rounds of live 9mm ammunition when it was recovered on the pavement northeast of his vehicle. Three live rounds containing the headstamp FC 9mm Luger, one round containing the headstamp WIN 9mm Luger, one round containing the headstamp R-P 9mm Luger, one round containing the headstamp SB 19 9X19, and one round containing the headstamp WCC 97 were located in the firearm. A Sheriff's Criminalist conducted a test fire of De Arman's firearm for operability and determined it to be operable.

One expended cartridge case containing the headstamp WIN 9mm Luger was located on the pavement northeast of De Arman's vehicle. A second expended cartridge case containing the headstamp A USA 9mm Luger was located on the pavement northeast of De Arman's vehicle.

A fired bullet and metal fragments were located on the pavement northeast of Meyers and Aguilar's patrol vehicle. There was damage to the driver side hood and windshield of the patrol vehicle directly where Meyers was standing when De Arman exited his truck and fired at the officers. The damage is consistent with a bullet striking the vehicle's hood and then ricocheting off the hood and striking the windshield.

A firearm trace was conducted by the San Diego Sheriff's investigators on the gun De Arman was carrying. The trace revealed that the gun was last purchased on October 24, 2015 by a male out of St. Johns, Arizona. An attempt to locate the male by investigators revealed that the male was deceased and no further information on the firearm could be located.

Body Worn Camera Evidence

Aguilar's body worn camera was activated during his contact with De Arman and captured the events from his position. Aguilar approached the passenger side of De Arman's vehicle and spoke to De Arman through the open passenger side window. Aguilar advised De Arman he was going to remove him from his vehicle to make sure he was not illegally transporting marijuana. De Arman used his cell phone to call [redacted]. He told her he had just been pulled over by the police and wanted her to stay on the line for his safety. Meyers told Aguilar that De Arman has prior arrests for felon in possession of a firearm. Meyers told De Arman he has priors for felon in possession of a firearm and told him that they were going to have him step out of the vehicle. Aguilar walked from the passenger side of De Arman's vehicle to the driver side and stood next to Meyers. Aguilar told De Arman he was going to get pulled out of the car regardless. De Arman told Aguilar he had no right to pull him from his car. De Arman told Aguilar to call his supervisor. Aguilar pointed to the passenger window of De Arman's vehicle where LE1 was standing. De Arman asked LE1 what was going on and LE1 told him to get out of the car. Aguilar unlocked and opened the driver side door to De Arman's vehicle. De Arman said, "What the fuck are you doing?" and then started his vehicle. Both Aguilar and Meyers told De Arman to step out of the car. All three officers told De Arman to shut the car off. De Arman accelerated away from them. Aguilar and Meyers ran back to their patrol vehicle and pursued De Arman. Aguilar warned Meyers that De Arman may be armed. De Arman stopped his vehicle. Aguilar got out of his patrol vehicle. De Arman's driver side door was already open. In the footage, De Arman is seen getting out of his vehicle. Aguilar pointed his firearm at De Arman and ordered him to show his hands. De Arman moved away from the truck and Aguilar again ordered him to show his hands. Aguilar fired several shots toward De Arman. Meyers continued to give commands while Aguilar had his gun pointed at De Arman. Aguilar maintained his position until cover officers arrived.

Meyers also had his body worn camera activated and the same events were captured from his position. Meyers approached De Arman's vehicle on the driver side after initiating a traffic stop on the vehicle. Meyers stopped at the open window of De Arman's door while Aguilar was asking De Arman questions. Meyers asked De Arman for his driver's license. Meyers went back to his patrol vehicle and conducted a record check on De Arman. Meyers then told Aguilar that De Arman had prior arrests for possessing a firearm. Meyers went back to the driver side door and explained to De Arman the purpose for getting him out of the vehicle. De Arman drove away from Aguilar and Meyers. Aguilar and Meyers retuned to their patrol vehicle and pursued De Arman. De Arman stopped his truck. Meyers exited his vehicle. Aguilar was already out of the patrol vehicle ordering De Arman, "Show me your hands." De Arman got out of his vehicle and

moved away from his truck while holding what appears to be a gun in his right hand. Multiple shots are heard, and De Arman is seen falling to the ground and dropping the gun he was holding. De Arman was on the ground and Meyers told him, "Don't move! Show me your hands!" Meyers backed up behind his patrol vehicle and dropped a magazine from his handgun and inserted another one into the magazine well. Meyers pointed his handgun towards De Arman and yelled, "Hands!" Subject is heard yelling, "Fuck you!" Meyers kept his gun pointed at De Arman and shouted commands until cover arrived.

LE1's body worn camera was activated at the time of the incident and captured the events from his position. LE1 stood behind Aguilar as a cover unit as Aguilar spoke to De Arman from the passenger side of De Arman's vehicle. LE1 stepped toward the passenger door of De Arman's vehicle as Aguilar moved from the passenger door to the driver's door of De Arman's vehicle. De Arman asked Aguilar to get his supervisor. LE1 told De Arman he was right there. LE1 then told De Arman to exit the truck. LE1 told De Arman that the officers were going to do a "weapons pat down" because of De Arman's history. De Arman started his truck. LE1 pulled out his OC spray and pointed it toward De Arman. LE1 told De Arman to shut the truck off. De Arman began to drive away and LE1 sprayed De Arman with his OC spray as he drove away. LE1 aired over the police radio, "Hot stop in progress." At BWC timestamp 23:37:09, shots are heard in the background and LE1 airs over the police radio that shots were fired, and the officers were okay, and the suspect was down. LE1 took cover behind Meyers and Aguilar's patrol vehicle. LE1 advised Meyers to take cover on the other side of the car. De Arman is seen lying in the street in front and to the left of Aguilar and Meyers's patrol vehicle. LE1 ordered De Arman to show his hands and roll over toward the middle of the street away from the gun. De Arman is seen moving side to side while yelling. LE1 kept his gun pointed at De Arman until cover officers arrived.

LE2's body worn camera footage was also reviewed. LE2 was at the rear of Meyers and Aguilar's patrol vehicle with his canine partner. LE2 gave De Arman multiple commands to roll away from the gun and to show his hands or he would send in the police dog. LE2 sent his canine partner toward De Arman while still holding the leash. As the canine advanced toward De Arman, LE2 yelled for De Arman to put his hands up. The canine bit De Arman's leg as other officers approached and placed De Arman in handcuffs. LE2 removed his canine from the bite and placed the canine back into his patrol vehicle.

Area Business Surveillance Video

Security surveillance cameras located inside of a business located on the 2000 block of Logan Avenue captured a portion of the events. The footage shows De Arman's truck stop on the opposite side of the street. Meyers and Aguilar's police vehicle stopped behind De Arman's truck. The police vehicle's red and blue police emergency lights were illuminated and the audible siren was activated. De Arman exited his truck immediately after stopping and turned toward the rear of his truck. De Arman raised and pointed a handgun at the patrol car. Audible gunfire is heard and De Arman falls to the ground. At the same time, the storefront window of the business with the surveillance cameras shattered.

Autopsy

On Sunday, January 22, 2023, an autopsy was performed on De Arman by San Diego County Deputy Medical Examiner Doctor Robert Stabley with Forensic Autopsy Specialist Shannan

Nelson assisting. Dr. Stabley identified nine defects that appeared to be gunshot wounds and two additional defects that appeared to be grazing wounds. There were three potential gunshot defects in the right leg, five potential gunshot defects in the left leg, one potential gunshot defect in the right buttocks, one potential grazing defect in the right forearm, and one potential grazing defect in the left arm.

Dr. Stabley recovered three projectiles. One projectile was removed from De Arman's left femur, one from his right thigh, and a third from the chest cavity near the right side of the pelvis. Dr. Stabley determined the cause of death as multiple gunshot wounds and the manner as homicide.

At the time of the autopsy, samples of De Arman's blood were taken for toxicological testing. Toxicological testing revealed the presence of benzoylecgonine (cocaine metabolite), cocaine, methadone, 11-hydroxy delta-9 THC, delta-9 carboxy THC, delta-9 THC, fentanyl, norfentanyl (fentanyl metabolite), and 4-ANPP (fentanyl metabolite).

Legal Standards of Criminal Liability

Penal Code section 835a(c) sets forth the circumstances in which a peace office may use deadly force and the standard to evaluate the use of such force. The law provides that "a peace officer is justified in using deadly force upon another person only when the officer reasonably believes, based on the totality of circumstances, that such force is necessary to defend against an imminent threat of death or serious bodily injury to the officer or to another person." Penal Code section 835a(c)(1)(A).

The statute defines "deadly force" as any use of force that creates a substantial risk of causing death or serious bodily injury, including, but not limited to, the discharge of a firearm." Penal Code section 835a(e)(1).

An imminent threat of death or serious bodily injury is one where "based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed." Penal Code section 835a(e)(2).

The statute defines totality of the circumstances as "all facts known to the peace officer at the time, including the conduct of the officer and the driver leading up to the use of deadly force." Penal Code section 835a(e)(3). The statue further states, "In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques, if reasonably safe and feasible to an objectively reasonable officer." Penal Code section 835a(2). "[T]he decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight. The totality of circumstances shall account for occasions when officers may be forced to make quick judgments about using force." Penal Code section 835a(4).

The statute makes clear also states that "a peace officer who makes or attempts to make an arrest need not retreat or desist from their efforts because of resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose the right of self-defense by the use of objectively reasonable force in compliance with subdivisions (b) and (c) to effect the arrest or prevent escape or overcome resistance. For purposes of this section "retreat" does not mean tactical repositioning or other de-escalation tactics." Penal Code section 835a(d).

Penal Code section 196 provides that homicide is justified when committed by peace officers and those acting by their command and in their aid and assistance when the homicide results from a peace officer's use of force that is in compliance with Section 835a.

Conclusion

Officers Aguilar and Meyers conducted a lawful traffic stop on De Arman and soon after assessed that there was reason to suspect De Arman possessed a firearm. Meyers and Aguilar had the legal authority to ask De Arman to step out of his vehicle to check the area within De Arman's reach inside of the vehicle for weapons. De Arman refused to exit the vehicle and instead accelerated away from the officers, leading them on a brief vehicle pursuit. De Arman stopped his vehicle, quickly exited, and started shooting at the officers.

Because of De Arman's sudden and violent actions, Meyers and Aguilar did not have an opportunity to utilize any less-than-lethal options, nor did they have an opportunity to utilize any de-escalation techniques. De Arman presented an imminent threat of death or serious bodily injury to the officers. A reasonable officer in the same situation as Aguilar and Meyers would believe that De Arman had the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury when he exited his vehicle and began firing a firearm. As a result, Meyers and Aguilar bear no state liability for their actions. A copy of this letter, along with the materials submitted for our review will be retained in our files.

Sincerely,

[redacted]

SUMMER STEPHAN
District Attorney
