AUTOPSY REPORT – DERRICK WEATHERSPOON

ORIGIN:

On Thursday, October 20, 2022, at approximately 0925 hours, Detective Rego #0439, Forensic Evidence Technician (FET) Hefty #5182, and I arrived at the San Diego County Medical Examiner's (ME) Office, located at 5570 Overland Avenue #101 in San Diego, for the autopsy of Derrick Weatherspoon [REDACTED]. Weatherspoon was originally listed as, "Doe, John," pending fingerprint confirmation of his identity through the ME's office. On Friday, October 21, 2022, Weatherspoon's identity was confirmed.

The ME case number was 22-3517. Pathologist, Doctor Khangura performed the autopsy examination with the assistance of Forensic Autopsy Specialist (FAS) Van Sickle. FET Hefty documented the examination with forensic photographs and collected all items of evidence.

INVESTIGATION:

On Thursday, October 20, 2022, at approximately 0939 hours, I entered the examination room. Weatherspoon was on the autopsy table enclosed in a white zippered vinyl bag. A red tamper-evident tag ran through the pull-tab hole on the zipper, securing the vinyl bag. The number on the red tamper-evident tag was 2258040.

On Thursday, October 20, 2022, at approximately 0945 hours, the autopsy was initiated by Doctor Khangura breaking the red tamper-evident seal and opening the vinyl bag. A white sheet covered Weatherspoon's body, which was collected as evidence. There were several medical intervention devices on Weatherspoon's body to include his mouth, chest, left arm, and right knee. Weatherspoon had a yellow Medical Examiner band fastened around his right ankle with the name, "John Doe". I noted Weatherspoon's feet, hands, and head were secured with brown paper bags. Weatherspoon was handcuffed, with his hands positioned at the small of his back. I utilized a handcuff key, provided by the ME's office, to remove the handcuffs. I noted a yellow-gold ring on his right pinky finger. FET Hefty collected the handcuffs, ring, and brown paper bags as evidence.

Weatherspoon was a black male adult with black hair and a full beard. He was 63 inches in height and 117 pounds in weight. Weatherspoon appeared unkept. His finger/toenails were chipped and dirty. His clothes were also ragged, and his overall appearance was disheveled.

Weatherspoon had several tattoos on both his arms. Due to the cursive lettering, shade of tattoos and his dark complexion, I was unable to interpret what the majority of the tattoos said. I noted one tattoo on the inner part of his right upper arm that read, "\$poon," with a backwards "N".

Weatherspoon was shirtless and wore black jeans with a black belt, over black shorts, over black sweatpants, over black underwear. He wore black shoes and two pairs of socks on each foot. All of his clothing was collected as evidence. Refer to figure 1 below.

Inside the back left pocket of his jeans was a black hat. Inside the front left pocket of his jeans was a metal washer and unknown orange colored fruit. Inside the front right pocket of his jeans were Cheetos, an orange lighter, plastic spoon, unknown red plastic object, and water bottle wrapper. All items were collected as evidence.

FET Hefty collected fingernail swabbings, hair samples, and reference oral swabs as evidence.

The autopsy concluded at approximately 1210 hours. FET Hefty, Detective Rego, and I exited the medical examiner's office.

BRIEF AND SCENE REPORT

ORIGIN:

On Tuesday, October 18, 2022, at about 1810 hours, I was notified by Sheriff's Homicide Team III Sergeant J. Stone (3523) of a San Diego Police Department (SDPD) officer involved shooting at 1136 S. 43rd Street in the city of San Diego. I was informed there were two SDPD officers involved in the shooting. The subject they exchanged gunfire with was pronounced as deceased and was still on scene.

Due to a recent memorandum of understanding between San Diego law enforcement agencies, it was agreed upon the San Diego Sheriff's Department (SDSD) would take over leading officer involved shootings that involved SDPD officers. I responded as a part of SDSD Homicide Team III and detectives from SDSD Homicide Team II also responded to assist. I was assigned at the lead investigator for this incident.

INVESTIGATION:

On Tuesday, October 18, 2022, at about 1940 hours, I arrived at the area near the shooting scene and parked my county assigned vehicle in the southbound parking lane in front of 1116 S. 43rd Street in the city of San Diego. The weather was clear and according to my vehicle outside temperature display, the temperature read at 76 degrees Fahrenheit.

On Tuesday, October 18, 2022, at about 2051 hours, I arrived at the briefing location. The briefing location was setup on S. 43rd Street just north of Keeler Avenue in the city of San Diego. SDPD Sergeant L. Ayala (7158) conducted the Homicide Briefing. The following personnel attended the briefing:

BRIEFING SUMMARY:

On Tuesday, October 18, 2022, at about 1736 hours, the SDPD Communication Center received a "415 weapon hot call". The call was dispatched to officers at 1736 hours. The location of the call was at 1200 S. 43rd Street in the city of San Diego. The first officers who arrived on scene were Officer F. Najera-Arredondo (1052) and Officer J. Morrison (7144). Officer Najera-Arredondo and Officer Morrison were a "king" unit or a two-man unit riding in the same SDPD patrol vehicle.

Prior to the above-mentioned call for service, there was a previous call made to SDPD that appeared to be related. This call came in at about 1735 hours from the Victory Outreach Church from an anonymous reporting party. This reporting party stated a black male adult was waving a gun around and then placed the gun inside of his front right pocket. The male was further described as being between 30 to 40 years old, about 5'7" to 5'9", thin to medium build, with a beard, and wearing black beanie, unknown color shirt and black pants. The male was last seen going southbound on S. 43rd Street.

Another related call for service was made by reporting party [REDACTED] who was an employee from a [REDACTED] located at [REDACTED]. A male was inside of the restaurant acting strange, not answering questions and dropped a gun.

A separate reporting party, [REDACTED], saw the suspect hiding a black handgun under a bandana.

As these calls for service were being dispatched, Officer Najera-Arredondo and Officer Morrison were arriving on scene and encountered the suspect outside of the Humberto's Taco Shop located at 1136 S. 43rd Street in San Diego. Officer Najera-Arredondo was driving the marked SDPD patrol vehicle and Officer Morrison was the passenger. Multiple witnesses saw the suspect firing a gun at the responding officers. After they were being shot at, the officers returned fire and began to give the suspect verbal commands. As the suspect was shooting at the officers, he ran southbound on S. 43rd Street until he fell to the ground. The officers continued to give the suspect verbal commands while he was on the ground, and they observed the suspect still had a gun in his right hand. Other officers arrived on scene, they took the suspect into custody and the suspect's gun was rendered safe. When the suspect's gun was rendered safe, there were no cartridges located in the magazine or in the chamber of the gun. Multiple officers and paramedics began to render medical aid to the suspect until he was pronounced as deceased at 1813 hours by Doctor Cannis from Scripps Mercy Hospital.

When a sergeant arrived on scene, a safety statement was received from the two involved officers. Officer Morrison stated the suspect came out of the taco shop and began firing at his partner. Additionally, there were no outstanding suspects and Officer Morrison believed he fired five to six shots towards the south from his location. Officer Najera-Arredondo stated the suspect began to fire at him, so he returned fire. Officer Najera-Arredondo believed he shot to the north and west of his location in the direction of the taco shop and laundromat.

Thus far, there were cartridge cases inside of the officer's vehicle, on the ground of the southbound lanes of S. 43rd Street and apparent bullet impacts located on the taco shop and laundromat buildings. Additionally, the residence located at [REDACTED] also had apparent bullet strikes on a window. A white truck that was located on the west curb line near the suspect's body also possibly received bullet damage. The suspect's firearm was left on top of this same white truck.

The following locations possibly had video surveillance cameras that may have captured video related to the incident:

Some of the suspect's personal belongings were currently on top of SDPD vehicle 7369.

Officer Morrison and Officer Najera-Arredondo were first to arrive on scene at about 1745 hours and were the only officers present when the officer involved shooting took place. After the shooting, additional SDPD officers began to arrive on scene. Additionally, Probation Officer H. Zamudio (7175) and Probation Officer A. Eclarin (6240) from the San Diego County Probation Department were in the area and assisted officers after the shooting.

Paramedics from Faulk Engine #32 and San Diego Fire Department Engine #12 were on scene and provided medical attention to the suspect after the shooting.

When officers were looking through the suspect's personal belongings, they located a letter belonging to Derrick Weatherspoon (DOB: [REDACTED]). They looked up a recent jail booking photograph of Weatherspoon and he was tentatively identified by this photograph.

After the shooting, officers received witness statements. [REDACTED] was in the parking lot of the laundromat. [REDACTED] saw the suspect shooting at officers. The officers gave commands to the suspect and returned fire. [REDACTED] was inside of the taco shop when the suspect was inside prior to the shooting.

The briefing ended at about 2122 hours.

INVESTIGATION (continued):

On Tuesday, October 18, 2022, at about 2125 hours, I provided the investigative team with initial assignments. I tasked detectives from SDSD Homicide Team II with conducting interviews with key witnesses that were still on scene. I tasked detectives from SDSD Homicide Team III with processing and interviewing the two officers involved in the shooting (see Detective Pantoja and Detective Price's follow-up report). On Tuesday, October 18, 2022, at about 2140 hours, Forensic Evidence Technician (FET) M. Hefty (5182), Criminalist L. Sautkulis (2892), Criminalist J. Perez-Gutierrez (6724) and I began processing the scene and entered the inner perimeter.

During the processing of the scene, items identified as having evidentiary value were photographed in place, identified with a yellow placard, and then collected. The placards were used for inventory purposes and did not necessarily indicate the order in which the items were found, nor did they indicate the items relevance. On Tuesday, October 18, 2022, at about 2209 hours, FET Hefty began to take digital photographs to document the scene. When we first began to process the scene, SDPD personnel had already placed down yellow numbered placards on a few pieces of evidence. FET Hefty took initial overall photographs with these placards left as we located them (forensic photographs through "MRH_0133" through "MRH_0163"). Once FET Hefty took initial overall photographs with the placards placed by SDPD personnel, she removed the yellow numbered placards. After removing SDPD placards, FET Hefty put down her own numbered yellow placards, except for one item. The only item that was not re-placard was the original yellow placard number 16 from SDPD. This item was near the east curb line in front of the residence located at [REDACTED] [REDACTED]. The item was an apparent old and weathered cartridge case that we determined to not be related to this incident due to how old the cartridge case appeared to be and its proximity to the rest of the cartridge cases on scene (see **Figure #3** below):

Ultimately, we were not able to collect any projectiles from inside of the home as many projectiles were likely lodged in the exterior wall near the window and an interior wall of the hallway inside of the home. At about 2300 hours, the investigative team left the residence.

On Tuesday, October 18, 2022, at about 2302 hours, FET Hefty began to utilize SDSD yellow numbered evidence placards and located the following significant items of evidence.

There was a group of 9mm cartridge cases located inside and near SDPD Ford Explorer patrol vehicle number 7306 with a California exempt license plate number 1445054. This SDPD patrol vehicle also appeared to have damage on the driver side that was consistent with being shot. The vehicle was facing northbound in the northbound lanes of S. 43rd street. The vehicle was near the intersection of Keeler Avenue and a majority of the vehicle was in the left (west) turning lane (see **Figure #7** below).

Each of the above numbered yellow evidence placards were .9mm cartridge cases located just northeast of the SDPD patrol vehicle.

On Wednesday, October 19, 2022, at about 0030 hours, Deputy D. Drake (7710) arrived on scene and began to use the FARO machine to document the scene. The FARO images were later downloaded and added to the shared electronic case file.

On Wednesday, October 19, 2022, at about 0040 hours, SDPD Sergeant Ayala informed me that two possible witnesses to the officer involved shooting showed up to the scene. Sergeant Ayala told me they flagged down officers and told them they were at the Humberto's Taco Shop when the shooting occurred. The witnesses were currently waiting with SDPD officers near the south perimeter at the intersection of S. 43rd Street and Alpha Street.

On Wednesday, October 19, 2022, at about 0201 hours, FET Hefty began to take digital photographs of the exterior and interior of the Humberto's Taco shop located at 1136 S. 43rd Street in San Diego. Up to this point in the investigation, we learned the suspect, Weatherspoon, was inside of the taco shop just before the shooting. We learned the taco shop had interior and exterior cameras and learned the exterior walls of the building may have had impact damage from bullets being fired towards the building. The exterior south wall of the taco shop there appeared to have a defect caused by a bullet (see **Figure #15** below).

While inside of the taco shop, we located the following items believed to have belonged to the suspect. On Wednesday, October 19, 2022, at about 0211 hours, FET Hefty and I exited the taco shop. At about 0222 hours, SDPD Officer C. Quintana (7399) and Officer B. Bohan (1685) met me near the north inner perimeter of the scene. The two officers were using SDPD patrol vehicle number 7369 and asked to have belongings retrieved from inside of the vehicle if possible. The two officers were requesting personal items that were not related to the incident. To that end, I retrieved the officer's lunch pails without disturbing the scene and gave the items to the two officers.

On Wednesday, October 19, 2022, at about 0301 hours, I was made aware of another possible piece of evidence that was on the southbound lanes of S. 43rd Street just north of Alpha Street. The item was on the roadway and appeared to be the jacketing of a recently fired bullet (see **Figure #17** below).

On Wednesday, October 19, 2022, at about 0339 hours, Medical Examiner Investigator (MEI) S. Morrison (39) arrived at the scene. MEI Morrison informed me the decedent's autopsy was tentatively scheduled for Thursday, October 20, 2022, at 0930 hours at the San Diego County Medical Examiner's (M.E) Office. I showed MEI Morrison a California Department of Motor Vehicles (DMV) photograph of Derrick Weatherspoon, which resembled the decedent. MEI Morrison said an official identification of the decedent would be made after autopsy when fingerprints were collected. At about 0352 hours, MEI Morrison removed the yellow tarp from the decedent's body and began his external physical examination of the decedent. At about 0353 hours, 92M personnel G. Herrera (57143) and C. Partida (57268) arrived at the scene to assist MEI Morrison. FET Hefty also took digital photographs while the decedent was being processed on scene.

When MEI Morrison removed the yellow tarp to expose the decedent, I observed him lying supine on an orange backboard. The decedent was a black male adult, with short black hair and a full beard and mustache. His head was facing southbound and his feet northbound. He was shirtless and wearing black jeans, black socks and black shoes. There appeared to be another pair of either black sweatpants or shorts under the black jeans. Both decedent's arms were placed behind his lower back and being held there by a set of handcuffs. He had various medical equipment still attached to his body, which consisted of red medical device inside of his mouth, white pads attached to his upper right chest, upper center chest, left side of his torso. The decedent also had clear plastic seals attached to his right upper chest, left forearm, and left upper back. There was also a small tube inserted into his right shin area just below his knee (see **Figure #22** below).

Re: Fatal shooting of Derrick Weatherspoon by Officer Freddy Najera-Arredondo and Officer Justin Morrison on October 18, 2022; SDSO Case No. 22146761; DA Special Operations Case No. 22-123PS; Deputy District Attorney assigned: Fiona Dunleavy

Dear Chief Nisleit and Sheriff Martinez,

We have reviewed the materials compiled by the San Diego Sheriff Homicide Unit concerning the shooting of Derrick Weatherspoon on October 18, 2022. A District Attorney Investigator responded to the scene and was briefed by detectives. This case was submitted to the District Attorney's Office on January 18, 2023. Additional reports were received on March 15, 2023. The Medical Examiner's autopsy report was received on August 30, 2023, and the toxicology report on September 5, 2023.

Summary

Several citizens called the San Diego Police Department (SDPD) to report a male with a gun in the area of South 43rd Street. At 5:43 p.m., Officers Najera-Arredondo and Morrison were driving on S. 43rd Street towards the Humberto's Taco Shop. Derrick Weatherspoon ran out of the taco shop into the street directly towards the officers' patrol vehicle. Weatherspoon pointed his handgun at the officers and began firing at them. Both officers exited the patrol vehicle and returned fire. Weatherspoon continued firing at the officers as he ran past the patrol vehicle. Weatherspoon was struck multiple times by gunfire and fell to the ground with the gun still in his hand. Weatherspoon was pronounced deceased at the scene. An autopsy was conducted on October 20, 2022. The cause of death was determined as multiple gunshot wounds and the manner of death as homicide. Toxicological testing of the peripheral blood sample taken from Weatherspoon detected alcohol at a level of 0.014%, amphetamine at a level of 0.04 mg/L, methamphetamine at a level of 0.48 mg/L, and the cocaine metabolite benzoylecgonine at a level of 0.05 mg/L.

Persons Involved

Derrick Weatherspoon was a 33-year-old resident of San Diego. At the time of the incident, both Freddy Najera-Arredondo and Justin Morrison had been employed as police officers with SDPD for three years. They were in full uniform and in a marked patrol vehicle.

Statement of Civilian Witness One (CW1)

CW1 is an employee at [REDACTED] located on South 43rd Street. At about 5:00 p.m., a male entered the Great Wall Express Chinese restaurant. The male appeared to be on drugs and was acting strange. While the male was in the restaurant, a car pulled into the parking lot. The male walked up to the car and told them to go away. The male walked back into the restaurant and dropped a gun on the floor. The male picked up the gun and sat in the northeast corner of the restaurant for a few minutes. The male then got up and walked to the front counter. The male kept mouthing "why" to the cashier. The male then asked for a cup of soda and was denied since he did not have the means to pay. After the brief awkward conversation, the male left the restaurant. The male was inside the restaurant for about 30 minutes.

Statement of Civilian Witness Two (CW2)

At about 5:30 p.m., CW2 was at Humberto's Taco Shop with her friend. Weatherspoon walked into the taco shop about 30 seconds after CW2 and her friend entered. Weatherspoon was holding a purple bandana, appeared out of breath, and was talking to himself, using different voice tones. CW2 said Weatherspoon looked "crazy." She believed he was possibly under the influence of drugs or alcohol.

At some point, Weatherspoon left a cup of water on a table near the front counter and sat at a table on the other side of restaurant. Weatherspoon sat at a table with his back against the wall, facing the other customers. Suddenly, Weatherspoon said, "Hey, hey!" CW2 looked at Weatherspoon. Weatherspoon began telling CW2 to get up and grab his cup of water on the table and bring it him. CW2 tried to ignore Weatherspoon because he made her feel nervous and she believed he was on drugs. CW2 looked away from Weatherspoon and he responded by saying, "Oh, so you're not gonna look at me? You're not gonna fucking look at me?" Weatherspoon repeated this for about five minutes. At times he would hit himself.

While CW2 and her friend sat and waited for their food, Weatherspoon got up, walked past their table, and retrieved his cup of water. After grabbing his cup, Weatherspoon sat down at another table, next to the front door of the taco shop. CW2 saw Weatherspoon had a black gun. He began to wave it around while talking to himself as he sat at the table. Weatherspoon kept asking CW2, "You're not gonna look at me?" CW2 was nervous and was not quite sure what to do. CW2 thought about sliding her phone to tell her friend with a message that Weatherspoon had a gun and not to panic. CW2 also thought about telling the taco shop employees at the front counter that Weatherspoon had a gun, but she was too afraid to move.

Weatherspoon became more aggressive and continued to talk to himself and hit himself. Weatherspoon looked over and saw a police car driving down the street. Weatherspoon said something along the lines of, "Oh blood," and ran out of the taco shop. Weatherspoon turned the gun sideways and began shooting at the police car while running toward it. The police car was still moving and the officer was still inside the police car when Weatherspoon began shooting. When the shots went off, everyone in the taco shop ducked down. CW2 ducked down and exited the taco shop through a side door. CW2 heard officers tell Weatherspoon something like, "Get down, drop your weapon." This was followed by a few more gunshots. CW2 remained at the scene for about 10 minutes before leaving. CW2 and her friend contacted police later in the evening to tell them what they had witnessed.

Statement of Civilian Witness Three (CW3)

CW3 walked to Humberto's Taco Shop to order food. CW3 saw Weatherspoon sitting at a table talking to himself. Weatherspoon's eyes were red and he appeared to be disoriented. Weatherspoon was talking to himself. CW3 didn't know if Weatherspoon was under the influence of drugs or if he had a mental illness. CW3 placed his order and sat down at one of the tables. About 10 seconds later, Weatherspoon walked toward CW3 and grabbed a cup that was on the edge of his table. Weatherspoon then sat at another table in the taco shop. About one minute later, Weatherspoon stood up and CW3 saw the handle of a black pistol in his left pocket. CW3 saw Weatherspoon use his left hand to retrieve a black gun. CW3 noticed an SDPD police car with its lights on but no siren driving in the direction of the taco shop. CW3 noticed Weatherspoon focusing his attention on the police car. Weatherspoon immediately exited the taco shop and pointed the gun in the direction of the police car and started firing. CW3 heard three or four "popping" noises. CW3 ducked down under a table because he believed Weatherspoon was shooting at the arriving police officers. CW3 and other customers later stood up and looked outside and saw several patrol vehicles arriving in the area. CW3 saw Weatherspoon lying on the ground.

Statement of Civilian Witness Four (CW4)

CW4 and her boyfriend, CW5, along with their six-year-old daughter arrived at Humberto's Taco Shop in their vehicle. CW5 exited their vehicle and opened the back door to speak with their daughter. CW4 was looking over her left shoulder towards the back seat area when she heard what she believed to be a car backfiring. CW5 yelled for her to get down. CW4 turned to face forward and saw Weatherspoon run past her vehicle, firing a black handgun toward a police car on the street. Officers were in the car. CW4 did not know where Weatherspoon came from. CW4 ducked down in her seat but was still able to see officers react and fire back at Weatherspoon. Weatherspoon then fell to the ground. CW4 heard about 10 gunshots. CW4 did not hear Weatherspoon or the officers say anything during the incident. CW4 stated she believed the officers did not have time to say anything to Weatherspoon because he just started shooting at them. CW4 was scared. Shortly after the shooting, more police arrived and began giving Weatherspoon CPR.

Statement of Civilian Witness Five (CW5)

At about 5:30 p.m., CW5 and his girlfriend, CW4, along with their six-year-old daughter arrived at Humberto's Taco Shop. CW5 exited the vehicle. He was paying attention to his cellphone. He heard what he believed was fireworks and looked up. CW5 saw two officers at a police car. Weatherspoon was running and shooting at the officers. The officers returned fire and Weatherspoon fell to the ground. CW5 did not see where Weatherspoon came from. CW5 heard about 15 gunshots.

Statement of Civilian Witness Six (CW6)

CW6 waited in the car with her sister while their mom went inside to order. CW6 was sitting in the rear passenger side seat. CW6 could see Weatherspoon inside the taco shop near one of the first seats closest to the entrance. Weatherspoon was acting antsy and fidgety and appeared anxious. Weatherspoon then ran out of the taco shop with a silver gun in his right hand. Weatherspoon raised the gun up and pointed it in a slanted position. CW6 heard gun shots and saw Weatherspoon shooting. CW6's view was partially obstructed by a vehicle so she could not tell exactly what he was shooting at. CW6 heard about five to eight shots that sounded like they were going back and forth. Weatherspoon continued to run while shooting before falling to the ground. The windows to the vehicle CW6 was in were closed so CW6 did not hear anything other than the gunshots.

Statement of Civilian Witness Seven (CW7)

CW7 was sitting in his truck in the parking lot of a laundromat waiting for his wife. CW7 was looking at his phone when he heard people screaming and yelling. CW7 looked up and saw Weatherspoon running toward the patrol unit and begin shooting while the officers were still in the patrol unit. CW7 believed the shots shattered the front window of the patrol unit. Weatherspoon fired about six times at the officers. Weatherspoon ran out of bullets and he started running away. The officer who was in the driver's seat quickly got out. CW7 could not see the officer in the passenger seat. The officers yelled at Weatherspoon to stop or they were going to shoot him, but Weatherspoon kept running down the street. The officers returned fire and Weatherspoon fell to the ground. The officers fired over six times. Once Weatherspoon fell to the ground, the officers ran towards Weatherspoon and kicked the gun out of the way. They turned Weatherspoon around and placed handcuffs on him.

Statement of Officer Freddy Najera-Arredondo

Najera-Arredondo had the opportunity to review his body worn camera footage before being interviewed. He was working a two-officer marked patrol unit along with Morrison. They received a radio call regarding a subject who had dropped a handgun in a public area. While they were driving to the area of the call, additional reports came in of someone waving a gun around in the area. Najera-Arredondo was concerned the subject with the gun would shoot at officers or the public. Najera-Arredondo's plan was to meet with the first reporting party to gather more information and establish if a crime had occurred. If Najera-Arredondo and Morrison were to see the subject prior to contacting the reporting party, they would conduct a high-risk pedestrian stop. Najera-Arredondo and Morrison have been patrol partners for over a year so Najera-Arredondo knew what steps they needed to take to handle this type of radio call. They had responded to similar calls and those incidents had resolved successfully using the same tactics.

Najera-Arredondo stopped at a red light on 43rd Street. While they were stopped at the intersection, another radio call was dispatched advising someone was inside Humberto's Taco Shop with a gun. Morrison pointed at Humberto's Taco Shop, which was about a block away in front of them. Najera-Arredondo activated the patrol vehicle's overhead emergency lights and went through the red light toward the taco shop. Najera-Arredondo asked Morrison, "Is it the guy on the corner?" as he couldn't remember the subject's description. While Najera-Arredondo was looking at the subject on the corner, Weatherspoon came out from the taco shop with a gun in his hand and ran directly at Najera-Arredondo and Morrison.

Najera-Arredondo alerted Morrison, saying, "Hey, watch out, he's got a gun, he's got a gun!" Najera-Arredondo opened his driver side door to step out. Weatherspoon approached Najera-Arredondo's patrol vehicle with the gun pointed at them. Najera-Arredondo heard Weatherspoon shoot once. Only seconds had passed since Najera-Arredondo first saw Weatherspoon running out of the taco shop. Najera-Arredondo drew his firearm and returned fire. He did not have time to give verbal warnings because Weatherspoon was shooting at them. Najera-Arredondo fired at Weatherspoon through the driver side window, shattering it. Weatherspoon changed direction and began to run away from Najera-Arredondo and Morrison while still holding the gun in his hand. Najera-Arredondo continued shooting until Weatherspoon fell to the ground next to a white pick-up truck.

Najera-Arredondo ran behind the white pick-up truck while keeping his gun pointed at Weatherspoon because he had observed Weatherspoon still had a gun in his hand. Najera-Arredondo began giving Weatherspoon commands not to move or he would shoot, but Weatherspoon did not respond. Morrison

was standing parallel to Najera-Arredondo but in the middle of the street out in the open. Najera-Arredondo told Morrison to come over to his location to get behind cover.

Najera-Arredondo observed the gun was still in Weatherspoon's right hand and Weatherspoon's back was moving, which made Najera-Arredondo believe Weatherspoon was still breathing. Weatherspoon attempted to get up but laid back down. He still had the gun in his hand pointed down the street. Weatherspoon's back stopped moving. He did not respond to commands given by the officers.

Najera-Arredondo reloaded his firearm with a full magazine from his duty belt. Najera-Arredondo and Morrison kept an eye on Weatherspoon until additional officers arrived on scene. Najera-Arredondo and the other responding officers formulated a plan to take Weatherspoon into custody. Najera-Arredondo moved to the front of the truck along with other officers. Multiple officers advanced toward Weatherspoon and removed the gun from his hand. Najera-Arredondo grabbed Weatherspoon's hands and another officer handcuffed him. Najera-Arredondo was directed to a nearby patrol vehicle and he was removed from the incident.

Najera-Arredondo stated he shot at Weatherspoon to stop him from shooting at Najera-Arredondo and Morrison. He believed Weatherspoon was trying to kill him and his partner and had no time to consider any force option other than lethal force. He believed that if he did not address Weatherspoon with lethal force, Weatherspoon would have kept shooting at them and killed him or someone else. There were people in the area and there was traffic. Weatherspoon had to be stopped before he hurt anybody. Najera-Arredondo stopped shooting once Weatherspoon fell to the ground.

Statement of Officer Justin Morrison

Najera-Arredondo and Morrison responded to a radio call of a male waving a gun around in a parking lot. The male reportedly put the gun away and was last seen walking away from the parking lot. As Morrison and Najera-Arredondo responded to the location, a similar radio call came from a different address of a male with a gun concealed in his sweater. Morrison was concerned for the public's safety and was afraid that someone could be seriously injured or killed if they did not locate the subject.

A third radio call from Humberto's Taco Shop was aired. Morrison could see the taco shop from the patrol vehicle. A different witness called and said the male was still holding the gun. As they approached Humberto's Taco Shop, Morrison saw a shirtless Weatherspoon run into the street from the taco shop and sprint toward their patrol vehicle. Najera-Arredondo shouted that Weatherspoon had a gun. Morrison saw Weatherspoon was holding a gun out in front of him. Morrison quickly exited the patrol vehicle. Morrison saw Weatherspoon raise the gun in their direction and a muzzle flash coming from the gun. Morrison heard a gunshot and the driver side window glass breaking. Morrison did not know if Najera-Arredondo or Weatherspoon had shot first. Morrison was scared he, his partner, or someone else would be shot and killed. In response, Morrison unholstered his handgun and fired about four or five times. He did not recall if he gave verbal warnings prior to shooting.

Weatherspoon ran southbound on S. 43rd while still holding the gun. Morrison could hear more gunshots and was unsure if the shots were coming from Weatherspoon or Najera-Arredondo. Morrison ran to the back of the patrol vehicle and fired again until Weatherspoon fell to the ground.

Morrison and Najera-Arredondo walked toward Weatherspoon, who was face down in the street. Weatherspoon still had the gun in his hand, was breathing, and still moving. Weatherspoon did not

comply with their commands to take his hand off the gun and to put his hands out. Morrison and Najera-Arredondo waited for more patrol units to arrive. Once additional officers arrived, Weatherspoon was handcuffed and taken into custody. Officers then began chest compressions on Weatherspoon. Morrison was removed from the scene and did not observe any other life saving measures provided to Weatherspoon.

Morrison feared if he did not use deadly force, a citizen, Najera-Arredondo, or he would be killed. Weatherspoon did not allow Morrison to use less lethal options because Weatherspoon used lethal force against the officers. The only option Morrison had was to use deadly force.

Investigation

The crime scene was secured, photographed, and investigated by San Diego Sheriff's Homicide detectives. All detectives' reports, audio-recorded interviews of witnesses, and interviews of involved officers, along with the Medical Examiner's autopsy report, surveillance video, and body worn camera footage were reviewed.

Multiple 911 calls were made to the San Diego Police Department. One caller described a man waving a gun and putting it in his pocket while walking through a parking lot. Another caller described a man coming inside the restaurant, dropping a gun, and then picking it up quickly. Another caller described a man who had a gun on a table in the taco shop "acting crazy." That caller was sitting at a table across from the man. The caller left the taco shop and called police. While on the phone, the caller heard shots being fired. Another caller reported a man with a gun sitting in the dining area inside Humberto's Taco Shop. That caller said people left the shop because they were scared. While on the line, the caller reported the man was shooting. Gun shots can be heard in the background of that call.

The officers involved were wearing clearly identifiable San Diego Police Department uniforms with San Diego Police shoulder patches. All officers involved were equipped with body worn cameras.

Investigators interviewed approximately twenty civilian witnesses. Of the twenty, approximately fourteen were either employees or customers of Humberto's Taco Shop. Eight of the witnesses at Humberto's Taco Shop heard gunshots but did not witness the actual shooting incident.

An examination of the scene revealed Weatherspoon was armed with a .22lr caliber Glock 44 handgun. The handgun was recovered unloaded with a magazine seated in the gun and the slide in a forward position.

Najera-Arredondo was equipped with a department-issued 9mm Glock 17 semi-automatic pistol. Morrison was equipped with a 9mm Glock 45 semi-automatic pistol. The firearms, magazines, and cartridges of each shooting officer were collected and examined by SDSO investigators. The examination determined Officer Najera-Arredondo likely fired 12 rounds and Officer Morrison likely fired 10 rounds.

A total of 22 9mm cartridge casings with the headstamp "FC 9MM LUGER" were recovered from the scene. Of the 22 casings, four were on the ground northwest of Najera-Arredondo and Morrison's patrol vehicle while nine were located on the ground near the front driver's door of the patrol vehicle. In addition, two casings were located on the driver side floorboard, one was located on the driver's

seat, and one at the driver's door panel of the patrol vehicle. Five casings were located on the ground southwest of the patrol vehicle.

A total of nine .22lr casings with the headstamp "SUPER X" were located along S. 43rd Street west of the patrol vehicle and along the path of travel taken by Weatherspoon during the shooting incident. The final casing was located next to Weatherspoon's body. All nine .22lr casings were collected. The Glock 44 handgun and .22lr casings recovered from the scene were tested and analyzed by the San Diego Sheriff's Office's Regional Crime Laboratory. The Glock 44 possessed by Weatherspoon was determined to have been operable. The expended .22lr casings collected from the scene were confirmed to have been fired from the Glock 44 handgun.

Investigators found evidence of damage caused by gunfire at distinct locations in the area of the shooting incident. Two defects caused by apparent gunfire were found at the front of a residence in the 1100 block of S. 43rd Street. One of the holes was located in a glass window that faces onto S. 43rd Street and a second hole was located on the wood paneling next to the damaged window. Najera-Arredondo and Morrison's patrol vehicle was stopped west of the residence when the shooting incident occurred. The trajectory of these two bullet holes is consistent with Weatherspoon shooting in the direction of Najera-Arredondo and Morrison. Additional evidence of gunfire was found around the area where the shooting incident took place. Multiple defects caused by apparent gunfire were located in the walls and window frame of Delicia's Taco Shop, a restaurant located southwest of where the patrol vehicle was. One of the tires on a white truck next to where Weatherspoon fell to the ground appeared to have been flattened by a penetrating bullet. A defect caused by apparent gunfire was located in a wall at Humberto's Taco Shop, northeast of the patrol unit.

Najera-Arredondo and Morrison's patrol vehicle was damaged on the driver side, consistent with being shot. The driver side front window was shattered. There was a bullet hole through the lower frame of the driver's door. The entrance hole appeared to be from the interior of the vehicle indicating it likely was caused by gunfire from Najera-Arredondo. Damage was located to the upper frame of the driver's door. Trajectory of the damage was undetermined due to the amount of damage caused to the frame. An apparent gunshot was located on the exterior driver's door handle. The penetration hole was consistent with Weatherspoon shooting in the direction of Najera-Arredondo and Morrison. Investigators located and collected a fired bullet from the ground under Najera-Arredondo and Morrison's patrol vehicle.

Video Evidence

Investigators obtained surveillance video from the interior and exterior of Humberto's Taco Shop. The footage shows Weatherspoon's behavior in the moments prior to the shooting incident. On October 18, 2022, at 5:12 p.m., Weatherspoon is seen entering the taco shop through the south entrance door holding a purple bandana in his left hand. Weatherspoon walks directly to the front counter of the taco shop and appears to briefly speak to an employee. Weatherspoon sits at a booth on the north wall. He appears hyperactive and seems to be behaving erratically. An employee places a white cup on the front counter. Weatherspoon points at the cup and appears to say something to an adult female standing across from him. The female appears to ignore Weatherspoon. A young male customer sitting at the west wall of the taco shop stands up, grabs the water cup from the counter, and places it on the table where Weatherspoon is seen sitting. Weatherspoon is animated and appears to be talking to himself. At 5:15 p.m., Weatherspoon leaves the cup on the table and exits the taco shop.

Exterior surveillance shows Weatherspoon's erratic behavior continue as he briefly walks in and out of the street while either talking to himself or to pedestrians. At 5:16 p.m., he walks away on S. 43rd Street. Surveillance video from a car wash business next to the taco shop shows Weatherspoon walking in the direction of the Great Wall Express Chinese Restaurant. Approximately 20 minutes later, surveillance video from the car wash captures Weatherspoon running back toward the taco shop.

Weatherspoon enters the taco shop through the north entrance at 5:37 p.m. Weatherspoon briefly sits on the table of a booth along the south wall near the south entrance door. Weatherspoon then quickly gets off the table and walks around the taco shop holding the purple bandana. He sits at a booth already occupied by a female. The female appears to be startled by this and immediately stands up from the booth. Weatherspoon then takes off his sweater until he is completely shirtless. Several customers notice Weatherspoon's erratic behavior and begin to get up and leave the shop. Weatherspoon continues talking to himself. At one point, Weatherspoon appears to talk to CW2 and her friend, who are seen sitting on the opposite side of the shop.

At 5:44 p.m., Weatherspoon stands up from the booth and grabs the same white cup from the table. Weatherspoon then walks back to the booth located against the south wall, places the bandana on the table, and sits down facing the south door. Weatherspoon lifts the bandana from the table, exposing the firearm on the table. He grabs the firearm with his right hand and holds it up. Weatherspoon appears to manipulate the firearm and waves it around for several seconds. He briefly sets the gun on the table and appears to be talking to himself while handling the bandana. Weatherspoon appears to look outside toward S. 43rd Street. He grabs the gun from the table and quickly exits the shop at 5:45 p.m.

At 5:45 p.m., surveillance video from the exterior of the taco shop shows Najera-Arredondo and Morrison's patrol vehicle driving north on S. 43rd Street with emergency lights on. As the patrol vehicle approaches the taco shop, Weatherspoon sprints out of the taco shop into the street directly toward the patrol vehicle. The patrol vehicle stops and both driver and front passenger doors open. The officers exit the patrol vehicle and several civilians react to the gunshots by taking cover. The street is busy with vehicle traffic and cars are seen stopping in their lanes. Weatherspoon runs past the patrol vehicle until he collapses in the southbound lanes of S. 43rd Street. Video from the interior of Humberto's Taco Shop shows customers running for cover and getting down on the floor.

All officers involved were equipped with body worn cameras. Body worn camera footage from Morrison and Najera-Arredondo show them stop at a signal light on S. 43rd Street and Alpha Street. Morrison points and says, "It's right there," indicating the taco shop is just ahead. Najera-Arredondo activates the emergency lights and drives through the intersection northbound on S. 43rd Street. At 5:45 p.m., Najera-Arredondo quickly places the patrol vehicle in park while repeatedly saying, "Watch out!" He then alerts, "He's got a gun!" Both Najera-Arredondo and Morrison quickly exit the patrol vehicle while unholstering their handguns. Footage from Najera-Arredondo shows Weatherspoon running southbound alongside the patrol vehicle with both arms extended outward in a shooting position. A small cloud of smoke is seen where Weatherspoon's hands are joined together.

Footage from Morrison's camera shows Morrison exit the patrol vehicle and fire his weapon over the hood toward Weatherspoon. Morrison fires a few more times over the roof of the patrol vehicle as he tracks Weatherspoon running southbound on S. 43rd Street. Najera-Arredondo appears to still be seated in the patrol vehicle with the door open when the gunshots begin. The window of the driver's door shatters as Najera-Arredondo fires several times while standing up and tracking Weatherspoon, who is

running southbound on S. 43rd Steet. Body worn camera footage from Najera-Arredondo captures Weatherspoon continuing to fire at Morrison and Najera-Arredondo as he runs past them.

Weatherspoon falls to the ground in the street near a white truck parked at the west curb. Morrison and Najera-Arredondo approach with guns drawn while giving commands to Weatherspoon to stay on the ground and to keep his hands out. Najera-Arredondo's body worn camera footage captures Weatherspoon lying on his stomach, still holding the gun in his right hand. Najera-Arredondo ejects the magazine from his firearm and inserts another. As other officers arrive on the scene, Morrison also ejects the magazine from his firearm and places another in his firearm. Verbal commands are heard being given to Weatherspoon to drop the gun and get the gun out of his hands. Weatherspoon does not react. Najera-Arredondo is heard telling another officer that Weatherspoon shot at him. Officers move to the front of the white truck and formulate a plan to approach and arrest Weatherspoon, who is still holding the gun in his right hand. Officers ultimately approach Weatherspoon, remove the gun from his hand, and handcuff him. Najera-Arredondo and Morrison are then removed from the scene.

Autopsy

An autopsy was conducted on October 20, 2022. The cause of death was determined as multiple gunshot wounds and the manner of death as homicide. Toxicological testing of the peripheral blood sample taken from Weatherspoon detected alcohol at a level of 0.014%, amphetamine at a level of 0.04 mg/L, methamphetamine at a level of 0.48 mg/L, and the cocaine metabolite benzoylecgonine at a level of 0.05 mg/L.

Legal Standards of Criminal Liability

Penal Code section 835a(c) sets forth the standard to evaluate a peace officer's use of deadly force and the circumstances upon which an officer may use such force. The law provides, in part, that "a peace officer is justified in using deadly force upon another person only when the officer reasonably believes, based on the totality of circumstances, that such force is necessary...[t]o defend against an imminent threat of death or serious bodily injury to the officer or to another person." Penal Code section 835a(c)(1)(A).

"Deadly force" means any use of force that creates a substantial risk of causing death or serious bodily injury, including, but not limited to, the discharge of a firearm." Penal Code section 835a(e)(1).

"A threat of death or serious bodily injury is "imminent" when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the peace officer or another person." Penal Code section 835a(e)(2).

"An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed." Penal Code section 835a(e)(2).

"Totality of the circumstances" means all facts known to the peace officer at the time, including the conduct of the officer and the subject leading up to the use of deadly force." Penal Code section 835a(e)(3).

"In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques, if reasonably safe and feasible to an objectively reasonable officer." Penal Code section 835a(a)(2).

"[T]he decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight. The totality of circumstances shall account for occasions when officers may be forced to make quick judgments about using force." Penal Code section 835a(4).

"A peace officer who makes or attempts to make an arrest need not retreat or desist from their efforts because of resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose the right of self-defense by the use of objectively reasonable force in compliance with subdivisions (b) and (c) to effect the arrest or prevent escape or overcome resistance. For purposes of this section "retreat" does not mean tactical repositioning or other de-escalation tactics." Penal Code section 835a(d).

Conclusion

Officers Najera-Arredondo and Morrison were suddenly confronted by Weatherspoon sprinting quickly toward them while pointing a gun at them. To avoid being shot in their patrol unit, the officers had to scramble quickly from their seats and address the lethal threat Weatherspoon presented. Weatherspoon fired at least nine shots, evidenced by the nine casings found along his path of travel. One of his rounds hit the driver's door next to Najera-Arredondo. This happened on a crowded street lined by apartments, shops, and homes while pedestrian and vehicular traffic were present. One of the homes was struck by rounds from Weatherspoon. When the officers shot Weatherspoon, they reasonably believed, based on the totality of circumstances, that such force was necessary to defend against the imminent threat of death or serious bodily injury. Officer Najera-Arredondo and Officer Morrison bear no state criminal liability for their actions in defending themselves and the civilians on South 43rd Street. A copy of this letter, along with the materials submitted for our review will be retained in our files.

Sincerely,

SUMMER STEPHAN

After the briefing, Homicide Detective Garcia #0068 tasked me and Detective Van Deweghe #1375, with canvassing the area for video surveillance. I was advised there were surveillance cameras at 1236 S 43rd St [REDACTED] and 1205 S 43rd St.

Detective Van Deweghe and I walked to 1205 S 43rd St, which was a nail salon called Studio 72. I was told during the brief to contact the [REDACTED], via telephone after 2130 hours. I had been provided with her phone number. I called and texted [REDACTED] but received no answer. I left a voicemail requesting a call back. I noticed there was a surveillance camera right in front of the business.

I then called the resident, [REDACTED] at [REDACTED]. I was provided with his contact information during the brief. [REDACTED] refused to meet me or allow me to review video surveillance. [REDACTED] gave me various excuses for refusing to meet with me. [REDACTED] stated he was taking care of his grandchildren, stated he was sick and said he did not know the passcode to review video. [REDACTED] eventually told me he had to hang up because I had interrupted his praying.

Detective Van Deweghe and I canvassed the area north of where the shooting occurred. Per the radio calls received by San Diego Police Department, Weatherspoon was seen coming from that direction prior to the shooting. We located video surveillance cameras at the following locations.

1128 S 43rd St- 43rd Wash & Wax Carwash- There were two cameras on the front of the building. The business was closed. We located a business phone number (619) 255-1019. I called the phone number but there was no answer. I was unable to leave a voicemail.

1104 S 43rd St- Iglesia Monte Sion / GR&T Services- There were several cameras in front of the businesses. The businesses were closed. I located a phone number for GR&T Services (619) 432-1893. I called the phone number and could hear the phone ringing inside. There was no answer.

4235 National Ave- Victory Outreach Church- There were several cameras located at the location. There was no one the location. I was unable to find a phone number for the business.

1002 S 43rd St- Great Wall Express Chinese restaurant- There were cameras inside the business. There were no cameras on the outside of the building.

We did not locate any other cameras that could have been relevant to the investigation. I returned to the Homicide staging area and briefed Detective Garcia of our findings. I was relieved from the scene and had no further involvement in the case.

After the briefing, Sheriff's Homicide Detective Garcia (0068) asked Detective Yniguez (7606) and I to conduct an area canvass for video surveillance of the incident. Detective Yniguez and I were informed there was possible surveillance footage at 1236 S 43rd Street, apartment [REDACTED] and 1205 S 43rd Street.

Detective Yniguez and I walked to 1205 S 43rd Street. I noticed a what appeared to be a camera in the front of the location. Detective Yniguez attempted calling [REDACTED], who's name was provided to us during the briefing. Detective Yniguez received no answer.

Detective Yniguez and I walked to 1236 S 43rd Street. [REDACTED]' name and contact information was provided to us during the brief. Detective Yniguez called [REDACTED] [REDACTED] told Detective Yniguez he was unable to provide him with the video footage at this time.

Detective Yniguez and I continued to canvass the area. We checked north to National Avenue and south to Alpha Street. Detective Yniguez documented the addresses where video surveillance cameras were located (See Detective Yniguez' Deputy Report).

Detective Yniguez and I were unable to locate any video surveillance footage of the incident. Once we were done searching for cameras we returned to the staging area where we debriefed Homicide Detective Garcia with our findings. We were released from the scene, and I had no further involvement in this case.

If ** is not next to the item name in this table, a portion of the item remains for future testing or the parent evidence item listed in the evidence submitted table may be resampled for future testing.

No (1): No human DNA or an insufficient amount of human DNA was detected; therefore, no further analysis was performed on this item.

No (2): A sufficient amount of human DNA was detected; however, no male DNA was detected. Therefore, no further analysis was performed on this item.

No (3): A sufficient amount of human DNA was detected; however, an insufficient amount of human male DNA was detected for PowerPlex Fusion 6C amplification. Therefore, no further analysis was performed on this item.

No (4): Due to the amount of male DNA in relation to the amount of female DNA detected, no further analysis was performed on this item at this time.

No (5): Processed samples that are suitable for DNA analysis were not analyzed further at this time. If further analysis is needed, please submit a new lab service request.

Amplification with Fusion 6C: The extracted human DNA from the processed item(s) was amplified using the PowerPlex Fusion 6C PCR Amplification Kit and analyzed on an Applied Biosystems Genetic Analyzer.

Amplification with Yfiler: The extracted human DNA from the processed item(s) was amplified using the Applied Biosystems Yfiler PCR Amplification Kit and analyzed on an Applied Biosystems Genetic Analyzer.

Assumed Number of Contributors: The number of people determined to be contributing to a DNA profile. This number is based on an evaluation of the data and is necessary for use with DNA mixture interpretation software.

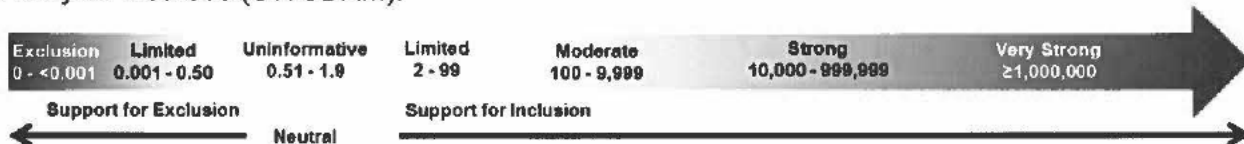

Estimated Mixture Ratio: The percentage of DNA attributed to each contributor in the mixture. Each included person is assigned a percentage according to where that person best fits into the mixture. It is not intended to be a definitive statement that the person contributed exactly that percentage of DNA.

Assumed Contributor: A person that can reasonably be expected to have contributed to the DNA profile, based on where the sample was collected and the DNA types present. For example, there is a reasonable expectation that a person's DNA may be present in samples collected from his/her body or in an item that he/she regularly use.

Likelihood Ratio (LR): A method to weigh the value of the observed DNA evidence profile given alternative explanations. Likelihood ratios with a value of one are considered neutral and give equal support for both possible explanations of the DNA evidence. For likelihood ratio values above one the DNA results provide gradually increasing support in favor of the evidence originating from the named contributor as the LR increases in size. For likelihood ratio values less than one the DNA results provide gradually increasing support in favor of the evidence originating from an unknown contributor as the LR decreases in size, until an exclusion of the named contributor is reached. The inverse of an LR (1/LR) is calculated to provide a clear LR statement when an LR value between 0.50 and 0.001 is obtained. This 1/LR can then be used to indicate that the evidence is more likely if it originated from an unknown contributor than the person of interest.

All calculations are based on four major U.S. population groups. In each case, the lowest likelihood ratio calculated for any of the populations is reported. Each unknown contributor is assumed to be unrelated to the named contributor(s).

A verbal scale is used to describe a level of support for an explanation of the observed DNA evidence. The verbal qualifier is based on the value of the likelihood ratio. When applicable, the interpretations include the verbal scale recommended by the Scientific Working Group on DNA Analysis Methods (SWGDM).

Limited Support for Inclusion: Values that generally occur when the DNA profile has a low amount of information for one or more contributors. Actual contributors may fall within this range. Due to a variety of factors, a person who did not contribute to the profile may sometimes fall within this range as well.

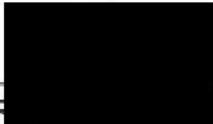

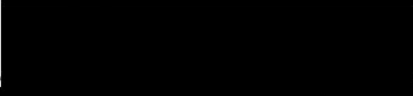

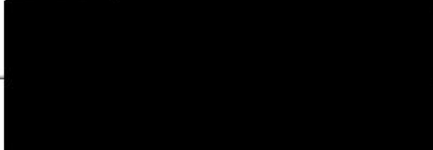

Uninformative: Values that indicate the LR is neutral in its support for either explanation of the observed DNA evidence.

Limited Support for Exclusion: Values that generally occur when the DNA profile has a low amount of information for one or more contributors. A person who did not contribute to this profile may fall within in this range. Due to a variety of factors, an actual contributor may sometimes fall within this range as well.

Exclusions: Exclusions can be either determined by the analyst's interpretation that the DNA profile of a known person is not consistent with the evidence profile (*) or based on a likelihood ratio, where the LR obtained is less than 0.001.

Combined DNA Index System (CODIS): Eligible DNA profile(s) will be entered into CODIS in accordance with state and national regulations where the DNA profile(s) will be regularly searched. A notification will be issued if a hit occurs in the database or if a profile is removed.

VEHICLE PROCESSING – PATROL FORD EXPLORER

ORIGIN:

On Friday, October 21, 2022, at approximately 0702 hours, Forensic Evidence Technician Silverthorn #7420, Criminalist Sautkulis #2892, and I processed the San Diego Police Department marked patrol vehicle involved in the Officer Involved Shooting (OIS) on October 18, 2022.

The processing took place at the San Diego Sheriff's Crime Laboratory, within the secured vehicle garage, located at 5590 Overland Avenue in San Diego. The processing concluded at approximately 0929 hours.

VEHICLE DESCRIPTION:

Make/Model: Ford Explorer
License Plate: CA EXEMPT 1445054
Vin: 1FM5K8AR7FGA15876

The vehicle was a marked patrol vehicle, equipped with a light bar on top and push bumper on the front. The vehicle was black in color with white front doors labeled, "AMERICA'S FINEST, " and, "TO PROTECT AND SERVE". The panels above the front tire were labeled, "SAN DIEGO POLICE". I noted several minor preexisting cosmetic areas of damage to the exterior of the vehicle.

INVESTIGATION:

On Friday, October 21, 2022, at approximately 0705 hours, FET Silverthorn initiated the processing by taking forensic photographs of the vehicle. I visually checked the exterior of the vehicle for damage and noted significant damage to the driver's side door, specifically the window and doorhandle. Criminalist Sautkulis informed me the broken piece of plastic from the doorhandle was located on scene and placed back into the vehicle for transport. Refer to figure 2.

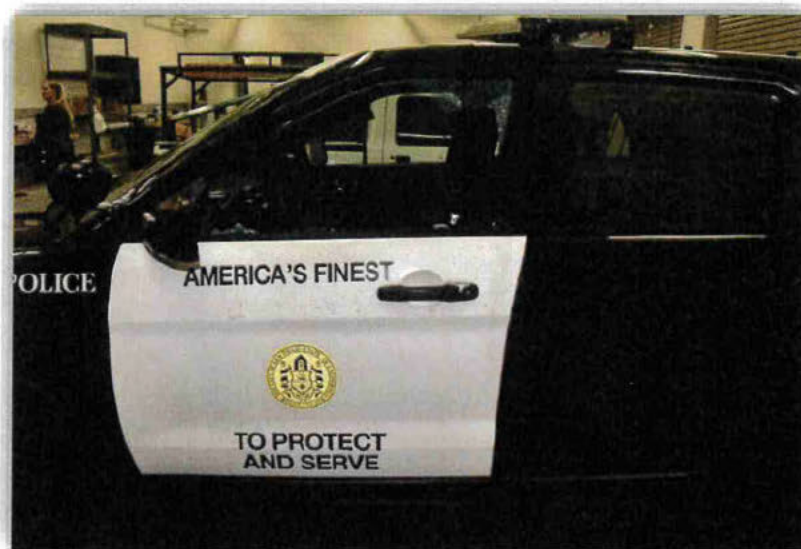

Figure 2
BMS_0006

On Friday, October 21, 2022, at approximately 0711 hours, the vehicle was opened so the interior could be photographed. Within the trunk of the vehicle were personal equipment items belonging to Officers Najera and Morrison. I assisted FET Silverthorn with unloading/reloading the firearms while she photographed the equipment. I discarded perishable food items discovered in the trunk of the vehicle.

Criminalist Sautkulis located three areas of the driver's side door that appeared to be impacted or penetrated by gunfire. The three areas were marked with evidence stickers K, L, and M. Criminalist Hoopes #6686 arrived to assist with the processing.

EVIDENCE ITEM K:

Evidence item K appeared to be "through and through" bullet penetration holes. Criminalist Sautkulis documented the bullet trajectory and path of travel. The entrance hole appeared to be from the interior of the vehicle. Refer to Criminalist Sautkulis' report for additional information. Refer to figures 6 and 7.

Evidence item M was located on the driver's side door handle. The damaged plastic piece was discovered at the scene of the OIS and transported to the crime laboratory with the vehicle. Figure 10 below shows the plastic piece returned on the door handle, revealing a circular penetration hole. Given the body worn camera video and video surveillance discovered on scene, the penetration hole was consistent with the suspect shooting in the direction of officers. Refer to Criminalist Sautkulis' report for additional information.

An exit point was not located with evidence item M. As a result, Criminalists Hoopes and Sautkulis removed the inner door panel of the Ford Explorer to search for the projectile. Due to the broken window, shattered glass was located within the door panel. While searching for the projectile, Criminalist Hoopes sustained a minor injury to his hand from the glass. The door panel had multiple layers and small shelves where the projectile could be located. Due to the shattered glass and poor visibility into the door panel, the projectile could not be located. Refer to figure 11 below.

INVESTIGATION:

FET Gervasoni initiated the processing by taking forensic photographs of the interior and exterior of the Ford Ranger.

San Diego Fleet Services Master Technician Carlos Barajas and Fleet Coordinator Mora #6408 assisted with the removal and examination of the tire.

I did not notice any other items of evidentiary value on the truck, besides the flat tire.

On Friday, October 21, 2022, at approximately 0955 hours, Technician Barajas removed the tire from the truck and transported it to the fleet services maintenance garage. Criminalist Sautkulis, FET Gervasoni, and I followed him to the maintenance garage where the tire was removed from the metal rim, revealing a projectile inside the tire. FET Gervasoni collected the projectile as evidence and marked it with evidence placard AA. Refer to figures 3-5 below.

ORIGIN:

On Tuesday, October 18, 2022, at about 1810 hours, I was notified by Sheriff's Homicide Team III Sergeant J. Stone (3523) of a San Diego Police Department (SDPD) officer involved shooting at 1136 S. 43rd Street in San Diego. I was informed there were two SDPD officers involved in the shooting (OIS). The subject they exchanged gunfire with was pronounced as deceased and was still on scene.

Due to a recent memorandum of understanding between San Diego law enforcement agencies, it was agreed upon the San Diego Sheriff's Department (SDSD) would take over leading officer involved shootings that involved SDPD officers. I responded as a part of SDSD Homicide Team III and detectives from SDSD Homicide Team II also responded to assist. I was assigned as the lead investigator for this incident. The scene processing concluded the following day on Wednesday, October 19, at about 1030 hours.

INVESTIGATION:

On Thursday, October 20, 2022, at about 0830 hours, Sergeant Stone handed me a manila folder that contained all the SDPD reports related to the OIS, 911 audio and CAD print outs from their agency. I added all the above items to the shared electronic case file. I also submitted all the items to SDSD Main Property and Evidence located at 5590 Overland Avenue in San Diego.

On Thursday, October 20, 2022, at about 0930 hours, Detective J. Kuehn (0081) attended the autopsy of the decedent, Derrick Weatherspoon (DOB: [REDACTED]). He was later positively identified by the San Diego County Medical Examiner's Office. The autopsy was performed by Pathologist Doctor Khangura. Doctor Khangura advised the preliminary **cause of death was due to multiple gunshot wounds** and the **manner of death was a homicide**. Refer to Detective Kuehn's Autopsy Report and all the Medical Examiner's Office reports for further details.

On Thursday, October 20, 2022, at about 1000 hours, I began to assemble a PowerPoint presentation of the case facts up known up to this point. While creating the presentation, I began to review body worn camera (BWC) footage of the involved officers and relevant video surveillance. See below BWC review:

On Friday, October 21, 2022, at about 0933 hours, Detective Kuehn, Forensic Evidence Technician (FET) M. Gervasoni (6196) and Criminalist Sautkulis processed a white 2003 Ford Ranger truck with a California license plate of [REDACTED]. While processing the scene, we located a defect to the front driver side tire, and we observed the tire was flat. This led us to believe a bullet may have struck the tire and was still lodged inside of the tire. During the processing of the truck, a bullet projectile was located inside of the tire. See Detective Kuehn, FET Gervasoni and Criminalist Sautkulis' respective reports for further details.

On Friday, October 21, 2022, at about 1125 hours, I received an email from ATF Special Agent A. Colon who informed me the suspect firearm was purchased on October 31, 2020, by [REDACTED]. The firearms dealer was listed as "[REDACTED]". The firearm was not listed as stolen. Special Agent Colon informed me his agency may follow-up with the purchaser in Las Vegas, Nevada. Special Agent Colon emailed me a Firearms Trace Summary report and I attached the report to the shared electronic case file.

On Monday, October 24, 2022, at about 1500 hours, I called [REDACTED]. I briefly spoke to her on the phone. She told me Weatherspoon's mother was deceased, and his father was not in the picture. She considered herself Weatherspoon's [REDACTED]. [REDACTED] agreed to meet at our office at the Major Crimes Division (MCD) building located at 5590 Overland Avenue in San Diego on Friday, October 28, 2022, at 1000 hours.

On Tuesday, October 25, 2022, at about 1303 hours, I met with Criminalist S. Hoopes (6686) just outside of SDSD Main Property and Evidence located at 5590 Overland Avenue. Criminalist Hoopes released Officer Najera-Arredondo and Officer Morrison's firearms, magazines, and cartridges to me. All of these items were collected on the day of the OIS when the officer's were interviewed and processed.

On Tuesday, October 25, 2022, at about 1330 hours, I met Officer Najera-Arredondo and Officer Morrison at SDSD Main Property and Evidence. I released all the above items to both officers. I took digital photograph of the items with my department issued iPhone and later uploaded those items to the shared electronic case file.

On Tuesday, October 25, 2022, at about 1431 hours, I requested to check out the phone found near Weatherspoon's body, which was presumably his. The item number was FIN 6.31, and it was a Cricket cell phone. Detective Kuehn previously authored a search warrant to search the cell phone. The search warrant was approved by the Honorable Judge S. Sheibani [REDACTED].

On Tuesday, October 25, 2022, at about 1515 hours, I checked out the above phone (FIN 6.31) from SDSD Main Property and Evidence and secured phone at my desk.

On Tuesday, October 25, 2022, at about 1631 hours, I tried to call [REDACTED]. When we initially responded to the scene, I was provided with [REDACTED] name and phone number and was told she was the [REDACTED] of Weatherspoon's [REDACTED]. The phone number was not working, and I was not able to leave a message.

On Wednesday, October 26, 2022, at about 0705 hours, I provided Senior Crime and Intelligence Analyst (SCIA) A. Cabral (7974) Weatherspoon's phone (FIN 6.31). The content of the phone was to be downloaded pursuant to the above search warrant authored by Detective Kuehn. SCIA took possession of the phone to download the content.

On Wednesday, October 26, 2022, at about 0850 hours, SCIA Cabral provided me an external hard drive with the downloaded files. I transferred all the files from the download to the shared electronic case file.

On Wednesday, October 26, 2022, at about 1040 hours, I returned an electronic receipt and inventory to the court for the search warrant for Weatherspoon's mobile phone (search warrant [REDACTED]).

On Wednesday, October 26, 2022, at about 1100 hours, I turned off Weatherspoon's phone (FIN 6.31) and checked the phone back into evidence at SDSD Main Property in Evidence located at 5590 Overland Avenue in San Diego.

On Thursday, October 27, 2022, I reviewed as much of the content that I could from Weatherspoon's phone download. The content of the phone did appear to show as though it belonged to Weatherspoon. I was not able to locate anything of significance related to the officer involved shooting. For further details, the complete phone download was available to view under the shared electronic case files.

On Friday, October 28, 2022, at about 1000 hours, I submitted lab request to attempt to develop latent prints from the suspect's firearm (FIN 6.34) and to also swab the firearm for DNA. I also put in a request to have all .22 lr cartridge cases compared to make sure they were fired from same firearm and make sure they came from the suspects Glock firearm recovered from the scene (FIN 6.34).

STATEMENT OF [REDACTED]

ORIGIN:

On Wednesday, October 19, 2022, at about 0114 hours, Detective A. Rego (0439) and I interviewed [REDACTED] at the intersection of South 43rd Street and Alpha Street in the city of San Diego. The interview was audio recorded. The following is a synopsis of the interview. The following summary has been condensed for the ease of the reader and is not necessarily the order in which it was discussed. The synopsis is not meant to either replace or to be an exact record of what is in the recording.

PERSON INTERVIEWED:

STATEMENT of [REDACTED] **(Witness):**

[REDACTED] walked into the taco shop, ordered food and then sat down with [REDACTED]. She pointed out the Humberto's Taco Shop north of our current location. [REDACTED] described the taco shop as having a red stripe at the top and the rest was yellow. The suspect walked into the taco shop a few minutes after she did. She described the suspect as a slim African American, about 5'6" tall, wearing a black beanie, a black tank shirt and black pants. She also noticed the suspect was holding a purple bandana. He was out of breath and looked tired. [REDACTED] believed the suspect may have been on some type of drug. She did not know the suspect and had never seen him before.

At some point, the suspect walked around a beam and sat down at a table. He got up, walked to the front counter, and sat back down. While seated, the suspect was mumbling to himself and acting erratic. The suspect began to speak to [REDACTED] about a water cup he had

in the taco shop. The suspect was demanding that [REDACTED] or [REDACTED] grab his water cup. She did not recall if he was cursing. [REDACTED] tried to talk to [REDACTED] so she would not have to interact with the suspect. [REDACTED] saw the bandana in the suspect's hand at some point. She believed the suspect uncovered the gun once he was seated behind her because that was likely when [REDACTED] saw the firearm.

The suspect eventually got up to get the cup of water. After retrieving the cup of water, the suspect sat down and was out of [REDACTED] sight since he was seated behind her. [REDACTED] continued to hear the suspect mumbling and acting erratic. The suspect got up at some point and [REDACTED] heard him say something gang affiliated along the lines of "oh, what's brackin'". He ran out of the door, she turned around and he was no longer seated there. A second or two after the suspect left the taco shop, [REDACTED] began to hear gunshots. She believed she heard about five to seven gunshots. Everyone took cover under the bench seats. Once the shooting stopped, everyone began to get up. She did not recall hearing the officers say anything before, during or after the shooting. [REDACTED] looked out to see what happened and could not see much. She ultimately saw the body lying on the street after the shooting. [REDACTED] may have had a better view of the suspect because she was facing him while they were seated. When [REDACTED] exited the taco shop, she went out of opposite door towards the car wash. After reuniting with [REDACTED] they received their food. [REDACTED] saw people recording the scene and more police showed up. When she realized someone was shot, [REDACTED] initially thought it may have been a cop. [REDACTED] then realized it was the suspect who was down. Shortly after, [REDACTED] and [REDACTED] left and walked back home because they were shaken up. [REDACTED] said they would call the police tomorrow to give a statement. When they were at [REDACTED] apartment, they saw police officers and decided to flag them down to tell them what they witnessed.

[REDACTED] posted a video to her Snapchat and her friend said she may know who the suspect was. [REDACTED] showed me the Snapchat video. I asked her if I could record her Snapchat and she allowed me to do so. [REDACTED] also showed me a post she made on her Twitter account when she responded to an NBC news reporter. She also took a video shortly after the shooting. I asked [REDACTED] if she could send me the video and she said she would. It was a Snapchat video. [REDACTED] tried to send the video via text message, but it was too large. [REDACTED] said she would email the video to me, which I later received at my work email.

The interview ended at about 0130 hours.

STATEMENT OF [REDACTED]

[REDACTED] stated she was working the front counter of the taco shop when the male came and asked her for a cup of water. [REDACTED] could tell he was thirsty, so she gave him a big cup. She put it on the counter and another boy gave it to him. [REDACTED] noticed everyone started leaving and was told by another patron the male was "acting funny" and had a gun. [REDACTED] never saw the gun and the male left. He came back about an hour or two later and sat at a table. She observed an object under his shirt but couldn't tell what it was. [REDACTED] was again told by a patron that the male had a gun. Though the male was not threatening anyone, [REDACTED] went to the back and called 911. While she was in the back, she heard gunshots. She did not witness any of the shooting. [REDACTED] had seen the male once before at the end of her shift when the male asked her for a band-aid.

STATEMENT OF [REDACTED]

[REDACTED] stated she had called in an order and came in the back door of the taco shop. The back door was locked so she knocked, and [REDACTED] opened the door for her. [REDACTED] told her there was a guy in the dining room with a gun. [REDACTED] told her she was going to call 911 and while they were on the phone with dispatch, they heard the gunshots. [REDACTED] did not witness the male or any of the shooting.

INVESTIGATION (CONTINUED):

I cleared the scene at approximately 2300 hours. I have not conducted any more investigation in this case. Any further follow-up will be documented in a separate report.

Officer J. Morrison works Tuesday through Friday from 1400 hours to 0000 hours. He had last slept the previous night for approximately 8.5 hours. He arrived at work at about 1400 hours. On the day of the incident, his unit designator was 431Q, which is a proactive unit that covers the Southeastern Division.

Officer J. Morrison was riding as a passenger in a black and white marked patrol vehicle. The patrol SUV has visible SDPD stickers with an overhead lightbar and siren. Officer J. Morrison was working a two-man unit with Officer F. Najera-Arredondo (#1052). Officer F. Najera-Arredondo was in the driver's seat, and Officer J. Morrison was in the front passenger seat. Officer J. Morrison had on his SDPD uniform, which is the same uniform depicted in the above photograph. He was also wearing his Body Worn Camera (BWC) body armor, a flashlight, a conducted energy device (Taser), "OC" spray, a fixed knife tucked behind his duty belt, and a folding knife in his left sap pocket.

Officer J. Morrison was also carrying his personally owned, department approved, Glock 45, 9mm semi-automatic handgun (SN: [REDACTED] with a red dot attachment. The pistol had a fully loaded magazine inserted as well as an additional cartridge chambered inside the weapon for a total of [REDACTED] cartridges. Officer J. Morrison last qualified with his service weapon at the last sanctioned department qualification, which was about one year ago. He did not have any other firearms with him. Officer J. Morrison and Officer F. Najera-Arredondo had a patrol ready rifle, a lethal shotgun, and a less lethal shotgun in the rear hatch of their patrol vehicle.

The firearm taken from Officer J. Morrison during processing was the firearm he used during the incident. Officer J. Morrison discharged his service weapon 10 times during the incident. Other than removing his magazine and inserting a fully loaded magazine into his pistol, Officer J. Morrison did not alter his firearm in any way after the shooting incident. As a result of the Officer Involved Shooting (OIS), Officer J. Morrison did not sustain any injuries.

Officer J. Morrison was first made aware of the incident at about 1736 hours, when a radio call was dispatched of a black male waving a gun around. The male was later identified as Derrick Witherspoon [REDACTED]. Officer J. Morrison and his partner, Officer F. Najera-Arredondo, answered the call and started heading towards the location of South 43rd Street, San Diego. As they responded to the location, dispatch updated the radio call and said there was a second caller describing a black male acting strangely while holding a firearm.

While en-route to the location, Officer J. Morrison discussed the radio call with his partner and planned on conducting a felony hot-stop on the alleged individual that was said to be holding a firearm.

- *A felony hot stop is putting yourself in a position of advantage while having your duty weapon unholstered, pointed at the suspect, and giving commands to not move and to show their hands.*

Officer J. Morrison was concerned with the public's safety and was afraid that someone could be seriously injured or killed by Derrick if they did not address the threat. Officer J. Morrison and his partner, Officer F. Najera-Arredondo, have been working together for over a year. From working with each other and responding to other calls for service involving armed suspicious individuals, they know what each other is going to do and often times don't need to communicate what they are doing with each other because they know how they are going to react to the potential threat.

At minimal, Officer J. Morrison felt if they contacted Derrick and he had a firearm, Derrick would be arrested for carrying a firearm in a public place. As they got closer to South 43rd Street, the radio call was updated. A different witness called and said the black male was still holding the gun. As they approached Humberto's Taco Shop located at 1136 South 43rd Street, Officer J. Morrison heard his partner yell, "He's got a gun." Officer J. Morrison quickly exited the patrol vehicle. Once he exited the vehicle, he heard gunfire and saw Derrick pointing a gun in their direction. Officer Morrison was unsure if his partner or Derrick had shot first.

Officer Morrison retrieved his Glock 45 from his holster and returned fire from the passenger side of the patrol vehicle. Derrick fled southbound on 43rd Street while shooting his firearm in the direction of Officer J. Morrison and his partner. Officer J. Morrison ran to the back of the patrol vehicle and returned fire until the threat was neutralized. Once Derrick fell to the ground and appeared to not be moving, Officer J. Morrison and his partner, Officer F. Najera-Arredondo, approached him. Officer J. Morrison yelled at Derrick, saying "Let me see your fucking hands". Derrick did not respond to the commands.

As they carefully approached Derrick with their guns drawn, Officer F. Najera-Arredondo advised Derrick still had the firearm in his right hand and to get behind cover. Officer J. Morrison moved behind a truck that was just a few feet north of Derrick's position. Officer

J. Morrison removed the [REDACTED] round magazine from his Glock 45, placed it in his back pocket, and loaded a fully topped-off [REDACTED] round magazine into his firearm.

As Officer J. Morrison and F. Najera-Arredondo assessed the situation, several cover units responded to their location. As additional officers arrived, they came up with a plan to safely approach Derrick as a group, where Derrick would be placed in handcuffs. Officers approached Derrick and placed handcuffs on him. Once Derrick was in handcuffs, a sergeant removed Officer J. Morrison from the scene. Officer J. Morrison was transported to the Southeastern Patrol Station located at 7222 Skyline Drive, San Diego, to be processed and interviewed. Officer J. Morrison was removed quickly from the scene, so he did not see what life-saving measures were provided to Derrick.

Officer J. Morrison feared if he did not use deadly force, a citizen, his partner, or himself would be killed. Even though there was a plan in place on how to approach the situation, the homicidal actions of Derrick did not allow Officer J. Morrison to use less lethal options. The only option Officer J. Morrison had was to use deadly force.

Officer J. Morrison had never seen or contacted Derrick prior to the OIS. Officer J. Morrison's BWC was on and had the two-minute buffer. Officer J. Morrison does not have a work-issued phone and his personal phone was not used during the OIS.

The interview concluded at approximately 0048 hours.

FOLLOW UP INVESTIGATIVE REPORT

ORIGIN:

On October 19, 2022, Detective Garcia #0068 requested my assistance with an Officer Involved Shooting (OIS) investigation that took place within San Diego Police Department (SDPD) Jurisdiction, involving SDPD Officers Najera-Arredondo #1052 and Morrison #7144. The suspect of the investigation was deceased and later identified as Derrick Weatherspoon. The incident took place on October 18, 2022.

Detective Garcia was assigned as the lead investigator.

INVESTIGATION:

On October 19, 2022, at approximately 0600 hours, Detective Garcia informed me a blue Cricket cellular device was located near Weatherspoon's body and requested I author a search warrant for the device. I authored search warrant [REDACTED] for the cellphone. The search warrant was signed by Honorable Sheibani. I provided the warrant to Detective Garcia so it could be served.

On October 19, 2022, at approximately 0900 hours, Detective Garcia requested I retrieve property from a white Ford Ranger that was towed upon owner consent to the San Diego Sheriff's crime laboratory vehicle garage. I later received a phone call from the registered owner of the Ford Ranger, [REDACTED], advising he was at San Diego Sheriff's Property and Evidence to pick up a set of keys that were left inside his truck prior to being towed. [REDACTED] said he needed the keys for work. I met with [REDACTED] and confirmed his identity with his California Driver's License. [REDACTED] informed me he needed three sets of keys that were within the center console of his vehicle. Given the Ford Ranger was towed for an external search, I elected to enter the interior of the truck to retrieve his keys. I met with Property and Evidence employee Otis #3337 to schedule a "viewing" of the evidence. [REDACTED] accompanied me in the crime laboratory vehicle garage, while I took external and internal photographs of truck. [REDACTED] remained outside of the building. After taking photographs, I utilized the vehicle key provided by [REDACTED] to enter the truck and retrieve three sets of vehicle keys from the center space of his truck. I took photographs of the keys and exited the crime laboratory vehicle garage. I provided [REDACTED] with the vehicle keys and advised we could call him once his truck was ready to be picked up.

On October 20, 2022, at approximately 0930 hours, I attended to autopsy examination of Derrick Weatherspoon at the San Diego Medical Examiner's Office, located at 5570

Overland Avenue in San Diego. The examination was performed by Pathologist Doctor Khangura, who advised the preliminary cause of death was multiple gun shot wounds and the manner of death was homicide. Refer to the autopsy report for additional information.

On October 21, 2022, at approximately 0702 hours, Forensic Evidence Technician (FET) Silverthorn #7420 and Criminalist Sautkulis #2892, and I processed the marked patrol Ford Explorer (CA EXEMPT 1445054), driven by Officer's Najera and Morrison, during the OIS. Criminalist Sautkulis performed trajectory on the vehicle to document the bullet penetration holes. Refer to the vehicle processing report for additional information.

On October 21, 2022, at approximately 0933 hours, FET Gervasoni #6196 and Criminalist Sautkulis #2892, and I processed a white Ford Ranger (CA [REDACTED] towed from the scene. A bullet was recovered from the driver's side front tire. Given the location of where the bullet struck the tire, it was determined to be too impaired for use. The tire was returned to the truck but not re-installed. Refer to the vehicle processing report for additional information.

[REDACTED] later arrived at Property and Evidence to collect his truck. I informed him his tire was not re-installed. The Property and Evidence unit assisted him with replacing the tire with a spare.

This concluded my investigation at this time. Any additional follow-up will be documented in a separate follow-up investigative report.

STATEMENT OF [REDACTED]

ORIGIN:

On Friday, October 28, 2022, at about hours 1102, Detective G. Pantoja (0326) and I interviewed [REDACTED] at the Major Crimes Division offices located at 5590 Overland Avenue in the city of San Diego. Her identity was confirmed by her California driver's license. [REDACTED] was Derrick Weatherspoon's [REDACTED] and was considered [REDACTED]. The interview was audio recorded. The following is a synopsis of the interview. The following summary has been condensed for the ease of the reader and is not necessarily the order in which it was discussed. The synopsis is not meant to either replace or to be an exact record of what is in the recording.

PERSON INTERVIEWED:

[REDACTED]

[REDACTED]

STATEMENT of [REDACTED]:

[REDACTED] was Derrick Weatherspoon's [REDACTED] and Weatherspoon shared [REDACTED] but had [REDACTED]. [REDACTED] died in 2013. [REDACTED] described her relationship with Weatherspoon as being more of a parental figure to him rather than [REDACTED]. [REDACTED] was told Weatherspoon was residing at a sober living facility, but she did not know which one. She believed the facility would have been near the scene of the shooting. [REDACTED] was currently attempting to find the location of the sober living facility to retrieve Weatherspoon's personal items. She was eventually able to locate some paperwork in her purse and believed the address of the facility may have been [REDACTED] in the city of San Diego. When Weatherspoon got out of prison of few months ago, he did not want to live with [REDACTED] because she was too strict, and her home was too far from where Weatherspoon wanted to be.

Weatherspoon was diagnosed with schizoaffective disorder since about 2015 and was seeing a psychiatrist at some point, but she did not know the psychiatrist's name.

Weatherspoon's probation officer may know who his psychiatrist was. Weatherspoon was originally diagnosed with mental illness while he was in prison. Weatherspoon at some point was playing with his "poop" and he would just be placed in the "SHU" while in prison.

McCray believed Weatherspoon may have used drugs, but she was not completely sure because he would not use any drugs in front of her. Since she was more [REDACTED] to Weatherspoon, she believed he did not do these things around her because she would not allow him to do so. Weatherspoon was affiliated with the "brims" from the southeast San Diego area. A few times, [REDACTED] tried to "get them out of the ghetto" and move to places like Atlanta or Victorville, but Weatherspoon would always want to return to San Diego.

Weatherspoon claimed he had a daughter, and she was possibly [REDACTED] years old, but she was in the foster care system. [REDACTED] did not know the child's name. When the child was born, Weatherspoon reached out to [REDACTED] to assist him when he was trying to petition to get custody of the child. Weatherspoon, however, was not able to gain custody and he did not have any visiting rights because the child's mother did not identify Weatherspoon as the father. [REDACTED] did not know the mother's name but could identify her if she saw a photograph of her. I told [REDACTED] I received information on the evening of the shooting that the mother of Weatherspoon's child was on scene, and she identified herself as [REDACTED] but [REDACTED] was still not familiar with the name.

[REDACTED] told me she was having difficulty obtaining [REDACTED], Derrick Weatherspoon's, body from the Medical Examiner's Office because she did not have his social security number. I told [REDACTED] we should be able to locate the number and provide that to her.

According to [REDACTED] Weatherspoon had been incarcerated in prison since he was 18 years old. [REDACTED] believed Weatherspoon went to prison for some type of robbery, but she was not certain. Weatherspoon was arrested in San Diego. [REDACTED] believed Weatherspoon was "triggered" by law enforcement because of the negative interactions he had with guards in prison. The guards in prison would "mess" with Weatherspoon by beating him up and torturing him. She could not go into too much more details but said there were prison medical records documenting some of this.

[REDACTED] had no idea where Weatherspoon would have gotten a gun. She was upset that Weatherspoon's mental illness was not addressed properly by both the prison staff and the probation system after he was released from prison. [REDACTED] heard Weatherspoon's probation officer was the reason he was suicidal. Weatherspoon would act erratic when

interacting with his probation officer. For instance, [REDACTED] heard Weatherspoon would grab his genitals while he was with his probation officer. She also learned Weatherspoon's probation officer would drop him off in known gang areas, yet his probationary terms stated he could not be near other gang members. [REDACTED] had some issues with this and felt the probation officer was not doing their job. She felt as though Weatherspoon's probationary experience made him suicidal and that the probation department did not properly document all their findings. I explained to [REDACTED] that we were a different department from probation and any concerns she had with their department would have to be taken up with them and she understood.

I explained to [REDACTED] what to expect moving forward with the investigation and provided her my contact information. [REDACTED] understood and our interview concluded at about 1129 hours.

REPORT NARRATIVE

On October 18, 2022, I was on duty wearing plain clothes and an exterior police vest and driving an unmarked San Diego Police vehicle. The exterior vest was black in color and had "POLICE" markings in white clearly visible to the front and rear.

At about 1745 hours, I responded to assist officers who reported shots fired at 1136 S 43rd Street.

Upon arrival, officers were performing CPR on the suspect.

I checked the west curb line of 1200 S 43rd Street for any evidence. I located an impact at [REDACTED] S 43rd Street near Suite [REDACTED] to the left of the metal gate.

[REDACTED] S 43rd Street Suite [REDACTED] had a camera at the front of the business, but the business was closed for the day.

[REDACTED] S 43rd Street Suite [REDACTED] had an impact near the northeast corner of the building and on the east side of the building.

A white Ford pickup truck (CA [REDACTED]) parked along the west curb line of 1200 S 43rd Street had an impact on the back of the front driver side tire.

I located a camera at [REDACTED] S 43rd Street that faced the area of the shooting. I spoke with the resident of [REDACTED] S 43rd Apartment [REDACTED]. [REDACTED] told me the owner of the building was [REDACTED], but was not available at the time. [REDACTED] provided me with [REDACTED] contact information. I obtained a statement from [REDACTED].

PARAPHRASED STATEMENT OF [REDACTED]:

I was in my apartment when I heard 7-8 gunshots. I looked outside through my window and saw a male running westbound from the middle of the street near where the police vehicle was parked at then ran south until he collapsed.

After speaking with [REDACTED] I spoke with the resident of [REDACTED] S 43rd Street Apartment [REDACTED].

PARAPHRASED STATEMENT OF [REDACTED]:

I was asleep in my room when I heard gunshots. I don't know how many, but then I heard police yell about three times, "PUT YOUR GUN DOWN".

When I came outside to see what was going on, the male was already down.

After speaking with [REDACTED] I called [REDACTED] the owner of the business, and spoke with her over the phone. [REDACTED] was not there during the incident and told me the cameras worked and could provide access to the cameras the next day.

After speaking with [REDACTED] I continued checking for witnesses along the east curb line between Keeler Avenue and Alpha Street.

INDIVIDUAL/S**REPORT NARRATIVE**

On 10/18/2022, at approximately 1740 hours, Officer GARCIA #5918 and I were in full uniform driving a marked patrol vehicle when we responded to a Disturbance with Weapon call that was occurring at 1136 S 43rd Street, San Diego. As we started making our way to the location, the call was updated with a "Shots Fired" aired over the air by a unit already on scene.

Upon arrival, Officer GARCIA exited our patrol vehicle, and headed towards the scene to start establishing a perimeter and speak with a witness (See Officer GARCIA' A9 for further details).

Due to heavy evening rush hour traffic heading towards the scene from the 805 S at the 43rd Street off ramp, I made my way to that location in order to divert traffic and prevent overflowing and congested traffic at the scene of the incident.

I remained at that location until approximately 2230 hours. I subsequently took a traffic control/perimeter position at 1300 S 43rd Street.

REPORT NARRATIVE

On 10/18/22 at approximately 1740 hours, while dressed on full police uniform and driving a marked patrol vehicle, Officer Vasinda #6950 and I volunteered to assist a radio call of an officer involved shooting.

On arrival, I located a witness, [REDACTED], standing in front of Coin Laundry located at 1212 43rd St San Diego.

I took [REDACTED] statement.

STATEMENT OF [REDACTED] (WITNESS):

The following is not verbatim.

I was sitting in the driver's seat of my truck (CA [REDACTED]) on my phone while my wife was inside the laundry mat doing laundry. I heard gun shots and looked up. I saw a skinny, black, male, approximately 5'8-5'9, on the broken white line closest to my truck screaming something. The male was running on 43rd St south bound. I could not understand what he was screaming; my windows were rolled up. The male was firing a black automatic handgun at a police vehicle (7306) using both hands, arms extended. The male was approximately 10 feet from the patrol vehicle when I looked up. The patrol vehicle was facing north with two officers inside. The driver's window of the patrol vehicle shattered. The male continued running at the patrol vehicle firing the gun at the officers until he passed the driver side door of the patrol vehicle and continued running. As soon as the male passed the vehicle, the officers jumped out of the patrol vehicle. The officers yelled at the male, "stop". Officers continued yelling for the male to stop while officers returned fire, the male continued to run and fell down where he is located at this time.

END OF STATEMENT.

[REDACTED] vehicle (CA [REDACTED]) was parked in the second parking stall facing east in the Coin Laundry parking lot. Two vehicles were parking the stalls to the right of [REDACTED] vehicle (CA [REDACTED]) and CA [REDACTED]

REPORT NARRATIVE

On 10-18-2022, at approximately 1750 hours, I arrived on scene at 1200 S 43rd St, San Diego in response to a call of shots fired by officers. I was heading to the location originally for a call of a male disturbing the peace with a handgun when I heard "shots fired" over the radio. I was wearing a San Diego Police uniform and driving a clearly marked City of San Diego Police vehicle.

I arrived on scene and blocked the northbound lanes of S 43rd St and Alpha St with my patrol vehicle. I ran over to the location of the officers involved in the shooting. Officer Morrison #7144 and Officer Najera #1052 were standing by a white pickup truck with other officers. I observed a shirtless black male face down in the street with his right hand holding a handgun. His hand was gripping the handle of the firearm and his finger was close to the trigger. The male appeared to be breathing and not complying with commands to drop the handgun. Officers and I approached the male and Officer Boxell secured the firearm. Officer Andal placed the male in handcuffs and a search incident to arrest was conducted on the male.

I flipped the male over to his back. The male was no longer breathing and I observed several areas on his chest wear the skin had been scraped off and appeared to be an exit wound. There was blood on his face but I did not observe any gunshots to his face. I began CPR on the male until Officer Sandoval took over compressions. Medics arrived on scene and began life saving measures. I observed a gunshot wound to his left shoulder area as medics rotated him onto his side.

I observed a letter and a card on the street which had been removed from the males pocket during the search. The letter had the name "DERRICK WEATHERSPOON" on the top. I conducted a records check on the name and discovered a DERRICK WEATHERSPOON with a date of birth listed as [REDACTED]. An arrest record with a prior booking photo matched the male and I identified him as DERRICK WEATHERSPOON.

Doctor Cannis from Scripps Mercy declared WEATHERSPOON deceased at 1813 hours and I took over the role of scribe. I remained with Sergeant Ayala and obtained witness statements from officers for the remainder of the time I was on scene.

INDIVIDUAL/S**REPORT NARRATIVE**

On 10-18-2022, at approximately 1736 hours, Officer Boxell #7415 and I were in full SDPD uniform and in a marked patrol vehicle. We responded to a radio call of shots fired located in the area of 1100 S. 43rd Street, San Diego, CA.

Upon arrival, Officer Boxell parked our patrol vehicle in the northbound lanes just south of where an individual appeared to be down on the ground. We observed a black male who appeared to be down in the street. We approached to a position of cover via a parked pick-up truck. Officer Morrison #7144 and Officer Najera-Arredondo #1052 were already on scene and were involved in a high risk stop. From a position of cover I observed the male had a firearm in his right hand and his finger was on the trigger.

Once sufficient resources were in place, we approached on foot from the south. I had my department issued duty firearm and was the lethal force option as we approached on foot. The subject was then disarmed by Officer Boxell and Officer Cortez #5999.

Officer Lemly #7437 began conducting CPR. After sometime, I took over compressions. As I performed CPR, I observed what appeared to be a smaller caliber brass colored casing adjacent to the subject's left side. I continued compressions until relieved by Officer Boxell.

As there was foot traffic all along the scene, I directed officers to mark various other brass colored small caliber casings just north of the downed subject in the street.

Upon arrival of Paramedic #32 and Engine #12, I assisted in maintaining security of the scene and the deceased. I was later relieved from my post once San Diego Sheriff's Office Detectives began investigating at the scene.

REPORT NARRATIVE

On 10-18-2022, at approximately 1745 hours, Officer St. Agathe #6318 and I were working in full uniform and in a marked patrol car. We assisted at 1136 S 43rd St on a call involving an Officer involved shooting. Officer St. Agathe was driving and I was the passenger. I activated my BWC as we responded code 3, lights and siren to the area. Upon arrival, I used yellow police tape to tape up the south, east, and north perimeter around several officers performing CPR on an individual in the middle of the street.

After setting up the police tape, I entered the Humberto's taco shop and asked people inside if they saw what happened. [REDACTED] walked up to me and said he saw what happened. I took his statement after verifying his identity, using his California identification card.

Statement of [REDACTED] (Witness):

[REDACTED] essentially said the following;

I came to the taco shop because I live very close. I entered the taco shop and I ordered my food. I sat down on the table closest to the cash register. I noticed the black man sitting to the left of the cashier. He had his back to the wall as he sat alone. He was talking to himself. I could not tell what he was saying. I also noticed his eyes were really red. He then got up after a minute and approached my table. He reached to the end of my table and grabbed a white drink container. He returned to the other side of the lobby and sat at a different table (closest to the front door). After a couple of minutes, he got up and reached into his waistband. He used his left hand to pull out a black pistol. He ran towards a police car that was out on the street with their lights on. He pointed the gun in the direction of the police car. I then heard three to four "pops". I got under a table. I could not believe what was happening. I was nervous. Other people inside the taco shop got under their tables.

[REDACTED] describes the black male with the gun as follows; Black male, mid twenties, about 5-8, thin, short curly hair, beard, not wearing a shirt, and black sweat pants.

I then spoke to one of the cooks inside the taco shop. [REDACTED] (spanish speaker) said he was inside the freezer box at the time of the incident. [REDACTED] did not hear or see the incident.

On 10/18/2022, at approximately 1750 hours, Officer L. Sandoval #7273 and I responded to an officer involved shooting at 1100 S 43rd Street. When Officer Sandoval and I arrived on scene, Officers J. Along with Officers Morrison and Arredondo was Probation Officer H. Zamudio #7175.

Officer Morrison requested Officer Sandoval and I cover him so he could reload his firearm. I unholstered my department issued firearm and pointed it at the subject lying in the street who was still holding a firearm. I could see an inserted magazine in the firearm and the slide of the firearm was forward. After holding our position, Sergeant Reese created a plan to apprehend the suspect.

I holstered my firearm and officers moved forward on the suspect. I removed the firearm from the suspect's right hand. And walked behind the white pickup truck. I rendered the firearm safe by ejecting the firearm magazine and racking the slide back. There was no ammunition inside the magazine or inside the chamber of the firearm. I set the firearm magazine and firearm on top of the hood of the white pickup truck. Probation Officer Zamudio stood by with the firearm for the remainder of the time I was at the scene.

REPORT NARRATIVE

OFFICER STATEMENT:

On 10-18-2022, at approximately 1736 hours, I was in full SDPD uniform and driving a marked patrol vehicle. I responded to a radio call regarding a male (later identified as Derrick Weatherspoon DOB [REDACTED] who had a handgun on his person and was acting strange, inside the Chinese restaurant located on 1002 South 43rd Street within the City of San Diego.

While enroute to the radio call, it was aired over our police radio that Weatherspoon had dropped the handgun, picked it up quickly and exited the business. It was advised Weatherspoon walked southbound on the 1000 block of South 43rd Street. Shortly after another reporting party called to advise Weatherspoon was inside of the Humberto Taco Shop located at 1136 South 43rd Street. It was advised Weatherspoon had a gun hidden under a bandana and was acting erratic.

As I was traveling southbound on the 500 block of South 47th Street, Officers aired over our police radio "SHOTS FIRED". I initiated code response to the location by utilizing my patrol vehicles over head lights and sirens. As I was arriving in the area, I was directed to block off any southbound traffic from Newton Avenue and South 43rd Street. I positioned my vehicle to block off any traffic occupying both lanes. I began directing traffic. I was then directed to canvas the area for any witnesses. I spoke to [REDACTED] and took her statement.

STATEMENT OF [REDACTED] (witness):

(Paraphrased Statement):

As I entered the Humberto's Taco Shop (1136 South 43rd St) I noticed a black male (Weatherspoon), thin build, wearing a dark shirt with yellow or white lettering. I also saw he had a grey sweater and a blue bandana. I observed he was talking to two other girls who were in line to order their food. I noticed both girls were trying to ignore him. I remember Weatherspoon telling them, "look at me, I'm talking to you", but they continued to ignore him. Weatherspoon continued to mumble some words under his breath, but he did say something about "Blood". Weatherspoon then began to walk out of Humberto's. I asked the girls if they knew him and they told me they saw he had a gun and that's why they were trying to ignore him. As I looked outside, I saw police lights (blue and red) and then heard about 4 to 5 shots. I quickly looked outside because my [REDACTED] were inside of our vehicle and I told them to get down. I did not actually see who shot, but I did hear them. END OF STATEMENT.

I asked [REDACTED] to direct me to her daughter. I met with [REDACTED] and took her statement. [REDACTED] was sitting in the driver seat of a silver Honda Civic (CA License # [REDACTED]).

STATEMENT OF [REDACTED] (witness):

(Paraphrased Statement):

I was in the driver seat of the vehicle (CA License # [REDACTED]) waiting for my mom ([REDACTED]) who was inside of Humberto's Taco Shop (1136 South 43rd St) ordering our food. I saw a black male, thin build, wearing grey sweatpants and a black beanie (Weatherspoon) running south bound on the 1100 block of South 43rd St. I then heard over 5 shots that were fired. I did not see any guns. I looked over and saw Weatherspoon fall to the ground. I looked over to my mom to see if she was ok. I saw she was yelling at us to get down. Immediately after police arrived. END OF STATEMENT.

I asked [REDACTED] who else was in the vehicle with her. [REDACTED] stated [REDACTED] was seated in the back seat of the vehicle while the incident occurred. I met with [REDACTED] and took her statement.

STATEMENT OF [REDACTED] (witness):

(Paraphrased Statement):

I was seated in the back seat of the vehicle (CA License # [REDACTED]) I was waiting while [REDACTED] was inside of Humberto's Taco Shop. I saw a black male wearing a white tank top, black pants and a black beanie (Weatherspoon). I saw he stormed out and began running southbound on South 43rd Street. While he was running, I saw he was holding a silver handgun in his right hand. I saw he was holding it by its handle the correct way and it appeared he had it very close to his right leg as if he was trying to conceal it. I then saw Weatherspoon point the handgun, but I did not see at who. I then heard over 5 shots that were fired. Weatherspoon continued to run southbound as he was trying to cover up with his body with his left arm and while he was still holding/pointing the handgun in his right hand. Weatherspoon was holding the handgun in his right hand as he was pointing it across his torso towards his left side. Weatherspoon took a few more steps before I saw him stumble and eventually fall to the ground. END OF STATEMENT.

BWC was activated during this incident.

REPORT NARRATIVE

OFFICER REPORT:

On 10/18/2022 at 1802 hours Officer C. Rabonza #1388 and I were in full uniform driving a marked San Diego Police Department patrol vehicle. At that time we responded to a radio call regarding a male who was armed with a firearm and acting erratically in the area of 1100 43rd Street, San Diego, CA 92113.

Over the radio I heard "shots fired" and that the armed suspect was down. Over the radio I also heard an officer on scene request that units respond to the Humberto's Taco Shop located at 1136 S. 43rd Street, San Diego, CA 92113 to gather witness statements. I volunteered to take the task.

At the Humberto's I spoke with multiple employees to include: [REDACTED]. Via telephone, I also spoke to [REDACTED] of the Humberto's Taco Shop, [REDACTED]. The employee witness statements can be seen below.

Statement of [REDACTED]
Statement is paraphrased.

On 10/18/2022 at around 1700 hours I was working the cash register at Humberto's Taco Shop when a male (S1) approached the counter and asked for a cup of water. S1 then sat down at a table located within the taco shop, along the northern wall. I made the male some water and placed it on the order counter. Another male, unrelated, brought the water to the table that S1 was sitting. Shortly after that a customer approached the me at the counter and told me that S1 had a gun. I did not see the gun but multiple other customers noticed it. At one point a customer asked S1 to leave the shop. S1 complied and left. I did not see a gun at that time.

Approximately 1 hour later, S1 returned to the taco shop and sat down at a table located inside of the shop, along the eastern wall. When he arrived this time he did not speak to me--he just sat down. Soon after, different customers began to tell me that S1 had a gun. Some customers even began to leave the shop. I still did not see S1 with a gun. However, I did notice that S1 would walk back and forth inside of the taco shop. He walked back and forth from his initial sitting table to a table located somewhere along the southern wall of the taco shop. After being told by customers about the gun, I saw S1 walking towards the southern wall. At that time I saw S1 put something into his waistband towards his right side. The object looked dark blue or black. I was not certain that it was a gun, but I suspected that it was based on the customer allegations.

At that point, I went towards the kitchen and told my co-workers that the male from earlier is back and had a gun. I told my co-workers that I could tell S1 to leave since he hadn't pulled out the gun or threatened anyone, but my co-workers advised me

not to. Instead my co-workers suggested that I call the police. While in the back of the shop, I called the police. While on the phone with dispatch I heard the shooting occur.

I have previously seen S1 while I was working at this taco shop. Last time I spoke to him (about a week ago) he was not mean to me or disrespectful. I do not know his name. He is a black male, approximately 5'03" tall, with a skinny build. Today he was wearing a black sweater and an unknown colored beanie.

I currently work from 1600 to 0100 hours, Monday and Tuesday.

End of Statement.

Statement of [REDACTED]
Statement is paraphrased.

Today while working at Humberto's Taco Shop my co-worker, [REDACTED] came to the back/kitchen and said that there was a man with a gun inside of the shop. [REDACTED] stated that she would ask the male to leave. I told [REDACTED] that she shouldn't confront him and to call the police instead. I did not see the suspect.

Statement of [REDACTED]:
Statement is paraphrased.

Today I was at Humberto's, in the back picking up some food. I used to work here. A family member of mine manages the taco shop. While I was here I was told that there was someone inside the shop with a gun and that the police were being called. I did not see the suspect nor the gun. I only heard the gunshots.

End of Statement.

While on scene I was also able to speak with the Humberto's Taco Shop manager, [REDACTED], via telephone. [REDACTED] was not able to come the scene.

I asked [REDACTED] about the video surveillance at the taco shop. [REDACTED] explained that the shop has 8 separate cameras and that the footage saves for 20 days. [REDACTED] is the only person who can access the footage. [REDACTED] stated that he works Monday - Friday, 0900 to 1500 hours.

On October 19, 2022 at approximately 1736 hours, Officer B. Bohan and I volunteered to assist on a radio call involving a male possibly armed with a firearm at 1136 S 43rd Street. We arrived on scene and parked our vehicle on the west curb line of 1236 S 43rd Street.

When I arrived on scene, I saw a male laying on the ground on the street, I could not see if he was lying face down or face up. There were several officers at the scene, giving the male commands to not reach for a firearm. I remained with Officer B. Bohan as he spoke to two witnesses at the scene, see his report for more information. I located a subject who was inside the Humberto's taco shop. He was identified as [REDACTED]. [REDACTED] stated he did not see the shooting, but was inside his Honda Civic (CA# [REDACTED]) inside the parking lot.

REPORT NARRATIVE

OFFICER STATEMENT

ORIGIN:

On October 18, 2022 at about 1736 hours, Officer J. Cortez #5999 and I were dispatched to a crime in progress radio call at 1002 S. 43rd Street in San Diego regarding a subject who dropped a gun inside the restaurant and then picked it up quickly. [REDACTED] called 911 from 1002 S. 43rd Street in San Diego.

[REDACTED] described the suspect as a Black male in his twenties, average height and thin, wearing grey pants. The suspect was standing in line to order.

[REDACTED] stated the suspect put the gun back in his sweatshirt. [REDACTED] described the gun as black in color.

While enroute, another reporting party [REDACTED] stated a Black male in his twenties, 5'6" tall, thin built, wearing a black beanie, gray and black sweatshirt and black pants had a gun hidden under a bandana on the table and was acting erratic.

At about 1745 hours, Officer J. Morrison #7144 aired on the radio shots were fired.

At about 1747, Officer Cortez and I arrived at the scene. I positioned our patrol car at the intersection of S. 43rd Street and Boston Avenue.

As I rushed towards the officers who were by a white pick-up truck at 1200 S. 43rd Street (West curb line), I saw a dark complected male on the ground about ten feet away from the white pick-up truck and the officers. As I got closer, I saw the male on the ground had a black handgun on his right hand.

The male on the ground was facing down and his head pointed south on S. 43rd Street.

A plan was placed to contact the male suspect with the gun. My role in the contact team was hands on. I saw an officer took the handgun from the suspect and I placed my handcuffs on the suspect. After the suspect was placed on handcuff, I saw Officer H. Lemly #7437 performed CPR on the male.

I then placed police tape to set up an inner perimeter. I placed police tape from S. 43rd Street and Keeler Avenue all the way down to S. 43rd Street and Boston.

I was then tasked to mark the shell casings at the scene. I marked the casings with yellow placards. After the shell casings were marked with placards, I was told that the residence located at [REDACTED] had impact rounds.

I spoke with [REDACTED] was the resident at [REDACTED]. [REDACTED] told me he only heard gunshot sounds outside of his residence. [REDACTED] then showed me the bullet holes on his house. There was a bullet hole at the front window just to the left of the front door. There was also a bullet hole at the curtains of that same window. There was an impact round in the storage room next to the master bedroom. There was also a small bullet hole to the right above the same window that had a bullet hole.

[REDACTED] informed me [REDACTED] and [REDACTED] was inside the house when he heard the sounds of gunshots. I spoke with [REDACTED] and [REDACTED] separately and took their statement. Both [REDACTED] and [REDACTED] did not witness the incident. [REDACTED] and [REDACTED] only heard several gunshots while they were in the living room.

After I spoke with [REDACTED] and his family, I posted at S. 43rd Street and Keeler Avenue which was the eastern perimeter of the scene.

I parked our police vehicle north of the subject and other officers to control traffic. I began setting up caution tape to form a perimeter.

After I set up the caution tape, I spoke with the reporting party [REDACTED], who I identified through his California Driver License (CA [REDACTED]) I asked [REDACTED] what happened and he essentially stated the following.

STATEMENT OF [REDACTED] (Witness):

I was inside Humbertos Tacos with my daughter when I saw a black male with no shirt walk inside. The male appeared to be on drugs because he was acting erratic, talking to himself and harassing other customers. I had my daughter sit down at a table while I got our food. The black male sat next to my daughter and put a black gun wrapped in a purple bandana on the table next to my daughter. He put it on the table as if it was nothing. I knew it was a gun by its shape and size. I'm not familiar with handguns so I don't know what type of gun it was but I knew it was a handgun.

The male was aggressive with staff and customers demanding the staff get him something to drink. I think he saw the cops arrive on scene because when they did, he left the store and began running south on 43rd Street. Shortly after the black male left, I heard a lot of gunshots and I grabbed my daughter and we hid behind a green van. I don't know the exact number of gunshots I heard, and I didn't see who shot the guns.

/// END OF STATEMENT ///

I went to the front of Humbertos Tacos shop and spoke to [REDACTED] who I identified through her California Driver License (CA [REDACTED]) I asked [REDACTED] what she saw and she essentially stated the following.

STATEMENT OF [REDACTED] (Witness):

My boyfriend and I came to get food at Humbertos Tacos. My boyfriend went inside to get our food while I stayed in the passenger seat of our vehicle. My boyfriend exited our vehicle and at that moment I saw a black male with no shirt run from the Taco store with what looked like a gun. I'm not familiar with guns but it looked like the one you have. (I pointed to the gun on my duty belt and [REDACTED] said "Yes like that one.") I saw him run south on 43rd Street. I saw a police vehicle driving north on 43rd Street. Then the black male pointed a gun at the officers and started shooting at them as they were driving by. I'm not even sure if the officers were looking for him or something, the black male just started shooting at them. I watched the police officers start shooting back then my boyfriend told me to "get down" and I ducked to the floor board in the passenger seat of our car. I heard about 10 gunshots but I'm not sure from whos gun.

I saw other customers leave the taco shop and they told me the black male was just in the store. He appeared to be agitated and aggressive towards them. The two females told me he was harassing them and showed the gun to them. As he showed them the gun, he said "Look at me when I talk to you."
I haven't seen those two females since I talked to them.

/// END OF STATEMENT ///

I was unable to locate the females [REDACTED] spoke with. I stayed with [REDACTED] until San Diego Sheriff's Homicide Detectives could speak with her.

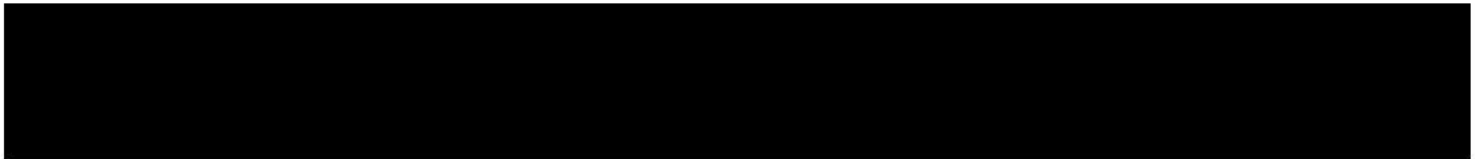

I held a north perimeter position until I was properly relieved.

My BWC was activated.

A second reporting party (Anonymous) stated five to six minutes ago, a black male was in the parking lot to the Victory Outreach Church waving a gun around and put the gun in his right front pocket. The reporting party described the male as black male, 30-40s, 5'7 to 5'9, thin, possible beard, wearing black beanie, unknown color shirt, and black pants. The reporting party stated he had left the area and no longer had visual on the male. The reporting party stated the male was last seen walking southbound on 1000 South 43rd Street.

While enroute to the location, a third reporting party (later identified as Juana Vargas) stated she saw a male with a handgun hidden under a bandana on the table acting erratic so she left the location to call the police. Vargas stated the male was a black male, 20's, 5'6, thin, black beanie, gray/black sweatshirt, black pants, black gun, and purple scarf.

Officer J. Morrison #7144 and Officer F. Najera-Arredondo #1052 arrived on scene at 1200 South 43rd Street and aired shots fired.

Officer Andal and I activated our emergency lights and siren and continued to the scene. While enroute to the scene, Officer Morrison aired the suspect was down and had the handgun still in his hand.

Officer Andal and I parked our patrol vehicle on the south side of 1200 South 43rd Street to stop northbound traffic at 1200 South 43rd Street and Boston Avenue.

Officer Andal and I ran towards the officers at the scene on the west curb line of 1200 South 43rd Street. I saw a black male with no shirt, black pants, and holding a black handgun on his right hand as he laid on his stomach down in the street. The male's head was facing eastbound. The male was moving but was not responding to officer's commands to drop the handgun.

Officers approached the male from the south side and I approached the male pointing my weapon towards him. As I reached the male, I placed my right foot on his right wrist to prevent the male from raising the handgun towards us. Officer removed the handgun from his right handgun and I released my foot off his wrist.

I separated the officers involved in the shooting and I ensured they were okay. I asked them which direction they fired. Officer Morrison told me he fired south and possible to the southeast parking lot.

I checked the direction of the shots fired from the officers and suspect to ensure we did not have any additional victims.

I checked the following locations.

1212 Suite a South 43rd Street. I located a bullet hole on the wall next to the front door of Delicia's Taco Shot and a bullet ricochet in the south end of the building.

1212 Suite B South 43rd Street. I located a bullet hole in the wall next to a video camera of El Tajins.

South 43rd Street. I located a video camera pointing northbound on 1200 South 43rd Street. I spoke to [REDACTED] and she told me she did not know how to operate her cameras but they did record. She told me detectives could reached out to them.

1205 South 43rd Street and I located a video camera to the front of Studio 72. The business was closed.

I spoke to [REDACTED] (reporting party) and I took her statement.

I called the anonymous reporting via department cell phone and I took his statement. The reporting party stated he wanted to remain anonymous but was willing to speak to detectives.

I called the third reporting party via Sgt. Ayala's ARJIS department cell phone and I took her statement.

I recorded the following parked vehicles at the scene.

On October 19, 2022, at 0342 hours, I called the Sheriff's Communications Center and requested evidence tows respond to the scene to collect the SDPD vehicle involved in the OIS, along with a second vehicle believed to have been struck by gunfire.

At 0429 hours, while waiting for the Crime Lab tow truck to arrive on scene, Detective Pantoja and I attempted to speak with a possible [REDACTED] of Weatherspoon. The possible [REDACTED] who was later identified as [REDACTED] was standing just behind the crime scene barrier tape on Keeler Avenue, just west of South 43rd Street. [REDACTED] was standing next to a female, who verbally identified herself as [REDACTED] advised she was the family's advocate, and that the family would not speak to us.

At 0450 hours, Sheriff's Property and Evidence (P&E) Specialist T. Gonzalez (5824) arrived on scene with the Crime Lab's tow truck and collected the SDPD patrol vehicle (Lic# 1445054) and a white Ford Ranger (Lic# [REDACTED]). Both vehicles were transferred into the custody of P&E Specialist Gonzalez and removed from the scene at 0533 hours.

At 0541 hours, I spoke with E. Ortiz (6594) at Sheriff's Records and had the vehicles entered into the Stored Vehicle System (SVS).

At 0801 hours, Detective Pantoja and I spoke with [REDACTED] and [REDACTED] in front of Humberto's Taco Shop, located at 1136 South 43rd Street. The statements were audio recorded and later added to the electronic case file (refer to audio file and/or statement report for details).

At 0859 hours, Detective Garcia, Detective Pantoja, and I checked Delicia's Taco Shop, located at 1212 South 43rd Street, for video and evidence. The shop manager, [REDACTED] allowed us to utilize the business' video surveillance system to review and download footage of the incident. While reviewing the footage, I noticed the system had four camera angles that were motion activated. Only one of the angles covered the front of the business and possibly captured events related to the OIS.

According to the time stamp of the video, On October 18, 2022, at 1740 hours, an apparent debris cloud, presumably from a bullet strike, could be observed within the parking lot. Detective Garcia and I established the timestamp on the video recording was five minutes faster than the actual time. I downloaded the video from the system, and it was later added to the electronic case file. At 1012 hours, the download was completed, and I left the business. At 1030 hours, I concluded my involvement with this investigation for the day.

STATEMENT OF [REDACTED]

ORIGIN:

On Wednesday, October 19, 2022, at about 0058 hours, Detective A. Rego (0439) and I interviewed [REDACTED] at the intersection of South 43rd Street and Alpha Street in the city of San Diego. The interview was audio recorded. The following is a synopsis of the interview. The following summary has been condensed for the ease of the reader and is not necessarily the order in which it was discussed. The synopsis is not meant to either replace or to be an exact record of what is in the recording.

PERSON INTERVIEWED:

STATEMENT of [REDACTED] **(Witness):**

[REDACTED] was at a taco shop with her friend [REDACTED] at around 1730 hour the day prior. She did not know the name of the taco shop but was able to point it out and described it as having the red stripe at the top while pointing at Humberto's Taco Shop located at 1136 South 43rd Street. [REDACTED] walked in the taco shop and the suspect walked in about 30 seconds after she did. Later in the interview, [REDACTED] described the suspect as a "skinny black dude", with short hair, and he had dirty clothing. The suspect was out of breath and sluggish. [REDACTED] also observed the suspect talking to himself and speaking in different pitched voices. She believed the suspect was possibly under the influence of drugs or alcohol.

At some point, the suspect left a cup of water on the front counter and sat down at a booth. [REDACTED] and [REDACTED] were seated near the door, but [REDACTED] back was towards the door. Suddenly, the suspects said, "Hey, hey!" and began speaking to [REDACTED] and [REDACTED]. [REDACTED] looked at the suspect and he said, "I want you to get up and go over there...you see that cup over there? Get that cup of water over there and bring it to me." [REDACTED] ignored him because the suspect was "clearly on something" and she was also nervous. [REDACTED] looked away from the suspect and then he responded by saying, "Oh, so you're not gonna look at

me? You're not gonna fucking look at me?". The suspect kept repeating this for about five minutes.

While [REDACTED] and [REDACTED] were waiting for their food, the suspect got up, walked past their table and retrieved his cup of water. After grabbing his cup, the suspect went to sit back down, but this time he sat at the booth right next to the door of the taco shop. [REDACTED] also recalled the suspect walking into the taco shop with purple bandana. She did not notice that there was a gun inside of the bandana, but apparently [REDACTED] did at some point.

[REDACTED] eventually saw the suspect with a gun, and he began to wave the gun around while he was at the booth. She later described the suspect's gun as a "big ass black gun" and it looked similar to my sidearm Glock pistol I was wearing. The suspect kept asking, "You're not gonna look at me?" [REDACTED] became nervous and was not quite sure about what to do. She recalled thinking about maybe writing a message on her phone and sliding the phone to [REDACTED] but thought the suspect may notice. She also thought about telling the people "At the front" of the taco shop that the suspect had a gun, but she was too afraid to move.

The suspect was now becoming more aggressive and continued to talk to himself and hit himself. The suspect then looked over and saw the cop car driving down the street. After seeing the cop car, the suspect said something along the lines of "oh blood" and ran out of the taco shop. Right after running out of the taco shop, [REDACTED] observed the suspect "turn the gun sideways" and started shooting and running at the same time. The suspect was shooting towards the cop car. After hearing the shots, everyone began to duck down. [REDACTED] thought she was the only one who actually saw the suspect shooting and most other people were reacting to hearing the shots and then quickly taking cover. [REDACTED] believed the police officers were still in their car and the car was still moving when the suspect began to shoot at them. She was "one hundred percent sure" she saw the suspect shoot at the cops first. At some point, she heard the officers telling the suspect to stop and put his gun down. After the shots went off, [REDACTED] exited the taco shop through a side door.

[REDACTED] did not know what the suspect's intentions were or if he planned on shooting the gun inside of the taco shop. After the shooting occurred, [REDACTED] placed a call to her best friend. She checked her phone and noted the time of that call was at 1747 hours. [REDACTED] placed this call maybe two to three minutes after she witnessed the shooting. She remained on scene for about 10 minutes after the shooting. [REDACTED] then saw the suspect's dead body and it was too much for her to handle and she needed to leave the area. She thought about staying in case the police wanted to talk to her, but she just decided to leave and was going to walk into a police station tomorrow. Later in the evening, she ran into officers during an unrelated call and decided to provide a statement at that point.

STATEMENT OF [REDACTED]

Origin:

On Tuesday, October 18, 2022, at approximately 2210 hours, Detective M. Gibson (#0387) and I contacted [REDACTED] who was sitting in the front passenger seat of a champagne-colored Cadillac Escalade. The Escalade was parked facing southbound along the west curb line of South 43rd Street, just north of the intersection of South 43rd Street and Keeler Avenue. [REDACTED] walked with us to Detective Gibson's Ford Explorer which was parked nearby where we interviewed her. The interview was audio recorded and a copy was later placed in the case file. The statement below should not replace the actual audio recording of the verbatim statement. The following is a synopsis of the interview. For complete details, refer to the audio recording.

Person Interviewed:

[REDACTED]

Statement of [REDACTED] :

[REDACTED] her boyfriend, [REDACTED] and their six-year-old daughter, [REDACTED] arrived at the location in their Escalade at about 5:30pm to get food from Humberto's. [REDACTED] was in the driver's seat, [REDACTED] was in the front passenger seat, and [REDACTED] was in the rear driver's side seat. [REDACTED] exited the vehicle to go get them food but first he opened the back door to speak with [REDACTED] before going inside.

While [REDACTED] was talking to [REDACTED] [REDACTED] was looking over her left shoulder towards the back seat area when she heard what she believed to be a car backfiring. [REDACTED] didn't think anything of it at first until [REDACTED] said, "Oh shit, get down." [REDACTED] couldn't process what was happening, so she turned around and saw the guy (later determined to be Derrick Weatherspoon) running down the street towards the cop car. [REDACTED] did not know where Weatherspoon came from. [REDACTED] had never seen Weatherspoon before and described him as a black guy carrying a black handgun.

██████ saw Weatherspoon shoot at the cop car as he ran past. ██████ was focused on Weatherspoon and did not see where the cops were when Weatherspoon was shooting. ██████ ducked down in her seat but was still kind of watching as she saw the cops react and shoot Weatherspoon and Weatherspoon fell to the ground.

██████ did not hear Weatherspoon, or the officers say anything during the incident.

Shortly after, more cops arrived on scene, and she saw officers giving Weatherspoon CPR. Some women came out of Humberto's and told ██████ Weatherspoon had come from the taco shop where he had been harassing people and had been swinging a gun around in the air.

██████ and ██████ left after the shooting and ██████ stayed with their car after being told they could not move it from the crime scene.

STATEMENT OF [REDACTED]

Origin:

On Tuesday, October 18, 2022, at approximately 2234 hours, Detective M. Gibson (#0387) and I contacted [REDACTED] who was seated in the rear passenger side seat of a Honda Civic. The civic was parked facing westbound on the north curb line of Keeler Avenue in front of 1136 South 43rd Street. [REDACTED] walked with us to Detective Gibson's Ford Explorer which was parked nearby where we interviewed her. The interview was audio recorded and a copy was later placed in the case file. Person Interviewed:

Statement of [REDACTED]:

[REDACTED] arrived at the location to get food and waited in the car with her sister while their mom went inside to order. [REDACTED] was seated in the rear passenger side seat of the vehicle. [REDACTED] saw a guy (later determined to be Derrick Weatherspoon) inside the taco shop near one of the first seats by the entrance acting antsy. [REDACTED] clarified Weatherspoon was fidgety, appeared anxious and was playing with a bandana.

[REDACTED] saw Weatherspoon run out of the taco shop with what she believed was a silver gun in his right hand and run southbound. Initially the gun was pointed down and then Weatherspoon lifted it up and pointed it in a slanted position. [REDACTED] used her left arm to demonstrate how Weatherspoon used his left arm to partially cover his face while he shot the firearm from his right hand.

[REDACTED] heard gun shots and saw Weatherspoon shooting, but her view was partially obstructed by a vehicle so she could not tell exactly what he was shooting at. [REDACTED] used her hand to point southbound on S 43rd St (towards the patrol vehicle involved in the incident) and said Weatherspoon was shooting in "that direction." [REDACTED] estimated she

Person Interviewed:

[REDACTED]

Statement of [REDACTED]:

[REDACTED] came to the location with his wife who had gone inside Coin Laundry to do their laundry. [REDACTED] was sitting in the driver's seat of his truck (which was parked in the same position), playing on his phone for about 30 minutes when he heard people screaming and yelling. [REDACTED] said everything happened so fast, but he looked up and saw a guy (later determined to be Derrick Weatherspoon) running towards the cop car and yelling something to the effect of "mother fucker." [REDACTED] described Weatherspoon as a black male with a skinny build and wearing dark pants. [REDACTED] did not recognize Weatherspoon from any prior interactions. [REDACTED] first saw Weatherspoon as he approached the white lane lines ([REDACTED] pointed towards the dashed white lane lines dividing the two southbound traffic lanes of S 43rd St, just south of the intersection of S 43rd St and Keeler Ave).

[REDACTED] saw Weatherspoon run straight towards the cop car and start shooting at the cops who were still inside their patrol car as he ran past them. [REDACTED] believed one of Weatherspoon's bullets broke the front window of the patrol car and estimated he had shot at the officers about six times. [REDACTED] then saw the officer who was driving the patrol car quickly exit the vehicle, but he could not see the officer on the passenger side because

During this shift, Officer Najera was driving his department assigned patrol vehicle (Unit# 7306). Officer Najera was wearing soft body armor underneath his uniform shirt, and had been wearing the same uniform since the start of this shift. His body worn camera (BWC) was powered on and was recording throughout the duration of his involvement.

Officer Najera was carrying a flashlight, OC spray, and a taser CED during the incident. He was not carrying a less lethal shotgun, a pepper ball launcher, a lethal shotgun, nor an AR-15 rifle on his person during the incident, however, he did have a shotgun, a less lethal shotgun, and an AR-15 rifle within his assigned patrol vehicle at the time.

Officer Najera had his department issued Glock 17, 9mm handgun with him during the incident. His Glock was loaded with one magazine containing █ cartridges, in addition to one cartridge loaded into the chamber of his pistol. This is the manner in which Officer Najera normally carries and maintains his firearm. He was also carrying two additional handgun magazines containing █ cartridges each. Officer Najera █ additional firearms on his person. Officer Najera does not recall how many times he discharged his handgun during the incident, and he does not remember when his last department firearms qualification occurred.

Today, Officer Najera and his partner, Officer Morrison, received a radio call while patrolling the southeastern division area. The radio call was regarding a subject who had dropped a handgun in a public area. After receiving the call, Officer Najera got onto the 805 Southbound, and took it to the 43rd Street exit. Upon exiting the freeway, he activated his BWC. While still enroute to the call, additional reports came in of someone waiving a gun around in the area, which made the initial report appear more credible. Officer Najera thought someone was walking around with a gun and was concerned the suspect was going to start shooting at officers or the public.

Officer Najera's plan was to meet with the first reporting party to find out what was going on and gather more information. He thought if they were to see the suspect prior to contacting the reporting party, they would conduct a high-risk pedestrian stop.

Officer Najera and Officer Morrison have been partners for over a year, so they both knew what steps would need to be taken, without having to say anything to each other. They have responded to similar calls in the past, and the incidents resolved successfully using the same tactics.

While driving to speak with the reporting party, Officer Najera was traveling northbound in the number two lane on 43rd Street, and stopped at a red light at an intersection. While stopped at the intersection, another radio call was dispatched advising of someone inside Humberto's Taco Shop with a gun.

Officer Morrison pointed at Humberto's Taco Shop, which was about a block away and said, "It's right there." Officer Najera activated the vehicle's overhead emergency lights, and went through the red light toward the taco shop. He then asked Officer Morrison, "Is it the guy on the corner?" as he couldn't remember the suspect's description. While Officer Najera was looking at the subject on the corner, a black male without a shirt on, later identified as Derrick Weatherspoon, came running from the taco shop directly at Officer Najera and Officer Morrison.

Officer Najera alerted Officer Morrison, saying "watch out, he's got a gun, he's got a gun!" While warning Officer Morrison, Officer Najera opened his driver's side door and watched as Weatherspoon approached with a gun in his hand pointed at the officers. Officer Najera heard Weatherspoon shoot once, while Officer Najera drew his department issued pistol and immediately returned fire.

Weatherspoon changed direction and began to run away from the officers, while still shooting. Officer Najera continued shooting until Weatherspoon fell to the ground next to a white pick-up truck which was parked on the west curb-line of 43rd Street. Officer Najera kept his gun pointed at Weatherspoon, because he observed Weatherspoon still had a gun in his hand. Officer Najera began giving commands, "Don't fucking move or I will shoot you!" Weatherspoon did not respond to the commands.

Officer Najera advanced toward Weatherspoon and took cover behind the pick-up truck, in the event Weatherspoon got up and started shooting again.

Officer Morrison was standing parallel to Officer Najera, but in the middle of the street out in the open. Officer Najera told Officer Morrison to come over to his location to get behind cover.

Officer Najera observed the gun was still in Weatherspoon's right hand, and his back moving, which made Officer Najera believe Weatherspoon was still breathing. Officer Najera watched Weatherspoon attempt to get up, but laid back down. Weatherspoon's back stopped moving, and he continued to ignore commands given by officers.

Officer Najera took the magazine out of his pistol, placed it in the back of the pick-up, and re-loaded his gun with a full magazine from his duty belt. Suddenly, a gray Ford Explorer arrived on scene, and someone jumped out yelling "blue, blue, blue" which meant to Officer Najera that they were law enforcement officers as well. The unknown officers helped Officer Najera and Officer Morrison keep an eye on Weatherspoon until additional officers arrived on scene.

Once more officers arrived, Officer Najera grabbed the used magazine he left in the back of the pick-up truck and put it into a back pocket of his pants, then moved to the front of the pick-up. Once at the front, they formulated a plan to take Weatherspoon into custody. Multiple officers advanced toward Weatherspoon and removed the gun from his hand. Officer Najera grabbed Weatherspoon's hands and assisted another officer with handcuffing him.

As soon as Weatherspoon was detained, an unknown officer or sergeant directed Officer Najera to a nearby patrol vehicle and he was removed from the incident. Officer Najera was not injured before or during the incident.

Officer Najera believed the suspect was trying to kill him and his partner, and had no time to consider any other force option other than lethal force. Officer Najera believes that if he did not address Weatherspoon with lethal force, Weatherspoon would have kept shooting at them and killed him, his partner, and/or a member of the public. Officer Najera stopped shooting when Weatherspoon fell to the ground, and the threat was no longer imminent.

Officer Najera had no prior contacts or knowledge of Weatherspoon preceding this incident. Officer Najera did not have any further information. The interview concluded at 2349 hours.

The statement provided by Officer Najera was voluntary, not ordered, or compelled.

STATEMENT OF [REDACTED]

ORIGIN:

On Tuesday October 18, 2022, at about 2132 hours, Detective Gastrich and I contacted a witness, [REDACTED], inside Humberto's Taco Shop located at 1136 South 43rd Street in San Diego. I audio recorded my contact and conversation with [REDACTED]. I later placed a copy of the audio recording onto an access-controlled server on the Sheriff's network. Refer to the audio recording for exact or specific statements.

PERSON INTERVIEWED:

STATEMENT OF [REDACTED]:

[REDACTED] walked to the taco shop to order food at about 1745 hours that day. [REDACTED] saw a male sitting in a booth south of where food orders are placed. [REDACTED] had never seen the male, who was seated alone, before. [REDACTED] stated the male had red colored eyes and was talking to himself and appeared "disoriented". [REDACTED] felt the male might be under the influence of drugs or had some mental illness. [REDACTED] could not hear what the male was saying. The male had his back towards the wall behind him and he appeared to be staring out the front of the store while talking to himself.

The male got up and went to several other booths before sitting in a booth on the southeast side of the restaurant. [REDACTED] saw the male reach for what he described as the handle of a black pistol concealed on the left side male's person. A marked San Diego Police Department (SDPD) patrol vehicle with its emergency lights activated but no siren was driving in the direction of the store. Upon seeing the marked patrol vehicle, the male immediately exited the restaurant and pointed the black pistol in the direction of the patrol vehicle. The male's attention was "focused" on the marked patrol vehicle that was arriving. The male's head was moving as if he was actively tracking or following the arriving patrol vehicle as it arrived in the area. The male exited the store as the marked patrol vehicle

Statement of [REDACTED] **: (Witness)**

On October 18, 2022, at about 1730 hours, [REDACTED], his girlfriend, [REDACTED] and their six-year-old daughter, [REDACTED], arrived to Humberto's taco shop to get food. [REDACTED] exited his vehicle, while paying attention to his cellphone, and opened the back door to where [REDACTED] was sitting.

[REDACTED] then heard what he believed was fireworks, which drew his attention to a male, who was later identified as Derrick Weatherspoon, running toward a police car, shooting. As soon as [REDACTED] recognized the danger of the situation, he said, "Oh shit, get down." [REDACTED] watched as the officers returned fire, and Weatherspoon fell to the ground.
