BRIEF AND SCENE

ORIGIN:

On November 14, 2023, at approximately 0043 hours, I received a text message notification of a San Diego Police Department (SDPD) Officer Involved Shooting (OIS) that took place near the intersection of 41st Street and Wightman Street in San Diego. I responded as part of Homicide Team III.

I was assigned as the lead investigator.

INVESTIGATION:

On November 14, 2023, at approximately 0200 hours, I arrived at the aforementioned location. I parked my department issued vehicle on 41st Street. At the time of the initial investigation, I noted the area had minimal pedestrian and vehicle traffic. The area was both commercial and residential. I believed there was minimal traffic given the time of night. The area was poorly lit, so was therefore very dark.

Yellow crime scene tape was placed throughout the scene to establish a perimeter, to prevent pedestrian and vehicle traffic from entering. There were SDPD marked patrol units that guarded the scene throughout the duration of the investigation.

On November 14, 2023, at approximately 0217 hours, SDPD Sergeant Davis #6819 provided an investigative brief. The following law enforcement personnel were present for the briefing.

LAST NAME	FIRST NAME	ARJIS	CALL SIGN	WORK LOC.
Kuehn	Jessica	0081	10H33	Homicide
Stone	Joshua	3523	10H	Homicide

Sergeant Davis provided the following information during the investigative brief;

On November 13, 2023, at approximately 2302 hours, SDPD received a call of a male that shot a female at [REDACTED] Polk Avenue. The reporting party stated the suspect was still outside the residence and with the firearm. Several officers arrived on scene and located the female victim [REDACTED] with a graze wound to her head. [REDACTED] advised the suspect was [REDACTED], Imanol Aparicio, who resided at [REDACTED].

At approximately 2330 hours, Officer Matthew Ruggiero #6118, Officer Jeremy Avalos #7668, and Officer Jonah Tafoya #1273 responded to 3800 Central Avenue and attempted to contact Aparicio. Officers observed Aparicio and attempted to make contact, but he ran eastbound while reaching in his waistband. Officers told him to stop and he did not comply. Aparicio was given multiple warnings and Officer Ruggiero, Avalos, and Tafoya fired multiple rounds from their firearms, striking Aparicio several times. Following the shooting, a "ghost gun" was observed near Aparicio and had a "stove pipe" malfunction.

Officers began rendering aid, including CPR, until paramedics arrived and transported him to Scripps Mercy Hospital. Aparicio was pronounced deceased at 0003 by Doctor Amelia Simpson from Scripps Mercy Hospital. No officers were injured or struck by gunfire during the incident.

Aparicio [REDACTED], was at the Carpio residence with San Diego Police Officers.

Page 3 of 35

Following the investigative brief, at approximately 0237 hours, I assigned Detectives Ricca and Hendricks with conducting interviews of the involved officers, who were standing by at the Mid City SDPD station.

I assigned Detective Herrero with coordinating a video surveillance canvass with Detectives Hipschen and Lopez. Following the canvass, I tasked Detective Herrero with going to Scripps Mercy Hospital with Detective Arevalo #3269 and Forensic Evidence Technician (FET) Robison #6300.

I requested FET Robison and Detectives obtain a Gun Shot Residue (GSR) test from Aparicio and collect any items of evidence as allowed by the Medical Examiner Investigator. Refer to Detective Herrero's follow-up report and FET Robison's report for additional information regarding the processing of Aparicio at the hospital.

Detective Ricca informed me the Officers elected to conduct a scene walkthrough but wanted to postpone their interviews for at least 24 hours.

While waiting for the Officers and their attorney to arrive on scene, I asked Sergeant Davis where the foot pursuit was initiated. Sergeant Davis was unsure on where the foot pursuit initiated but advised the Officer(s) vehicles were parked on 41st Street.

On November 14, 2023, at approximately 0328 hours, I observed SDPD Officers Hibbard and Gonzales were on scene as peer support.

On November 14, 2023, at approximately 0331 hours, Attorney Rico Dominguez transported all three officers to the scene, where they conducted a scene walk-through one by one. All walk throughs were captured by Detective Ricca's BWC and through forensic photographs by FET Gervasoni. Below is additional documentation of what information was provided during the scene walkthroughs.

WALKTHROUGH:

On November 14, 2023, at approximately 0335 hours, Sergeant Ruggiero initiated his scene walk through. He began his walk through at his patrol vehicle, which was #7687. He walked northbound on 41st street, towards Wightman. When Sergeant Ruggiero observed the suspect walking westbound on Wightman Street, he pursued the suspect as he turned northbound into an alleyway between 41st and Central Avenue. Sergeant Ruggiero moved towards the right (east side) of the alleyway and took a position near a pinkish colored fence. He discharged his firearm in a northwest direction. Refer to the below photograph, which shows the approximate location of where he was standing during the shooting. The scene walkthrough concluded at approximately 0345 hours.

Page 5 of 35

On November 14, 2023, at approximately 0347 hours, Officer Tafoya initiated his walk-through near patrol vehicle #7187, which was parked on the east side of 41st street, in a parking spot. Officer Tafoya walked northbound on 41st street and pointed out where they observed Aparicio walking westbound on Wightman. They pursued Aparicio westbound on Wightman until Aparicio crossed the street, into the alleyway. Once in the alley, Officer Tafoya took cover behind a gray SUV where he fired one round in a northern direction. Refer to the below photograph, which shows the approximate location of where he was standing during the shooting. The walkthrough concluded at approximately 0356 hours.

On November 14, 2023, at approximately 0357 hours, Officer Avalos initiated his walkthrough by his patrol vehicle, which was vehicle # 7697 and parked on the westside of 41st Street. Officer Avalos advised he observed Aparicio walking westbound on Wightman when they attempted to detain him. They pursued him westbound on Wightman until Aparicio crossed the street and ran into an alleyway. Once in the alleyway, Officer Avalos fired approximately nine rounds from the eastside of the alleyway. Refer to the below photograph for the approximate location of where Officer Avalos advised he was standing during the shooting. The walkthrough concluded at approximately 0405 hours.

INVESTIGATION:

On November 14, 2023, at approximately 0407 hours, all three Officers left the scene with Attorney Dominguez and returned to the Mid City Police Station where they were processed for evidence by FET Gervasoni. Detective Ricca stood by for the processing, Refer to Detective Ricca's report for additional information.

On November 14, 2023, at approximately 0441 hours, SDPD Domestic Violence Detective Jerico called me to report that he interviewed [REDACTED] regarding the domestic violence incident. Detective Jerico told me according to [REDACTED] Aparicio was texting and calling her all day to get back together. He arrived at her residence where she continued to say she did not want to be with him. He then reached into his backpack and removed a firearm, where he resumed to fire a round in her direction causing a graze wound to her forehead. A cartridge case was recovered from the scene.

[REDACTED] was unaware of any gang affiliations Aparicio had.

On November 14, 2023, at approximately 0500 hours, I requested all relevant 911 audio and radio transmissions from SDPD Detective Bernard.

On November 14, 2023, at approximately 0723 hours, Detective Ricca received a download of the body worn camera (BWC) footage from all three Officers. We reviewed the videos, which I believed were consistent with what each Officer said during the scene walkthrough. From reviewing the body worn camera and the Officer evidence processing, I believed Officers shot approximately the following number of rounds.

Sergeant Ruggiero – 9

Officer Avalos – 9

Officer Tafoya – 1

SCENE:

The scene of the incident was the span of approximately .1 miles according to google maps. The distance included where the Officer's patrol vehicles were parked to where the shooting incident took place, all of which was outdoors. Below are several photographs obtained via Unmanned Aerial System (UAS). All UAS photographs were obtained by Video Analysis Unit Deputies Muzic #0117 and Bloomberg #5393. Due to being near an airport, Deputy Muzic advised the images may not capture the entire scene due to a height limitation. To show the entire scene in terms of distance, I utilized the below image from google maps.

SCENE PHOTOGRAPHS:

On November 14, 2023, at approximately 0550 hours, FET Gervasoni documented the scene with forensic photographs. All photographs in this report hereafter were taken by FET Gervasoni and labeled "MMG" followed by the photograph number, unless otherwise noted.

On November 14, 2023, at approximately 0615 hours, FET Gervasoni began the process of identifying items with placards. In the search of the scene, items identified as having evidentiary value were photographed in place, identified with a placard, and collected. The placards were used for inventory purposes and do not indicate the order in which an item was found, nor do they indicate the relevance of an item.

FET Gervasoni initiated forensic photography near [REDACTED] 41st street, where the Officers parked their patrol vehicles. Refer to the below photograph.

The above photograph captures westbound Wightman Street. During the Officer walkthroughs, it was noted that Aparicio initially engaged with Officers while on the south curb of Wightman Street and then crossed the street, northbound, between the above pictured red Honda SUV and charcoal Honda sedan. I observed what appeared to be a dash camera in the front windshield of the charcoal Honda sedan. I later tasked Detective Herrero with contacting the owner of the sedan to inquire about the video's capabilities. Detective Herrero learned the dash camera was not operable at the time of the incident.

On November 14, 2023, at approximately 0615 hours, FET Gervasoni labeled items of evidence with placards. Refer to the following photographs as they depict key items of evidence from the scene of the shooting incident.

(MMG_0345)

The above photograph depicts several of the cartridge cases that were recovered from the scene. Placards #1 through #9 were 9mm cartridge cases. Many of the cartridge cases were also marked by lined paper. I recognized the paper as coming from small notebooks carried by law enforcement. Based on my experience, Officers will often use the paper as a means of marking evidence and protecting it from external factors such as wind or pedestrians.

(MMG_0404)

The above photographed firearm was recovered from the scene and labeled with placard #26. It was identified as a Polymer80 firearm containing four rounds of 9mm ammunition in the magazine and two rounds of 9mm ammunition in the chamber. The weapon appeared to have experienced what is commonly referred to as a "double feed" malfunction.

(MMG_0406)

The above photograph shows the double feed malfunction. Upon looking into the chamber of the firearm, I noted a cartridge is fed into the chamber and making contact with another cartridge that is in the barrel. Based on my training and experience, when this malfunction takes place, the two cartridges are essentially competing for space and cannot evacuate the chamber without technical assistance. Based on my training and experience, this type of malfunction is uncommon.

On November 14, 2023, at approximately 0923 hours, Criminalist Mazurek #0923 arrived on scene and initiated documenting the scene with the FARO. Criminalist Mazurek worked under the guidance and assistance of Criminalist Hensley. The FARO scans were completed as of 1050 hours. For additional information on measurements and trajectory of the shooting, refer to the FARO scan and Criminalist Mazurek's report.

On November 14, 2023, at approximately 1404 hours, all evidence processing was completed. For additional information on the evidence collection, refer to FET Gervasoni's report. In total, nine 9mm cartridges cases were recovered and eight .45 cal cartridge cases were recovered.

On November 14, 2023, at approximately 1415 hours, all Detectives and crime laboratory personnel exited the scene.

This concludes the brief and scene report. For additional information on the investigation, refer to the additional follow-up investigative reports.

EVIDENCE:

The following items were collected from the scene as evidence. The order of items is based on their placard number. In parenthesis is the Forensic Item Number (FIN) which is used to identify the item in evidence.

1. 9 mm cartridge case (FIN 3.1)
2. 9 mm cartridge case (FIN 3.2)
3. 9 mm cartridge case (FIN 3.3)
4. 9 mm cartridge case (FIN 3.4)
5. 9 mm cartridge case (FIN 3.5)
6. 9 mm cartridge case (FIN 3.6)
7. 9 mm cartridge case (FIN 3.7)
8. 9 mm cartridge case (FIN 3.8)
9. 9 mm cartridge case (FIN 3.9)
10. .45 cal cartridge case (FIN 3.10)
11. .45 cal cartridge case (FIN 3.11)
12. .45 cal cartridge case (FIN 3.12)
13. Gun magazine (later returned to Officer and not placed into evidence)
14. .45 cal cartridge case (FIN 3.13)
15. .45 cal cartridge case (FIN 14)

FOLLOW-UP

ORIGIN:

On November 13, 2023, at approximately 2330 hours, San Diego Police Department (SDPD) Officers Tafoya #1273, Avalos #7668, and Sergeant Ruggiero #6118 were involved in an Officer Involved Shooting (OIS) incident near [REDACTED] Wightman Street in San Diego, Mid-City Division. The suspect of the shooting incident was identified as Imanol Aparicio, who was contacted after he reportedly he shot [REDACTED]. Aparicio died because of the OIS.

On November 14, 2023, I was assigned as the lead investigator of the OIS. I responded as part of San Diego Sheriff's Homicide Team III. This report contains details of the investigation after November 14, 2023.

For information related to the investigation on November 13, 2023 – November 14, 2023, refer to the brief and scene report.

All media related to this investigation was later placed into evidence at Sheriff's Main Property and Evidence, located at 5590 Overland Avenue in San Diego.

INVESTIGATION:

On November 15, 2023, the autopsy examination of Aparicio took place at the Medical Examiner's Office, located at 5570 Overland Avenue Suite #101 in San Diego. Detective Herrero #1129 attended the autopsy with Forensic Evidence Technician (FET) Gervasoni #6196. The examination was performed by Doctor Schoppe, who provided a preliminary cause of death as multiple gunshot wounds, and the manner of death was homicide. Refer to Detective Herrero's autopsy report for additional information.

On November 15, 2023, at approximately 1150 hours, Detective Ricca #0055 and I arrived at the SDPD Police Officer Association building, located at 8388 Vickers Street in San Diego to interview Sergeant Ruggiero, Officer Avalos, and Officer Tafoya. The interviews were audio recorded and attended by Attorney Rico Dominguez. For additional information on the interviews, refer to their statement reports and audio recordings.

On November 15, 2023, at approximately 1435 hours, Detective Herrero provided me with two envelopes containing Aparicio's two cellphones, which were seized from his pants during the autopsy examination. The phones were apparently covered in blood and not powered on.

Follow-up Investigative Report

Event: E8898448

Case Number: 23148432

Officer(s) Involved: Ruggiero, Tafoya, Avalos

Location: [REDACTED] Wightman Street, San Diego

Date Occurred: 11-13-2023

Page 2 of 5

On November 16, 2023, I learned a positive identification via fingerprints was made that confirmed Aparicio was the decedent.

On November 16, 2023, Detective Herrero called [REDACTED] to inform her the decedent was [REDACTED], Aparicio. [REDACTED] only spoke Spanish. She told Detective Herrero she did not know the passcodes to his phones. Refer to Detective Herrero's follow-up report for additional information.

On November 17, 2023, at approximately 0900 hours, Criminalist Chang #4826 from the San Diego Sheriff's Department crime laboratory returned the Officers firearms to me. I secured the firearms within my workstation until they could be returned to SDPD. Sergeant Stone #3523 informed me the firearms would be returned on November 21, 2023, following the OIS presentation to the District Attorney's Office.

On November 21, 2023, I returned the firearms to SDPD personnel.

On November 26, 2023, Criminalist Mazurek informed me the FARO scan was uploaded into the electronic casefile for this investigation.

On January 3, 2024, Detective Herrero informed me he received a voicemail from an attorney representing the family of Aparicio. The attorney identified himself as George Siddell and requested the names of the police officers involved in the investigation.

Detective Herrero later sent me an email from Atty Siddell, with the same content as the voicemail. Atty Siddell advised he was in possession of a video, "that was taken by one of the police officers involved with the shooting." Atty Siddell alleged an officer posted the video onto YouTube because, "he believed the 2 shots fired by fellow officer were unjustified." I forwarded the email to my direct supervisor, Sergeant Stone #3523.

Sergeant Stone later informed me he spoke with Atty Siddell, who was willing to turn over the video as evidence. Detective Herrero sent a link to Atty Siddell's office for the video to be uploaded.

On January 4, 2024, at approximately 1625 hours, we received an email from "[REDACTED]" from [REDACTED], advising the original source of the video was downloaded from Police Activity YouTube Channel. Detective Herrero reviewed the video and told me it was of body worn camera (BWC) footage released by SDPD and a video of ABLE showing the gun was next to Aparicio's body. I reviewed the videos and confirmed one

video was from Officer Avalos's BWC and the other video was released by SDPD as a press release.

On January 9, 2024, I authored search warrant [REDACTED], authorizing the search the Aparicio's cellphones.

I removed the phones from the envelopes as provided by FET Gervasoni. I noted the phones were covered in what I believed to be blood. The phones were out of battery, so I cleaned the phones with disinfectant wipes and charged them. I noted one of the phone's background photograph was of a tan and white dog. The phone was a black apple iPhone and had one camera lens on the back. The phone will hereafter be referred to as Phone #1.

Phone #2 was also a black apple iPhone but with two camera lenses on the back.

On January 11, 2024, at approximately 1200 hours, Senior Crime and Intelligence Analyst (SCIA) Cabral #7974 started the download process of phone #1 utilizing the Graykey system.

On January 17, 2024, at approximately 1000 hours, SCIA Cabral returned the phone to me and advised the Graykey system was not operational, and the phones could not be downloaded.

On January 18, 2024, at approximately 1121 hours, Detective Dias # 1866 transported the cellphones to the Computer and Technology Crime High Tech Task Force (CATCH) to be downloaded.

On January 25, 2024, at approximately 1014 hours, I received an email notification from CATCH advising the phones were ready to be picked up. I booked an appointment for February 1, 2024, to pick up the phones.

On January 31, 2024, at approximately 1518 hours, I received a phone call from CATCH requesting to reschedule the appointment for February 5, 2024.

On January 31, 2024, I reviewed body worn camera (BWC) video from the incident. Refer to the BWC review report for additional information.

On February 5, 2024, at approximately 1330 hours, I picked up Aparicio's cellphones from CATCH and transported them back to the Major Crimes Division (MCD) building, located at 5590 Overland Avenue. CATCH also provided me with a USB device containing

Page 4 of 5

cellphone data. The two phones and USB device were later placed into evidence at Main Property and Evidence, located at 5590 Overland Avenue in San Diego.

I reviewed the report by CATCH Detective Perham #0327, which essentially stated one of the phones (phone #1) did not have a SIM card present and it did not support a memory card. A before first unlock (BFU) file system was obtained and extracted. The extracted data was transferred to a bitlocker encrypted portable media device. The other phone (phone #2) was not unable to be downloaded, given its BFU state. Detective Perham noted in his report the device was running passcode recovery and would be documented in a subsequent assignment.

On February 5, 2024, at approximately 1400 hours, I reviewed the cellphone data provided in the bitlocker protected media device. There was minimal data extracted from the phone, which included photographs, videos, a list of applications on the phone, and location data.

I reviewed the photographs from the phone and did not locate any photographs of Aparicio's weapon or indication he was suicidal or homicidal. There were several photographs of himself and [REDACTED], many of which were sexually explicit.

I reviewed videos from the phone and there were no videos of evidentiary value.

I reviewed the location data from the phone and noted there were three locations documented on November 13, 2023. The locations given were in latitude and longitude. Refer to the following figure for additional information.

The #1 location provided coordinates of 32.799580 and -117.155006. I used a GPS coordinates map which revealed a location of Sharp Memorial Hospital.

The #2 location provided coordinates of 32.713858 and -117.158751. I used a GPS coordinates map which revealed a location of Andaz San Diego, located at 600 F Street in San Diego.

The #3 location provided coordinates of 32.878579 and -117.233675. I used a GPS coordinates map which revealed a location of Pepper Canyon Hall on the UC San Diego Central Campus.

On February 6, 2024, at approximately 0719 hours, I e-mailed the San Diego County Medical Examiner's Office for an update on Aparicio's autopsy report.

On February 7, 2024, at approximately 0727 hours, the ME's office returned my e-mail, advising the autopsy report was not yet completed.

On February 7, 2024, at approximately 1139 hours, Detective Herrero forwarded me another email from Atty Siddell. I attached the email to the access controlled electronic casefile for this investigation.

This concluded my investigation at this time.

AUTOPSY OF IMANOL APARICIO

Origin:

On Wednesday, November 15, 2023, at approximately 0930 hours, Field Evidence Technician (FET) M. Gervosani (SH6196) and I attended the Medical Examiner's Officer autopsy of Imanol Aparicio.

Investigation:

On Wednesday, November 15, 2023, at approximately 0943 hours, FET Gervosani and I were met by Forensic Autopsy Specialist (FAS) S. Hannum. FAS Hannum escorted us into the autopsy room. The daily case log showed that Imanol Aparicio was being investigated by the Medical Examiner's Office under the alias of John Doe, with Medical Examiner's Case #2023-03619. The assigned Pathologist was Doctor C. Schoppe. Aparicio was lying on a medal examination table, in a white body bag, which had Red Tag #7387244 affixed to it (See Figure 1).

Figure 1

On Wednesday, November 15, 2023, at approximately 0945 hours, Dr. Schoppe removed the red seal and opened the bag. Aparicio was laying on the examination table in a supine position. His head, hands and feet were covered with brown paper bag (See Figure 2).

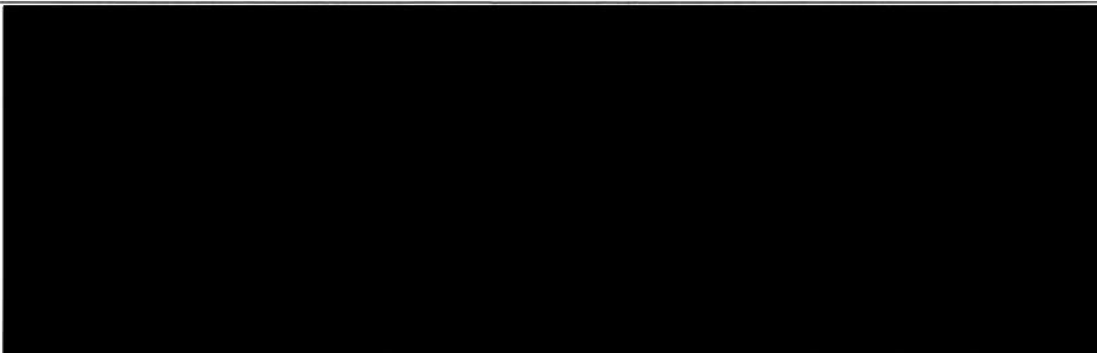

Figure 2

On Wednesday, November 15, 2023, at approximately 0950 hours, FAS Hannum removed all bags from Aparicio's extremities. The bags were provided to FET Gervasoni as evidence.

A visual examination of Aparicio's body revealed various medical paraphernalia on his body, including an airway breathing apparatus, and medical apparatus sticking out from his right pelvis and one in each leg, just below the knees (See Figure 3).

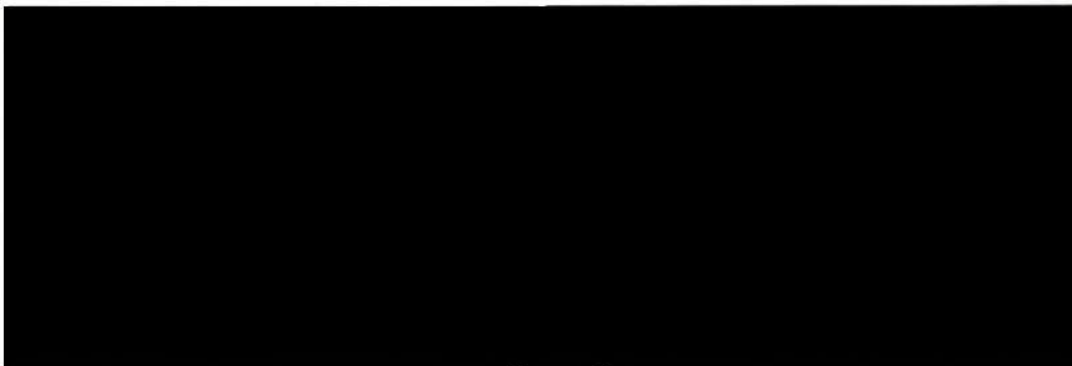

Figure 3

On Wednesday, November 15, 2023, at approximately 0958 hours, FAS Hannum removed all medical paraphernalia from Aparicio's body. FAS Hannum advised me Aparicio's was 67 inches in height and 171 pounds in weight. At approximately 1049 hours, FAS Hannum washed Aparicio's body. A visual examination revealed 15 visible defects on Aparicio. The following chart shows the defect locations marked in red (See Figure 4).

ORIGIN:

On Tuesday, November 14, 2023, at approximately 0044 hours, I received a text message from Sheriff's Homicide Sergeant J. Stone (#3523) advising me of a San Diego Police Department (SDPD) officer involved shooting. The shooting took place near 4068 Wightman Street in the city of San Diego. I responded as a part of Sheriff's Homicide Team III which consisted of Detective J. Kuehn (#0081), Detective F. Herrero (#1129) and me.

Detective Kuehn was assigned as lead detective.

INVESTIGATION:

On Tuesday, November 14, 2023, at approximately 0200 hours, I arrived on scene at the intersection of 41st Street and Wightman. At 0217 hours, I attended an investigative brief conducted by SDPD Sergeant J. Davis (#6819). I learned the decedent, Imanol Aparicio, had been shot by San Diego police officers. The involved officers were identified as, SDPD Officer J. Avalos (SD7668), Officer J. Tafoya (SD1273), and Sergeant M. Ruggiero (SD6118). The briefing concluded at approximately 0237 hours. See Detective Kuehn's brief and scene report for details on the briefing.

At the conclusion of the briefing, Detective Kuehn assigned Detective T. Hendricks (#5117) and me to assist with processing and interviewing the shooting officers at SDPD Mid-City Division located at 4310 Landis Street in the city San Diego.

On Tuesday, November 14, 2023, at approximately 0301 hours, Detective Hendricks and I arrived at the Mid-City Division Station.

While at the Mid-City Division Station, I met with Police Officer Association (POA) Attorney R. Dominguez. I asked Attorney Dominguez if the shooting officers were willing to conduct walk-throughs prior to being processed and interviewed; Attorney Dominguez advised the three involved officers were willing to conduct a walk-through of the scene.

On Tuesday, November 14, 2023, at approximately 0326 hours, Attorney Dominguez transported the officers to the intersection of 41st Street and Wightman Street.

On Tuesday, November 14, 2023, at approximately 0329 hours, Detective Hendricks and I arrived at the intersection of 41st Street and Wightman Street. We met with Attorney Dominguez and the involved officers.

Follow-up Investigative Report

Event: E8898448

Case Number: 23148432

Officer(s) Involved: Ruggiero, Tafoya, Avalos

Location: [REDACTED] Wightman Street, San Diego

Date Occurred: 11-13-2023

Page 2 of 15

On Tuesday, November 14, 2023, at approximately 0331 hours, the officer walk-throughs commenced. I utilized my body worn camera (BWC) to audio and video record the individual walk-throughs of the scene by each involved officer. Detective Kuehn, Detective Hendricks, Field Evidence Technician (FET) M. Gervasoni (#6196), Criminalist K. Hensley (#7836) and Attorney Dominguez were present during the walk-throughs. The walk-throughs concluded at 0405 hours. See Detective Kuehn's brief and scene report for additional details.

Following the walk-throughs, Attorney Dominguez transported the involved officers back to the Mid-City Division Station.

On Tuesday, November 14, 2023, at approximately 0412 hours, Detective Hendricks and I returned to SDPD Mid-City Division. Upon arrival, I spoke with Attorney Dominguez who advised the involved officers would not be providing a statement at this time and he would contact me later to schedule the officer interviews.

On Tuesday, November 14, 2023, at approximately 0428 hours, FET Gervasoni began the evidence processing of Sergeant Ruggiero in the Mid-City Division briefing room. Detective Hendricks, Criminalist K. Hensley, SDPOA Attorney R. Dominguez, SDPD Homicide Sergeant C. Turner and I were also present during the processing. FET Gervasoni photographed Sergeant M. Ruggiero wearing the same uniform to include an internal ballistic vest and belt with gear as he was wearing at the time of the incident. Sergeant Ruggiero was wearing a body worn camera (BWC) during the incident however, during processing he did not have the BWC on his person. There were no defects observed on Sergeant Ruggiero's uniform and no injuries noted on his person. See below image.

0710 hours. I later placed the audio recording into the electronic case file. Refer to [REDACTED] Statement Report and/or the audio recording for further details.

Following the interview with [REDACTED] Detective Herrero and I returned to the command post and arrived at approximately 0717 hours.

On Tuesday, November 14, 2023, at approximately 0723 hours, I received a secured share file link via email from SDPD Homicide Detective Bernard which included the body worn camera (BWC) footage from the involved officers. I briefly reviewed the BWC footage with Detective Kuehn.

On Tuesday, November 14, 2023, at approximately 0800 hours, Detective Herrero was advised [REDACTED] was the registered owner of a Honda Civic that was parked along 41st Street. The Honda Civic appeared to have a dash camera. [REDACTED] had a listed address of [REDACTED] in the city of San Diego. At approximately 0815 hours, Detective Herrero and I contacted [REDACTED] at the Wightman Street address. [REDACTED] advised the dash camera on his vehicle was not functioning. See Detective Herrero's follow up report for additional details.

On Tuesday, November 14, 2023, at approximately 0819 hours, I was flagged down by a resident identified as, [REDACTED] at [REDACTED], San Diego. [REDACTED] advised he was aware investigators were inquiring about his surveillance cameras. [REDACTED] indicated his cameras were not working but indicated he had heard gun shots last night but did not witness the incident.

On Tuesday, November 14, 2023, at approximately 0824 hours, I was standing by at the command post with Detective Herrero when an individual identified as [REDACTED] approached the outer perimeter of the command post and requested to speak with us. [REDACTED] had concerns about the shooting incident that he wanted to provide to us. I activated my audio recorder to record the contact. Our contact with [REDACTED] concluded at approximately 0828 hours. I later placed a copy of the recording into the electronic case file. Refer to Detective Herrero's follow up report and/or the audio recording for further details.

On Tuesday, November 14, 2023, at approximately 0913 hours, while at the command post, Detective Herrero was advised a male subject identified as [REDACTED] wanted to speak with investigators about the OIS. Detective Herrero and I met with [REDACTED] I activated my audio recording to record our conversation with [REDACTED] [REDACTED] provided a brief statement regarding the OIS investigation. Our contact with [REDACTED] concluded at 0918

hours. See Detective Herrero's follow up report and/or the audio recording for further details.

On Tuesday, November 14, 2023, at approximately 1054 hours, I began assisting Detective Kuehn and FET Gervasoni with the collection of evidence at the scene.

On Tuesday, November 14, 2023, at approximately 1130 hours, Detective Kuehn requested Detective Herrero and I contact the resident/s at [REDACTED] [REDACTED] [REDACTED], San Diego to obtain consent to search the yard of the residence for any evidence. Detective Herrero and I attempted to contact the resident at the above-mentioned location however the property was secured with a locked gate, and we were unable to contact the resident.

While assisting with the evidence collection, at approximately 1132 hours, Criminalist Hensley advised the alleyway fence of [REDACTED] had defects consistent with projectile holes. Detective Herrero and I contacted the resident of [REDACTED] who was identified as [REDACTED]. [REDACTED] gave us consent to enter her backyard to allow a search of the yard for projectiles and to further examine the defects to her property.

On Tuesday, November 14, 2023, at approximately 1144 hours, I assisted Detective Herrero with searching two of three garages located at [REDACTED] [REDACTED] San Diego. The garages ran parallel with the alley where the shooting incident occurred. The two garages assigned to search had visible defects consist with projectile holes in the doors. I located a single projectile in the middle garage. See Detective Kuehn's brief and scene for further details.

On Tuesday, November 14, 2023, at approximately 1202 hours, the resident of [REDACTED] 41st Street was preparing to leave and opened the gate to the property. I contacted the resident identified as, [REDACTED] [REDACTED] allowed us access to his yard to search for possible evidence items. I assisted Detective Herrero with searching [REDACTED] yard. During the search I located two expended cartridge casings. I completed my involvement with the search of the yard at approximately 1231 hours. See Detective Kuehn's brief and scene report for further details.

On Tuesday, November 14, 2023, at approximately 1232 hours, I was informed by Detective Kuehn she observed a projectile in the backyard of [REDACTED], San Diego. Detective Kuehn requested Detective Herrero and I contact the resident/s at the location to request permission to recover the projectile. At approximately 1234 hours, Detective Herrero and I contacted the resident identified as [REDACTED]

[REDACTED] and asked permission to access her backyard. [REDACTED] allowed us to access her yard to collect the projectile. See Detective Kuehn's brief and scene report for further details.

Following the completion of the evidence collection, I was released from the scene at approximately 1406 hours.

On Wednesday, November 15, 2023, at approximately 0939 hours, I contacted SDPOA Attorney R. Dominguez regarding scheduling the involved officers' interviews. Attorney Dominguez advised the officers were ready to be interviewed and would be available to meet at 1145 hours. Attorney Dominguez advised the interviews would take place at the SDPOA building located at 8388 Vickers Street in San Diego.

On Wednesday, November 15, 2023, at approximately 1150 hours, I arrived at the SDPOA building with Detective Kuehn to conduct the interviews with the involved officers.

On Wednesday, November 15, 2023, at approximately 1157 hours, Detective Kuehn and I interviewed Sergeant Ruggiero in the conference room at the SDPOA. Also present during the interview was SDPOA Attorney Dominguez. I activated my audio recorder to record the interview. The interview concluded at approximately 1236 hours. I later transferred a copy of the audio recording to the electronic case file. Refer to Sergeant Ruggiero's statement report and/or the audio for complete details.

On Wednesday, November 15, 2023, at approximately 1241 hours, Detective Kuehn and I interviewed Officer Avalos in the conference room at the SDPOA. Also present during the interview was SDPOA Attorney Dominguez. I activated my audio recorder to record the interview. The interview concluded at approximately 1310 hours. I later transferred a copy of the audio recording to the electronic case file. Refer to Officer Avalos' statement report and/or the audio for complete details.

On Wednesday, November 15, 2023, at approximately 1313 hours, Detective Kuehn and I interviewed Officer Tafoya in the conference room at the SDPOA. Also present during the interview was SDPOA Attorney Dominguez. I activated my audio recorder to record the interview. The interview concluded at approximately 1339 hours. I later transferred a copy of the audio recording to the electronic case file. Refer to Officer Tafoya's statement report and/or the audio for complete details.

I concluded my involvement with the investigation at this time. Any additional follow up will be documented in a separate report.

BWC VIDEO REVIEW

ORIGIN:

This report contains still images captured from Body Worn Camera videos from law enforcement personnel involved in the Officer Involved Shooting (OIS) incident from November 13, 2024.

The purpose of this report is to provide a slowed down version and different perspective from what was captured on the BWC videos. The first section of this report contains images from the law enforcement personnel directly involved, Officers Avalos, Tafoya, and Sergeant Ruggiero.

The second section of this report contains images obtained by SDPD Airborne Law Enforcement Unit (ABLE).

The third subsection contains images from BWC images of other Officers on scene of the incident, but not directly involved in the OIS.

The BWC footage was transferred to an access controlled electronic casefile for this investigation and placed into evidence at San Diego Sheriff's Main Property and Evidence, located at 5590 Overland Avenue in San Diego. For details of the BWC footage in its entirety, refer to the videos themselves.

OFFICER AVALOS BWC

The following image shows the approximate moment when Officer Avalos located Aparicio walking westbound on Wightman Street. Officer Avalos then started to walk towards Aparicio northbound on 41st street, ultimately turning westbound on Wightman Street.

Date Occurred: 11-13-2023

Page 3 of 47

The below images take place on Wightman Street. Officer Avalos was facing westbound Wightman Street. The images show Aparicio turning towards Officers as Officer Avalos said, "Sir, San Diego Police. Come over here for a second. Get your hands out of your pockets, get your hands out of your pockets turn around, get your hands out of your pockets turn around, hands out of your pockets turn around." It took several commands by law enforcement before Aparicio removed his hands from his pockets. I noted Aparicio removed something from his pockets, in his right hand, but I was unable to distinguish what the item was. Aparicio appeared to place the item into his back pants pocket. During this time, Aparicio continued to move away from law enforcement. Refer to the below three images.

ABLE then zoomed into where Aparicio was on the ground and captured the following images, which revealed he was in possession of what appeared to be a firearm and backpack. The firearm appeared to be within Aparicio's left hand. The firearm is identified with the yellow circle. The backpack is identified with a red rectangle.

OTHER OFFICER BWC FOOTAGE

OFC JENNINGS:

I reviewed video from Officer Katherine Jennings #7802 BWC. The BWC captured an Officer removing a backpack from Aparicio and then placing it onto the ground. Another Officer picks up the backpack and places it further away from the suspect. Refer to the following two images.

The K9 Officer gave Aparicio verbal commands to see his hands and if he did not comply, then he would be bit by a police dog. There was no movement from Aparicio. The K9 Officer released his K9 to move Aparicio away from the firearm. Officers on scene received information from ABLE that Aparicio was still in possession of the firearm. While the K9 pulled Aparicio towards Officers, I noted Aparicio's left shoe and part of his jeans tore off.

Investigators were unable to locate any video surveillance cameras that captured the shooting incident.

For additional information on the predicate crime leading up to the OIS, refer to the investigation conducted by the SDPD Domestic Violence team.

This concluded my review of body worn camera footage and video from ABLE.

Date Occurred: 11-13-2023

Page 1 of 5

Origin:

On Tuesday, September 14, 2023, at approximately 0045 hours, Sergeant J. Stone (SH3523) notified me via text message to respond to an Officer Involved Shooting (OIS) investigation involving San Diego Police Department (SDPD). The incident occurred in the alleyway of [REDACTED] Wightman Street, San Diego. I was assigned to Homicide Team III, which at the time consisted of Detective J. Kuehn (SH0081), Detective J. Ricca (SH0055), and me. Field Evidence Technician (FET) M. Gervosani (SH6196) and Criminalist K. Hensley (SH7836) responded from the Sheriff's Crime Laboratory. Sergeant Stone assigned Detective Kuehn as the primary detective.

Investigation:

On Tuesday, November 14, 2023, at approximately 0221 hours, I arrived on scene at the Command Post (CP), which was located at the corner of 41st Street and Wightman Street, San Diego. When I arrived at the CP, the homicide briefing was already in session. SDPD Sergeant J. Davis (SD6819) was providing the briefing. I learned that the decedent, Imanol Aparicio, had been shot by SDPD Officers J. Avalos (SD7668), J. Tafoya (SD1273), and Sergeant Mathew Ruggerio (SD6118). Aparicio was transported to Scripps Mercy Hospital after the shooting and he was pronounced deceased on Tuesday, November 14, 2023, at approximately 0003 hours (Refer to Detective Kuehn's Brief and Scene Report for further).

On Tuesday, November 14, 2023, at approximately 0246 hours, Detective Kuehn assigned me to respond to Scripps Mercy Hospital, located at 4077 Fifth Avenue, San Diego, along with Detective J. Arevalo (SH3269) and FET M. Robison (SH6300) to process Aparicio's body. Sergeant Stone notified me that the Medical Examiner's Office was notified of the death and that they would meet me at the hospital. I left the CP at approximately 0351 hours.

On Tuesday, November 14, 2023, at approximately 0407 hours, I arrived at Scripps Mercy Hospital along with Detective Arevalo and FET Robison. At approximately 0445 hours, Medical Examiner Investigator (MEI) A. Sanchez (Omega #45) arrived on scene. MEI Sanchez advised me the Medical Examiner's case number for Aparicio was 2023-03619. At approximately 0458 hours, we entered Scripps Mercy Hospital, Trauma Room, Bed #1, and met with Nurse Vontrece Taylor, SDPD Officer N. Curtis (SD1400) and R. Valdovinos (SD1938). Officer Valdovinos provided FET Robison with a plastic container with had a bullet. Officer Valdovinos identified the bullet as being recovered by hospital staff from

Aparicio's right leg. Officer Valdovinos also provided FET Robison with a brown paper bag with clothing. FET Robison collected both items as evidence.

Along with MEI Sanchez, FET Robison proceeded to take photos of Aparicio. During a visual inspection of Aparicio, I noticed various defects throughout his extremities, including on the right foot sole, on the right leg by the knee, on the left thigh, left buttock, left, rear leg, and the left side of his head, above the temple. FET Robison collected a Gunshot Residue Kit (GSR), which included samples from each hand.

FET Robison ultimately collected the following items with belonged to Aparicio:

FIN	Item Description	Location	Placard
1.1	Gunshot Residue Kit from Aparicio	Scripps Mercy Hospital	N/A
1.2	Jacket	Scripps Mercy Hospital	N/A
1.3	Shirt	Scripps Mercy Hospital	N/A
1.4	Underwear	Scripps Mercy Hospital	N/A
1.5	Socks	Scripps Mercy Hospital	N/A
1.6	Watch	Scripps Mercy Hospital	N/A
1.7	Medical intervention supplies	Scripps Mercy Hospital	N/A
1.8	Fired bullet received from SDPD	Scripps Mercy Hospital	N/A

On Tuesday, November 14, 2023, at approximately 0537 hours, Medical Examiner contractor, 92 Mike Transport employee Carlos Partida (#2426) arrived and assisted MEI Sanchez in applying paper bags to Aparicio's extremities. At approximately 0537 hours, the handbags were applied. At approximately 0539 hours, the head bag was applied. At approximately 0540 hours, both feet were bagged. At approximately 0547 hours, Aparicio was placed into a white body bag. MEI Sanchez applied tamper-evident Reg Tag #4387244 to both bag zippers and sealed the bag. MEI Sanchez advised she would notify Detective Kuehn of when the autopsy would take place. MEI Sanchez took custody of Aparicio's body and Partida transported him away from the hospital at approximately 0553 hours. MEI Sanchez advised Aparicio's identity had not been verified and his case would be processed under the name John Doe until his fingerprints were verified. I cleared from the hospital and returned to the CP.

On Tuesday, November 14, 2023, at 0619 hours, Detective Kuehn assigned Detective Ricca and I to interview Aparicio [REDACTED] [REDACTED]. At approximately 0620 hours, I was at the CP when a subject named [REDACTED] arrived and stated that he was Aparicio [REDACTED]. I notified [REDACTED] that I was on my way to

speaking with [REDACTED] [REDACTED] advised me [REDACTED] was waiting at [REDACTED], San Diego. I left the CP to meet [REDACTED]

On Tuesday, November 14, 2023, at approximately 0627 hours, Detective Ricca and I arrived at [REDACTED], San Diego. We met with [REDACTED] and she agreed to provide an interview. [REDACTED] walked with us to my county issued Explorer SUV and we interviewed her in the vehicle (Refer to the Statement Report of [REDACTED]). Because the Medical Examiner's (ME) office did not have positive identification for Aparicio, I notified [REDACTED] that I could not officially pronounce Aparicio as the decedent and would contact her once the ME makes a positive identity. At approximately 0710 hours, I concluded my interview with [REDACTED] and returned to the CP.

On Tuesday, November 14, 2023, 0759 hours, Detective Arevalo notified me that a Honda Civic sedan, bearing plates [REDACTED], was parked on the street surface just north of [REDACTED] 41st Street, San Diego. The Civic appeared to have a dash camera and could have caught the OIS incident. I contacted Sheriff's Analyst A. Cabral (SH7974) to search for the registered owner. Analyst Cabral shortly advised me the owner was [REDACTED], who resided at [REDACTED], San Diego. At approximately 0815 hours, Detective Ricca and I contacted [REDACTED] at [REDACTED] [REDACTED] advised the dash camera was not functioning.

On Tuesday, November 14, 2023, at approximately 0924 hours, I was flagged down while I was at the CP by a subject named [REDACTED]. [REDACTED] stated that he resided at [REDACTED] [REDACTED] San Diego. [REDACTED] was awake when the shooting occurred, and he heard the shots of the OIS from his home. [REDACTED] was concerned because he heard multiple shots, a pause, and then an additional shot. [REDACTED] wanted to make sure that officers did not overstep their authority and wished to express concern over the delayed firing of the last round (Refer to audio recording for full statement). I notified [REDACTED] the investigation was on-going that that his concern would be noted.

On Tuesday, November 14, 2023, at approximately 0913 hours, I was at the CP when an SDPD Officer advised me a subject wished to speak with me regarding the OIS. Detective Ricca and I stepped out of the CP and met with a subject who identified himself as [REDACTED] - [REDACTED], who resided at [REDACTED] 41st Street. [REDACTED] advised me that on Monday, November 13, 2023, at around 2330 hours, he was driving home in a blue Honda Accord sedan. [REDACTED] was driving eastbound on Wightman Street, and passing the alleyway of [REDACTED], when he had to slam on his breaks because a male, who he saw carrying a "box" or something similar held up to his chest, was running across the street. [REDACTED] saw three officers chasing behind the male. [REDACTED]

proceeded to drive towards 41st Avenue and Wightman Street, and while at the corner stop sign, he heard multiple shots being fired. [REDACTED] did not witness the shooting. [REDACTED] was unable to describe the male subject who was being chased (For further refer to audio recording of [REDACTED]).

On Tuesday, November 14, 2023, at approximately 1057 hours, I assisted Detective Kuehn and FET Gervosani with evidence collection (Refer to Detective Kuehn's brief and scene for evidence list). At approximately 1133 hours, I was notified by Criminalist Hensley that [REDACTED] alleyway fence had bullet holes. Detective Ricca and I contacted the resident, [REDACTED], who gave us verbal permission to enter her backyard and search for bullets. [REDACTED] met us in the alleyway and opened her fence. Criminalist Hensley and Criminalist P. Mazurek (SH6738) processed the backyard at [REDACTED] (Refer to Mazurek's crime scene report for further).

On Tuesday, November 14, 2023, at approximately 1143 hours, I acquired keys from SDPD Officer Saldana (SD1806) to access the three garages located at [REDACTED] Wightman Street, where various bullet holes were located. I used the keys to open two garages for Criminalist Mazurek.

On Tuesday, November 14, 2023, at approximately 1202 hours, the resident at [REDACTED] San Diego, [REDACTED], allowed me access to his backyard to check for casings. I entered the backyard and searched the fence area that was adjacent to where SDPD Sergeant Ruggiero was seen standing on Body Worn Camera (BWC) footage during the OIS. In the southwest corner of the backyard, in an oversize planter, I located one casing (Placard #29). At the fence line on the southwest corner of the property, Detective Ricca located a second casing (Placard #30). Lodged between the fence and a shed on the adjacent property, Detective Ricca located a third casing (Placard #31). Through an opening on the bottom fence line, I was able to recover the third casing from the ground (Refer to Brief and Scene for further on casing collection).

On Tuesday, November 14, 2023, at approximately 1234 hours, Detective Kuehn notified me that she found a bullet had landed in the backyard of [REDACTED], San Diego. At 1202 hours, Detective Ricca and I met with the resident, [REDACTED]. [REDACTED] granted us permission to recover the bullet from her backyard (Refer to Brief and Scene Report for bullet collection).

On Tuesday, November 14, 2023, at approximately 1406 hours, I was released from the OIS scene and cleared.

OFFICER TAFOYA STATEMENT REPORT

Origin:

On November 15, 2023, at approximately 1313 hours, Detective Ricca #0055 and I interviewed San Diego Police Department (SDPD) Officer Tafoya #1273 regarding the Officer Involved Shooting (OIS) incident from November 13, 2023.

The interview took place at the SDPD Police Officer Association (POA) building located at 8388 Vickers Street in San Diego. The interview was audio recorded and attended by Attorney Rico Dominguez. Below is a synopsis of the interview. For interview details in their entirety, refer to the audio recording.

Officer Interviewed:

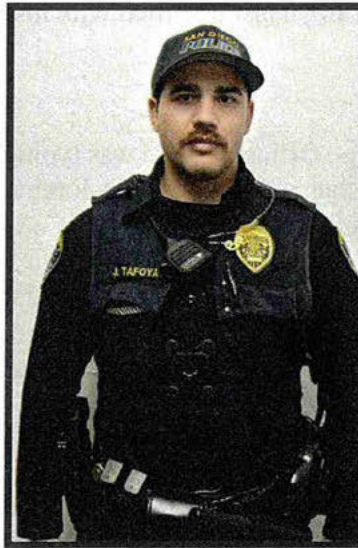

Officer: Jonah Tafoya

Badge Number: 1273

Height: 5'7"

Weight: 190

Age: [REDACTED]

MMG_0148

Investigation:

Background:

Officer Tafoya was hired by the San Diego Police Department in March of 2020 and attended the 123rd regional law enforcement academy. Tafoya worked in a patrol capacity at the Mid City Division.

Officer Tafoya [REDACTED] wear eye contacts/glasses [REDACTED] hearing impairment. He was right-handed.

Officer(s) Involved: Ruggiero, Tafoya, Avalos

Location: Central Ave and Wightman Ave, San Diego

Date Occurred: 11-13-2023

Page 2 of 3

Officer Tafoya typically worked Friday – Monday, from 2100 hours to 0700 hours. The day of the incident, he slept approximately seven (7) hours.

Equipment:

On November 13, 2023, Officer Tafoya's call sign was 832J. He worked patrol, drove marked patrol vehicle #7187, and wore a standard San Diego Police uniform with an SDPD hat.

Officer Tafoya possessed an impact weapon, OC spray, and taser, with him during the incident. He also possessed a Glock 17 9mm firearm. The firearm was loaded with a [REDACTED] round magazine and one round in the chamber, which was how he always carried his firearm. Officer Tafoya last qualified with his firearm the year prior.

Incident:

Around 2300 hours, Officer Tafoya was typing reports in his vehicle when he heard a radio call of a female that was shot in the forehead. He immediately started to drive in the direction of the radio call.

While on the way to the radio call, he heard there was a bullet hole in a television of the victim's residence. This led Officer Tafoya to be concerned the suspect had a firearm. Officer Tafoya heard the suspect was the victim's boyfriend.

Once hearing the suspect's name over the radio, Officer Tafoya used his department issued ARJIS phone to look up the suspect's identification card, where he learned the suspect was a Hispanic male, about 21-22 years old, 5'6", and 130 lbs.

Officer Tafoya heard a call for volunteers to go to the suspect's residence, in the event he returned home. Officer Tafoya elected to go to the suspect's residence.

Upon arriving near 41st Street, he met up with Sergeant Ruggiero and Officer Avalos. Officer Avalos pointed out the suspect as they observed him walking on Wightman Stret. They started to walk after him to detain him. The suspect continued on Wightman, and they had to jog to catch up with him. Officer Tafoya said he was a couple feet behind Officer Avalos when Officer Avalos initiated a pedestrian hot stop.

Officer Tafoya observed the suspect had his hands raised out to his sides, but he refused to comply with their commands to be detained. Officer Tafoya believed he heard the suspect

say something along the lines of, "come on, I'm ready". Followed by placing his hands into his sweater pocket and, "fumbling around to get something". This was when Officer Tafoya believed he was retrieving a firearm, so he removed his own gun from its holster.

The suspect stumbled backwards, tripped on a car, and then took off running away from them. Officer Tafoya then returned his gun to his holster so he could pursue the suspect. During this time, Officer Tafoya heard Officer Avalos giving the suspect commands to stop.

As he was running, Officer Tafoya observed him "messing around" and "reaching" around his chest and groin area. Officer Tafoya believed the suspect was "drawing a weapon". When they stopped running, Officer Tafoya used a nearby vehicle as cover and briefly lost visual of the suspect, which was when he heard shots were fired. Officer Tafoya gained visual of the suspect as he was on the ground and started to prop himself up. Officer Tafoya noticed a shiny silver object in his right hand that he believed to be a firearm based on its shape and given the suspect's actions of reaching into his waistband. The suspect pointed the firearm towards Officer Tafoya, so he discharged his firearm towards the suspect once while saying, "Drop the gun". The suspect brought the gun in the direction of his own head and then Sergeant Ruggiero fired a round. Officer Tafoya then noted the suspect fell flat.

Officer Tafoya believed the suspect was going to shoot him when he pointed his firearm towards him. If the suspect's actions had not been stopped, Officer Tafoya believed he was going to shoot somebody. Officer Tafoya did not consider other force options because he did not believe anything else would be effective, given he believed the suspect had a firearm.

After the suspect fell flat, they updated their location so additional units could assist. They did not approach the suspect out of fear that he was playing "possum".

At the conclusion of the interview, I asked Officer Tafoya why he believed the suspect turned towards them shortly before attempting to flee. Officer Tafoya told me, "I think he wanted to get in a shootout with us".

Interview concluded at approximately 1339 hours.

Date Occurred: 11-13-2023

Page 2 of 5

Sergeant Ruggiero [REDACTED] eye contacts/glasses [REDACTED] hearing impairment. He was right-handed.

Sergeant Ruggiero typically worked Saturday – Tuesday, from 1700 hours to 0300 hours. The day of the incident, he slept approximately seven (7) hours.

Equipment:

On November 13, 2023, Sergeant Ruggiero's call sign was 870S. He was worked patrol, drove marked patrol vehicle #7687, and wore a standard San Diego Police uniform.

Sergeant Ruggiero did not have a baton, OC spray, or a taser with him during the incident. Sergeant Ruggiero possessed a firearm during the incident, which was a Sig Sauer P220 that held 45 caliber bullets. The firearm was loaded with a [REDACTED] round magazine and [REDACTED] round in the chamber, which was how he always carried his firearm. The firearm was a personal firearm and he used department issued ammunition.

Sergeant Ruggiero last qualified with his firearm within the last qualification round, which he estimated was a few months prior.

Incident:

The night of the incident, Sergeant Ruggiero was leading a proactive team of four other Officers, a trainee, and himself.

At approximately 2330 hours, Sergeant Ruggiero was at a police station when he heard a radio call of a 245 PC shooting. Sergeant Ruggiero heard a radio call of a female advising [REDACTED] was shot in the head. He then heard the suspect was the victim's [REDACTED] a 22-year-old male wearing a black sweatshirt. Sergeant Ruggiero also heard the suspect's address over the radio and that he left the scene on foot. After hearing the information over the radio, Sergeant Ruggiero elected to go to the suspect's address to detain him since there were several other Officers going to the victim's address.

While on the way to the suspect's address, he requested other Officers assist him in staking out the suspect's address. Officers Tafoya and Avalos arrived to assist. Sergeant Ruggiero said several units went to the victim's residence because someone reported they believed the suspect was in a neighbor's yard.

Page 3 of 5

Sergeant Ruggiero said their plan was to detain the suspect if he was seen because there was reasonable suspicion to investigate if he was involved in the incident.

At one point, Sergeant Ruggiero heard over the radio the weapon was possible a BB gun. After a few minutes, Sergeant Ruggiero heard from Sergeant Bruce over the radio the weapon was a firearm, based on the trajectory of the round in the victim's residence.

While waiting for the suspect to return home, another Officer sent Sergeant Ruggiero a photograph of the suspect's California ID. Sergeant Ruggiero recalled showing the photograph to Officer Avalos but was unsure if Officer Tafoya was already on scene.

A few minutes later, they observed a Hispanic male wearing a black hooded sweatshirt walking westbound towards 41st and Wightman. Sergeant Ruggiero believed the male was the suspect and that he was armed. Sergeant Ruggiero described the area as extremely dark with minimal street lighting.

Sergeant Ruggiero said all three of them went to approach the suspect. One of the Officers told the suspect to stop. The suspect turned towards them, and then started to walk away again. Sergeant Ruggiero noted when the suspect turned towards them, he placed his hands into his waistband area or his, "kangaroo pocket". Officer Avalos was giving the suspect commands, which the suspect responded by saying, "Do it bro, do it". Officer Avalos initiated a pedestrian hot stop, but the suspect continued to say "do it" while walking away.

At this point, Sergeant Ruggiero believed the suspect was trying to get his gun out but was struggling. Sergeant Ruggiero described him as fumbling to get a grip on something. Sergeant Ruggiero believed they were about to get into a shooting.

Sergeant Ruggiero believed the suspect feared they were closing the distance on him, and he was unable to retrieve his firearm, so he fled across the street and into an ally. When he fled, he almost was struck by a vehicle.

Sergeant Ruggiero noted the suspect was young and he was not overweight. Sergeant Ruggiero said given his experience in foot pursuits, "He was not trying to get away". Sergeant Ruggiero believed the suspect was just trying to get his gun out and was not running very fast.

Sergeant Ruggiero started to give the suspect commands to stop and get to the ground. Sergeant Ruggiero described feeling as if the suspect was going to shoot him, so he removed his gun from its holster. When the suspect got to a fence, Sergeant Ruggiero

believed he could have gone over the fence, but instead he did a quarter turn towards Sergeant Ruggiero. His right hand was out of Sergeant Ruggiero's view, but he could still see that he was moving his hands in his waistband area. Sergeant Ruggiero gave the suspect a warning that he was going to shoot him, but he appeared to still be manipulating something in his waistband.

Sergeant Ruggiero estimated he shot eight rounds towards the suspect. After firing his weapon, he observed the suspect fall into a seated position. He was still a quarter turn away from him and he could not see his hands. Sergeant Ruggiero noted the suspect was facing south, towards Officers Tafoya and Avalos. Sergeant Ruggiero heard additional shots and was unsure if the suspect also fired rounds from his gun. After being shot, Sergeant Ruggiero thought the suspect would give up and follow commands. Instead, he continued to manipulate something near his waist. Sergeant Ruggiero believed he was still a threat, so he reloaded and shot the suspect in the head.

After the final shot, Sergeant Ruggiero stayed where he was and called out to Officers Tafoya and Avalos to make sure they were okay. They waited for additional units and their police helicopter to locate the suspect's firearm, so they could make a safe approach.

After more Officers arrived on scene, Sergeant Ruggiero was relieved from his position.

I asked Sergeant Ruggiero what it meant to him when someone was reaching into their waistband. Sergeant Ruggiero told me that "no reasonable person" would reach into their waistband when being confronted by law enforcement. Sergeant Ruggiero reiterated the suspect was not trying to get away from them.

Sergeant Ruggiero also mentioned he has chased people that were trying to hold their pants up while running. In this case, Sergeant Ruggiero believed the suspect was, "trying to get something out". Additionally, Sergeant Ruggiero agreed that the waistband area is a common place for someone to store a weapon.

In conclusion, if the suspect's actions not been stopped, Sergeant Ruggiero believed more Officers were at risk giving him time to hunker down and possibly more time to prepare his firearm. Sergeant Ruggiero initially wanted to use verbal commands to test the suspect's compliance. When it became evident the suspect was uncooperative, Sergeant Ruggiero did not consider any other force options because he believed the suspect was armed. When Sergeant Ruggiero heard the suspect say, "do it bro", he believed the suspect wanted to engage in a gunfight.

I told Sergeant Ruggiero the suspect's gun had a malfunction. Sergeant Ruggiero told me the suspect's actions were consistent with someone who was trying to correct a malfunction, such as performing a tap and rack, or remove a stuck weapon.

Interview concluded at approximately 1236 hours.

STATEMENT OF [REDACTED]

ORIGIN:

On Tuesday, November 14, 2023, at approximately 0627 hours, Detective Ricca and I arrived at [REDACTED], San Diego. We met with [REDACTED], who was the Imanol Aparicio [REDACTED], and she agreed to provide an interview. [REDACTED] walked with us to my county issued Explorer SUV and we interviewed her in the vehicle. [REDACTED] primarily spoke Spanish.

I have been certified bi-lingual in Spanish with San Diego County since approximately February 2014. The following interview was conducted in Spanish, and I translated it (For the full interview refer to the audio recording).

PERSON INTERVIEWED:

STATEMENT OF [REDACTED]:

I asked [REDACTED] to provide me with background information on [REDACTED], Imanol Aparicio. Aparicio's phone number was: [REDACTED]. Aparicio had a family nickname of "Nano." [REDACTED] was not sure if Aparicio had a Facebook, but she believed that he had an Instagram. [REDACTED] has never known Aparicio to be a member of any gangs. Aparicio was a motivated man and had many goals in his life. However, approximately two years ago, he sustained a head injury. [REDACTED] was not present when the night Aparicio was injured. Aparicio was out drinking with his father. According to Aparicio, he was running in a parking lot, when he hit a pole with his head. Aparicio had internal brain bleeding and he was medically induced into a coma. After Aparicio woke from his coma, he lost his sense of smell. Since waking from his coma, he has been acting strange. Aparicio's personality changed. Aparicio was now a very angry person with a short temper. [REDACTED] would constantly try and calm Aparicio anytime he became upset.

Page 2 of 3

About a year ago, Aparicio had an MRI brain scan. The doctors notified Aparicio that his scan results were normal. Aparicio lost his job approximately one year. He was an Amazon driver, but he was fired from work for not wearing a seatbelt. [REDACTED] realized shortly after Aparicio lost his job that Aparicio was depressed. Aparicio would not eat food. [REDACTED] reached out to a doctor to request assistance, but they denied her any assistance since Aparicio was now an adult and had to reach out himself. [REDACTED] has never seen Aparicio consume methamphetamine or heroin. [REDACTED] knew that Aparicio would smoke marijuana. [REDACTED] did not know Aparicio to drink alcohol often. The last time [REDACTED] saw Aparicio consume alcohol was around eight months ago.

Aparicio was dating a woman named "[REDACTED]" Aparicio and [REDACTED] have been dating since they were 12 years of age. [REDACTED] did not know much of the relationship dynamics between Aparicio and [REDACTED] because Aparicio would not speak about their problems. [REDACTED] would call [REDACTED] to ask for advice when Aparicio would get mad. During a recent conversation, Aparicio recommended to [REDACTED] that she stop speaking to Aparicio and ignore him. [REDACTED] believed that would allow Aparicio to realize what he would be losing.

About three or four weeks ago, Aparicio acquired a new job. He was working for a furniture moving company. Aparicio looked happy and he had been in a great mood. Aparicio told [REDACTED] that he planned to no longer smoke marijuana. It seemed that Aparicio was doing well, but yesterday, at the home, Aparicio found clothing that was covered in ants. Aparicio became really upset and was frustrated. [REDACTED] tried to calm him down, but Aparicio ended up punching the walls and leaving a hole. [REDACTED] gave Aparicio some space and watched him as he began to wash his clothing. [REDACTED] left the home to go for a walk. When [REDACTED] returned, at around 1920 hours, Aparicio was gone. [REDACTED] was used to Aparicio leaving the house. Aparicio would usually takes an Uber to the beach.

On Monday, November 13, 2023, at approximately 2301 hours, [REDACTED] called [REDACTED] crying. [REDACTED] said, "Imanol (Aparicio) just shot at [REDACTED]." [REDACTED] called Aparicio [REDACTED] and asked for a ride to [REDACTED] home [REDACTED] San Diego). Aparicio met with [REDACTED] and saw that she had a graze wound on her forehead where she had been shot by Aparicio. [REDACTED] has never seen Aparicio in possession of any firearms. [REDACTED] has never seen a firearm at home, and when she would clean the house, she has never found any weapons the home. Aparicio was not diagnosed with any mental disorders. [REDACTED] believes this behavior is possibly a result from Aparicio's coma since he has not been the same person since. [REDACTED] describes Aparicio as "no longer being the same son." [REDACTED] knew that Aparicio made recent appointments to see doctors for leg pain, but she did not know the extent of his medical history.

█████ reiterated that Aparicio has never been involved in gangs. But █████ recalls that one day Aparicio disappeared for the day. When he returned home, Aparicio had new tattoos. His right and left shins had tattoos on them. █████ describes the leg tattoos as spider webs or dream catchers, but she was not certain of what they were. The tattoo on his back was a butterfly with █████ name on it. Another tattoo, which █████ stated she did not like was an eagle on Aparicio's chest. The eagle was like the one on the Mexican Flag with the words reading "La Raza." █████ believed that those tattoos did not look good, but she was certain that Aparicio was not involved in any gang activity.

When asked about any backpacks that Aparicio owned, █████ stated Aparicio was the owner of a black and blue Coach brand backpack. █████ gifted the backpack to Aparicio for Christmas. When shown a photo of the backpack that was found on scene of the Officer Involved Shooting, █████ said "yes, that his backpack. I bought it for him."

Aparicio and █████ lived alone in a one-bedroom apartment. Aparicio would sleep in the bedroom and █████ would sleep in the living room. The bedroom was not private to Aparicio because █████ belongings were also in the bedroom. But she allowed him to sleep in there alone since he was an adult. █████ did not know what prompted Aparicio to shot █████. █████ did not see Aparicio drinking any alcohol yesterday. █████ was not aware if Aparicio and █████ had broken up recently. Yesterday, █████ called █████ to tell her that Aparicio had been sending her text messages, but there was no other information she knew surrounding them.

Our interview concluded at approximately 0710 hours.

OFFICER AVALOS STATEMENT REPORT

Origin:

On November 15, 2023, at approximately 1241 hours, Detective Ricca #0055 and I interviewed San Diego Police Department (SDPD) Officer Avalos #7668 regarding the Officer Involved Shooting (OIS) incident from November 13, 2023.

The interview took place at the SDPD Police Officer Association (POA) building located at 8388 Vickers Street in San Diego. The interview was audio recorded and attended by Attorney Rico Dominguez. Below is a synopsis of the interview. For interview details in their entirety, refer to the audio recording.

Officer Interviewed:

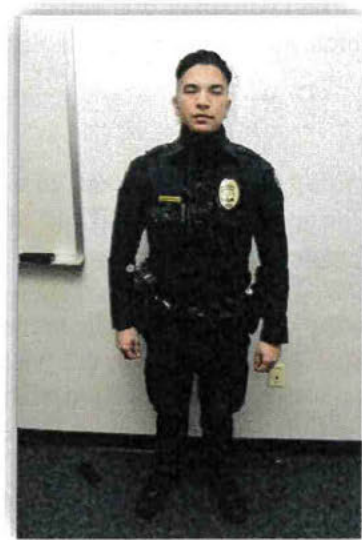

Officer: Jeremy Avalos

Badge Number: 7668

Height: 5'6"

Weight: 150

Age: [REDACTED]

MMG_0108

Investigation:

Background:

Officer Avalos was hired by the San Diego Police Department in May of 2019 and attended the 120th regional law enforcement academy. He was a Field Training Officer (FTO) and worked in a patrol capacity at the Mid City Division.

Officer Avalos [REDACTED] wear eye contacts/glasses [REDACTED] hearing impairment. He was left-handed.

Page 2 of 3

Officer Avalos typically worked Saturday – Tuesday, from 2100 hours to 0700 hours. The day of the incident, he slept approximately eight (8) hours.

Equipment:

On November 13, 2023, Officer Avalos' call sign was 824J3. He worked patrol, drove a marked patrol vehicle, and wore a standard San Diego Police uniform.

Officer Avalos' possessed an impact weapon, OC spray, and taser, with him during the incident. He also possessed a Glock 17 9mm firearm. The firearm was loaded with a [REDACTED] round magazine and [REDACTED] round in the chamber, which was how he always carried his firearm. Officer Avalos was unsure on the date of his last qualification period, but advised he last qualified with the same gun he used during the incident, during the last qualification period, which was within the previous four months.

Incident:

Officer Avalos heard a radio call of a shooting incident and assigned himself to the call. He heard the suspect resided off 41st Street, so he elected to go towards his residence in the event the suspect returned home.

Upon arriving near 41st Street, he met up with Sergeant Ruggiero and later Officer Tafoya. While they were waiting for the suspect to return home, they overheard the suspect's description was broadcasted as a Hispanic Male Adult wearing a black hoodie and tan jeans. He also heard from other Officers investigating the shooting incident that it was a confirmed 245 PC with a firearm because a "casing" was recovered on scene and the bullet was impaled somewhere in the interior of the home.

Soon after, Officer Avalos observed a male matching the suspect's description walking westbound Wightman, towards his residence. Officer Avalos wanted to detain the suspect into handcuffs, so he started to approach the suspect. Officer Avalos estimated he was approximately 30-40 feet away from the suspect when he initially observed him.

I asked if it was reasonable to believe the suspect knew they were law enforcement. Avalos said, "100%" due to his uniform and the commands he gave. Officer Avalos did not initially point his firearm at the suspect because he wanted to test his compliance. After he started to place his hands into his waistband, Officer Avalos had his firearm at the low-ready.

Page 3 of 3

I asked what it meant to him when someone is reaching into their waistband. Officer Avalos told me, "Usually going to pull out a gun or a knife or something that's going to hurt me or my partners".

Avalos noted the suspect wore a backpack but did not see the suspect reaching into the backpack.

Officer Avalos addressed the suspect by saying, "Sir, San Diego Police Department", to which the suspect responded by "fumbling around the waistband area" and did not stop.

Officer Avalos pursued him because he just shot towards someone else, and he was going in the direction of a residential area. While the suspect started walking away from them, Officer Avalos noted he was still reaching into his waistband. At some point, the suspect turned directly towards them and placed his hands in the air with nothing in them. The suspect said, "'do it dude", to which Officer Avalos responded, "I don't want to do it dude". Officer Avalos was about 10 feet away from him during the interaction.

The suspect then turned to run away from them when he almost was struck by a vehicle. They pursued him into an alley where he turned towards them again, reaching again into his waistband. Officer Avalos said he reached both hands into his waist band and was tugging on something to pull some type of object out. At that point, he knew he was potentially pulling out his firearm.

Due to Officer Avalos believing the suspect was retrieving a gun from his waistband, he fired his firearm five times. Officer Avalos said the suspect fell to the ground and then started to pick himself back up onto his right side. Officer Avalos then observed the suspect had a black firearm in his right hand, pointed in his direction, so he fired an additional four times. Officer Avalos said the suspect had just shot his girlfriend and he believed he was going to try and kill him.

Additional resources arrived on scene, and Officer Avalos was relieved from his position. After he was relieved, he was taken to the Mid City substation.

Officer Avalos did not consider any other force options because, "he just possibly shot his girlfriend" and "he was too close". Officer Avalos feared that if he put his weapon away, then the suspect would retrieve his firearm and shoot him.

Interview concluded at approximately 1310 hours.

Intrusion Response Program (NITRO) (112hrs.), Drone Forensics Course (36hrs.), Advanced Forensics Training (AFT) (76hrs.), Ransomware Investigative Principles (RIP) (8hrs.), Internet of Things Program (36hrs.), Linux for Law Enforcement (36hrs.), EMV Relay Attacks Class (6hrs.), GrayShift Advanced iOS, Advanced Android, H-11 - Chip-Off Forensics for Mobile Devices (40hrs.).

RESULTS AND CONCLUSIONS:

Item #: CA03700004490 - Apple iPhone SE (2020)

The device was retrieved from CATCH temporary evidence charging. The device appeared to be in good condition. Digital images were taken of the device and attached to the CATCH case assignment.

MAKE	Apple
MODEL	iPhone SE (2020) [iPhone12,8 D79AP]
SERIAL NO.	FFMGCJZTPLJM
PHONE NO.	[REDACTED]
SIM PRESENT	No
SD PRESENT	No

The device supports a SIM card. A SIM card was NOT present in the device. The device does NOT support a removable memory card. The device was secured with a user security lock. The submission did not include the required unlock mechanism. The device runs on the Apple iOS mobile operating system version 16.0 [20A362]. The device was determined to be in a before first unlock (BFU) state.

The device was connected to a specialized forensic tool referred to as GrayKey. Using GrayKey, I was able to obtain a before first unlock (BFU) file system and keychain extraction from the device which was saved to secured CATCH network storage. This device does not support passcode recovery in a BFU state.

I processed the resulting extraction using Cellebrite Physical Analyzer inside a sterile Windows 10 virtual machine running on the CATCH forensic processing environment. A UFDR/portable case of the located artifacts was exported. The UFDR/portable case was transferred to Bitlocker encrypted portable media.

REPORT NARRATIVE

ORIGIN:

On 11/14/2023, at about 0126 hours, I was requested to assist in an investigation regarding an officer involved shooting in the area of Wightman Street and 41st Street in the city of San Diego. I then responded and met with the Sheriff's Homicide Unit who was handling the investigation (Event# E8898448).

DEPUTY'S OBSERVATIONS AND ACTIONS:

At about 0330 hours, I arrived near the intersection of Wightman Street and 41st Street in the city of San Diego. I then met with Sergeant Stone #3523 from the Sheriff's Homicide Unit who instructed me to meet with homicide detectives for a task.

Shortly after, I met with Detective Herrero #1129 from the homicide unit. Detective Herrero requested I accompany him to Scripps Mercy Hospital (4077 5th Ave, San Diego, 92103) for a deceased subject.

Just after 0400 hours, I met with Detective Herrero at the hospital who was standing by for an investigator from the Medical Examiner's Office (ME) and a Forensic Evidence Technician (FET) from our Sheriff's Crime Lab. During that time, I learned that San Diego Police Officers had responded to a radio call (earlier in the night) of a domestic violence/attempted murder at [REDACTED], in the city of San Diego. When officers attempted to contact the suspect, the individual fled. The suspect was then contacted in the alley way behind [REDACTED], where an officer involved shooting occurred. The suspect was then transported to Scripps Mercy Hospital where he was pronounced deceased.

Once the ME and FET arrived, we entered the hospital and were taken to the deceased Hispanic male adult. I then assisted Forensic Evidence Tech (FET) M. Robison #6300 with photographs of the deceased. After FET Robison and the ME concluded their task, Detective Herrero and I left the hospital and returned to the scene.

When I arrived back on scene, I was given another task from Detective Kuehn #0081 (lead detective on the case). She requested I canvass the apartment complex located at [REDACTED]

At about 0625 hours, I began knocking on apartment doors. I started with apartments [REDACTED], but was unsuccessful getting ahold of anyone.

When I arrived at apartment [REDACTED], I contacted resident [REDACTED]). [REDACTED] did not see or hear anything. She speaks very little English.

Page 3 of 3

At approximately 0631 hours, I went to apartment [REDACTED] and spoke to resident [REDACTED]). [REDACTED] provided the following statement.

STATEMENT OF [REDACTED] (Apartment [REDACTED], [REDACTED]):

[REDACTED] said he was listening to the radio scanner and heard some police activity going on. He then heard the police helicopter up above and saw police cruisers "rushing" pass his apartment (eastbound Wightman Street). When [REDACTED] peeked outside, he saw flashlight(s) in the alleyway ([REDACTED] pointed toward the alleyway on the north curb-line between Central Av and 41st Street). He then heard "5 to 6 shots" and went back inside to tell his girlfriend what was going on. [REDACTED] then came back outside and went upstairs where he took video of what was going on. When [REDACTED] came out the second time, he stated someone shot a firework toward the police helicopter.

[REDACTED] clarified he only saw silhouettes and flashlights; he could not see anyone nor did he see anything else happen. [REDACTED] stated his neighbor (upstairs) possibly saw the incident.

During our conversation [REDACTED] showed me the videos he took. The first video depicts police addressing someone in the alleyway. The other videos show law enforcement and emergency personnel conducting CPR on someone before they are transported via ambulance. [REDACTED] sent me his videos via "AirDrop" on my department issued iPhone. I later attached his videos to the URL of this case.

He did not have any further information to add.

I took [REDACTED] personal information down and completed our contact.

DEPUTY'S OBSERVATIONS AND ACTIONS (cont):

After speaking to [REDACTED] I continued to the apartments upstairs. Starting with [REDACTED] I was unsuccessful in reaching anyone.

In [REDACTED], I spoke with resident [REDACTED]) even though there was a language barrier. [REDACTED] mainly speaks Spanish. [REDACTED] did not see anything. He did however hear "pops."

Regarding [REDACTED], I was unable to contact anyone at the door.

In [REDACTED] I contacted resident [REDACTED] and her spouse. They did not see or hear anything and said they were sleeping. The spoke very little English as well.

I did not make contact with anyone in the last apartment, residence [REDACTED]

After completing a canvass at the apartments on [REDACTED], I met up with other detectives on scene waiting for further tasks.

At about 0755 hours, I was released from the scene and concluded my involvement with the investigation.

DEPUTY'S OBSERVATIONS AND ACTIONS:

I arrived at approximately 0210 hours and attended the homicide brief in the intersection of Wightman Street and 41st St. During the briefing, I learned that San Diego Police officers were involved in a shooting with an attempt murder suspect, later identified as Manuel Aparacio. The original crime occurred at [REDACTED] Polk Ave., and officers with the Mid City Division located Aparacio in the area of Wightman St. and 41st St.

After having been shot by officers in an alley behind [REDACTED] Wightman St., Aparacio was transported to Scripps Mercy Hospital and pronounced dead at 0003 hours.

Team leader, Detective J. Kuehn #0081 had me work with Detective J. Rica #0055. Detectives Rica, Kuehn and I conducted "walk-throughs" with three of the officers involved in the shooting, Sgt. M. Ruggiero, Officer J. Tafoya and Officer J. Avalos. During the walk-throughs, I recorded three separate bodyworn camera videos.

At approximately 0545 hours, I canvassed the residential neighborhood from the intersection of Wightman St. and 41st St. east to Marlborough Ave.

At [REDACTED] I saw a Ring brand surveillance camera that appeared to be pointed toward the street. I knocked on the door, but there was no response. I left a business card with details of the times in which I was interested gathering footage from. I later received a phone call from the resident, [REDACTED]. [REDACTED] told me that his camera's motion sensor only activates if someone comes in the immediate area of his front door, therefore, it did not record any of the events that occurred earlier.

As I went further east, I saw a Ring brand camera on the porch of [REDACTED]. I knocked on the door and spoke with [REDACTED]. [REDACTED] told me that her camera was motion activated, and it was possible that it recorded the suspect walking by. Neither of us were able to determine if the video showed Aparacio or anyone walking by. I had [REDACTED] email me whatever motion activations she had for the time between 2315 and 2345 hours.

I later viewed four photos that she sent me, and there was nothing that showed anyone walking by.

The next cameras I located were on [REDACTED]. There were two on the front of the house. I knocked on the door and spoke with the resident, [REDACTED]. [REDACTED] said one of two cameras was motion activated and captured the street. [REDACTED] was unfamiliar with the process by which he could send the video, so he told me he would consult his wife and send me the video at a later time. I left [REDACTED] my business card.

Walking west on Wightman St. I saw a camera mounted on the southeast corner of [REDACTED]. I knocked on the door of [REDACTED] and I spoke with the resident, [REDACTED].

Statement of [REDACTED]

[REDACTED] told me that she was falling asleep around the time of the incident, and she remembered hearing about six shots. Shortly after that, [REDACTED] heard sirens. She looked outside from her upstairs bedroom window and saw what she thought was red fireworks being shot into the air. [REDACTED] said she could hear the couple who live next door [REDACTED] talking to each other in their window.

DEPUTY'S OBSERVATIONS AND ACTIONS (cont):

The window [REDACTED] was referring to faces 41st St. (west) and overlooks the intersection of Wightman St. and 41st St.

I went to [REDACTED] and spoke with the residents, [REDACTED] and [REDACTED]. [REDACTED] and [REDACTED] were looking out of the same window at the same time watching the incident unfold.

Page 4 of 4

██████████ (3805 41st St., Apt ██████████
██████████ said he saw a lot of what happened. Initially, ██████████ was alerted by a bright white light shining in his window. ██████████ described the light as being on the light bar of a patrol car and illuminates directly to the side of the car [commonly referred to as "alley lights"]. ██████████ saw the patrol car with both of its alley lights on driving east through the intersection of Wightman St. and 41st St. and continue east to the next intersection, Marlborough Ave.

██████████ said there was a white 2016 Kia Optima stopped at the intersection of Marlborough Ave. and Wightman St. ██████████ saw a total of three dark-skinned (possibly Hispanic) males in the car. One of the males, who ██████████ described as "the one who's dead" got out of the rear passenger seat and started walking west on Wightman St. The officer driving eastbound seemed to direct his attention toward the car, and the two males got out. The other male continued walking west and crossed the street at 41st St. and Wightman St. There were five to six officers farther south on 41st St. who noticed the male and attempted to stop him. As the male reached the sidewalk, they chased after him and yelled "Get on the ground!" ██████████ said you could hear the officers yelling loud and clear.

As the male continued walking west he did something that looked like a "football maneuver" like a spin move and ran behind a silver Jeep four-door parked on the south side of Wightman St. As the male ran across the street, he almost got hit by a burgundy sedan. The pursuing officer behind him also almost got hit, and he had to put both of his hands on the hood to steady himself. Adams said he thought there was a third officer that may have actually been hit by the car.

The suspect ran into the alley across Wightman St., and Adams heard the officers yelling, "Get on the ground." and "Stop resisting." Adams said he heard an estimated 10-15 shots after that.

DEPUTY'S OBSERVATIONS AND ACTIONS (cont):

██████████ did not have any additional relevant information to share.

I spoke with a resident at ██████████ who told me he was not home at the time and did not arrive home until around 3:00am when all of the police cars were blocking the intersection.

I later uploaded the photos sent by ██████████ into the case folder.

This concluded my portion of the investigation.

INDIVIDUAL/S**REPORT NARRATIVE****ORIGIN:**

On 11-14-2023, at about 0100 hours, I was requested to respond to a report of an officer involve shooting in the area of Wightman Street and 41st St. in the City of San Diego. I responded to assist Sheriff's Homicide with the investigation, Event #E8898448.

DEPUTY'S OBSERVATIONS AND ACTIONS:

At about 0245 hours, I arrived at Wightman Street and 41st Street in the City of San Diego. I met with homicide detectives and was debriefed on the incident. I learned San Diego Police Officers had responded to a radio call of a domestic violence/attempted murder at [REDACTED] Polk Ave. When officers attempted to contact the suspect, he fled. The suspect was contacted in the alleyway behind [REDACTED] Wightman Street, where the officer involved shooting occurred. The suspect was transported to Scripps Mercy Hospital where he was pronounced dead.

Team leader, Detective Kuehn (#0081) assigned Detective Lopez (#0314) and I to assist Detective Herrero (#1129) with an area canvas.

At about 0320 hours, Detective Lopez, Detective Herrero, and I began our canvas of the neighborhood. We walked southbound in the alleyway behind the homes located on the 3800 block of Central Ave looking for surveillance cameras facing the alleyway. As we walked southbound, we noticed surveillance cameras at the Chevron car wash located at 4069 Central Ave. Detective Lopez contacted the Chevron cashier.

As I walked southbound in the alleyway, I observed a camera at [REDACTED], but the wire was cut to the camera. A camera was observed at [REDACTED], but the lot was secure, and the residence could not be contacted. I also observed a camera at the most southern spot we walked in the alleyway, [REDACTED]. The camera was located above the garage door.

At 0332 hours, Detective Lopez, Detective Herrero, and I began our canvas of Central Avenue. We attempted to contact the residence at [REDACTED], but the lot was secure. No contact was made, and no cameras observed.

At 0335 hours, we attempted to contact the residence at [REDACTED], but there was no answer. We were unable to gain access to [REDACTED].

At 0338 hours, [REDACTED] was contacted. Resident, [REDACTED].

At 0344 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED] did not hear anything.

At 0349 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED] stated he heard 8 to 12 firecrackers/gun shots, but he did not know at what time.

At 0352 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED] heard 6 to 7 firecrackers at about 2300 hours.

At about 0355 hours, Detective Herrero had to leave and assist with other duties. Detective Lopez and I continued the neighborhood canvas together.

At 0357 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED]). Spanish speaker.

At 0402 hours, [REDACTED] was not contacted due to a secure gated property. Front Ring camera observed, but no cameras observed in back.

At 0405, hours, [REDACTED] was not contacted due to a secure gated property. Front Ring camera observed, but no cameras observed in back.

At 0405 hours, [REDACTED] was contacted. Front facing Ring camera observed. Resident, [REDACTED] checked his rear camera. He stated it was motion activated. There was no video at the time of the officer involved shooting. At about 2330 hours, he heard 5-to-6-gun shots. It woke him from his sleep. Nothing else heard.

At 0414 hours, [REDACTED] was contacted. No cameras. Residents, [REDACTED]) stated she had heard 6-to-7-gun shots close by and then the helicopter shortly after around 1136 hours.

At 0429 hours, [REDACTED] was contacted. The residence had a front facing camera. Resident, [REDACTED] heard two different gun shot sounds. Spanish speaker.

At 0428 hours, [REDACTED] was contacted. Front facing Ring camera, no cameras observe in back. Residents, [REDACTED] and [REDACTED] and [REDACTED] heard 6-to-7-gun shots. Spanish speakers.

At 0455 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED]) heard about 6-gun shots and then observed a red flair shot in the air around 2330 hours.

At 0508 hours, the apartment complex located [REDACTED] was visually scanned for surveillance cameras. No cameras were observed.

At 0510 hours, [REDACTED] was not contacted due to a secure gated property. No cameras observed.

At 0512 hours, [REDACTED] was contacted. One camera near front entrance and one doorbell camera. Resident, [REDACTED]) stated only the doorbell camera worked, but it only captures the area in front of the door. At about 2330 hours, he heard 10-gun shots.

At 0518 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED]) heard loud pops, and sirens. Spanish speaker.

At 0524 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED] was not home. Her father was home, and he sleeps in the garage. He was contacted. Spanish speaker. Detective Lopez spoke with him.

At 0532 hours, Detective Lopez and I began our canvas of the homes located on the eastside of the alleyway of the incident, 3800 block of 41st Street.

At 0532 hours, [REDACTED] was not contacted due to a secure gated property. A Ring camera was observed on the south side of the house facing Wightman Street. There were two additional cameras at the front door that face 41st Street.

At 0549 hours, [REDACTED] was not contacted due to a secure gated property. No cameras observed.

At 0555 hours, [REDACTED] was contacted. No cameras. Resident, [REDACTED]) stated he did not see or hear anything.

At 0556 hours, [REDACTED] was contacted. She advised she did not speak English, and she gestured as if she did not want to talk.

At 0556 hours, [REDACTED] no one home. No cameras observed.

At 0557 hours, [REDACTED] no one home. No cameras observed.

At 0559 hours, [REDACTED] was contacted. An elderly Asian woman looked out the window. She waved us off, and there was no further response from her apartment.

At 0559 hours, [REDACTED] was contacted. No cameras observed. Elderly female stated she saw nothing and then shut the door on us. No further contact.

At 0603 hours, [REDACTED] was contacted. Camera observed. Resident, [REDACTED] stated the camera does not work, and he was not home at the time of the incident. Spanish speaker.

At 0608 hours, [REDACTED] is a property being remodeled. No resident, and no cameras observed.

At 0610 hours, [REDACTED] was not contacted due to a secured gated property and large dog in yard. No cameras observed.

At 0613 hours, [REDACTED] no one answered the door. A camera was observed in the front of the property.

At 0615 hours, [REDACTED] was contacted. Ring doorbell observed. An elderly Asian female answered the door. She stated no English then shut the door. No further contact.

At 0617 hours, [REDACTED] was not contacted due to a secured gated property. A camera was observed in the rear of the property, but the wire to the camera was cut.

At 0620 hours, Detective Lopez and I began our canvas of the homes located on the 3700 block of 41st Street. We walked the side of the street with even addresses first, and the odd side after.

At 0620 hours, [REDACTED], no cameras observed.

At 0620 hours, [REDACTED] was contacted. A camera above the door faced down towards the door. Resident, [REDACTED] advised camera does not work.

At 0624 hours, [REDACTED] was contacted. Cameras were observed in the front part of the house. Resident, [REDACTED] stated the cameras do not work, and he was at work at the time of the incident.

At 0630 hours, [REDACTED] was contacted. Front camera observed. Resident, [REDACTED] stated the camera does not work. At about 2340 hours, she heard about 9-gun shots and sirens.

At 0635 hours, [REDACTED] was contacted. Camera observed on the front of the house. Resident, [REDACTED] stated she was a renter. She called the landlord. Landlord stated the camera does not work because the homeless had cut the wire. The rear property, [REDACTED] could not be accessed due to a secured gate.

At 0638 hours, [REDACTED] was contacted, but there was no answer at the door. Camera observed on the front of the house.

At 0640 hours, the rest of the odd side of the street was walked. No cameras were observed at the following addresses, [REDACTED]

This concluded my canvas of the neighborhood.

At about 0700 hours, I went with Detective Arevalo (#3269) as he conducted a follow-up with one of the residents from [REDACTED] (see Detective Arevalo's Officer Report for further details).

I returned to the Sheriff's mobile command center that was staged at the intersection of 41st Street and Wightman Street. Detective Lopez and I advised members of the Sheriff's Homicide Unit of our canvas.

This concluded my portion of the investigation.

BACKGROUND INFORMATION:

Please note that the times mentioned below are approximate times for each of the interviews.

DEPUTY'S ACTIONS/OBSERVATIONS:

I arrived on the scene at about 0220 hours and met with Sheriff's Detectives Kuehn (ID# 0081), Ricca (ID# 0055), and Herrero (ID# 1129). After getting briefed on the case, Detective Kuehn assigned Detective Hipschen (ID# 0032) and me to conduct a video canvass for any home surveillance video that could have captured the incident.

At the direction of Detective Kuehn, Detective Hipschen, Detective Herrero and I began to canvass the area by walking through the pathway the suspect took and identifying any visible cameras. I first stopped by the Chevron gas station located at 4055 University. There we located a camera at the exit of the car wash, the car wash was located at the northern end of the west alley between 41st Street and Central Avenue.

At 0330 hours I spoke with Chevron Gas Station employee [REDACTED], who informed us that the cameras did work. However, she did not have access to the camera system. Only her manager did. The name of the manager is [REDACTED] and she starts her shift at 0600 hours. [REDACTED] contact number is [REDACTED].

At 0335 hours, I attempted to contact the resident at [REDACTED]. The property was locked, and secured, and no camera was seen from my location.

At 0337 hours, I attempted to contact the resident at [REDACTED], but despite several knocks there was no answer.

At 0338 hours, I attempted to contact the resident at [REDACTED]. This property was in the rear of [REDACTED] but I could not access it through the side of [REDACTED], and neither could I through the alley.

At 0339 hours, I contacted the resident at [REDACTED]. I spoke with [REDACTED] who reported that there were no cameras in the front. But there might be one in the rear of the property. The owner of the property is named [REDACTED]. We attempted to gain entrance to the rear of the property via the alley and were not successful.

At 0345 hours, I contacted the resident at [REDACTED]. She identified herself as [REDACTED]. There were no cameras at the location and she informed us that she did not hear anything.

At 0352 hours, I contacted the resident at [REDACTED]. I spoke with [REDACTED] and he informed me that right before going to sleep, he heard eight to twelve gunshots. Soon after, his dog began barking.

At 0354 hours, I contacted the resident at [REDACTED]. He identified himself as [REDACTED]. [REDACTED] only heard what sounded to him six to seven fireworks around 2300 hours.

At 0358 hours, I contacted the resident at [REDACTED]. I spoke to [REDACTED] in Spanish. He heard about four to five shots that woke him up around 0000 hours.

At 0404 hours, I attempted to contact the resident at [REDACTED]. There was a camera in the front of the home, however, there was no answer and the property was secured with a gate.

At 0405 hours, I attempted to contact the resident at [REDACTED]. There was a camera in the front, however, there was no answer when I banged on the gate and the property was secured.

At 0406 hours, I contacted the resident at [REDACTED]. He identified himself as [REDACTED]. His residence did have cameras in the front and the rear of the property. Neither camera captured anything related to the incident. [REDACTED]

showed us video from his surveillance system and I verified what he had informed us. [REDACTED] informed us that he heard five to six shots at around 2330 hours. He did not hear anything else before that.

At 0414 hours, I contacted the resident at [REDACTED]. There were no cameras at the location, but the resident, [REDACTED], did inform me that at around 2330 hours, she heard six-to-seven gunshots. Shortly thereafter, she heard the police helicopter.

At 0420 hours, I contacted the resident at [REDACTED]. [REDACTED] informed me in Spanish that the camera in front of her door did not work and there were no cameras in the back. A second camera in the front corner area of the front porch was not working either. She heard two different types of ammunition being shot.

At 0428 hours, I contacted the residents at [REDACTED]. I spoke with [REDACTED] and his [REDACTED] in Spanish. [REDACTED] informed me that he did have cameras on his property. He proceeded to show me the video from his phone. His surveillance system did not capture anything related to the shooting. He also informed me that he heard six to seven shots just after arriving home. [REDACTED] heard gunshots and immediately threw herself to the ground.

After walking through the west alley between 41st Street and Central Avenue to make sure I did not miss any additional cameras, I proceeded to contact additional residents.

At 0458 hours, I contacted the resident at [REDACTED]. I spoke with [REDACTED]. She informed me that there were no cameras at the residence. At about 2320 hours, she heard six gunshots. At first, she thought it was a flare.

At 0508 hours, I looked at the apartment complex located at [REDACTED]. I did not observe any cameras on the front of any of the apartments.

At 0511 hours, I attempted to contact the resident at [REDACTED]. There were no cameras and the property was secured.

At 0515 hours, I contacted the resident at [REDACTED]. This property did have cameras. I spoke with [REDACTED] and he informed me in Spanish that the camera on his door only activates when someone is close to his door. The camera on top of his door does not work. [REDACTED] informed me that he heard a lot of shots, about ten gunshots.

At 0520 hours, I contacted the resident at [REDACTED]. I did not see any cameras, however, this property is located at the southern entrance of the alley between 41st Street and Central Avenue, adjacent to where the shooting occurred. I spoke with [REDACTED] in Spanish. She told me that she was asleep when she heard popping sounds and lots of sirens. She did not hear anything else.

At 0524 hours, I contacted the residents at [REDACTED]. In Spanish, I spoke with [REDACTED]. His granny flat is across [REDACTED] property. He heard only three-to-four shots as he was sleeping. His contact information is [REDACTED]. I also spoke with [REDACTED]. She informed me that the camera they have on the property does not record and only serves as a small lamp. Her contact number is [REDACTED].

At 0532 hours, I attempted to contact the resident at [REDACTED]. I noticed there was a camera on the south side (facing Wightman Street) of the corner property and at the front part of the property. Despite several knocks, there was no answer at the secured location.

At 0549 hours, I located a camera at [REDACTED]. I attempted to contact the resident, but there was no answer and the gate was locked/secured.

At 0553 hours, I contacted the resident at [REDACTED]. This apartment faces West towards the alley and has access to it. I spoke with [REDACTED] who informed me that he did not hear or see anything. He did not have any cameras on his property.

Page 10 of 10

At 0556 hours, I attempted to contact the resident at [REDACTED] which is directly above [REDACTED] and there was no answer.

At 0558 hours, I contacted the resident at [REDACTED]. Initially, there was no response. After a brief period of time, an elderly Asian female waved at me that she did not want to talk to me. The resident adjacent in [REDACTED], informed me that he did not see or hear anything and there were no cameras that I could see.

At 0603 hours, I contacted the resident at [REDACTED]. In Spanish, I spoke with [REDACTED] who informed me that a camera I found in front of his home does not work. He was at work when the incident occurred.

At 0610 hours, I attempted to contact the residents at [REDACTED] and found it to be empty. I proceeded to attempt to contact the residents at [REDACTED] and the property was secured, there was a large dog and there were no cameras observed.

At 0615 hours, I attempted to contact the resident at [REDACTED]. There was a camera, but there was no answer. [REDACTED] had a Ring camera in the front, but the elderly Asian female did not speak English.

At 0616 hours, I attempted to contact the residents at [REDACTED]. This was the property that had a camera on the rear but I was unsure if the camera worked because I could see the wire was cut from the camera. This property was locked and secured.

At 0621 hours, I observed that the apartments located at [REDACTED] had no cameras.

The property located at [REDACTED] did not have any cameras.

At about 0626 hours, I spoke with the resident at [REDACTED]. [REDACTED] informed me the cameras in front of his home did not work and he was not home at the time of the incident.

At about 0628 hours, I spoke with the resident at [REDACTED]. [REDACTED] informed me the camera in front of her apartment did not work.

At 0632 hours, I observed a camera at [REDACTED]. I contacted the resident, [REDACTED], and she informed me the camera did not work. She heard nine gunshots followed by police sirens and a police helicopter.

At 0635 hours, I observed a camera at [REDACTED]. I spoke with the resident, [REDACTED], and she informed me her camera was not in working order.

At 0638 hours, I observed a camera at [REDACTED] and observed a camera. There was no answer at this location.

At 0643 hours, I searched the following addresses and did not locate a camera: [REDACTED]
[REDACTED]

At 0650 hours, I checked [REDACTED] and [REDACTED] and did not locate any cameras at the residences.

At 0658 hours, I contacted the resident at [REDACTED] and spoke with [REDACTED]. In Spanish, she informed me that her apartment did not have a camera and she only heard several gunshots.

This concluded my investigation and I left the scene at approximately 0720 hours.

Crime Scene Investigation and Officer Processing – Event 1

NARRATIVE:

On November 14, 2023, at 0326 hours, I arrived at the intersection of 41st Street and Wightman Street, located in San Diego. I met with Criminalist K. Hensley, Detective J. Kuehn, other Sheriff's personnel, and San Diego Police Department (SDPD) personnel. I took photographs at the scene location with SDPD personnel. While at this location, I was asked to respond to the SDPD Mid-City Station for Officer processing.

I arrived at the SDPD Mid-City Station and met with Detective J. Ricca, Criminalist K. Hensley, and SDPD personnel. I took photographs and collected evidence from Sergeant M. Ruggiero, Officer J. Avalos, and Officer J. Tafoya. While at this location, I was asked to return to the scene location for scene processing.

I arrived at [REDACTED] Wightman Street and met with the same personnel and Criminalist P. Mazurek. I took photographs and collected evidence at the scene location and the surrounding area. I completed this assignment and departed at 1406 hours on November 14, 2023.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

On November 16, 2023, while at the crime laboratory, I released CSI-19 (two cell phones) to Detective F. Herrero.

On November 16, 2023, while at the crime laboratory, I released CSI-MR1 (pistol and magazine), CSI-MR2 (cartridges), CSI-JA1 (pistol and magazine), CSI-JA2 (cartridges), CSI-JT1 (pistol and magazine), and CSI-JT1 (cartridges) to Criminalist R. Chang.

On November 21, 2023, while at the crime laboratory, I released CSI-13 (firearm magazine) to Detective J. Kuehn.

I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

LABORATORY SERVICE REPORT

REQUESTED BY:	Detective J. Kuehn	SDSD CASE #:	23148432
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	San Diego Police Department	INCIDENT TYPE:	Death Investigation
VICTIM(S):	Imanol Aparicio	INCIDENT DATE:	11/13/2023

SERVICE REQUESTED:

Victim Processing – Event 3

NARRATIVE:

On November 14, 2023, at 0420 hours, I arrived at Scripps Mercy Hospital, located in San Diego. I met with Detective F. Herrero, other Sheriff's personnel, and Medical Examiner personnel. I took photographs and collected one item of evidence from the victim, Imanol Aparicio. While at this location, I received two items of evidence (property belonging to Aparicio) from San Diego Police Department Officer N. Curtis. I finished and departed the hospital on November 14, 2023, at 0552 hours.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I submitted the evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

EVIDENCE LIST:

CASE #: 23148432

Item #	CSI #	Item Description	Location/Source
1.1		One Gunshot Residue Kit collected from the victim, Imanol Aparicio	Scripps Mercy Hospital, San Diego
1.2		One brown paper bag with apparent blood containing one black "Good Family" size "M" hooded sweatshirt with white lettering screened on the front and back and with apparent blood and medical interventions cuts, belonging to the victim, Imanol Aparicio, received from San Diego Police Officer N. Curtis	Scripps Mercy Hospital, San Diego
1.3		One white "PRO CLUB" size "M" t-shirt with apparent blood, browns stains, and medical intervention cuts, belonging to the victim, Imanol Aparicio, removed from item 1.2 (property belonging to Aparicio)	Scripps Mercy Hospital, San Diego
1.4		One pair of blue "LEVI'S" size "L" underwear with apparent blood, defects, and medical intervention cuts, belonging to the victim, Imanol Aparicio, removed from item 1.2 (property belonging to Aparicio)	Scripps Mercy Hospital, San Diego
1.5		One pair white "Reebok" socks, both with apparent blood (one sock with a defect, and one sock with tears) belonging to the victim, Imanol Aparicio, removed from item 1.2 (property belonging to Aparicio)	Scripps Mercy Hospital, San Diego
1.6		One silver metal "CASIO" watch with apparent blood, belonging to the victim, Imanol Aparicio, removed from item 1.2 (property belonging to Aparicio)	Scripps Mercy Hospital, San Diego
1.7		Medical intervention supplies with apparent blood removed from item 1.2 (property belonging to Aparicio)	Scripps Mercy Hospital, San Diego
1.8		One clear plastic container labeled "R. LEG" containing a fired bullet with apparent blood, received from San Diego Police Officer N. Curtis	Scripps Mercy Hospital, San Diego
1.9		One Master DVD containing 102 images taken during the processing of the victim, Imanol Aparicio	Scripps Mercy Hospital
1.10		One Working Copy DVD containing 102 images taken during the processing of the victim, Imanol Aparicio	Scripps Mercy Hospital
1.11		One Master CD containing thirty-one images taken during evidence inventory	Crime Laboratory

LABORATORY SERVICE REPORT

REQUESTED BY:	J. Kuehn #0081	SDSD CASE #:	23148432
AGENCY/DIVISION:	Homicide Detail	AGENCY CASE #:	N/A
SUSPECT(S):	Not listed	INCIDENT TYPE:	Homicide Investigation
VICTIM(S):	Not listed	INCIDENT DATE:	11/14/2023

SERVICE REQUESTED:

Weapon operability

EVIDENCE SUBMITTED:

Item CSI-JA1 One Glock 17 Gen5 pistol (s/n [REDACTED]) and one magazine
Item CSI-JA2 [REDACTED] unfired cartridges
Item CSI-JT1 One Glock 17 Gen4 pistol (s/n [REDACTED]) and one magazine
Item CSI-JT2 [REDACTED] unfired cartridges
Item CSI-MR1 One Sig Sauer P220 pistol (s/n [REDACTED]) and one magazine
Item CSI-MR2 [REDACTED] unfired cartridges

EXAMINATION:

Item CSI-JA1 Item CSI-JA1 consists of a Glock 17 Gen5 semiautomatic pistol, caliber 9mm Luger, and a Glock magazine. Item CSI-JA1 was examined for operability and test-fired using the included magazine, laboratory reference ammunition, and ammunition from Item CSI-JA2. No malfunctions were noted. The test-fired components were assigned Item 4.1. The pistol has a minimum measured trigger pull of 6 ½ pounds and a maximum capacity of [REDACTED] 9mm Luger cartridges when used with the included magazine. The pistol's barrel has a six right "Glock Marksman Barrel" rifling pattern.

Item CSI-JA2 Item CSI-JA2 consists of nine unfired Federal cartridges, caliber 9mm Luger. The cartridges have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets. Four of the cartridges were used to test-fire Item CSI-JA1.

Item CSI-JT1 Item CSI-JT1 consists of a Glock 17 Gen4 semiautomatic pistol, caliber 9mm Luger, and a Glock magazine. Item CSI-JT1 was examined for operability and test-fired using the included magazine and ammunition from Item CSI-JT2. No malfunctions were noted. The test-fired components were assigned Item 4.2. The pistol has a minimum measured trigger pull of 7 ¼ pounds and a maximum capacity of [REDACTED] 9mm Luger cartridges when used with the included magazine. The pistol's barrel has a polygonal six right rifling pattern.

Item CSI-JT2 Item CSI-JT2 consists of [REDACTED] unfired Federal cartridges, caliber 9mm Luger. The cartridges have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets. Six of the cartridges were used to test-fire Item CSI-JT1.

Item CSI-MR1 Item CSI-MR1 consists of a Sig Sauer P220 semiautomatic pistol, caliber .45 Auto, and a Sig Sauer magazine. Item CSI-MR1 was examined for operability and test-fired using the included magazine, laboratory reference ammunition, and ammunition from Item CSI-MR2. No malfunctions were noted. The test-fired components were assigned Item 4.3. The pistol has minimum measured trigger pulls of 4 ¼ pounds (single action) and 9 ¼ pounds (double action) and a maximum capacity of [REDACTED] .45 Auto cartridges when used with the included magazine. The pistol's barrel has a conventional six left rifling pattern.

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
REGIONAL CRIME LABORATORY
LABORATORY SERVICE REPORT
SDSD CASE #23148432
(CONTINUED)**

Item CSI-MR2 Item CSI-MR2 consists of six unfired Federal cartridges, caliber .45 Auto. The cartridges have nickel-plated cases, nickel-plated primers, and copper-jacketed hollow point bullets. Three of the cartridges were used to test-fire Item CSI-MR1.

RESULTS AND INTERPRETATIONS:

Item CSI-JA1 is operable, and the included magazine is correct for the pistol. The cartridges from Item CSI-JA2 are correct for Item CSI-JA1 and Item CSI-JT1.

Item CSI-JT1 is operable, and the included magazine is correct for the pistol. The cartridges from Item CSI-JT2 are correct for Item CSI-JT1 and CSI-JA1.

Item CSI-MR1 is operable, and the included magazine is correct for the pistol. The cartridges from Item CSI-MR2 are correct for Item CSI-MR1.

DISPOSITION OF EVIDENCE:

Items CSI-JA1, CSI-JA2, CSI-JT1, CSI-JT2, CSI-MR1 and CSI-MR2 were transferred to Detective J. Kuehn of the Sheriff's Homicide Unit. Items 4.1, 4.2 and 4.3 was sealed and submitted to the Sheriff's Property and Evidence Unit as derivative items.

Detailed notes of the examination and calculated uncertainty values for all reported quantitative measurements are maintained at the Sheriff's Crime Laboratory and are available upon request.
