**REPORT NARRATIVE****ORIGIN:**

On 7/6/2024 I was assigned to the Imperial Beach Station Detective unit of the San Diego County Sheriff's Office when I was called in at about 0745 hours to assist in an area canvass at 400 Midway Street in the City of La Jolla for a San Diego Police Department (SDPD) officer involved shooting. EVT# E9333032 Sheriff's CN# 24116977.

**DEPUTY'S REPORT and OBSERVATIONS:**

I arrived at the location and learned that Homicide Detective Arnold (4766) was assigned as the primary detective. The incident briefing began at [REDACTED]

[REDACTED] a call for service at 5495 La Jolla Blvd of a 415 (disturbance). SDPD officers were dispatched and while officers were en route to the location there were additional reporting parties indicated that there was a subject holding a knife near a silver vehicle. SDPD Officers Aguilar (5531) and Andrew (1529) arrived at about 0700 hours and were confronted by an unknown male (possibly Hispanic) in his 20's holding a knife near the rear of the vehicle. The subject walked towards SDPD officers who had their guns drawn and were giving the subject commands to drop the knife. The subject did not comply with commands and continued towards the officers, and SDPD officers discharged their weapons striking the subject. The subject was provided medical treatment and taken to the hospital where he was later pronounced deceased at about 0725 hours.

A witness stated they heard SDPD officers giving commands to the subject to drop the weapon. There were multiple shell casings and a knife located as evidence at the scene of the incident.

At approximately 0957 hours, the briefing was concluded. Detective White (7904) and I were assigned to canvass the CVS located at 5495 La Jolla Blvd and the businesses near the intersection of Midway Street and La Jolla Blvd to search for possible video surveillance.

I contacted [REDACTED] at CVS who stated they did not have any video surveillance outside the store and stated that none of the inside cameras covered any portion of the outside.

I checked the Seaside café and Bird Rock surf shop at 5509 La Jolla Blvd and the employees stated that the cameras were not operational.

As I walked to check at the Don Bravo's taco shop located at 5504 La Jolla Blvd, Detective White informed me that she had already canvassed that corner and the nearby businesses, and there were no surveillance cameras that had captured the incident.

Detective White and I were informed by homicide detectives that the [REDACTED] which was located at [REDACTED] may have had surveillance recording which included audio of the incident or part of it when shots were heard. Detective White and I went to the hotel and Detective Dinero (3335) and Detective Hackstedde (3736) were inside speaking with the staff. Detective Dinero stated they would collect the video and said that there was a possible witness indicated by SDPD officer Butler who was on perimeter at La Jolla Blvd and Colima St.

I spoke to Officer Butler who indicated the witness was named [REDACTED] and lived at [REDACTED].

On 7/6/2024 at about 1118 hours, I went to contact [REDACTED] at his residence with Detective White. [REDACTED] essentially made the following audio recorded statement.

## STATEMENTS:

Statement of [REDACTED] (Other):

[REDACTED] was going surfing in the morning and was supposed to meet his friend at 0700 hours. [REDACTED] was parked on La Jolla Blvd and drove through the traffic circle (Midway St and La Jolla Blvd) where he saw the silver vehicle was on the street so [REDACTED] was unable to go south as he normally would. [REDACTED] was stopped in his vehicle for about 20-30 seconds. There was a young man with the trunk open of the vehicle which appeared to be in disarray. The young man appeared to be looking for something and slammed the left car door as hard as he could. It appeared to [REDACTED] the young man was visibly upset about something. [REDACTED] was not involved and continued along his way, and the young man waived at [REDACTED] as if to say hello. [REDACTED] never stepped out of his vehicle.

[REDACTED] did not see anything in the young man's hands as he passed him. [REDACTED] described the young man as Caucasian or mixed race with lighter skin, short dark hair (buzz cut), green t-shirt, normal build, and average height under 6 foot. [REDACTED] did not recall any tattoos or anything that stood out about the young man.

[REDACTED] was gone before the police arrived and he did not witness the incident or hear any shots fired. [REDACTED] concluded his statement.

## DEPUTY'S REPORT and OBSERVATIONS continued:

Detective White left a business card with [REDACTED] in case he recalled anything else.

At approximately 1200 hours, Detective Arnold advised us he did not need any further assistance and relieved us from the scene.

I later placed the audio recording of [REDACTED] statement into the case file. This concluded my involvement in this investigation.

On Sunday 07/06/2024, at approximately 0830 hours, Sergeant Mateus (4915) notified me of an San Diego Police Department (SDPD) officer involved shooting. I responded to the command post at 400 Midway Street, San Diego, to assist Homicide Team I with the investigation. Detective Arnold was assigned as the lead investigator.

## Investigation:

On 07/06/2024, at approximately 1010 hours, I arrived at the location and met with the investigative team members.

At the conclusion of the incident briefing, Detective Arnold assigned Detective White (7904), Detective Dinero (3335), Detective Cenizo (0153) and me to conduct an area canvass for possible witnesses of the incident.

Detective Dinero and I responded to the apartment complex at [REDACTED]. The apartments are on the second floor and overlook La Jolla Blvd, where the incident occurred.

At approximately 1023 hours, Detective Dinero and I interviewed the reporting party of the incident, [REDACTED] and her [REDACTED]. [REDACTED] invited us into her apartment, [REDACTED]. I recorded the conversation as [REDACTED] and [REDACTED] provided the following statement.

## STATEMENT OF [REDACTED]

[REDACTED] was inside her apartment when she heard a loud disturbance outside. The disturbance sounded like someone yelling and someone banging on metal. At first [REDACTED] thought the disturbance was coming from her front door but when she went to her deck, which overlooks the street, [REDACTED] saw a vehicle stopped in the middle of the road. [REDACTED] also saw a suspect standing outside of his vehicle. [REDACTED] could see what looked like a knife in the suspect's hand and he appeared to be yelling to no one in particular. [REDACTED] then called 911 at 0656 hours and told the dispatcher that the suspect was blocking traffic and was waving the knife around.

[REDACTED] told the dispatcher that the suspect was a Hispanic male in his young twenties and was wearing a green hoodie and shorts. At one point the suspect went to the back of his car and put on a pair long gold pants and put a tan hoodie over the green hoodie. At one point the suspect looked up and saw [REDACTED] on the phone and yelled to her to "tell the police" his name which [REDACTED] did not understand when he said it. The suspect also said something about "stabbing someone in the neck" and "prison." The suspect then continued to walk around his vehicle and appeared to be talking to himself. The dispatcher told [REDACTED] to stay on the phone and let her know that units were enroute. The first unit showed up and parked on the opposite side of the street. Right when they got there, both officers got out of their car and the suspect immediately began walking towards them and was on them in seconds. [REDACTED] heard the officer giving orders which was something like "drop the knife, drop the knife."

As the suspect approached the officers, it appeared he had his knife raised in an up position around shoulder height. The suspect closed the distance within 10-15 seconds and then the officers fired. [REDACTED] thinks that the suspect was so close to the officers when they shot, that they did not even have to fully aim. After the shots were fired, they cut the clothing off the suspect and began giving him first aid. [REDACTED] saw paramedics arrive and take the suspect away. [REDACTED] knows that she would have done the same thing if she was one of the officers. [REDACTED] did not have any video surveillance cameras in her apartment and had never seen the suspect before.

## STATEMENT OF [REDACTED] (WITNESS):

[REDACTED] had left the apartment to go swimming and did not witness the incident. When [REDACTED] returned to the apartment, [REDACTED] told him about what happened.

## INVESTIGATION CONTINUED:

At approximately 1041 hours, Detective Dinero and I concluded our interview with [REDACTED] and [REDACTED]. [REDACTED] then walked us to apartment [REDACTED] where we contacted [REDACTED] and [REDACTED]. I recorded the conversation as [REDACTED] and [REDACTED] provided the following statement.

## STATEMENT OF [REDACTED] AND [REDACTED] (WITNESS):

[REDACTED] and [REDACTED] were going to breakfast with their friend [REDACTED]. When they pulled out of their driveway, they saw a car stopped in the road and a man standing outside of the car. Both [REDACTED] and [REDACTED] thought the man was just having car troubles and didn't think much of it. [REDACTED] and [REDACTED] were gone for about 45 minutes when they received a text message about the incident. [REDACTED] and [REDACTED] went home after receiving the text. [REDACTED] and [REDACTED] do have a puppy cam in their living room but when they checked it, it was not recording at the time of the incident. At one point [REDACTED] looked out the window and saw officers standing near bloody clothing. [REDACTED] then saw that water began flowing in the gutter and objects were floating in the water. [REDACTED] took a cell phone video of the water in the gutter.

## INVESTIGATION CONTINUED:

While speaking with [REDACTED] and [REDACTED], [REDACTED] provided me with the cell phone video he took of the water in the gutter. I later attached the video to the case.

At approximately 1049 hours, Detective Dinero and I knocked on the door of [REDACTED]. No one answered the door.

At approximately 1050 hours, Detective Dinero and I knocked on the door of [REDACTED]. No one answered the door.

At approximately 1052 hours, Detective Dinero and I spoke with [REDACTED] in [REDACTED]. I recorded the conversation as [REDACTED] provided the following statement.

## STATEMENT OF [REDACTED] (WITNESS)

[REDACTED] lives alone at the location with her dog. [REDACTED] was asleep at the time of the incident. [REDACTED] did hear what sounded like three loud bangs but at the time didn't know what the noise was. [REDACTED] did not have any video surveillance cameras that would have captured the incident.

## INVESTIGATION CONTINUED:

After speaking with [REDACTED], Detective Dinero and I knocked on the door of [REDACTED]. No one answered the door.

At approximately 1055 hours, Detective Dinero and I knocked on the door of [REDACTED]. No one answered the door.

At approximately 1056 hours, Detective Dinero and I spoke with [REDACTED] in [REDACTED]. I recorded the conversation as [REDACTED] provided the following statement.

## STATEMENT OF [REDACTED] (WITNESS):

[REDACTED] has been at home all morning but didn't know there was any incidents going on. [REDACTED] does not have video surveillance and did not see or hear anything.

## INVESTIGATION CONTINUED:

After speaking with [REDACTED], Detective Dinero and I knocked on the doors of [REDACTED] and [REDACTED]. There was no answer at both apartments.

At approximately 1110 hours, Detective Dinero and I responded to the [REDACTED] at [REDACTED], La Jolla, to check for video surveillance footage. We spoke with the manager who did not know how to copy the footage to a USB but showed us footage from around the time of the incident. The footage is from a camera that is pointing towards La Jolla Blvd. The time stamp in the video is 0706 hours and shows a black SUV vehicle drive by, stop and then reverse, you can then hear what sounds like three shots from a firearm. I used my department issued iPhone to record the footage and I later copied the video to the case.

Detective Dinero and I responded back to the incident command post where Detective Arnold told us he did not need any further assistance.

I concluded my part in the investigation.

On 07-06-24, at 0657 hours, San Diego Police Department communications received a call from an unknown male yelling for units to arrive at his location "right now" located at 5495 La Jolla Blvd per rapid SOS. San Diego Police Officers were dispatched at 0658 hours. While in route additional reporting parties called in stating there was a subject in the roadway at the location by a silver vehicle, screaming, yelling, and had a knife. The subject was described as a hispanic male adult, early 20's, 5'-9", tan or olive hoodie, gray shorts, and holding a knife.

Officer Aguilar #5531 and Officer Andrew #1529 arrived on scene at 0707 hours. They locate the silver vehicle in the south bound traffic lanes of 5495 La Jolla Blvd. The subject described in the radio call was at the trunk of the vehicle with the hatch open. Once the officers exited their patrol vehicle, the subject walked from the rear of the vehicle toward the officers armed with a knife. The officers drew their firearms and gave the subject commands to drop the knife. The subject did not comply and Officer Andrew discharged his service weapon striking the subject.

The subject was provided immediate medical aid by responding officers and transported to Scripps Memorial Hospital by medics. Once at the hospital the subject was pronounced deceased at 0735 hours by Dr. Ninglu.

Officer Aguilar and Officer Andrew are currently at Northern Division with PEER Support Sgt Roman. They have docked their BWC's. During the Safety brief, the involved officer stated they fired 3 to 4 rounds in a northern direction.

*On July 6, 2024, at approximately 0657 hours, the SDPD communications center received a call from an unknown male subject. The caller screamed at the dispatcher to send officers to their location and then ended the phone call. The SDPD communications center determined the caller's phone number to be [REDACTED]. Additionally, the SDPD communications center determined the phone call originated near [REDACTED] and dispatched officers to the area.*

*Prior to officers arriving in the area, additional subjects notified the SDPD communications center that a male subject was standing in the roadway next to a silver vehicle that was blocking southbound traffic in the 5400 block of La Jolla Boulevard. Per at least one of the reporting parties, the subject next to the silver vehicle was holding a knife and pacing around. The subject was described as approximately 20 years old.*

*SDPD Patrol Officer T. Andrew #1529 and Patrol Officer J. Aguilar #5531, a two-man patrol unit, arrived a few minutes later. They located a silver vehicle blocking the southbound lane of La Jolla Blvd (5400 blk) like the reporting parties had described. A male subject stood next to the vehicle holding a knife in their hand.*

*Officer Andrew and Officer Aguilar exited their patrol vehicle and gave repeated commands to the subject to drop the knife. The subject ignored the commands and charged at the officers. The subject waived the knife around in a threatening manner as he approached them.*

I observed one SDPD-marked patrol vehicle parked near the center of the roundabout marking the intersection of Midway Street and La Jolla Boulevard. I was told by SDPD this vehicle was used by Officer Aguilar and Officer Andrew. At the time of the incident, this vehicle had been stopped in the northbound lane of La Jolla Boulevard (5400 blk) but had been moved to clear the roadway for responding medical vehicles, San Diego Fire Department Engine #13 and Ambulance #21 arrived later to assist with the incident.

I observed a silver Toyota Matrix [REDACTED] hatchback sedan in the southbound lane of La Jolla Blvd (5400 blk).

A law enforcement record check was conducted on the silver Toyota Matrix pictured above. Detectives learned the vehicle was registered to a Dejon Marques Heard [REDACTED]. On Thursday, August 29, 2024, I concluded reviewing San Diego Police dispatch phone calls related to the incident. One of the recordings, "PD24-0162", captured an unknown subject, later determine to be Dejon Heard, calling the San Diego Police around 06:53:59 hours. During the phone call Heard demanded officers be sent to his location immediately and the call abruptly ended.

Another recording, "PD24-1062\_5", captured [REDACTED] calling San Diego Police around 06:56:51 hours. [REDACTED] essentially provided the following information during the phone call.

**911 Call:**

[REDACTED] advised a subject was standing in the roadway next to a silver Toyota bearing an Arizona license plate. The silver Toyota was blocking traffic on La Jolla Boulevard. On Thursday, August 29, 2024, I concluded review of the San Diego Police Department radio traffic related to the incident. While reviewing the radio traffic, I focused on the radio traffic up to the point of the officer involved shooting only. The radio traffic was consistent with that heard on the responding officers' body worn camera videos and the 911 phone calls from the incident.

On Thursday, August 29, 2024, I concluded review of all witness statements and officer statements as documented by other Sheriff investigators. In general, I found the statements to be consistent with the information gathered during the investigation into this incident and the events captured on various videos.

At the time of this report being completed, the Medical Examiner's Office's official reports were pending completion. However, while attending the autopsy I learned Heard had a notable defect to his chest, his back, and two defects near his right elbow. No projectiles were recovered during the autopsy. A presumptive toxicology test of Heard's urine was conducted which was negative for controlled substances. According to the attending pathologist, Dr. Barry, Heard's preliminary **cause of death was gunshot wound to the torso** and the **preliminary manner of death was homicide**. The above information is preliminary/presumptive in nature and are not deemed official findings until the formal medical examiner report is completed.

This concluded my investigation to this point. Any additional follow up will be documented in a subsequent report.

**ORIGIN:**

On Sunday, July 7, 2024, at approximately 1119 hours, Detective Gibson and I spoke with [REDACTED]. Our interview was audio recorded. **STATEMENT OF** [REDACTED]:

[REDACTED] was working at the [REDACTED]. [REDACTED] was outside the store retrieving a pastry delivery when he heard someone screaming while driving southbound on La Jolla Boulevard in a car with its windows down. The car stopped in the south bound lane of La Jolla Boulevard blocking the street. The Hispanic male diver paced around the car for about 15 minutes while screaming and yelling. The male appeared aggressive and mad and would not let any other vehicles pass on the road as people were telling him to move. [REDACTED] was unwilling to engage with the male due to his aggressive behavior, but he was going to call 911. However, the police arrived before he called.

[REDACTED] was standing at the cash register as the police pulled up. The police tried talking to the male, but he seemed "very aggravated and "very mad." [REDACTED] described it as a "tweaker situation." [REDACTED] could not hear anything because he was inside the coffee shop and the doors were closed. [REDACTED] could see that the male kept getting "closer and closer" to the two police officers. The first officer had his firearm drawn but not pointed at the male. The police officer made motions to the male by extended his other hand out with his palm facing the male. [REDACTED] interpreted these hand motions to mean "stop walking towards us."

[REDACTED] said that at one point the male "progressed forward" towards the officers. The male crossed the street and approached the officer on the passenger side of the police vehicle. [REDACTED] could see that the male was either still yelling or talking with the officer. The male kept slowly getting closer to the officers. [REDACTED] saw the officer place his hand on his

[REDACTED]

**STATEMENT OF** [REDACTED]:

[REDACTED] was inside the gym located at 5490 La Jolla Boulevard. [REDACTED] saw a vehicle stop in the south bound lane of La Jolla Boulevard blocking the street and a male exit the driver's seat. The male stood by the vehicle then walked around to the passenger side and opened and slammed the passenger side door. [REDACTED] believed the male was "pissed" because his car broke down. Multiple vehicles pulled behind the stopped vehicle from the roundabout and had to divert onto other roads because the male would not move. The male looked at him a couple of times and [REDACTED] looked away and tried to avoid making eye contact. [REDACTED] saw the male lift the rear hatch of the vehicle. **Person Interviewed:**

**Statement of [REDACTED]:**

On July 6, 2024, about 0645 hours, [REDACTED] was driving southbound on La Jolla Blvd, at the roundabout-style intersection with Midway St. He observed a silver vehicle stopped in the southbound lane of La Jolla Blvd, just south of the intersection. [REDACTED] believed the motorist may have broken down. [REDACTED] stopped his vehicle near the center of the roundabout and walked over to offer his assistance with moving the vehicle out of the roadway. There was a single subject standing near the front driver's side of the vehicle. He appeared to be alone, there was no one else in the immediately area, and the vehicle appeared unoccupied. [REDACTED] did not see any objects in the subject's hands.

He offered to help move the vehicle out of the roadway, but the subject gestured at him to go away. [REDACTED] offered a second time to help move the vehicle, so it was not blocking the roadway. The subject again gestured with his hands towards [REDACTED] to go away.

There were two vehicles stopped directly behind the one blocking the roadway. [REDACTED] helped them back up and take another route on a side street. [REDACTED] offered his help a third time to the subject blocking traffic and got the same response. [REDACTED] left the area and returned home. [REDACTED] recalled hearing emergency vehicle sirens responding to the area around 0700 hours.

[REDACTED] later saw on the news an Officer Involved Shooting had occurred at the intersection of La Jolla Blvd and Midway St. He recognized the silver vehicle shown on

**Statement of** [REDACTED]:

Dejon Heard had been diagnosed as schizophrenic for quite a while and had been prescribed medication for his condition. [REDACTED] was unsure if Heard was current on his medication. When he was not taking it, he would hallucinate and have conversations with himself or with objects like the television. [REDACTED] described Heard as "talking shit" to the voices in his head. She last saw Heard about two months ago near her home. At that time, Heard was talking to himself again, rambling, and did not seem to think clearly. Based on this, [REDACTED] did not believe Heard was doing well and that he was not taking his medication.

When Heard's schizophrenic symptoms manifested in public, it sometimes inadvertently started fights with people. Subjects who did not know Heard would mistakenly think he was "talking shit" to them when Heard was responding to his hallucinations.

The clothing Officer Aguilar was wearing during the photographs were the same clothing Officer Andrew was wearing during the incident. Officer Aguilar's clothing was described as a patrol uniform, sewn on badge which says police officer, his name, body camera on the front, two SDPD patches on the sleeves of his shirt and cargo pants. Officer Aguilar's duty belt was equipped with three magazines, handgun, handcuffs, pepper spray, and a baton. Officer Aguilar had no additional impact weapons. Officer Aguilar had a conductive energy device (Taser) with him during this incident but did not use nor attempt to use his Taser. Officer Aguilar had OC spray, less lethal shotgun (bean bag), lethal shotgun, with him during the incident but did not use nor attempt to use either weapon. Officer Aguilar did not have an AR-15.

Officer Aguilar had a firearm with him during the incident. Officer Aguilar's firearm is a Smith & Wesson M&P M2.0 (All Metal) 9MM pistol. Officer Aguilar withdrew his firearm but did not discharge the firearm. Officer Andrew had one chambered round and ■ found in the magazine. The capacity for Officer Aguilar's magazine is ■ rounds. Typically, Officer Aguilar would load his firearm with a full magazine and a chambered round. Officer Aguilar believed after shooting the firearm at the shooting range for department qualifications, he may have not fully loaded the magazine once the firearm chambered a round, thus leaving the seated magazine with one less round than capacity. Officer Aguilar qualified with this firearm during the last cycle at an unknown date in 2024. Officer Aguilar had no additional firearms with him during the incident.

Officer Aguilar was issued a body worn camera which was activated prior to, during, and after the incident. Officer Aguilar was given the opportunity to review his body worn camera but did not review the footage prior to this interview. Officer Aguilar had a department issued cell phone issued to him and did not utilize the cell phone during the incident. Officer Aguilar had a personal cell phone and did not utilize the cell phone during the incident.

At approximately 0700-0705 hours, Officer Aguilar received a radio call for service of an incomplete phone call regarding a male subject saying something to the effect that he needed help or needed police. At the time of the radio call, Officer Aguilar was on Garnett Avenue heading to the Pacific Beach storefront. Drive time from Officer Aguilar's location to the 5600 block of La Jolla Boulevard was approximately a 10-minute drive. While driving to the location, Officer Aguilar received radio updates from SDPD dispatch who had received information from multiple callers. The updates included a male subject who had parked his vehicle in the middle of the street and was waving a weapon around, possibly a knife.

Officer Aguilar was driving northbound on La Jolla Boulevard and knew the CVS would be to his right as he approached the scene. On approach, Officer Aguilar observed the stalled vehicle in the single southbound lane with a subject outside of the vehicle. Officer Aguilar parked his marked patrol vehicle south of the subject's location and got out of his vehicle. Upon exiting the marked patrol vehicle, Officer Aguilar recognized the subject had a knife in his hand. The subject had his hand around the handle of the knife with a blade of about a 3-inch blade.

Officer Aguilar immediately withdrew his firearm, verbalized his observation of the knife and told the subject to drop the knife. The subject did not comply, then began yelling and screaming although Officer Aguilar could not recall what was said. The subject ran towards Officer Aguilar. As the subject made stabbing motions with the knife and ran towards him, Officer Aguilar perceived these actions as a threat. Officer Aguilar ran backwards to the rear of his patrol vehicle in order to get some distance from the subject.

At some point, the subject focused his attention to Officer Andrew. Officer Aguilar believed Officer Andrew was near the front of the vehicle's hood on the passenger side. Officer Aguilar lost visual of the subject as he was on the other side of the patrol vehicle. At some point, Officer Aguilar observed Officer Andrew move rearward. Officer Aguilar attempted to utilize his radio to advise SDPD dispatch they had one at gunpoint but could not get through to communicate the update. Officer Andrew shot the subject, and the subject went to the ground.

Officer Aguilar moved to the other side of the vehicle and gave commands to the subject. The knife the subject possessed was by his side and within arm's reach. Officer Andrew told the subject to throw the knife; the subject then threw the knife which went across the street. Commands were given in an attempt to get the subject onto his back so he could be handcuffed. Officer Aguilar and Officer Andrew holstered their firearms and handcuffed the subject's hands behind his back. Additional officers arrived on scene and applied medical devices to the subject's chest to address the subject's wounds. The subject was then transported to the hospital once medics arrived on scene.

During the initial radio call, the subject was described as a white male next to a stalled vehicle next to the CVS in the southbound lanes. Upon arrival, Officer Aguilar contacted a white male subject with a knife in hand. Officer Aguilar was unable to remember what the subject was wearing. Once the radio call was dispatched, Officer Aguilar thought a traffic collision may have occurred, as there are frequent collisions in that area, and the caller was upset.

As other calls came in, Officer Aguilar was advised the subject possibly had a knife in his hand. Knowing this information, Officer Aguilar parked close enough to the subject in order to address him while creating distance as well. With the additional radio calls providing added information, Officer Aguilar did not stage and wait for additional officers. If the subject had a knife as reporting parties described, Officer Aguilar wanted to get to the scene to address the situation before the subject used the knife against a member of the public. It was Officer Aguilar's intention to park the patrol vehicle in a tactical manner, create cover, to ultimately attempt to address the subject and deescalate the situation. Despite Officer Aguilar's attempt, as soon as Officer Aguilar arrived, the subject charged towards his direction. Officer Aguilar was unable to deescalate the situation as the incident quickly unfolded. The initial radio call and Officer Aguilar's observation once on scene were different.

At the time of contacting the subject, Officer Aguilar believed probable cause existed to arrest the subject for brandishing a weapon pending on further investigation and victim location. Additionally, Officer Aguilar believed a 5150 hold would be appropriate after further investigation. Psychiatric Emergency Response Team (PERT) was not contacted to assist as there was not enough time.

Officer Aguilar believed there was cause to take action in this incident as the subject charged towards him with a knife. The subject had the knife in his hand, with the knife up at his head and moving it in a downward motion in a stabbing motion. Officer Andrew was on the passenger side of the marked patrol vehicle near the hood of the vehicle when the subject charged towards Officer Andrew. After observing the knife in the subject's hand upon arrival, Officer Aguilar was concerned the subject could use the knife against him, Officer Andrew or the surrounding public. Officer Aguilar did not use force during this incident. If Officer Andrew had not used force, Officer Aguilar feared the subject would have used the knife against Officer Andrew and himself. Officer Aguilar had not had any contact with the subject prior to this incident. Officer Aguilar did not use force because he had created distance from the subject. Officer Aguilar would have used force if the subject continued to pursue him.

The firearm collected during the evidence processing of Officer Andrew was the firearm used in this incident. Officer Andrew did not use any additional weapons during this incident. Officer Andrew's department issued firearm is a Glock 17 Gen 5 9mm pistol. Typically, Officer Andrew would load his firearm with a full magazine and a chambered round. Officer Andrew believed he may have not fully loaded the magazine once the firearm chambered a round, thus leaving the seated magazine with one less round than capacity. The ammunition was department issued. Officer Andrew qualified with this firearm during the last cycle at an unknown date in 2024. Officer Andrew last checked his firearm this morning by checking the magazine then performing a "press check." A press check is to confirm there is a chambered round. Officer Andrew maintained possession of the firearm from the time of the incident until it was collected. The firearm had not been manipulated nor altered the condition since the incident.

The clothing Officer Andrew was wearing during the photographs were the same clothing Officer Andrew was wearing during the incident. Officer Andrew's clothing was described as a SDPD issued class C uniform, external vest, and uniform shirt with SDPD on the sleeves. Officer Andrew's duty belt was equipped with his firearm, magazine, conducted energy device (TASER), raid, baton, and handcuffs. Officer Andrew did not use nor attempt to use his TASER. Officer Andrew tested his TASER. Officer Andrew had OC spray, less lethal shotgun (bean bag), lethal shotgun, with him during the incident but did not use nor attempt to use either weapon. Officer Andrew did not have an AR-15 nor additional firearms with him during the incident.

Deputy Andrew was issued a body worn camera which was activated before the incident. Deputy Andrew was given the opportunity to review his body worn camera prior to this interview. Officer Andrew has a department issued cell phone issued to him and did not utilize the cell phone during the incident. Officer Andrew has a personal cell phone and did not utilize the cell phone during the incident.

Officer Andrew received a radio call for service regarding a male blocking southbound traffic at La Jolla Boulevard who told SDPD dispatch to get all units there right now. Officer Andrew received this radio call for service at approximately 0700 hours and he was in Pacific Beach getting breakfast. Officer Andrew and his partner made their way to the scene when he received additional information from SDPD dispatch regarding the incident. Per multiple callers, SDPD dispatch advised the male subject was blocking southbound traffic, yelling, throwing things, and told someone on a nearby balcony to tell dispatch his name. Based on the provided information, Officer Andrew believed a traffic collision may have occurred. Additionally, multiple reporting parties advised the male subject was in possession of a knife and was swinging it around. Upon receiving the radio call for service,

Officer Andrew was concerned for public safety with multiple businesses and apartment complexes in the area as well as blocking traffic. Officer Andrew was concerned for public safety as the subject was swinging a knife. Given the SDPD dispatch updates, Officer Andrew's plan did not change while on his way to the scene. Officer Andrew spoke to his partner (Officer Aguilar) and discussed the approach to stop a few blocks away to visually observe the incident. While Officer Andrew and his partner neared the scene, Officer Andrew observed multiple people walking. Dispatch had requested a K9 unit and Officer Andrew had another unit assigned to the call. Officer Andrew had not requested for a PERT unit.

Officer Andrew observed the vehicle in the middle of the La Jolla Boulevard and Midway Street, blocking the traffic circle and entire southbound single lane of traffic. The positioning of the vehicle was not a typical location for a vehicle to have been stopped. Once Officer Andrew saw the vehicle matching SDPD dispatch's description, he advised his partner to stop. Officer Aguilar stopped the marked patrol vehicle in the northbound lane of La Jolla Boulevard, just south of the subject's vehicle. Officer Andrew's marked patrol vehicle and the subject's vehicle were separated by a median. Officer Andrew did not see the subject until he exited his marked patrol vehicle. The subject was wearing a grey hooded sweatshirt and tan pants.

While exiting the marked patrol vehicle, Officer Andrew observed the subject turn around and face southbound towards him. The subject was standing in front of his vehicle, in the southbound lane of La Jolla Boulevard. Officer Aguilar directed the subject to drop the knife. The radio call for service and relayed information matched what Officer Andrew had observed upon arrival. Prior to arrival, there was no probable cause for an arrest but once the subject raised the knife, Officer Andrew's intentions were to take the subject into custody in handcuffs. Officer Andrew did not believe a crime was in progress and the subject looked like he was waiting for someone. When the subject turned around, exposed the knife, said "Alright let's go," then raised the knife above his head in a stabbing motion and ran towards Officer Andrew and Officer Aguilar, Officer Andrew took action. Officer Andrew perceived the subject's actions as a threat. The subject was holding the knife, about 6-8 inches with a brown handle in his right hand. Officer Andrew was concerned for his safety and the safety of Officer Aguilar as the subject could close the distance between them and use the knife to harm them. When the subject exposed the knife, Officer Andrew withdrew his firearm and pointed it at the subject. Once the subject ran and said, "Let's do this," Officer Andrew saw someone on the sidewalk behind the subject's vehicle on the sidewalk.

Officer Andrew was standing on the passenger side of the marked patrol vehicle and his partner was on the driver's side of the marked patrol vehicle. Officer Andrew did not have visual observation of his partner due to their position. The subject ran across the median then initially ran towards Officer Andrew's partner which caused Officer Andrew to move forward due to not having a visual of his partner. Officer Andrew's movement caught the attention of the subject which caused the subject to change direction and pursue Officer Andrew. Officer Andrew's safety concerns were his backdrop and Officer Aguilar whom he lost visual of.

Officer Andrew gave verbal warnings to the subject, telling the subject multiple times to drop the knife. The subject ignored Officer Andrew's verbal commands, continued advancing while saying "Are you kidding me right now, are you kidding me right now." As the subject continued to ignore Officer Andrew's commands, Officer Andrew believed the subject may have been experiencing a mental health crisis. Officer Andrew was unable to investigate further due to the subject's continued advancing movements towards him. Officer Andrew used force due to the subject running towards him with the knife in his hand after Officer Andrew gave the subject multiple commands to drop it. Officer Andrew feared the subject would close the distance, as he was a vehicle's length distance away, and use the knife to harm Officer Andrew. Officer Andrew used the force option he did due to the subject having a knife.

Officer Andrew discharged his firearm three times. Officer Andrew did not find it feasible nor consider using a less than lethal option as the subject was armed with a knife. After using force against the subject, Officer Andrew gave the subject commands to turn onto his stomach and get away from the knife. After using force, which stopped the subject's actions, the subject remained on the ground yelling. The subject swatted the knife away then Officer Andrew and Officer Aguilar holstered their firearms to provide medical aid to the subject. The subject was restrained in handcuffs and medical aid was provided. Chest seals (2) were applied to the subject's wounds and Officer Andrew positioned the subject into the recovery position until medical personnel arrived. Officer Andrew's vehicle was moved to make room for medical personnel arriving on scene.

If the subject's actions were not stopped, Officer Andrew feared the subject would continue to advance towards him and potentially stab Officer Andrew. Officer Andrew had no previous knowledge nor contacts with the subject prior to this incident.

The interview concluded at approximately 1353 hours.

**Steve Boyles Statement Report**

**Origin:**

On Tuesday, July 11, 2024, at approximately 1510 hours, I interviewed [REDACTED] over the phone. The call was audio recorded. For details, refer to the audio recording.

**Person Interviewed:**

[REDACTED]

**Statement of [REDACTED]:**

On July 6, 2024, Boyles was driving northbound on La Jolla Blvd, by the CVS (5495 La Jolla Blvd). He saw a vehicle stopped in the southbound lane. There was a single subject pacing next to it. He estimated this was between 0710 and 0730 hours. Per [REDACTED] the subject appeared agitated, and [REDACTED] assumed the vehicle had broken down in the roadway. [REDACTED] continued northbound and out of the area. A short time later, [REDACTED] returned southbound on La Jolla Blvd.

He got stuck in traffic approximately 40 to 50 feet behind the stranded vehicle. There was a marked police vehicle on scene in the northbound lane of La Jolla Blvd. Two officers were next to their police vehicle, and they appeared to be speaking to the subject [REDACTED] had seen earlier. [REDACTED] turned down his vehicle radio to try and listen to what was being said.

[REDACTED] head one of the officers tell the subject to drop the knife. [REDACTED] then realized the subject was holding a knife in his right hand. The subject was ignoring commands and walking towards the officers. The subject raised the knife above his head and then lowered it to around waist level as he closed the distance on the officers. [REDACTED] described the subject as "walking in a dazed manner."

The officers gave more commands for the subject to drop the knife. The subject did not comply and continued to approach the officers. The officer on the "left" shot the subject. The subject dropped to the ground and began screaming. The subject followed the officers' instructions to roll onto his back and then onto his stomach. [REDACTED] quickly turned around and left the area before anything else occurred.

The interview concluded at approximately 1523 hours.

around 1830 hours. Heard sent [REDACTED] a text message asking for \$3.00. She assumed Heard had been living out of his grayish-silver 2010 Toyota Matrix, mostly likely near Old Town San Diego. [REDACTED] described the vehicle as all beat up and that Heard had removed the stereo from his vehicle.

Heard suffered from numerous mental health issues, including delusions, extreme paranoia, and auditory hallucinations. He was previously prescribed [REDACTED] an [REDACTED], which seemed to help him manage his symptoms. [REDACTED] was unsure if he was currently taking any medications. She recalled his mental health began to regress around March of 2023. Heard's delusions and paranoia escalated since. He would have conversations from time to time where he screamed at himself as if he were talking with someone who was not there. According to [REDACTED] Heard was able to compose himself for short periods of time. If someone spoke with Heard for more than a few minutes he would unravel, and it would become obvious something was wrong with him. Heard had marks on his inner forearms from cutting himself. She did not know if he had recently had any suicidal or homicidal ideations.

In January of 2024, Heard had a "meltdown" and used a baseball bat to destroy walls and furniture in his Arizona apartment. [REDACTED] paid to have the damaged items repaired or replaced and the landlord was never notified of the incident.

[REDACTED] described Heard as being angry at the world and that he did not trust anyone. She felt like she had to "walk on eggshells" around Heard to avoid upsetting him. Heard had a deep paranoia that he was being harassed and followed by law enforcement. This led him to file a lawsuit against the County of San Diego in May 2024.

Heard is not responsible for any other persons or pets.

**DEJON HEARD CELL PHONE REVIEW**

**ORIGIN:**

On Friday, August 9, 2024, Detective Arnold requested I review the downloaded contents from the cell phone recovered from the driver's seat of Heard's vehicle. The downloaded contents of the cell phone were seized per a previously granted and served search warrant, [REDACTED]. The cell phone was described as a cellphone in a protective case that has black sides and a grayish-colored backside. There is a large silver circle on the backside of the phone and three camera lenses in a triangular arrangement in the top left corner. During the review of this cell phone, I utilized the XAMN Viewer.

**INVESTIGATION:**

First review of the cell phone showed further identification numbers, Serial Number: [REDACTED] and Mobile Id [REDACTED]. Details of the download showed the owner's name to be "iPhone".

On July 6, 2024, at 0653 hours, the cell phone was utilized to complete an outgoing phone call to "911" with a duration of 9 seconds. The listed details showed a name match to the '6569' phone number to be "heard066".

June 23, 2024, at 0556 hours, video in gym locker room, duration 1 minute 47 seconds. The video appeared to be recorded by Heard as I recognized his voice as matching the voice from the initial recorded phone call from SDPD dispatch. The video appeared to be recorded in a gym locker room where Heard confronts two unknown black male adults. Heard focuses on one of the unknown males as the other is seated on a locker room bench near the lockers. The verbal confrontation did not become physical during the recorded video. Heard stated the two unknown males threatened him which was captured on video. The video did not include the threats although Heard and one of the unknown males had an argument over the situation becoming physical. The male seated on the locker room bench stood up and was going to speak with someone about the altercation and told Heard to leave.

**Autopsy Report**

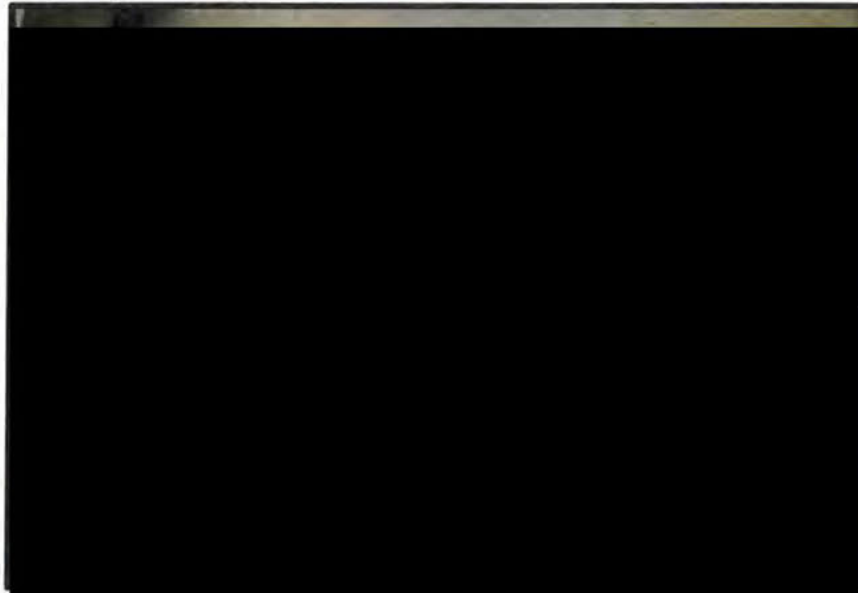

**Origin:**

On Sunday, July 7, 2024, at approximately 0900 hours, I arrived at the San Diego Medical Examiner's Office located at 5570 Overland Avenue, San Diego. I met with San Diego Sheriff's Department (SDSD) Detective M. Blumenshine #2137, SDSD Forensic Evidence Technician (FET) S. Maksimow #7204, and FET B. Silverthorn #7420 who all attended the autopsy of "John Doe."

The Medical Examiner case number was [REDACTED]. The pathologist conducting the examination was Doctor Barry. Dr. Barry was assisted by Forensic Autopsy Specialist (FAS) F. Worlds.

**Investigation:**

At approximately 0903 hours, we entered the examination room. I observed a body in a white body bag on an examination table. The white bag had a red U-LINE tag (# [REDACTED]) securing the zippers on the bag together in a closed position. At approximately 0906 hours, FAS Worlds broke the seal on the body bag. At the time of the autopsy, Doe was 65 inches tall and weighed 175 pounds. His hands, feet, and his head were encased by brown paper bags. FAS Worlds removed the paper bags. Doe was in the supine position. Doe's clothing had previously been cut away during the incident but remained underneath him.

**DEJON HEARD VEHICLE SEARCH**

**ORIGIN:**

On Wednesday, July 10, 2024, at approximately 0709 hours, Detective Van Lingen (3117) and I assisted in serving search warrant [REDACTED] signed by the Honorable Judge Jay Bloom at the San Diego Sheriff's Crime Laboratory located at 5590 Overland Avenue, in San Diego. The item searched was a silver 2010 Toyota Matrix four-door sedan bearing an Arizona license plate "[REDACTED]" and VIN: [REDACTED].

**INVESTIGATION:**

The car was parked inside of the San Diego County Sheriff's Crime Laboratory garage. Forensic Evidence Technician (FET) Silverthorn (7420) and FET Maksimow (7204) were assigned as the Crime Lab personnel to process the vehicle.

**VEHICLE DESCRIPTION:**

The vehicle was a 2010 silver Toyota Matrix [REDACTED]. The vehicle had a single license plate affixed to the rear bumper. The vehicle was in generally good condition and appeared to have prior defects to the passenger side along the front and rear passenger door as rust had formed. The front windows were rolled down and the rear windows were rolled all the way rolled up. The rear windows appeared to have been lightly tinted. During the incident, the rear hatchback trunk door was open, but had been shut during the transport of the vehicle.

**VEHICLE SEARCH:**

FET Maksimow photographed the entire exterior and interior of the vehicle. Detective Van Lingen and I conducted a search of the vehicle. Upon searching the interior of the vehicle, I observed the rear seats of the vehicle were folded down which created a flat surface from the rear passenger area to the rear hatchback style trunk of the vehicle. The trunk of the vehicle contained an apparent makeshift sleeping area as I located two green colored inflatable sleeping pads covered with blankets and pillows. Various items of clothing, toiletries, food items were located throughout the vehicle. The front passenger seat area, to

The following items were located and documented as evidence. The number in parenthesis indicates the evidence placard number depicted in the photographs.

- (1)- Wallet containing one-hundred-dollar bill in U.S. currency, various payment cards, Arizona driver's license state benefits cards, medical and insurance cards belonging to Heard.
- (2)- Two pill bottles containing medication;
  - [REDACTED] filled on 05/21/2024 with 7 pills remaining in bottle.
  - [REDACTED] filled on 05/19/2024 with 23 pills remaining in bottle.

See FET Maksimow's evidence report for further details.

**INVESTIGATION (CONTINUED):**

The vehicle search and processing concluded at approximately 0808 hours. At the conclusion of the search, FET Maksimow took custody of the abovementioned items of evidence. I placed a copy of the search warrant and receipt and inventory inside the vehicle. The remaining property was returned to the vehicle and the vehicle was left secured inside of the garage.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 07/06/2024 at approximately 0658 hours Officer Armbruster #7373 and I responded to a violent disturbance at 5400 La Jolla Boulevard in front of the CVS Pharmacy. We were in full police uniform and driving a marked patrol vehicle.

While enroute to the radio call Officers on scene stated "shots fired" over the radio. We arrived on scene and blocked south bound traffic at La Jolla Village and Forward Street with our patrol vehicle. I blocked North, East, and West perimeters of the scene from pedestrian traffic using yellow police tape. I then stood at the intersection of Midway Street and La Jolla Boulevard preventing pedestrian and vehicle traffic from entering the scene.

I was relieved by Officer Gomez #5232 at approximately 1000 hours.

**INDIVIDUAL/S****REPORT NARRATIVE****OFFICER'S STATEMENT:**

On 07/06/2024, at approximately 0658 hours, PERT Clinician Ruiz #9961 and I responded to a radio call of a violent disturbance of a male waving a knife around while standing next to a vehicle in the middle of the street located at 5495 La Jolla Boulevard, San Diego. I was in full police uniform and driving a marked police vehicle in the city of San Diego.

While in route to the radio call, officers arrived on scene and were contacting the male. Officers advised, "shots fired" over police radio. I later arrived on scene to assist officers. Officers were providing first aid for the male upon arrival. Officer Hibbard #1540 advised he needed another chest seal for the male. I retrieved a chest seal from my patrol vehicle and provided it to Officer Hibbard.

Officers on scene directed me to where the knife was located and shell casings. I later placed caution tape around the scene. I stood by the caution tape to insure no one would enter the scene area. While standing near the scene, I noticed a sandal which was part of the original scene was moving with the drain water away from the scene. I placed a glove on and grabbed it. I placed the sandal away from the running drain water to prevent the sandal from continuing into a possible storm drain. The sandal moved approximately 12 inches away from its original location.

I then continued to stand outside the caution tape and held perimeter of the scene until Sheriff detectives advised they needed to take photos.

I later held perimeter on the south side of the scene at 5400 La Jolla Boulevard.

BWC recording.

This concludes my involvement in this investigation.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 7/6/24, at approximately 0721 hours, Officer S. Humes #1886 and I were in full police uniform, driving a marked patrol vehicle. We were dispatched to 5495 La Jolla Boulevard, in the City of San Diego to assist on a disturbing the peace with violence call that resulted in an officer involved shooting.

While enroute to the scene, Sergeant B. Johnson #6854 requested a unit to conduct a follow-up at the hospital to get an updated status on the subject. Officer Humes and I volunteered and were redirected to Scripps Memorial hospital, located at 9888 Genesee Avenue, in the City of San Diego.

Upon arrival, at approximately 0740 hours, I located the Scripps Memorial Trauma surgeon, later identified as DR. NING LU with the subject inside trauma bay "1."

DR. LU informed me the subject sustained four gunshot wounds. Two gunshot wounds were located on the arm, one was center mass on the chest and the fourth was in the back. DR. LU was notified thirty-five minutes prior to the arrival of the subject at the hospital that no signs of life were observed, however all life saving measures were performed. DR. LU pronounced the subject deceased at the hospital at 0735 hours.

Upon receiving the information from DR. LU, I photographed the subject's front and side profiles that were visible without rotating the decedent. The photographs were uploaded to evidence.com.

Officer A. Thomas #1557 arrived at the hospital and relieved Officer Humes and I from our post.

Sergeant Johnson requested a record check to be conducted on the registered owner of the vehicle located on scene that was involved in the incident. The vehicle was a Silver 2010 Toyota [REDACTED]. The registered owner listed was identified as DEJON HEARD. A record check was conducted. Per previous booking photo and CA driver's license photo, the subject was tentatively identified as DEJON HEARD.

No further assistance was requested from Officer Humes and I. This concluded our involvement on the case.

**REPORT NARRATIVE**

On 07-06-2024 at approximately 0725 hours, I was in full police uniform and driving a marked police vehicle when I responded to 5945 La Jolla Blvd 92037 to assist on scene of an officer involved shooting.

I arrived on scene at approximately 0737 hours and reported to Sgt. Johnson #6854. I was informed that cameras and witness checks hadn't been conducted at the CVS where the incident occurred in front of. I checked with the employees in the store, and [REDACTED] informed me that she had witnessed the event.

**STATEMENT OF [REDACTED]:**

I got to work around 0657 hours. I saw the male subject outside of his vehicle in front of the store. He was yelling but I couldn't hear what he was saying. I assumed his car was broken down, so I didn't pay too much attention to him. I saw police talking to him and went back inside the store. Then I heard shots go off, I looked back outside and the man was laying on the ground.

I didn't see anything else. After the incident, I found a bullet hole in my window.

(End of statement)

I located the damaged window and took photos of it. The photos were uploaded to evidence.com under the incident number.

I provided Cazares with the incident number and City Claims' phone number.

My BWC was recording.

**REPORT NARRATIVE**

On 07/06/2024 at about 0720 hours, Officer Butler #1914 and I were in full police uniform in a marked patrol vehicle in the city of San Diego, when we responded to a call for service of a disturbing the peace with violence at 5495 La Jolla Blvd. Per the radio call, there was a male next to a vehicle parked in the middle of the crosswalk waving a knife around. It was updated via communications that officers on scene had the suspect at gun point and shortly after updated "shots fired".

I arrived on scene, and I learned from Sgt. Maraschiello #7350 that there was a witness who worked at the [REDACTED] located just northeast of where the officer involved shooting occurred. I met with the witness later identified as [REDACTED] via his California driver's license. I obtained the following statement from [REDACTED]

**STATEMENT OF [REDACTED]**

The following is a paraphrased statement of [REDACTED]

I am an employee at the [REDACTED], and I start my shift at 0700 hours. I arrived at work at about 0645 hours. I heard a male screaming as I went towards the back of the store. At first, I thought it was some loud scream music but then I saw it was a man yelling. I went back inside to the cash register to get ready for work but then I saw the same man who was yelling, park his car in the crosswalk just west of the CVS Pharmacy. I then saw the police officers arrive on scene with their emergency lights. As soon as the police officers exited the vehicle, the male advanced towards them aggressively. I could not see if the male had anything in his hands, but I did see the officer unholstered his firearm. The "black" officer had the gun at the low and his other hand motioning the man to stay back. However, the man continued to advance aggressively towards the officer and then black officer fired about 3-4 rounds.

//END OF STATEMENT//

After I obtained [REDACTED] statement, I checked for additional witness checks but came up negative. I checked for any projectiles that might have made contact with additional business and was negative. Homicide and San Diego Sheriffs arrived on scene and took over the investigation of the officer involved shooting. I assisted Sgt. Johnson #6854 as the scribe by gathering any

**REPORT NARRATIVE**

On 7/6/2024 at 0705 hours I responded to a report of shots fired during a response to a disturbance at 5495 La Jolla Boulevard in the city of San Diego.

Upon arrival I took up a position at the outer perimeter at the intersection of La Jolla Boulevard and Colma Street in order to stop vehicle and pedestrian traffic from entering the scene.

While at my post I was approached by a male, identified as [REDACTED] via his California ID, who told me he had witnessed the suspect's behavior shortly before officers arrived on scene.

I took the following paraphrased statement.

Statement of [REDACTED] (Witness)

Around 0700 hours I was returning home when I noticed a vehicle that was blocking the road on La Jolla Boulevard next to the CVS. There was young man wearing a green shirt that was pacing around his vehicle and acting erratically. He was slamming the car door and appeared to be looking for something. I could tell there was definitely something wrong with him and I had to find an alternate way to get to my residence.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 7/6/24 at about 0700 hours I was on duty in full police uniform and driving a marked police vehicle with Officer B. Rayas #1680 when we responded to a report of a disturbing the peace with violence radio call near 5495 La Jolla Blvd, San Diego. The radio call described a Hispanic male that was blocking south bound traffic of La Jolla Blvd with his vehicle and had gotten out with a knife in hand, swinging the knife around and yelling incoherent statements.

While in route to the radio call I heard Officer T. Andrew #1529 air that he had one at gunpoint, approximately one minute later Officer Andrew aired that shots were fired, and the suspect was down.

Upon Officer Rayas and I arrival, I observed the suspect, later identified as Dejon Heard by his DMV license photo, laying on his side while Officer Andrew and Officer J. Aguilar #5531 were applying handcuffs to Heard. I retrieved my medical first aid kit from the patrol vehicle and began first aid on Heard. I applied a chest seal to the front entry wound to his center chest cavity. There was a large amount of blood coming from Heard and his outer clothing was entirely soiled. After the front chest seal was applied, Officer Andrew helped me turn Heard over and I applied a second chest seal to his back center torso area.

At about the time I applied the back chest seal, Falck medic #21 arrived on scene, and I assisted in securing the automatic CPR compression device (LUCAS). I was advised by one of the responding medics on scene that Heard was likely to expire and I informed Officer C. Mady #7219 to start locking the surrounding area down for investigations.

Additional responding units arrived and assisted with witness statements and securing the area. I met with Officer Andrew and assumed a peer support role until additional peer support officers arrived on scene to assist.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 07/06/2024 at about 0721 hours, Officer Rozar #1727 and I responded to assist on a disturbing the peace with violence radio call that resulted in an officer involved shooting at 5495 La Jolla Boulevard, San Diego CA 92037. I drove a marked patrol vehicle and was in full uniform.

While enroute to the scene, I diverted to conduct a follow up at Scripps Memorial Hospital La Jolla. I arrived at the hospital and was updated by officers at the scene that Medic 21 was the transporting unit. The paramedic J. Kane #P36203 was the transporting paramedic.

The subject was moved to trauma bed 1 prior to my arrival. Dr. Ning Lu pronounced the subject deceased at 0735 hours. I updated Sergeant Johnson #6854.

While in the trauma room, medical staff provided me with a face sheet for the subject.

Officer Thomas #1557 arrived to Scripps Memorial Hospital to relieve my post.

Sergeant Johnson #6854 requested a records check to be conducted on the registered owner of the vehicle involved in the incident. Officer Rozar #1727 and I conducted the records check and tentatively identified the deceased subject as Dejon Heard via a previous booking photograph and California Driver's License.

I scanned and uploaded the face sheet to NetRMS. I impounded the face sheet under barcode 11520071.

This concludes my involvement in this incident.

**REPORT NARRATIVE**

On 07/06/2024 at approximately 0705 hours I was on duty as a San Diego Police Officer with my partner Officer J. Hibbard (#1540) wearing my full police uniform driving in fully marked police patrol vehicle when we dispatched ourselves to a disturbing the peace with violence hot-call radio call that other officers were still enroute to. The radio call had five separate reporting parties stating there was a disturbance involving a male blocking a lane along 5400 La Jolla Blvd. One of the reporting parties [REDACTED] (Later determined to be [REDACTED] and further referred to as [REDACTED] described the male of the disturbance call as a Hispanic male early 20's, 5'9, medium build, wearing a tan or olive hoodie, green shirt, and gray shorts holding a kitchen or pocketknife. [REDACTED] observed the suspect of the disturbance to be standing outside of his Silver Toyota SUV parked in the roadway holding a knife and shouting at people nearby.

At approximately 0706 hours Officers T. Andrew (#1529) and J. Aguilar (#5531) aired "One at gunpoint" on Northern D1, the primary division patrol radio channel. I activated our police emergency lights (Red and blue flashers with a solid forward facing red light) and siren as there was a clear emergency due to the officers drawing their firearms. I viewed this as a cover now, which is an urgent request for police assistance. Activation of emergency lights and siren is referred to a "Code 3" and our Code 3 was not aired as required due to priority radio traffic for the officers involved in the emergency.

At approximately 0707 hours the officers on scene aired "Shots fired suspect down". We continued to drive Code 3 to the scene and arrived at approximately 0708 hours. Upon arrival Officer Hibbard moved to assist in rendering first aid to the suspect who was laying in a large pool of blood and had heavy bleeding from multiple gunshot wounds. I used my radio to advise that medics were cleared to arrive on scene after the suspect was placed into handcuffs. I immediately moved my police patrol car to block northbound traffic at the intersection of La Jolla Blvd and Colima St to begin securing the crime scene.

I grabbed yellow marked police line tape from my patrol car and began closing off various parts of the scene that had not already been taped closed. While putting up crime scene tape to lock down the scene, I was flagged down by a female who stated they called 911 and they witnessed the officer involved shooting.

I later spoke with the female who flagged me down and identified her as [REDACTED] via her California Driver's License. [REDACTED] identified herself as an [REDACTED] via her department issued retired deputy identification card [REDACTED] and wallet flat badge. [REDACTED] provided me with her basic information and the following paraphrased statement.

Paraphrased Statement of [REDACTED]:

[REDACTED] stated she was in the residence located at [REDACTED] when she heard yelling outside. [REDACTED] walked out to the second-floor balcony that oversees 5400 La Jolla Blvd just east of the intersection of La Jolla Blvd and Midway St. [REDACTED] observed a male yelling, standing in the southbound lanes of 5400 La Jolla Blvd, and blocking the same lane with his car (a 2010 Silver Toyota Matrix California Plate of [REDACTED]). [REDACTED] stated she couldn't understand everything the male was saying but she heard a reference to stabbing someone in the neck, prison, and "tell the officers my name is...". The male continued to yell but she couldn't understand him. [REDACTED] stated the male appeared to be mentally ill or possibly under the influence of an unknown substance. [REDACTED] observed the male to be holding a kitchen knife in his right hand that was approximately 8 inches long. [REDACTED] called 911 and provided the San Diego Police Dispatcher information regarding this disturbance such as location, suspect descriptions, weapons involved, and the suspect's actions.

After [REDACTED] provided the San Diego Police Dispatcher with a suspect description the male suspect began to grab clothes from the trunk of his vehicle and change his clothes. As the male suspect began to change his clothes [REDACTED] observed San Diego Police Officers arrive on scene on the opposite side of La Jolla Blvd (East Side, the male suspect was on the west side). I asked [REDACTED] how she knew they were police officers, and she stated she saw the marked police vehicle they arrived in, and they were wearing police uniforms (Officers T. Andrew and J. Aguilar). Immediately upon the officer's arrival, [REDACTED] stated the male suspect immediately began rapidly advancing toward the officers in a fast walk or a charge but not a run. [REDACTED] observed the male suspect holding a kitchen knife raised above his shoulder while advancing on the officers. [REDACTED] does not remember which hand the knife was in at this point as the male suspect was flipping the knife around in his hands before the officer's arrival.

[REDACTED] stated the African American Officer (T. Andrew) pointed his gun at the male suspect and stated approximately three verbal commands to the male suspect to "drop the knife". [REDACTED] could not hear what the male suspect was saying or if he said anything at all during the rapid advance on officers with a knife. [REDACTED] estimated that the male suspect was approximately 6-8 feet away from Officer Andrew when Officer Andrew shot at the male suspect multiple times. [REDACTED] described the shooting as "classic, by the book" due the male suspect's actions of advancing on police officers with a raised knife. [REDACTED] stated the entire incident unfolded over approximately 10-15 seconds when the officers arrived on scene.

Investigation Continued.

I later reviewed the reporting parties for this radio call. The first caller yelled the following statement to a San Diego Police Call Taker: "EVERY \*EXPLICIT\* UNIT RIGHT HERE, RIGHT NOW". The caller did not identify themselves but had a phone number of [REDACTED]. I conducted a records check of phone number [REDACTED]. The phone number had one immediate match to Dejon Marques Heard. The suspect who charged at Officer Andrew, was later identified as Dejon Marques Heard.

**REPORT NARRATIVE**

On 07/06/2024, at 1053 hours, Officer Janni #1847 and I (121K1) were on patrol, in full police uniform, and driving a clearly marked police vehicle. We responded to 5495 La Jolla Boulevard after hearing another officer was involved in a shooting. We arrived at the location and I used my vehicle to block south bound traffic at La Jolla Boulevard and Forward Street. I then assisted Officer Janni with putting up yellow tape along the north, west, and east perimeters. I then stood near La Jolla Boulevard and Midway Street to prevent pedestrians and vehicles from entering the scene. I later was instructed by Detective Jankowski #6304 to interview a priority witness, [REDACTED]

I spoke with a witness, [REDACTED] who was inside the gym located at 5490 La Jolla Boulevard. [REDACTED] essentially stated the following:

STATEMENT OF [REDACTED] (Witness):  
[REDACTED] essentially told me the following:

On 07/06/2024, at around 1045 hours, I was inside the gym for my apartment complex working out. The front entrance of the gym faces east onto La Jolla Boulevard. directly across from the CVS. I saw out the front window a gray sedan stop in the middle of the road near La Jolla Boulevard and Midway Street. The male driver (suspect) got out of the car and started walking around his vehicle. I was unsure what he was doing. He started waving his arms around and trying to direct traffic coming south on La Jolla Boulevard. I heard him yell a few times, but I am unsure what he was saying. He didn't seem to be yelling at anyone specific, but he seemed angry. He then opened his trunk and sat on the rear bumper. I stopped watching for a few minutes. The next time I looked out the front window of the gym I saw the officers' vehicle pull up to in front of the CVS about 100 feet from the suspect's vehicle which was still parked in the road where I first saw him stop. As soon as the officers got out of the vehicle the suspect started walking quickly at them. I did not see if anything was in the suspect's hands. One officer was standing on the driver's side of the patrol vehicle, and a black officer was standing on the passenger side of their patrol vehicle. The officers were pointing their guns or tasers at the suspect while he was quickly walking towards them. The suspect was yelling something, but I couldn't understand what he was saying. He was getting close to the officer on the passenger side of the patrol vehicle and I heard the officer fire four to five gunshots at the suspect. I then saw both officers immediately go to the suspect to provide first aid to him.
