## SUMMARY OF INCIDENT

Briefly summarize any background information, related calls, how we got involved, what we have done, what we have learned from evidence/witnesses. **Please include a brief summary of the statements of all priority witnesses, or statements from the suspect or victim.** The goal of the brief is to ensure that investigators are up to speed and can begin their investigation with all the relevant information.

Sgt. Arreola #6914 was in the area of 3000 K Street when he was flagged down by a Hispanic male driving a black dodge Challenger. The RP informed Sgt. Arreola that a Hispanic male had threw up, "Logan", and pulled out a firearm. The RP told Sgt. Arreola that the suspect, a Hispanic male, was working on a vehicle with a white female. The RP said the description of the Hispanic male was a young and thin Hispanic male with a gray shirt. The RP said the male was near the church located at 31st Street and K Street.

Sgt. Arreola broadcasted the information to patrol and units arrived in the area. Initially we couldn't locate the male and the RP who was on scene pointed in the direction of blue Ford Fusion (CA [REDACTED]) on the west curb line at 200 31st Street, and said the male was in that area.

Officers parked near the vehicle and conducted a high risk vehicle stop. The white female companion, [REDACTED] was compliant with officers and was detained. The suspect, identified as Kevin Gonzalez, was uncooperative with officers and wouldn't put both of his hands up. Gonzalez concealed one arm down out of officers view several times and continued to disobey orders. Gonzalez told officers that he wanted to be killed, we would have to kill him and that he had a BB gun. Gonzalez was agitated and appeared under the influence of a controlled substance.

Officers gathered multiple resources such as less lethal (taser/beanbag), K-9 and additional patrol units. Officers maintained continous spanish communication with the suspect and he continued to disobey orders and conceal his hands.

Sgt. Arreola called a PRT assist and all PRT units arrived on scene. Officers set up two contact teams with less lethal (taser/beanbag/40mm/pepperball). Officers negotiated with the male with verbal communication but he wouldn't surrender. Officers repositioned to the east curb of 200 31st Street.

Ultimately officers decided that pepperball would be utilized to take Gonzalez into custody. PRT Officer Fernandez #7842 impacted the vehicle with pepperball and the suspect concealed himself within the vehicle. After approximately 20 seconds, Gonzalez lifted his torso up and pointed a black firearm in the direction of officers.

Several officers were involved in an officer involved shooting to include: Officer Hagen #1148, Officer Arrellanes #7873, PRT Officer Berton #7654, Officer Sisneros #7491, PRT Officer Fernandez #7842 and K-9 Officer Laurendeau #6542.

Officer Hagen shot (17) 9mm rounds in a westbound direction.

K-9 Officer Laurendeau shot (6-7) 9mm rounds in a westbound direction.

PRT Officer Fernandez shot (15) 9mm rounds in a westbound direction.

Officer Sisneros shot (28) AR15 rounds in a westbound direction.

PRT Officer Berton shot (28) AR15 rounds in the westbound direction.

Officer Arrellanes shot (18) 9mm rounds in the westbound direction.

After the OIS, Officers utilized pepperball and K-9 prior to moving up and taking Gonzalez into custody. Officers opened the drivers door and saw Gonzalez lying over the center console, face down with his head at the front passenger seat. Officers pulled Gonzalez out of the vehicle and saw a black revolver lying on top of the center console.

Lifesaving measures were performed on Gonzalez. Falck paramedic #44 arrived on scene and transported the suspect to UCSD and pronounced deceased at 1129 hours by Dr. Harris. Officer Hayes #1740 rode in the ambulance to the hospital with the suspect.

Sgt. Arreola located the reporting party at [REDACTED] who did not want to provide a statement in person due to safety concerns living in the area. Sgt. Arreola spoke with the RP who refused to provide his name via cell phone [REDACTED] and obtained a BWC recorded statement.

The only video footage of the incident recovered at this time is from the church at 3085 K Street. There are two cameras that capture the incident and the footage was obtained and uploaded to evidence. There were (3) projectiles located inside the church. Officer Villanueva #1759 is inside the church with the evidence.

There were several citizens recording behind officers that shot but these males were not contacted because they fled the scene before being identified. A media person for CBS8 news was also recording from behind officers and is working to provide the video to the media unit.

There were a total of (3) officers that witnessed the suspect point the firearm at officers. These officers include: Sgt. Arreola, Sgt. Thomas #7492 and Officer Donohue #1598

Officer Donohue is with the white female companion, [REDACTED] who is in a patrol vehicle at 300 31st Street.

There is one citizen witness located, [REDACTED] who lives at [REDACTED] [REDACTED] is inside her apartment at this time.

There is another citizen witness located, [REDACTED] who lives at [REDACTED] [REDACTED] is inside her apartment but doesn't want to talk about the incident in front of her boyfriend.

On Friday, April 4, 2025, at approximately 1249 hours, Sheriff's Homicide Sergeant J. Knece #6221 advised the San Diego Police Department (SDPD) had been involved in an Officer Involved Shooting (OIS), near the intersection of 31<sup>st</sup> Street and K Street, in San Diego. I responded as part of the investigative team to assist Sheriff's Homicide Team V with the investigation. Detective R. Naputi was designated as the lead detective.

**Investigation:**

On Friday, April 4, 2025, at approximately 1320 hours, I arrived on scene and met with the investigative team outside of Bethel Church, 3085 K Street, San Diego.

At approximately 1351 hours, SDPD Patrol Sergeant W. Irwin (6381) led the critical incident briefing.

*On Friday, April 4, 2025, around 1012 hours, a SDPD patrol sergeant was flagged down by a citizen near the 3000 block of K Street, in San Diego. The citizen reported seeing an unknown male subject brandish a gun and making "gang" hand gestures. Additional SDPD officers arrived on scene and a male matching the description was located nearby. The suspect was found seated in the driver's seat of a vehicle. The suspect refused to comply with the officers' commands and at one point smoked an unknown substance from a glass pipe. Multiple officers ultimately shot at the suspect when he brandished what appeared to be a firearm at them. The suspect was transported by medical personnel to UCSD medical center, where he was pronounced deceased. A female subject, later identified as [REDACTED] was next to the suspect vehicle when officers arrived. She was detained until the investigative team arrived.*

The briefing concluded at approximately 1408 hours.

**Investigation (Continued):**

Detective Naputi tasked Detective Blumenshine (2137) and I with meeting SDPD Officers at SDPD Central Division to coordinate evidence processing of the SDPD Officers identified as having discharged their firearm during the incident. Additionally, we were to conduct interviews if the Officers chose to provide a statement at the time.

On Friday, April 4, 2025, at approximately 1421 hours, I left the scene and drove to SDPD Central Division. I arrived at approximately 1427 hours.

Officer Berton was wearing a patrol belt with OC spray, a taser, and expandable baton, handcuffs, and his patrol handgun. Officer Berton did not use his department issued cellular phone during the incident.

Officer Berton became aware of the incident over the radio in which a SWAT activation in Central division was announced at approximately 0945 hours to 1000 hours. He was in the area of Palm Avenue when he heard the announcement and was not attached to another call for service. He requested with dispatch to be attached to the SWAT activation call in Central Division and began responding to the incident. While en route to the incident, the location was updated to K Street and 31<sup>st</sup> Street in the city of San Diego. Officer Berton learned from the call that the subject was known to run from police (even while handcuffed). He read the call notes which said the call was a citizen flag down. The citizen reported a subject in a vehicle with a firearm. Officer Berton was thinking the subject being

in a vehicle helped contain the threat; however, there was a church and a school in the area, and he was thinking about how to make the scene safe to deescalate the situation.

When Officer Berton arrived on scene, he retrieved his [REDACTED] AR15 rifle. His rifle was loaded with a magazine containing [REDACTED] department issued .556 rounds but there was no round in the chamber. He charged the rifle to move a round from the magazine into the chamber upon retrieval. He always loads his rifle magazines with [REDACTED] rounds even though it has a higher round capacity because the magazine performance is better not at capacity. His training is to respond with this weapon in SWAT responses knowing that he could be directed to use a different weapon to include less lethal weapons depending on his role and the plan.

Once on scene he asked patrol officers where the subject was located and determined patrol had already created a perimeter and containment around the subject. Officers created a "V" around the subject and Officer Berton observed both lethal and non-lethal weapons pointed at the subject. The subject was seated in the driver's seat of a blue four door sedan along of the curbline adjacent to the church on 31 Street. Officer Berton looked for SWAT partners and the scene leader to start planning next steps. He spoke with the scene sergeant to get a quick situational brief on the sidewalk by a blue truck on the curb opposite of the subject. After the brief, Officer Berton was concerned with a potential crossfire issue with the "V" formed around the subject. Specifically, he was concerned that if the subject presented himself outside of the driver's side between two patrol vehicles that officers would be in a crossfire situation. As such, Officer Berton directed others to create an "L" formation around the subject for safety and in doing so provide more space between officers and the subject. He believed creating space would allow more time for the subject to comply with commands and provide more reaction time to officers.

Officer Berton was assigned to the primary contact team and his role was to be the main lethal cover officer. As the main lethal cover officer, Officer Berton's role was to provide lethal force if the subject presented a firearm towards officers and/or began firing a gun at officers to prevent officers from being killed or harmed. Also, to prevent innocent bystanders from being harmed. In evaluating the situation after the "L" formation was achieved, there was a concern that the subject had space to back up his vehicle and escape endangering the public or run over officers in the area. In order to prevent escape, which the subject was known to do previously, and to prevent injury to others, the decision was made to move a patrol vehicle behind the subject's vehicle to prevent him from escaping. Officer Berton was the lethal escort to the patrol vehicle. Shields were placed over the windshield of the patrol vehicle so the driver could move it behind the subject's vehicle. Officer Berton moved along with the patrol vehicle as lethal coverage for the placement of

the vehicle and then returned to the "L" formation and took a stable kneeling shooting position (Officer Berton marked an "X" in black marker on a scene photograph to note the approximate area where he was kneeling when he discharged his rifle).

While escorting the patrol vehicle placement, Officer Berton recalled the subject saying something along the lines of, "Don't let them get too close to me. If he leaves, I'll come out." Officer Berton did not recall if the subject was speaking Spanish or English, but Officer Berton understands and speaks both English and Spanish fluently. He was concerned with the subject's erratic behavior, putting his hands outside and back into the vehicle, and his disorganized speech. The subject's actions led Officer Berton to believe he was trying to waste time. The subject was already uncooperative, had already caused enough of a disturbance that a civilian requested law enforcement assistance, and the subject was in the vicinity of a church and school. Officer Berton's biggest concern was the subject could create a mass casualty situation. There were civilians and officers in the area who could be harmed by the subject if he decided to flee as well.

Once Officer Berton returned to the formation and a stable kneeling position, he remained the lethal cover officer and provided on-going updates on the subject's behavior. Another team was giving commands to the subject; however, his team was responsible for responding should the subject exit the vehicle. If the subject exited the vehicle and ran, they planned to release a police canine in response and hold officer pursuit. If the subject exited the vehicle and did not have the firearm, they planned to use less lethal options to gain compliance. These plans were communicated amongst the officers present to address any threats.

The subject did not comply with commands he was being given. Officer Berton gave commands in Spanish when the subject hid his hands from view yelling, "Manos!" Officer Berton observed the subject looking around which he took as a sign the subject was preparing to flee or fight. A plan was made to introduce pepperball rounds, which are non-lethal chemical agents, into the subject's vehicle to get the subject to exit the vehicle so they could see his hands and gain compliance. At one point, Officer Berton observed the subject put his hands on the interior side of the door and knowing that there was a firearm in the vehicle he understood the subject could be a deadly threat to the public and police. Officer Berton did not know the subject from prior contacts. At one point, it appeared the suspect was smoking something out of a pipe. The subject used a lighter and put the pipe to his mouth which Officer Berton found odd to do under those circumstances.

The subject moved from the driver's seat to the front passenger seat and Officer Berton was no longer able to view the subject's hands. He communicated this information to his team

and Officer Berton stood up from his kneeling position to get a new angle and clear view of the subject in the passenger seat. The subject leaned back in the passenger seat and Officer Berton was unable to see his hands. He believed the subject was using the new position as cover and concealment from which to shoot at police officers. He believed this was an attempt to attack police officers.

Another team utilized pepperball rounds to gain compliance which signaled to Officer Berton the subject had taken action requiring additional force to gain compliance. Officer Berton maintained observation of the subject with his rifle pointed at the subject and observed the pepperball rounds impacting the subject's vehicle. He recognized the sound of pepperball rounds being fired which he knows to be significantly different from the sound of gunfire.

Officer Berton observed the subject slouched over and immediately the subject presented a silver firearm raised to head level in the subject's right hand and pointed towards the police officers deploying pepperball rounds. Within 1-2 seconds of the subject raising the firearm, Officer Berton heard a gunshot. Officer Berton believed the subject raised the firearm and shot at police officers. Officer Berton immediately engaged the subject discharging his rifle to prevent the subject from hurting or killing officers and to draw the subject's shots towards him to allow any injured officers the opportunity to be rescued or treated. Officer Berton fired his rifle 28 times and heard other gunfire which led him to believe there was a gunfight occurring. After firing 28 times, he conducted an emergency magazine change during which he took a knee behind cover, released the empty magazine, inserted a new magazine, and charged the action moving a round from the magazine into the chamber of the rifle. He got back onto his feet and assessed the situation. He did not see any movement or hear any sounds coming from the vehicle. He maintained visual of the subject and observed another team send a police canine on a leash to attempt to make entry into the vehicle. The other team approached the vehicle as they were removing the subject from the vehicle. Officer Berton believed that if he did not fire his rifle, the subject would have killed or hurt police officers and would have kept shooting until he was stopped with lethal force. Officer Berton believed there was probable cause to arrest the subject for 245 PC-assault with a deadly weapon and 417-brandishing a firearm.

Once the subject was pulled out of the vehicle, Officer Berton's partners began providing living saving measures until paramedics arrived. The paramedics were staged in the area prior to the shooting and responded quickly. Officer Berton saw what he believed to be a silver revolver in the center console of the vehicle the subject was in, and the revolver pointed forward in the direction where officers had been during the shooting.

After Officer Berton determined he was no longer needed on scene, he went to his sergeant and ended his BWC recording. Then he went to his SWAT vehicle, opened his weapons vault, took out the magazine seated in the rifle, unchambered the round in the chamber, and placed the rifle in the vault with the [REDACTED] magazines on the ammunition can so his rifle was safe and secured for the investigation. He estimated he was on scene for about 15-20 minutes before the shooting occurred. He remained on scene until he was transported to a station to be processed for evidence for the investigation.

The interview concluded at 1151 hours.

**VIDEO REVIEW**

Throughout the investigation, I reviewed surveillance video that was consensually provided to investigators from several entities. Below is a compilation of all the footage sources combined into a chronological timeline showing the known movements of the parties involved in the incident on the morning of Friday, April 4, 2025. This report is a synopsis of the information contained in the actual surveillance footage and is intended to supplement, but not replace, the original video.

All videos were time verified at the time of their collection and have been cross-referenced against each other to ensure timeline accuracy. To the best of my knowledge, the times listed are accurate.

The church had one other camera which was "Apartment Parking Lot." This camera captured no critical information prior to officer's arriving on scene, thus was not documented in this review. Because the body worn cameras (BWC) were recording, I did not review any further video from the church recordings. I did review Officer Fernandez' BWC as it captured the shooting as well as the moments leading up to it.

On 04/04/2025, at 10:53:44 hours, Officer Fernandez' BWC captured Kevin Gonzalez raising an item just prior to the officer involved shooting.

**AUTOPSY OF KEVIN GONZALEZ**

**ORIGIN:**

On Saturday, April 5, 2025, at approximately 0900 hours, Forensic Evidence Technician (FET), M. Hefty (5182), FET K. Ho (6711), FET L Prosser (6781), Crime Scene Specialist (CSS) with National City Police Department, H. Huyhn (8061), and I arrived at 5570 Overland Avenue suite 101, in San Diego in preparation Kevin Gonzalez's autopsy. Medical Examiner number "2025-01053" was assigned to the case.

**INVESTIGATION:**

The decedent was on the autopsy table, enclosed in a white double-zippered vinyl body bag. There was a red tamper-evident tag that ran through the pull-tab hole on both zippers securing the bag. The number on the red tamper evident tag was ULINE # [REDACTED]. Attached with the tag was a tan label with the following information hand-written on it: "John Doe and ME number "2025-01053". A blue band was also affixed to the bag that had the following information listed, ME case number, "John Doe", and a weight of 152 lbs.

The autopsy was performed by Deputy Medical Examiner, Doctor D. Berry and assisted by Forensic Autopsy Specialist (FAS) D. Turner. FET Hefty documented the autopsy through digital photography and collected evidence.

On Saturday, April 5, 2025, at approximately 0912 hours, the autopsy began when the tamper resistant red ULINE seal was cut. The white vinyl body bag was opened, removed, and discarded. I observed the body wrapped in a white hospital blanket, and a white sheet. Once the blankets and the sheet were unwrapped, the decedent was lying in the supine position. His head, feet, and hands were wrapped in brown paper bags. Once the bag was removed from the head, the decedent presented to be a Hispanic male adult, with brown wavy style hair, brown eyes, and unshaven stubble type of facial hair. The decedent's identity was later confirmed by his fingerprints as Kevin Gonzalez. When Gonzalez' underwear was removed along with the hospital blankets, a bullet was recovered from his back area. The bullet was collected and placed into Sheriff's evidence.

I observed some medical intervention equipment located throughout Gonzalez' body, which was not yet removed. Gonzalez had a yellow identification tag affixed to his right ankle, which had "John Doe" and ME number "2025-01053" handwritten on it. Gonzalez also had a hospital ID band affixed to his right ankle. The ankle band identified him with an alias of [REDACTED] and listed a MRN # of [REDACTED]

The Medical Examiner's Office determined Gonzalez was about 69 inches in height and weighed about 152 pounds. Gonzalez had several apparent tattoos throughout his body. Gonzalez had the word [REDACTED] tattooed on his chest and several other tattoos located on his left and right extremities.

Dr. Berry reviewed Gonzalez' x-ray results and located several bullets and/or metal fragments inside his body. Dr. Berry reviewed Gonzalez's body and pointed out several defects to his nose, right side of eyebrow, temple, and ear, right shoulder, right elbow, right forearm, fingers located on right hand, left forearm, left wrist, left thigh, left groin region, and his back. Dr. Berry estimated 15-25 defects throughout Gonzalez' body. Dr. Berry removed several metal fragments and bullets from inside Gonzalez' body, which were later collected and placed into Sheriff's evidence.

A presumptive toxicology test was conducted and returned with a positive result for both methamphetamine and cocaine.

At approximately 1130 hours, Latent Print Examiner (LPE), L. Hogue (0826) arrived at the Medical Examiner's Office and collected latent prints from Gonzalez, LPE Hogue

the suspect as a young, Hispanic male, wearing a gray shirt. The RP stated the male was near the church located at the intersection of 31st Street and K Street. Due to safety concerns, the R/P did not wish to provide Sgt. Arreola with a formal statement and refused to provide his name.

Sgt. Arreola broadcasted the information to patrol and additional units arrived in the area. The first initial responding officers were not able to locate the suspect; however, the RP who was on scene pointed in the direction of a blue Ford Fusion (CA [REDACTED]) parked on the west curb line at 200 31st Street, and confirmed the male was in that area.

Officers arrived on scene, parked near the blue colored Ford Fusion, and conducted a high-risk vehicle stop. The female companion was later identified as [REDACTED] was compliant with officers and was subsequently detained. Officer M. Hagen (1148) identified the suspect from a prior arrest as Kevin Garcia Gonzalez [REDACTED] Gonzalez was uncooperative with officers and would not comply with directions and did not put both of his hands up. Gonzalez concealed one arm down out of officers view several times and continued to disobey orders. Gonzalez told officers that he wanted to be killed, and San Diego Police Officers would have to kill him, and he had possession of a BB gun. Officers believed Gonzalez was agitated and appeared under the influence of a controlled substance.

Officers gathered multiple resources such as less lethal options such as a taser, beanbag, K-9, and additional patrol units. Officers maintained continuous Spanish communication with Gonzalez; however, he continued to disobey orders and concealed his hands. Sgt. Arreola called a Primary Response Team (PRT) for assistance and PRT units arrived on scene. Officers set up two contact teams with less lethal weapons consisting of a taser, beanbag, 40mm, and pepper ball.

Officers negotiated with Gonzalez and provided several verbal commands, but he refused to surrender. Officers repositioned themselves to the east curblane of 200 31st Street. Officers ultimately deployed a pepper ball in effort to gain compliance and take Gonzalez into custody. PRT Officer Fernandez (7842) deployed pepper ball towards Gonzalez, and he concealed himself within the vehicle. After approximately 20 seconds, Gonzalez sat up and pointed a black firearm in the direction of officers. Several officers fired their weapons towards Gonzalez. Officers then approached the vehicle, opened the driver's door, and pulled Gonzalez out of the vehicle. Officers observed what appeared to be a black revolver style handgun lying on top of the center console. Lifesaving measures were performed on Gonzalez. Falck paramedic #44 arrived on scene with Paramedics J. Palmer (P37893) and L. Fera (E161927). Gonzalez was transported to UCSD Hospital. Officer Hayes (1740)

**INVESTIGATION CONTINUED:**

While concluding the scene processing, I observed a Toyota Rav with apparent window damage. Due to the vehicle being parked on the east curblane, it was unknown if this damage was pre-existing, or the damage occurred to the vehicle during the incident.

At approximately 2320 hours, Deputy Russo completed the FARO scans.

On Saturday, April 5, 2025, at approximately 0100 hours, Sheriff's Property & Evidence Custodian, M. Crowder (2529) arrived on scene and towed the Ford Fusion and the Lexus RX to the Sheriff's Crime Laboratory located at 5590 Overland Ave, in San Diego.

Officer Hagen had (1) round inside the chamber, [REDACTED] magazine was loaded with [REDACTED] rounds and a [REDACTED] magazine was loaded with [REDACTED] rounds. Officer Hagen stated his [REDACTED] magazine was empty and left at the scene; therefore, it appeared Officer Hagen fired 17 rounds. No magazines were recovered at the scene.

Officer Fernandez had (1) round inside the chamber, [REDACTED] magazines were loaded with [REDACTED] rounds and a [REDACTED] magazine was loaded with [REDACTED] rounds; therefore, it appeared Officer Fernandez fired 16 rounds.

Officer Berton and A/S Sisneros did not use their handguns, and both used their rifles during the incident. It appeared each of them fired 28 rounds. For further details regarding the processing of the officers, refer to Detective Paulino's follow-up report.

A total of 52 rifle rounds and 55 rounds of 9mm cartridge casings were recovered at the scene. A final safety sweep was conducted, and I was unable to locate any additional projectiles or cartridge casings at the scene; however, due to several vehicles parked along the street and lighting conditions, it is possible the casings were not all collected.

On Saturday, April 5, 2025, at about 0310 hours, the investigative team cleared from the scene.

Gonzalez spoke Spanish but understood some English. [REDACTED] did not speak Spanish. Gonzalez was always very polite to [REDACTED] despite the language barrier. Gonzalez referred to [REDACTED] as [REDACTED]. On previous occasions, Gonzalez assisted [REDACTED] with carrying her groceries from her vehicle to her front door. [REDACTED] gave rides to Gonzalez because he did not have a vehicle. Gonzalez knew [REDACTED] neighbors in her complex. [REDACTED] estimated she had seen Gonzalez about 10-20 times.

[REDACTED] was the registered owner of a black Nissan Altima. She damaged the Nissan on Monday, March 17, 2025, in Los Angeles. [REDACTED] hit a divider in the roadway while she was driving with her father. The vehicle also had engine problems.

[REDACTED] neighbor recommended a mechanic near 31<sup>st</sup> Street and K Street. The mechanic requested [REDACTED] park the vehicle on the street until he could work on the vehicle. About one week ago, [REDACTED] parked the Nissan on 31<sup>st</sup> Street. She could not remember the name of the mechanic.

[REDACTED] got tired of waiting for the mechanic to look at her vehicle. She decided to have her boyfriend, [REDACTED] assist her with fixing the Nissan. [REDACTED] was skilled at fixing vehicles. He was currently in custody at Sierra Conservation Camp in San Luis Obispo, but he was able to have video calls with [REDACTED].

[REDACTED] asked her neighbor, [REDACTED] if she could borrow his blue Ford Fusion to check on her Nissan. [REDACTED] agreed and provided [REDACTED] the keys to his vehicle. On Friday, April 4, 2025, at about 0600 hours or 0700 hours, [REDACTED] drove the Ford to where the Nissan was parked on 31<sup>st</sup> Street.

[REDACTED] spoke with [REDACTED] on a video call so he could look at the engine. [REDACTED] was at the Nissan for about one hour. She drove the Ford to Auto Zone to get transmission fluid and oil for the Nissan.

After stopping at Auto Zone, [REDACTED] went to a store to buy a Pepsi. She did not remember the name of the store. She saw Gonzalez at the store and bought him a Monster energy drink. Gonzalez asked [REDACTED] if she checked on her Nissan.

At about 0930 hours or 1000 hours, [REDACTED] drove back to the Nissan on 31<sup>st</sup> Street. She double-parked the Ford next to the Nissan. Gonzalez was by the Nissan and asked [REDACTED] if she needed help. [REDACTED] had difficulty understanding Gonzalez due to the language barrier. [REDACTED] assisted with translating. [REDACTED] asked Gonzalez to parallel park the Ford because it was blocking the roadway.

█████ gave Gonzalez the keys to the Ford. He attempted to parallel park the vehicle behind the Nissan. Gonzalez repeatedly adjusted the vehicle in the space. █████ helped Gonzalez so he did not hit the adjacent vehicles.

█████ believed the Ford's battery died after Gonzalez parked the vehicle. Gonzalez and █████ spoke to an unknown black male and black female who were in the area. The male gave Gonzalez a cigarette. █████ asked the male if he could help them jump the vehicle. █████ took the jumper cables out of her car. The black male left, and Gonzalez said the male would be returning to assist them with jumping the vehicle.

█████ estimated about thirty minutes passed from when she returned from Auto Zone and the store to when officers first arrived on scene. Gonzalez was sitting in the driver's seat of the Ford when officers arrived. █████ was standing between her Nissan and the Ford.

Officers drew their firearms and told █████ to put her hands up. Officers told Gonzalez to get out of the Ford and put his hands up. Gonzalez said, "No," and asked "Why?"

█████ knew the individuals were officers because they arrived in marked police cars. █████ was still on the video call with █████ put her hands up. Officers escorted around the Nissan and placed her in the back seat of a patrol vehicle.

█████ was still able to see Gonzalez from the patrol vehicle. She was about two car lengths away from the Nissan and Ford. She was wearing her prescription glasses during the incident. The Nissan and Ford were on █████ right when she was seated in the patrol vehicle. The alley heading west from 31<sup>st</sup> Street was in front of her.

█████ heard officers tell Gonzalez multiple times to exit the Ford and put his hands up. Gonzalez refused to exit the vehicle. Gonzalez' body language appeared "aggressive." He moved his body and hands quickly around the vehicle. According to █████ Gonzalez appeared angry and "on edge." Officers told Gonzalez about 100 times to keep his hands up and to stop reaching around the vehicle.

While officers spoke with Gonzalez, he smoked from what █████ believed was a "crack pipe." Gonzalez then threw the pipe out the window.

█████ heard Gonzalez tell officers to shoot him during the incident. He also said, "Do it", when he saw officers point their guns at him. According to █████ Gonzalez did not seem to care if he was shot.

█████ observed one officer lead the communications with Gonzalez towards the end of the incident. █████ could not hear what the officer said. She believed the officer was speaking in Spanish because Gonzalez was communicating with him.

█████ heard the SDPD K9 on scene. She was not sure if Gonzalez heard the dog or had any reaction to the dog.

█████ believed about 45 minutes passed from the time officers arrived on scene until the shooting occurred. █████ stated, "It was a while. They gave him a lot of opportunities to get out of the car. And then he kept like reaching for stuff. And grabbing stuff."

*Detective Arnold asked █████ if there was anything she believed may have caused the shooting to occur.* █████ stated Gonzalez was not listening to officers' commands. For about an hour, officers told Gonzalez to exit the vehicle and put his hands up. █████ did not see Gonzalez with a firearm or any other weapon during the incident.

After the shooting, █████ was scared and overwhelmed. She put her head down and looked away from the scene. █████ did not see if officers and paramedics approached the vehicle or rendered medical aid to Gonzalez.

█████ did not know why someone reported to police Gonzalez had a firearm. █████ did not see Gonzalez with a firearm today. She had never seen him with a firearm in the past.

█████ did not hear Gonzalez talk about "Logan" to anyone during the incident. She did not see Gonzalez get into an argument with anyone, including any passing motorists. She did not see anyone else in the area besides the black male and black female.

*I asked █████ if Gonzalez seemed to be under the influence when she saw him earlier in the day.* █████ stated, "He always seems like he's under the influence." According to █████ Gonzalez always moved "too fast". █████ was a recovering methamphetamine addict, and she recognized the behaviors of being under the influence of drugs. █████ last used methamphetamine in September 2024. She had not seen Gonzalez use drugs in the past.

█████ believed her cell phone was still on the trunk of the Nissan. She described the phone as a silver REVVL 7 in a glittery case. █████ signed a Consent to Search form for her phone and provided the passcode as █████ also had a small, furry backpack inside

magazine. After the shooting, Officer Hagen maintained custody of his firearm until it was seized and processed by Sheriff's personnel. Officer Hagen drew his department issued Taser, but never attempted to use it.

Officer Hagen stated he was working patrol and heard Sgt. Arreola broadcast on the radio he was flagged down by a male reference a Logan Heights gang member brandishing a firearm at the male in the area of 30<sup>th</sup> or 31<sup>st</sup> and K St. Officer Hagen began to make his way to the area where the subject was last seen. Sgt. Arreola aired the subject was a Hispanic male in a gray shirt and was possibly with a female. Officer Hagen asked for a vehicle description because he was passing a vehicle that had left the general area, but he later determined the vehicle he saw was unrelated.

Officer Hagen continued towards the area and he and Sgt. Arreola planned to converge on the church in the area in opposite directions. When Officer Hagen arrived on scene, he saw Sgt. Arreola contacting a male in a vehicle. There was a female outside two cars, one of which the subject was in. They later learned the subject was helping the female fix the car. The female was compliant and put her hands up while the male was non-compliant and stayed in the car. Quickly they realized the male did not speak English, so Officer Hagen began giving commands in Spanish.

The male was uncooperative and did not want to show both of his hands. During the duration of the contact, the subject had one of his hands out of sight in the vehicle and the other hand out of the vehicle. Officer Hagen pulled his patrol vehicle close to the front of the subject's vehicle. Eventually other officers showed up and detained the female.

Sgt. Arreola and Officer Hagen continued to give commands to the subject. Several times the subject told the officers to kill him. The officers told him they believed he had a gun and not to reach for it in an attempt to de-escalate the situation. The subject told them he had a "bb" gun, and they reiterated not to reach for it. Officer Hagen believed the subject had a real gun. They tactically moved Officer Hagen's vehicle back and moved behind another vehicle. A different officer took over communication until the subject began talking to Officer Hagen and said he knew him. Officer Hagen realized then he had arrested the subject 3-4 weeks prior.

Officers tried to establish rapport. Officer Hagen tried to remind the subject their last interaction ended okay. The subject was worried he had a probation violation. Officers did a workup and learned the subject was not actively wanted. They made several attempts to de-escalate the situation.

The subject agreed to come out of the vehicle after he smoked. The subject pulled out a "crack pipe" and began to smoke it. Officer Hagen believed it was possibly meth inside the pipe based on his last interaction with the subject. After he was done smoking, he threw the crack pipe on the ground and remained uncooperative.

Officer Hagen transitioned to the east curb as a contact team was being set up. Officer Hagen also transitioned to his Taser and activated it so the contact team would have a less-lethal option. They created a tactical plan to approach. The team decided to deploy pepper ball. As they were discussing it, the subject put both his hands inside the car. They deployed 3 rounds of pepper ball into the car, with one of those rounds hitting the subject in the temple area.

The subject reached over and turned towards the officers and aimed a gun at him. Officer Hagen saw the barrel of the gun pointed at himself and his partners. He felt a deadly threat to himself, his partners, and civilians in the area. Officer Hagen stated he felt his Taser would have been ineffective in addressing the threat because all he could see was the subject's head. He then drew his firearm and began shooting to stop the threat.

After the shooting, Officer Hagen reloaded his firearm but did not shoot any further. The officers created a plan to move the subject from the vehicle. An officer gave verbal commands for him to get out and put his hands out. There was no response. Additional pepper ball and a canine were deployed again with no response. Officers approached the vehicle and removed the subject from the car. Officer Hagen assisted in moving the subject's arm behind his back so he could be handcuffed. Officer Hagen provided a chest seal to officers administering aid as well as a trauma kit.

Officer Hagen stated in the previous incident with the subject, there was no force used and he was not taken to jail. The subject was inside a vehicle where the driver of the vehicle was on parole for carjacking. The officers detained the subjects in the vehicle to do a 4<sup>th</sup> waiver search. The subject lied to Officer Hagen about his name. Officer Hagen discovered he had a meth pipe and paraphernalia on him. Officer Hagen also learned he had previously been involved in a shooting and was on probation. As Officer Hagen went into his vehicle to call the subject's probation officer, he took off running. He tried to enter a random lady's house. He tripped going up the stairs and hit his head on the door frame, knocking himself out. The subject was released to medics to get medical care. He was arrested, but not booked.

Due to knowing the subject's criminal history, Officer Hagen believed the firearm the subject had could be real. He updated the other officers with the subject's prior history.

When the subject pointed the firearm at officers, Officer Hagen observed it was a black revolver. When Officer Hagen saw the firearm, he felt scared for his safety, his partner's safety, and the safety of the civilians around them. He was very concerned someone would get shot.

Officer Arellanes attempted to de-escalate the situation for several minutes. The officers also had resources in place if the subject decided to peacefully surrender. On scene the officers had pepper ball, a Taser, canines, and a less lethal shotgun available.

The interview concluded at approximately 1311 hours

Officer Arellanes works Tuesday to Friday, 1<sup>st</sup> watch, 0600 to 1600 hours. Officer Arellanes last slept the night prior to the incident, which was about 8 hours. Officer Arellanes arrived for his shift around 0600 hours on April 04, 2025.

Officer Arellanes' call sign was 515K, which was a two-officer unit. The other officer in the vehicle was his trainee, Officer Donahue. He was driving a marked patrol vehicle on the date of the incident (7303) and was in full uniform.

Officer Arellanes was equipped with two handcuffs, [REDACTED] magazines, radio, tourniquet, and CED. He did not attempt to, nor was he in the position to, use any of his less lethal options during this incident. He also had a body worn camera (BWC) which was activated prior to the event and remained on through the entire contact.

Officer Arellanes had a [REDACTED] 9mm Glock 17 handgun which was fired during the incident. Prior to the shooting, the handgun was loaded with [REDACTED] rounds which consisted of 1 in the chamber and [REDACTED] in the magazine. The ammunition was department issued. Officer Arellanes carried [REDACTED] additional [REDACTED] round magazines on his duty belt. Officer Arellanes had qualified on this weapon system at the most recent department qualification. Prior to processing by San Diego Sheriff's Office (SDSO) personnel, Officer Arellanes had the firearm in his possession, and it was not manipulated by him or any other person. Officer Arellanes initially carried an AR-15 rifle on scene which was not fired. Because Officer Arellanes spoke Spanish, and was the main communicator with the subject, he placed this rifle into a nearby vehicle once other officers arrived. He then transitioned to his handgun prior to the shooting.

Officer Arellanes was responding to another call for service when he heard his sergeant, broadcast over the radio, that a reporting party had contacted him about a subject with a firearm. The Hispanic male subject had pointed a firearm at another male. The sergeant was at 30<sup>th</sup> Street and K Street and requested other officers to respond. The sergeant soon located the male inside a vehicle near 31<sup>st</sup> Street and K Street.

Officer Arellanes approached the scene northbound on 31<sup>st</sup> Street from Imperial Avenue. He arrived on scene to notice the sergeant on the north side of the vehicle and Officer Hagen to the south. A "hot stop" had been initiated. Officer Arellanes acquired his rifle and then noticed Officer Hagen was attempting to give the subject commands in Spanish, but he was not complying. Officer Arellanes and Officer Donahue detained a female companion and placed her inside a patrol vehicle.

After detaining the female, Officer Arellanes advised Officer Donahue to acquire the less-lethal shotgun. Officer Arellanes arrived at Officer Hagen's location and took primary on communications with the subject. During the conversation, the subject advised Officer Arellanes that he did not want to go to jail and that he had a violation. Multiple times the subject stated, "You guys are going to have to kill me." There was also mention that the firearm in his possession was a BB gun. Officer Arellanes was unable to observe a firearm at the time.

Officer Arellanes gave commands to the subject to exit the vehicle and to keep his hands in plain view. The subject only had one hand outside of the vehicle and Officer Arellanes feared the firearm may have been in his other hand.

Other officers began arriving on scene and relieved Officer Arellanes from the lethal coverage position so that he could focus on communication with the subject. At some point, all officers near Officer Hagen's patrol vehicle transitioned to the east side of 31<sup>st</sup> Street to take cover behind a separate vehicle.

Because Officer Arellanes was communicating with the subject, he lowered the audio level on his radio because of the amount of communication being broadcasted. He wanted to focus on communicating with the subject to de-escalate the situation. Officer Arellanes was still able to hear the other officers planning contingencies if the subject was to flee on foot. A K9 would be deployed if he chose to run. The officers also mentioned using a pepper ball to motivate the subject out of the vehicle.

The subject gave Officer Arellanes his name and date of birth. Officer Hagen then informed Officer Arellanes of a previous arrest he had with the subject. Officer Arellanes recalled the incident but did not converse with the subject during the arrest.

The subject advised Officer Arellanes he would come out of the vehicle after he smoked. The subject removed a small glass pipe and smoked an unknown substance. Officer Arellanes observed the subject inhale then exhale a cloud of smoke. The subject then threw the pipe on the ground.

Officer Fernandez deployed pepper ball inside of the vehicle. After the pepper balls were deployed, the subject "tucked in" to the vehicle then brandished a dark revolver firearm in his right hand. The subject then pointed the firearm towards officers. Officer Arellanes, fearing for his safety, officers on scene, and for civilians nearby, fired his handgun to stop the lethal threat.

After the shooting, Officer Arellanes reloaded his firearm because he noticed its upper slide was locked to the rear, indicating all rounds were fired. He then heard someone yelling "Hold." Officer Arellanes attempted to communicate with the subject but there was no response. More pepper balls were deployed inside of the vehicle and then the contact team approached the subject. Officers removed the subject from the vehicle and began to administer medical aid. Medics were already in the area and were allowed to enter once the scene was safe.

During the incident, Officer Arellanes attempted to de-escalate the situation by communicating with the subject. He attempted multiple times for the subject to exit the vehicle, with his hands up, but he refused.

The interview concluded at 0943 hours.

**Officer Information:**

Name: Kaydee Donohue  
Title: Police Officer  
Arjis: 1598

During the incident, Officer Donohue was equipped with her pistol, her CED, and the less lethal bean bag shotgun.

Officer Donohue responded to a report of a male pointing a firearm. Upon arrival, other officers were conducting a "hot stop". Initially, Officer Donohue arrived and pointed her firearm at the vehicle. Officer Donohue heard someone direct her to detain the female standing on the curb. Officer Donohue walked around the vehicle and directed the female to walk back to her. The female was cooperative. She was placed into the back of a patrol vehicle. Officer Donohue got a brief statement from the female.

During the negotiations, the male was constantly moving his hands around and moving them inside and outside of the vehicle. The negotiations taking place were done in Spanish by Officer Donohue's partner, Officer Arellanes.

Officer Arellanes relayed what the suspect was saying. He stated the suspect was stating he didn't want to go to jail and told officers to kill him. The suspect also told Officer Arellanes he had a BB gun.

An officer deployed pepper balls at the suspect. During the pepper ball deployment, the suspect reached for a gun then pointed it at the officers. Prior to the pepper ball deployment, suspect was seated in the driver's seat while leaning back. Officer Donohue did not recall where his hands were.

The pepper ball rounds struck the suspect directly in the face. Immediately after that, the suspect drew the gun with his right hand then pulled it up and pointed it out of the vehicle at officers. Officer Donohue could see the end of the barrel pointed at her and her partners. Officer Donohue could not tell if suspect fired but her partners immediately began firing at him.

Officer Donohue does not recall what he did next but shortly after that, she could not see him. She believed he was ducking or laying down in the vehicle.

After the shooting stopped, Officer Donohue checked on her partners. Her partners continued doing callouts to the suspect. A contact team was made, Officer Donohue was not a part of that team.

Officer Donohue went back to where the female was seating in the back of the patrol vehicle.

Officer Donohue spoke with the female, [REDACTED] knew of suspect (Kevin) but he was just an acquaintance. [REDACTED] did not know Kevin's name. [REDACTED] owned the black vehicle on the scene. Her car had broken down. It was parked there to get worked on by someone around the corner. The blue car on scene belonged to a neighbor who lent the vehicle to [REDACTED] to go and get fluid for her vehicle. While fixing the black car, Kevin walked up to her and was talking to her in Spanish. [REDACTED] had her husband translate, and he told her Kevin was offering to help. She had Kevin move the blue vehicle, but then Kevin never left.

Officer Fernandez works Tuesday through Friday, 1<sup>st</sup> watch, 0600 to 1600 hours. Officer Fernandez last slept the night prior to the incident, which was about 6 hours. Officer Fernandez arrived for his shift around 0600 hours on April 04, 2025.

Officer Fernandez' call sign was 431J, which was a two-officer unit. Which consisted of Officer Fernandez and his trainee, Officer Hughes. He was driving a marked patrol vehicle on the date of the incident (7184) and was in full uniform.

Officer Fernandez was equipped with [REDACTED] extra [REDACTED]-round magazines, one handcuff, OC, radio, and CED. Officer Fernandez used a department issued pepper ball device during the incident, which he had previously qualified with. He also had a body worn camera (BWC) which was activated prior to the event and remained on through the entire contact.

Officer Fernandez had a [REDACTED] handgun which was a 9mm Smith and Wesson M&P 2.0, with a pistol mounted optic (PMO). This firearm was discharged during this incident. Prior to the shooting, the handgun was loaded with [REDACTED] rounds, which consisted of 1 in the chamber and [REDACTED] in the magazine. The ammunition was department issued. Officer Fernandez had qualified on this weapon system two weeks prior at the department qualifications. Prior to the processing by San Diego Sheriff's Office (SDSO) personnel, the handgun was not manipulated or altered.

Prior to the shooting, Officer Fernandez was at the SWAT armory installing a new front sight post for his handgun. Officer Fernandez heard, over the radio, of a PRT assist and to stage at Central Division. The location was later updated to 31<sup>st</sup> Street and L Street.

Once on scene, Officer Fernandez' sergeant advised him to acquire a pepper ball less-lethal device. Officer Fernandez positioned himself near a contact team in the middle of 31<sup>st</sup> Street, just south of the subject's vehicle. At one point, all officers repositioned themselves to a black SUV along the east curb-line of 31<sup>st</sup> Street. This location ensured there was no crossfire hazard.

Other officers on scene were communicating with the subject in the vehicle. Multiple commands were given to have the subject exit, but he did not comply. The commands were to de-escalate the situation and for the subject exit the vehicle. At one point the subject stated, in Spanish, to "kill me." The officer, giving commands, responded by saying "we do not want to do that." Officer Fernandez is certified to speak Spanish for

the department and understood what was being said. There was also the mention of a firearm inside the vehicle.

During the other officer's conversation with the subject, Officer Fernandez became aware of the subject's criminal history. The subject had prior violent arrests involving firearms.

The subject began smoking an unknown substance out of a burnt glass pipe using a torch to ignite the substance. The subject stated that once he smoked, he would exit the vehicle. From Officer Fernandez' training and experience, he knew similar pipes were used to smoke methamphetamine and crack cocaine.

Officer Fernandez was given the order to deploy pepper ball into the vehicle to motivate the subject to exit. For the chemical agent to be effective, as the rear window was not down, Officer Fernandez chose to fire 2-3 rounds of pepper ball through the driver's window. His intention was to not strike the subject but have the rounds impact the interior of the vehicle itself.

Officer Fernandez observed the subject "duck down" and about 2-3 more pepper ball rounds were deployed. The subject came back up and introduced a firearm that was pointed in the direction of officers. Officer Fernandez observed the barrel of the gun as it was pointed at the officers. Officer Fernandez, fearing for his safety, as well as other officers and citizens on scene, he drew his handgun and began firing at the vehicle to end the lethal threat. Officer Fernandez did not fire all rounds within his magazine but reloaded by placing a spare magazine in his handgun.

Officer Fernandez described the firearm as black revolver. He was unable to observe any markings on the firearm.

After the shooting, a plan was enacted to deploy a K-9 into the vehicle. Sergeant Thomas acquired Officer Fernandez' pepper ball device and deployed more pepper ball rounds at the vehicle to guide the dog to the target location. Another officer was giving commands for the subject to exit but there was no response.

Officer Fernandez remained on lethal coverage as the contact team moved forward to render aid. As Officer Fernandez arrived at the vehicle, he observed the subject leaning over the center console. A sergeant opened the door and removed the subject onto the roadway. Once the subject was removed, Officer Fernandez observed the firearm near the

center console. Officer Fernandez and other officers began rendering medical aid to the subject. Officer Fernandez began cutting the shirt off the subject using medical shears.

Over the radio, Officer Fernandez heard that all shooters were to collect near the intersection of K Street and 31<sup>st</sup> Street for the safety brief.

During the entire incident, multiple officers were attempting to de-escalate the incident by speaking with the subject to exit, having a K-9 and PRT on scene, and by using a pepper ball device.

At the end of the interview, Officer Fernandez stated that if he did not fire his weapon during the incident, he feared he would have been shot by the subject.

The interview concluded at 1241 hours.

Officer Fernandez instructed Officer Hughes to stay near him and be a "visual learner" when they arrived on scene. Officer Fernandez did not provide any additional information about the call.

Officer Hughes observed multiple police cars already on scene when they arrived. A Southeastern Division sergeant (unknown name) instructed Officer Hughes to get a shield from his vehicle. Officer Hughes retrieved the shield and provided it to the sergeant.

Officer Hughes observed the Hispanic male suspect, later identified as Kevin Gonzalez, sitting in the driver's seat of a vehicle. Gonzalez was speaking with an officer in Spanish, but Officer Hughes could not understand the conversation. Gonzalez appeared agitated and was not listening to the officer's commands. Gonzalez flailed his hands around the vehicle. He smoked an unknown substance while officers spoke to him.

Other officers on scene came up with a plan to limit the possibility of a crossfire situation. The officers repositioned to create an "L" formation around Gonzalez. Officers stated the suspect might be armed with a firearm and they did not want him reaching around the vehicle.

The Southeastern Division sergeant coordinated a perimeter and ensured each officer on scene knew how to respond if the suspect presented a weapon or attempted to flee. The sergeant spoke with Officer Fernandez about deploying pepper ball into the vehicle. The sergeant instructed Officer Hughes to be part of the "hands team" to take Gonzalez into custody.

Officer Fernandez, Officer Hughes, and additional officers positioned themselves east of Gonzalez on the other side of 31<sup>st</sup> Street. The officers used a civilian vehicle to provide cover. Officer Hughes had a clear view of the suspect from this location. Officer Hughes drew a diagram of the scene to show his location. *I later attached the diagram to the case (See Officer D. Hughes Sketch of Scene).*

Once the perimeter was established, Officer Fernandez deployed pepper ball into the suspect's vehicle. Shortly after the pepper ball was deployed, Officer Hughes observed Gonzalez pick up a firearm from inside the vehicle. Gonzalez raised the firearm to his chin-level. He pointed the barrel of the gun at Officer Hughes and the other officers standing nearby. Officer Hughes ducked to avoid being shot by the suspect.

Officer Hughes saw other officers fire their weapons at Gonzalez. Officer Hughes grabbed the shield and held it in front of Officer Fernandez and himself.

After officers shot Gonzalez, they discussed a plan to approach the vehicle. An SDPD K9 officer sent his K9 into the vehicle to ensure Gonzalez was no longer a threat. After the K9 returned, other officers approached the vehicle using the shield for protection. Officer Hughes observed officers remove Gonzalez from the vehicle. One of the officers performed chest compressions on Gonzalez. Paramedics arrived on scene soon after and took Gonzalez to the hospital.

Officer Hughes believed Gonzalez may have shot officers if he was not stopped. In addition, the pedestrians standing behind officers may have also been shot.

I took photos of Officer Hughes. The interview concluded at about 1718 hours.

Officers were conducting a high risk stop of an uncompliant subject seated in a vehicle.

north marked patrol repositioned directly behind the suspect's vehicle to prevent the suspect from fleeing in the vehicle. Officer Jachim and the southern contact team moved to the east curbline of 31<sup>st</sup> Street. Officer Jachim had about a twenty-five-foot unobstructed view of the suspect and his vehicle. Officers continuously communicated with the suspect in Spanish and relayed the conversation to nearby Officers in English. Officer Jachim gave K9 verbal commands in English which was relayed in Spanish by another Officer. Officer Jachim continued to discuss contingencies throughout the incident. The suspect would put his arms out of the driver's window then put them back inside the vehicle. This movement continued back and forth throughout the contact. Officers commanded the suspect to keep his hands outside the vehicle. At some point, the suspect retrieved a lighter and a glass pipe. The suspect used the lighter to smoke an unknown substance from the glass pipe then threw the lighter and pipe onto the street. No smoke was seen exhaled from the suspect.

Officers continued to address the suspect's noncompliance as he kept his hands inside the vehicle. The suspect remained in the driver's seat. Officer Jachim observed Officers deploy pepper ball from his contact team, positioned east of the suspect's vehicle. The pepper ball munitions struck the suspect's vehicle. The suspect then ducked down into the vehicle and out of view. Officer Jachim then heard gunfire. The shooting was towards the suspect's vehicle although Officer Jachim was unsure whether Officers were being shot at as well. When Officer Jachim heard the gunshots, he grabbed his K9 partner and took cover behind a vehicle.

Due to the shooting and possibility of the suspect sustaining life threatening injuries, Officer Jachim and surrounding Officers discussed a plan to approach the suspect. Further, Officers needed to safely approach the suspect to render medical aid. Officer Jachim used his K9 partner to survey the interior of the vehicle. The K9 entered the suspect's vehicle through the rear driver's side window. Officer Jachim observed his K9 partner stop near the vehicle's center console but did not observe him bite the suspect. The contact team approached the vehicle as Officer Jachim retrieved his K9 partner. As Officer Jachim approached, he observed a silver, longer barrel style firearm near the center console. Although Officer Jachim did not provide medical aid, multiple other Officers did.

Officer Jachim did not use force during the incident. Officer Jachim believed the officer involved shooting was inevitable in response to the suspect presenting a firearm.

During the surrounding Officer's use of force, Officer Jachim did not feel the need to intervene as he did not observe the threat.

The interview concluded at approximately 1654 hours.

continued moving his hands around over several minutes. Officer Johanson also observed a methamphetamine pipe in the suspect's hands.

Officer Johanson provided support for Officer Jachin who had his K-9 partner out. During the Code-11, Officer Johanson assisted Officer Jachin by retrieving equipment from his vehicle and coordinating contingencies with other officers. Some of the contingencies were K-9 Officers and less lethal options at all avenues of escape. There was a nearby church and nearby schools, so they wanted to prevent an armed suspect from running away from them.

The negotiations with the suspect were conducted in Spanish by another officer. Officer Johanson does not speak Spanish. What was relayed to him by other officers was the suspect was threatening to shoot himself.

Suspect was observed in the driver's seat the entire interaction. During the interaction, more information was relayed the suspect wanted to smoke and then he would exit the vehicle. The suspect was then observed smoking his methamphetamine from his glass pipe. After smoking his methamphetamine, he flicked his glass pipe out of the vehicle.

Officer Johanson never observed a weapon on the suspect however it was brought up multiple times during the tactical plan and discussions.

At some point of the standoff, the suspect was leaned back in his seat inside the vehicle. He put his hands inside the vehicle and Officer Johanson lost sight of anything but the top half of his head. As Officer Johanson looked down, he heard his partners start to introduce pepper ball. Immediately after the pepper ball he heard numerous gunshots.

Officer Johanson did not observe the suspect's actions since he was looking down at the K-9 lead. He looked up as he heard the gunshots but did not see the suspect anymore. He never heard what the suspect said or if he said anything. Officer Johanson could not see who was shooting but heard what he believed to be multiple officers shooting.

After the shooting concluded, officer developed a contact plan. They still believed suspect was armed with a gun. They came up with a plan to send the K-9 into the vehicle to hold the suspect then move up and detain the suspect.

They sent the K-9 who sat on the suspect but did not bite him. Officers approached the suspect. Officer Jachin and Officer Johanson went around officers to control the K-9 while they took the suspect out of the vehicle.

Officer Johanson observed a dark gray revolver sitting on the center console. The firearm appeared to be a real firearm. The suspect was sitting in the driver's seat slumped over the center console.

The only force during the incident used by Officer Johanson was the pointing of his firearm at the suspect.

Had force not been used, the suspect could have shot officers or pedestrians. He could have taken hostages. He also could have fled.

Officer Johanson was asked if he ever felt the need to intervene in another officer's use of force. He stated he did not.

The interview concluded at 1626 hours.

[REDACTED] and is right-handed.

Officer Sisneros works Friday through Monday, 1<sup>st</sup> watch, 0600 to 1600 hours. Officer Sisneros last slept the night prior to the incident, which was about 6 hours. Officer Sisneros arrived for his shift around 0600 hours on April 04, 2025.

Officer Sisneros' call sign was 511S, which was a single officer unit. Officer Sisneros was also the acting sergeant for his team. He was driving a marked sergeant's patrol vehicle on the date of the incident (7768) and was in full uniform.

Officer Sisneros was equipped with one handcuff, radio, tourniquet, CED, and a medic pouch holding miscellaneous medical devices. He did not attempt to, nor was he in the position to, use any of his less lethal options during this incident. He also had a body worn camera (BWC) which was activated prior to the event and remained on through the entire contact.

Officer Sisneros had a [REDACTED] 5.56 caliber Daniel Defense AR-15 Rifle which was fired during this incident. Prior to the shooting, the rifle was loaded with a [REDACTED]-round magazine but contained [REDACTED] rounds. The ammunition was department issued. Officer Sisneros had qualified on this weapon system on the morning of the incident. After the shooting, Officer Sisneros placed the rifle down, leaning it on the vehicle in front of him. He then removed his handgun and pointed it at the vehicle. He did not fire his handgun during this incident. The handgun was a 9mm Smith and Wesson M&P 2.0. The firearm contained [REDACTED] rounds which consisted of 1 in the chamber and [REDACTED] in the magazine.

Prior to processing by San Diego Sheriff's Office (SDSO) personnel, Officer Sisneros stated "Officer Hofstadter" acquired the rifle, removed the magazine, and placed it into a nearby patrol vehicle. The rifle was later located, and collected, within patrol vehicle 7303 on scene.

Prior to responding to the incident location, Officer Sisneros was training at the Naval Training Center located near Gillespie Field International Airport. Over the radio, Officer Sisneros heard Sergeant "Ariola" broadcast that he was "flagged down" by a civilian who claimed a subject had brandished a firearm. Officer Sisneros did not initially respond, but continued to monitor the radio, because the subject had not been found.

Once the subject was located near 31<sup>st</sup> Street and K Street, a high-risk vehicle stop was initiated. During the stop, a passenger was removed from the vehicle. The driver was not responding to officer's commands and the incident was elevated to a Priority Response Team (PRT) assist. Officer Sisneros, and his team, responded to the scene "Code-3."

Officer Sisneros travelled, to the scene, northbound on 31<sup>st</sup> Street from Imperial Street. Once on scene, Officer Sisneros was informed that other sergeants were on scene and were coordinating the incident. Officer Sisneros observed Officer Arellanes holding his rifle while also giving commands, in Spanish, to the subject in the vehicle. Officer Sisneros stood to the left of Officer Arellanes and took over lethal coverage so Officer Arellanes could focus on speaking with the subject.

During the incident, Officer Sisneros heard the subject announce he had a firearm inside the vehicle by saying "arma." Though Officer Sisneros understood basic Spanish, he was able to understand a few words. Most of the translation was provided to him by other officers. The subject also stated he did not want to go to jail because his daughter would be born in a month. The subject thought he may have had a warrant for his arrest.

It appeared the subject was looking around to identify the location of each officer, which continued throughout the contact. Periodically the subject would place his hands down, and out of sight, then appeared to "mess" with an object inside. When the subject placed his hands inside the vehicle, Officer Arellanes would order him to place his hands back outside, which he complied. Officer Sisneros also gave the subject commands to place his hands outside the vehicle. Officer Arellanes continuously attempted to de-escalate the situation by speaking with the subject.

Officer Hagen informed the officers on scene of a previous contact with the subject. The subject was a documented Logan Heights gang member with a violent criminal history, which included firearms. From Officer Sisneros patrol experience, he knew the Logan Heights gang as being violent and had been involved in multiple shootings.

While Officer Sisneros was standing next to Officer Arellanes, he would give suggestions of what to relay to the subject. He suggested to speak about family instead of continuously speaking about the firearm in the vehicle.

Once additional resources arrived, Officer Sisneros transitioned to a location on the east side of 31<sup>st</sup> Street near a black Lexus SUV. He continued lethal coverage while other officers had less-lethal options.

Officer Sisneros observed the subject point his finger at the ground and at his own head. The subject told Officer Arellanes that he wanted to die. This language continued multiple times. Because of a school nearby, and the location being close to a residential area, Officer Sisneros knew it would be unsafe for civilians if the officers left the scene.

The subject informed officers that he was going to smoke a substance and then exit the vehicle. He then acquired a burnt glass pipe. From Officer Sisneros' training and experience, he knew similar pipes to be used in the smoking of methamphetamine and crack cocaine. The subject inhaled the substance and blew out a large white cloud of smoke. The subject then threw the pipe out of the vehicle while he remained inside.

Another officer on scene positioned a patrol vehicle at the bumper of the subject's vehicle to hinder the subject from going mobile.

The subject was observed praying, taking deep breaths, and using his hand to make a sign of the cross. Officer Sisneros became nervous and thought the subject was going to act in a way that would force officers to respond. Negotiations continued with the subject, but he continued refusing to exit the vehicle. Because of this, other officers on scene prepared to use less-lethal options to coerce the subject out of the vehicle. A plan was developed to utilize a pepperball device. Officer Sisneros was not sure who fired the pepperball, but rounds hit inside the vehicle. The subject then placed his hands inside, grabbed a revolver, and pointed it in Officer Sisneros' direction. The handgun was in the subject's right hand. Officer Sisneros could see the barrel of the gun as the subject pointed the firearm. Fearing for the safety of his fellow officers, himself, and for civilians nearby, he fired his rifle to stop the threat. While Officer Sisneros was firing, he observed a flash and thought the subject was firing the revolver. Officer Sisneros continued firing and was surprised when his rifle's bolt locked to the rear. At this moment, he knew he had fired all 28 rounds in about 2-3 seconds.

Officer Sisneros heard someone yelled hold and this is the moment his placed his rifle down and transitioned to his handgun. Officer Sisneros, and the other officers on scene, planned to approach the vehicle to render medical aid on the subject. More pepperballs were introduced into the vehicle while a K-9 was sent inside. Officer Sisneros remained on lethal coverage while him and the other officers approached. Officer Sisneros observed other officers remove the subject from the vehicle and place him into handcuffs.

Officer Sisneros gave the other officers a chest seal and helped cut off clothing to assist in providing medical aid.

Officer Sisneros looked inside the vehicle for any other possible occupants. He did not notice any but observed a .38 special snub nose revolver near the gear shift of the vehicle. Officer Sisneros observed rounds within the cylinder of the firearm along with white writing on its side. The firearm also had a rubber handle. Officer Sisneros did not manipulate the firearm to observe it further.

Officer Sisneros assisted other officers in placing vehicles closer to enhance the safety of everyone on scene. Medics soon arrived and transported the subject to the hospital.

Officer Sisneros, as acting sergeant, advised his team to secure the scene by placing perimeter tape on the surrounding area.

Because the subject stated had a gun, indicated he wanted to die, along with his criminal history involving firearms, Officer Sisneros knew the threat level during the incident was high.

The interview concluded at 1027 hours.

Prior to responding, Sergeant Laurendeau was at the K9 Unit office located at 4240 Federal Boulevard within the city of San Diego. Sergeant Laurendeau became aware of the incident after one of his officers was dispatched to respond. The incident soon escalated to a PRT assist after discovering the subject possessed a firearm. Sergeant Laurendeau responded to the scene as well as another K9 officer.

Sergeant Laurendeau was the 2<sup>nd</sup> K9 officer on scene and parked east of the intersection of 31<sup>st</sup> Street and K Street. This was to provide a northern perimeter until the other K9 officer arrived. While waiting for the other officer, Sergeant Laurendeau assessed the scene and began speaking with a PRT team leader. Sergeant Laurendeau discovered he was the only sergeant on the northern position and took it upon himself to take control of the officers to the north.

Sergeant Laurendeau, along with the PRT team leaders, generated a plan to move a patrol vehicle behind the subject's vehicle. This was to ensure the subject could not move the vehicle and become mobile. Sergeant Laurendeau then drove the patrol vehicle forward and into position. Sergeant Laurendeau exited the patrol vehicle and moved back to the other officers.

The second K9 officer arrived on scene and Sergeant Laurendeau took over as the K9 leader to coordinate the placement of the other K9 officers. Sergeant Laurendeau moved multiple times between both K9 teams to ensure they understood their responsibilities. There was a K9 team to the south and the north of the subject's vehicle. The south team was positioned at the rear of a black Lexus SUV and the north was on the western sidewalk of 31<sup>st</sup> Street near a patrol vehicle.

The northern team was to control the western sidewalk if the subject ran north from the scene on the sidewalk. The southern team was to control the area to the west of the subject's vehicle.

Prior to the shooting, Sergeant Laurendeau was speaking to the southern K9 team near the Lexus. As Sergeant Laurendeau was at this position, the subject began staring at him. Sergeant Laurendeau noticed the subject's right hand lower into the vehicle and gave commands to show his hands. The subject's eyes opened wide and then he looked down at his right hand. This occurred 2-3 more times. Knowing the subject may possibly be in possession of a firearm, Sergeant Laurendeau became worried stating the "hairs on his neck" began to stand up and this was not a good sign. Sergeant Laurendeau now unholstered his firearm and pointed it at the subject.

While continuing to look at the subject, Sergeant Laurendeau noticed a pepper ball strike the subject's forehead. This caused the subject to move within the vehicle then rear appear with a revolver in his right hand. The subject pointed the firearm out of the driver-side window towards Sergeant Laurendeau's position. Sergeant Laurendeau observed the barrel of the firearm. Fearing for his safety, other officers on scene, and for nearby civilians he fired his handgun to stop the lethal threat presented to him. Sergeant Laurendeau believed he fired 5-6 rounds then conducted a "tac reload" by removing the magazine in the handgun with a new one.

Sergeant Laurendeau noticed the subject turn away and then become motionless. Sergeant Laurendeau noticed more rounds were being fired by other officers and he

yelled, "Whoa, whoa, whoa" to have them stop firing. Sergeant Laurendeau wanted to reassess the situation to determine the effectiveness of the shooting. Sergeant Laurendeau re-holstered his firearm. Sergeant Laurendeau spoke with a PRT leader advising him of the request to place a K9 in the vehicle prior to officer's approaching the subject. Sergeant Laurendeau was unsure if the subject was lying in wait for officers to approach which would place them in danger if the subject decided to fire. Sergeant Laurendeau also requested more pepper balls to be deployed into the subject's vehicle to ensure the K9 acquired its target. The pepper balls would also reduce the subject's ability to shoot accurately.

More pepper balls were deployed into the vehicle while the K9 entered through the rear driver-side window. Sergeant Laurendeau observed the K9 go "paws on" but was unsure if the K9 contacted (bit) the subject. Sergeant Laurendeau gave the command for the contact team to move forward to render medical aid.

Sergeant Laurendeau noticed rounds had impacted the church and had officers perform a safety check for anyone injured inside. Sergeant Laurendeau also requested a safety check for blocks east and west of the shooting location. Sergeant Laurendeau then walked and remained at the intersection of 31<sup>st</sup> Street and K Street until he received further direction.

During the incident, Sergeant Laurendeau heard officers attempt to de-escalate the incident by verbally giving the subject commands.

Prior to the shooting, Sergeant Laurendeau observed the subject smoking an unknown substance but was unable to determine what.

### Origin:

On 4/4/2025, at approximately 1400 hours, Detectives Arnold (ARJIS # 2558), Swauncy (ARJIS # 0394), Prendiville (ARJIS # 0436) and I responded to assist San Diego County Homicide with a San Diego Police Department officer-involved shooting investigation (CAD # E9857214 & CN # 25111864) near the intersection of 31st St and K St, in the city of San Diego, in the county of San Diego. Homicide detectives requested I contact the reporting parties and canvas the neighborhood for witnesses and possible surveillance footage.

### Investigation:

I called the unknown male reporting party at [REDACTED]. The male answered and said that he didn't want to give a statement about the incident, and he didn't want to identify himself. The male said his fiancé wanted to provide a statement for the incident and she was with him at [REDACTED].

I called the unknown male reporting party's fiancé [REDACTED] DOB: [REDACTED] at [REDACTED]. [REDACTED] provided me with her driver's license number, full name, and date of birth. The following is a summary of [REDACTED] statement:

[REDACTED] her fiancé, and her fiancé's manager walked out of her residence [REDACTED] at approximately 0900 hours. All three of them were leaving for the bank, so her fiancé's manager could get cash out of the bank to pay for some auto repairs he was having done at their house. All three of them started walking south down 31st Street to get to where her fiancé had parked his car. As they walked toward her fiancé's car, she and her fiancé saw a male and female on the other side (west side) of 31st Street. The male was leaning on a blue sedan and the female looked like she was working under the hood of a greyish black sedan.

[REDACTED] described the male as a light-skinned Hispanic male with dark brown wavy hair that went to his collar line (referred to as M1/Male 1 for the rest of this report). M1 was in his late 20's or early 30's. M1 might've been wearing a hat. M1 was wearing a grey "wife-beater", and unknown bottoms. M1 looked like he was on drugs. I asked [REDACTED] to clarify why she believed M1 was on drugs, and she said he was very observant of his surroundings, jittery and paranoid. [REDACTED] had never seen M1 in the neighborhood before.

[REDACTED] described the female as "looking like she was white" (referred to as F1/Female 1 for the rest of this report). F1 was approximately 30 years old. F1 was wearing a white shirt and white-washed jeans. F1 had black/blonde highlights in her hair. [REDACTED] only got a quick glimpse of F1's face.

████ said the greyish-black vehicle was in front of the blue sedan and it had no front bumper. F1 appeared to be working on it, which was strange to █████ since the male wasn't working on it.

M1 was staring down █████ her fiancé and manager. █████ fiancé didn't want to say anything to M1 because his manager was there, and he wasn't from the neighborhood (so they didn't want to scare his manager). █████ her fiancé, and his manager got into her boyfriend's Challenger, and they began driving north on 31st Street (toward the elementary school). As they were approaching M1, M1 stared at their Challenger and made the shape of an "L" with his hand for "Logan". █████ fiancé made a "brush-off" hand gesture, to signify that he isn't messing around with any gang drama. After █████ fiancé brushed off M1, M1 pulled up his shirt and pulled a black revolver from his waistband. M1 brandished the revolver between his waistline and his chest (showing it to █████ and her fiancé as they passed by). The handle of the revolver looked orange.

████ her fiancé, and his manager drove to a nearby bank and got cash out of the bank. They exited the 94 Freeway onto 28th Street to travel southbound. They turned left (eastbound) onto K Street and traveled to the intersection of 30th Street. At the stop sign for K Street and 30th Street, they saw an SDPD officer who looked like they were with someone from the city. They turned left (northbound) onto 30th Street and flagged down the officer. █████ and her fiancé reported what they saw M1 do. █████ described the suspected firearm to the officer. █████ estimated that it was 10 minutes after their observations of M1 that they flagged down the officer.

After they reported their interaction with M1, they continued driving home. They turned right (eastbound) on J Street and proceeded to 31st Street. They turned right (southbound) on 31st Street and turned left (eastbound) at K Street and parked near the residence █████. They walked into the residence and dropped off the money for the manager's mechanical work he had done at the residence.

████ and her fiancé walked back out to her fiancé's vehicle. They did a U-turn on K Street to travel westbound toward 31st Street. Near the intersection, █████ saw the officer she had flagged down regarding M1. █████ stopped and interacted with the officer and pointed out the correct vehicles on 31st Street that were associated with M1 and F1. After pointing out the vehicles to the officer, █████ and her fiancé turned left (southbound) on 31st Street. As █████ and her fiancé drove past the blue sedan, they noticed F1 still standing outside of the vehicles, and a male sitting in the front driver's side seat of the blue sedan. █████ said this subject looked different than M1. \*\*\*This subject will be referred to as M2 for the remainder of this report\*\*\*. M2 was approximately 23 years old ("at the oldest"). M2 had dark brown "curly" hair and his driver's side window was down. M2 had a medium-brown complexion and he looked like he could have been a mixed-race Hispanic male (possibly Mexican and black). █████ didn't get a very good look at M2 and only briefly saw the side profile of his face and upper body. M2 looked "skinny, but not malnourished". M2 looked like he was trying to start the blue vehicle.

████ and her fiancé continued driving southbound on 31st Street to go and eat at Lucy's Bakery, which was a few blocks away. They ate at the location and returned to their residence approximately 30 minutes

later to find that their neighborhood was being taped off because of an active stand-off with the suspect in the blue sedan. The officers continually tried talking the suspect into giving himself up, but he refused. [REDACTED] video-recorded some of the stand-off with her phone, but she wasn't at a location where she could see the suspect in the vehicle or the officers who were closest to the vehicle. As shots started getting fired, [REDACTED] started recording a video with her phone. [REDACTED] recorded a few more videos of the aftermath. [REDACTED] recorded as the suspect was being wheeled on a gurney by paramedics to the ambulance.

[REDACTED] said she felt obligated to give a statement regarding this shooting because she felt she was partly responsible for flagging down the officer. [REDACTED] said she would talk to her fiancé's manager and ask him if he wanted to give a statement regarding the incident. [REDACTED] said she would let me know if he wanted to give a statement.

Detective Prendiville and I conducted a canvas search of the neighborhood for witnesses and surveillance footage.

I contacted [REDACTED] (DOB: [REDACTED] at [REDACTED] said he didn't see anything, and he was inside during the shooting. [REDACTED] woke up to the sound of shots being fired.

I contacted [REDACTED] (DOB: [REDACTED] at [REDACTED] was standing in their front yard during the standoff, and they heard officers continually ask the suspect to get out of his vehicle. [REDACTED] provided me with a phone number [REDACTED] to contact her if we had any additional questions.

I knocked on [REDACTED] and no one answered. I left my business card on the door.

I talked to a resident at [REDACTED] The residence said they didn't see anything, and officers had already spoken to her brother (who advised the same).

I talked to the resident at [REDACTED] The resident advised they didn't see anything because they were asleep in the house at the time. The resident advised that the camera on their house did not work.

Provided is the dictated response [REDACTED] gave during my interview.

"I spoke to one officer only because I couldn't speak to him. Just tell him what happened or what I seen because we did speak to the um to the victim before he was, you know, shot. He did come to like approach my car and stuff like that. So that's why I'm like, well, I feel like this should be kind of useful, but I don't know".

"Yes, my first name is [REDACTED] Date of birth is [REDACTED]"

"Um, I currently stay at my grandpa's house with my boyfriend, and they stay [REDACTED]  
[REDACTED] It's [REDACTED]"

"Yes".

"Um, OK, so literally, like, A few seconds before you guys pulled up and like the police pulled up and things like that. I was in my car, me and my boyfriend was in the car, we were smoking and we're just chilling. And so um the boy and the girl was like literally across the street and trying to figure out like what's going on with the car. And so then um I heard the female say from you know all the way across the street. She's like, you guys know who, who shot the car cause she was like basically trying to talk to us and stuff like that and figure out what's going on. And I'm like, well, I don't know anything. I basically just ignored her and this we know, we just kept continue to going by ourselves and stuff like that. And then um".

"OK. Um, yeah, and then he, um, he approached the car. He was trying to get my boyfriend some weed and like my boyfriend, he's sitting around a few times, like around the, around my neighborhood a few times".

"Uh, does it, does it",

"OK. And he tried to sell your boyfriend".

"He tried, he tried to give him some, some trees, some weed".

"My, my boyfriend was like, basically he was like, I don't want, you know what I'm saying like I don't, you know, we don't, we don't need it because his hands are dirty, you know, we don't play that. And so we're like, no, no, no, we're good, we're good. So he was like, no, go ahead, go ahead, take it, take it, take. And so we're like, OK, cool. So we just put it on the dashboard real quick and then um my boyfriend threw it out the window when he like went back across the street. And so then um. He asks for a job. And so we're about to literally give them a jump and then you guys pull up like 30 seconds there".

"Yeah. Yes, that is what uh what I know so far".

**INDIVIDUAL/S****REPORT NARRATIVE**

On May 22, 2025, I received a phone call from SDSO Detective Naputi. Detective Naputi asked me to complete a written report documenting my involvement in a San Diego Police Incident (Event #25040004804). Detective Naputi told me she was the lead investigator investigating the Officer-Involved Shooting that occurred at 31st and K Street.

On April 4, 2025, I was assigned as the Field Lieutenant responsible for the southern side of the city. This included Central Division, Mid-City Division, Southern Division, and Southeastern Division. I was scanning multiple frequencies and heard a radio call of a subject that brandished a gun to a victim in Central Division. Central Division Officers, including Sergeant T. Arreola (ID#6914), conducted a hot-stop of the suspect, later identified as Kevin Garcia Gonzalez, at 31st and K Street at approximately 1015 hours

At 1018 hours, I volunteered to go to the stop and broadcasted that I would be bringing a ballistic shield with me as a resource. While I was enroute, I heard the sergeant call for a PRT SWAT response. A PRT SWAT response encompasses having patrol SWAT officers and a patrol SWAT sergeant respond to the scene with additional less lethal resources for de-escalation.

I arrived a few minutes later and observed a hot-stop in progress on the west side of 31st Street, south of K Street. I saw Gonzalez sitting in the driver's seat and heard officers negotiating with him in Spanish. I delivered a shield and contacted Sergeant Arreola. Sergeant Arreola briefed me on the incident and told me he was flagged down by a victim who claimed Gonzalez had pulled a gun out of his waistband and said he was from "Logan." I know the term "Logan" by my training and experience to be a local Hispanic criminal street gang. Criminal street gang members are often armed when they issue challenges. Sergeant Arreola told me the subject only spoke Spanish. Gonzalez had told the officers that he had a BB gun. No gun was seen by any officers. There was no mention of any other involved persons at this time.

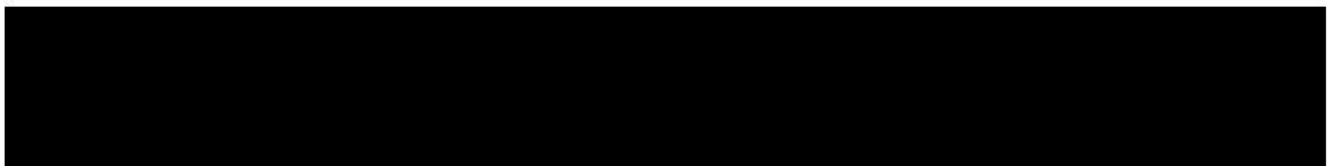

I assumed the position of incident commander and directed officers to evacuate the church that was directly behind the suspect's vehicle for the safety of the public who may have been occupying the church. Officers also evacuated a home at 31st and L Street. Medics were asked to stage in the area for any medical issues that may arise. I made sure the following resources were present or enroute: K-9 Officers with their police service dogs, Bean-Bag shotgun, and the Taser-10. I made sure that available resources were being deployed and two contact teams were formed. I called the SWAT PRT Sergeant A Thomas (ID#7492) to confirm he was enroute to the scene.

Gonzalez' behavior continued to fluctuate. He would show both his hands, and then put them into the vehicle out of sight. I was told Gonzalez made statements to the effect he did not want to go back to jail. An officer at the scene recognized the subject as Kevin Garcia and broadcasted that he was on probation for 245 P.C. (Assault with a Deadly Weapon).

Once Sergeant Thomas was present, I briefed him on the incident. We discussed upgrading a higher SWAT response, but both agreed that it did not rise to the level as no gun was seen and the additional resources of a full SWAT deployment would not be of assistance. I asked Thomas to re-adjust the two contact teams that were in place due to possible crossfire that might occur.

Once the contact teams (less lethal element, arrest element, and lethal elements) were in place, Sergeant Thomas and I discussed options for further de-escalation and developed a plan.

6. Spike strips would be deployed, and patrol vehicles moved to limit Gonzalez driving away from the scene.

Sergeant Thomas came up with a plan to insert pepper-balls into the open window of the suspect vehicle to get Gonzalez to exit the vehicle with the following contingencies for a likely armed suspect.

During the negotiations, Gonzalez started to smoke what appeared to be methamphetamine from a pipe. After he had smoked, his agitation level gradually increased, and he appeared to start sweating and breathing heavier. He appeared to be forecasting he was preparing himself to do something.

At this point, after negotiating with Gonzalez for approximately 40 minutes and noticing his increased agitation level and mannerisms, and with all the resources in place, I authorized the use of the pepper-ball with the contingencies from above.

Several pepper balls were deployed into the vehicle. Gonzalez ducked down in the driver's seat and shortly came up with an object in his hands. An officer involved shooting occurred. After the shooting, Sergeant Thomas quickly came up with a plan to clear the vehicle and administer first aid. A police service dog was deployed and went into the vehicle. Officers and Sergeant Thomas cleared the vehicle and pulled the unconscious Gonzalez out of it and administered first aid. Medic Unit 44, who was staged, was quickly called and transported Gonzalez to the hospital for medical treatment.

The scene was transitioned into a crime scene pending San Diego Sheriff Homicide Unit arrival for the OIS investigation.

**REPORT NARRATIVE**

On 4/4/25, Officer Mendoza and I were in full police uniform and driving a fully marked San Diego Police Department patrol vehicle. At around 1041 hours, we responded to 31st Street and K Street to assist Central Division Officers with a male threatening with a weapon incident. Officer Mendoza #2075 and I arrived on scene and started putting up crime scene tape to secure an outer perimeter near the intersection of 31st Street and K Street. At approximately 1051 hours, Officer Mendoza and I were retrieving a Bean Bag Shotgun from our patrol vehicle, located in front of 3102 K Street, and I heard multiple shots being fired from the scene of the incident. I immediately ran toward the scene and connected with an arrest team formed at the south side crosswalk of 31st Street and K Street. I observed an arrest team contact the suspect and take custody of him.

After the scene was rendered safe, bullet holes were discovered on the east side wall of a church located at 3085 K Street. Officer Mendoza and I entered the church to confirm there were no subjects injured inside. The church was clear of any occupants.

While examining the church for damage, I observed approximately 8 bullet holes. I observed three holes on the glass windows and 4 holes on the east side wall. I located a total of three bullets, one bullet on the east side walkway, one bullet on the west side walkway, and one bullet in between the pews near the back rows. There was also damage located on the south wall near on its west side. The last hole was located on the west wall near its south side.

I contacted [REDACTED] of the church, [REDACTED] who provided us permission to search the premises. [REDACTED] signed the Search Consent Form and I provided the form to Sergeant Irwin #6381.

Officer Mendoza, Officer Villanueva, and I put up crime scene tape around the church to prevent any subjects walking inside. Officer Mendoza and I stood by as perimeter officers ensuring no one walked into the church without permission.

This concludes my involvement with this case.

End of Officer Report.

**INDIVIDUAL/S****REPORT NARRATIVE****Officer Report:**

On 04/04/2025, around 1020 hours, Officer Dawson #1807 and I were in full police uniform on patrol in the City of San Diego. We responded to a threatening with weapon radio call at 31st Street and K Street, San Diego. Remarks on the radio call stated a thin Hispanic male wearing a gray shirt brandished a firearm.

Upon my arrival to the scene, I observed a Hispanic male that matched the description of the radio with both hands out of the vehicle. I returned to my patrol vehicle to arm myself with my non-lethal bean bag shotgun. As I returned, the male was in the same position, with both hands out of the driver window. The Hispanic male was in conversation with officers in the primary contact team on the east curb line of 31st street.

The Hispanic male was instructed to get out of the vehicle multiple times however, he did not comply. I aimed my non-lethal bean bag shotgun towards the male in the event he exits the vehicle and becomes non-compliant, potentially concealing a firearm on his person or having a firearm in close proximity to his person.

The male started to conceal his hands from the window, not allowing myself and officers to have a clear sight of his hands. The male was instructed to show his hands multiple times. he did not comply. The male moved from the driver seat to the front passenger seat. It is at this point I lost vision of the male due to a patrol car covering my field of view of the front passenger seat.

The Hispanic male was given additional commands. He did not comply. Pepper balls were deployed inside the vehicle and then multiple shots were fired.

Once the male was transported to the hospital, I assisted in maintaining and securing the vehicle in which the male was in.

Additionally, I assisted by maintaining the southern perimeter of the scene. I stood and maintained the perimeter on the west curb line of 200 31st street. I stood this post until I was relieved.

My body warn camera was on during this incident.

\*\*\* This concludes my involvement in this incident. \*\*\*

On April 4, 2025, while on duty and assigned to the Media Relations Unit, I was notified at approximately 1244 hours by Lieutenant Travis Easter of an officer-involved shooting (OIS) involving SDPD officers in the 200 block of 31st Street. Lieutenant Easter informed me that a news crew from CBS 8 San Diego had captured video footage of the incident. He directed me to obtain a copy of the video and upload it to Evidence.com.

Using my department-issued iPhone, I navigated to the CBS 8 website at the following URL:

I then used the screen recording function on the iPhone to capture the video in its entirety. Once recorded, I uploaded the footage to Evidence.com, referencing SDPD Event Number E25040004804.

This concluded my involvement in the incident.

**REPORT NARRATIVE****OFFICER'S REPORT:**

On 04/04/2025, at about 1012 hours, Officer I. Arce #1979 and I were on duty in full SDPD uniforms and driving a marked patrol vehicle in the city of San Diego. Officers responded to a male with a firearm at 31st Street and K Street.

Officers on scene located the male parked in a blue Ford Fusion SE that was parked on the West curb line of 200 31st Street. Officers asked for more resources because the male who was later identified by his California ID as Kevin Gonzalez (DOB: [REDACTED]) was not cooperating.

Kevin Gonzalez was supposedly armed or had access to a firearm inside of the blue Ford Fusion SE. Officers on scene asked for a SWAT Primary Response Team (PRT) to assist at 200 31st Street. I activated my emergency code 3 lights and sirens and responded to the intersection of 31st Street and K Street to block traffic from the East entrance.

I moved up to assist officers with lethal coverage at 200 31st Street behind a patrol vehicle. I unholstered my duty approved handgun and held it at the low ready. As officers on scene were giving multiple commands to Kevin Gonzalez, he kept moving his hands in and out of the vehicle. I moved to another patrol vehicle for better eyes on Kevin Gonzalez and then officers on scene began shooting at Kevin Gonzalez. I held my location for a K-9 officer to clear the car and other officers moved up to clear the car and secure the firearm. I moved up to assist officers in providing medical aid for Kevin Gonzalez. I gave my tourniquet to an officer to apply it and then waited for the medical unit to place Kevin Gonzalez on a medical gurney.

After the incident, I was assigned a perimeter position on the blue Ford Fusion SE. I blocked the Northern perimeter of the car on 200 31st Street, I was flagged down by the original reporting party [REDACTED] I spoke with [REDACTED] on the South curb line of [REDACTED] K Street. She gave me the following paraphrased statement (Reporting Party):

In the morning around 0900 hours, I was with my boyfriend in his black Dodge Challenger [REDACTED] sitting in the back seat. We were parked past the alley on the East curb line 200 31st Street behind our house. My boyfriend and I were headed to the Wells Fargo bank downtown when we saw two transients working on their cars about mid-block on the West curb line of 200 31st Street. The Hispanic male I saw was wearing a gray tank top, a blue hat, skinny build, 5'9", with wavy black hair that was about neck length. He was also about 25-30 years old. I have never seen this male or his female companion in the neighborhood before. The female was White, 30's, chubby, wearing a white tee shirt, with light blonde hair with black highlights that was shoulder length. She was working on a black or gray car with no bumper and a blue car. While she was working on the black car the male was doing nothing. The Hispanic male was seated near the trunk of the blue car and started to throw up Logan gang signs to us with his hands and my boyfriend like waived whatever at him. Then the male pulled up his shirt, pulled his gun out from his waistband, and pointed it to the ground. He never raised it, pointed it, or threatened us with the gun. The gun had an orange handle, and it was metallic bronze revolver or something. I don't know if it was real or fake and then we drove North toward Market Street.

When we returned around 1000 hours, we ran into a police officer around 30th Street and K Street. My boyfriend and I told him about the incident. After we told him we went and returned to 200 31st Street and we did not see them with their cars. My boyfriend and I parked the car at 1044 hours on the North curb line of 3100 K Street and walked to Lucy's Bakery. When we walked through the intersection, we saw the female working on the car again and a different male sitting in the blue car. He was a Hispanic male, skinny build, medium brown, curly hair, in his early twenties. After the bakery I returned to my house and saw all the police cars in front of the blue car. I could recognize all three individuals if I saw them again. I do not know these people. I did not witness the shooting but was recording during the incident. While I was recording there was a heavier set male that was wearing a backpack and said that he knew the male that was involved in the shooting. The male said that the guy in the car normally hangs around Chicano Park. The male also said that the guy was stabbed by the Sherman Heights gang. He stated that the male spoke to him earlier in Spanish and he was concerned about it. The male said in Spanish, "If you do not see me, they got me". I do not know what that means but I am assuming he means Sherman Heights killed him. After the shooting the male walked away, and I did not see where he went. I do not know that male either.

-End of Statement-

I shared an Evidence.com community share link via my Arjis phone with [REDACTED] for the video footage she took. The items were later uploaded to Evidence.com via Axon Capture.

My body worn camera was on during the incident.

This concludes my involvement in the incident.

**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 4/4/2025, at approximately 1020 hours I responded to a Flag Down in the area of 31st Street and K Street. Sergeant T. Arreola #6914 and other Officers were contacting a male who had allegedly been threatening another male with a firearm.

**Officer's Statement:**

Upon arrival, I observed multiple officers conducting a high-risk vehicle stop (also known as a "Hot Stop") on a male who was sitting in the driver's seat of a parked vehicle on the west curblane of 3000 K Street. Officers were attempting to speak to the male and persuade him to exit the vehicle. As they were speaking to the male, other officers began arriving at the scene. I stood behind other officers and prepared to assist in taking the male into custody after he had been taken out of the vehicle.

(See other Officer's Statements for further information).

Eventually, more officers continued to arrive at the scene. I was tasked with re-positioning vehicles around the street so that the male could be blocked from driving or running away, and other officers would have better cover and concealment. I also went into my vehicle and began to log into my computer so that Officer J. Hausotter # 1260 and I could attempt to check the male's probation status and arrest history. During this time, I did not see the interactions between the male and the Officers. I was unable to hear the male or the Officers talking to the male while they continued the High-Risk stop.

As I got out of my vehicle, I suddenly heard the sound of gunshots. I looked over towards the vehicle where the male was sitting, and I realized that Officers had begun shooting at the male. I did not see the initial shots nor the male's actions that caused the Officers to begin shooting at the male.

(See other Officer's Statements for further information).

I ran behind a nearby vehicle to maintain cover while other Officers eventually moved up to the vehicle to clear it. I assisted other Officers in entering the church across the street, located at 3085 K Street. The male was parked in front of the church, and we had seen, multiple bullet holes in the exterior wall of the church near the male's vehicle. I went into the church with other Officers and ensured that no one in side had been hit or had been hurt. I walked back outside and began to assist in securing the scene.

After the scene had been secured, I helped set up Police Tape to establish a perimeter. I eventually stood on the southeastern perimeter of the scene, in the mid-block of 3000 K Street near the east alley. I ensured that no pedestrians, vehicles, or other individuals walked through the scene. At around 1500 hours, I was eventually relieved at my perimeter position by other Officers.

**INDIVIDUAL/S****REPORT NARRATIVE**

On April 4, 2025, at about 1041 hours, I was assigned to patrol duties at San Diego Police Department Central Division. While on patrol I was driving a marked police vehicle and wearing a SDPD patrol uniform complete with a department issued body worn camera that was activated per department policy.

At this time I was dispatched to respond to a call of a subject in a vehicle that officers were attempting to detain pending an investigation regarding a brandishing of a firearm. I arrived and was a part of the southern inner perimeter. My primary responsibility was to be containment if the subject left the vehicle and started to run south. While to the south of the subject, I observed an officer impact the subjects vehicle with what appeared to be a pepper ball device. At this time I heard numerous gun shots in the general area. I was too far away to observe the subject at this time.

With shots being fired from police officers I made my way to the primary contact team to be of assistance. I took the ballistic shield and was a part of the team to move up to the subject. While holding the shield, I observed the subject, later positively identified as Kevin Gonzalez via prior booking photograph. While moving up to the vehicle I observed a silver revolver style pistol on the center console. Having in mind that Gonzalez could still grab the pistol in plain view and knowing that other officers were maintaining lethal coverage of Gonzalez, I grasped Gonzalez by the arm and removed him from the vehicle. I placed Gonzalez into handcuffs to maintain control of him and prevent any further harm or danger. While Gonzalez was handcuffed, I began to do the sweep for injuries. I located what appeared to be two projectile impacts on Gonzalez's rear torso. I placed two chest seals on to those wounds to prevent any deflating of the lungs. I also located a large laceration that was not actively bleeding on the left arm. I applied a tourniquet to that arm at about 1101 hours. Paramedics arrived and began to render aid to Gonzalez.

After I was replaced from medical aid I began to task officers with perimeter locations. I was told to remain in service after this at about 1330 hours.

**REPORT NARRATIVE****OFFICER REPORT:**

On 04/04/2025, at approximately 1012 hours, officers responded to a report of a male brandishing a firearm located at 250 31st Street, in the City of San Diego. I was in full San Diego Police uniform and driving a clearly marked patrol vehicle.

I arrived on scene at the intersection of 31st Street and K Street. The suspect was later positively identified as Kevin Gonzalez (DOB: [REDACTED]). Gonzalez was parked along the west curb line of 31st Street. Gonzalez was seated in the driver's seat with the window rolled down. The vehicle was facing south on the west curb line of 200 31st Street. I did not observe anyone else in the vehicle. Officers were speaking with Gonzalez in Spanish.

The reporting party stated Gonzalez was armed with a handgun. Officers initiated a high risk stop due to Gonzalez potentially being armed with a handgun.

Two contact teams were formed on the north and south side of the vehicle. I maintained visual of Gonzalez. I pointed my [REDACTED] Glock 17 firearm towards the occupied vehicle. Gonzalez was not compliant with officers' commands to keep his hands out of his vehicle.

More officers arrived on scene and relived me of lethal coverage.

I stood in a position of cover while observing the incident. Gonzalez kept looking north on 31st as if he was planning an avenue of escape. It had also been relayed to officers on scene that Gonzalez had a history of running from the police.

Based on this information, I attempted to place myself in a position of cover, but also in a viable place to be able to run after Gonzalez if he ran northbound on 31st Street. I joined an additional contact team on the west curb line at the intersection of 3100 K Street. I maintained lethal coverage and pointed my firearm at the vehicle incase Gonzalez exited on foot.

I heard gunfire and I could not observe what happened when the gunshots were going off.

Once the scene was rendered safe, I moved up to the vehicle with additional officers.

I assisted by proving first aid to Gonzalez prior to San Diego Fire Paramedics and Medics arrived on scene.

I removed Gonzalez clothing in order to identify all injuries. I identified approximately three bullet entry/exit wounds to Gonzalez's left leg. I applied a tourniquet to Gonzalez's left at approximately 1056 hours.

Falck Medic 44 transported Gonzalez to UCSD Hospital Hillcrest for further treatment. CPR was in progress while entering the operating room. Dr. Harris pronounced Gonzalez deceased at 1129 hours.

Gonzalez sustained multiple gunshot wounds shot wounds to his back, right ear, left arm, right arm, and left leg.

Gonzalez remained in operating room 11 until I was relieved by Officer at McMichael #7068 at approximately 1500 hours. I was unable to obtain a finalized list of injuries while at the hospital.

This concludes my involvement in the investigation.

My department issued body worn camera was activated during incident.

**REPORT NARRATIVE**

On 04/04/2025, at approximately 1019 hours, Officer Martorana #1713 and I were on duty in full police uniform and driving in a marked police vehicle in the city of San Diego.

We responded to a cover now call involving a male possibly being armed with a firearm near the intersection of 31st Street and K Street. Officers located the male possibly armed with a gun inside of a blue sedan on the West curbline of 200 31st Street. The blue sedan was facing southbound.

We arrived on scene and officers were conducting a vehicle hot stop on the male. From my point of view, I could see a single male occupant inside of the blue sedan sitting in the driver seat. The male appeared to be Hispanic. Officers were giving verbal commands to the male in both English and Spanish.

I could hear officer's telling the male to keep his hands outside of the vehicle. The male was not compliant with officers' orders. From my position of cover, I could not see what the male was doing inside of the vehicle. I saw officers shoot towards the vehicle. A K-9 was released towards the vehicle. I saw the k-9 enter the vehicle and come back out. The male was no longer responsive inside of the vehicle. Officer's advanced on the blue sedan and pulled the male out of the vehicle. Officer immediately began CPR on the male.

After the male was removed from the vehicle and transported by Medics, I began checking the surrounding areas for witnesses. While checking for witnesses, I spoke to [REDACTED] who lives at [REDACTED]

**PARAPHRASED STATEMENT OF [REDACTED]**

I heard screaming coming from outside. I heard a woman yelling at a male. I had never seen the male before. I watched as all the police cars started showing up. I watched everything from my balcony. I could hear officers telling the male to show his hands. I kept going in and out of my apartment because my dog was going crazy. I came back out when I heard the gunshots

After speaking to [REDACTED] I continued checking for witnesses. I checked with occupants inside of [REDACTED] and [REDACTED]. Both residences did not want to cooperate. I contacted those inside of residence inside of [REDACTED] and they did not initially want to comply. A female who lives at the residence of [REDACTED] stated that she is willing to talk to detectives when her boyfriend is not around. Her name is [REDACTED] Phone Number: [REDACTED]

After checking for witnesses, I remained at a perimeter position and held the scene until I was relieved by other officers.

**INDIVIDUAL/S****REPORT NARRATIVE****OFFICER STATEMENT:**

On 04-04-25, at approximately 1020 hours, I was on duty, wearing a full police uniform, and driving a marked SDPD patrol SUV. I responded from City Heights to Logan Heights when I heard officers advise they were contacting a male armed with a gun.

I arrived at 31st Street and L Street and prepared to deploy my patrol rifle. Before I got out of my SUV, I heard ABLE suggest "spikes" be deployed on the perimeter to prevent escape. I drove around the block to find a suitable location for a TDD (tire deflation device) deployment. I arrived in the 3000 block of K Street and realized I was not going to be able to safely get into position. I did find that eastbound 3000 K Street needed to be closed to traffic. I held a traffic post and prevented pedestrians and motorists from entering the scene.

I held that position, mid-block 3000 K Street until I heard a volley of gunfire. Post shooting, I put up crime-scene tape and remained on scene at a traffic post until I was relieved by a supervisor.

My BWC and in-car dash cameras were recording during my time at-scene. Both videos were uploaded to Evidence.com.

## REPORT NARRATIVE

On 04/04/2025, at 1500 hours, I responded to a request for additional units to hold perimeter on an Officer Involved Shooting Scene near 31st Street and k Street. I was wearing full police uniform, driving a marked police vehicle, and assigned to Central Division Patrol.

I arrived on scene and relieved Officer Arreola #1796 at 1510 hours. I assumed holding the inner perimeter scene of the incident. While there, I ensured all evidence within my area was preserved and not tampered with. As I was holding the scene, technicians from the San Diego Sherriff's Office conducted evidence gathering.

At approximately 2225 hours, I was relieved of my position by Officer Yosenick #1074.

This concluded my involvement in the incident.

**INDIVIDUAL/S****REPORT NARRATIVE****OFFICERREPORT:**

On 04/04/2025, at about 1015 hours, I was dressed in full police uniform, driving a marked police vehicle, patrolling the area of San Diego, when Officer J. Arreola #1796 and I responded to cover a flag down of a possible threatening with a weapon, and a high-risk vehicle stop in progress at 200 31st Street.

Upon arrival, we exited our patrol vehicle at the intersection of 31st and K Street. I approached a patrol vehicle from the driver side that was positioned as a point of cover. I observed Gonzalez sitting in the driver seat with his hands hanging over the open driver side door window. The vehicle was facing south on the west curb line of 200 31st Street. I did not observe anyone else in the vehicle. Officers were speaking with Gonzalez in Spanish. I stood in a position of cover while observing the incident. Gonzalez kept looking north on 31st as if he was planning an avenue of escape. It had also been relayed to officers on scene that Gonzalez had a history of running from the police. Based on this information, I attempted to place myself in a position of cover, but also in a viable place to be able to run after Gonzalez if he ran northbound on 31st Street. I remained in this position until I was given the task of being part of the "hands team", which meant I was part of the contact team as the person who would take Gonzalez into custody upon him following commands to come towards officers after exiting the vehicle. A few minutes later Gonzalez began concealing himself inside the vehicle and appeared to be moving towards the passenger side. I then moved to the back of the patrol vehicle again in case Gonzalez exited the vehicle and ran. When I went to the rear of the patrol vehicle, I heard numerous shots being fired. I took cover and moved towards the contact team again.

I observed a K-9 officer send the K-9 into the vehicle. Officers then began to approach the vehicle and pull Gonzalez out the driver side door. Once they placed him into handcuffs, I began to render aid. I checked for a carotid pulse and did not feel one. I then began chest compressions. I continued to do so while other officers continued other medical aid. I continued doing this until I was relieved by medics.

I was then the "scribe" for the incident. I obtained all necessary information regarding the incident. This was the extent of my involvement in the incident.

My BWC was activated.

## INDIVIDUAL/S

## REPORT NARRATIVE

On 4/04/25, at approximately 1045 hours, Officer Alcantara and I arrived on scene at 3100 K Street. We parked our patrol vehicle in front of 3102 K Street. While on scene we held a perimeter blocking pedestrian traffic going east on 3100 K Street. I set up a perimeter using police tape. While holding a perimeter, a bean bag was needed to pair up with a canine unit between 31st and K Street. While I went back to my vehicle to grab a bean bag shotgun, I heard multiple shots fired. I was unable to see the incident unfold.

After the shooting occurred, I checked inside the church located at 3085 K street to see if there was anyone injured. While inside I noticed 7 bullet holes on the east wall of the building. There were four bullet holes in the wall and three in the glass. Nobody was injured inside of the church. There were three bullets on the ground. There was one bullet on the east aisle, one bullet on the west aisle, and a bullet in between the pews. There was a possible fourth bullet inside of the drywall on the west side of the building. I took pictures of the bullet holes and bullets inside of the church and uploaded the photos to evidence.com.

While at the church, an employee signed a consent to search form for the building. She also provided access to the security cameras. I took video of the surveillance video with my department issued phone and uploaded it to evidence.com.

I held a perimeter at the church ensuring nobody went into the east building where the bullets and bullet holes were located. I was relieved of my position from a second watch officer.

This concludes my involvement with this case.

End of Officer Report.

**INDIVIDUAL/S****REPORT NARRATIVE****Officer report**

On 04/04/25 at 1019 hours, I was working Mid-City patrol with Officer Ruiz #1484 who is assigned to the San Diego Police Departments Primary response team. Central Division requested a SWAT response to a call of a subject with a weapon in the area of 31st street and K Street in the city of San Diego. I was driving a marked patrol vehicle in full police uniform. I arrived on scene and retrieved a ballistic shield from my vehicle and placed it on a patrol vehicle to provide additional cover for contact officers. I assisted in establishing a perimeter by erecting police tape at 31st Street and L Street. After a southern perimeter was secured, I waited near a contact team in the event I was needed for anything.

I could see a male who was the subject of the hot-stop. The male was sitting in the driver's seat of a blue sedan which was parked on the west curb line facing south bound. The driver's side window was open and I could see a single occupant which appeared to be a Hispanic male with longer dark hair and a blue shirt. The male was holding both of his hands out the window periodically as officers were giving him loud verbal commands in English to keep his hands out the window. I could hear officers also giving verbal commands in Spanish. The subject continued to reach his hands back inside the vehicle and was not compliant with verbal commands from police. I could also hear a K-9 officer giving verbal commands.

As I was behind a position of cover, I saw the male put his hands back inside the vehicle against the orders of police. I was not able to see what the subject was doing in the vehicle from the viewpoint I had. I saw officers shoot toward the vehicle and briefly hold in place after the shooting concluded. I saw a K-9 officer release a police dog into the vehicle after the subject was unresponsive to additional callouts from police. A team of officers advanced on the subject vehicle and carried the subject out of the vehicle through the driver's side door. I saw officers immediately provide first aid and CPR to the subject.

After the subject was removed from the vehicle, I noticed the backdrop behind the subject vehicle was a building that appeared to sustain multiple bullet impacts. I immediately went to the building to ensure nobody was inside. I cleared the building along with other officers and ensured there were no people inside. I then conducted witness checks in the area with other officers. I remained on a perimeter position on the east side of the street until I was relieved by other officers. My BWC was recording for the duration of the incident.

**INDIVIDUAL/S****REPORT NARRATIVE****OFFICERS REPORT:**

On 4/4/2025 at 1019 hours I was dispatched to a radio call for a male brandishing a firearm located at 250 31st Street. I was working Mid-City patrol and Central division sent a request for SWAT officers assigned to the primary response team to respond to the scene. I was in a marked patrol vehicle, while wearing full police uniform with my partner Officer Neve #1648. As I arrived on scene I grabbed my patrol rifle, I met with officers and they pointed out a male sitting inside of a vehicle on the west curb line.

I assisted officers in setting up contact teams to help contain the suspect if he exited the vehicle. I went to the north side of the street and met with officers. I moved up with Sgt Laurendo and Officer Burton #7654 to move a patrol car to the back of the suspects vehicle. This would make the situation safer for officers because the vehicle would not be able to drive towards units. I used my patrol rifle as coverage on the suspect pointing it at him as we got close, moving the vehicle into place.

The suspects vehicle was successfully pinned in. Once we had the vehicle in place the contact teams were set, I stayed with officer Burton on the north side. Officer Burton told me the suspect may be moving to the passenger side. I moved over to the contact team covering the sidewalk and stayed there. I went there to cover if the suspect exited the vehicle on the passenger side and ran down the sidewalk. I heard gunfire and I could not observe what happened when the gun shots were going off. I moved my position back to where officer Burton was located. The primary contact team fired a another round of pepper ball into the vehicle. After the primary contact team started moving forward I went with them to clear the car.

BWC recording.

**REPORT NARRATIVE**

On April 04, 2025, at about 1012 hours, I responded to 31st Street and K Street in the city of San Diego to assist in a 417 PC - Threatening with a firearm call.

I arrived on scene and placed my vehicle in the middle of the street on 3100 K Street blocking off southbound traffic. I assisted Officer Hayes on the vehicle hot stop. I unholstered my department issued taser and kept it at a low ready position.

During the incident Officer Arrellanes was communicating with the suspect later identified as Kevin Gonzalez [REDACTED]. I was asked to speak to Gonzalez since we both are Spanish speakers. During my interaction with Gonzalez, I told him several times to keep his hands outside of the vehicle and remain with his hands outside of the vehicle. Gonzalez made statements saying he was not going to go back to jail and that either we were going to kill him or he was going to kill himself. Gonzalez mentioned he wanted to see his baby be born. I informed Gonzalez that there was still a probability that he might walk out of this without going to jail if he complied. Gonzalez refused to believe me and ultimately was uncooperative.

Prior to the officer involved shooting, I was tasked to be a part of the contact team and go hands on with Gonzalez if he was compliant. Moments before the officer involved shooting, I witnessed Gonzalez place his hands back into the vehicle and out of officers sight. Gonzalez was pepperballed and an officer involved shooting occurred.

After the vehicle was cleared and Gonzalez was taken out of the vehicle, I noticed Gonzalez had been shot in the right arm. I placed a tourniquet on Gonzalez's right arm to stop the bleeding. Medics arrived on scene and assisted with applying the tourniquet.

I did a protective sweep of the church for anyone inside and did not locate anyone. I noticed there were seven holes in the church's windows and wall. Officer Mendoza #2075 located three bullets on the ground inside the church.

I spoke to [REDACTED] who told me the church has two cameras on the 31st Street side (east side) of the church and they record. [REDACTED] allowed me to view the footage. Officer Mendoza recorded the shooting and uploaded it onto evidemce.com via Axon Capture.

**REPORT NARRATIVE**

On 04/04/2025, at approximately 1015 hours, I responded to assist Sergeant T. Arreola #6914 who was flagged down regarding a Logan Gang member brandishing a firearm at a victim. On my way to the call Sergeant Arreola had located the suspect later identified as Kevin Gonzalez and his companion [REDACTED] on the 200 block of 31st Street. Sergeant Arreola advised that [REDACTED] had been detained but Gonzalez was still inside of a blue vehicle.

Upon arriving on scene I observed Officers conducting a vehicle hot stop on Gonzalez. Officer D. Arellanes #7873 was speaking to Gonzalez in Spanish and attempting to get him to comply with his commands. While speaking with Gonzalez a records check was conducted which determined that Gonzalez was on felony probation for assault with a deadly weapon.

Officers continued to try and negotiate with Gonzalez but he would not follow commands. The event was upgraded to a PRT Swat assist. Additional units arrived on scene with less than lethal force options which included K9, pepper ball, 40MM and a bean bag. Officers were able to evacuate people inside of the church at the south west corner of K and 31st Street.

I was standing behind cover near the entrance to the south alley of 3100 K Street when an officer involved shooting occurred. I did not have a visual of Gonzalez when the officer involved shooting occurred. After the officer involved shooting Officer Arellanes placed an AR-15 rifle belonging to A/Sgt. Zane Sisneros #7491 inside of the back of my Police vehicle #7370. Officer Arellanes removed the magazine and verified there was no ammo inside of the rifle or magazine. I obtained the following public safety statements:

Officer M. Hagen #1148 shot (17) rounds from his 9mm pistol in a west bound direction from the east curb of 200 31st Street.

K9 Sergeant E. Laurendeau #6542 shot (6-7) rounds from his 9mm pistol in a west bound direction from the east curb of 200 31st Street.

PRT Officer F. Fernandez #7842 shot (15) rounds from his 9mm pistol in a west bound direction from the east curb of 200 31st Street.

A/Sgt Z. Sisneros #7491 shot (28) rounds from his AR-15 rifle in a west bound direction from the east curb of 200 31st Street.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 04/04/2025, at approximately 1000 hours, I was parked at 300 31st Street along the east curbline when a Hispanic male driving a black Dodge Charger pulled his vehicle next to my patrol car and asked for help. The driver and reporting party told me that a male threw up, "Logan", and pulled out a firearm. The reporting party told me that the suspect, a Hispanic male, was working on a vehicle with a white female. A description of the suspect includes the following: young, thin, Hispanic male wearing a gray shirt. The reporting party stated that the male was near the church located at 31st Street and K Street. The reporting party told me that he would like this to be an anonymous tip if possible.

The reporting party told me that he was going to head home in the area of [REDACTED] I broadcasted the information given by the reporting party over the police radio and asked for police units to assist. Dispatch had asked for a K-9 officer to respond to the incident.

I arrived on scene to the intersection of 31st Street and K Street and did not see anyone who matched the description from the reporting party. I saw the reporting party approach in the Dodge Charger and they told me they last saw him just south on 31st Street from K Street. The reporting party pointed towards a blue Ford Fusion CA [REDACTED] that was parked near the west curbline of 200 31st Street and told me he last saw him in that area.

I approached the blue Ford Fusion from behind the vehicle, parked and exited to contact the driver, later identified as Kevin Gonzalez. Officer Hagen #1148 was also on scene and made contact with the driver. Gonzalez was a young, thin Hispanic male and fit the description from the reporting party. Officers saw a white female, identified as [REDACTED] on the west sidewalk which also matched the reporting parties description.

Officers gave Gonzalez several commands to show us his hands but he would not comply. Gonzalez hid both of his hands from officers and concealed them within the vehicle. Officers backed away from the blue Fusion and took positions of cover.

Officers initiated a high-risk vehicle stop with Gonzalez in the drivers seat. Officers were able to communicate with [REDACTED] who complied with orders and was taken into police custody.

Several officers arrived on scene and we maintained continuous communication with Gonzalez. Officer Arrellanes #7873, who speaks spanish, spoke with Gonzalez in spanish throughout the entirety of the incident. Officer Arrellanes told me that the male wanted to be killed, we would have to kill him and that he had a BB gun. Gonzalez continuously told officers to kill him. Gonzalez would transition from keeping one arm out of the vehicle to concealing both arms in the vehicle but would ultimately not comply with orders to keep both of his hands up.

Throughout the contact with Gonzalez, I noticed several signs and symptoms of him being under the influence of a controlled substance. These symptoms include the following: agitated, rapid speech, quick movements and incoherent statements. Based on his actions, statements to officers and objective symptoms noted above, I believed him to be under the influence of a controlled substance.

At this point officers had not seen Gonzalez with a firearm but he stated he had a BB gun and that we would have to kill him. Due to the statements by the suspect, his non-compliance and the initial report from the reporting party, I decided to call a PRT assist and utilize SWAT resources. I called a PRT assist approximately five minutes into the contact with Gonzalez.

My patrol car and Officer Hagen's patrol car were initially close to the suspect. I facilitated backing our patrol cars away from the suspect to create distance between us and him for officer safety. In addition, I hoped that by backing our cars away from the suspect that tension between us and the suspect would deescalate. I backed my patrol car away from the suspect approximately 5-10 feet. I walked over to the south side contact team and backed their patrol car away from the suspect approximately 15-20 feet.

Approximately 12 minutes into the contact with Gonzalez he told Officer Arrellanes that he wanted to give up. Officer Arrellanes tried to give Gonzalez orders to come out of the vehicle to surrender but he did not comply. Gonzalez told Officer Arrellanes that he didn't want to go to jail and that his daughter was going to be born in a month.

Officer Hagen recognized the suspect from prior contacts and knew he was Kevin Gonzalez [REDACTED]. A records check was conducted and officers were informed that he was on probation for 245(a)(4) PC - assault likely to produce great bodily injury.

I assigned patrol units to look for the reporting party in the area to confirm more details on the initial reporting party statement but officers were unable to locate the reporting party.

PRT Sgt. Thomas arrived on scene and came up with a plan to adjust units and reposition a contact team across the street from the suspect on the east sidewalk of 200 31st Street.

Less lethal options such as K-9, bean bag and pepperball were in place in the event that Gonzalez came out of the vehicle and was non-compliant. Officers maintained communication with Gonzalez but were still unable to get him to come out of the vehicle.

PRT Sgt Thomas came up with a plan to pepperball inside the suspect vehicle. See Sgt Thomas A-9 for details. PRT Officer Fernandez fired pepperball inside the vehicle. I observed Gonzalez conceal his entire body inside the vehicle as Officer Fernandez was deploying pepperball. Shortly after, Gonzalez lifted his upper torso, faced toward officers and pointed a black firearm in the direction of our contact team. I ducked my head down and moved to the left at the moment Gonzalez pointed the firearm in our direction. I made this movement quickly in fear that I was going to get shot by Gonzalez. An officer involved shooting occurred in which several officers who were in front of me fired their duty weapons.

Gonzalez was out of our view after the shooting and was concealed within the vehicle. We came up with a plan to pepperball the inside of the vehicle again and utilize a K-9. Once the K-9 was deployed we had a plan in place to take Gonzalez into custody. I walked up with our contact team, opened the drivers door and saw Gonzalez lying face down with his torso over the center console and his head on top of the front passenger seat. I grabbed onto his rear pants waistline and pulled him out of the vehicle. Officer Hausotter and I placed Gonzalez into handcuffs outside of the vehicle.

Lifesaving measures were performed by officers. Falck paramedic #44 arrived on scene and brought Gonzalez to UCSD hospital. Officer Hayes rode with Gonzalez to the hospital.

I observed a black revolver lying on the center console of the vehicle. I saw gold plated ammunition inside the cylinder of the revolver. The firearm remained untouched and an officer positioned outside of the vehicle until San Diego Sheriff investigators arrived.

I assisted in scene security and preparing the homicide briefing throughout the remainder of the incident.

At approximately 1127 hours, I located the reporting party who was standing inside the front yard of [REDACTED]. I approached him and asked him if he could provide me with his identification and a more detailed statement of what happened with Gonzalez. The reporting party was hesitant to provide me with his identification and a statement due to the fear of living in the area. I told the reporting party that I would contact him via cell phone and obtain a statement.

I went inside a patrol vehicle, activated my body worn camera and called the reporting party. I told the reporting party that I would record the statement. The reporting party said essentially the following:

My brother [REDACTED] and I went up to my car thats parked out front. I noticed an individual kept looking at me and I didn't pay much mind to it. I was waiting for my fiancé to come out of the house. She came out of the house and walked to our other car which was around the corner. I noticed that the person was still staring at us from afar. The way I was parked I had to drive right by him. We drove by him and he threw up "Logan" at me. I put my hand up in a hello manner. I continued driving, looked in my mirror and could see a revolver in his hand. The revolver was held out in the open near his groin area. The revolver was medium sized, black with a gray hammer.

I didn't hear the male say Logan but I believed him to say "Logan" by reading his lips. I have family associated in the area so it's just a sticky situation. I drove to the bank and came back home. On the way back home I saw you and was just trying to give you an anonymous tip that I saw a guy with a gun. That's how I wanted to keep it and didn't want to be involved that much.

This concludes my involvement with the incident.

**INDIVIDUAL/S****REPORT NARRATIVE**

On 04/04/25 at approximately 1012 hours, Central Patrol Officers were flagged down regarding a male in the area of 31st and K Street, who claimed to be gang affiliated with "Logan" and presented a gun to the Reporting Party. Officers arrived on scene and located the male inside a blue vehicle on the East Curbline of 200 31st Street. Central Patrol Officers initiated a High Risk Vehicle stop on the male, who did not comply with commands and refused to come out. A weapon of any sort was not produced by the suspect at the time. Officers continued giving the suspect commands and he did not comply.

At approximately 1035 hours Lincoln 4 called for a PRT Assist. PRT Officers, Berton, Ruiz, Fernandez and Sgt. Thomas responded to the scene. Once on scene, it was determined the suspect was on probation for a previous Assault w/Deadly Weapon. A plan was set in place to contain and call out the suspect. The suspect continued to ignore commands to exit the vehicle and did not comply. A plan was set in place to introduce Pepperball into the vehicle to make the suspect uncomfortable and come out on Officer's terms to prevent potential injury to himself and others. Officer Fernandez placed about 4 rounds of pepperball into the vehicle. After the first two rounds were placed into the vehicle, the suspect quickly leaned over towards the passenger seat and produced a handgun and pointed it directly towards the contact team.

In an effort to prevent injury to officers and civilians in the area, several SDPD Officers discharged their service weapons into the suspects vehicle, striking him several times. A plan was put in place to approach the suspect and render first aid, by utilizing a K9 and several shields. The suspect was taken into custody and life saving measures were administered. The suspect was transported to USCD Medical Center for treatment and pronounced deceased at 1129 hours.
