SUMMARY OF INCIDENT

Briefly summarize any background information, related calls, how we got involved, what we have done, what we have learned from evidence/witnesses. **Please include a brief summary of the statements of all priority witnesses, or statements from the suspect or victim.** The goal of the brief is to ensure that investigators are up to speed and can begin their investigation with all the relevant information.

On 04/15/2026 at approx 1704 hours SDPD Communications received a call of an assualt with a deadly weapon occurring now. The event was Hot Called and dispatched at 17:04:47. First unit was enroute at 17:04:52.

The event stated the following: TWO MALES FIGHTING// ONE TRYING TO STAB THE OTHER ONE WITH AN ICE PICK// M , HMA LONG HAIR BLK SWEATER WITH WHT ON FRONT JEANS RED CHECKERED SHOES//BACKPACK

The victim was seated on the ground on the south sidewalk of 1600 Island Ave, at the southeast corner of 16th STreet and Island Ave. The reporting party was said ther suspect had mounted the victim and making stabbing motions toward the victims neck.

Officer Yand Grijalva #1045 was first to arrive on-scene. Officer Grijalva approached eastbound from 1600 Island Ave and addressed the suspect. Suspect was later identified as Denise Christy GUZMAN [redacted] GUZMAN still had the weapon in her hand and was ignoring Officer Grijalva's orders. GUZMAN moved toward a group of city employees. Officer Grijalva gave GUZMAN orders to drop the weapon.

GUZMAN moved toward the southwest corner of the intersection and began to advance toward Officer Grijalva. Officer Grijalva fired his service weapon approximately 5-6 (7) times. GUZMAN was struck twice but continued to disobey orders. GUZMAN moved back toward the southeast corner near the victim. Sgt Zaldivar arrived onscene and saw GUZMAN holding a red pointed obejct in her hand. GUZMAN had her hand raised above her shoulders as if she was going to stab someone. GUZMAN was advancing toward Officer Grijalva. Believing GUZMAN was going to stab Officer Grijalva, Sgt Zaldivar began to drive his vehicle toward GUZMAN and was going to strike her with his vehicle. As Sgt Zaldivar was within a few feet of Guzman he noticed GUZMAN was holding a red Pen. Sgt Zaldivar stopped his car which caught GUZMANs attention and she backed onto the sidewalk. Officer Isa Arrived and deployed his taser stiking GUZMAN multiple times. GUZMAN continued to stand and finally fell to the ground and drtopped the pen. GUZMAN grabbed the pen and refused to the let it go. Officers approached and took GUZMAN into custody.

Medics 1 transported GUZMAN to UCSD with 2 GSW entry and exit wounds through each breast. GUZMAN truama name is [redacted] Doctor Berdison MD 8316, MRN [redacted] GUZMAN will be admitted overnight for observation. No surgery, Not life threatening. Officer Allender #2110 is with GUZMAN.

EVIDENCE:

BWC, 7 shell casing, 1 projectile, red pen

Brief Statement: Victim was sitting on the south curb line of 1700 Island Avenue along the fence facing north. Suspect approached from an unknown direction. Victim began screaming "I don't know you". Suspect was seen in a mounting like position over the victim making a downward stabbing like motion near the victim's neck area. Suspect

had an unknown object in hand with a possible red handle, possibly an icepick. Police arrived traveling eastbound on Island Avenue toward 16th Street and Island Avenue. Police told the suspect at least 8 to 10 times "put it down". Police had firearm out of the holster while telling bystanders to move. Suspect oriented themselves toward Police with object in hand. Suspect was walking toward Police with object in hand when firearm was discharged an unknown amount of times. An additional unit arrives on scene from the north where the suspect was observed falling onto the ground. Suspect was tased and taken into custody. Suspect was approximately 5 feet away from the officer as the suspect was ingressing towards Police with the unknown object.

How identified: California drivers license

DOB: [redacted] Race: Hi Sex: male Ht: 5'3 Wt: 110

DL: [redacted]

SSN:

Address: [redacted]

Phone: [redacted]

Brief Statement: I was painting and heard a male screamining "she is stabbing me". I looked over and a Hispanic female wearing a black sweater, black pants, and black backpack stabbing the male. She was holding a red object. The male got up and tried to distance himself from the female. My co-worker went to call 911. The male ran over to the sidewalk behind us and the female was in the middle of the intersection. A male police officer arrived on scene and gave commands for the female to drop the weapon. The male officer pulled his gun out. The female refused commands and charged towards the officer.The male officer discharged his firearm. Additonal units responded and the female was tased and later detained.

Brief Statement: We were painting, I looked over and saw a female stabbing a male. I went over to break them up. She was saying "I need his life" over and over again. The female then asked me for a knife. I asked her why. The female said you know what you need to do. The female began to chase the male and he came back behind us. The female tried to run over to us. Male officer arrived on scene and told her to drop what she was holding (red pen). She did not listen to the officers commands and charge at him holding the object. Officer discharged his weapon and additonal units arrived on scene. The female was tased still holding onto the pen and she was taken into custody.

Brief Statement: I was driving northbound on 16th St. I came to a stop at the stop sign located at the intersection of 16th St and Island Ave. As soon as I came to a stop, I saw one of your marked units (Patrol vehicle) come to a stop on eastbound Island Ave at 16th St. The Officer got out of his vehicle with his gun drawn and gave verbal commands to a female subject in the crosswalk on the east side of the intersection of 16th and Island, on Island. It sounded like the Officer was shouting at the female for her to drop something. The female was standing next to a group of city workers. Once the female was alerted by the Officer giving commands, the crew that was working took note of what was going on and split and ran away. The female remained where she was and that is how I was able to figure out who the Officer was giving commands to. By the way the Officer was talking to the female, I was wondering what was going on because the Officer was by himself. I noticed the female had something in her hand, I don't know if it was a knife or some sort of shank pen. It looked red to me and was the size of a pen. I don't know exactly what it was but I knew it was serious because the Officer had his weapon out. The female began walking in a southwest direction, circling towards where I was parked. While she was moving, the Officer continued to give the female commands to drop whatever was in her hand. The Officer stayed where he was and didn't approach the female. The Officer was basically trying to get compliance. I heard the Officer give the female verbal instruction to comply and drop what was in her hand. As soon as the female crossed in front of my vehicle, I got worried because I knew I was in the Officers line of sight. That's when the Officer discharged one round. At the time the first round was discharged, I estimate that the female was approximately six to eight feet away from the Officer. As soon as that round went off, I ducked down and opened the door to my vehicle. I got out of the vehicle and crept to the back the took off running southbound on 16th St and took cover behind a power box. My vision of everything else after that was gone, everything after the first round was discharged was kind of hazy so I can't say if I heard any more shots be fired after that point.

SAN DIEGO REGIONAL
DEPUTY' S REPORT
NARRATIVE

CASE NUMBER					
				26114139	
CODE SECTION AND DESCRIPTION (ONE INCIDENT ONLY)	MONTH	DAY	YEAR	DAY OF WEEK	TIME
SDPD East Village OIS	04	15	2026	Wed	

LOCATION OF INCIDENT	CITY	BEAT
500 16th Street	San Diego	SD
PERSON(S) INVOLVED: VICTIM	SUSPECT (IF NAMED)	

ORIGIN:

On 4/15/26 at about 1900 hours, I responded to an SDPD officer-involved shooting at 500 16th St. in San Diego (CAD E10594107).

DEPUTY'S OBSERVATIONS AND ACTIONS:

I arrived with Detectives Rayyan #4916 and Wettstead #0683 from the North Coastal Sheriff's Station. Detective Mula #0662 requested we canvass for witnesses and video surveillance one block south of the LOI.

I canvassed southbound 16th St. to J St. from 500 16th St. with Detectives Rayyan and Wettstead. We then canvassed eastbound on J St. to 17th St. and westbound on J St. to 15th St. Detective Wettstead recorded the addresses where surveillance cameras were observed (refer to his DR for details).

This concluded my involvement during this investigation.

LOCATION OF INCIDENT	CITY	BEAT
500 16th Street	San Diego	SD
PERSON(S) INVOLVED: VICTIM	SUSPECT (IF NAMED)	
	Denise Christy Guzman	

ORIGIN:

On 4/15/26 at about 1900 hours, I responded to an SDPD officer-involved shooting at 500 16th St. in San Diego (CAD E10594107).

DEPUTY'S OBSERVATIONS AND ACTIONS:

I arrived with Detectives Latonio and Wettstead from the North Coastal Sheriff's Station. Detective Mula #0662 requested that we canvass for witnesses and video surveillance one block south of where the incident took place.

I canvassed southbound 16th St. to J St. from 500 16th St. with Detectives Latonio and Wettstead. We then canvassed eastbound on J St. to 17th St. and westbound on J St. to 15th St. Detective Wettstead recorded the addresses where surveillance cameras were observed (refer to his DR for details).

I knocked on [redacted] J Street. The residents there said they did not hear anything other than what they believed to be gun shots. They did not want to provide their information.

I contacted an unhoused male and female in their tents in the 1600 block of J Street. Both male and female said they only heard loud bangs. They did not hear people talking.

This concluded my involvement during this investigation.

SAN DIEGO REGIONAL
DEPUTY' S REPORT
NARRATIVE

CASE NUMBER					
CODE SECTION AND DESCRIPTION (ONE INCIDENT ONLY) Officer Involved Shooting-SDPD	MONTH 04	DAY 16	YEAR 26	DAY OF WEEK Wed	TIME 1830
LOCATION OF INCIDENT 16th Street and Island Avenue	CITY San Diego			BEAT	
PERSON(S) INVOLVED: VICTIM	SUSPECT (IF NAMED)				

ORIGIN:

On 04/16/26, at approximately 1830 hours, I was dispatched to perform follow up investigation for an officer involved shooting by San Diego Police Department which occurred at the intersection of 16th Street and Island Avenue, in the city of San Diego (E10594106).

DEPUTY'S OBSERVATIONS AND ACTIONS:

I arrived on scene and met with the Homicide Team for an incident briefing and further instructions. I assisted in attempting to locate evidence related to the incident. Multiple casings believed to be involved in the shooting were located within one city block of the location of interest. Additionally, I was tasked with locating surveillance cameras that may have captured the incident.

A camera was located at Wetmore, located at 455 16th Street, which was observed on the west side of the building.

A camera was located at Goodwill, located at 343 16th Street, which was observed in the northwest corner of the building.

A camera was located at Hacienda Townhomes located at 350 17th Street which was observed on the northwest corner of the building. The property after hours phone number was called to potentially obtain video surveillance, but there was no answer during the time of the investigation.

The occupants of [redacted] J Street were contacted. The occupants heard gun shots only but did not observe the incident.

An unhoused black male adult was contacted on the sidewalk near [redacted] J Street. The subject was uncooperative but did spontaneously state he did not witness the incident.

I entered Spire San Diego, located at 1475 Island Avenue. I spoke with the security guard, [redacted] who had already provided his personal identifying information and statement to deputies. Spire is a residential housing building near the location of interest. I observed bullet holes in the glass on the north side of building, near the east end.

ARJIS-9C REV 12/07

FOLLOW UP REPORT

ORIGIN:

On Wednesday, April 15, 2026, at about 1759 hours, I was notified by Sergeant J. Klepach (#0557) of a San Diego Police Department (SDPD) Officer Involved Shooting (OIS) at the intersection of 16th Street and Island Avenue, San Diego. I responded as part of Homicide Team IV, which consisted of Sergeant Klepach, Detective S. Mula (#0662), Detective J. Kuehn (#0081), and myself. Detective Mula was assigned as the primary investigator.

INVESTIGATION

On Wednesday, April 15, 2026, at about 1925 hours, I arrived on scene and met with members of the investigative team and SDPD. At about 2023 hours, SDPD Sergeant J. Zaldivar (#5516) conducted an investigative briefing. The briefing concluded at about 2044 hours. For further details, refer to Detective Mula's report.

Detective Mula assigned Detective Kuehn and I with confirming the city employees who witnessed the incident had already been interviewed by SDPD. The employees were standing just north of the scene. Detective Kuehn and I contacted employees [redacted] (DOB: [redacted] (DOB: [redacted] (DOB: [redacted] (DOB: [redacted] and [redacted] (DOB: [redacted] and [redacted] had already been interviewed by SDPD. [redacted] was their supervisor and responded to the scene after the incident.

On Wednesday, April 15, 2026, at about 2119 hours, Detective Kuehn and I interviewed [redacted] (DOB: [redacted] the registered owner of the black Toyota 4Runner (CA [redacted] that sustained damage during the incident. The interview was audio recorded, and copies were later placed in the case file. During the interview, [redacted] signed a Consent to Search form for the Toyota. I informed [redacted] I would call him when detectives finished processing his vehicle. At about 2125 hours, I left the interview briefly to speak with Detective Mula and I stopped the recording. At about 2127 hours, I started the recording again. For further details on the interview, refer to the audio recording or written statement report. The interview concluded at about 2148 hours.

Person Interviewed:
Name: [redacted]
DOB:

Address: [redacted]
Phone:

Detective Mula assigned me to assist with a line search of the perimeter of the crime scene for additional evidence. On Wednesday, April 15, 2026, at about 2204 hours, the line search began. At about 2235 hours, the line search concluded. For further details, refer to Detective Kuehn's report and Detective Mula's report.

Detective Mula assigned Detective Kuehn, Forensic Evidence Technician (FET) L. Prosser (#6781), and I to photograph the suspect, Denise Guzman (DOB: [redacted] in room #521 at UCSD Medical Center – Hillcrest, located at 200 West Arbor Drive, San Diego. On Wednesday, April 15, 2026, at about 2257 hours, I arrived at the hospital. At about 2306 hours, Detective Kuehn, FET Prosser, and I entered room #521. SDPD Officer M. Allender #2110 was guarding Guzman, who was handcuffed to the bed. FET Prosser took photos of Guzman. The contact with Guzman was audio recorded, and a copy was later placed in the case file. For further details, refer to the audio recording and Detective Kuehn's report. The contact with Guzman concluded at about 2319 hours.

On Wednesday, April 15, 2026, at about 2325 hours, Detective Kuehn and I met with Guzman's nurse, Registered Nurse (RN) S. Panaich. RN Panaich advised Guzman's attending physician was Doctor A. Berndtson. RN Panaich stated Guzman sustained two wounds to her left breast and two wounds to her right breast. Guzman also sustained redness to the front of her neck and abrasions to her elbows, knees, and hands.

On Wednesday, April 15, 2026, at about 2340 hours, Detective Kuehn and I met with Clinical Lab Scientist Specialist J. Reyes at the hospital laboratory. Reyes advised Guzman's admissions blood would be preserved pending a search warrant. At about 2352 hours, I left the hospital.

On Thursday, April 16, 2026, at about 0007 hours, I arrived back at the scene. At about 0100 hours, Detective Mula advised the Toyota 4Runner processing was complete. Detective Mula informed me there was possibly a bullet fragment lodged near the rear driver's side door. At about 0135 hours, [redacted] arrived on scene to pick up his vehicle. [redacted] advised he would be getting the Toyota repaired later in the afternoon. He agreed to provide me with the repair shop's contact information so detectives could request the door panel for evidence when it was removed from the vehicle. At about 0144 hours, [redacted] left the scene in his Toyota. At about 0155 hours, I cleared from the scene.

Reporting Officer:	Det. A. Bert	ID# 4956	MCD - HOMICIDE
Approved By:	Sgt. J. Klepach	ID# 0557	5/7/2026

On Thursday, April 16, 2026, at about 1348 hours, [redacted] notified me he took his Toyota to [redacted] I called the repair shop and spoke with General Manager [redacted] agreed to contact detectives when the door panel was removed so it could be processed for evidence if necessary.

On Thursday, April 16, 2026, at about 1431 hours, Detective Mula and I arrived at SDPD Headquarters, located at 1401 Broadway, San Diego. SDPD detectives provided Guzman's clothing to Detective Mula. For further details, refer to Detective Mula's report.

On Thursday, April 16, 2026, at about 1503 hours, Detective Mula and I met with [redacted] at Public Storage, located at 560 16th Street, San Diego. [redacted] advised SDPD detectives had already obtained the surveillance video from the business. Detective Mula confirmed this information with SDPD detectives.

On Thursday, April 16, 2026, at about 1520 hours, Detective Mula and I arrived at Shift Apartments, located at 1501 Island Avenue, San Diego. Detective Mula and I met with leasing office staff, who advised the surveillance cameras facing the area of the incident were not working.

On Thursday, April 16, 2026, at about 1545 hours, Detective Mula and I arrived at UCSD Medical Center – Hillcrest. At about 1557 hours, Detective Mula and I picked up Guzman's admissions blood from Reyes at the laboratory pursuant to search warrant [redacted] For further details, refer to Detective Mula's report. At about 1605 hours, I cleared from the hospital.

On Monday, April 20, 2026, at about 1605 hours, I called [redacted] advised the Toyota would be repaired later in the week. [redacted] reiterated he would call me when the door panel was removed.

On Monday, April 27, 2026, at about 0854 hours, I spoke with [redacted] stated he did not find any bullet fragments in the door panel or vehicle. He believed the bullet likely ricocheted off the door and did not get lodged in the panel. I updated Detective Mula, who advised I did not need to collect the panel for evidence.

Any further follow-up will be documented in a separate report.

BIER FOLLOW-UP

ORIGIN:

On Wednesday, April 15, 2026, at about 1823 hours, I was notified by Homicide Team IV Sergeant J. Klepach (0557) of a San Diego Police Department (SDPD) Officer Involved Shooting which had occurred at 16th Street and Island Avenue, in the city of San Diego. At the time of the incident, I was assigned to Homicide Team V and was requested to respond to assist Team IV with their investigation.

Detective S. Mula (0662) was assigned as the lead investigator.

INVESTIGATION:

On Wednesday, April 15, 2026, at about 1943 hours, I arrived on scene and met with the other investigators. I attended the briefing, and at the conclusion, Detective Mula assigned me with the processing and interview of Officer Grijalva.

At about 2107 hours, I arrived at the San Diego Police Department's Central Division Station, located at 2501 Imperial Avenue within the City of San Diego.

At about 2130 hours, Forensic Evidence Technician (FET) L. Prosser (6781) began the processing of Officer Grijalva. FET Prosser photographed Officer Grijalva who was wearing the exact uniform worn during the incident, except the body worn camera (BWC) was not attached (Figure 1).

Figure 1

Officer Grijalva unholstered his [redacted] department approved, firearm, a 9MM M&P M2.0 (serial number [redacted] and it was rendered safe. The magazine in the firearm was removed to discover [redacted] unexpended rounds in the inside and one unexpended in the chamber of the firearm (*Figure 2*). On his belt were [redacted] additional magazines which held [redacted] rounds each (*Figures 3 and 4*). Officer Grijalva unholstered his department issued Taser 10 (serial number T19E38073) (*Figure 5*). The Taser's magazine was removed which had 4 expended cartridges and 6 unexpended (*Figure 6*). The expended cartridges had individual serial numbers which were T2550CCNY, T2503VM60, T2503VM91, and T2503VM9D

(*Figure 7*). The battery was removed (serial number X44A62D1C). The processing concluded at about 2152 hours.

Approved By:	Sgt. J. Klepach	ID# 0557	5/15/2026

At about 2224 hours, Detective Young (0491) and I met with Officer Grijalva and his attorney Rico. J. Dominguez, of the San Diego Police Officer Association. Officer Grijalva provided us with a voluntary statement which took place in a conference room at the station. (Refer to Officer Grijalva's Statement report for further).

At about 2322 hours, I cleared from Central Division.

This concluded my involvement in this investigation. Any further involvement will be documented in a separate follow-up report.

SAN DIEGO SHERIFF'S OFFICE
Follow-up Investigative Report

Event: Officer Involved Shooting **Case Number:** 26114139
Victim: Officer Y. Grijalva #1045
Location: 16th Street and Island Avenue, San Diego
Date Occurred: Wednesday April 15, 2026 **Page 1 of 1**

GARCIA FOLLOW-UP

ORIGIN:

On Wednesday, April 15, 2026, at about 1823 hours, I was notified by Homicide Team IV Sergeant J. Klepach (0557) of a San Diego Police Department (SDPD) Officer Involved Shooting which had occurred at 16th Street and Island Avenue, in the city of San Diego. At the time of the incident, I was assigned to Homicide Team V and was requested to respond to assist Team IV with their investigation.

Detective S. Mula (0662) was assigned as the lead investigator.

INVESTIGATION:

On Wednesday, April 15, 2026, at about 1925 hours, I arrived on scene and met with members of the investigative team at the intersection of 16th Street and Island Avenue in the city of San Diego.

On Wednesday, April 15, 2026, at about 2023 hours, I attended an investigative briefing provided by SDPD Sergeant J. Zaldivar (5516) regarding the facts of the incident. I essentially learned that Diana Guzman had been shot by SDPD Officer Y. Grijalva during a radio call of an assault with a deadly weapon at the intersection of 16th Street and Island Avenue. The briefing concluded at about 2044 hours. For additional details regarding the information obtained during the briefing, refer to Detective Mula's Brief and Scene report.

On Wednesday, April 15, 2026, at about 2053 hours, Detective Mula assigned me to assist Detective Bier (0013) and Detective Young (0491) with processing and interviewing Officer Grijalva at SDPD's Central Division.

On Wednesday, April 15, 2026, at about 2111 hours, I arrived at SDPD's Central Division office. Upon arrival, it was determined Detective Bier and Detective Young would process Officer Grijalva and then conduct an interview with him regarding the incident. Refer to their reports for further information.

On Wednesday, April 15, 2026, at about 2321 hours, I cleared from Central Division.

This concluded my involvement in this investigation. If additional follow-up is needed, it will be documented in a supplemental report.

KUEHN FOLLOW-UP

ORIGIN:

On April 15, 2026, at approximately 1759 hours, Homicide Sergeant Klepach #0557 notified me of a San Diego Police Department (SDPD) Officer Involved Shooting (OIS) incident at the intersection of 16th Street and Island Avenue in San Diego. I was requested to respond to assist with the investigation as part of Homicide Team IV.

Detective Mula #0662 was assigned as the lead investigator.

INVESTIGATION

On April 15, 2026, at approximately 1934 hours, I responded to the above listed location and parked my department issued vehicle just south of the intersection, on 16th Street.

On April 15, 2026, at approximately 2023 hours, SDPD Sergeant Zaldivar #5516 provided an investigative brief. Refer to Detective Mula's report for additional details regarding the briefing information.

On April 15, 2026, at approximately 2044 hours, the brief concluded. Detective Mula tasked Detective Bert #4956 and me with ensuring the city employees who witnessed the incident had been interviewed. The city employees were standing by the scene. Detective Bert and I contacted each employee and confirmed they provided statements and contact information. Refer to Detective Bert's report for their names and contact information.

On April 15, 2026, at approximately 2119 hours, Detective Bert and I interviewed the registered owner of a Toyota 4Runner CA LP [redacted] that sustained damage during the incident. The registered owner identified himself as [redacted] (DOB [redacted] During the interview, [redacted] signed a consent authorization form, authorizing that his vehicle may be searched for evidence related to the investigation. Detective Bert collected the signed form. The interview with [redacted] was audio recorded. Refer to the statement report and audio recording for additional information.

On April 15, 2026, at approximately 2148 hours, the interview with [redacted] concluded. Detective Mula then assigned Detective Bert and me with conducting a line search of the perimeter of the crime scene, to search for additional items of evidence, specifically projectiles or property damage as a result of the shooting.

On April 15, 2026, at approximately 2200 hours, the following investigative personnel assisted with the line search;

Detective Odell #1061
Detective Latonio #0167
Detective Seivers #3362
Detective Cornwell #0465
Detective Wettstead #0683
Detective Babcock #0237
Detective Rayyan #4916
Detective Bert #4956

The location of any items of evidence was relayed to Detective Mula. Refer to Detective Mula's brief and scene report for additional information on the location and evidence items seized.

On April 15, 2026, at approximately 2235 hours, the line search concluded.

On April 15, 2026, at approximately 2241 hours, Detective Bert and I went to UCSD Hillcrest Medical Center, located at 200 W Arbor Drive in San Diego.

On April 15, 2026, at approximately 2257 hours, Detective Bert and I arrived at UCSD Hillcrest Medical Center. Forensic Evidence Technician (FET) Prosser #6781 was standing by for our arrival.

On April 15, 2026, at approximately 2306 hours, we arrived at room 521, which was assigned to Denise Guzman. Guarding Guzman was Officer Allender #2110 from SDPD. Officer Allender informed me that Guzman's identity was confirmed by comparing her appearance to a prior booking photograph. I also learned that Guzman was on probation. Officer Allender also advised that Guzman's wounds were bandaged, but she obtained photographs of them prior to being treated. Detective Bert provided Officer Allender his e-mail address so she could forward the photographs.

After speaking with Officer Allender, FET Prosser documented Guzman's current state by taking several forensic photographs of her. I attempted to speak with Guzman, but her responses were extremely delayed and some of her responses were incomprehensible. I elected to not conduct formal interview of her at the time. Additionally, I learned that SDPD intended on interviewing Guzman regarding the stabbing incident.

While FET Prosser obtained photographs of Guzman, I noted she had abrasions to both hands and a bandage covering the lower part of her chest. Due to Guzman's unpredictable and previously violent behavior, I did not request for her bandages to be removed. Refer to the below photographs.

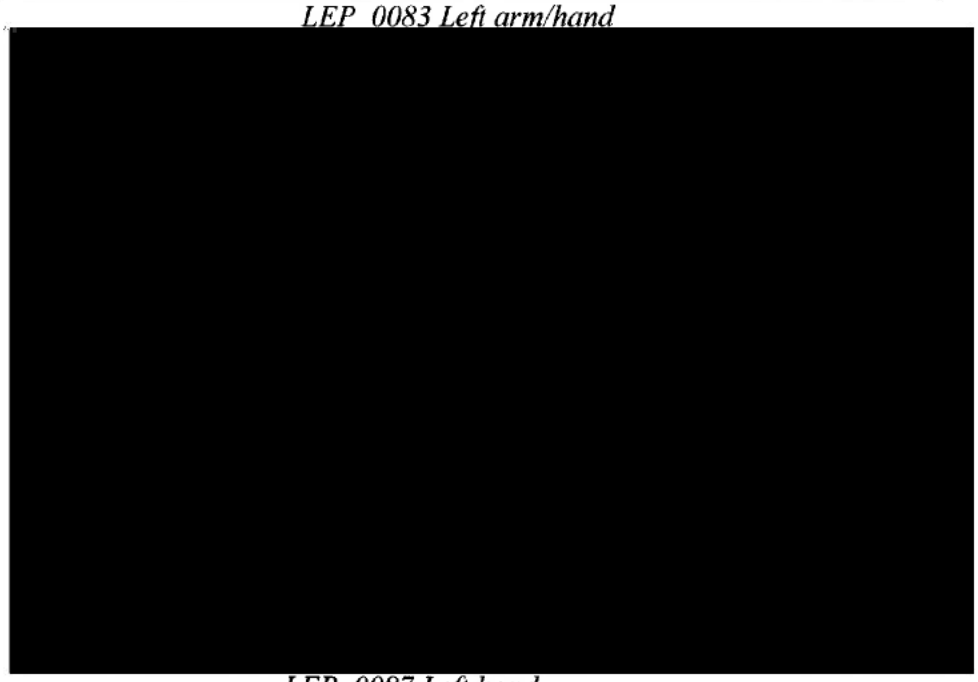

LEP_0066 – overall photograph of Guzman

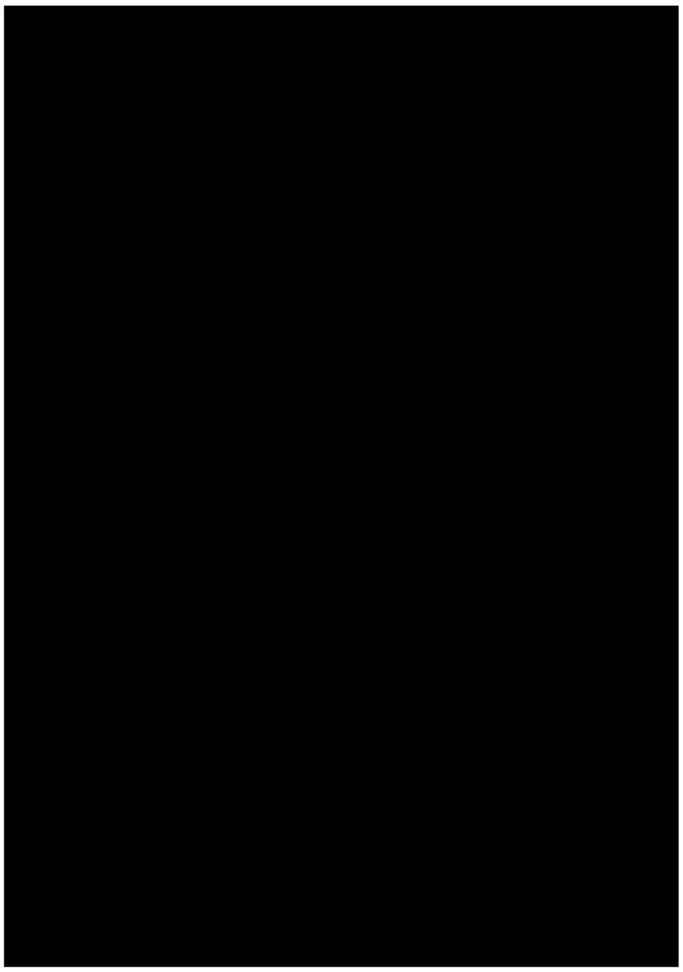

LEP_0074 bandaged chest

LEP_0083 Left arm/hand

LEP_0087 Left hand

LEP_0077 Right hand

LEP_0089 Right hand

On April 15, 2026, at approximately 2319 hours, our interaction with Guzman concluded and we left her hospital room. Upon exiting the room, I noted SDPD Detectives had arrived to interview Guzman. We agreed that we (Sheriff's Office) would collect Guzman's admissions blood pursuant to a search warrant.

On April 15, 2026, at approximately 2329 hours, Detective Bert and I spoke with Guzman's registered nurse (RN) who verbally identified herself as Sarbjeet Panaich. RN Panaich informed us that Guzman refused all medications, including pain medications. She described Guzman as having a "flat affect" and talking to herself. RN Panaich also said Guzman had abrasions to her knees, hands, and elbows, as well as redness her to her upper chest. RN Panaich explained the bandage on Guzman's right wrist was to protect her skin from the handcuff.

A separate nurse escorted us to the lab of UCSD Hospital where we learned that admissions blood was kept for approximately seven days. We requested that Guzman's blood be marked to retention, pending a search warrant.

On April 15, 2026, at approximately 2354 hours, I left UCSD Hospital to return to the scene.

On April 16, 2026, at approximately 0007 hours, I arrived back at the scene. I initiated authoring a search warrant for Guzman's admissions blood until the scene processing was complete. Once the processing and evidence collection was complete, I assisted in removing the crime scene tape.

On April 16, 2026, at approximately 0155 hours, my involvement at the scene concluded.

On April 16, 2026, at approximately 1052 hours, search warrant [redacted] was signed by Honorable Frederick Maguire. The warrant requested to obtain Guzman's clothing and admissions blood from UCSD Hospital. I forwarded the warrant to Detective Mula.

On April 20, 2026, Detective Mula informed me he collected Guzman's admissions blood and her clothing. I submitted the receipt and inventory for the warrant.

This concluded my involvement in the investigation at this time. Any additional follow-up will be documented in a separate investigate report.

ORIGIN:

On Wednesday April 15, 2026, I was assigned to the San Diego Sheriff's Office (SDSO) Homicide Team IV. At about 1759 hours, Sergeant J. Klepach #0557 notified me of a San Diego Police Department (SDPD) Officer Involved Shooting (OIS) near the intersection of 16th Street and Island Avenue in San Diego. At the time, there was a Memorandum of Agreement (MOU) in place in which SDSO would investigate an SDPD OIS which subsequently prompted the response from Sheriff's Office personnel. I was assigned as the lead detective for the OIS.

INVESTIGATION

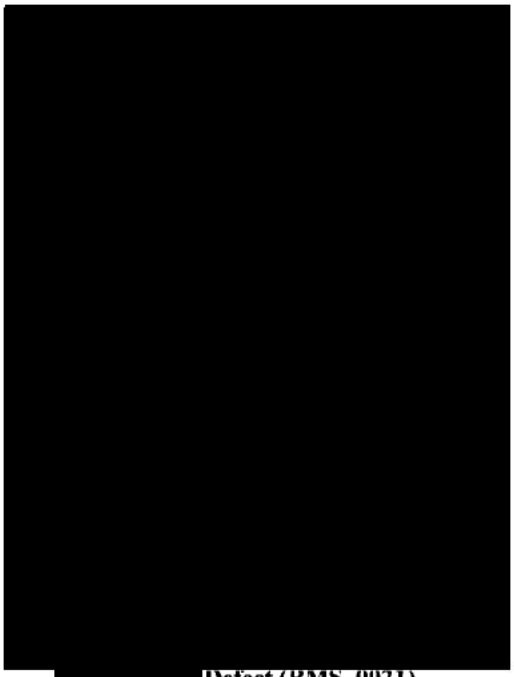

On Wednesday April 15, 2026, at about 1924 hours, I arrived and met with members of the investigative team including Sheriff's Crime Lab personnel. At about 2023 hours, I attended a briefing provided by SDPD Sergeant J. Zaldivar #5516. During the briefing, I learned the suspect, Denise Guzman (DOB: [redacted] had been transported to University of California at San Diego (UCSD)-Hillcrest hospital for treatment. The victim, [redacted] (DOB: [redacted] was waiting near the scene. The involved SDPD Officer, Y. Grijalva #1045, was at the SDPD Central Division for processing. There were several witnesses at the scene that had been previously interviewed by SDPD personnel. A red ink pen was believed to be used by the suspect during the assault. Several Conducted Electrical Weapons (CEW) were deployed by the responding officers during the incident. The briefing concluded at about 2044 hours. For additional information refer to the SDPD major crime scene briefing script. For a list of individuals present at the briefing refer to the briefing roster.

Following the briefing, I assigned Detective A. Bert # 4956 and Detective J. Kuehn #0081 to verify several witnesses at the scene had in fact been interviewed. I later assigned them to process and attempt to interview Denise Guzman at the hospital. Refer to their follow-up reports for additional information. I assigned Detective E. Garcia #0023, Detective N. Bier #0013, and Detective J. Young #0491 to process and attempt to interview SDPD Officer Grijalva. Refer to their respective follow-up reports for additional information. I assigned various area detectives to canvass the area for video surveillance and witnesses. Refer to their follow-up reports for additional information.

I spoke with SDPD personnel, and it was determined that Sheriff's Office personnel would search and process the scene as well as process and attempt to interview SDPD Officer Grijalva. SDPD Detective I. Rosas #7270 was assigned as the lead detective concerning the arrest of the suspect, Denise Guzman. I was later provided with a thumb drive

containing the SDPD reports, Body Worn Camera (BWC), 911 calls, Computer Automated Dispatch (CAD), and other associated media concerning their investigation. I placed the contents of the thumb drive into the Sheriff's digital case file. Refer to the SDPD reports and media for additional information concerning the initial response and subsequent investigation by SDPD personnel.

On Wednesday April 15, 2026, at about 2133 hours, I met with Forensic Evidence Technician (FET) B. Silverthorn #7420 to take photographs of [redacted] was sleeping on the sidewalk on the east curbline of 16th Street south of Island Avenue. [redacted] stated he did not have any injuries he wanted documented. [redacted] had a defect to his nose that appeared to have blood on it. [redacted] stated the apparent injury was from picking at his nose and not as a result of the incident. A photograph of the defect is shown below. [redacted] had been previously interviewed by SDPD personnel. FET Silverthorn took photographs of [redacted] wearing the clothing he stated he was wearing at the time of the incident. Our interaction with [redacted] ended at about 2139 hours. Refer to the photographs for additional information.

[redacted] Defect (BMS_0021)

On Wednesday April 15, 2026, at about 2141 hours, FET Silverthorn, Criminalist C. Chang #4827, and I began to process the scene. Refer to the scene report and Crime Lab reports

for additional information about the evidence located at the scene. The search of the scene ended at about 0128 hours on April 16, 2026.

On Thursday April 16, 2026, at about 1431 hours, Detective Bert and I met with SDPD Detective Rosas at the SDPD Headquarters located at 1401 Broadway in San Diego. Detective Rosas gave me a bag containing Denise Guzman's clothing previously collected from UCSD hospital where she was being treated. I later provided the clothing to FET Silverthorn to be booked as evidence.

On Thursday April 16, 2026, at about 1503 hours, Detective Bert and I went to the Public Storage located at 560 16th Street in San Diego to inquire about video surveillance. The business appeared to have several exterior video surveillance cameras facing the intersection where the incident occurred. We met with [redacted] who advised SDPD detectives were in the process of collecting the video surveillance. I contacted SDPD Detective Rosas who confirmed they were in the process of collecting the video surveillance and would provide a copy of the video surveillance later once it was obtained. I reviewed the video surveillance live view footage and coverage areas, and it did not appear any of the video surveillance cameras had a view of the incident location.

On Thursday April 16, 2026, at about 1520 hours, Detective Bert and I went to the Shift Apartments located at 1501 Island Avenue in San Diego. We met with leasing office staff who stated the surveillance cameras facing the incident location were not working.

On Thursday April 16, 2026, at about 1545 hours, Detective Bert and I arrived at UCSD Hospital-Hillcrest. We met with laboratory staff and collected Denise Guzman's admissions blood. There was a search warrant [redacted] to collect the items. I later booked the items into the Sheriff's Property and Evidence Unit and requested the Crime Lab test the items for the presence of alcohol and drugs. Refer to the Crime Lab reports for additional information and results.

On Monday May 4, 2026, San Diego District Attorney Investigator (DAI) M. Brazil contacted me and stated she obtained a search warrant [redacted] PSW) for the Intelligent Street Light (ISL) cameras at the intersection of the scene. The cameras were later provided to CATCH for processing. DAI Brazil agreed to provide copies of the video surveillance once it was to be available. Refer to DAI Brazil's report for additional information.

Any further follow-up will be documented in a separate report.

YOUNG FOLLOW-UP

ORIGIN:

On Wednesday, April 15, 2026, at about 1823 hours, I was notified by Homicide Team IV Sergeant J. Klepach (0557) of a San Diego Police Department (SDPD) Officer Involved Shooting which had occurred at 16th Street and Island Avenue, in the city of San Diego. At the time of the incident, I was assigned to Homicide Team V and was requested to respond to assist Team IV with their investigation.

Detective S. Mula (0662) was assigned as the lead investigator.

INVESTIGATION:

On Wednesday, April 15, 2026, at about 2110 hours, I arrived at the San Diego Police Department's Central Division Station. I met with Detective Garcia (0023) who informed me Detective Mula assigned Detective Bier (0013) and myself with processing and interviewing Officer Yand Grijalva at SDPD's Central Division.

On Wednesday, April 15, 2026, about 2130 hours Forensic Evidence Technician L. Prosser (6781) began the processing of Officer Grijalva. The processing concluded at about 2152 hours (Refer to Officer Grijalva's Processing Report for further.)

On Wednesday, April 15, 2026, at about 2224 hours, Detective Bier and I met with Officer Grijalva and San Diego Police Officer Association Attorney Rico J. Dominguez in a private conference room at the Central Division. Officer Grijalva provided us with a voluntary statement (Refer to Officer Grijalva's Statement report for further).

On Wednesday, April 15, 2026, at about 2321 hours, I cleared from Central Division.

This concluded my involvement in this investigation. If additional follow-up is needed, it will be documented in a supplemental report.

Signature of Officer Executing Search Warrant

[redacted]

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA,

COUNTY OF SAN DIEGO

SEARCH WARRANT

No. [redacted]

[redacted]

SCENE REPORT

ORIGIN:

On Wednesday April 15, 2026, I was assigned to the San Diego Sheriff's Office (SDSO) Homicide Team IV. At about 1759 hours, Sergeant J. Klepach #0557 notified me of a San Diego Police Department (SDPD) Officer Involved Shooting (OIS) at the intersection of 16th Street and Island Avenue in San Diego. This report documents the scene processing. Refer to the follow-up reports for additional information.

INVESTIGATION

On Wednesday April 15, 2026, at about 2141 hours, I met with Sheriff's Crime Lab Criminalist C. Chang #4827 and Forensic Evidence Technician (FET) B. Silverthorn #7420 who were present to document the scene and collect evidence. The scene was secured by yellow crime scene tape with SDPD officers positioned around the exterior of the crime scene tape to preserve evidence.

There were exterior video surveillance cameras affixed to the Public Storage located at 560 16th Street in San Diego. There was an Intelligent Street Light (ISL) camera affixed to the traffic light pole at the northeast corner of the intersection. There was exterior video surveillance located at the Shift Apartments located at 1501 Island Avenue in San Diego that were not functioning at the time. Refer to my follow-up report for a summary of the video surveillance identification and collection.

A general overview of the scene is shown below. The OIS appeared to have occurred in the southwest area of the intersection identified by the red circle below. The suspect, Denise Guzman (DOB: [redacted] appeared to be arrested on Island Avenue east of 16th Street in the yellow rectangle below.

Scene Overview

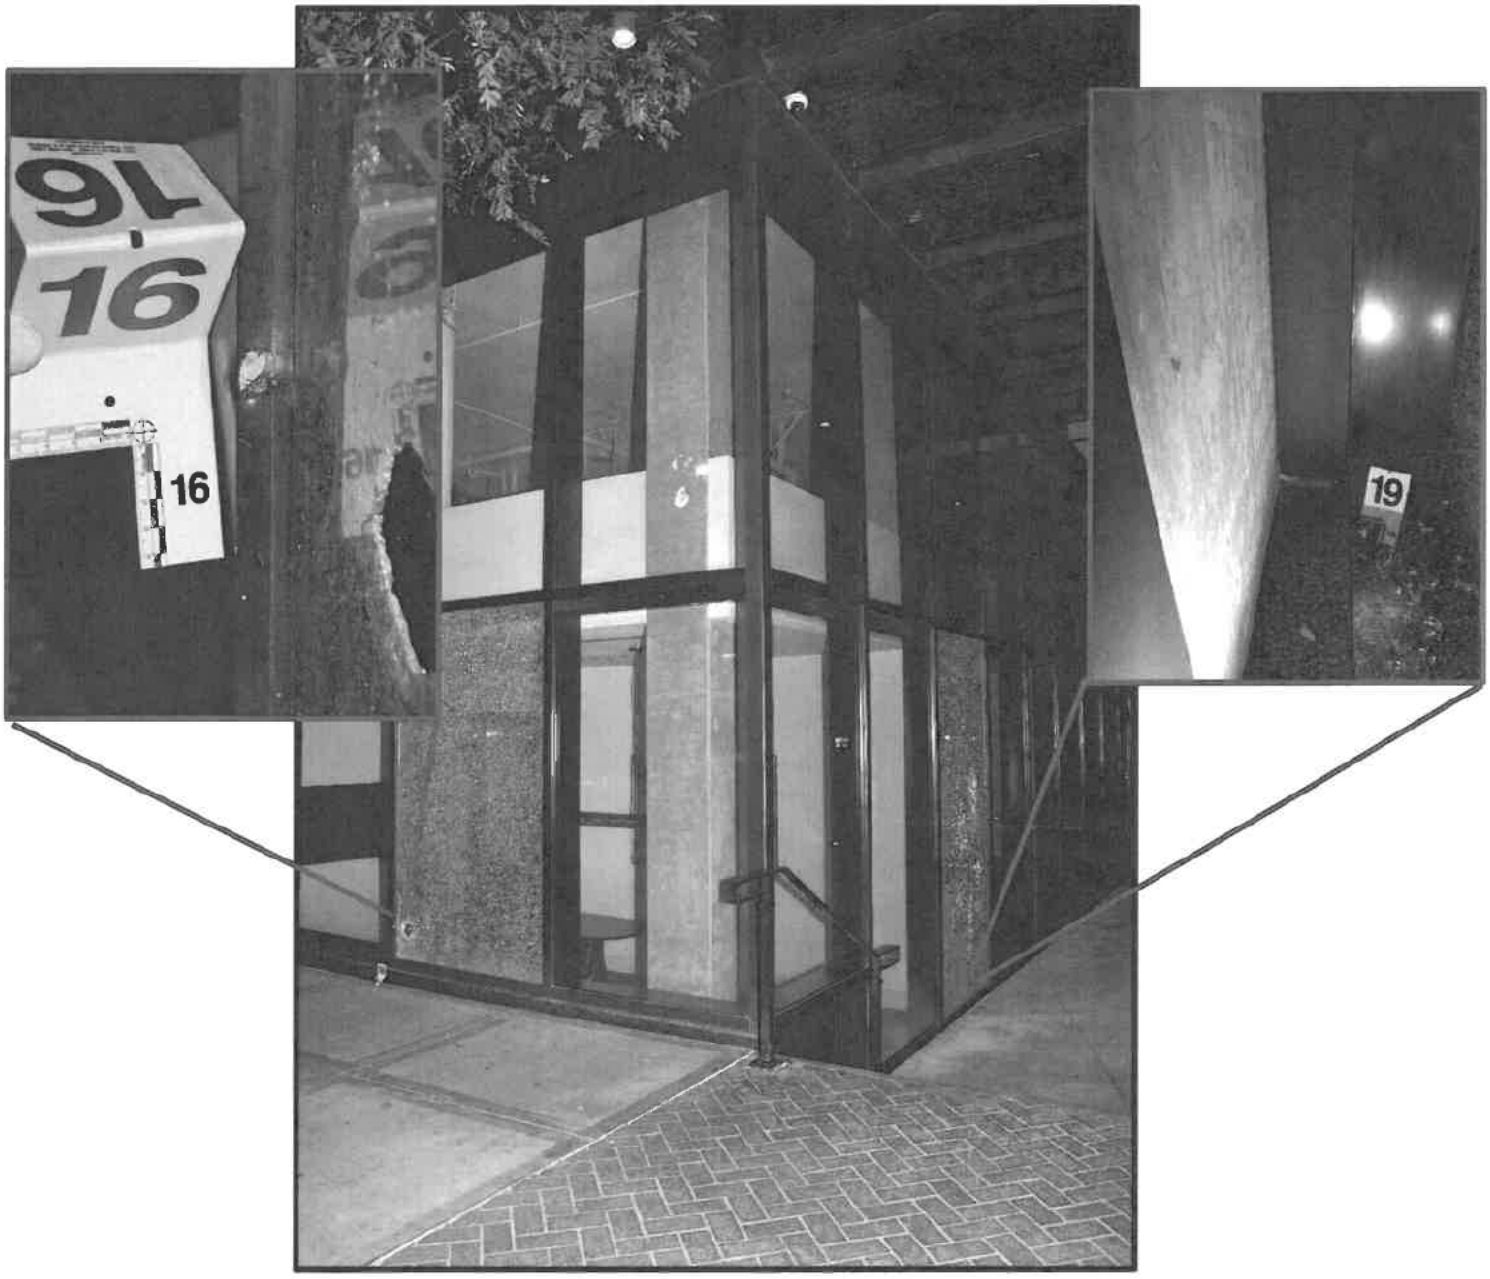

In the southwest area of the intersection were seven cartridge cases which are shown below and marked with yellow evidence placards. The cartridge cases were 9-millimeter and had identical "F C 9MM LUGER" headstamps matching that of SDPD Officer Y. Grijalva's

#1045 firearm. Refer to Detective N. Bier's #0013 follow-up report for additional information about Officer Grijalva's processing.

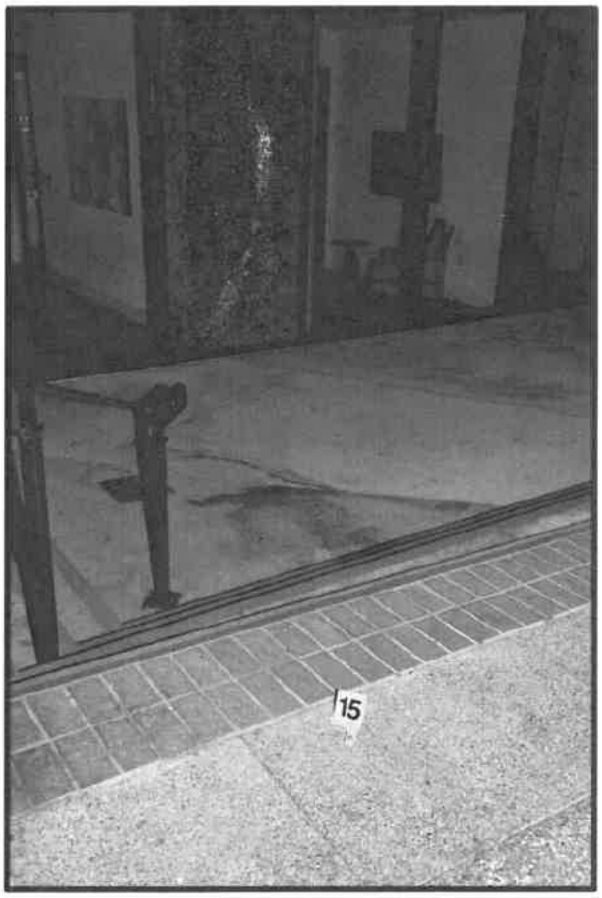

Cartridge Cases (BMS_0136)

There was damage to two exterior windows of the Shift Apartments shown below. There were fired bullets located near the damaged windows as shown below. The bullet on the right-hand side below was recovered from inside the Shift Apartments. Shift Apartment staff had consented to a search of the property for the evidence items.

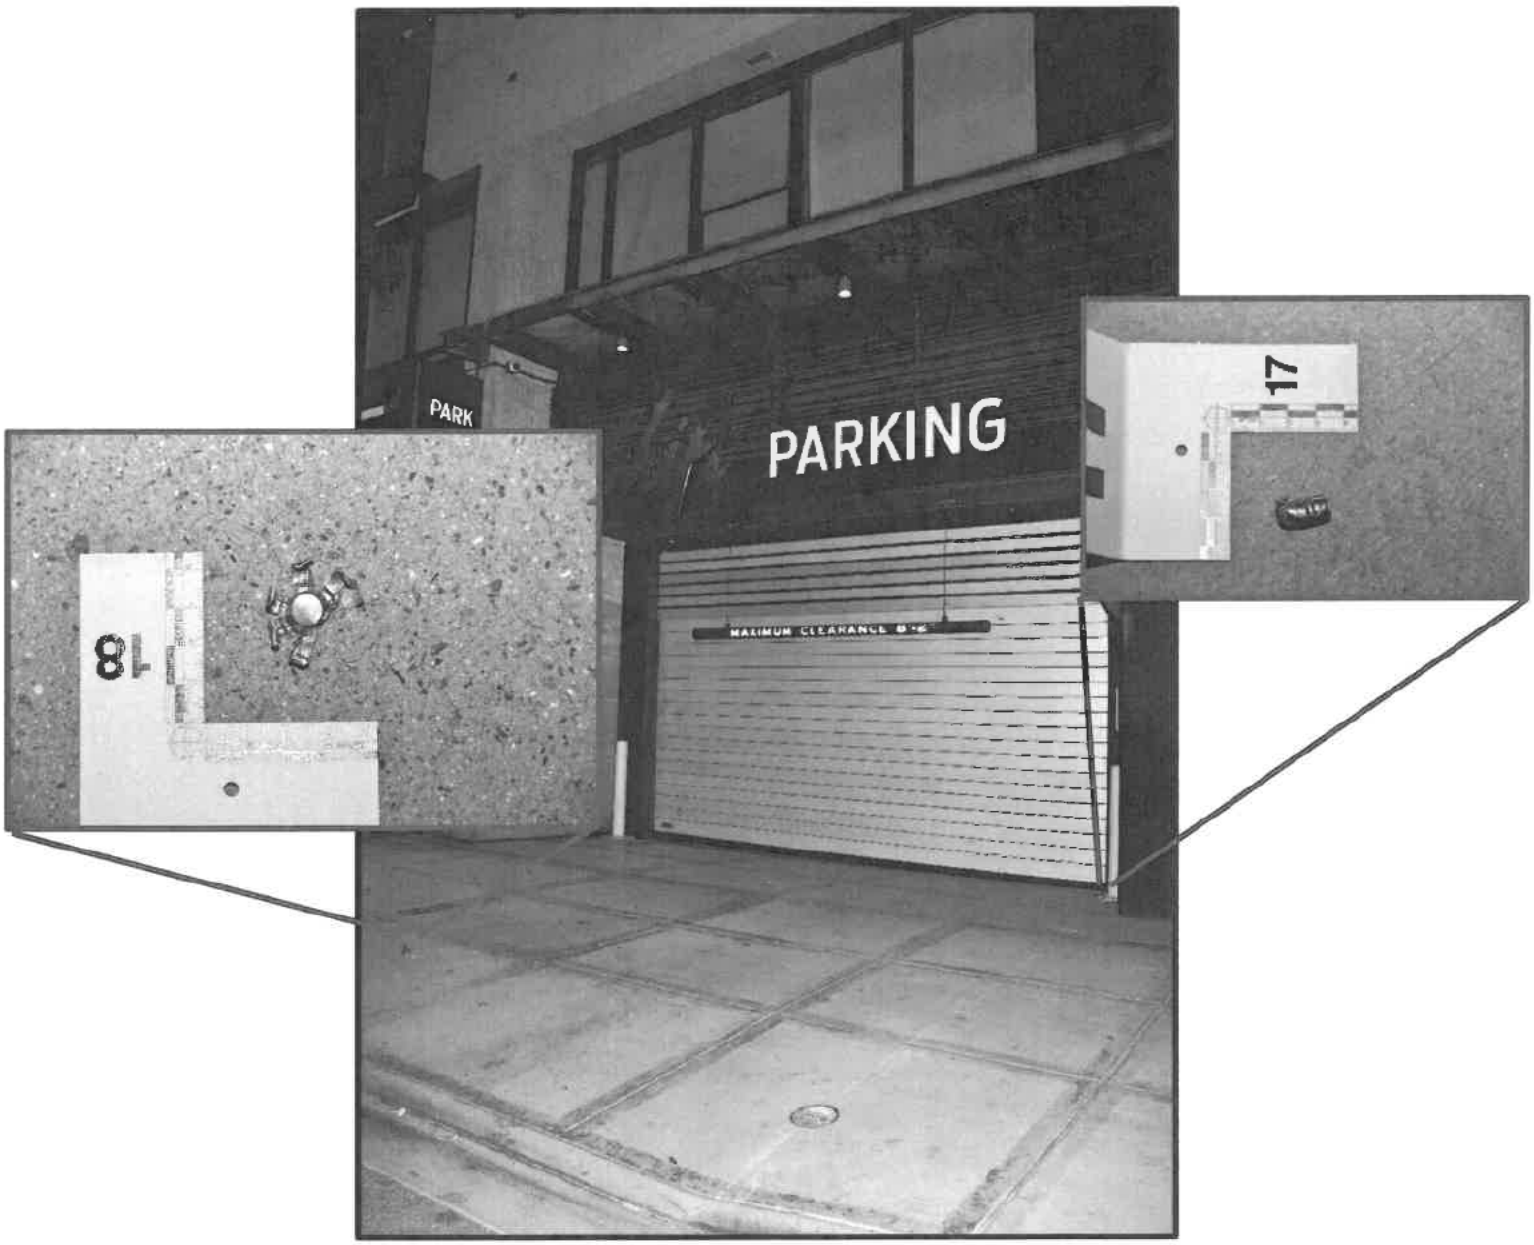

Window Defects (BMS_0216)

There was an apparent copper jacket fragment located on the sidewalk near the previously described window damage and recovered fired bullets.

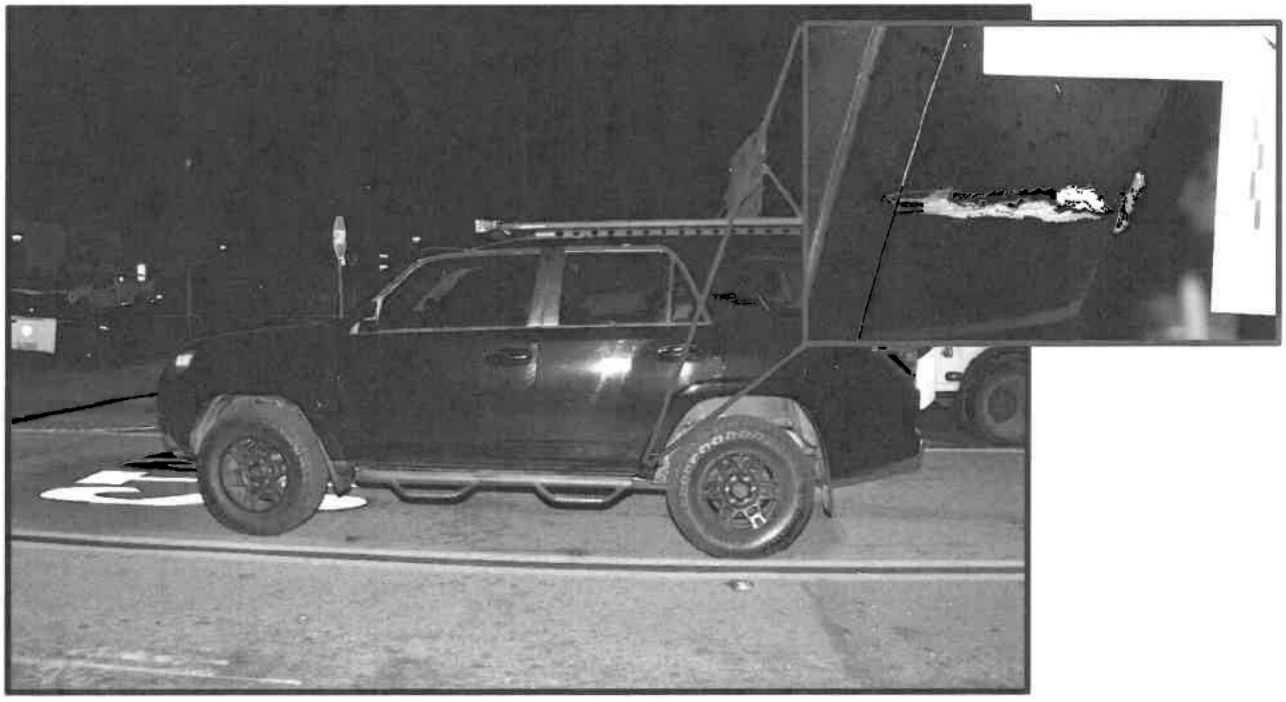

Copper Jacket Fragment (BMS_0215)

There were two fired bullets located on the sidewalk of 16th street near the entrance/exit to the Shift Apartments parking garage shown below.

Fired Bullets (BMS_0225)

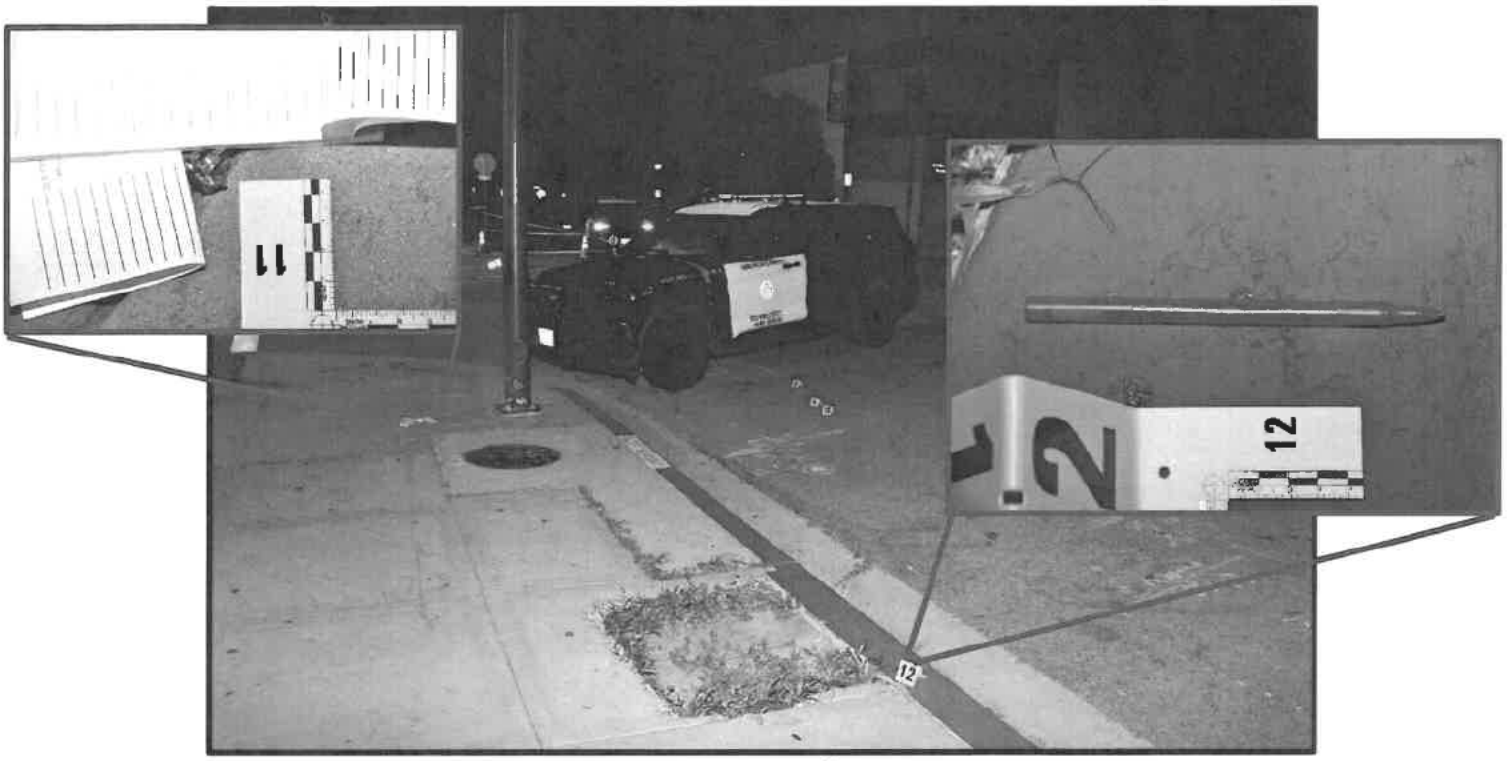

There was a Toyota 4-Runner with a California license plate [redacted] vehicle parked on 16th Street south of Island Avenue and shown below. There appeared to be a defect to the driver's side rear door area as shown below which was processed by Criminalist Chang. The registered owner, [redacted] (DOB: [redacted] was interviewed by detectives. Refer to his statement report for additional information.

Vehicle Defect (BMS_0063)

The general location shown below, in the southeast corner of the intersection, is where Denise Guzman was arrested. The second photograph is taken from the opposite position of the first photograph. A summary of the evidence placard numbers, and description is below.

- Placard 8 – Conducted Electrical Weapon (CEW) Probe + Wire
- Placard 9 – Red Pen Cap
- Placard 10 – CEW Probe + Wire
- Placard 11 – Fired Bullet
- Placard 12 – Red Pen

Evidence Items (BMS_0199)

Evidence Items (BMS_0169)

Further east on Island Avenue was what appeared to be additional CEW wiring. The general location is identified by the red arrow in the photograph below.

Wire (BMS_0180)

The described evidence items were marked, and Criminalist Chang documented the scene using a FARO device prior to collection. The evidence items were later collected and booked into the Sheriff's Property and Evidence Unit. Refer to the Sheriff's Crime Lab reports for additional or specific information.

The scene processing was completed at about 0128 hours on April 16, 2026. Refer to the follow-up reports for additional information.

STATEMENT OF OFFICER GRIJALVA

ORIGIN:

On Wednesday, April 15, 2026, at about 2224 hours, Detective Bier and I interviewed Officer Yand Grijalva #1045 at the San Diego Police Department Central Division. We met with Officer Grijalva in a private conference room. Officer Grijalva was accompanied by San Diego Police Officer Association Attorney Rico J. Dominguez who was present for the interview. The interview was voluntary and concluded at about 2257 hours. Our interview was audio recorded. I later placed a copy of the audio recording into the electronic case file. The following is a summary of Officer Grijalva's paraphrased statement. Refer to the audio recording for exact or specific statements.

PERSON INTERVIEWED:

Name: Yand Grijalva
ARJIS: 1045
Work Phone: 619-744-9500
Assignment: Central Division Patrol

STATEMENT OF OFFICER GRIJALVA:

Officer Grijalva is [redacted] years old. [redacted] Officer Grijalva is about 6' 2" tall and 245 pounds. Officer Grijalva is right-handed. Officer Grijalva had slept the day before the incident for about six hours. Officer Grijalva had no prior injuries which may have affected the way the incident was handled and was not injured during the incident. [redacted]

[redacted] The shift on Wednesday April 15, 2026, was an overtime shift. Officer Grijalva was not working his normal area of patrol during this shift. Officer Grijalva has been employed by the San Diego Police Department since November of 2019. He attended the 122nd San

Klepach, Jacob
Digitally signed by Klepach, Jacob
Date: 2026.05.05 13:06:26 -07'00'

Diego Regional Law Enforcement Academy. Since being hired, Officer Grijalva has been assigned to patrol. Officer Grijalva had no previous law enforcement experience. He does previous military experience in the United States Army National Guard. Officer Grijalva does have additional medical training from the United States Army National Guard in combat medical treatment. The day of the incident Officer Grijalva reported to work at about 1400 hours, his call sign was 527V2 and was assigned to patrol the Downtown area west of Balboa Park and east of Pacific Highway. Officer Grijalva was driving in a SDPD marked patrol vehicle, vehicle number 7772. The marked patrol vehicle was black and white, SDPD stickers on both sides of the vehicle with overhead lights. Officer Grijalva was the sole occupant of the patrol vehicle.

The firearm collected during the evidence processing of Officer Grijalva on Wednesday, April 15, 2026, was the firearm used in this incident. The firearm was property of the San Diego Police Department. Officer Grijalva did not use any additional firearms during this incident. The firearm was a Smith and Wesson M&P 2.0 9mm pistol. Officer Grijalva loaded his firearm with a total of [redacted] cartridges. The firearm had one chambered cartridge, and the magazine contained [redacted] cartridges. The ammunition was department issued. Officer Grijalva qualified with his firearm. Officer Grijalva last checked his firearm at the beginning of his shift. Officer Grijalva maintained possession of the firearm and did not manipulate it from the time of the incident until it was collected.

The clothing Officer Grijalva was wearing during the photographs taken of him while being processed are the same he was wearing during the incident. Officer Grijalva described his clothing as consisting of blue cargo pants, blue uniform undershirt, and an outer exterior vest. The uniform was a standard blue uniform with San Diego Police Department insignias on the left and right shoulders, a badge and "POLICE" patches on the front and back. [redacted]

During the incident Officer Grijalva had a flashlight, TASER and OC spray with him at the time of the incident. Officer Grijalva used his TASER one time during the incident. Officer Grijalva believed he fired three probes. Prior to Officer Grijalva's shift he completed a test of his TASER. Officer Grijalva believed the last time he qualified with his TASER was when it was issued to him within the past year. Officer Grijalva did not have any specialty munitions with him during the incident. Officer Grijalva did not have an AR-15 rifle or lethal shotgun with him.

Officer Grijalva was issued a body worn camera which was activated before the incident. Officer Grijalva was able to review his body worn camera prior to the interview. Officer Grijalva is issued a department cell phone but did not use it during the incident. Officer

Grijalva had a personal cell phone with him and did not utilize it during the incident. Following the incident, Officer Grijalva utilized his personal cell phone to contact his wellness officer [redacted]

Earlier today, Officer Grijalva was available for radio calls and received a radio call of an Assault with a Deadly Weapon, "Hot Call," at the intersection of 16th St. and Island Ave. The radio call described a male subject described as a Hispanic male adult with long hair, wearing a sweater with unknown color pants. Additionally, the radio described the subject as being armed with an ice pick.

Officer Grijalva was a few blocks away when he received the radio call. Officer Grijalva turned onto Island Ave. and notified dispatch he had arrived on scene. As Officer Grijalva drove into the intersection, about one block away from where the incident occurred, he was flagged down by construction workers who were pointing at an individual. When Officer Grijalva drove into the area, he saw the subject the workers were pointing at, and observed they matched the description of the subject in the radio call. As Officer Grijalva approached, he additionally noticed the victim appeared to be described as he was in the radio call. It was later determined the subject was a female and not a male. The subject was running after the victim as Officer Grijalva arrived. Officer Grijalva believed the subject was about five feet from the victim. The victim was back pedaling away from the subject as she was running towards him.

Officer Grijalva immediately noticed the subject was holding an item in her right hand. Officer Grijalva demonstrated the subject's action by holding a pen at his side, with the tip of the pen exposed, and his arm fully extended.

Officer Grijalva could not see what the weapon was exactly, but saw it was a sharp object. From the radio call Officer Grijalva understood the subject to be armed with an ice pick and the item in their hand to match that of an ice pick. Officer Grijalva turned on his overhead lights, exited his vehicle, identified himself as a police officer, and pointed his firearm at the subject. Officer Grijalva gave the subject multiple commands to drop the ice pick. Officer Grijalva believed he provided the subject with at least three commands to stop and drop the ice pick. Officer Grijalva believed the subject heard him and described her as completely disregarding his commands and ignoring his presence. Officer Grijalva believed the subject did not care about his presence or having a firearm pointed at her. Officer Grijalva believed the subject was solely focused on stabbing the victim and believed the victim's life was in imminent danger.

Officer Grijalva noticed there were people standing behind the subject and instructed them to move. Once the subjects moved, Officer Grijalva continued to give the subject numerous commands to drop the weapon. Additionally, Officer Grijalva informed the subject if she did not drop the weapon she would be shot. The victim began to walk away from the subject and the subject began to run after the victim. Officer Grijalva again ordered the subject to stop and drop the weapon. The subject continued to run after the victim. Officer Grijalva believed if the subject was able to get closer to the victim, she would stab him. Fearing for the victim's life, Officer Grijalva fired his firearm at the subject. Officer Grijalva believed he fired six or seven times.

The subject stopped chasing after the victim and turned towards Officer Grijalva. The subject held onto the weapon and was standing after being shot. Because of this, Officer Grijalva believed the subject to still be a threat. However, Officer Grijalva no longer felt there was an imminent threat to the victim's life requiring him to discharge additional rounds.

The subject started stepping towards Officer Grijalva while he continued to give her commands. The subject continued to be uncompliant and ignored the commands. Officer Grijalva notified his communications center he had one subject at gunpoint who was non-compliant, and shots had been fired.

Officer Grijalva continued to back away from the subject as she was approaching him. Officer Grijalva attempted to maintain a reactionary gap between himself and the subject. Officer Grijalva described a "reactionary gap" as maintain a safe distance to allow for officers to react properly to a threat. Officer Grijalva learned in the law enforcement academy the safe distance is about 21 feet. Officer Grijalva described himself to be about 15 to 20 feet from the subject throughout the incident. When Officer Grijalva arrived on scene, he described the subject as being about five feet away from the victim. The victim was backpedaling away from the subject who was running forwards toward him. Officer Grijalva believed the subject was capable of catching the victim based upon these factors and believed if the subject reached the victim, she would stab him.

As another officer arrived, the subject looked at the approaching officer and raised the weapon above her head in a position to puncture something. As the subject had the weapon raised, he noticed the weapon was not an ice pick and was a pen. As the officer exited his vehicle, Officer Grijalva told the officer the weapon was a pen. Once the responding officer acknowledged the weapon was a pen, Officer Grijalva holstered his firearm and unholstered his TASER. Officer Grijalva continued to give commands to the subject. The subject began to walk towards the responding officer. Officer Grijalva deployed his

TASER at the subject. Shortly after, another officer arrived on scene and deployed his TASER. The TASER deployments were effective, and the subject suffered Neuromuscular Incapacitation (NMI).

The subject continued to hold the pen in her hand and ignored the officer's commands to comply and drop the pen. Once the subject recovered from the NMI she attempted to get up and away from officers, while still holding the pen. While the subject tried to stand up Officer Grijalva believed the subject was either going to try and flee from officer's or use the weapon to injure officers.

Another officer deployed their TASER and the subject experienced NMI a second time. The subject then rolled to her stomach. Officer Grijalva placed downward pressure on her upper thighs. Once officers were able to remove the pen from the subject's hand, Officer Grijalva placed her left wrist and placed it behind her back. An officer placed a handcuff on the left wrist. The subject was then rolled onto her side, allowing Officer Grijalva to grab her right wrist and place it in handcuffs. Throughout the entirety of the incident, Officer Grijalva did not hear the subject say anything.

Officer Grijalva stood up, away from the subject. Officer Grijalva notified his sergeant he had shot the subject prior to their arrival. While speaking with the sergeant, Officer Grijalva noticed bullets had struck the building behind where the subject was standing. Additional officers completed a safety check of the building, while other officers requested paramedics and provided medical aid to the subject. Officer Grijalva was then met by his peer support officers and transported to the San Diego Police Central Station.

When Officer Grijalva first arrived on scene and saw the subject's actions, attempting to stab the victim, he did not believe a less lethal option was feasible. Officer Grijalva stated based upon the text of the radio call stating the subject had an ice pick, coupled with his observation of the subject holding a pointed weapon, he believed the subject was going to stab the victim. Officer Grijalva feared for the victim's life and did not believe a less lethal option was going to be effective in preventing him from being stabbed. Officer Grijalva believed the lethal force he used stopped her from stabbing the victim. Officer Grijalva had no previous contact with the subject prior to the incident.

The interview concluded at about 2257 hours.

STATEMENT OF [redacted]

ORIGIN:

On Wednesday, April 15, 2026, at approximately 2119 hours, Detective Bert and I interviewed [redacted] The interview took place near the intersection of 16th Street and Island Avenue in San Diego.

The interview was audio recorded. Below is a synopsis of his statement. Refer to the audio recording for details of the interview in its entirety.

PERSON INTERVIEWED:

Name: [redacted]
DOB: [redacted]
Phone Number: [redacted]
CA DL: [redacted]

[redacted]

STATEMENT:

At the beginning on the interview, [redacted] gave his verbal consent for his vehicle to be searched for items of evidence related to this investigation. He also signed a consent to search form, which was collected by Detective Bert.

On April 15, 2026, [redacted] was driving his Toyota 4-Runner northbound on 16th Street when he observed a San Diego Police Department police officer driving with their lights on, arrive at the intersection of 16th Street and Island Avenue. [redacted] did not specifically say if the patrol unit utilized a siren.

The marked patrol unit parked at the west end of the intersection and an officer got out of the car. The officer was interacting with a group of people at the Southeast corner of the intersection. [redacted] described the group as city workers, who then dispersed upon contact with the officer. When the group dispersed, a female did not disperse. [redacted] then heard the officer say, "Drop what's in your hands." [redacted] observed the female who appeared to be transient holding something red in her hand. [redacted] was

concerned the officer was by himself when he saw the female had a red object in her hand. [redacted] said the officer had the firearm in his hand, at the low ready, when he was initially talking to her and telling her to release the item in his hand.

The female then "circled towards him" and walked westbound in front of [redacted] vehicle. The officer positioned himself in a manner that [redacted] became afraid he was in the crossfire. The officer was saying something along the lines of "get on the ground" and "drop whatever is in your hand." She was "not listening at all" and he did not hear her say anything. She just maintained "that stare" and was not cooperating.

[redacted] said the transient female was not listening or complying, despite the officer's commands. She walked from the southeast corner of the intersection, westbound.

[redacted] described the female's behavior as potentially under the influence of drugs. [redacted] said "she could definitely hear him" and said it appeared they had eye contact with each other. He said she had the "thousand-yard stare" and "didn't seem right in the head." She kept the object in her right hand, down at her side, with both fists clenched.

[redacted] observed a discharge from the firearm and described seeing "gun powder residue." The shooting took place about ten feet in front of [redacted] vehicle. [redacted] estimated the female was approximately six to eight feet away from the officer when the shooting happened.

[redacted] opened his vehicle door and escaped his vehicle. He then took cover behind a nearby power box. [redacted] said he felt and heard the gunshot. He was unsure if a round ricocheted off his vehicle or went through the vehicle. [redacted] only heard one discharge and then he "took off." He did not hear anything additional and noted other people around who were trying to film the incident.

[redacted] observed several other police cars arrive, and the transient female was on the ground.

[redacted] did not obtain video of the incident.

Once additional officers arrived on scene, most bystanders left the area. He did not observe what methods were used to take her into custody because of the number of officers that were on scene.

Detective Bert and I collected [redacted] contact information and told him we would contact him when his vehicle was ready to be picked up.

The interview concluded at approximately 2148 hours.

SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT

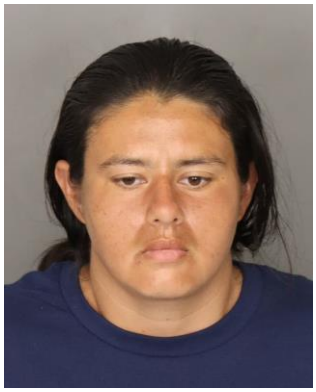

DATE (occurrence): April 15, 2026

TIME (occurrence): 1704 Hours

LOCATION: 16th Street / Island Avenue, San Diego, CA 92101

SUBJECT: SDPD Case #26-013979 / Event #26040021165

SUSPECT #1:

Denise Christy GUZMAN
DOB: [redacted]
CDL/SSN: [redacted] | CA
Address: Transient

CHARGES:

422(A) PC – Criminal Threats
245(A)(4) PC – Assault Likely to Produce GBI

VICTIM #1

[redacted]

[redacted]

SYNOPSIS:

On April 15, 2026, at approximately 1704 hours, Central Patrol Officers responded to a call for service of an assault with a deadly weapon occurring now. The reporting party stated that two males were fighting, and one was trying to stab the other with an ice pick. The suspect was described as a Hispanic male with long hair, wearing a black sweater with white front, jeans, red checkered shoes, and a backpack.

Officer GRIJALVA was the first officer on scene and observed the suspect, later identified as Denise GUZMAN, chasing the victim, later identified as [redacted], with an object in her hand. Officer GRIJALVA gave GUZMAN multiple commands to stop but she ignored them and began to run towards [redacted] in a threatening manner with the object still in her hand, which prompted an officer involved shooting.

GUZMAN was struck by gunfire and continued to ignore Officer GRIJALVA's orders to drop the weapon. Additional officers responded to assist in taking GUZMAN into custody. GUZMAN was ultimately taken into custody after multiple taser deployments.

Medic 1 responded to the scene and provided GUZMAN with medical treatment. GUZMAN was transported to UCSD Hospital for further treatment.

During the investigation officers located multiple witnesses to the incident. City employee [redacted] was on the scene painting the traffic lines on the street. [redacted] told officers that he looked over and saw a female stabbing a male. He heard the female repeatedly say, "I need his life." The female asked [redacted] for a knife and then began to chase the male.

Based on GUZMAN's statements of wanting to take [redacted] life, asking bystanders for a knife, chasing him with a pen in a threatening manner, and attempts to stab him with the pen, she was placed under arrest for Penal Codes 422(A) – Criminal Threats and 245(A)(4) – Assault by means of force likely to produce great bodily injury.

SDSO Homicide responded to investigate the Officer Involved Shooting.

I later responded to UCSD Hospital and spoke with GUZMAN. GUZMAN provided a post Miranda statement admitting to wanting and trying to stab the victim.

INVESTIGATION:

On April 15, 2026, at approximately 1705 hours, Central Division Officers were involved in an Officer Involved Shooting (OIS) while responding to a call for service of an assault with a deadly weapon occurring now.

Homicide Team II was assigned to assist as a liaison with the San Diego Sheriff's Office Homicide Team during their investigation into the Officer Involved Shooting.

Detective Sergeant IRWIN and I responded to the scene and attended a briefing by Central Patrol Sergeant ZALDIVAR detailing the patrol response. SDSO Homicide was also present for the briefing.

During the briefing I learned the following:

On April 15, 2026, at approximately 1704 hours, Central Patrol Officers responded to a call for service of an assault with a deadly weapon occurring now. The reporting party stated that two males were fighting, and one was trying to stab the other with an ice pick. The suspect was described as a Hispanic male with long hair, wearing a black sweater with white front, jeans, red checkered shoes, and a backpack.

Officer GRIJALVA was the first officer on scene and observed the suspect, later identified as Denise GUZMAN by a prior booking photo, chasing the victim, later identified as [redacted] with an object in her hand. Officer GRIJALVA gave GUZMAN multiple commands to stop but she ignored them and began to run towards [redacted] in a threatening manner with the object still in her hand, which resulted in an officer involved shooting. GUZMAN was struck by gunfire and continued to ignore Officer GRIJALVA's orders to drop the weapon. Additional officers responded to assist in taking GUZMAN into custody. GUZMAN was ultimately taken into custody after multiple taser deployments.

Medic 1 responded to the scene and provided GUZMAN with medical treatment. GUZMAN was transported to UCSD Hospital for further treatment.

During the investigation officers located multiple witnesses to the incident.

Officer JAUREGUI spoke with the victim, [redacted] and obtained a statement. [redacted] essentially told Officer JAUREGUI that he was walking down 16th Street listening to music on his speaker when he noticed an unknown female (Denise GUZMAN) walking behind him. [redacted] thought she was just listening to the music. When he arrived at the area of 16th Street and Island Avenue, he put his backpack down and sat next to it. While he was sitting down, GUZMAN grabbed his feet, pulled him, and told him to lie down. [redacted] told her he wasn't going to lie down, got up, and began to walk away westbound on Island Avenue. GUZMAN continued to follow him until police arrived. Police gave GUZMAN commands while she was holding a pend near her head like she was going to attack the officer.

Officer NEWMAN spoke with two witnesses, [redacted] and [redacted] and obtained a statement from each one.

[redacted] essentially told Officer NEWMAN that he was a City of San Diego employee painting the traffic lanes on the road when he heard a male [redacted] scream multiple times, "She's stabbing me!" [redacted] saw the male sitting along the south curbline of 1600 Island Avenue and observed GUZMAN stabbing [redacted] in the left shoulder area. [redacted] saw [redacted] stand up and try to distance himself from GUZMAN. [redacted] co-worker called 911. When police arrived, they gave the female verbal commands to drop the weapon, but she did not comply. The officer continued to give GUZMAN commands, and she charged the officer. The officer discharged his firearm and additional officers arrived on scene to assist him in taking her into custody.

[redacted] essentially told Officer NEWMAN that he was also a City of San Diego employee painting in the area when he looked over and saw a female (GUZMAN) stabbing a male [redacted] [redacted] went up to both to break them up and GUZMAN kept repeating, "I need his life" referring to [redacted] GUZMAN then asked [redacted] for a knife and when he asked her why, she told him that he knew what he needed to do. [redacted] stood up and GUZMAN began to chase him. [redacted] also witnessed the officer involved shooting.

Officer OSTAD spoke with [redacted] and obtained a statement. [redacted] essentially told Officer OSTAD that he saw a white male [redacted] sitting on the south curbline along the fence north of 1700 Island Avenue. An unknown gender subject with long black hair, wearing a black sweater with white decals, and black backpack (GUZMAN) approached [redacted] and [redacted] began screaming, "I don't

know you!" [redacted] saw GUZMAN on top of [redacted] making an overhead stabbing motion towards [redacted] neck area. [redacted] saw an unknown object with a red handle in GUZMAN's hand. [redacted] believed it was an ice pick. While GUZMAN was mounted over [redacted] [redacted] was covering his face with his arms.

After the briefing, I met with SDSO Detective Sean MULA and confirmed that he would be processing the scene with their Crime Lab.

I reviewed Officer GRIJALVA's body worn camera and observed the following:

Body Worn Camera Footage of Officer GRIJALVA:

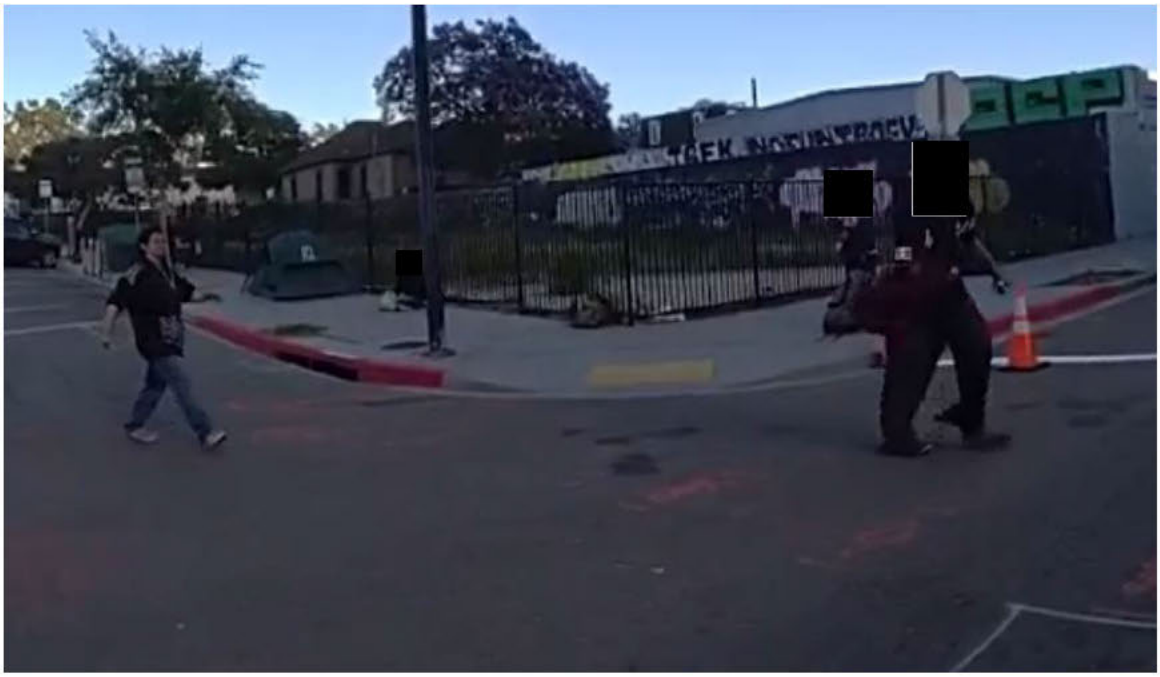

When Officer GRIJALVA arrived on scene, GUZMAN was standing in the roadway in the northeast area of the intersection of 16th Street and Island Avenue. [redacted] was standing in the southeast area of the intersection.

GUZMAN continued to advance towards [redacted] while holding an object, later learned to be a pen, in her right hand.

It appeared that [redacted] was trying to get away from GUZMAN.

At one point, GUZMAN charged at [redacted] with the object still in her right hand and began to run towards him.

INVESTIGATION (CONTINUED):

Based on multiple witness statements of GUZMAN's statements of wanting to take [redacted] life, asking bystanders for a knife, chasing him with a pen in a threatening manner, and attempts to stab him with the pen, she was placed under arrest for Penal Codes 422(A) – Criminal Threats and 245(A)(4) – Assault by means of force likely to produce great bodily injury.

SDSO Detectives along with their crime lab personnel responded to UCSD Hospital to process GUZMAN.

After their processing, Detective GAY and I spoke with GUZMAN.

I introduced myself to GUZMAN. I noticed that GUZMAN was handcuffed to the hospital gurney. I explained to GUZMAN that I wanted to speak with her about the incident that had occurred today and informed her that she was under arrest.

I admonished GUZMAN of her Miranda Rights, and she told me she understood her rights. I asked GUZMAN if she would be willing to speak with me and she said, "Of course". I obtained a statement from GUZMAN. The interview was audio recorded. *Refer to the recording for complete details.*

Below is a paraphrased statement of what she told me in response to the questions asked of her.

PARAPHRASED STATEMENT OF DENISE GUZMAN:

Earlier today, I smoked what somebody gave me and told me was "meth". I saw this guy [redacted] and thought he was following me. I don't know who he is. During a certain point, I was chasing after him because I wanted to stab him with a pen. I did try to stab him. I would have stabbed him near the chest.

I stopped chasing him once I got tazed and shot.

During the interview, GUZMAN stated that she wanted to stab [redacted] in "self-defense" but also confirmed that [redacted] made no physical or verbal threats towards her.

GUZMAN denied taking any prescription medications.

Obviously, police got there, did you see them?
Of course. I thought one was going to run me over.

So, you saw the police cars?
Yes.

Did you see them in their uniforms?
Yes.

Were you telling you to stop?
Yes, they did.

After they told you to stop, did you continue walking towards them?
Well, yeah. But I stopped at a certain point.

(END OF INTERVIEW)

INVESTIGATION (CONTINUED):

After speaking with GUZMAN, I asked her if she would allow me to obtain a mouth reference swab. GUZMAN agreed and I obtained a mouth reference swab. After obtaining the swab, I sealed it and Detective GAY took custody of it and later impounded it at the Central Division Property Room.

GUZMAN remained at the hospital waiting to be medically cleared to be booked into county jail.

On April 16, 2026, GUZMAN was transported and subsequently booked into Las Colinas County Jail.

CONCLUSION:

Based on the investigation, I have probable cause to believe that Denise GUZMAN made threats to kill [redacted] and made attempts to stab him with a pen in the intersection of 16th Street and Island Avenue, in violation of Penal Codes 422(A) – Criminal Threats and 245(A)(4) – Assault by means of force likely to produce great bodily injury.

The Limit of Quantitation for the dual-column, headspace gas chromatography method used is 0.010-0.500 g/100mL.

A Title 17 compliant sample was not used for the above analysis of item 3.1.01.

I, the undersigned, certify under penalty of perjury that: (1) I am employed by the San Diego Sheriff's Department, Regional Crime Laboratory and am qualified to engage in forensic alcohol analysis pursuant to the Title 17 of the California Code of Regulations: (2) The blood analysis reported herein was performed during the regular course of my duties and is a true and correct representation of the results of my analysis; (3) The instrumentation used to perform the analysis was in proper working order at the time the analysis was performed; (4) The recording of the analytical results was done at the time of analysis and included the creation of contemporaneous documentation; (5) The transfer of data for reporting purposes in this Laboratory Service Report was performed during the normal course of business according to the regular practices and procedures of the Sheriff's Regional Crime Laboratory.

DISPOSITION OF EVIDENCE: The evidence was retained in secured Forensic Toxicology Storage. Item 3.1.01 is pending toxicology analysis.

INDIVIDUAL/S

REPORT NARRATIVE

On 04/15/2026, I was working as an acting detective assigned to Central Division's Crime Suppression Team. I was monitoring police radio at approximately 1704 hours when I heard a radio call for an individual stabbing someone with an ice pick near 16th Street and Island Ave in San Diego. SDPD Communications broadcast this event as a hot call, and units were dispatched quickly. I listened to my radio as an officer arrived on scene and advised the suspect was not cooperative. I continued monitoring the event and later learned an officer involved shooting had occurred.

I advised over the radio I was in route to assist at approximately 1715 hours. I arrived on scene at approximately 1723 hours. I saw patrol officers had used police tape to cordon off the intersection of 16th Street and Island Ave. I saw a tent on the south curb line of 1600 Island Ave, and a patrol vehicle parked near the southeast corner of the intersection. I saw there appeared to be two shattered windows on the northern side of the Shift Apartments building. This building is located on the southwest corner of the intersection of 16th Street and Island Ave. The address for the Shift Apartments building is 1501 Island Ave, San Diego, CA.

I spoke to a supervisor who requested I attempt to locate security footage capturing the incident. I observed a circular security camera near the northeast corner of the Shift Apartments building. I believed this camera could capture the incident.

I initially spoke with [redacted] personal phone number [redacted] is employed as a security guard for Securitas and is assigned to the Shift Apartments building. [redacted] typically works there on Wednesday - Sunday. [redacted] took me to the security camera computer and attempted to access the cameras but was unsuccessful in locating the feed from the camera on the northeast corner of the building. [redacted] advised there were multiple cameras in the complex which were non-functional. [redacted] advised the assistant manager, [redacted] was more familiar with the system and could assist at a later time. [redacted] took me to examine the damaged windows on the northern side of the building. As he did so, he saw [redacted]

I asked [redacted] to help me access the security footage. [redacted] was able to access security footage from the camera at the northeast corner of the building. This camera did not have a unique name but the IP address for this camera (10.151.220.44) appeared unique. The camera angle captured the western portion of the intersection of 16th Street and Island Ave and the southern sidewalk near there. The camera captured officers responding to the incident but did not capture the assault or the officer involved shooting. [redacted] was unable to save the footage directly from the system, so I recorded a portion of the security footage using my department issued cell phone. I observed the timestamp on the security camera footage appeared accurate versus my cell phone. I took a photograph capturing this timestamp. I later took photographs of the camera on the exterior of the building. I later uploaded the video and photos to Evidence.com.

The building manager, [redacted] was present while I spoke with [redacted] I explained investigations for officer involved shootings are extensive and the scene would be locked down for some time. [redacted] advised she lived in the apartment complex and could be contacted by investigators if needed. I later provided her contact information to San Diego Sheriff Office (SDSO) investigators.

I walked the west curb line of 400 16th Street. I did not locate any cameras there which would have captured the incident. I did not see any cameras on the south curb line of 1600 Island Ave which would have captured the incident.

After the incident brief, investigators determined SDPD Homicide Detective Rosas #7270 would be the primary investigator responsible for the assault by the suspect, who had been identified as Denise Christy Guzman [redacted] I later returned

to Central Division and was given Officer Grijalva's Taser battery by SDSO investigators. I docked the battery at their direction.

I went to UCSD Hospital with Detective Rosas to interview Guzman. This interview occurred in room 521. I recorded this interview using the Axon Capture application and later uploaded it to Evidence.com. See Detective Rosas' report for further details on the interview. Detective Rosas obtained a mouth reference swab from Guzman. I took custody of the swab at UCSD Hospital and later impounded it at Central Division under barcode # 11631865.

RELATED REPORTS:

E26040021165 and related cases.

SAN DIEGO COUNTY SHERIFF
REGIONAL CRIME LABORATORY

5590 Overland Ave, San Diego, CA 92123

LABORATORY SERVICE REPORT

SHERIFF CASE:	26114139-1	**AGENCY CASE:**	N/A
AGENCY/DIVISION:	HOMICIDE DETAIL	**INCIDENT DATE:**	4/15/2026
INCIDENT TYPE:	245 (A)(1) PC - ASSAULT W/DEADLY WEAPON:NOT F/ARM (F)		
SUSPECT(S):	N/A	**VICTIM(S):**	N/A

SERVICE REQUESTED:
Weapon operability
Cartridge examination

METHODS: Visual examination, Test-firing, Dead weight, Measuring equipment

ITEM #	**DESCRIPTION**
1.1	One Smith & Wesson pistol, s/n [redacted] and one magazine
1.2	[redacted] unfired cartridges
1.3	[redacted] magazine and [redacted] unfired cartridges
1.4	[redacted] magazine and [redacted] unfired cartridges

EXAMINATION:

Item 1.1 Item 1.1 consists of a Smith & Wesson M&P 9 2.0 semiautomatic pistol, caliber 9mm Luger, and a Smith & Wesson 9mm magazine. Item 1.1 was examined for operability and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were assigned Item 5.1. The pistol has a minimum measured trigger pull of 4 ¾ pounds and a maximum capacity of [redacted] 9mm Luger cartridges when used with the included magazine or the magazines from Items 1.3 and 1.4. The pistol's barrel has a conventional five right rifling pattern.

Item 1.2 The [redacted] unfired Federal cartridge cases, caliber 9mm Luger, have nickel-plated cases, nickel-plated primers and copper-jacketed bullets. [redacted] of the cartridges were used to test fire Item 1.1.

Item 1.3 Item 1.3 consists of [redacted] Smith & Wesson 9mm magazine and [redacted] unfired Federal cartridges, caliber 9mm Luger. The magazine has a maximum capacity of [redacted] 9mm Luger cartridges. The unfired cartridge cases have nickel-plated cases, nickel-plated primers and copper-jacketed bullets.

Item 1.4 Item 1.4 consists of [redacted] Smith & Wesson 9mm magazine and [redacted] unfired Federal cartridges, caliber 9mm Luger. The magazine has a maximum capacity of [redacted] 9mm Luger cartridges. The unfired cartridge cases have nickel-plated cases, nickel-plated primers and copper-jacketed bullets.

RESULTS AND INTERPRETATIONS:
The Smith & Wesson pistol from Item 1.1 is operable.

The included magazine and the magazines from Items 1.3 and 1.4 are correct for the pistol.

The cartridges from Items 1.2, 1.3 and 1.4 are correct for Item 1.1.

SHERIFF CASE:	26114139-2	**AGENCY CASE:**	N/A
AGENCY/DIVISION:	Homicide	**INCIDENT DATE:**	4/15/2026
INCIDENT TYPE:	Officer Involved Shooting		
SUSPECT(S):	San Diego Police Department Officer	**VICTIM(S):**	Denise Guzman

SERVICE REQUESTED: Officer Processing; Victim Processing

NARRATIVE:

On April 15, 2026, at 2120 hours, I arrived at the San Diego Police Department (SDPD) Central Division Station. I met with Forensic Evidence Technicians (FETs) J. Allard and M. Oss, Detectives N. Bier and T. Young, other Sheriff's personnel, and SDPD personnel. I took photographs and collected evidence during the processing of SDPD Officer Y. Grijalva. I was asked to respond to UCSD Hillcrest for victim processing and left the station.

I arrived at UCSD Hillcrest. I met with Detectives A. Bert and J. Kuehn. I took photographs during the processing of the victim, Denise Guzman. No other evidence was collected. I finished this assignment and departed the hospital at 2322 hours on April 15, 2026.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I released items 1.1 through 1.4 to Criminalist R. Chang. I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

LABORATORY SERVICE REPORT

SHERIFF CASE:	26114139-3	**AGENCY CASE:**	N/A
AGENCY/DIVISION:	Homicide	**INCIDENT DATE:**	4/15/2026
INCIDENT TYPE:	Officer Involved Shooting		
SUSPECT(S):	San Diego Police Department Officer	**VICTIM(S):**	Guzman, Denise

SERVICE REQUESTED: Crime Scene Investigation

NARRATIVE:

On April 15, 2026, at 1939 hours, I arrived at the intersection of 16th Street and Island Avenue, located in San Diego. I met with Detective S. Mula, Criminalist C. Chang, Forensic Evidence Technicians L. Prosser, J. Allard and M. Oss, other Sheriff's personnel, and San Diego Police Department personnel. I took photographs and collected evidence from a subject, [redacted] I took photographs and collected evidence from the scene. I took photographs and collected evidence from the Taser 10 device brought to the scene by Sergeant J. Klepach. I finished this assignment and left the scene at 0138 hours on April 16, 2026.

While at the Crime Laboratory on April 17, 2026, I received one item of evidence (victim's clothing) from Detective S. Mula.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

The Taser 10 device remained in the control and custody of Sergeant J. Klepach. I submitted the evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

EVIDENCE LIST:

Item #	CSI #	Item Description	Location/Source
6.1	1	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.2	2	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.3	3	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.4	4	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.5	5	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.6	6	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.7	7	One cartridge case with headstamp "F C 9MM LUGER" collected from the ground near the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.8	8	One Taser probe with "448 034257" printed on the side collected from the ground near the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.9	9	One red pen cap collected from the ground near the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.10	10	One Taser probe with "347 009885" printed on the side collected from the ground near the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.11	11	One fired bullet collected from the sidewalk at the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.12	12	One red "BiC Round Stic" pen without a cap collected from on the curb near the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.13	13	One Taser probe with "246 106071" printed on the side collected from the ground in the open lot at the southeast corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego

Item #	CSI #	Item Description	Location/Source
6.14	14	One Taser probe with "44D 053492" printed on the side collected from the ground underneath the green Kia Sorrento parked along the south curb line	1600 block of Island Avenue, San Diego
6.15	15	One apparent copper jacket fragment collected from the sidewalk at the southwest corner of the intersection	Intersection of 16th Street and Island Avenue, San Diego
6.16	16	One fired bullet collected from the window frame on the east side of 1501 Island Avenue (near bullet hole labeled B)	1501 Island Avenue, San Diego
6.17	17	One fired bullet collected from the sidewalk near the entrance to the parking garage for Shift Apartments	400 block of 16th Street, San Diego
6.18	18	One fired copper bullet jacket collected from the sidewalk in the driveway of the parking garage for Shift Apartments	400 block of 16th Street, San Diego
6.19	19	One fired copper bullet jacket collected from the interior side of the windowsill on the north side of 1501 Island Avenue (near bullet hole labeled A)	1501 Island Avenue, San Diego
6.20		Eight expended Taser cartridges with numbers printed on the side (T2503E7EF, T2503E7FD, T2506PT9N, T2506PT9K, T2503E7E8, T2503E7E9, T2506PTA8, and T2506PT68) collected from the "TASER 10" device with serial number "T19E34994" on the frame and serial number "X44A61CVC" on the battery	Intersection of 16th Street and Island Avenue, San Diego
6.21		One Reference Oral Swab Kit collected from a subject, [redacted]	400 block of 16th Street, San Diego
6.22		One dirty white sports bra belonging to the victim, Denise Guzman, with medical intervention cuts, defects, and apparent blood, received from Detective S. Mula	Sheriff's Crime Laboratory
6.23		One pair of "CHAPS" blue jeans belonging to the victim, Denise Guzman, with medical intervention cuts and apparent blood, removed from the contents of the victim's clothing (item 6.22)	Sheriff's Crime Laboratory

Item #	CSI #	Item Description	Location/Source
6.24		One pair of black Nike crew-length socks belonging to the victim, Denise Guzman removed from the contents of the victim's clothing (item 6.22)	Sheriff's Crime Laboratory
6.25		One size "XXL" black "THE NIKE TEE" t-shirt belonging to the victim, Denise Guzman, with medical intervention cuts, defects, and apparent blood, removed from the contents of the victim's clothing (item 6.22)	Sheriff's Crime Laboratory
6.26		One "PATIENT BELONGINGS" bag with a label which reads [redacted] and one black hooded sweatshirt belonging to the victim, Denise Guzman, with a paisley pattern on the shoulders and front pouch, and with medical intervention cuts, defects, and apparent blood, removed from the contents of the victim's clothing (item 6.22)	Sheriff's Crime Laboratory
6.27		One set of two Master DVDs containing a total of 284 images taken during the scene investigation	Intersection of 16th Street and Island Avenue, San Diego
6.28		One set of two Working Copy DVDs containing a total of 284 images taken during the scene investigation	Intersection of 16th Street and Island Avenue, San Diego
6.29		One Master DVD containing sixteen images taken during inventory of the victim's clothing	Sheriff's Crime Laboratory
6.30		One Working Copy DVD containing sixteen images taken during inventory of the victim's clothing	Sheriff's Crime Laboratory

EVIDENCE RECEIVED:

ITEM #	DESCRIPTION
3.1	Bubble mailer containing BAG CONTAINING THREE VIALS OF BLOOD
3.1.01	Purple top tube labeled [redacted] - DOB [redacted]
3.1.02	Blue top tube labeled [redacted] - DOB [redacted] (No Analysis Performed)
3.1.03	Tube with lavender plug cap labeled "PSTGRN" labeled [redacted] - DOB [redacted] (No Analysis Performed)

RESULTS:

ITEM #	SAMPLE MATRIX	ANALYSIS DATE	ANALYTE	REPORTED RESULT
3.1.01	Blood	05/01/2026	Ethanol	Not Detected

Where applicable, the results above are expressed as the measured value ± the expanded uncertainty, which corresponds to a 99.7% level of confidence. The Limit of Quantitation for the dual-column, headspace gas chromatography method used is 0.010-0.500 g/100mL.

A Title 17 compliant sample was not used for the above analysis of item 3.1.01.

I, the undersigned, certify under penalty of perjury that: (1) I am employed by the San Diego Sheriff's Department, Regional Crime Laboratory and am qualified to engage in forensic alcohol analysis pursuant to the Title 17 of the California Code of Regulations: (2) The blood analysis reported herein was performed during the regular course of my duties and is a true and correct representation of the results of my analysis; (3) The instrumentation used to perform the analysis was in proper working order at the time the analysis was performed; (4) The recording of the analytical results was done at the time of analysis and included the creation of contemporaneous documentation; (5) The transfer of data for reporting purposes in this Laboratory Service Report was performed during the normal course of business according to the regular practices and procedures of the Sheriff's Regional Crime Laboratory.

DISPOSITION OF EVIDENCE: The evidence was retained in secured Forensic Toxicology Storage. Item 3.1.01 is pending toxicology analysis.

SERVICE REQUESTED:
Weapon operability
Cartridge examination

METHODS: Visual examination, Test-firing, Dead weight, Measuring equipment

ITEM #	**DESCRIPTION**
1.1	One Smith & Wesson pistol, s/n [redacted] and one magazine
1.2	[redacted] unfired cartridges
1.3	[redacted] magazine and [redacted] unfired cartridges
1.4	[redacted] magazine and [redacted] unfired cartridges

EXAMINATION:

Item 1.1 Item 1.1 consists of a Smith & Wesson M&P 9 2.0 semiautomatic pistol, caliber 9mm Luger, and a Smith & Wesson 9mm magazine. Item 1.1 was examined for operability and test-fired using the included magazine and laboratory ammunition. No malfunctions were noted during test-firing. The test-fired components were assigned Item 5.1. The pistol has a minimum measured trigger pull of 4 ¾ pounds and a maximum capacity of [redacted] 9mm Luger cartridges when used with the included magazine or the magazines from Items 1.3 and 1.4. The pistol's barrel has a conventional five right rifling pattern.

Item 1.2 The [redacted] unfired Federal cartridge cases, caliber 9mm Luger, have nickel-plated cases, nickel-plated primers and copper-jacketed bullets. Four of the cartridges were used to test fire Item 1.1.

Item 1.3 Item 1.3 consists of one Smith & Wesson 9mm magazine and [redacted] unfired Federal cartridges, caliber 9mm Luger. The magazine has a maximum capacity of [redacted] 9mm Luger cartridges. The unfired cartridge cases have nickel-plated cases, nickel-plated primers and copper-jacketed bullets.

Item 1.4 Item 1.4 consists of one Smith & Wesson 9mm magazine and [redacted] unfired Federal cartridges, caliber 9mm Luger. The magazine has a maximum capacity of [redacted] 9mm Luger cartridges. The unfired cartridge cases have nickel-plated cases, nickel-plated primers and copper-jacketed bullets.

RESULTS AND INTERPRETATIONS:
The Smith & Wesson pistol from Item 1.1 is operable.

The included magazine and the magazines from Items 1.3 and 1.4 are correct for the pistol.

The cartridges from Items 1.2, 1.3 and 1.4 are correct for Item 1.1.

SERVICE REQUESTED: Officer Processing; Victim Processing

NARRATIVE:

On April 15, 2026, at 2120 hours, I arrived at the San Diego Police Department (SDPD) Central Division Station. I met with Forensic Evidence Technicians (FETs) J. Allard and M. Oss, Detectives N. Bier and T. Young, other Sheriff's personnel, and SDPD personnel. I took photographs and collected evidence during the processing of SDPD Officer Y. Grijalva. I was asked to respond to UCSD Hillcrest for victim processing and left the station.

I arrived at UCSD Hillcrest. I met with Detectives A. Bert and J. Kuehn. I took photographs during the processing of the victim, Denise Guzman. No other evidence was collected. I finished this assignment and departed the hospital at 2322 hours on April 15, 2026.

RESULTS/INTERPRETATIONS:

Not applicable.

DISPOSITION OF EVIDENCE:

I released items 1.1 through 1.4 to Criminalist R. Chang. I submitted the remaining evidence to the Sheriff's Property and Evidence Unit (see attached Evidence List).

REPORT NARRATIVE

OFFICER'S NARRATIVE:

On 04/15/2026, at approximately 2115 hours, Officer Soliven and I were in full police uniform and driving a marked patrol vehicle in San Diego while assigned to Central Division Patrol. We responded to the area of 16th Street and Market Street for a perimeter position to prevent both pedestrian and vehicle traffic from traveling southbound on 16th Street from Market Street. We remained at our position until relieved by other officers around 2300 hours.

REPORT NARRATIVE

On 04/15/2026 at approximately 1704 hours, I was in full patrol uniform and driving a marked patrol vehicle. I volunteered for an assault with a deadly weapon hot call at the intersection on 16th street and Island Avenue in the city and county of San Diego.

I arrived on scene and assisted in detaining the female arrestee, later identified as Denise Guzman via her California Drivers License. Guzman was actively being tased. I assisted in the detention. I applied downward force using physical strength using both of my a hands in an attempt to secure Guzman's leg to prevent physical harm or further assault on officers.

Guzman was not injured as a result of my use of force. I later assisted in perimeter positions an prevented pedestrian traffic while the scene investigation was conducted.

REPORT NARRATIVE

OFFICER REPORT:

On 04/15/2026 at approximately 1705 hours, Officer Isa #1309 and I were in full police uniform, driving a fully marked patrol vehicle. We were assigned as uniformed personnel with the Central Division Crime Suppression Team (CST).

We responded to a radio call regarding two subjects in a physical altercation near the intersection of 16th St. and Island Ave. in the city of San Diego. The details of the call stated that one of the subjects involved in the altercation was trying to stab the other subject with an ice pick.

While driving to the location, another responding officer advised that he had the armed subject at gun point and the subject was non-compliant with officer commands.

When Officer Isa and I arrived on scene, I witnessed a female subject standing in the roadway on Island Ave, just east of 16th St. The female was facing another Officer who was approximately six feet away from her and she appeared to be walking forward toward the Officer. From my point of view, I observed that the female had an object in her right hand. The object appeared to me to be a pointed object that could be used as a stabbing instrument that could cause death or serious bodily injury if used upon another person. The female held the perceived stabbing instrument in her right hand with her arm bent at the elbow with the pointed edge facing forward toward the Officer who was standing in front of her. Based on my training and experience, I believed the stance she was standing in was one of someone who is attempting to stab someone.

Officer Isa fired his taser at the female to prevent her from stabbing the officer standing in front of her. The taser deployment was successful, and officers were able to take the female into custody by placing her into handcuffs. The female suspect was later identified as Denise Guzman (DOB: [redacted]

I assisted with setting up police tape to secure the scene.

I also checked for video footage at Shift Apartments located at 1501 Island Avenue. San Diego, CA 92101. I was unable to retain any video footage that captured the incident due to one camera not having a view of where the incident took place. A second camera was unable to be played giving a data error on the screen. I retrieved [redacted] phone number if investigators would like to contact her for video footage.

REPORT NARRATIVE

OFFICER'S STATEMENT:

On 4/15/2026 at approximately 1704 hours, I was in full police uniform, driving a marked patrol vehicle. I was dispatched to 16th Street and Island Avenue regarding two subjects fighting and an attempted stabbing with an ice pick.

While enroute, I heard Officer Grijalva #1045 request urgent cover as the female suspect was not compliant. I activated my overhead lights and siren.

The suspect was later identified as Denise Guzman (CDL: [redacted] per her prior booking photograph.

Upon arrival, I observed a taser deployment on Guzman and her falling to the ground. Guzman continued to resist by tensing her muscles and trying to pull her arms away from officer's grip. To prevent Guzman from standing to her feet and continuing to fight with officers, I placed my left knee on her belt line area. I then grabbed Guzman's left wrist and placed her in handcuffs, ensuring they were double locked.

Due to the possibility of Guzman being armed with a weapon, along with her life-threatening behavior, I conducted a weapons patdown on Guzman.

While walking Guzman to the front of my patrol vehicle, she continued to resist by saying "no" and turned her body weight toward me. I used my right hand and physical strength to push Guzman into the front of my patrol vehicle.

While at the patrol vehicle, Sergeant Zaldivar #5516 instructed me to look for a gunshot wound on Guzman. I located one gunshot wound to her left breast area.

Medic 1 transported Guzman to UCSD Hillcrest Hospital to be treated for her injuries. I rode in the ambulance. While in the ambulance, medics confirmed Guzman sustained two gunshot wounds with exit wounds on each breast.

Reporting Officer **SD2110 - ALLENDER, MAYAH A**	Division / Organization **CEPAT / CENTD - Central**	Reviewed By **SD5516 - ZALDIVAR, JESSE R**
Report Date **4/15/2026 11:53:51 PM**	Detective Assigned	Reviewed Date **4/16/2026 1:36:17 AM**

Guzman was taken to the trauma bay, where she was given the trauma name [redacted] Guzman was treated by Doctor Berndison (MD) #8316 for non-life-threatening injuries. Her medical record number is #[redacted] Doctor Berndison confirmed that Guzman sustained two gunshot entry and exit wounds, one on each breast.

Guzman was transported from the trauma bay and admitted to UCSD Hospital room 521.

Guzman was uncooperative and refused to provide me with a statement.

I photographed Guzman and her injuries (All photographs were uploaded to Evidence.com).

Officer Bajer #2037 and Officer Garcia #2049 relieved me at UCSD Hospital and took custody of Guzman.

This concluded my involvement in this incident.

EVIDENCE:

My BWC was active at the time of the incident.

I photographed Guzman and her injuries (All photographs were uploaded to Evidence.com).

INDIVIDUAL/S

REPORT NARRATIVE

On 04/15/2026 at about 2330 hours I was in full police uniform driving a marked patrol vehicle in the City of San Diego. I responded to UCSD Hillcrest Hospital Room 521, to relieve Officer Allender #2110 who was overseeing custody of a female identified as Denise Guzman (CA[redacted]

As I was at the hospital Detective Rosas #7270 was present as well and asked me to activate my BWC to record him collecting a DNA sample from Guzman. I activated my camera for the duration of the sample collection. I later uploaded the footage to evidence.com under the related event number.

I then sat with Guzman until I was relieved by Officer Estrella #1921 around 0420 hours on 05/16/2026.

This concludes my involvement in this incident.

BWC Activated.

REPORT NARRATIVE

OFFICER'S STATEMENT:

On 04-15-26, I was working in full-uniform and driving a marked patrol vehicle in the city of San Diego.

At approximately 1704 hours, I responded to the intersection of 16th Street and Island Avenue for a radio call regarding a felony assault involving an ice pick.

While I was still enroute the radio call, officers arrived on-scene and an officer-involved shooting occurred.

Upon arriving on-scene, I observed the suspect was in-custody and being prepared to be transported by medics to UCSD-Hillcrest hospital.

I observed security cameras on the exterior of the Public Storage facility at 560 16th Street. I attempted to make contact with staff at the rental office but it was closed. I called a customer service phone number on the door [redacted] and was connected with a female in the corporate sales office. She provided a phone number for the unnamed property manager at the 560 16th Street facility [redacted] No one answered that phone number and I left a voicemail.

I occupied a perimeter position the remaineder of my time on-scene.

REPORT NARRATIVE

On 4/15/26 at 1130 hours, I was in full police uniform and I was driving a marked San Diego police vehicle. At 2338 hours, I relieved PISO Furbershaw #8861 from her post position at 15th Street and Island Avenue stopping eastbound traffic. I stood at my post position while Sheriff's Department conducted their investigation of an officer involved shooting that occurred at 16th Street and Island Avenue.

Sheriff's Department concluded their investigation at 0143 hours, the scene was dropped and I opened 15th Street and Island Avenue for traffic.

This concludes my involvement in this incident.

REPORT NARRATIVE

OFFICER STATEMENT:

On 04-15-26 I was in full police uniform driving a marked patrol vehicle. At 1705 hours, I responded to a radio call of two males fighting at 1600 Island Av. The radio dispatch reported one of the males was armed with an ice pick and trying to stab the other male. While I was enroute, Officer Grijalva #1045 aired via police radio, he had one non compliant subject at gunpoint at 1600 Island Av. A few seconds later, there were several garbled radio transmissions followed shortly by Sgt Zaldivar #5516 airing that units could drop code. A few minutes later, the dispatch was updated there had been an officer involved shooting.

I arrived on scene at about 1710 hours. I took a perimeter post along with Officer Mosley #1677 on the west side of 17th St/ Island Av. While on the post, no unauthorized pedestrians or vehicles entered the incident scene. I was relieved by Officer Ledezma #2081 at about 2300 hours.

INDIVIDUAL/S

REPORT NARRATIVE

On 4/16/2026, at approximately 102 hours, I was working in full San Diego Police uniform and driving a marked police vehicle. I responded to assist on a perimeter position for an officer involved shooting that occurred at 16th Street and Island Avenue in the city of San Diego.

On scene I took perimeter position at 16th Street and Market Street in the city of San Diego closing pedestrian and vehicle traffic heading southbound on 16th Street. I maintained my perimeter position until 0143 when Sheriff Deputies advised Police units that they could clear from the scene.

This involves my involvement in the incident.

REPORT NARRATIVE

OFFICER REPORT:

On 04/15/2026 at approximately 1705 hours, Officer Aguilar #1189 and I were in full police uniform, driving a fully marked patrol vehicle. We were assigned as uniformed personnel with the Central Division Crime Suppression Team (CST).

We responded to a radio call regarding two males in a physical altercation near the intersection of 16th St. and Island Ave. in the city of San Diego. The details of the call stated that one of the subjects involved in the altercation was trying to stab the other subject with an ice pick.

While driving to the aforementioned location, another responding officer advised that he had the armed subject at gun point and the subject was non-compliant with officer commands.

When Officer Aguilar and I arrived on scene, I witnessed a female subject standing in the roadway on Island Ave, just east of 16th St. The female was facing another Officer who was approximately six feet her and she appeared to be walking forward toward the Officer. From my view, I could see that the female had an unknown object in her right hand. The object appeared

to me to be a pointed object that could be used as a stabbing instrument that could cause serious bodily injury or death if used upon another person. The females' right arm was bent at the elbow with the perceived stabbing instrument held in her hand with the pointed edge facing forward toward the Officer who was standing in front of her. Based on my training and experience, I believed this to be a stabbing stance.

In order to stop the female from potentially stabbing the Officer who was standing in front of her, I drew my department issued Taser 10 and began firing it at the female from approximately 30 feet away. As I was firing the taser darts at the female, she began to turn. I continued firing the taser, firing eight darts in total before the taser was effective at which point the female fell to the ground. As soon as the female fell, I ran toward her in an attempt to control her while she was experiencing neuromuscular incapacity from the taser. As I approached the female, I gave her verbal commands to drop what was in her hand and stay on the ground or I would tase her again. The female refused to comply and began rolling over to her back while still holding the pointed object in her right hand. The female attempted to sit up while holding the pointed object. At this point, several Officers including myself were within close proximity of the female. I feared that she was going to attempt to get up and stab me or another officer with the pointed object in her hand. In order to prevent this, I reactivated the taser, leading her to reach neuromuscular incapacity once again. As soon as the tasers cycle stopped the female attempted once again to sit up while still refusing to drop the pointed object. I once again reactivated my taser to prevent her from standing. The female ultimately got up to her knees and began moving away from officers in what I believed to be an attempt to flee. I activated my taser once more causing her to fall forward onto her stomach from a kneeling position. As soon as she fell to her stomach, myself and other Officers went hands on with the female to subdue her. During this time, I used my knee to apply pressure to the females head holding it down against the ground. I did this to prevent the female from standing. While holding her head down with my knee, I used my left hand to remove the pointed object from her hand. After removing the pointed object from her hand, I realized that it was an uncapped pen. I threw the pen away from the female in order to prevent her from gaining access to it. After the pen was thrown out of reach of the female, I assisted in placing her in handcuffs.

After detaining the female, I learned that she had sustained an unknown number of gunshot wounds from another responding Officer prior to my arrival on scene.

I immediately began assisting in containing the scene and looking for potential round impacts in neighboring buildings after learning that a police involved shooting had occurred. While searching the area, I was flagged down by a male who stated that he had witnessed the shooting incident. The male, who was later positively identified by his California ID as [redacted] provided me with the following statement.

STATEMENT OF [redacted] (WITNESS):

[redacted] ESSENTIALLY STATED THE FOLLOWING:

I was driving northbound on 16th St. I came to a stop at the stop sign located at the intersection of 16th St. and Island Ave. As soon as I came to a stop, I saw one of your marked units (Patrol vehicle) come to a stop on eastbound Island Ave. at 16th St. The Officer got out of his vehicle with his gun drawn and gave verbal commands to a female subject in the crosswalk on the east side of the intersection of 16th and Island, on Island. It sounded like the Officer was shouting at the female for her to drop something. The female was standing next to a group of city workers. Once the female was alerted by the Officer giving commands, the crew that was working took note of what was going on and split and ran away. The female remained where she was and that is how I was able to figure out who the Officer was giving commands to. By the way the Officer was talking to the female, I was wondering what was going on because the Officer was by himself. I noticed the female had something in her hand, I don't know if it was a knife or some sort of shank pen. It looked red to me and was the size of a pen. I don't know exactly what it was but I knew it was serious because the Officer had his weapon out. The female began walking in a southwest direction, circling toward where I was parked. While she was moving, the Officer continued to give the female commands to drop whatever was in her hand. The Officer stayed where he was and didn't approach the female. The Officer was basically trying to get compliance. I heard the Officer give the female verbal instruction to comply and drop what was in her hand. As soon as the female crossed in front of my vehicle, I got worried because I knew I was in the Officers line of sight. That's when the Officer discharged one round. At the time the first round was discharged, I estimate that the female was approximately six to eight feet away from the Officer. As soon as that round went off, I ducked down and opened the door to my vehicle. I got out of the vehicle and crept to the back then took off running southbound on 16th St and took cover behind a

power box. My vision of everything else after that was gone, everything after the first round was discharged was kind of hazy so I can't say if I heard any more shots be fired after that point.

END OF STATEMENT.

After speaking with [redacted] he showed me his black 2021 Toyota 4runner (CA/[redacted] that was parked in the number one lane of northbound 16th St. at the intersection of 16th St. and Island Ave. The 4runner had what appeared to be a round impact or graze in the rear driver side fender flare. The impact caused an approximate 4 inch tear to the fender flare. I searched the vehicle and was unable to find any other bullet impacts or damage. The round that impacted the 4runner was unable to be located.

I had no further involvement with the female suspect or scene after that point.

OTHER ENTITIES

PROPERTY

REPORT NARRATIVE

SYNOPSIS:
On 04/15/2026, at approximately 1704 hours, [redacted] (Victim) was involved in an incident with Denise GUZMAN (Suspect). GUZMAN attempted to stab [redacted] several times with a pen during an altercation at 1600 Island Ave in the city of San Diego. GUZMAN made a statement, saying, "I need his life," while attacking [redacted]

GUZMAN was non-compliant with officers when they arrived on scene. After several use-of-force options were utilized (see case number #26605866 for further details), GUZMAN was taken into custody.

GUZMAN was transported to UCSD Hospital by Medic 1 for further treatment.

There were three witnesses to the crime who stated they saw GUZMAN attempting to stab [redacted]

GUZMAN is currently in custody and was still receiving medical treatment at UCSD at the time of this report.

ORIGIN:

On 04/16/2026, at 1704 hours, I was on duty in full police uniform, driving a marked patrol vehicle. I responded to the intersection of 16th Street and Island Avenue, within the City and County of San Diego, to investigate a report of a male attempting to stab another male with an ice pick.

INVESTIGATION:

While en route to the location, officers advised they were taking a female into custody. I arrived on scene and observed several units taking the female into custody. I saw a male standing to the side. A witness stated the male was the victim. The male was later identified as [redacted] per Cal photo.

[redacted] initially stated he did not want to make any statement and claimed nothing had happened. After speaking with him for over an hour, [redacted] provided the following statement:

Paraphrased Statement of [redacted] (Victim):

"I was walking on 16th Street, I think. I was playing music on my speaker and just walking when I noticed a female walking behind me. I figured she was listening to the music, so I didn't think much of it. When I arrived at 16th and Island, I put my backpack down and sat next to it. The female then grabbed my feet and pulled. She told me to lie down. I told her I was not going to lie down. I got up and started to walk away (westbound on Island). The female continued to follow me. An officer arrived on scene and started yelling at the female who was following me. The female was not listening and began walking toward the officer. She was holding a pen near her head like she was going to attack the officer. The officer then fired 5-6 times. I walked away toward nearby construction workers. I didn't see anything else."

END OF STATEMENT

[redacted] was very difficult to interview and repeatedly stated he did not know what happened or that nothing occurred.

INVESTIGATION CONTINUED:

During the investigation, several witnesses were located. [redacted] was working on the roadway when he witnessed the altercation. [redacted] stated he saw a female stabbing a male. The female then said, "I need his life," and asked [redacted] for a knife.

Based on GUZMAN's statement about wanting to take [redacted] life, her request for a knife from witnesses, her act of chasing [redacted] with a pen in a threatening manner, and her attempt to stab [redacted] with the pen, GUZMAN was placed under arrest for 245(a)(4) PC - Assault by means of force likely to produce great bodily injury, and 422(a) PC - Criminal Threats.

My Body Worn Camera (BWC) was recording during this incident.

EVIDENCE:

None.

INJURIES:

See case report #26605866 for details regarding GUZMAN's injuries.

[redacted] did not sustain any injuries.

PROPERTY DAMAGE:

None.

FOLLOW-UP:

Detectives' discretion.

RELATED REPORTS:

Officer Ostad #1176 spoke with [redacted] Please see his A-9 for further details.

Officer Newman #7723 spoke with [redacted] and [redacted] Please see his A-9 for further details.

Officer Allender #2110 spoke with GUZMAN. See her A-9 for further details.

See Case #26605866 for additional details regarding the incident.

INDIVIDUAL/S

REPORT NARRATIVE

OFFICER'S STATEMENT:

On 04/15/2026, at approximately 1815 hours, I was in full police uniform, and operating a marked police vehicle, when I responded to the scene of an officer involved shooting near the intersection of 16th Street and Island Street, San Diego, CA 92101. I arrived on scene and took the north perimeter spot at the south side of the intersection of 16th Street and Market Street, closing all inbound pedestrian and vehicle traffic going southbound on 16th Street. I maintained my perimeter position until approximately 2120 hours when I was relieved by Officers Aaland #7462 and Soliven #2250.

This concludes my involvement in this incident.

INDIVIDUAL/S

REPORT NARRATIVE

Officers Statement:

On April 15, 2026 at 1704 hours I was dressed in full police uniform and driving a marked patrol vehicle when I was dispatched to a radio call at 1600 Island Avenue in the City of San Diego. The details of the radio call essentially stated there was a possible assault with a deadly weapon.

I arrived on scene and there were already several patrol vehicles on scene. I parked my patrol vehicle at 1700 Island Avenue and I placed caution tape along the intersection which prevented westbound traffic. I remained there until I was relieved by Officer Ledezma (#2081).

REPORT NARRATIVE

Officer Statement:

On 04-15-2026, around 1704 hours, Officer Ostad #1176 and I were working in full SDPD police uniform and driving a marked patrol vehicle. We responded to a cover now request at the intersection of 16th Street and Island Avenue.

While enroute to the scene, we heard over the radio perimeter positions being established. Based on our familiarity of the radio and experience, Officer Ostad and I believed an Officer Involved Shooting had taken place. Prior to arrival, it was aired over the radio the suspect had a gun shot wound to the leg and would be transported.

We arrived on scene and assisted in checking the area for witnesses. I contacted City of San Diego employee [redacted] (witness) who was working at the time of the incident. I took [redacted] statement (see below for statement).

Reporting Officer	Division / Organization	Reviewed By
SD7723 - NEWMAN, ANTHONY L	CEPAT / CENTD - Central	SD5516 - ZALDIVAR, JESSE R
Report Date: 4/15/2026 10:49:37 PM	Detective Assigned	Reviewed Date: 4/16/2026 1:09:15 AM

The following is a paraphrased statement from [redacted]

I was painting and heard a male screaming "she's stabbing me" multiple times. The male was sitting along the south curbline of 1600 Island Avenue. I looked over and saw a 30-year-old Hispanic female wearing all black with a black bag holding a red object stabbing the male in the left shoulder area. The male got up and tried to distance himself from the female. My co-worker went to call 911. Male ended up behind us on the north curbline of 1600 Island Avenue and the female was in the middle of the intersection of 16th Street and Island Avenue. A male police officer arrived on scene and gave the female verbal commands to drop the weapon. The female did not comply, and the male officer pulled out his handgun. The male officer continued giving commands and the female charged at him. The male officer discharged his firearm. Additional officers arrived on scene, and the female was tased. Officers then took the female into custody along the southeast corner of 16th Street and Island Avenue.

End of statement.

After speaking with [redacted] I contacted his co-worker [redacted] who was also working in the area and witnessed the incident. I took [redacted] statement (see below for statement).

The following is a paraphrased statement from [redacted]

We were painting in the area; I looked over and saw a female stabbing a male. I went up to both of them to break them up. The female was saying "I need his life" over and over again. The female then asked me for a knife. I asked the female why and she replied you know what you need to do. The male got up and the female chased him. The male came back behind us and the female tried to chase him. A male officer arrived on scene and told the female to drop the red pen she was holding. She was uncompliant with his commands and charged at him. The male officer discharged his firearm. Additional units arrived on scene and tased the female. She was still holding the pen and refused to let it go. The female was taken in custody. The officer did the right thing.

End of statement.

Officer's statement continued:

I contacted three other City of San Diego workers [redacted] and [redacted] who were working along the northwest curbline of 16th Street and Island Avenue at the time of the incident. [redacted] stated he did not see much besides the female running around in the area. [redacted] stated he was getting a sign out of a work vehicle when the incident occurred. [redacted] stated he did not witness the incident and only heard police sirens.

I was directed to stand by with witness [redacted] driver of black Toyota 4-Runner [redacted] pending Sheriff Detectives responding to the scene. I stood by with [redacted] until he was spoken too and informed, he could leave the scene.

I maintained a perimeter position at 16th Street and Island Avenue until relieved by 3rd watch Officers.

BWC recording.

REPORT NARRATIVE

Officers Narrative:

On 04/15/2026 at approximately 1704 hours, Officer Newman #7723 and I were in full police uniform driving a marked City of San Diego Police vehicle. We responded to an urgent cover request at 16th Street and Imperial Avenue, San Diego.

The urgent cover requested spanned from an assault with a deadly weapon radio call as the reporting party had stated two males were fighting. One male was reported trying to stab another male with an ice pick. Shortly after, perimeter positions were being established along with an update of a subject having a gun shot wound. Based on our familiarity with certain radio traffic along with our experience, Officer Newman #7723 and I believed an officer involved shooting had taken place.

Upon arrival to 16th Street and Island Avenue, I spoke with a male identified through their California issued identification card as [redacted] is a maintenance worker for the City of San Diego and was working on the roadway at 16th Street and Island Avenue. [redacted] witnessed the incident and was the reporting party (See [redacted] statement below for further).

STATEMENT OF [redacted]
Paraphrased Statement

I saw a white male sitting on the south curbline along the fence facing north on 1700 Island Avenue. An unknown gender subject with long black hair, wearing a black sweater with white decals, wearing a black backpack came from an unknown direction toward the white male. The male began screaming "I dont know you". I saw the suspect on top of the victim making a making an overhead stabbing motion toward the victim's neck area. I saw an unknown object with a red handle in the suspects hand. The object appeared to be an ice pick.

The suspect was in a mounted like position over the victim. The victim was covering their face with their arms. Police arrived coming from the west on Island Avenue. The officer started saying "put it down" approximately 8 to 10 times while having their

firearm out of its holster. While this was happening, the officer instructed bystanders to move out of the way. The suspect proceeded to orient themselves toward the officer while holding what looked like an ice pick in their hand. The suspect began to walk toward the officer, I heard an unknown amount of gun shots. Another officer arrives traveling south on 16th Street, the suspect appeared to become scared and fell over. The suspect got back up off the ground but was tased by arriving officers and taken into custody. The suspect was approximately 5 feet away from the officer while they were holding what appeared to be an ice pick.

END OF STATEMENT

I maintained a perimeter position and maintained scene security until I was cleared to leave the scene by a supervisor. My department issued Axon Body Worn Camera was recording during this incident.

REPORT NARRATIVE

Officer's Report:

On 04/15/2026, at approximately 1704 hours, I was in full police uniform, and operating a marked police vehicle, when I responded to the scene of an officer involved shooting near the intersection of 16th Street and Island Avenue in the City of San Diego.

I arrived on scene and took the south perimeter spot at the east side of the intersection of 16th Street and J Street, closing all inbound pedestrian and vehicle traffic going north bound on 16th Street.

While on perimeter, a bystander, [redacted] (later identified by his US Passport), told me he had partial video footage of the incident. [redacted] stated he did not see the shooting but heard it. [redacted] was on the rooftop of his apartment complex when he observed officers tase the female. [redacted] recorded part of the incident but not the shooting. I provided [redacted] with a link to evidence.com via AXON capture so he could upload the video.

I maintained my perimeter position until I was relieved by Officer Estrella #1921.

REPORT NARRATIVE

ORIGIN:
On 4/16/2026, at approximately 1900 hours, I responded to the area of 16th and Island in the City of San Diego to assist the San Diego County Sheriff's Office Homicide Unit with a San Diego Police Department Officer Involved Shooting. (E10594106)

DEPUTYS ACTIONS/OBSERVATIONS:
I arrived on scene and was present during the Homicide Briefing given by the San Diego Police Department. I learned about the incident and people involved. Once the briefing concluded, Detective Sean Mula #0662, who was the case agent for San Diego Sheriff's Office Homicide, asked Detective Stephen Cornwell and I, to canvas the area for video surveillance.

Detective Cornwell and I searched the north curbline from 16th street on eastbound Island to 17th street. We searched the intersection at 17th and Island. We also searched the south curbline on westbound Island between 16th and 17th. Our search for video surveillance yielded negative results.

Once completed with that, Detective Cornwell and I assisted with a "line search" with numerous other Detectives in the middle of the surrounding streets adjacent to the incident location, looking for pieces of evidence.

This concluded my involvement in this investigation.

INDIVIDUAL/S

REPORT NARRATIVE

ORIGIN:

On 04/15/26, at approximately 1900 hours, I was responded to assist the San Diego County Sheriff's Office (SDSO) Homicide Unit with a San Diego Police Department (SDPD) Officer involved shooting. The location of the shooting the intersection of 16th Street and Island Ave, in the city of San Diego. (E10594106)

DEPUTY'S OBSERVATIONS/ACTIONS:

At about 1930 hours, I arrived on scene at the intersection of 16th Street and Island Avenue. I attended the Homicide Briefing presented by SDPD Sgt. J. Zaldivar #5516. After the conclusion of the briefing, Detective S. Mula #0662, assigned Detective Sievers #3362 and I to canvass the area for video surveillance cameras. We walked the area south of the scene on 16th Street and then walked west on J Street to 15th Street.

Det. Sievers and I located a camera on the east side of the Shift apartment building, above the entrance to the parking garage. That building is located at 1501 Island Ave, in San Diego. The camera faced toward the intersection of 16th St and Island Ave. On the north side of the same building, there were two additional cameras on the side of the building. Due to the late hour, there was no one in the apartment building to assist us with access to the cameras.

I located a camera on the south side of the Public Storage building located at 560 16th Street. The camera appeared to face Island Avenue and possibly could have captured the incident. There was no one at the location to speak to about the potential video surveillance.

At about 2145 hours, I assisted with a "line search" for evidence, other Homicide and area detectives on-scene. We conducted the search on foot from 16th Street to J Street and from Island Ave to 17th Street. About 3-4 possible projectiles were located and later collected by homicide detectives and field evidence technicians.

This concluded my involvement in this investigation.

On 4/15/2026, at approximately 1900 hours, I was called to assist the San Diego County Sheriff's Office (SDSO) Homicide Unit with a San Diego Police Department (SDPD) Officer involved shooting. The location of the shooting was at the intersection of 16th Street and Island Ave, in the City of San Diego. CAD event #E10594106.

DEPUTY'S OBSERVATIONS/ACTIONS:

I arrived on scene at 2010 hours. I attended the Homicide Briefing given by the San Diego Police Department. After the homicide briefing, Case agent Detective Mula #0662, assigned Detective Odell #1061 and I to canvas the area for video surveillance cameras.

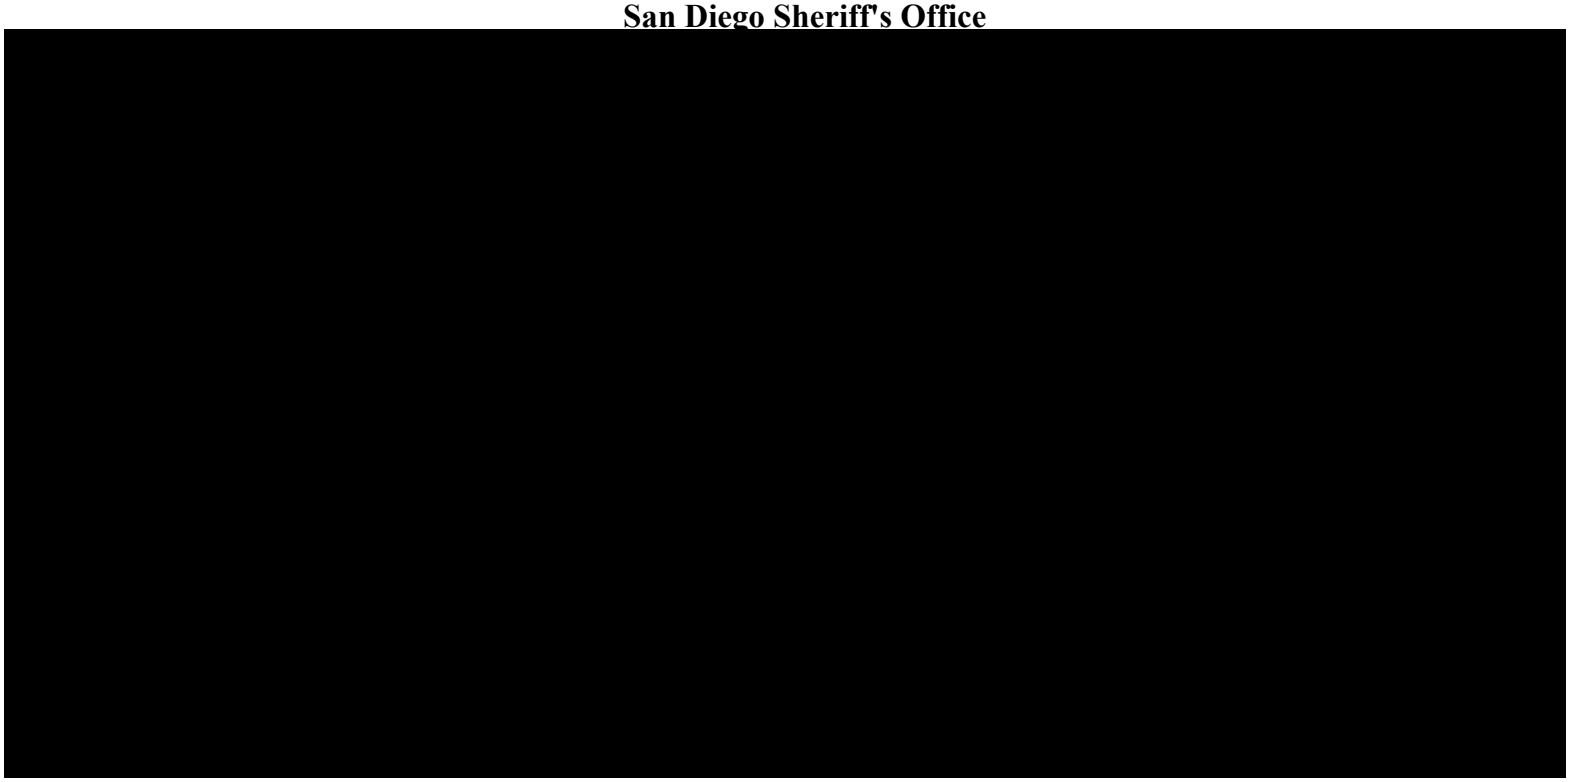

I located a fixed camera mounted on the east side of the Shift apartment building, above the entrance to the parking garage. That building is located at 1501 Island Ave, in San Diego.

The camera seemed to be facing towards the intersection of 16th St and Island Ave. On the north side of the same building, I located two additional mounted surveillance cameras. Due to the apartment lobby being closed, I was unable to speak with anyone inside the building about access to any video surveillance.

I later assisted with a "line search" for evidence, with numerous other Detectives on scene. We conducted the search on foot from 16th street to J street and from Island Ave to 17th street. I did not locate anything of evidentiary value during the walk.

I was later told by Detective Mula, I would have no further assignments on scene. This concluded my involvement in this investigation.

Energize Summary

DURATION OF CONNECTED ENERGIZES

0.000s

The cumulative length of time that the weapon was able to discharge through connected cartridges.

DURATION OF UNCONNECTED ENERGIZES

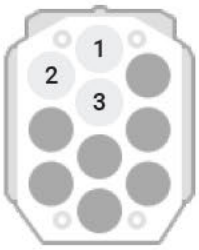

3.898s

The cumulative length of time that the weapon was unable to discharge through cartridges due to a lack of electrical connection.

TOTAL DURATION OF ENERGIZES

3.898s

The length of time that the weapon attempted to cause neuromuscular incapacitation.

REAR VIEW

TOTAL PULSE DURATION

0.0000s (0.0%)

The total length of time during the energize that the weapon discharged high-voltage energy into conductive material.

CARTRIDGES DEPLOYED

3

The number of cartridges deployed between the start of this Arm event and the end of this energize, including any cartridges from a prior Arm event that remain connected.

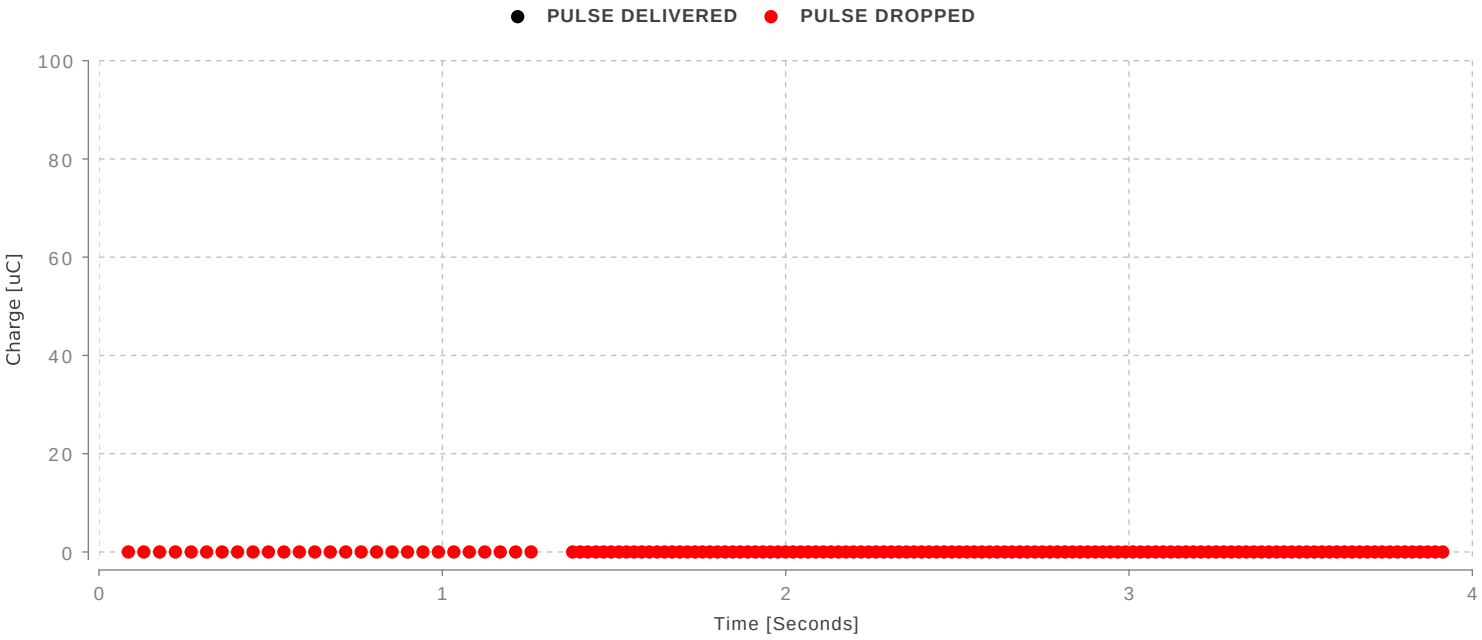

Energize Timeline

Each row lists the cartridges into which energy may be discharged during a segment of the energize. Two or more cartridges must complete an electrical circuit to be capable of discharging high-voltage energy.

Start Time	End Time	Cartridges Connected	Duration
0.000s	3.898s	None	3.898s

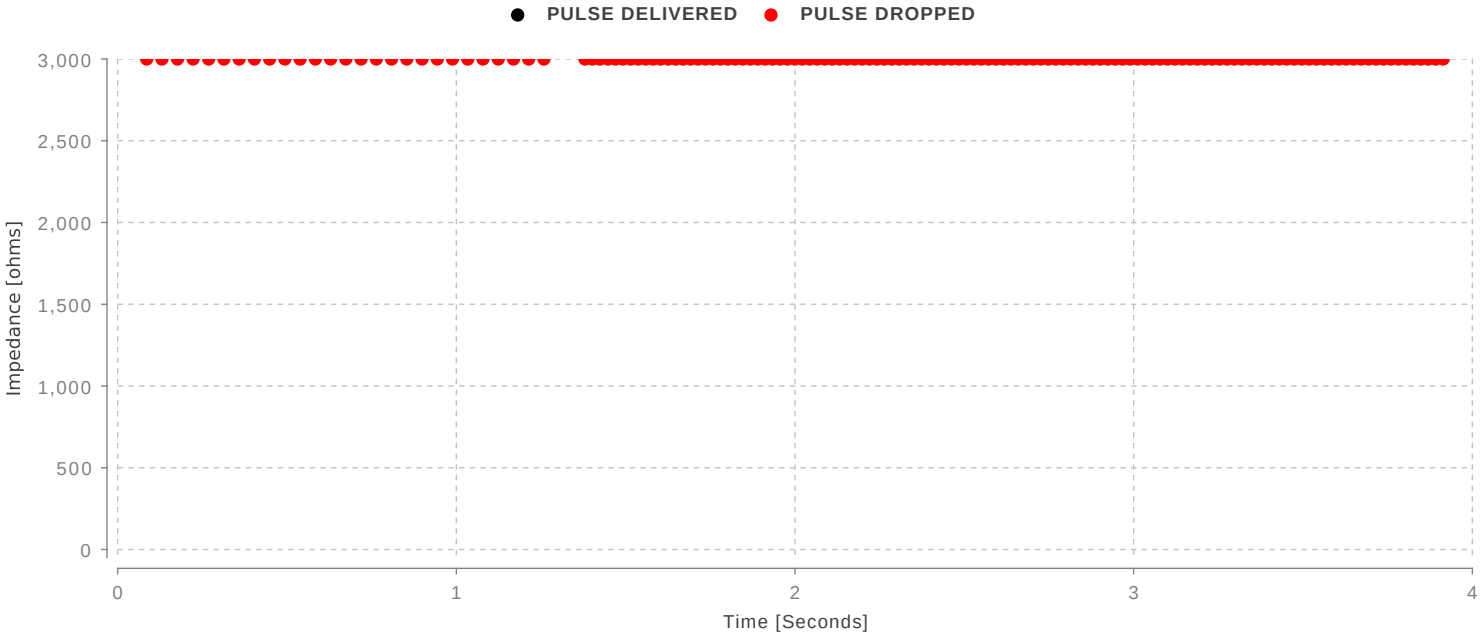

Pulse Charge Graph

Charts the energy delivered by each electrical pulse through connected cartridges. The weapon drops pulses when unable to deliver energy. Changes in pulse charge or dropped pulses indicate changes to the connection.

Pulse Impedance Graph

Charts the impedance of the electrical circuit. The impedance value can help identify the material receiving the energy. When the impedance value is greater than 3000 ohms, the weapons operational range, a dropped pulse is displayed on the 3000 ohm line.

TASER 10 (T19E38073) Pulse Graph 2

Pulse Charge Graph

Charts the energy delivered by each electrical pulse through connected cartridges. The weapon drops pulses when unable to deliver energy. Changes in pulse charge or dropped pulses indicate changes to the connection.

Pulse Impedance Graph

Charts the impedance of the electrical circuit. The impedance value can help identify the material receiving the energy. When the impedance value is greater than 3000 ohms, the weapons operational range, a dropped pulse is displayed on the 3000 ohm line.

Energize Summary

• **Pulse:** A pulse is a very short burst of electricity. The weapon discharges a series of pulses to incapacitate a subject over a period of time. The duration of each pulse can vary as the weapon modifies its output to maximize the potential for incapacitation.

• **Total Duration of Energizes:** The length of time that the weapon attempted to cause neuromuscular incapacitation. It begins when the energize timer starts and ends when it expires. An energize timer starts when the operator pulls the trigger or presses the switch up and electrical discharge is possible. Specifically, those scenarios are when: the second cartridge is deployed or the trigger is pulled or switch pressed up while two or more cartridges are deployed. The length of an energize timer is 5 seconds, +/- 0.250s. The energize timer can be reset by pulling the trigger or pressing the switch up during the energize. The energize can be extended indefinitely by holding the trigger or switch up past the end of the energize timer. The ability to reset or extend the energize timer is controlled by the TASER 10 agency setting, Automatic Shut Down.

• **Duration of Connected Energizes:** The cumulative length of time that the weapon was able to discharge through connected cartridges. This is the duration of time during which the device is attempting to cause neuromuscular incapacitation with at least 2 cartridges connected to conductive material.

• **Duration of Unconnected Energizes:** The cumulative length of time that the weapon was unable to discharge through cartridges due to a lack of electrical connection. This is the duration of time during which the device is attempting to cause neuromuscular incapacitation while lacking a cartridge connection with conductive material.

• **Total Pulse Duration:** The total length of time during the energize that the weapon discharged high-voltage energy into conductive material. It is the sum of the durations of each pulse. Note, the maximum possible duration of each pulse is used in the calculation making the Total Pulse Duration the maximum possible duration. The actual value is smaller.

• **Cartridges Deployed:** Cartridges deployed between the start of this Arm event and the end of this energize and any cartridges from a prior Arm event that remain connected. Cartridges are numbered by the order in which they are deployed.

Energize Timeline

• **Cartridges Connected:** The list of cartridges into which energy may be discharged. Two or more cartridges must complete an electrical circuit to be capable of discharging electricity for the purpose of incapacitation.

• **Start Time & End Time:** Displays the start and end time when a given set of cartridges were connected, relative to the Energize Start.

• **Duration:** Displays the total duration that a set of cartridges were connected.

Pulse Graphs

• **Charge:** The rate of electrical flow for a given pulse. The weapon monitors the impedance of its connections and dynamically adjusts charge to maximize the probability it is effective. The weapon is designed to discharge electricity between 52 and 95 µC, when averaged over 8 pulses. Note, although a cartridge may show as connected, if it's connection's impedance is greater than 3000 ohms, it cannot deliver charge for incapacitation. As the weapon attempts to identify good connections, it will attempt to deliver pulses on each connection, one by one. Each attempt to pulse on a connection with greater than 3000 ohms results in a dropped pulse. Once the weapon identifies connections with less than 3000 ohms, it will focus discharging pulses through those connections.

• **Impedance:** Impedance is a measurement of electrical resistance in an electrical circuit. Impedance is calculated by the weapon during the energize. The impedance value can help identify the material receiving the energy. The Impedance of the human body varies greatly from person to person and day to day depending on numerous factors. As a general reference, the following ranges were identified during a scientific study: < 300 ohms is not human tissue, 400 to 800 ohms can be human muscle, >900 ohms is skin, fat, or not human tissue (Dawes et. al. 2010). Reference: Dawes D, Ho J, Kroll M, Miner J. 2010. Electrical Characteristics of an Electronic Control Device Under a Physiologic Load: A Brief Report. PACE. 33(3):330-336

Energize Summary

DURATION OF CONNECTED ENERGIZES

0.000s

The cumulative length of time that the weapon was able to discharge through connected cartridges.

DURATION OF UNCONNECTED ENERGIZES

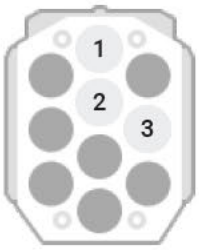

0.842s

The cumulative length of time that the weapon was unable to discharge through cartridges due to a lack of electrical connection.

TOTAL DURATION OF ENERGIZES

0.842s

The length of time that the weapon attempted to cause neuromuscular incapacitation.

REAR VIEW

TOTAL PULSE DURATION

0.0000s (0.0%)

The total length of time during the energize that the weapon discharged high-voltage energy into conductive material.

CARTRIDGES DEPLOYED

3

The number of cartridges deployed between the start of this Arm event and the end of this energize, including any cartridges from a prior Arm event that remain connected.

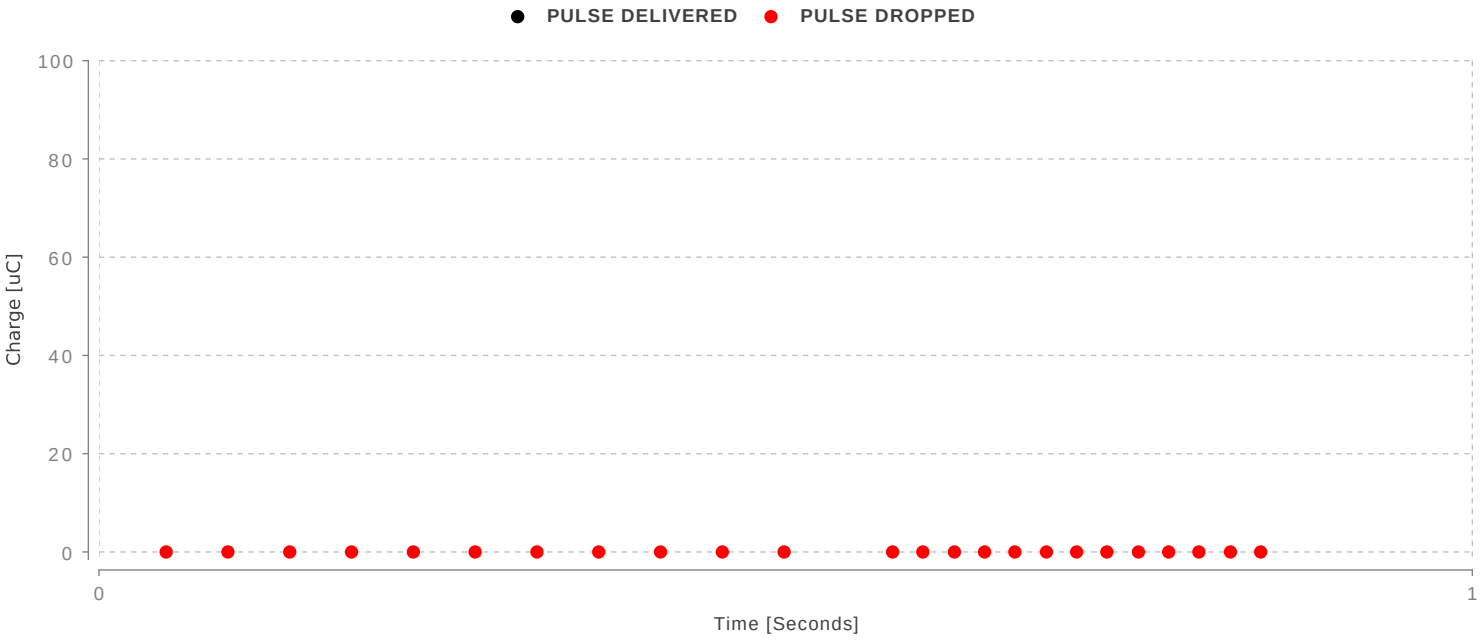

Energize Timeline

Each row lists the cartridges into which energy may be discharged during a segment of the energize. Two or more cartridges must complete an electrical circuit to be capable of discharging high-voltage energy.

Start Time	End Time	Cartridges Connected	Duration
0.000s	0.842s	None	0.842s

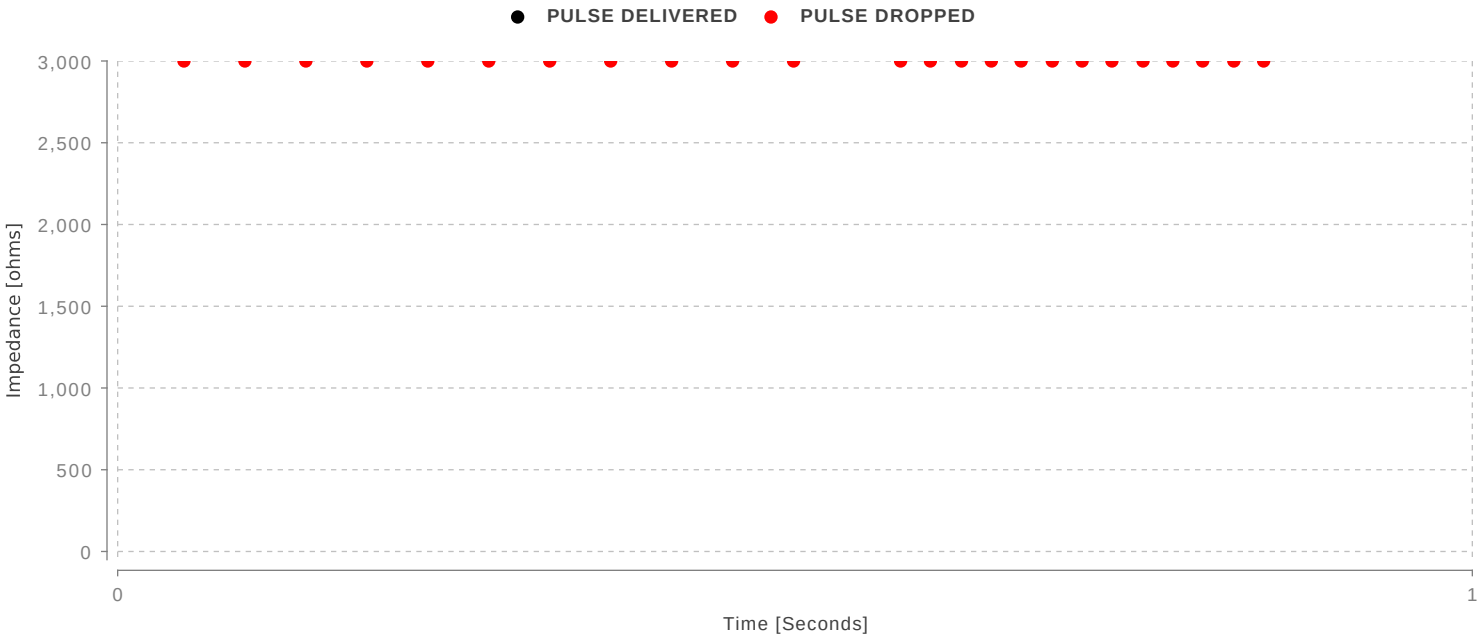

Pulse Charge Graph

Charts the energy delivered by each electrical pulse through connected cartridges. The weapon drops pulses when unable to deliver energy. Changes in pulse charge or dropped pulses indicate changes to the connection.

Pulse Impedance Graph

Charts the impedance of the electrical circuit. The impedance value can help identify the material receiving the energy. When the impedance value is greater than 3000 ohms, the weapons operational range, a dropped pulse is displayed on the 3000 ohm line.

Pulse Charge Graph

Charts the energy delivered by each electrical pulse through connected cartridges. The weapon drops pulses when unable to deliver energy. Changes in pulse charge or dropped pulses indicate changes to the connection.

Pulse Impedance Graph

Charts the impedance of the electrical circuit. The impedance value can help identify the material receiving the energy. When the impedance value is greater than 3000 ohms, the weapons operational range, a dropped pulse is displayed on the 3000 ohm line.

Energize Summary

DURATION OF CONNECTED ENERGIZES

4.834s

The cumulative length of time that the weapon was able to discharge through connected cartridges.

DURATION OF UNCONNECTED ENERGIZES

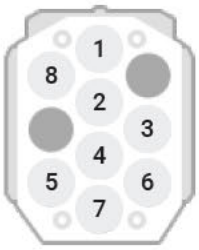

0.155s

The cumulative length of time that the weapon was unable to discharge through cartridges due to a lack of electrical connection.

TOTAL DURATION OF ENERGIZES

4.989s

The length of time that the weapon attempted to cause neuromuscular incapacitation.

REAR VIEW

TOTAL PULSE DURATION

0.0176s (0.353%)

The total length of time during the energize that the weapon discharged high-voltage energy into conductive material.

CARTRIDGES DEPLOYED

8

The number of cartridges deployed between the start of this Arm event and the end of this energize, including any cartridges from a prior Arm event that remain connected.

Energize Timeline

Each row lists the cartridges into which energy may be discharged during a segment of the energize. Two or more cartridges must complete an electrical circuit to be capable of discharging high-voltage energy.

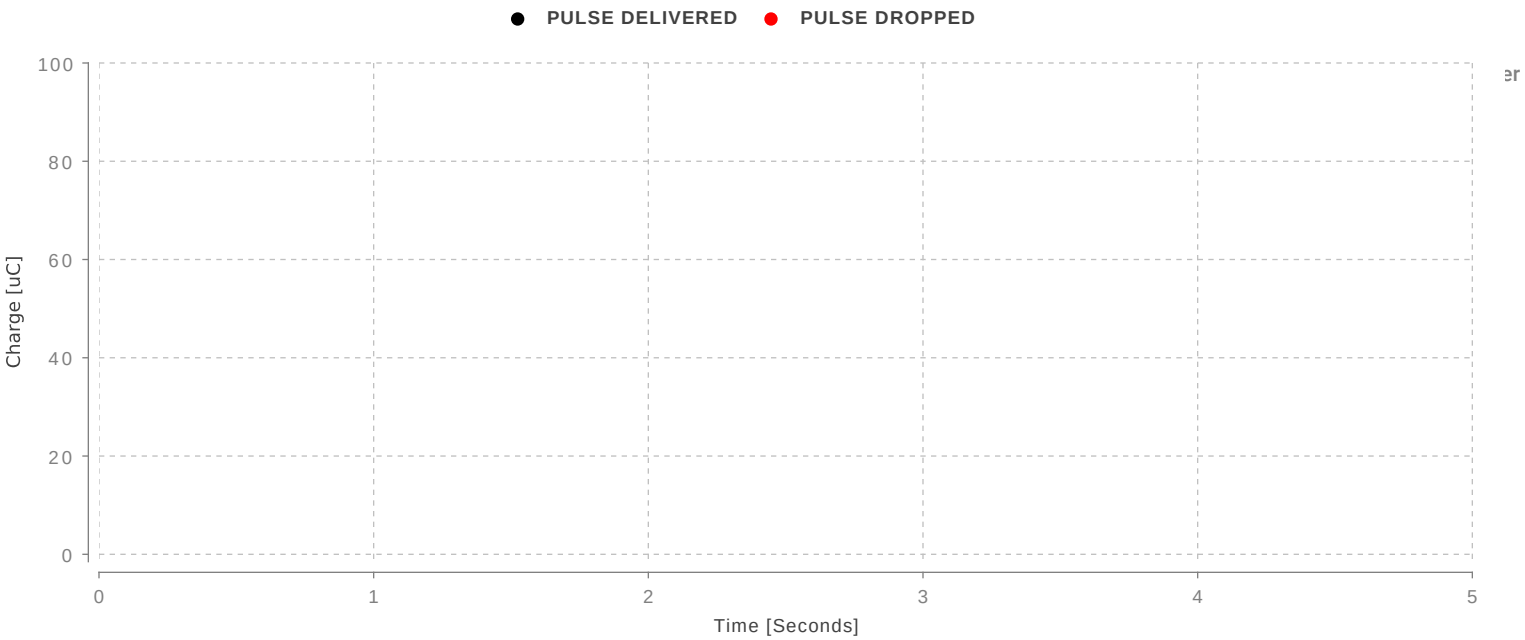

Start Time	End Time	Cartridges Connected	Duration
0.000s	0.066s	5, 7, 8	0.066s
0.066s	0.110s	5, 6, 7, 8	0.044s

Pulse Charge Graph

Charts the energy delivered by each electrical pulse through connected cartridges. The weapon drops pulses when unable to deliver energy. Changes in pulse charge or dropped pulses indicate changes to the connection.

There was an error processing the weapon data. Send logs to Axon Technical Support for analysis using the Send Log button on the Device Log page. Axon Technical Support will then investigate your issue and followup soon after. If your issue is time sensitive, please contact Axon Technical Support directly.

Energize Summary

• **Pulse:** A pulse is a very short burst of electricity. The weapon discharges a series of pulses to incapacitate a subject over a period of time. The duration of each pulse can vary as the weapon modifies its output to maximize the potential for incapacitation.

• **Total Duration of Energizes:** The length of time that the weapon attempted to cause neuromuscular incapacitation. It begins when the energize timer starts and ends when it expires. An energize timer starts when the operator pulls the trigger or presses the switch up and electrical discharge is possible. Specifically, those scenarios are when: the second cartridge is deployed or the trigger is pulled or switch pressed up while two or more cartridges are deployed. The length of an energize timer is 5 seconds, +/- 0.250s. The energize timer can be reset by pulling the trigger or pressing the switch up during the energize. The energize can be extended indefinitely by holding the trigger or switch up past the end of the energize timer. The ability to reset or extend the energize timer is controlled by the TASER 10 agency setting, Automatic Shut Down.

• **Duration of Connected Energizes:** The cumulative length of time that the weapon was able to discharge through connected cartridges. This is the duration of time during which the device is attempting to cause neuromuscular incapacitation with at least 2 cartridges connected to conductive material.

• **Duration of Unconnected Energizes:** The cumulative length of time that the weapon was unable to discharge through cartridges due to a lack of electrical connection. This is the duration of time during which the device is attempting to cause neuromuscular incapacitation while lacking a cartridge connection with conductive material.

• **Total Pulse Duration:** The total length of time during the energize that the weapon discharged high-voltage energy into conductive material. It is the sum of the durations of each pulse. Note, the maximum possible duration of each pulse is used in the calculation making the Total Pulse Duration the maximum possible duration. The actual value is smaller.

• **Cartridges Deployed:** Cartridges deployed between the start of this Arm event and the end of this energize and any cartridges from a prior Arm event that remain connected. Cartridges are numbered by the order in which they are deployed.

Energize Timeline

• **Cartridges Connected:** The list of cartridges into which energy may be discharged. Two or more cartridges must complete an electrical circuit to be capable of discharging electricity for the purpose of incapacitation.

• **Start Time & End Time:** Displays the start and end time when a given set of cartridges were connected, relative to the Energize Start.

• **Duration:** Displays the total duration that a set of cartridges were connected.

Pulse Graphs

• **Charge:** The rate of electrical flow for a given pulse. The weapon monitors the impedance of its connections and dynamically adjusts charge to maximize the probability it is effective. The weapon is designed to discharge electricity between 52 and 95 µC, when averaged over 8 pulses. Note, although a cartridge may show as connected, if it's connection's impedance is greater than 3000 ohms, it cannot deliver charge for incapacitation. As the weapon attempts to identify good connections, it will attempt to deliver pulses on each connection, one by one. Each attempt to pulse on a connection with greater than 3000 ohms results in a dropped pulse. Once the weapon identifies connections with less than 3000 ohms, it will focus discharging pulses through those connections.

• **Impedance:** Impedance is a measurement of electrical resistance in an electrical circuit. Impedance is calculated by the weapon during the energize. The impedance value can help identify the material receiving the energy. The Impedance of the human body varies greatly from person to person and day to day depending on numerous factors. As a general reference, the following ranges were identified during a scientific study: < 300 ohms is not human tissue, 400 to 800 ohms can be human muscle, >900 ohms is skin, fat, or not human tissue (Dawes et. al. 2010).
