**SCENE LOCATION:**

**DNA TECHNICAL MANAGER:** Shawn Montpetit

**DATE OF REPORT:**

July 2, 2013

**BACKGROUND**

On April 27, 2013, at approximately 0130 hours, I was informed of an officer involved shooting at Quebec Court in the Bay Terraces neighborhood of San Diego. I arrived at the scene at approximately 0215 hours and received the following information:

A domestic violence incident at [REDACTED] involving a knife, spilled into the neighborhood when the female suspect chased the male victim into a nearby parking lot on Quebec Court (Figure 1). The female suspect was seen to be wielding a knife. Witnesses stated that they saw the officer confront the suspect and give commands to drop the knife. The witnesses further stated that they saw the female suspect run towards the officer with the knife overhead. The officer then fired his weapon.

Officer Barrett stated that he entered the driveway off Quebec Court and saw the female suspect in the parking lot holding a knife. Officer Barrett stated he gave the suspect several commands to drop the knife when she started to advance towards him. Officer Barrett stated he fired his weapon several times at the suspect in a southwesterly direction. Witness Officer Scheidecker stated he saw Officer Barrett behind the trunk of his patrol car with his weapon drawn and the suspect face down on the ground. An officer on scene removed the knife from the suspect's hand. The suspect was pronounced dead at the scene.

**SCENE DESCRIPTION – Scene at Quebec Court**

The officer involved shooting incident occurred in the driveway/parking lot for the apartments located between the 6800 block of Quebec Court and the 2300 block of Ritva Place. There are eight apartments whose occupants have parking spaces on the driveway between Quebec Court and Ritva Place. The shooting incident occurred between the parking spaces for [REDACTED] Quebec Court and [REDACTED] Quebec Court.

**CASE #13-016293**

**July 2, 2013**

**Page 2 of 5**

### **SCENE DESCRIPTION – Scene at Quebec Court (continued)**

Officer Barrett's patrol vehicle (SDPD 6860) was parked facing west on the driveway between the parking spaces for [REDACTED] Quebec Court and [REDACTED] Quebec Court. The suspect's body was on the ground south of Officer Barrett's patrol vehicle. Numerous apparent blood drops were observed in the vicinity of the suspect's body.

**Figure 1 – 6800 Quebec Court and Ritva Place**

*Image taken from Google Maps. Vehicles in image do not represent vehicles present at time of incident.*

A single apparent bullet strike was observed on the tail light on the driver side of a silver Nissan Altima (CA licence [REDACTED]) parked in front of [REDACTED] Quebec Court. There were glass fragments on the ground beneath the driver side rear quarter panel.

### **SUSPECT INJURIES**

The suspect was shot multiple times. The suspect had bullet entry wounds to the upper left thigh, the abdomen, the left hand, the upper right side of the chest, and above the right eye.

### **OBSERVATIONS – Scene at Quebec Court**

Six 9mm cartridge cases were observed in the area to the rear of Officer Barrett's patrol vehicle.

A knife was observed slightly south of the suspect's body.

## **OBSERVATIONS – [REDACTED] (continued)**

**Figure 2 - Scene at Quebec Court**

Numerous apparent bloodstains were observed in the area southwest of the suspect's body. The drops appear consistent with passive blood drops and show directionality indicating the bleeder was traveling eastward while bleeding.

Based on the location of the apparent bullet strike on the Nissan Altima, the bullet that struck the tail light was traveling west-southwest and was traveling at a shallow angle, nearly parallel with the pavement.

## **SCENE DESCRIPTION – Scene at [REDACTED] Ritva Place [REDACTED]**

[REDACTED] Ritva Place [REDACTED] is a two bedroom, one bathroom ground floor unit. The front door faces west. The front door leads to the main living area that comprises the living room dining room and kitchen area on the south side of the apartment. There is a sliding door on the south wall of the living room leading to a patio. A hallway leads north from the living room area to two bedrooms and a bathroom.

The living room and dining room areas of the house were in disarray. A jar of taco sauce was broken and there appeared to be taco sauce on several items and surfaces throughout the kitchen, dining, and living rooms. Several chairs and stools were knocked over and numerous apparent bloodstains were observed. The apparent bloodstains were primarily located in the living room

## Page 4 of 5

The injuries sustained by the suspect indicate that she was facing Officer Barrett when he discharged his firearm. The number and location of the cartridge cases at the scene and the apparent bullet strike in the Nissan Altima are also consistent with Officer Barrett being near or behind the trunk of his patrol vehicle when he fired six times in a southwesterly direction toward the suspect.

**CONCLUSIONS**

The examination of the apartment at 2380 Ritva Place ■ indicates signs of a struggle or fight and is consistent with the information received regarding the domestic violence call received regarding that residence.

The injuries sustained by the suspect indicate that she was facing Officer Barrett when he discharged his firearm. The number and location of the cartridge cases at the scene and the apparent bullet strike in the Nissan Altima are also consistent with Officer Barrett being near or behind the trunk of his patrol vehicle when he fired six times in a southwesterly direction toward the suspect.

**DATE OF REPORT:**

July 2, 2013

**BACKGROUND**

On April 27, 2013, at approximately 0130 hours, I was informed of an officer involved shooting at Quebec Court in the Bay Terraces neighborhood of San Diego. I arrived at the scene at approximately 0215 hours and received the following information:

A domestic violence incident at [REDACTED] involving a knife, spilled into the neighborhood when the female suspect chased the male victim into a nearby parking lot on Quebec Court (Figure 1). The female suspect was seen to be wielding a knife. Witnesses stated that they saw the officer confront the suspect and give commands to drop the knife. The witnesses further stated that they saw the female suspect run towards the officer with the knife overhead. The officer then fired his weapon.

Officer Barrett stated that he entered the driveway off Quebec Court and saw the female suspect in the parking lot holding a knife. Officer Barrett stated he gave the suspect several commands to drop the knife when she started to advance towards him. Officer Barrett stated he fired his weapon several times at the suspect in a southwesterly direction. Witness Officer Scheidecker stated he saw Officer Barrett behind the trunk of his patrol car with his weapon drawn and the suspect face down on the ground. An officer on scene removed the knife from the suspect's hand. The suspect was pronounced dead at the scene.

**SCENE DESCRIPTION – Scene at Quebec Court**

The officer involved shooting incident occurred in the driveway/parking lot for the apartments located between the 6800 block of Quebec Court and the 2300 block of Ritva Place. There are eight apartments whose occupants have parking spaces on the driveway between Quebec Court and Ritva Place. The shooting incident occurred between the parking spaces for [REDACTED] Quebec Court and [REDACTED] Quebec Court.

## **CRIME SCENE RECONSTRUCTION REPORT**

**CASE #13-016293**

### **SCENE DESCRIPTION – Scene at Quebec Court (continued)**

Officer Barrett's patrol vehicle (SDPD 6860) was parked facing west on the driveway between the parking spaces for [REDACTED] Quebec Court and [REDACTED] Quebec Court. The suspect's body was on the ground south of Officer Barrett's patrol vehicle. Numerous apparent blood drops were observed in the vicinity of the suspect's body.

A single apparent bullet strike was observed on the tail light on the driver side of a silver Nissan Altima (CA licence [REDACTED]) parked in front of [REDACTED] Quebec Court. There were glass fragments on the ground beneath the driver side rear quarter panel.

### **SUSPECT INJURIES**

The suspect was shot multiple times. The suspect had bullet entry wounds to the upper left thigh, the abdomen, the left hand, the upper right side of the chest, and above the right eye.

### **OBSERVATIONS – Scene at Quebec Court**

Six 9mm cartridge cases were observed in the area to the rear of Officer Barrett's patrol vehicle.

A knife was observed slightly south of the suspect's body.

## **OBSERVATIONS – [REDACTED] Quebec Court (continued)**

Numerous apparent bloodstains were observed in the area southwest of the suspect's body. The drops appear consistent with passive blood drops and show directionality indicating the bleeder was traveling eastward while bleeding.

Based on the location of the apparent bullet strike on the Nissan Altima, the bullet that struck the tail light was traveling west-southwest and was traveling at a shallow angle, nearly parallel with the pavement.

## **SCENE DESCRIPTION – Scene at 2830 Ritva Place [REDACTED]**

[REDACTED] Ritva Place [REDACTED] is a two bedroom, one bathroom ground floor unit. The front door faces west. The front door leads to the main living area that comprises the living room dining room and kitchen area on the south side of the apartment. There is a sliding door on the south wall of the living room leading to a patio. A hallway leads north from the living room area to two bedrooms and a bathroom.

The living room and dining room areas of the house were in disarray. A jar of taco sauce was broken and there appeared to be taco sauce on several items and surfaces throughout the kitchen, dining, and living rooms. Several chairs and stools were knocked over and numerous apparent bloodstains were observed. The apparent bloodstains were primarily located in the living room

and dining room. A knife with apparent bloodstains was found partially covered by a throw rug near the front door.

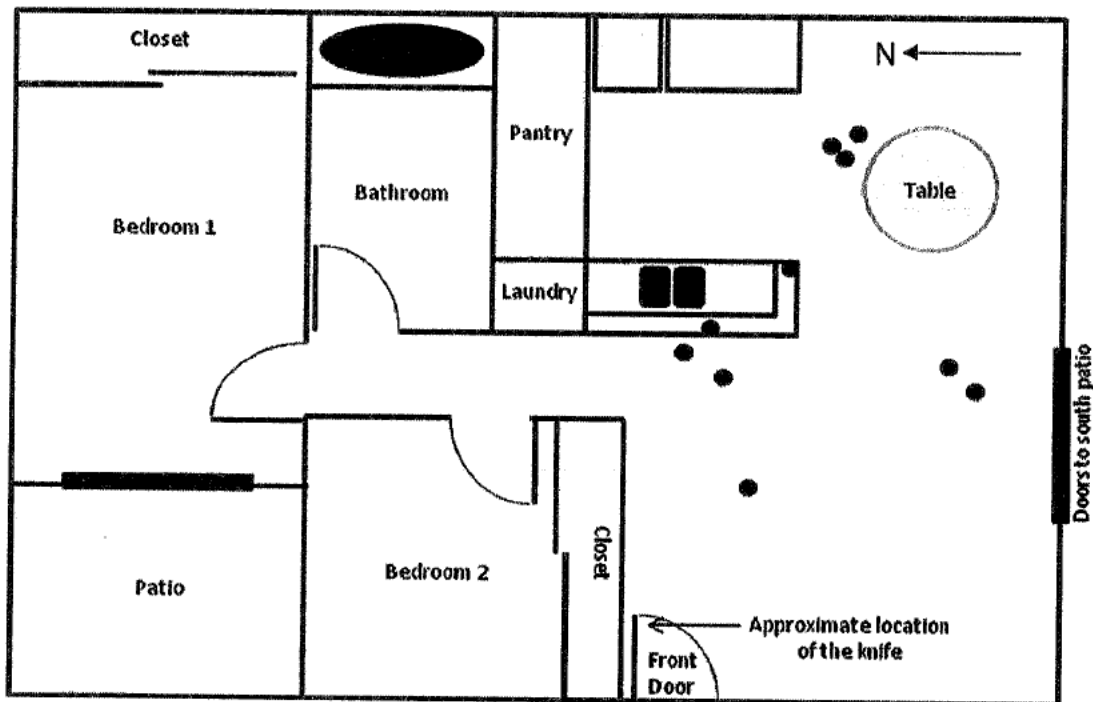

Figure 3 - Diagram of [REDACTED] Ritva Place [REDACTED]  
Red dots indicate observed areas of apparent bloodstaining.

### OBSERVATIONS – Scene at [REDACTED] Ritva Place [REDACTED]

The apparent bloodstains observed were small stains consistent with passive blood drops. Some of the bloodstains had dried and were beginning to flake.

### CONCLUSIONS

The examination of the apartment at [REDACTED] Ritva Place [REDACTED] indicates signs of a struggle or fight and is consistent with the information regarding the domestic violence call.

The injuries sustained by the suspect indicate that she was facing Officer Barrett when he discharged his firearm. The number and location of the cartridge cases at the scene and the apparent bullet strike in the Nissan Altima are also consistent with Officer Barrett being near or behind the trunk of his patrol vehicle when he fired six times in a southwesterly direction toward the suspect.

**CALL OUT:**

**ORIGIN:**

On Saturday, April 27, 2013, at approximately 0045 hours, I was off duty and at home when I received a phone call from Sergeant Paul PHILLIPS, ID 4882. Sergeant PHILLIPS told me to respond and assist in the investigation of an officer involved shooting that had just occurred in the 6800 block of Quebec Court.

I left my house at approximately 0125 hours. While driving to the scene, I noticed the traffic conditions were light. The weather was clear and cool. I later learned the temperature was approximately 60 degrees. I was wearing blue utility pants, a black collared shirt, and a pair of black boots.

I arrived at the scene at approximately 0140 hours. I secured my police vehicle along the west curb of the 6800 block of Quebec Court. I observed several uniformed police officers and marked police vehicles securing the parking lot leading into an apartment complex located at [REDACTED] Quebec Court. Additionally, I noted there was yellow police tape and uniformed officers blocking pedestrian traffic into the parking lot from the apartments located on the north and south side of the parking lot. On the west end of the parking lot, I noted there was yellow police tape and marked patrol vehicles blocking vehicle and pedestrian traffic into the parking lot. As I walked to the area just outside the primary crime scene, I noted members of the media had already begun to set up on the east end of the parking lot. The crime scene appeared to be contained.

[REDACTED] got into the backseat of the patrol to assist the officers while they looked for ZARCO. [REDACTED] stated he did not witness the officers shoot ZARCO.

Suspect, Maria ZARCO, was pronounced deceased by Medic 32 at about 0033 hours in the parking lot of 6800 Quebec Court. ZARCO was face down on the ground next to Officer BARRETT'S patrol vehicle when other officers arrived after the shooting incident.

While responding to the initial radio call of the child endangerment, a second radio call of an assault with a deadly weapon in progress was aired via the police radio. Officers found two children near the area of Panamint Row and Ritva Place. I would later learn the children were identified as [REDACTED] (9 years old) and [REDACTED] (16 years old). Maria ZARCO and [REDACTED] were identified as [REDACTED] and [REDACTED] mother and father.

At the time of the briefing, [REDACTED] and [REDACTED] statements were unknown. Officer HINDS was standing by with the witnesses until detectives interviewed them.

Officer BARRETT, the shooting officer, was currently at the Southeastern substation with Officer SPOILLANE, ID 6099.

The second responding officer, Officer Andrew SHEIDECKER, ID 6827, arrived on scene and saw Officer BARRETT standing behind the trunk of his vehicle. Officer DOMINGUEZ, ID 6269 also responded and removed the knife from the suspect's hand. Officer DOMINGUEZ assisted other officers in handcuffing the suspects. Officer DOMINGUEZ was standing by with the suspect and the knife. (Prior to the briefing, I noted Officer DOMINGUEZ was standing by the suspect inside the crime scene. Around midnight, [REDACTED] [REDACTED] heard an argument occurring at [REDACTED] Ritva Place [REDACTED]. The witnesses heard a male yelling at a female. They could not hear what was being said, but there were frequent arguments at this location. The witnesses indicated it was their belief that the "husband" at this location had beaten the "wife" on previous occasions because they saw bruises on her body in the past.

The witnesses heard glass breaking and the children screaming for help. The witnesses looked outside and saw [REDACTED] and [REDACTED] running into the parking lot adjacent to [REDACTED] Ritva Place. The witnesses then saw both children, the "husband," and the "wife" running east bound on Adirondack Row.

Witnesses [REDACTED] and [REDACTED] were walking southbound toward Panamint Row when the children ran up to them. The younger boy, later identified as [REDACTED] was wearing no shoes and he was bleeding profusely. Witnesses reported [REDACTED] screaming, "My mommy stabbed me. My mommy stabbed me. Help us!" Both children were hysterical.

The older child, [REDACTED] (later identified as [REDACTED]) told paramedics his mother and father were having an argument. His father told [REDACTED] "Get your mom." After saying this, [REDACTED] mother picked up a knife and attacked [REDACTED] for no apparent reason. [REDACTED] tried to stop his mom, but she picked up a ceramic vase and broke it over his head.

Witnesses saw the "husband and wife" on Quebec Street. Witnesses did not see anything in either of their hands. [REDACTED] heard the "wife" yelling at the husband, "I'm going to kill you! I'm going to kill you! I'm the boss! Your time is out! I'm the law here!" The "husband" said something to the "wife," but nobody could understand what he was saying.

[REDACTED] looked out her window and heard the "wife" say, "My life is already over!" [REDACTED] heard the "husband" reply, but she did not understand what he said. [REDACTED] walked outside and saw the two standing on Quebec Court. She heard the "husband" say, "I don't know you. I don't know what you are talking about." The "wife" then said, "That's it! That's the end!"

None of the witnesses contacted from the incident on 2300 Ritva Place saw the officer involved shooting, but they heard the gunshots.

[REDACTED] heard, "Get down! Get down! Get down!" followed by three gunshots.

[REDACTED] heard a female yell in Spanish, "Don't get close to me! Don't get near me!" followed by seven gunshots.

[REDACTED] heard, "Police! Get on the ground!" She then heard a female yell in Spanish, "No, don't touch me." She then heard, "Police! Get on the ground or I am going to shoot you!" followed by three shots.

While processing the scene at [REDACTED] Ritva Place [REDACTED] sister arrived at the location with several other family members. [REDACTED] told officers that [REDACTED] indicated his wife, Maria ZARCO, had been acting strange and they needed to "Christen" the house. During the day, [REDACTED] told his sister he called ZARCO several times, but she did not answer. He left several voicemail messages starting at about 1700 hours. [REDACTED] told his sister, that ZARCO was talking about "devil" and the kids were afraid.

At about 0022 hours, [REDACTED] called his sister, [REDACTED] from the back seat of a patrol vehicle. He told [REDACTED] "I told you this was going to happen. My wife is dead. She stabbed me with a knife. The kids saw everything. My child's mother is dead."

Acting Sergeant Kevin VALENZUELA indicated that officers checked the residences closest to where the officer involved shooting occurred, which were [REDACTED] Quebec Court [REDACTED] and [REDACTED] Quebec Court [REDACTED] and ensured there were no gunshot strike marks on these residences.

The briefing concluded at about 0316 hours.

**OFFICER WALK-THROUGH (Officer Michael BARRETT, ID 6469):**

Following the briefing, Officer BARRETT provided his account of what occurred to investigators and other members associated with the officer involved shooting investigation. The walk-thru statement took place in the parking lot for the apartments located at [REDACTED] Quebec Court, east of the crime scene. Officer BARRETT'S statement was recorded and it began at approximately 0404 hours and ended at approximately 0412 hours.

We walked closer to the crime scene and stopped about 25 feet east of the eastern perimeter of the crime scene. He pointed to a location west of our location and south of his marked patrol vehicle, equipment number 6860, which was still parked inside the crime scene. Officer BARRETT essentially said the following:

I came into the parking lot from the east. As I drove into the area, I heard the updates on the radio and at the same time I heard screaming. I looked in that direction, where the grey van is parked (indicating south west in the parking lot) and saw a female matching the description provided via the police radio wearing blue sweat pants. I recalled the information provided via the radio was that she threatened a male or somebody with a knife.

I then heard a male screaming and a male standing close to the possible suspect over there (indicating on the south side of the parking lot.) I continued to drive my car west bound through the parking lot toward the suspect. I believed she could have been stabbing someone, so I remember thinking I had to get there quickly. I advised over the radio that I was with the suspect and I was going to be contacting her.

As I drove closer, I saw two males standing close to her. One male was standing in between the cars and the other was standing in the driveway. I closed the distance on her and I noted she had a knife in her left hand. She was holding the knife with the blade up in the air.

The suspect was "hunched" in an aggressive posture and she was moving toward the male who was standing in the middle of the driveway. She was posturing as if she was going to charge him. I hit her with the spot light. I noted the male was saying something, but I don't remember what he said.

I exited my patrol vehicle and yelled, "Police! Drop the knife! Drop the knife!" At the time, she was standing next to the gray van (indicating she was on the south side of the parking lot under the carport numbered [REDACTED]) She then turned and faced the man who was standing in between the cars. Both males then started moving away from her (indicating they were moving toward the apartments south of the parking lot.)

I continued to yell commands for her to drop the knife. She then turned toward me and froze. She then haunches forward and moves toward me in a very quick pace. She looked almost animal-like. She was grunting or growling as she started running toward me. I yelled at her to stop, but she continued.

I drew the line when as she got closer to me. I believed that knife was going to cut me. I counted on being cut. I shot my weapon. I remembered counting my rounds initially, but I remembered thinking, "I know I am hitting her, but she is not stopping." I lost count of my rounds, but I fired until she stopped. Finally, she crumpled down to the ground. She still had the knife in her hand while she was lying on the ground.

I held her at gun point and waited for cover officers to respond. As I waited, I moved. She was still in a fetal position on the ground and she still had the knife in her hand. I don't recall if I put stuff out on the air. I could hear the sirens coming closer, so I knew people were enroute. I remembered still telling her to drop the knife. I moved behind my car in case she got up again.

When officers arrived, me and two other officers approached her and handcuffed her. One of the officers, I don't remember who, removed the knife from her hand. I did not touch the knife. We rolled her over.

I don't remember exactly where I was when the shots were fired. The first car is my patrol car (referring to equipment #6860). I remember exiting my vehicle and moving slightly in front of it until I engaged her. From there I think I took two or three steps. Where she is at now, I believe is where I initially gave her verbal commands. I don't remember taking steps backward. I don't remember moving backward.

I recall seeing a backdrop. I remember one of the males was east of me. My backdrop was vehicles and no other people. My direction of fire was toward the vehicles in the carport (indicating the direction of fire was in a southwestern direction.)

I don't remember how many shots I fired. I don't recall if my car door was open or closed. I carry a 9mm weapon. Yes, my direction of fire was southwest. I was south of my vehicle when I fired my weapon, but I don't know how far away I was from my car.

**SCENE DESCRIPTION:**

Following the briefing, Sergeant PHILLIPS assigned me to conduct the crime scene investigation.

**Crime Scene at 6800 Quebec Court:**

I found the primary crime scene to be located in the parking lot for the apartments located at [REDACTED] Quebec Street. The asphalt parking lot is an east to west thoroughfare situated between apartment buildings on the north and on the south side. Several vehicles were parked on either side of the parking lot under carports which were numbered according to the apartment building they were in front of.

East of the parking lot to the apartment complex located at [REDACTED] Quebec Court was the 6800 block of Quebec Court. West of the parking lot was the 2300 block of Ritva Place. Ritva Place was a cul-de-sac that dead ended on the south side of the street. South of the location, beyond the apartment buildings on the south side of the parking lot was the 6800 block of Bear River Row. North of the location,

beyond the apartment buildings on the north side of the parking lot was the 6800 block of Panamint Row.

The apartment, the location of the secondary crime scene was located at [REDACTED] Ritva Place [REDACTED] which was approximately 300 feet northwest of the primary crime scene at the parking lot for the apartments located at [REDACTED] Quebec Court.

**SCENE INVESTIGATION:**

At about 0334 hours, Crime Scene Specialist (CSS) Dorie SAVAGE, ID 8831, Criminalist Sean MONPETTIT, ID 8683, and I entered the crime scene. CSS SAVAGE began taking overall pictures at about 0326 hours.

San Diego Police equipment #6860 (the vehicle in which Officer BARRETT was driving) was parked in front of the carport numbered '[REDACTED]'. The marked police vehicle was still running and the driver's side spot light was turned on pointing in a southwestern direction. South of equipment #6860, near the driver's side door, was a yellow emergency blanket covering the suspect. The only portion of the body that was visible was the left hand. Medical intervention equipment was seen next to the driver's side passenger door of equipment #6860.

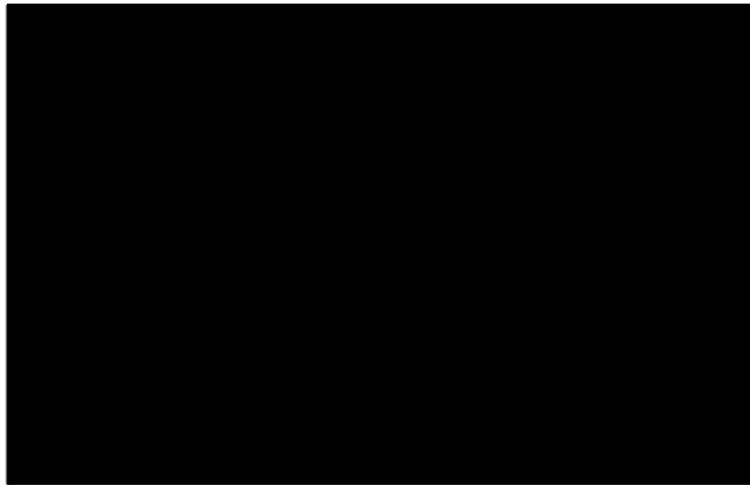

I noted there were six shell casings which were previously marked in the crime scene by a "tented" PD-145 paper. Four (4) shell casings (Items #1-4) were located near the rear bumper of equipment #6860 and two (2) shell casings (Items #5-6) were located near the driver's side passenger door of equipment #6860.

### **BODY MEASUREMENTS:**

The suspect's body was not visible because it was covered with a yellow emergency blanket. The only part of the body that was visible was the left hand. The body measurements were not completed until the medical examiner arrived on scene.

At approximately 0445 hours, Sergeant Paul PHILLIPS notified the Medical Examiner's Office.

At approximately 0530 hours, Medical Examiner Investigator (MEI) Mark MALAMATOS and Deputy Medical Examiner O. MENA arrived on scene. I briefed them about the incident.

At approximately 0545 hours Dr. MENA removed the yellow emergency blanket. MEI MALAMATOS and CSS SAVAGE began taking photographs.

At about 0555 hours, the Body Removal Team arrived on scene. They consisted of Jeremiah GARCIA, ID 6237, and Robert WESCOTT, ID 7467.

### **Medical Examiner's Investigation:**

At about 0555 hours, Dr. MENA began to examine the body in my presence. Dr MENA noted apparent ant activity was present and the body was still slightly warm to the touch. Lividity was present on the back of the body and the extremities appeared to have rigor mortis.

Dr. MENA stated, upon initial examination, the suspect had the following apparent bullet holes: one in the right shoulder, two in the left hand, one in the left thigh, one at the top of the pubic area, and one in the right temple.

With the blanket removed, the location of the suspect is more accurately described with the following measurements. The measurements are approximate:

I noted the decedent was wearing turquoise and yellow colored tennis shoes, blue colored sweat pants, a blue tank top, and a pink striped sweater. The decedent's sweat pants and pink sweater had apparent medical intervention cuts down the center of the clothing. The decedent's bra also had apparent medical intervention cuts exposing her breasts.

At about 0615 hours, in my presence, the Body Removal Team began to place paper bags on the decedent's head, hands, and feet.

At about 0625 hours, the decedent was placed in a sheet and then placed in a white body bag.

At approximately 0630 hours, a red seal with the number [REDACTED] was used to seal the bag.

MEI MALAMATOS assigned case number [REDACTED] to the decedent. At approximately 0630 hours, the decedent was removed from the scene by the Body Removal Team.

At about 0645 hours, CSS SAVAGE, Criminalist MONPETTIT, and I left the scene for a break. Officers were still securing the perimeter of the crime scene, as we waited for the bio-hazard team to arrive and clean up the blood from the asphalt.

At about 0715 hours, we came back to the scene. Patriot bio-hazard cleaning company arrived at the location at about 0730 hours. The crime scene located in the parking lot for the apartments located at [REDACTED] Quebec Court was cleared at about 0805 hours.

**Crime Scene located at [REDACTED] Ritva Place [REDACTED]**

At about 0730 hours, CSS SAVAGE, Criminalist MONPETTIT, and I arrived at the secondary crime scene located at 2380 Ritva Place [REDACTED]. I learned through conversations with San Diego Police Officers and witness statements that ZARCO lived at the residence with her two minor children. ZARCO'S husband, [REDACTED] did not live at the location because she had a Temporary Restraining Order in place against him.

I found the crime scene to be primarily contained inside apartment [REDACTED]. The apartment was in the front of the complex off of the parking lot for the apartment located at [REDACTED] Ritva Place. There was yellow crime scene tape blocking pedestrian traffic into the front yard of the apartment. The back yard of the apartment was contained by a solid wood fence. Officer SAINT-AGATHE, ID 6318 was parked in the parking lot outside the crime scene ensuring it was contained. Officer SAINT-AGATHE relieved Officer MCDONALD, ID 6824 at about 0640 hours.

The 2300 block of Ritva Place is mostly a North-South Street, which dead ends in a cul-de-sac on the south end. An entrance to the parking lot for the apartments located at [REDACTED] Quebec Court is located at the end of the cul-de-sac. The 2300 block of Adirondack Row is west of the 2300 Ritva Street and the 6800 block of Panamint Row is north of the location.

Prior to entering the apartment, Criminalist MONPETTIT and I donned paper booties over our shoes and CSS Dorie SAVAGE donned a paper suit to prevent transfer contamination from the scene at 6800 Quebec Court. At about 0746 hours, CSS SAVAGE began taking overall photos of the location and the apartment.

I noted the front door was standing open as well as the security screen door. I could hear loud music coming from the apartment as well as the sound of a television. After overall pictures were taken, I entered the apartment at about 0808 hours.

The apartment is a two bedroom, one bath apartment with an attached, fenced courtyard off of the living/dining room. Upon entering the apartment, is the living room, dining room, and kitchen. A hallway is located off of the living room which leads to a bedroom (bedroom #1) on the west side of the hallway, and a bathroom is located on the east side of the hallway. At the end of the hallway was an additional bedroom (bedroom #2). I found the kitchen light turned on and the television in the kid's room was playing cartoons. There was a boom box on a table in between the kitchen and dining room, which was playing loud "club-type" music. In the living room and dining room area, there appeared to be a struggle; I found chairs overturned, apparent taco sauce splattered on the walls and furniture, and nick-knack items strewn and broken on the floor.

### Entrance/Living Room:

In the threshold of the front door to the apartment was an umbrella and broken glass (Item #10) which appeared to be covered with apparent hot sauce. About 3 feet from the opening of the front door, I found a large kitchen knife (Item #11) partially covered by an area rug on the living room floor.

Behind the wooden front door was a partially broken bottle of "Valentina" hot sauce (Item #16). There was an apparent "kitchen" chair in the living room behind a black leather chair. There was a bed with an attached trundle bed on the north wall of the bedroom, a television located on the east wall of the bedroom, and a closet with children's clothing on the south wall of the bedroom. The bedroom light was off, but the television was turned on and cartoons were playing. No evidence was collected from bedroom #1.

#### **Bathroom**

The bathroom was located on the east side of the hallway. I did not find anything out of place or any items of evidence in the bathroom. The bathroom appeared neat and generally clean.

#### **Bedroom #2**

The dimension of bedroom #2 was as follows:

East to West wall	14'0"
North to South wall	10'0"

The second bedroom was located at the end of the hallway, on the north side of the apartment. The bedroom appeared cluttered. On the west wall of the bedroom was a window covered by curtains. In front of the window was a bench. There were pillows on top of the bench along with a "Day Planner" notebook (Item # 27).

A queen sized bed was located in the center of the north wall of the bedroom. The bed was unkempt; the fitted sheet was half-way off and there were stacks of folded laundry on the east side of the bed. A closet was located on the east wall of the bedroom. A light was on in one half (the south end) of the closet, which appeared to be an improvised vanity.

There was a plastic, multi-drawer organizing container situated next to the south wall of the bedroom. In the 5<sup>th</sup> drawer of the organizer, I found several pieces of mail addressed to Maria "Fanny" ZARCO at [REDACTED] Ritva Place [REDACTED]. I collected one piece of mail (Item #28) to show dominion and control.

CSS SAVANGE, Criminalist MONPETTIT and I located the following items. Prior to collection, each item was measured and photographed.

**MORGUE SCENE:**

On Saturday April 27, 2013, at approximately 0012 hours, [REDACTED] called 911 to report that she had been walking outside when two boys asked her for help. They stated their mother was chasing them with a knife and was cutting them. She was told by the children that their mother and father had been arguing and that the mother went after the father with a knife. [REDACTED] reported that the 9 year old son has deep cuts to his arms so medics were called. She also stated the children last saw their parents near [REDACTED] and per the oldest son their mother, Maria, has mental problems and is bi-polar.

On Saturday April 27, 2013, at approximately 0019 hours, [REDACTED] called 911 to report a female with a knife in the South Bay Townhomes. The female initially stated she was on Quebec Court. She stated the suspect was an H/F, 48 years old, 5'1" with a medium build wearing a red shirt and blue capris. She stated the female was near a white car and that the suspect was also arguing with the R.P.'s boyfriend, [REDACTED] was described as being an [REDACTED] wearing a beige jacket and beige pants. Other citizens began to call the police due to the problems the suspect was causing.

He later stated the suspect charged at him with a large knife extended at him. The suspect was hit multiple times and eventually was handcuffed at the scene. Medics were called and CPR was performed on the suspect who was soon pronounced dead a few minutes later.

On Sunday, April 28, 2013, at about 0900 hours, I met Crime Scene Specialist Dorie SAVAGE, ID 8831, at the San Diego County Medical Examiner's Office to view the autopsy.

I viewed the decedent who was lying supine on a table in the examining room at the San Diego County Medical Examiner's Office. At this time the decedent was encased in a white zippered body bag. The body was identified in writing by an attached tan Medical Examiner's tag, bearing the name "Maria DIAZ" and case number [REDACTED]. There was a red plastic seal bearing the number [REDACTED] that closed the bag securely.

Dr. Othon MENA, a Deputy Medical Examiner Pathologist was to perform the autopsy. Dr. Steve CAMPMAN was the witnessing pathologist. Forensic Autopsy Specialist Stephen HANNUM was scheduled to assist Dr. MENA.

Prior to our examination of the decedent, the decedent had been x-rayed to determine the presence and location of any projectiles. Four apparent possible projectiles were found in the decedent's body; one in the decedent's chest, two from the decedent's back, and one from the decedent's buttocks. An apparent bullet fragment was found in the decedent's head.

At about 0920 hours, SAVAGE began taking overall photographs of the body bag in which the decedent was encased. At approximately 0925 hours, Dr. MENA broke the seal and opened the body bag.

The decedent was wrapped in a white sheet. Her hands, feet, and head were wrapped in a paper bag. A yellow emergency blanket, which was on top of the decedent's body at the crime scene, was under the white sheet near the decedent's feet. SAVAGE collected the sheet and the yellow emergency blanket. She then took additional photographs of the decedent in her present condition.

The decedent's body was dressed in blue sweat pants, turquoise tennis shoes, a white tank top, a blue tank top, a leopard print bra, and a pink sweater. The decedent appeared to be in the same condition as when she left the scene. I did not note any jewelry on the decedent's body.

At about 0934, Forensic Autopsy Assistance HANNUM began removing the decedent's shoes and clothing. CSS SAVAGE collected the items.

At approximately 0928 hours, Forensic Autopsy Assistance HANNUM began removing the bags from the decedent's hands, feet and head. SAVAGE collected the bags. SAVAGE took additional photographs of the decedent in her present condition.

After SAVAGE collected the evidence, I began to closely view the decedent. The decedent was a Hispanic female, appearing to be her reported age of 33 years old. Her height was about 5'0" and weighed about 140 pounds. The decedent's hair was brown and her eyes appeared to be brown. Her hair was long.

Officer Michael Barrett; San Diego Police Department Case # 13-016301;  
DA Special Operations Case No. 13-050PS; Deputy District Attorney  
assigned: Fiona Khalil**

Dear Chief Lansdowne:

We have reviewed the reports and other materials compiled by your agency's Homicide Unit concerning the fatal shooting of Ms. Maria F. Zarco by San Diego Police Officer Michael Barrett on April 27, 2013. A District Attorney Investigator responded to the scene and was briefed by San Diego Police investigators. This case was presented to the District Attorney's Office for review on September 17, 2013.

***Summary***

Ms. Maria Zarco argued with her estranged husband in the presence of their two sons, ages 9 and 15. Zarco hit her husband over the head with a bottle and stabbed him with a knife. The husband and older son struggled with Zarco to disarm her. Zarco hit her older boy in the head with a ceramic vase and then stabbed both of her sons. Zarco's sons and husband escaped from the apartment to call for help. Zarco went into the parking lot and stabbed an unrelated passerby with her knife and threatened another person. Officer Michael Barrett arrived and ordered Zarco to drop her weapon. Zarco turned and approached Barrett rapidly while holding the knife. Barrett fired multiple shots. Zarco collapsed and was pronounced dead at the scene.

***Persons Involved***

Ms. Maria Zarco was 33 years old at the time of this incident and resided in the City of San Diego with her two sons.

Officer Michael Barrett had been a police officer for five years when this incident occurred. Barrett was in full uniform and assigned to enforce juvenile curfew violations in the City of San Diego.

### ***Officer Involved Shooting***

On April 27, 2013, at approximately 12:12 a.m., Officers Barrett and Scheidecker responded to a radio call at [REDACTED] Bear River Row of two boys asking for help from a neighbor because their mother chased them with a knife and stabbed them. Officer Scheidecker was flagged down a couple of blocks away from the radio call by Zarco's husband. The husband was bleeding from a cut on his head and a stab wound on his shoulder.

Zarco's husband told the officers what happened. He said his wife hit him in the head with a bottle then armed herself with a knife. She stabbed him on his shoulder and their older son in his upper back. Zarco then attacked her nine year-old son, stabbing him multiple times. The oldest son, who had run out of the apartment with his father, went back inside the apartment and saw his mother stabbing the younger brother. The older brother struck Zarco to allow the younger brother to escape. Zarco then chased the two boys out of the apartment. Their father told the officers he did not know his youngest son's current location. Zarco's husband and both sons were eventually transported to the hospital for treatment of injuries inflicted by Zarco.

Another radio call was broadcast of a female with a knife in the parking lot of Quebec Court. Barrett responded alone while Scheidecker continued interviewing Zarco's husband. Barrett arrived and saw Ms. Zarco armed with a large knife and threatening two subjects. Barrett pointed his patrol car spot light at Zarco. Barrett got out from his patrol car and ordered Zarco to drop the knife. Zarco redirected her attention from one of the subjects toward Barrett. That subject then ran away. Zarco failed to drop the knife and approached Barrett in a rapid manner. Barrett fired his weapon six times, striking Zarco until she stopped her approach and fell to the ground. Paramedics responded but Zarco was pronounced dead at the scene.

### ***Investigation***

The scene was secured and the investigation into the shooting was conducted by San Diego Police Department's Homicide Team One. The shooting scene occurred in the driveway and parking lot of the Bay Terraces Apartments.

The investigation revealed Ms. Zarco attacked her family and an unrelated male with a large kitchen carving knife prior to her threatening Officer Barrett with the knife. The knife had a 7.5 inch blade and an overall length of 12.5 inches.

Crime scene photographs as well as recorded telephone calls to the 911 Operator, recorded police transmissions and witness interviews were reviewed for this investigation. The investigation revealed Officer Barrett fired six (6) rounds from his

pistol. Six (6) 9mm casings were recovered from the asphalt, consistent with Barrett's stated firing position.

### ***Officer Barrett's Statement***

Officer Barrett said he was assigned to work a juvenile curfew sweep in the Southeastern Division with Officer Andrew Scheidecker. Barrett and Scheidecker had to split up for the curfew assignment and were in separate police cars. Barrett and Scheidecker were in the neighborhood of Paradise Hills and the Bay Terraces Apartments. Barrett heard a radio call at the Bay Terraces regarding some kids running from their mom because she was attacking them with a knife.

A few minutes later, Scheidecker broadcast he was being flagged down in the 2500 block of Ramfos Place by a male who was covered in blood. Barrett realized it was in the vicinity of the first radio call. Barrett saw the male had blood all over him from a cut on his head. Barrett asked the male what happened. The male, referring to his wife (Zarco), said, *"She hit me over the head with a bottle and then she got a knife."* *"I ran out of the house."* Barrett asked where the children were and where the wife was. The male said, *'The kids are with her. I don't know.'*

Barrett heard another radio call regarding a female threatening someone with a knife on Quebec Court. Barrett responded to the radio call while Scheidecker attended to the husband. Barrett heard the description of a female wearing a pink shirt and blue pants. Barrett arrived and heard screaming coming from the parking lot.

Officer Barrett saw the knife in Ms. Zarco's hand and got out of his patrol car. Barrett shouted at Zarco to stop and to "drop your weapon" repeatedly. Zarco was in the middle of the road, making growling type noises and was in an aggressive posture as she moved towards a civilian. Barrett continued to shout at Zarco and eventually got her attention and she looked right at him. Zarco turned and came toward Barrett "very quickly and aggressively." As Zarco got closer and continued to ignore Barrett's commands to stop and to drop the knife, Barrett said he thought he was going to get stabbed. Barrett said he fired until she stopped moving toward him. Barrett said Zarco was within ten feet when he began firing and within five feet when she fell to the ground.

### ***Witness Statements***

Seven witnesses gave statements to investigators. One witness described being stabbed by Ms. Zarco in the stomach and had a superficial puncture wound. They all described Zarco threatening at least one person with the knife. Many of the witnesses heard Zarco tell a man that he was dead and he was not going to live. They all described Officer Barrett ordering Zarco to drop the knife and to stop. Some heard Officer Barrett warn

Zarco he would shoot her. The majority of the witnesses were able to see Zarco running rapidly toward the officer after he had ordered her to drop the knife and to stop. These witnesses observed Zarco had the knife in her hand while running toward the officer. One witness observed that Zarco did not stop running toward the officer even after the witness heard shots being fired. One of the witnesses gave his opinion of the officer's decision to shoot Zarco: *"His life has been threatened and there's other people around, so you don't know what happened. He had to do it."*

### ***Autopsy***

The autopsy revealed gunshot wounds to Ms. Zarco's head, right side of the chest, pelvis, thighs and left hand. Toxicological analysis of Zarco's blood revealed the presence of methamphetamine.

### ***Legal Analysis***

This review was conducted pursuant to the joint protocol between this office and all San Diego law enforcement agencies calling upon the District Attorney to conduct an independent assessment of the circumstances surrounding the use of deadly force.

Under California law, peace officers may use deadly force to protect themselves from the threat of death or great bodily harm and to use reasonable force in making an arrest. California Penal Code section 835a allows an officer to use reasonable force to make an arrest and to overcome resistance by a person for whom he has reasonable cause to believe has committed a public offense. That section states the officer need not retreat or end his effort to make an arrest because of that person's resistance. Penal Code section 196 declares that homicide is justifiable when committed by public officers where necessary to overcome actual resistance in the discharge of any legal duty.

In accordance with Penal Code section 196, peace officers may use deadly force in the course of their duties under circumstances not available to members of the general public. We are mindful, however, that certain limits on the use of deadly force apply to peace officers. The U.S. Ninth Circuit Court of Appeals, in the case of *Scott v. Henrich* (9th Cir. 1994) 39 F.3d 912, delineated those circumstances under which deadly force may be used:

[P]olice may use only such force as is objectively reasonable under the circumstances. An officer's use of deadly force is reasonable only if 'the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.' All determinations of unreasonable force 'must embody allowance for the fact that police officers are often forced to

make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation.” [Citations omitted.]

Irrespective of any laws applicable to situations where peace officers use deadly force in accomplishing their duties, the law of self defense is available to any person. Homicide is justifiable in accordance with Penal Code 197 when resisting any attempt by a person to commit great bodily injury on or kill any person.

***Conclusions***

During this incident, Officer Barrett responded to investigate complaints of a woman attacking people with a knife. Barrett arrived and saw Zarco threatening a civilian with a knife. Barrett ordered Zarco to drop her knife. Zarco disregarded Barrett's orders, then advanced rapidly holding the knife. Barrett knew she had already stabbed her husband and had attacked her two children with a knife. Based on these circumstances, it is readily apparent that Barrett fired at Zarco in self-defense. He therefore bears no criminal liability for his actions.

A copy of this letter, along with the materials submitted for our review will be retained in our files.

### OFFICER'S STATEMENT:

On 04-27-2013 at about 0019 hours Officer B. Devore #6742 and I were on patrol in the Mid City area. During this time we responded to [REDACTED] Quebec Ct. for the report of an officer involved shooting. I responded to the scene as a Peer Support officer.

When I arrived on the scene I was directed by officers to speak with Officer M. Barrett #6469. I identified Officer Barrett as the officer involved in the shooting. I spoke to the scene incident commander and ensured the scene was safe and then ensured Officer Barrett was transported from the scene to the Southeast Sub Station. A second Peer Support officer also responded to the Southeast Substation.

After about an hour, I was requested to return to the crime scene for further assistance. I was told via the radio to respond to [REDACTED]. When I arrived on scene I met with Sergeant Sharki #5986. Sgt. Sharki asked me to take over scene security at [REDACTED]. I remained at this location until Sergeant Sharki relieved me at about 0400 hours.

No other investigative action was taken by me at the scene.

### CASE SYNOPSIS / REVISIONS

On Saturday April 27, 2013, at approximately 0012 hours, [REDACTED] called 911 to report that she had been walking outside when two boys asked her for help. They stated their mother was chasing them with a knife and was cutting them. She was told by the children that their mother and father had been arguing and that the mother went after the father with a knife. [REDACTED] reported that the 9 year old son has deep cuts to his arms so medics were called. She also stated the children last saw their parents near Ritva and per the oldest son their mother, Maria, has mental problems and is bi-polar.

On Saturday April 27, 2013, at approximately 0019 hours, [REDACTED] called 911 to report a female with a knife in the South Bay Townhomes. The female initially stated she was on Quebec Court. She stated the suspect was an H/F, 48 years old, 5'1" with a medium build wearing a red shirt and blue capris. She stated the female was near a white car and that the suspect was also arguing with the R.P.'s boyfriend, [REDACTED] was described as being an [REDACTED] wearing a beige jacket and beige pants. Other citizens began to call the police due to the problems the suspect was causing.

At 0022 hours, Officer M. Barrett #6469 advised he was out with the female suspect. Within seconds, Officer Barrett advised that shots had been fired at the suspect. He later stated the suspect charged at him with a large knife extended at him. The suspect was hit multiple times and eventually was handcuffed at the scene. Medics were called and CPR was performed on the suspect who was soon pronounced dead a few minutes later.

A/Sgt. K. Valenzuela #6102 conducted the briefing with the help of Sgt. A. Sharki #5986 who had responded to assist due to the incident involving several scenes. A/Sgt. Valenzuela essentially told us the following: Maria Zarco and [REDACTED] have two sons together. [REDACTED] is 9 years old and [REDACTED] is 16 years old. [REDACTED] and Zarco are not currently living together and neighbors reported that when he is at the residence, the two fight. Tonight, Zarco called [REDACTED] to come over. When he got there she hit him in the head with a bottle. She grabbed a knife and tried to stab him. She also hit their oldest son [REDACTED] (16 years) in the head with a vase and cut their youngest son [REDACTED] (9 years) with a knife. [REDACTED] tackled her but she got up and grabbed another knife and chased him into the parking lot.

Case # 13-016293  
Victim: BARRETT, Michael L

As she was trying to get to [REDACTED] he ran off and flagged down officer Scheidecker nearby. Officer Barrett responded to cover Officer Scheidecker and learned of the assault on [REDACTED]. At about this same time other people in the neighborhood started calling the police. Maria Zarco was now in the parking lot of 6800 Quebec Court. She was now trying to attack [REDACTED] the boyfriend of [REDACTED]. Officer Barrett confirmed Officer Scheidecker was code 4 with [REDACTED] and then he drove to 6800 Quebec.

Officer Barrett could hear screaming and then he saw two males on either side of an H/F who fit the description of the suspect. It appeared the female was attempting to attack one or both of the males. Officer Barrett drove up closer and he could see that the female, Maria Zarco, had a large kitchen knife in her hand. He put his driver's side spot light on her and got out of his car. He was in full police uniform. She was slightly crouched down and making incoherent grunting noises. Officer Barrett began to yell at her, "Police stop! Drop your knife!". He saw her move toward one of the males and then turn toward the other. He believed she was going to try to stab each of them. He yelled these verbal commands several times and soon Zarco turned her attention away from the two males and on to Officer Barrett.

She then advanced toward Officer Barrett. She lifted the knife up over her head and charged at Officer Barrett. Officer Barrett believed she was going to stab and/or kill him. He kept giving her loud commands but she ignored him and continued to approach him. When she got approximately 10 feet away, he fired his duty gun at her. He stated he fired at her until she stopped and fell. It was determined he fired six rounds from his 9mm. CPR was done on Zarco but she died at the scene. [REDACTED] was taken to Mercy Hospital and the two children went to Children's Hospital. All three had non-life threatening wounds. [REDACTED] also suffered a non-life threatening wound from Zarco. Zarco still had the knife tightly gripped in her hand when the officers went to handcuff her.

Zarco was pronounced dead at 0033 hours by Medic 32 via Dr. Whiting from Scripps Mercy Hospital.

### **POLICE INVESTIGATE OFFICER INVOLVED SHOOTING IN BAY TERRACES**

San Diego Police Department Homicide Unit detectives are investigating an officer involved shooting incident in the Bay Terraces neighborhood.

This morning at approximately 12:12 a.m., officers responded to several 911 calls in the area of 6800 Quebec Court. Callers reported a female had stabbed her 9 year old son with a knife and struck her 15 year old son in the head with a vase. As officers arrived they located the children suffering from multiple stab wounds and head trauma. The victims were transported to Children's Hospital with non life threatening injuries. As officers checked the area for the suspect, they were flagged down by a male also suffering from stab wounds. The male told officers his girlfriend was acting irrationally and had stabbed him and their children. The male was transported to a local hospital with non life threatening injuries.

Additional callers reported the suspect was in the parking lot of 6800 Quebec Court still armed with a large kitchen knife and threatening other residents. One of the responding officers located the suspect standing in the parking lot still holding the knife. The suspect was threatening two males who were attempting to calm her down. The officer ordered the suspect to drop the knife several times. The suspect refused and instead raised the knife above her head and charged at the officer. Fearing he was about to be assaulted, the officer fired his duty weapon striking the suspect. Officers and medics rendered medical aid; however, the suspect died at the scene.

The involved officer is a 5 year veteran of the Department.

**Officer's Statement:**

On 04-27-2012, at 0018 hours, I was driving northbound on S. Woodman Street approaching Ramfos Place. I observed a male running southbound on S. Woodman Street. The male quickly turned west onto 2500 Ramfos Place. I used my vehicle spot light and saw the male's checkered shirt was disheveled. Upon closer inspection, I saw the male had blood on the left side of his head and considerable blood on his clothing. The male flagged me down and asked for my help. I notified communications of the flag down regarding a possible domestic violence incident involving an assault with a deadly weapon. The male identified himself as a [REDACTED] from his California identification card [REDACTED]. Based on his injuries, I requested medical attention for him.

[REDACTED] provided the following brief paraphrased statement.

**Statement of [REDACTED] (victim):**

[REDACTED] stated he was at the mother of his children's house. [REDACTED] was spending time with his children. She was initially getting along well with everyone. She suddenly became violent. She hit him on the head with a bottle and attacked him with a knife.

[REDACTED] kept repeating can I go check on my kids.

**Officer's Statement Continued:**

During the stop, I was notified via communications of a child abuse call in the same area. Based on the names of the subjects, I realized the two calls were related. At that time, Officer M. BARRETT #6469 arrived at 2500 Ramfos Place. I heard a radio call of a person brandishing a knife in the area of [REDACTED] Quebec Court. Officer M. BARRETT left to respond to the knife call. I remained with [REDACTED].

A short time later, I heard Officer M. BARRETT on the radio. He advised of having subject at gun point. I told [REDACTED] into the backseat of my patrol vehicle. He complied with the direction. I then heard Officer M. BARRETT announce shots fired. I drove quickly to his location. I turned north onto Quebec Court. I drove past the first driveway to the alleyway on the west side of Quebec Court and went to the second driveway. I heard [REDACTED] say his home was off of the previous alleyway on the west of Quebec Court. I quickly turned around and drove down the first alleyway on the west side of Quebec Court.

I observed Officer M. BARRETT'S patrol vehicle on the middle of the alleyway. Officer M. BARRETT was standing at the rear driver's side of his vehicle. His gun was drawn and pointed down to a female subject on the ground. The female was laying face down at a perpendicular angle to his patrol vehicle's driver's

side. Her head was pointed to the north. Her feet were pointed to the south. I observed a long kitchen knife firmly clutched in her right hand. I slammed on the brakes.

I exited my vehicle, drew my firearm, aimed at the female on the ground, and ordered her to drop the knife. I was the first officer present with Officer M. BARRETT. I approached Officer M. BARRETT on his left hand side. Moments later, Officer M. DOMINGUEZ #6269 was standing on my left hand side. I observed a large pool of blood beneath the female. The female was not responding to our orders. The female seemed unable to respond due to the level of her injuries. I holstered my handgun. Officer M. DOMINGUEZ and I approached the female to handcuff her. I grabbed her left hand. The female appeared to be limp. Officer M. DOMINGUEZ took the female's right side. We applied handcuffs. Officer M. DOMINGUEZ and I rolled the female onto her back. The female appeared to be heavily wounded. I observed blood covering the entire front of her body from her face to her waist. I could not initially see the location of her wounds. I attempted to check for a pulse, but could not locate one. She appeared very pale.

We determined the subject could not be treated medically with her hands handcuffed behind her back. We rolled her over and released her handcuffs. She was rolled onto her back. I then observed a wound to her left thigh. Officer M. DOMINGUEZ started CPR.

Medics arrived on scene. The kitchen knife, which was initially in the subject's hand, was on the ground a few feet from the subject's foot. I picked up the knife and moved it a further away from the subject to allow medics to treat her. I stayed over the knife to preserve it for evidence. I observed four spent shell casings on the ground near the back of Officer M. BARRETT'S vehicle. During the medics' treatment of the woman, I observed a gunshot wound to her head near her right eyebrow.

After medics notified the subject was pronounced deceased at the scene at 0033 hours, Officer M. DOMINGUEZ took over watching the knife. Acting Sergeant B. FRENCH # 5759 approved medics to drape a cover over the deceased female. I advised other officers at the scene to contact [REDACTED] in the back seat of my patrol vehicle and to provide him medical attention. I could hear [REDACTED] screaming, "What did you do to her!" I provided my camera to Officer R. THOMAS #6259, who took over contact with [REDACTED]

I notified Acting Sergeant K. VALENZUELA #6102 of my involvement on the scene. He requested for me to start witness checks along the south side of the alleyway.

A [REDACTED] Quebec Court [REDACTED] contacted [REDACTED]. She did not see anything. She heard four gunshots, but nothing else. I received no answer at [REDACTED] Quebec Court [REDACTED] and [REDACTED] responded back to the scene. I was requested to return to my patrol vehicle.

### **NARRATIVE:**

I was in full uniform in a marked patrol car assigned as the Mid-City Crime Suppression Team Sergeant. We were conducting saturation patrol when I heard "Shots fired," broadcasted over the Southern/Southeastern frequency. I directed my units to respond and provide assistance at about 0023 hours. While en route, we were given a disregard from the scene supervisor.

At about 0041 hours, we were requested to respond to the Officer-Involved-Shooting Scene. We responded from Mid-City Division and met with Lt. Paul Rorrison and A/Sgt. Kevin Valenzuela at [REDACTED] Quebec Street at about 0055 hours.

Lt. Rorrison directed me to take a squad of officers and process the scene at 2500 Ramfos Street. This scene was changed to [REDACTED] Adirondack Place [REDACTED]. When we arrived, we clarified the actual address was [REDACTED] Ritva Place [REDACTED]. When I arrived, I saw yellow crime scene tape had already been used to cordon off the scene.

I spoke with the supervisor on scene, A/Sergeant French. He transferred control of the scene to me at about 0127 hours. Sergeant French told me this scene had two components: the apartment at [REDACTED] RITVA Place [REDACTED] and a vehicle registered to Maria Zarco. The vehicle was a Chevrolet four door [REDACTED]. The only thing of note about this vehicle is the trunk was slightly ajar. It was parked in a covered space near [REDACTED] Ritva Place [REDACTED].

I spoke with Southeastern Division Officers B. Wallace and J. Bamba. They were in the process of collecting witness statements; see their reports for details.

I asked if anyone had conducted a safety sweep of [REDACTED] Ritva Place [REDACTED]. No one appeared to have conducted a safety check. The front door was open. When looking into the front door, there were obvious signs of physical violence. Furniture was overturned, objects were broken, and there was what appeared to be blood on the flooring and carpet.

I was concerned because there were three seriously injured victims and no one had confirmed if there were additional victims inside the apartment. I led Officers O. Amado and B. McGilvray into the apartment and ensured there were no other injured people inside. In order to preserve the scene and follow protocol, we remained inside only long enough to conduct the check. We did not disturb the scene nor did we take notes or any photographs.

I directed the officers at Ritva Place to conduct witness checks, see their reports for details.

At about 0154 hours, family members related to [REDACTED] arrived on scene at Ritva Place. Officer Wallace spoke with them; see her report for details.

I compiled the information the officers had obtained into a briefing script. I attended the briefing at about 0220 hours on Quebec Place.

After the briefing was completed, I released all of the Mid-City Officers except for Officer S. Spillane at about 0345. Once Southeastern units had arrived to maintain the perimeter at our scene, Officer Spillane and I checked out with the Incident Commander, A/Sergeant Kevin Valenzuela. We cleared the scene at about 0430 hours.

On 04-27-2013 at about 0019 hours Officer B. Devore #6742 and I were on patrol in the Mid City area. During this time we responded to [REDACTED] for the report of an officer involved shooting. I responded to the scene as a Peer Support officer.

When I arrived on the scene I was directed by officers to speak with Officer M. Barrett #6469. I identified Officer Barrett as the officer involved in the shooting. A second Peer Support officer also responded to the Southeast Substation.

After about an hour, I was requested to return to the crime scene for further assistance. I was told via the radio to respond to [REDACTED] Ritva Pl. When I arrived on scene I met with Sergeant Sharki #5986. Sgt. Sharki asked me to take over scene security at [REDACTED] Ritva Pl. I remained at this location until Sergeant Sharki relieved me at about 0400 hours.

**Officer's Statement:**

On 04-27-2013, at 0030 hours, I responded to an officer involved shooting at [REDACTED]

I arrived on scene. I began to secure the scene by setting up crime scene tape. While putting up crime scene tape, I was approached by a black male who witnessed the shooting. I told the male later identified as, [REDACTED] to stay where he was and I would talk to him when I finished securing the scene. [REDACTED] was very cooperative and told me he would.

I finished securing the scene. I went back and spoke with [REDACTED] and took his statement.

**Statement of [REDACTED] (A Witness):**

[REDACTED] essentially told me the following. [REDACTED] heard some people arguing. [REDACTED] walked outside to see if he could help out or stop the people from arguing. [REDACTED] got closer and saw a female on the cell phone. She told him she was talking to the police. [REDACTED] saw a Hispanic male against the fence in the parking lot and a Hispanic female standing in front of him yelling at him. The lady on the phone told [REDACTED] the Hispanic female had a knife. [REDACTED] told me he asked the male if the lady who was yelling at him was his wife. The male yelled out, "No! No! No!" The lady continued to yell at the male in Spanish.

[REDACTED] saw the police vehicle pull into the parking lot. [REDACTED] told the male to leave. The police officer got out of the vehicle and yelled at the lady to get her attention. The lady turned around holding the knife. The officer yelled at the lady to drop the knife. The lady began walking towards the officer holding the knife. The officer told her to stop and drop the knife several times. The lady aggressively continued to walk towards the officer holding the knife. [REDACTED] told me the officer yelled at the lady, "Stop! Drop the knife or I'll shoot you!" The lady continued to walk towards the officer holding the knife. The officer shot the lady. [REDACTED] told me he believed the officer shot 3-4 times. [REDACTED] told me the officer had no choice, but to shoot her. [REDACTED] told me he felt bad for the officer and he hoped he was ok.

### OFFICER'S STATEMENT / ORIGIN:

On 04-27-2013 at about 0019 hours Officer S. Spillane (#6099) and I were on patrol in the Mid City area. During this time we responded to [REDACTED] Quebec Court for the report of an officer involved shooting. We responded to the scene for peer support. Officer Spillane is a designated Peer Support Officer.

When we arrived on the scene, we were directed by officers to speak with Officer M. Barrett (#6469). We identified Officer Barrett as the officer involved in the shooting. We spoke to the scene incident commander and ensured the scene was safe and then ensured Officer Barrett was transported from the scene to the Southeast Sub Station. A second Peer Support officer also responded to the Southeast Substation.

After about an hour, Officer Spillane was requested to return to the crime scene for further assistance. I was asked to remain at the Southeast Substation until instructed further.

Around 0215 hours, I was asked to assist with scene security at [REDACTED] Ritva Place and arrived shortly thereafter. I remained at this location until Sergeant Sharki relieved me at about 0400 hours.

I took no other investigative action at the scene.

### **OFFICER'S STATEMENT:**

On 04-27-2013, at approximately 0013 hours, Cadet D. Del Villar #60559 and I were working in full uniform and in a marked police vehicle. We were dispatched to [REDACTED] River Bear RW regarding a report of a child abuse.

While enroute, a second related call was dispatched involving a woman pointing a weapon in a threatening manner on Quebec Ct.

Shortly after, Officer M. Barrett #6469 announced via police radio he was on scene on Quebec Ct. with "one at gun point... Shots fired, shots fired."

I initiated my emergency red/blue lights and siren; and began to drive in Officer M. Barrett's location. We arrived a short while later. I saw that Officer A. Scheidecker #6827 directly in front of me as we arrived with Officer M. Barrett.

I saw Officer M. Barrett standing in the area of his trunk, taking cover, with his weapon pointed at a female (subsequently identified as Maria ZARCO), shouting, "Don't move, don't move!" I saw the female was not moving.

ZARCO was face down in a pool of blood. ZARCO had in her right hand approximately 18- inch knife. The knife had a silver metal blade approximately 12- inches in length, with an approximately 6- inch brown handle. I saw ZARCO held the knife in a clenched fist, in a manner where the blade came from the pinky finger side of her hand. ZARCO held both hands in a push up position, where both her hands were partially under the upper area of her chest, with bent elbows.

I put on a pair of unused latex style gloves. I directed Officers Scheidecker and Barrett to maintain their weapons pointed at ZARCO as I believed she still posed a threat to me and my fellow officers. We approached ZARCO to take her into custody. I used physical force to pin ZARCO'S right shoulder to the ground and against her right hand to prevent her from moving. I grabbed ZARCO'S right hand I removed the knife from ZARCO'S hand.

While ZARCO was face down, I handcuffed her in a department approved manner. I rolled ZARCO on to her right side in the recovery position. I checked ZARCO for any additional weapons. I did not see any.

I saw ZARCO was not breathing. I checked ZARCO for a pulse and there was none. ZARCO was warm to the touch. I removed my handcuffs and placed ZARCO on her back. I directed chest compressions.

Officer M. BARRETT began chest compressions. I took over chest compressions for Officer M. BARRETT.

I was relieved by paramedics and fire units. I directed several officer's arriving at our location on scene to place crime scene tape and stop all pedestrians from entering the area. [REDACTED] assisted Officer's with the crime scene tape. I began to locate several bullet casings around vehicle 6860. I found 5 casings that I marked using my PD 145 blank paper.

I saw Officer Scheidecker was with the knife and ZARCO. I took his position with the knife and ZARCO. I was subsequently cleared by Sergeant A. Sharki #5986 and Homicide Team 1 took control of the scene.

**OFFICER STATEMENT:**

On Saturday April 27, 2013, at approximately 0012 hours, [REDACTED] called 911 to report that she had been walking outside when two boys asked her for help. They stated their mother was chasing them with a knife and was cutting them. She was told by the children that their mother and father had been arguing and that the mother went after the father with a knife. [REDACTED] reported that the 9 year old son has deep cuts to his arms so medics were called. She also stated the children last saw their parents near Ritva and per the oldest son their mother, Maria, has mental problems and is bi-polar.

On Saturday April 27, 2013, at approximately 0019 hours, [REDACTED] called 911 to report a female with a knife in the South Bay Townhomes. The female initially stated she was on Quebec Court. She stated the suspect was an H/F, 48 years old, 5'1" with a medium build wearing a red shirt and blue capris. She stated the female was near a white car and that the suspect was also arguing with the R.P.'s boyfriend, [REDACTED] was described as being an [REDACTED] wearing a beige jacket and beige pants. Other citizens began to call the police due to the problems the suspect was causing.

At 0022 hours, Officer M. Barrett #6469 advised he was out with the female suspect. Within seconds, Officer Barrett advised that shots had been fired at the suspect. He later stated the suspect charged at him with a large knife extended at him. The suspect was hit multiple times and eventually was handcuffed at

the scene. Medics were called and CPR was performed on the suspect who was soon pronounced dead a few minutes later.

A/Sgt. K. Valenzuela #6102 conducted the briefing with the help of Sgt. A. Sharki #5986 who had responded to assist due to the incident involving several scenes. A/Sgt. Valenzuela essentially told us the following: Maria Zarco and [REDACTED] have two sons together. [REDACTED] is 9 years old and [REDACTED] is 16 years old. [REDACTED] and Zarco are not currently living together and neighbors reported that when he is at the residence, the two fight. Tonight, Zarco called [REDACTED] to come over. When he got there she hit him in the head with a bottle. She grabbed a knife and tried to stab him. She also hit their oldest son [REDACTED] (16 years) in the head with a vase and cut their youngest son [REDACTED] (9 years) with a knife. [REDACTED] tackled her but she got up and grabbed another knife and chased him into the parking lot.

As she was trying to get to [REDACTED] he ran off and flagged down officer Scheidecker nearby. Officer Barrett responded to cover Officer Scheidecker and learned of the assault on [REDACTED]. At about this same time other people in the neighborhood started calling the police. Maria Zarco was now in the parking lot of 6800 Quebec Court. She was now trying to attack [REDACTED] the boyfriend of [REDACTED]. Officer Barrett confirmed Officer Scheidecker was code 4 with [REDACTED] and then he drove to 6800 Quebec.

Officer Barrett could hear screaming and then he saw two males on either side of an H/F who fit the description of the suspect. It appeared the female was attempting to attack one or both of the males. Officer Barrett drove up closer and he could see that the female, Maria Zarco, had a large kitchen knife in her hand. He put his driver's side spot light on her and got out of his car. He was in full police uniform. She was slightly crouched down and making incoherent grunting noises. Officer Barrett began to yell at her, "Police stop! Drop your knife!". He saw her move toward one of the males and then turn toward the other. He believed she was going to try to stab each of them. He yelled these verbal commands several times and soon Zarco turned her attention away from the two males and on to Officer Barrett.

She then advanced toward Officer Barrett. She lifted the knife up over her head and charged at Officer Barrett. Officer Barrett believed she was going to stab and/or kill him. He kept giving her loud commands but she ignored him and continued to approach him. When she got approximately 10 feet away, he fired his duty gun at her. He stated he fired at her until she stopped and fell. It was determined he fired six rounds from his 9mm. CPR was done on Zarco but she died at the scene. [REDACTED] was taken to Mercy Hospital and the two children went to Children's Hospital. All three had non-life threatening wounds. [REDACTED] also suffered a non-life threatening wound from Zarco. Zarco still had the knife tightly gripped in her hand when the officers went to handcuff her.

Zarco was pronounced dead at 0033 hours by Medic 32 via Dr. Whiting at Scripps Mercy Hospital.

Following the shooting, Officer Barrett consulted with POA Attorney Amy Gordon. Officer Barrett volunteered to return to the scene and conduct a walk through to clarify his position and direction of fire. He was accompanied by Attorney Gordon. During the walk through, Officer Barrett showed us his location as well as the location of Zarco when the shots were fired. He stated (See Barrett's statement for details).

After consulting with Attorney Gordon, Officer Barrett volunteered to provide a statement regarding the incident. At 0503 hours, Lt. Duran and I interviewed Officer Barrett in the Homicide Unit conference room. Attorney Gordon was present. The interview was recorded. This recording should be reviewed for specific details. This statement is not word for word documentation. Officer Barrett essentially told me the following:

I was working the juvenile curfew sweep in Southeastern. I was already in the area. We were on a different radio frequency but I was scanning the main frequency. I heard a radio call come out in the area of a 273-investigate child abuse. Some kids had called in that their mom was attacking them with a knife and they were running away from her.

My partner I was working with for the regular shift was Andrew Scheidecker. We had to split up for the curfew sweep but we stayed close together. I heard him go out on a flag down by a male covered in blood right in that same general area. I connected that this was probably going to be related so I went to his location. I saw the male had blood all over with a gash to his head. I asked him what happened. He told me, "She hit me in the head with a bottle. Then she got a knife and I ran out of the house."

I asked, "Where is she and where are the kids?" He said, "The kids are with her...I don't know." Right as he said that, a call came out on the main frequency right around the corner on Quebec Court and I knew that was right around the corner. It was the 417 with a female with a knife. I remember them saying the RP on that one said her boyfriend was confronting the female with the knife.

I looked and Andrew said he was OK and for me to go. I got in my car and drove up around the corner. I didn't know where the kids were. As I came up Quebec Court, I still had not pulled up the call on the MCT. I was just going off what I was hearing because I did not have time plus the radio was constant. I can't even key up. I did switch my hand held radio to the main. As I'm doing that, I hear the description of the female come out with the pink shirt and blue pants and I hear screaming as I approach the opening of that driveway.

I look down and I see way in the distance pink shirt blue pants and I see two other people and I hear the screaming. I hear the female screaming and the male screaming but I can't tell what they are saying. I drive toward them and I see she has the knife in her hand. I jumped on the radio and told them I had the suspect. I couldn't even remember my call sign. At that point I was getting out of the car with the spot light on her.

From where they were, I would have to estimate she was probably about 30 feet in front of me and that's where I drew my line to stop. I get out and I drew my weapon. As I got out of the car, I was shouting at her, "Police stop! Drop your weapon. Drop the knife." I repeated it. There were two guys with her almost in between. She was hunched forward kind of grunting and growling. She was moving toward one of the

guys and he was saying, "No, no". I don't even know what he was saying. He was backing away from her. She had the knife. She wasn't slashing at him but she had it. Like it was ready to go...like she was dancing like she was going to go toward him.

Then the other guy...I don't think he ever said anything but then she turned toward him and went toward him and that's when I really was shouting at her. I got her attention. She looked right at me and turned. She was like leaning forward and she just kind of came at me very quickly and very aggressively. She was closing the distance and I knew already that she was in a position where she could hurt me and kill me with that knife. It was a very large knife. As she got closer and closer I continued to yell at her, "Stop. Police. Drop the knife. Drop the knife." She was too close and I was going to get stabbed. I thought I was dead. That's when I shot.

I remember counting at least up to four and after that I remember she was not dropping. I knew I wasn't missing but I couldn't understand why she was not stopping. Finally, she stops and then crumples and falls down and she was still grasping the knife. She was in the fetal position and her hand was tucked under her armpit and the knife was still poking out. I knew I didn't have cover but I knew I had put out, "shots fired." I looked up and saw an address and put that out. I knew people were going to be coming. I kept yelling at her to drop the knife. She was moving around a little bit.

I remember one of the males kept coming a little closer so I yelled at him to get back.

*I clarified his status regarding the other males...*

He then stated...one of the males ran off but the other male got stopped and spoken to. I held her at gunpoint until my cover officers arrived. We went up and got the knife out of her hand and cuffed her. We rolled her over and were checking her pulse and checking her for breathing. I couldn't find a pulse. We decided to take the cuffs off so we could do CPR. I did the initial 30 compressions and then someone else took over for me and I took a step back.

*I asked him how many rounds he shot and he told me he needed to keep pulling the trigger until she stopped.*

*I asked if he knew how close she got to him and he thought she was within 10 feet and after she was probably within five feet. So it was extremely close.*

*I recap things with him regarding what he had told me...Officer Barrett told me he knew she had already hit her husband over the head with a bottle and I he knew she had a knife and that the kids were unaccounted for and that one of the calls stated she had stabbed the kids. He was concerned about the kids.*

*I asked if she said anything and he told me she only grunted but never said anything.*

She never acknowledged any of my commands. She had a crazed look with her eyes darting around...very animal like.

*Lt. Duran asked some follow up questions. Officer Barrett confirmed the proximity of the calls and that they were all close together and that he thought they were all related to each other.*

I proceeded to the flag down to check on my partner. This is where I asked about the kids and that is when he told me they were with their mother. He told me she had hit him in the head with the bottle and that she had grabbed a knife. I knew we had two kids stating their mom was chasing them with a knife.

Right after he told me this, the 417 call came out from a lady who said the female was confronting the R.P.'s boyfriend.

*Attorney Gordon confirms Officer Barrett had a description of the suspect by now...Barrett confirms a pink shirt and blue pants.*

*Lt. Duran then asks if he then proceeded to the 417 call and Officer Barrett states that is the case. He then says he sees the suspect. They had just put out her description and there she was screaming.*

*Lt. Duran asked for clarification on him trying to get her attention. Officer Barrett then states that he used his spot light from his marked patrol car. He states he jumped out of the car and began to shout at her but she did not respond. He shouted louder until she focused on him. He confirmed he gave her many verbal commands.*

She then turned at me slightly hunched over and she came at me with the knife in her hand. It was like animalistic. I thought she was going to stab me and probably kill me and I needed her to stop.

*Lt. Duran asked him why he shot.*

Officer Barrett responded, "I wanted to stop her. Even as I was pulling the trigger firing repeatedly, I'm wanting her to stop but she wasn't so I just kept pulling until I got what I wanted which was for her to stop."

The tape then ends at 0523 hours.

### OFFICER'S STATEMENT:

On 04/27/13 at approximately 0030 hours, Officer Thomas #6259 and I assisted on a 417 call at [REDACTED] Quebec Court that resulted in an officer involved shooting. We arrived on scene and I spoke to one witness on Quebec Court, gathering his information and statement. Officer Thomas rode in the ambulance with the victim to the hospital.

I then volunteered to assist with containing the scene at [REDACTED] Ritva Place [REDACTED] I relieved A/Sgt. French #5759 at Ritva and placed yellow police tape around the residence. I then spoke to three witnesses on Ritva Place and gathered their information and statements. I then advised Sgt. Sharki #5986 what the witnesses told me and stood by on Ritva Place until relieved.

### Paraphrased Statement of [REDACTED] (Witness):

It was about 1222AM. I was sitting on my couch watching TV when I heard some shouting outside. It was muffled but I could tell it was male and it sounded authoritative, like commands. I couldn't hear specifically what was being said. I hit the mute button and I started walking toward my patio door. I was about to open the door when I heard at least 3 gunshots. I was going to call police when I saw 2 squad cars pull up. I stood on my patio listening. When I saw the yellow tape, I stepped outside to look around and that's when you started to talking to me.

### Paraphrased Statement of [REDACTED] (Witness):

Translated by neighbor, [REDACTED]

The first thing I heard was "Help! Help!" in Spanish. It sounded like a younger male. I then heard a male and female arguing out in the parking lot in Spanish. The male said, "You're crazy!" The female then said, "I'm going to kill you because I'm tired of the abuse!" The voices traveled like they were walking away. I was half asleep at this point. I then heard another male voice yelling in Spanish, "Ma'am you're confusing me. Ma'am, you're confusing me!" The female started yelling again in Spanish, "Don't get close to me! Don't touch me!" Then I heard, I think 7 gunshots.

I don't know the couple personally but I do know he's beaten her pretty bad in the past,

### Paraphrased Statement of [REDACTED] (Witness):

I was watching TV when I heard a kid's voice yell, "Help!" in English. Then I heard an older male voice yell, "Come down, get over here!" in Spanish. For about 5-6 minutes I heard consistent arguing that sounded

like it was moving away from us. I then heard a male voice shout in English, "Get down!" three times. That's when I heard 3 gunshots. I didn't go outside until the police arrived.

**Paraphrased Statement of [REDACTED] (Witness):**

I was brushing my teeth getting ready for bed when I heard a female screaming. I couldn't tell what she was yelling so I listened closer. I then heard a younger male say, "Help, help! You're scaring me!" The female voice then said, "Don't be afraid." The younger male replied, "Look at how you are!" Then an older male started yelling, "Go back, go back inside the house!" It was quiet for about a minute, and then I heard more arguing between the older male and female. It sounded like it was farther away. The female was saying, "Come back, come back. You're going to regret ever hurting me. Where's the police? I am the law. I have wings and I'm going to fly!" There was more yelling that I didn't understand. The dialogue had been all in Spanish so far when I heard a male voice in English. I heard, "Police! Get on the ground!" The female replied, "No! Don't touch me!" in Spanish. I heard the officer yell again, "Police get on the ground or I'm going to shoot you! Then I heard 3 gunshots and sirens.

There was a weird interaction with the female when my brother was taking out the trash cans. The lady was walking around with a book. She asked my brother what his name was and he said, [REDACTED] The lady replied, [REDACTED] What a horrible name. I wish all the [REDACTED] were dead!"

### Officer's Statement:

On 04-27-2012, at 0018 hours, I was driving northbound on S. Woodman Street approaching Ramfos Place. I observed a male running southbound on S. Woodman Street. The male quickly turned west onto 2500 Ramfos Place. I used my vehicle spot light and saw the male's checkered shirt was disheveled. Upon closer inspection, I saw the male had blood on the left side of his head and considerable blood on his clothing. The male flagged me down and asked for my help. I notified communications of the flag down regarding a possible domestic violence incident involving an assault with a deadly weapon. The male identified himself as a [REDACTED] from his California identification card (CA: [REDACTED]). Based on his injuries, I requested medical attention for him.

[REDACTED] provided the following brief paraphrased statement.

### Statement of [REDACTED] victim):

[REDACTED] stated he was at the mother of his children's house. [REDACTED] was spending time with his children. She was initially getting along well with everyone. She suddenly became violent. She hit him on the head with a bottle and attacked him with a knife.

[REDACTED] kept repeating can I go check on my kids.

### Officer's Statement Continued:

During the stop, I was notified via communications of a child abuse call in the same area. Based on the names of the subjects, I realized the two calls were related. At that time, Officer M. BARRETT #6469 arrived at 2500 Ramfos Place. I heard a radio call of a person brandishing a knife in the area of [REDACTED] Quebec Court. Officer M. BARRETT left to respond to the knife call. I remained with [REDACTED].

A short time later, I heard Officer M. BARRETT on the radio. He advised of having subject at gun point. I told [REDACTED] into the backseat of my patrol vehicle. He complied with the direction. I then heard Officer M. BARRETT announce shots fired. I drove quickly to his location. I turned north onto Quebec Court. I drove past the first driveway to the alleyway on the west side of Quebec Court and went to the second driveway. I heard [REDACTED] say his home was off of the previous alleyway on the west of Quebec Court. I quickly turned around and drove down the first alleyway on the west side of Quebec Court.

I observed Officer M. BARRETT'S patrol vehicle on the middle of the alleyway. Officer M. BARRETT was standing at the rear driver's side of his vehicle. His gun was drawn and pointed down to a female subject on the ground. The female was laying face down at a perpendicular angle to his patrol vehicle's driver's

side. Her head was pointed to the north. Her feet were pointed to the south. I observed a long kitchen knife firmly clutched in her right hand. I slammed on the brakes.

I exited my vehicle, drew my firearm, aimed at the female on the ground, and ordered her to drop the knife. I was the first officer present with Officer M. BARRETT. I approached Officer M. BARRETT on his left hand side. Moments later, Officer M. DOMINGUEZ #6269 was standing on my left hand side. I observed a large pool of blood beneath the female. The female was not responding to our orders. The female seemed unable to respond due to the level of her injuries. I holstered my handgun. Officer M. DOMINGUEZ and I approached the female to handcuff her. I grabbed her left hand. The female appeared to be limp. Officer M. DOMINGUEZ took the female's right side. We applied handcuffs. Officer M. DOMINGUEZ and I rolled the female onto her back. The female appeared to be heavily wounded. I observed blood covering the entire front of her body from her face to her waist. I could not initially see the location of her wounds. I attempted to check for a pulse, but could not locate one. She appeared very pale.

We determined the subject could not be treated medically with her hands handcuffed behind her back. We rolled her over and released her handcuffs. She was rolled onto her back. I then observed a wound to her left thigh. Officer M. DOMINGUEZ started CPR.

Medics arrived on scene. The kitchen knife, which was initially in the subject's hand, was on the ground a few feet from the subject's foot. I picked up the knife and moved it a further away from the subject to allow medics to treat her. I stayed over the knife to preserve it for evidence. I observed four spent shell casings on the ground near the back of Officer M. BARRETT'S vehicle. During the medics' treatment of the woman, I observed a gunshot wound to her head near her right eyebrow.

After medics notified the subject was pronounced deceased at the scene at 0033 hours, Officer M. DOMINGUEZ took over watching the knife. Acting Sergeant B. FRENCH # 5759 approved medics to drape a cover over the deceased female. I advised other officers at the scene to contact [REDACTED] in the back seat of my patrol vehicle and to provide him medical attention. I could hear [REDACTED] screaming, "What did you do to her!" I provided my camera to Officer R. THOMAS #6259, who took over contact with [REDACTED].

I notified Acting Sergeant K. VALENZUELA #6102 of my involvement on the scene. He requested for me to start witness checks along the south side of the alleyway.

At [REDACTED] Quebec Court [REDACTED] I contacted [REDACTED]. She did not see anything. She heard four gunshots, but nothing else. I received no answer at [REDACTED] Quebec Court [REDACTED] and [REDACTED] responded back to the scene. I was requested to return to my patrol vehicle.

### NARRATIVE:

I was in full uniform in a marked patrol car assigned as the Mid-City Crime Suppression Team Sergeant. We were conducting saturation patrol when I heard "Shots fired," broadcasted over the Southern/Southeastern frequency. I directed my units to respond and provide assistance at about 0023 hours. While en route, we were given a disregard from the scene supervisor.

At about 0041 hours, we were requested to respond to the Officer-Involved-Shooting Scene. We responded from Mid-City Division and met with Lt. Paul Rorrison and A/Sgt. Kevin Valenzuela at Quebec Street at about 0055 hours.

Lt. Rorrison directed me to take a squad of officers and process the scene at 2500 Ramfos Street. This scene was changed to Adirondack Place. When we arrived, we clarified the actual address was Ritva Place. When I arrived, I saw yellow crime scene tape had already been used to cordon off the scene.

I spoke with the supervisor on scene, A/Sergeant French. He transferred control of the scene to me at about 0127 hours. Sergeant French told me this scene had two components: the apartment at Ritva Place and a vehicle registered to [REDACTED]. The vehicle was a Chevrolet four door CA [REDACTED]. The only thing of note about this vehicle is the trunk was slightly ajar. It was parked in a covered space near Ritva Place.

I spoke with Southeastern Division Officers B. Wallace and J. Bamba. They were in the process of collecting witness statements; see their reports for details.

I asked if anyone had conducted a safety sweep of Ritva Place. No one appeared to have conducted a safety check. The front door was open. When looking into the front door, there were obvious signs of physical violence. Furniture was overturned, objects were broken, and there was what appeared to be blood on the flooring and carpet.

I was concerned because there were three seriously injured victims and no one had confirmed if there were additional victims inside the apartment. I led Officers O. Amado and B. McGilvray into the apartment and ensured there were no other injured people inside. In order to preserve the scene and follow protocol, we remained inside only long enough to conduct the check. We did not disturb the scene nor did we take notes or any photographs.

I directed the officers at Ritva Place to conduct witness checks, see their reports for details.

At about 0154 hours, family members related to [REDACTED] arrived on scene at Ritva Place. Officer Wallace spoke with them; see her report for details.

I compiled the information the officers had obtained into a briefing script. I attended the briefing at about 0220 hours on Quebec Place.

After the briefing was completed, I released all of the Mid-City Officers except for Officer S. Spillane at about 0345. Once Southeastern units had arrived to maintain the perimeter at our scene, Officer Spillane and I checked out with the Incident Commander, A/Sergeant Kevin Valenzuela. We cleared the scene at about 0430 hours.

**Officer's Statement:**

On 04-27-2013, at 0030 hours, I responded to an officer involved shooting at [REDACTED] Quebec Court.

I arrived on scene. I began to secure the scene by setting up crime scene tape. While putting up crime scene tape, I was approached by a black male who witnessed the shooting. I told the male later identified as [REDACTED] to stay where he was and I would talk to him when I finished securing the scene. [REDACTED] was very cooperative and told me he would.

I finished securing the scene. I went back and spoke with [REDACTED] and took his statement.

**Statement of [REDACTED] (A Witness):**

[REDACTED] essentially told me the following. [REDACTED] heard some people arguing. [REDACTED] walked outside to see if he could help out or stop the people from arguing. [REDACTED] got closer and saw a female on the cell phone. She told him she was talking to the police. [REDACTED] saw a Hispanic male against the fence in the parking lot and a Hispanic female standing in front of him yelling at him. The lady on the phone told [REDACTED] the Hispanic female had a knife. [REDACTED] told me he asked the male if the lady who was yelling at him was his wife. The male yelled out, "No! No! No!" The lady continued to yell at the male in Spanish.

[REDACTED] saw the police vehicle pull into the parking lot. [REDACTED] told the male to leave. The police officer got out of the vehicle and yelled at the lady to get her attention. The lady turned around holding the knife. The officer yelled at the lady to drop the knife. The lady began walking towards the officer holding the knife. The officer told her to stop and drop the knife several times. The lady aggressively continued to walk towards the officer holding the knife. [REDACTED] told me the officer yelled at the lady, "Stop! Drop the knife or I'll shoot you!" The lady continued to walk towards the officer holding the knife. The officer shot the lady. [REDACTED] told me he believed the officer shot 3-4 times. [REDACTED] told me the officer had no choice, but to shoot her. [REDACTED] told me he felt bad for the officer and he hoped he was ok.

### Officer's Statement:

On 04/26/2013 at about 0018 hours, Officer J. Bamba #6328 and I responded to [REDACTED] Quebec Ct for urgent cover to assist Officers who were investigating a domestic violence where shots have possibly been fired. Upon our arrival, I saw medics were already on scene and appeared to be performing emergency life saving procedures on a female later identified as Maria Zarco.

I checked the surrounding area for any witnesses that may have heard or saw anything. I checked [REDACTED] Quebec Ct [REDACTED] and I spoke with [REDACTED] who advised me she had not seen or heard anything. After speaking with [REDACTED] I checked [REDACTED] Quebec Ct [REDACTED] and got no answer at the door. After checking [REDACTED] I checked [REDACTED] Quebec Ct [REDACTED] and there was no answer.

I walked back to the scene and I was instructed to stay with a male who was sitting in the back of a patrol vehicle. The male was later identified as [REDACTED]. He was removed from the patrol vehicle by medics to be evaluated for injuries. Upon evaluation of [REDACTED] several small marks that looked like possible knife puncture wounds were located by medics. Medics decided that [REDACTED] will need to be transported to the hospital. I rode with medics to Scripps Mercy hospital with [REDACTED]. While at Scripps hospital it was discovered that [REDACTED] suffered several minor lacerations. There were two small lacerations on his upper left arm, a small laceration on his left wrist, several small lacerations on his back and a large bump on his head that had been bleeding. Dr. William Dutton advised me that all of [REDACTED] wounds were superficial injuries but [REDACTED] was suffering from a concussion. I took approximately 15 photos depicting [REDACTED] injuries. I impounded the photos on digital photo disc on barcode #10220049. After taking photos of [REDACTED] I was able to speak with him and take his statement.

### Statement:

#### Statement of [REDACTED] (victim):

My wife called me while I was at my mother's house and told me to come over. I asked her why and she said because she was not feeling well. I told her no I do not want to come over and she said, "**If you don't come over something is going to happen**". When she said this, I was afraid she was going to do something to my kids. I drove over her house and I parked my car away from her house and walked to the house. She met me at the door and invited me into the house.

I walked into the house and I saw 2 knives and a bottle on the kitchen counter. I thought that was odd but I didn't think much of it. When I walked inside the house she locked both doors behind me. She picked up [REDACTED] bottle and one of the knives. I asked her what she was doing? She said she was going to cut some oranges. I told her I was going to leave and she struck me in the head with the bottle. After she struck me

### OFFICER'S STATEMENT / ORIGIN:

On 04-27-2013 at about 0019 hours Officer S. Spillane (#6099) and I were on patrol in the Mid City area. During this time we responded to [REDACTED] Quebec Court for the report of an officer involved shooting. We responded to the scene for peer support. Officer Spillane is a designated Peer Support Officer.

When we arrived on the scene, we were directed by officers to speak with Officer M. Barrett (#6469). We identified Officer Barrett as the officer involved in the shooting. We spoke to the scene incident commander and ensured the scene was safe and then ensured Officer Barrett was transported from the scene to the Southeast Sub Station. A second Peer Support officer also responded to the Southeast Substation.

After about an hour, Officer Spillane was requested to return to the crime scene for further assistance. I was asked to remain at the Southeast Substation until instructed further.

Around 0215 hours, I was asked to assist with scene security at [REDACTED] Ritva Place and arrived shortly thereafter. I remained at this location until Sergeant Sharki relieved me at about 0400 hours.

I took no other investigative action at the scene.

### OFFICER'S STATEMENT:

On 04-27-2013, at approximately 0013 hours, Cadet D. Del Villar #60559 and I were working in full uniform and in a marked police vehicle. We were dispatched to [REDACTED] River Bear RW regarding a report of a child abuse.

While enroute, a second related call was dispatched involving a woman pointing a weapon in a threatening manner on Quebec Ct.

Shortly after, Officer M. Barrett #6469 announced via police radio he was on scene on Quebec Ct. with "one at gun point... Shots fired, shots fired."

I initiated my emergency red/blue lights and siren; and began to drive in Officer M. Barrett's location. We arrived a short while later. I saw that Officer A. Scheidecker #6827 directly in front of me as we arrived with Officer M. Barrett.

I saw Officer M. Barrett standing in the area of his trunk, taking cover, with his weapon pointed at a female (subsequently identified as Maria ZARCO), shouting, "Don't move, don't move!" I saw the female was not moving.

ZARCO was face down in a pool of blood. ZARCO had in her right hand approximately 18- inch knife. The knife had a silver metal blade approximately 12- inches in length, with an approximately 6- inch brown handle. I saw ZARCO held the knife in a clenched fist, in a manner where the blade came from the pinky finger side of her hand. ZARCO held both hands in a push up position, where both her hands were partially under the upper area of her chest, with bent elbows.

I put on a pair of unused latex style gloves. I directed Officers Scheidecker and Barrett to maintain their weapons pointed at ZARCO as I believed she still posed a threat to me and my fellow officers. We approached ZARCO to take her into custody. I used physical force to pin ZARCO'S right shoulder to the ground and against her right hand to prevent her from moving. I grabbed ZARCO'S right hand I removed the knife from ZARCO'S hand.

While ZARCO was face down, I handcuffed her in a department approved manner. I rolled ZARCO on to her right side in the recovery position. I checked ZARCO for any additional weapons. I did not see any.

I saw ZARCO was not breathing. I checked ZARCO for a pulse and there was none. ZARCO was warm to the touch. I removed my handcuffs and placed ZARCO on her back. I directed chest compressions.

Cadet Del Villar assisted Officer's with the crime scene tape. I began to locate several bullet casings around vehicle 6860. I found 5 casings that I marked using my PD 145 blank paper.

I saw Officer Scheidecker was with the knife and ZARCO. I took his position with the knife and ZARCO. I was subsequently cleared by Sergeant A. Sharki #5986 and Homicide Team 1 took control of the scene.

### OFFICER'S STATEMENT:

On 04/27/13 at approximately 0030 hours, Officer Thomas #6259 and I assisted on a 417 call at [REDACTED] Quebec Court that resulted in an officer involved shooting. We arrived on scene and I spoke to one witness on Quebec Court, gathering his information and statement. Officer Thomas rode in the ambulance with the victim to the hospital.

I then volunteered to assist with containing the scene at [REDACTED] Ritva Place [REDACTED]. I relieved A/Sgt. French #5759 at Ritva and placed yellow police tape around the residence. I then spoke to three witnesses on Ritva Place and gathered their information and statements. I then advised Sgt. Sharki #5986 what the witnesses told me and stood by on Ritva Place until relieved.

### Paraphrased Statement of [REDACTED] (Witness):

It was about 1222AM. I was sitting on my couch watching TV when I heard some shouting outside. It was muffled but I could tell it was male and it sounded authoritative, like commands. I couldn't hear specifically what was being said. I hit the mute button and I started walking toward my patio door. I was about to open the door when I heard at least 3 gunshots. I was going to call police when I saw 2 squad cars pull up. I stood on my patio listening. When I saw the yellow tape, I stepped outside to look around and that's when you started to talking to me.

### Paraphrased Statement of [REDACTED] (Witness):

Translated by neighbor, [REDACTED]

The first thing I heard was "Help! Help!" in Spanish. It sounded like a younger male. I then heard a male and female arguing out in the parking lot in Spanish. The male said, "You're crazy!" The female then said, "I'm going to kill you because I'm tired of the abuse!" The voices traveled like they were walking away. I was half asleep at this point. I then heard another male voice yelling in Spanish, "Ma'am you're confusing me. Ma'am, you're confusing me!" The female started yelling again in Spanish, "Don't get close to me! Don't touch me!" Then I heard, I think 7 gunshots.

I don't know the couple personally but I do know he's beaten her pretty bad in the past,

### Paraphrased Statement of [REDACTED] (Witness):

I was watching TV when I heard a kid's voice yell, "Help!" in English. Then I heard an older male voice yell, "Come down, get over here!" in Spanish. For about 5-6 minutes I heard consistent arguing that sounded

like it was moving away from us. I then heard a male voice shout in English, "Get down!" three times. That's when I heard 3 gunshots. I didn't go outside until the police arrived.

**Paraphrased Statement of [REDACTED] (Witness):**

I was brushing my teeth getting ready for bed when I heard a female screaming. I couldn't tell what she was yelling so I listened closer. I then heard a younger male say, "Help, help! You're scaring me!" The female voice then said, "Don't be afraid." The younger male replied, "Look at how you are!" Then an older male started yelling, "Go back, go back inside the house!" It was quiet for about a minute, and then I heard more arguing between the older male and female. It sounded like it was farther away. The female was saying, "Come back, come back. You're going to regret ever hurting me. Where's the police? I am the law. I have wings and I'm going to fly!" There was more yelling that I didn't understand. The dialogue had been all in Spanish so far when I heard a male voice in English. I heard, "Police! Get on the ground!" The female replied, "No! Don't touch me!" in Spanish. I heard the officer yell again, "Police get on the ground or I'm going to shoot you! Then I heard 3 gunshots and sirens.

There was a weird interaction with the female when my brother was taking out the trash cans. The lady was walking around with a book. She asked my brother what his name was and he said, [REDACTED]. The lady replied, [REDACTED] "What a horrible name. I wish all the [REDACTED] were dead!"

**SUBJECT INTERVIEWED:**

**WITNESS STATEMENT:**

On Saturday April 27, 2013, at approximately 0012 hours, [REDACTED] called 911 to report that she had been walking outside when two boys asked her for help. They stated their mother was chasing them with a knife and was cutting them. She was told by the children that their mother and father had been arguing and that the mother went after the father with a knife. [REDACTED] reported that the 9 year old son has deep cuts to his arms so medics were called. She also stated the children last saw their parents near Ritva and per the oldest son their mother, Maria, has mental problems and is bi-polar.

On Saturday April 27, 2013, at approximately 0019 hours, [REDACTED] called 911 to report a female with a knife in the South Bay Townhomes. The female initially stated she was on Quebec Court. She stated the suspect was an H/F, 48 years old, 5'1" with a medium build wearing a red shirt and blue capris. the scene. Medics were called and CPR was performed on the suspect who was soon pronounced dead a few minutes later.

Homicide Team 1 was assigned to conduct the follow up investigation and responded to the scene. After attending a briefing conducted by Acting Sergeant Kevin VALENZUELA, ID 6102, I was assigned to conduct the crime scene investigation. Crime Scene Specialist Dore SAVAGE, ID 8831, and Criminalist Shawn MONPETTIT, ID 8673, were assigned to assist me.

During the crime scene investigation, Criminalist MONPETTIT found one of the bullets fired from Officer BARRETT'S weapon struck the driver's side rear tail light of a gray Nissan Altima, California license plate [REDACTED]. At the time the bullet impacted the vehicle, it was parked under the carport directly in front of the apartment building numbered [REDACTED].

A records check revealed the vehicle was registered to [REDACTED] at [REDACTED]. On April 27, 2013, at about 0700 hours, I attempted to contact the registered owner at the address listed on the registration, however, there was no answer at the front door. I left my business card at the home and requested her to call me.

On Saturday, April 27, 2013, at about 0800 hours, I received a message on my work phone number from [REDACTED]. I returned [REDACTED] phone call and we arranged to meet Tuesday morning, April 30, 2013, at 0700 hours, so I can look inside her trunk in an attempt to retrieve the bullet.

I met [REDACTED] at her home located at [REDACTED]. [REDACTED] agreed to allow me to look for the bullet in her trunk. I was able to pull up the carpet and expose the rear quarter panel located behind the tail light, however, it was clear that the bullet did not penetrate the trunk compartment. I was unable to retrieve the bullet from the vehicle.

I provided [REDACTED] with the phone number to the City Claims department so she can have her tail light repaired.

Detective Velovich,

Thank you for being so diligent in your efforts to provide evidence in the Zarco matter. I do not have any objection to SDPD submitting the case for review without conducting testing on the DNA swab. Such testing will apparently consume the swab. In the event that there is any future litigation it is probably best to preserve the swab. If, after review of the materials submitted by SDPD, we feel there is a need for testing of the swab, we can always reevaluate the request.

**SUBJECT INTERVIEWED:**

**WITNESS STATEMENT:**

On Saturday, April 27, 2013, at approximately 0050 hours, I was off-duty when I received a telephone call from Detective Sergeant Paul PHILLIPS, #4882 informing me an officer involved shooting occurred at [REDACTED] Quebec Court and Homicide Team I was assigned to investigate the incident. Detective Sergeant PHILLIPS directed me to respond to the scene to assist with the investigation.

At approximately 0158 hours, I arrived on scene and joined the other members of Homicide Team I.

At approximately 0222 hours, Acting Patrol Sergeant Kevin VALENZUELA, #6102 and Patrol Sergeant Adam SHARKI, #5986 conducted a briefing regarding the incident. The deceased suspect was identified as Maria ZARCO. San Diego Police Officer Michael BARRETT, #6469 was identified as the officer involved in the incident. We also learned a domestic violence incident occurred prior to the officer involved shooting incident at ZARCO'S residence located at [REDACTED] Ritva Place, apartment [REDACTED]

ZARCO had stabbed her husband, [REDACTED] and their two children, [REDACTED] and [REDACTED]. [REDACTED] ZARCO also stabbed [REDACTED] in the parking lot area.

[REDACTED] was transported to Scripps Mercy Hospital where he obtained medical treatment for his injuries. [REDACTED] and [REDACTED] were transported to Children's Hospital where they obtained medical treatment for the injuries they each sustained.

At approximately 0316 hours, the briefing was concluded. Detective Sergeant PHILLIPS directed me to conduct witness interviews with citizens identified by responding patrol officers.

At approximately 0537 hours, I met Detective T. NORRIS, #3979 at Rady Children's Hospital to speak with [REDACTED] and [REDACTED]. Detective NORRIS spoke with [REDACTED] in a separate room while I spoke with [REDACTED].

At approximately 0554 hours, I conducted an interview with [REDACTED] which was digitally recorded. In essence, [REDACTED] stated the following in response to my questions:

My brother [REDACTED] and I live with our mother, Maria Fanny ZARCO. My dad, [REDACTED] lives at home with us and with my aunt, [REDACTED].

I asked [REDACTED] what his parents had been arguing about.

[REDACTED] They've also been arguing about other things. My mom gets some weird ideas. She thinks someone comes into our house at night. She thinks there are evil spirits and she always blames it on my dad. She thinks my dad is evil, like a demon. She's believed that for about a year. She has believed someone comes into the house at night for about the same amount of time.

I asked [REDACTED] if his mother took any type of medication.

No.

I asked [REDACTED] if he knew whether his mother visited a doctor for any reason or whether she had any type of medical condition.

No, she hasn't. No, she doesn't have a medical condition.

I asked [REDACTED] how often his father would usually stay with them at home.

Every other day, but whenever they're arguing he doesn't come home that much. He comes back home whenever things are getting better. They mostly argue about money problems and I guess that my mom [REDACTED] and she's been living with my dad for about sixteen years. It's mostly been about my mom's belief that my dad is evil.

I asked [REDACTED] if his mother had a job.

[REDACTED]

I asked [REDACTED] how long it had been since he last heard his parents have an argument.

The one they had last night. My mom's mood changes sometime. I guess the last time was two weeks ago. Things got calm until now.

I asked [REDACTED] if he heard his mom talk about her beliefs.

Yeah. She talks to me sometime. She talks about spirits. She said sometime whenever she's sleeping she feels someone on top of her and messing around with her. She doesn't like the TV because she thinks spirits go into the TV. She said some of the things she has seen on TV are about her life. She thinks things in books reflect on her life too.

I asked [REDACTED] how his mother usually treated him and his brother, [REDACTED]

She does good, but I don't know what happened last night. Most of the time, she thinks things about my dad. It's the beliefs she has, believing that he's evil.

I asked [REDACTED] if his mother had ever referred to him or his brother as being evil.

Yes, because she thinks in a way we're part of it. She doesn't say it that much because we're her sons. It's been a while since she's said that, but I think she still believes my brother and I are evil because of my dad. It's been about three months since I've heard her say that.

I asked [REDACTED] why his mother became upset during the previous night.

I don't know. She just had a sudden change of mood. Before that, she wanted to clean the porch and she took the bikes out. After that, she wanted to ride one of the bikes. It was around an hour and thirty minutes before. It was about 11:00 o'clock PM. In the morning, my mom went to go jogging. It's something she doesn't usually do. She left for about four hours. When she came back, she said she had to leave for a job, but she didn't say what the job was.

She walked around the complex and when she came back she had a doll. It was a girl doll. She was walking around talking to the doll.

I asked [REDACTED] if he previously observed his mother talk to a doll.

No. She didn't tell me where she got the doll. She was talking to the doll and combing the doll's hair.

I asked [REDACTED] what his mother was saying to the doll.

She was saying my dad wasn't going to be welcome in the house anymore, that he was wrong and she was right. She was gone from home for about four hours when she said she was going for a jog. She was gone for about two hours when she said she was going to a job. She wore some blue sweatpants when she left home. I think she wore a T-shirt, but I don't remember the color.

My mother left home at about 10:30 AM in the morning when she said she was going for a jog. On the day before this, she mostly stayed in her room. She was in her room for two days. The radio was on in her room. She didn't cook or anything the last two days. She was speaking to the doll in Spanish when she came back home the second time in the morning. I asked her what was wrong, but she didn't answer.

I went to a park with my brother to play soccer. When we came back, our dad wasn't there. My dad was at the house watching TV when my mom left saying she was going for a jog. Then he went outside to wait for my mom. My dad left after my mom came back with the doll. She was screaming at my dad, saying he wasn't welcome. I was in my room. He left in his car and he said he was going to [REDACTED] house. He just told me he was going and he left.

I asked [REDACTED] how his dad treated him and his brother.

He treats us good. My mom was in her room after my dad left home. My mom came out of her room and I told her I was going to the park. I took my little brother to the park and I don't know what she did when we were at the park. We were gone for like an hour and thirty minutes. My mom was calling to my dad when I came went back home. She called him on her cell phone saying, 'Come back home' and that she needed him. She said she needed support from him and stuff like that.

My mom even turned on the radio and she started dancing. It was about 9:00 o'clock PM. My dad came home after that. At about 11:00 PM, I decided to ride my bike outside. My mom came outside and she rode my bike too. My little brother and my dad were outside with us too. We went back into the house after that. At about 12:00 AM (midnight), I was in my room when I heard my dad say, 'Control your mom'. I heard things falling and I heard my dad say, 'Stop, stop' in Spanish.

I went into the living room and I saw my mom with a medium size cooking knife (approximate 6" long kitchen knife). My dad was holding my mom's hands against the wall and my mom was holding the knife in her right hand (knife blade facing downward). It was between 12:00 and 12:30 AM. My dad told me to take the knife away from her, but I wasn't able to. I cut my left hand a little (minor cut on the web of his left hand). My mom grabbed a vase and she hit me on the head (upper left portion of his forehead) with it.

It was a dark orange vase. My little brother was sitting down on the living room floor. My dad tackled my mom to the floor. I saw my dad trying to leave and I opened the door. My dad left when I opened the door. My mom got me once in the back with the knife (puncture wound on the upper left portion of his back).

Page 5

I think she did that because of her belief that we're evil. She didn't stab me hard. I moved back and I stepped out of the house. I didn't run, but my dad ran. My mom went back inside and I heard my brother screaming. He got injured the most. I went back into the house because my brother was screaming. My brother was lying on the floor and my mom was crouched over him swinging the knife at him (downward motion). She swung the knife at him at least five times.

My first reaction was to punch my mom because she could have injured my brother worst. I punched her on her right cheek (from behind). I told my brother to run. He wasn't wearing any shoes. He just wore socks. He ran outside. My mom came toward me holding the knife upward. She followed me outside. She said we didn't deserve to live because we were evil. She said we were not part of this world and that God would forgive her. We were going into the main street near the complex.

She said we were evil because we were related to my dad and that he was evil. I saw my brother kind of far away. My mom ran toward me and I ran away toward my brother. My brother was crying. I looked back and I didn't know if my mom went back home or not because she wasn't following me. My brother was crying and I saw him touching his arm where the biggest injuries are (left shoulder). I ran up the street and two ladies asked if we were okay. I told them our mom was chasing us with a knife and they called 911.

Some neighbors in the area heard my mom scream and one of the ladies called 911. After that I didn't hear what happened to my mom. I just stayed there where the ladies were. One of the police cars passed by and I guess they were looking for my mom. I think I heard gunshots after that. I heard three or four gunshots. I got kind of scared and freaked out because I thought they shot my mom or something.

Then one of the ladies grabbed me because I was going to run to where my mom was. I was screaming, mom, mom... A police lady came. I asked her if my mom was all right and she said yes. I calmed down after that and an ambulance came.

I asked [REDACTED] if something like this had ever happened before. I specifically asked [REDACTED] if his mother had ever previously assaulted him or his brother with a knife or in any way.

No.

I asked [REDACTED] if his mother had ever previously spanked him or his brother.

No.

I asked [REDACTED] how he felt about what his mother did last night.

I feel it was not the right way. On Thursday, my mom was going back and forth from her room. My dad wasn't home. She said the only way to stop my dad was to send him to jail or to kill him. I took it like a joke. It was during the afternoon. Again it was about her beliefs that he was evil and not part of this world.

*Is this today you're talking about?*

Well it started yesterday. She stabbed my brother and me in the night and the morning. In the morning she got crazy and stabbed my brother and me.

*\*At this point there was some confusion on my part regarding [REDACTED] statement. I thought there were two different incidents in which he and his brother were assaulted. In fact, it turned out that since it was the early morning hours of Saturday, he was having difficulty expressing the fact that this took place beginning Friday night and it carried over to Saturday morning.*

First she stabbed my brother and then me. We were awake but I think my brother was sleeping. I was sitting there down on the floor. I wasn't doing anything but they were just fighting.

They were yelling at each other but then they were throwing things at each other. My mom had a glass bottle with juice.

*Did it hit him?*

Yeah it kind of hit him and then it hit the floor and broke. Also, a hot sauce bottle. My dad pushed my mom and it fell down and it got on my socks.

*Did your dad hit your mom?*

No he was just trying to stop my mom with the knife. She had a knife but not my dad. It was kind of like the one you use to eat steak.

*What was she doing with it?*

She tried to stab my dad. She had the knife in her hand and she tried to poke my dad right here. (Points to his shoulder) My dad called my brother so he could help.

*Did your dad call your brother to help get the knife away?*

Yeah they were pushing her to get the knife away. Then my dad left the house without us. Then my mom got the knife and stabbed my brother on the shoulder. When he got stabbed he ran away and I was sitting down in the living room and she came at me with the knife and poked me right in my arm and my leg.

First she did my arm and then she did my leg. Then my brother came and got her out of the way so she couldn't stab me. My brother tried to stop my mom so he told me to run. I ran to the other houses and apartments. My brother was stopping my mom with the knife. Then my brother ran and we hid and my mom went to the park. Then the ambulance came and took me here.

*Ok so is that what happened tonight?*

Yeah.

*Ok I think I might have misunderstood you. I thought she stabbed you tonight and once before.*

No it was just today.

*Ok so everything happened tonight?*

Yeah.

*Before tonight did your mom and dad fight a lot?*

Yeah.

*How many times over a week do they get into fights?*

Maybe like three times.

*What do they fight about?*

My mom thinks my dada is evil. She has a problem. She has a brain problem

*Like mental illness?*

Yeah, that. She's kind of like that in the house.

*Did your mom say anything to you when she was poking you with the knife?*

No, she was just looking at me.

*When your dad was fighting with your mom, were they just arguing?*

Yeah but they were also throwing stuff.

*Did your dad throw things at your mom?*

No.

*Did he push her?*

Yeah and after that is when the hot sauce bottle broke. After that my dad left and ran away.

*Before your dad left did he and your brother try to get the knife away from your mom?*

Yeah my dad and my brother got the knife away. My brother ran but was kind of slow so she stabbed him on the shoulder.

*Tell me about when you guys ran out of the house.*

When we ran my mom was chasing us.

*So she stabbed [REDACTED] in the shoulder and you guys ran. Did some time pass?*

*\*We were told during the briefing [REDACTED] goes by the name [REDACTED]*

Yeah, about a minute. Then my brother left and my mom looked at me and had the knife. She was bleeding from the nose. She got it when my dad pushed her. Then she stabbed me in the arm and the leg.

*Where was [REDACTED] at this time?*

He was outside. I screamed and my brother came back for me. He pushed my mom and told me to run. Then my brother ran out too and my mom tried to stab my brother and me. My brother tried to keep my mom away. He carried me a little and then told me to run. We saw two girls with a phone and told them my mom was going to stab us. So they called the ambulance and took us to the hospital.

*When you said your mom and dad fight, does anyone ever get hurt?*

Yeah, usually my dad does. Because my mom throws things at him like cups and a vase. Things that break. She thinks my dad is evil.

*Has your mom ever hurt you before?*

No, this is the first time.

*How about your dad, has he ever hurt you?*

No.

[REDACTED] had no further information to provide so I concluded the interview.

[REDACTED] was transported to Scripps Mercy Hospital where he obtained medical treatment for the injuries he had sustained. [REDACTED] and [REDACTED] were transported to Children's Hospital where they obtained medical treatment for the injuries they each had sustained.

At the conclusion of the briefing Detective Sergeant PHILLIPS directed me to contact [REDACTED]

At approximately 0350 hours, I contacted [REDACTED] at his girlfriend, [REDACTED] residence. [REDACTED] invited me inside and I obtained a statement from him while sitting on the sofa in the family room. The entire interview was audio recorded. My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what [REDACTED] told me in response to my questions. [REDACTED] in essence, told me the following:

My girlfriend [REDACTED] parked her car in her parking spot. I parked my car over in the visitor area near the tennis courts.

It was around 0020 hours, when I was walking toward [REDACTED] house. This woman (Maria ZARCO) approached me and started to talk to me in Spanish. She said, "You know me." I told her, "I am sorry, I do not know you." She had a knife in her right hand. When she walked toward me she had the knife down to her side. When she got up to me, about a foot away, she raised her right hand and tried to attack me. I pushed her. She tried to stab me with the knife. I turned around and fell onto the ground, because I tripped. When I was down on the ground I was lying on my back. She kept trying to stab me. I pushed her and she fell to the ground. I got back up and ran toward a car (a white colored Honda CRX CA [REDACTED] that was parked in the car port. She then chased me around the car like "cat and mouse." I told [REDACTED] "call the police." She (ZARCO) was talking and yelling in Spanish. She said she wanted to "kill" me. She was saying things that didn't make sense.

A neighbor came outside and asked what was happening. I told them I didn't know who the lady (ZARCO) was. She was still chasing me around the car when the police arrived.

When the police officer showed up I ran toward him. She also ran toward the police officer to "attack" him. I was in front of her. She was running behind me. The officer yelled at her to "drop the knife, drop the knife." The police officer yelled at me to "go over there." Then the shooting happened. The lady continued to run at the police officer and she wouldn't drop the knife. He told her to "drop it," but she didn't. She was close to him when he shot her. She was about ten to twelve feet away. The officer shot two or three times. When the officer shot her, the first two times, she continued to run towards him. I think she went down after the third gunshot.

I do not know this lady (ZARCO). I have never seen her before.

She (ZARCO) was a Hispanic female, about 40 to 50 years old, approximately 5'2" in height, "fat" with short black colored hair. I don't know what she was wearing, but she had on red and yellow colored clothing.

[REDACTED] was transported to Scripps Mercy Hospital where he obtained medical treatment for the injuries he had sustained. [REDACTED] and [REDACTED] were transported to Children's Hospital where they obtained medical treatment for the injuries they each had sustained.

On the early morning of Saturday, April 27, 2013, I went to Scripps Mercy Hospital located at 4077 Fifth Avenue to contact [REDACTED]. I went to room #1011 where he was. Upon arrival I found [REDACTED] sleeping in the bed. I spoke to Doctor BEAR, [REDACTED] treating physician. He informed me [REDACTED] had been given medication which made him "sleepy." I left the hospital without obtaining a statement from [REDACTED].

On Tuesday, April 30, 2013, I received a telephone call from Social Worker Supervisor Lisa KREKLER with Behavioral Health Inpatient, at Scripps Mercy Hospital, at 4077 Fifth Avenue in San Diego. KREKLER was [REDACTED] assigned social worker. I told KREKLER I needed to interview [REDACTED]. I agreed to meet KREKLER and [REDACTED] at approximately 1330 hours, at Scripps Mercy Hospital that day.

At approximately 1345 hours, I met [REDACTED] in an interview room located in the Behavioral Health Inpatient section of the hospital. The entire interview was audio recorded. My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what [REDACTED] told me in response to my questions. [REDACTED] in essence, told me the following:

I was "living two worlds" with my wife. I wasn't living with her, but she was always threatening me. She was always calling and threatening me. She would threaten she was going to hurt herself and my kids. I would frequently drive by her house to see if she was sleeping. Sometimes I would hear her crying at night.

My boys knew what was up. They have heard her talking about demons and stuff. I tried to help her. I tried getting her to see a pastor or a priest, but she always "closed the door" to the idea. She was always "closing" herself. I tried to get her a psychiatrist. She always wanted to be with me.

[REDACTED]  
[REDACTED] I live at [REDACTED] She lives at that house [REDACTED] Ritva Place, apartment [REDACTED] with the boys. They are my biological children.

She started calling me on Friday (April 26, 2013). She was "not acting normal." She was calling me all day. Around 1500 hours, she called and I went over to her house. I saw her walking around outside by herself. She was walking around and talking about demons, the end of the world and God. I talked to my oldest son [REDACTED]. I asked him to help me get his mom (Maria ZARCO) back inside. I told him we needed to calm her down. I brought her inside and then I left.

She called me again that night. I went over there, but I didn't go inside the house. I stayed in the car. I pretended I wanted to see her, because she kept calling. She called and text messaged me a lot that day. I don't know the exact number of times, but it was a lot. I made her think I was there. I told her I was going to stay in the car. She didn't want me to leave. She didn't like that I lived far away. She was okay with me staying in the car. She accepted that. That was the "craziest" night. "She went really bad crazy."

Maria would call me and act like a normal, civil person. She would act like she was okay. I thought she was okay. I was stupid. "I fell to her games." "In the bottom of my heart" I was always thinking about my kids. Even when she talked to me nice I knew there was something "fishy." I was always worried about my boys.

When I left earlier that day, around 1900 hours, the boys and Maria were inside the house. Maria wanted to talk. I told her "no" we would talk another day. I told her that it wasn't a good time for me. I left and walked to my sister's house.

I stopped by a restaurant and ate, because I was hungry. I needed to calm myself down. It had been awhile since she called or texted me. I thought it was odd, but then I thought maybe she had calmed down and went to sleep. I planned to go by the house around 2300 hours to see if the lights were off and they were all asleep.

However, around 2000 hours or 2100 hours, she started to call and text me again. She was talking to me "nice, but not in a normal way." She wanted us to meet and talk. I told her we could talk, but I wasn't going to stay. I would stay with her until she fell asleep. She needed to get some rest. She had to promise we could talk later. She wasn't making sense. She kept talking about demons. I didn't like that she was talking about the devil in front of the kids. I told her to stop. I didn't want her talking like that in front of the kids. I know she was scaring [REDACTED]

I told her we could talk another day. I was just trying to calm her down. I wanted her to go to sleep. I had a plan. I would drive by later that night and make sure they were all asleep and everything was okay.

She kept texting me. That is when she "tricked" me. Around 2200 hours, she texted me and said, "Something stupid is going to happen" and "I am going to hurt myself." It was past 2200 hours and I knew she wasn't going to go to sleep. I felt scared. I believed she should have already been in bed. We have a routine. We go to bed around the same time.

"What I was hoping would happen, didn't." "It wasn't normal." She kept telling me "if you don't come around before midnight something is going to happen." She told me a time. She said if "I didn't come over by twelve midnight something stupid was going to happen."

So, I went over there. When I got up to the house I didn't go in at first. The wooden door was open. My boys came outside and greeted me. Maria was taking two bicycles outside. She came out and started talking to me. She was talking to me "normal." I asked her if

she was okay. She said she was. "That is how she always played with my mind." She started playing music and dancing. I knew she liked music. Things were going well. She told me she was tired and she was going to go to bed. She told me we needed to talk. I told her it was too late and the kids needed to go inside. I told her I was tired and we could talk another day. She told me it wouldn't take long. She told me to come inside, because it was cold outside and she wasn't wearing a sweater. It was cold that night.

So, it was my fault. I went inside and sat down on the sofa next to the front door. There were dirty dishes, two knives and a salsa bottle on the counter. My kids eat salsa with oranges, so "I thought everything was normal."

Maria closed both of the doors and locked them. I asked her why she closed the doors and she said it was routine. I didn't say anything else. I just wanted her to say what she had to say to me and then I was going to leave.

I saw her grab the bottle of salsa about the same time [REDACTED] went to his room. It was too late for my children to be up. [REDACTED] was next to me playing. He should have been in bed.

All I wanted is for Maria to go to bed. I was worried about my kids. They ended up seeing everything.

Maria grabbed the bottle of salsa and a knife. She had the bottle of salsa in one hand and the knife in the other. The bottle of salsa was big. She started to walk towards the bedrooms. I said, "I thought you wanted to talk to me." I asked her why she was carrying the bottle and the knife. It didn't make sense to me. She told me she was going to cut an orange and eat it. However, she didn't have an orange in her hand. When I asked her about it "she knew I knew her game." I started to get up. I told her it was apparent she didn't want to talk to me and that she needed to go to bed.

When I got up she hit me on the head with the salsa bottle. I lost my balance and she tried to knock me down onto the ground. Then she tried to stab me with the knife. She was kicking me and trying to stab me. I didn't want to hurt her. I told her to stop. [REDACTED] was watching. I yelled at [REDACTED] to open both of the doors. I thought her problem was only with me. I thought she only wanted to kill me. [REDACTED] ran and opened both doors.

I didn't hurt her, but I "put her on the ground" and took the knife out of her hand. She released the knife, but I didn't hurt her. I put the knife on the counter and told [REDACTED] to grab it and he did.

Maria grabbed the other knife off of the counter and as I was running outside she stabbed me in the back. [REDACTED] was on the ground crying. I went out the front door and went outside. Everything happened inside the family room.

I made it outside. I heard [REDACTED] say, "What are you doing mom? You are making it worse." I think she said she was going to "kill my son." I heard my son yelling for help. I applaud my son, because he was looking for someone to help him. I lost my cell phone so I couldn't call the police. I was trying to find someone to call the police.

Someone must have called the cops, because the next thing I know a cop stopped me. He asked if I was hurt. We talked for a minute and then I got into his patrol car. Then I saw my wife on the ground. Maria had already been shot. I don't know what happened. I didn't see the shooting.

Our sons didn't see the shooting. They only heard it. They didn't know if I got shot or their mother did.

My oldest son is a hero. When Maria couldn't get me or [REDACTED] she went back inside to get [REDACTED] "She wanted to kill my little boy." [REDACTED] went back inside the residence to help [REDACTED] He hit his mother to save [REDACTED]

After [REDACTED] opened the door we both attempted to run outside. I made it outside, but [REDACTED] didn't make it all the way. He didn't run fast enough and his mother got him. "When she couldn't get us she went after [REDACTED]"

When Maria went outside she was "hunting us." She didn't know the police were outside. She was still carrying the knife in her hand. She was looking for us. I guess that is when they shot her.

She was not drinking or using drugs that night. She is not under a doctor's care. She was not taking any medication. Her problem is she "stresses" too much. If something didn't go right for her she would go "nuts." She would go crazy. She has an aunt that was crazy. Maybe her problem was hereditary. Maria was always crazy. Throughout our entire relationship she was crazy.

We only had one domestic violence incident. She beat me up. She caused me to lose two different jobs. She always accused me of having affairs. I couldn't talk to anyone, because she would make all these accusations. She was "obsessed" with me. [REDACTED] Maria did not work. She always talked about demons. She had different issues. I lived with her for 18 years.

When I saw Maria earlier in the day, walking around, she was carrying this "nasty doll" and was combing its hair. She was also carrying a bunch of little pieces of paper that she had found on the street.

I also forgot to tell you that earlier that day she made [REDACTED] write my name, his name and [REDACTED] name down on the inside of the door. "I think she wanted to kill us." Or, at least hurt us. She always said I was the devil. She told me if our sons were like me she didn't want them.

[REDACTED] was transported to Scripps Mercy Hospital where he obtained medical treatment for the injuries he had sustained. [REDACTED] and [REDACTED] were transported to Children's Hospital where they obtained medical treatment for the injuries they each sustained.

At the conclusion of the briefing Detective Sergeant PHILLIPS directed me to contact several witnesses who were located by responding patrol officers.

At approximately 0333 hours, I contacted [REDACTED] at her residence and she invited me inside. Prior to walking inside I spoke to Officer McDONALD #6824. Officer McDONALD pointed to a dark colored Toyota Tacoma pickup truck. It was parked in the parking lot adjacent to the parking lot where the shooting took place. McDONALD told me the [REDACTED] family was sitting in the truck when the shooting took place. It appeared to be about seventy five feet from the shooting scene.

[REDACTED] was with her husband, [REDACTED] and young son, [REDACTED] during the shooting. I obtained statements individually from each of them while sitting on the sofa inside the family room. The interviews were audio recorded. My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what [REDACTED] told me in response to my questions. My questions to [REDACTED] are italicized. [REDACTED] in essence, told me the following:

We just picked my dad up from work and were driving home. When we first turned, we saw a cop car and the lights were on. There was a cop and a man and the man was bloody on the head or some other body part.

After that we made a right to go park here and after that we were going to go park in our space. I think a cop car or a cop came. He said freeze when we had our door open. He said like, "Freeze" and "Put your hands up" or something like that.

He said that like two times and then that's when there were gun shots. There were like three of them.

*Could you see anything while this was going on?*

No, I just heard the cop say freeze and then the gunshots.

[REDACTED] had no other information to provide so I concluded the interview at approximately 0345 hours.

We were over at the traffic light and I noticed some cops were talking to a guy. We were coming up this way (pointing to the parking lot next to his house) and I parked in my parking space.

I noticed that a cop went in that way. (Points to the parking lot where the shooting occurred)

As soon as I open the door I heard a cop say, "Freeze, police department" or something like that two or three times. Then I just heard the gun shots.

*When you first arrived in the area you said you saw an officer talking to another guy?*

Yeah it was at Ramfos and Woodman.

*Did you notice anything different about the guy?*

It looked like his face was bloody. I thought something happened like a fight or something. I noticed a cop did a u-turn and was behind us. I thought they were going to go look for someone.

I turned (into his parking lot) and I noticed he turned right before I did (in the adjacent lot). I thought he went somewhere else until I saw the lights.

*The officer showed me where your truck is backed in. That parking lot is essentially behind yours. Did you see the officer get out of his car?*

No I couldn't see. I could only see the lights. I could clearly hear him telling them to freeze. I heard like four shots and told my wife to get back in the car. I told them to close the door and then I dropped them off here in front of the house. As soon as I saw a bunch of cop cars show up I figured it was safe to just go put the car back.

At approximately 0316 hours, the briefing was concluded. Detective Sergeant PHILLIPS directed me to conduct witness interviews with citizens identified by responding patrol officers.

At approximately 0339 hours, I conducted an interview with [REDACTED] which was digitally recorded, at his residence located at [REDACTED] Quebec Court Unit [REDACTED]. In essence, he stated the following in response to my questions:

I was getting ready to go to bed with my wife, [REDACTED]. She fell asleep and I began watching TV before I went to bed. Then I heard some noise outside. It was between 12:18 to 12:20 AM. I heard some talking and yelling. I got up and I went to the window, but I didn't see anything. I looked through the curtain of the window (sliding glass door) facing the parking lot and I saw this lady (Maria ZARCO) yelling at someone.

I had never seen the lady before. She was Latina. She wore a pink or light colored sweater. She was yelling at this man. At first I thought they were a couple. She was standing by the parking lot behind a car. She was speaking in Spanish saying something about politics or the government. I couldn't hear her well. She held something in her right hand. It was like a knife or something.

The lady told the man, 'You're not going to live. You are dead!' The poor man was standing there like he was scared. He was standing behind another car. She was threatening him and yelling at him. The man was trying to stay away from her. When I called 911 and I explained to the police what was going on. I gave the police my address. I saw a police car come into the parking lot.

The lady saw the police, but she kept yelling. The officer got out of the police car and he told the lady to get on the floor (the ground) and to drop the knife. I don't know what the lady was yelling. She started going toward the police officer. By that time two other police cars drove up and the officers got out of their cars. The lady wasn't listening to the officer that was speaking to her. There were three or four police officers in the parking lot.

The police officers were telling the lady to 'Drop it' or to 'Let it go' or something like that. She began going toward the officer and I think the first officer shot her.

I asked [REDACTED] for an estimate of distance between the lady and the officer when he heard the gun shots.

Page 3

I think she was from where you're sitting to the bedroom door (approximately fifteen to twenty feet away). I think she was probably about ten feet away from the officer. I heard four or five gunshots.

The lady fell to the ground. I opened the front door and I stepped outside. I saw the lady on the ground. I guess the officer tried to help her. I saw the officers talking to her. Paramedics arrived pretty fast. I found out the man was my neighbor's boyfriend. A lady that lives next door said that. I don't know her name.

We say good morning and we talk. She's a very nice lady. She was on the phone talking to the police too and I told her to step inside my apartment. She told my wife she and her boyfriend came home in their car. She said her boyfriend was parking the car and the lady became aggressive with him. I told her she must have been mistaken.

[REDACTED] indicated he had no further details to provide.

At approximately 0405 hours, I thanked [REDACTED] for his time and I concluded the interview.

At the conclusion of the briefing Detective Sergeant PHILLIPS directed me to contact ██████████

At approximately 0330 hours, I contacted ██████████ at her residence. She invited me inside and I obtained a statement from her while sitting on the sofa inside the family room. The entire interview was audio recorded. My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what ██████████ told me in response to my questions. ██████████ in essence, told me the following:

My boyfriend ██████████ and I were coming back from Walmart. We are leaving tomorrow for Las Vegas.

When we got back here ██████████ parked in the visitor parking lot. It is over by the tennis courts. I parked in my parking space (6800 Quebec Court). It was about midnight. I grabbed a few things out of my car (burgundy colored Nissan Altima). ██████████ was carrying a bag with him. He was coming from the west and we were walking towards one another.

All of a sudden this person came out of nowhere with a knife. She started to run towards ██████████ I don't know which hand she had the knife in. She said, "I want to kill you. I want to kill you." She said it in Spanish. She was saying everything in Spanish. I speak Spanish so I understood what she was saying.

██████████ told the woman "I don't know you. Who are you?" I was just standing there. ██████████ yelled at me to "call the police." I didn't know what was happening. I started shaking so I dropped the phone. By the time I picked it up and put it back together she was still telling him "I am going to kill you. You are dead." She was yelling. I didn't know what was happening. She was so close to ██████████

I saw for some reason ██████████ fell on the floor. She was trying to stab him. ██████████ managed to get up, but she kept on trying to stab him. She was bending down when he was on the ground. I could see she was trying to stab him. I thought she did stab him. She was trying to stab him on the back.

I was trying to put my phone back together. ██████████ kept yelling call the police. I heard some neighbors yell what is going on.

She was chasing ██████████ around a car. She was going to get him one way or another. She was trying to trap him. She was yelling.

I was able to put my phone back together and I called 911. I was walking toward my apartment.

I didn't ever make it to my house. I saw the police lights. I think someone else called the police too.

I saw a police officer get out of his car. He opened his car door and had his gun. He told the woman to "drop the gun. Drop it" She ran towards the police officer in a "fast motion." I heard two gun shots and she was still going toward the officer. Then I heard the third gunshot and she went down on the ground. She was about two car lengths away from the officer. Then she walked toward him really fast. She had her right hand up in the air and was holding a knife.

I heard her moaning on the ground.

She was chasing [REDACTED] around the parked car when the police officer showed up. Before the police showed up she kept saying, "the police aren't going to come."

I think [REDACTED] was stab in the stomach.

I do not know who the woman is. I have never seen her before. She was wearing blue colored capris pants, an orange blouse and orange colored tennis shoes. She had light colored curly long hair. She was short with a small build.

I didn't see any children in the area running around.

[REDACTED] could not assist with the investigation any further. At approximately 0346 hours, I concluded the interview and thanked her for her time.

At approximately 0445 hours, I conducted an interview with [REDACTED] which was digitally recorded, at his residence located at [REDACTED] Bear River Road Unit [REDACTED] after interviewing his wife, [REDACTED]. In essence, [REDACTED] stated the following in response to my questions:

My wife and I came home from Miramar at probably five or ten minutes before midnight. I looked outside to the back patio and our fish pond was low, so I went outside. I heard loud music coming from up above (north of his residence). I looked onto Bear River Row and I saw some teenagers. I thought what are they doing out this late.

Then I heard loud yelling in a foreign language coming from north of our patio from a distance. At that point we were going to walk around there to tell the person to turn down their music. On the way up the sidewalk I saw two younger kids in a parking lot off to the right sitting on some steps. They were both males. I heard one of them cry out deeply.

My wife was ahead of me and I was catching up to her. We figured out the address of where the loud music was coming from and we decided to just call the police because it wasn't the first time that we'd heard that. On the way back down the sidewalk, a black lady came out and said, 'Excuse me. Have you guys seen an angry woman running around?' We said no.

She said one of the boys [REDACTED] and [REDACTED] was stabbed and he had two deep stab wounds. I believe she pointed to her left shoulder. The lady said the boy was stabbed by his mother and she had a knife. I asked if she called the police and she said yes. I told her we were going to call the police also. It appeared that the black woman had just returned home and she consoled the two boys.

I asked [REDACTED] if the two boys he saw sitting on the steps were the same boys he previously saw standing in the street.

Yes. They made their way straight south to that stairway. We came back to the house and my wife went down the street with her cell phone. I dialed 911 on my cell phone. I went back to where I saw the teenager. The yelling from a female was getting louder and louder. I walked near the tennis courts and the yelling became even louder. I heard a woman and a man's voice.

I started running in that direction wondering if my wife was in the middle of it. As I got a little closer I heard the woman become louder and I couldn't understand what she was saying. As I came from around a building I heard six gunshots. I slowed my pace and I walked west.

I glanced to my left and my wife was standing near the mailboxes. I shined my flashlight for her to come over to me. I heard an officer in a distressed voice yelling for someone to put their arms to their sides and to drop the knife. He said it probably four or five times.

I saw a lady on the ground. She fell toward the driver side door of the police car. I'd say her head was three to four feet away from the driver side door of the police car. I could just barely make out the outline of an officer as he yelled at her. I was standing maybe fifty feet away at that time.

That's when I went toward an Isuzu Trooper and met my wife. She looked a little upset. It looked like police officers and headlights were around the lady on the ground. I think the officer had been alone at first. I think my wife was maybe ninety feet away from where the lady was on the ground. An officer put up the tape and we waited for the police to take our statements.

There was another man that was apparently trying to stop whatever was going on. He passed up my wife and walked in that direction. As I was coming up, the black man was quickly walking away from the scene. That's when I heard the gunshots and the man said, 'Why did they shoot her'. My wife had told the man not to go over there. He realized what was going on and he walked back. That's the only other person I saw in that area before I saw my wife.

At approximately 0500 hours, I thanked [REDACTED] for his time and I concluded the interview.

My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what [REDACTED] told me in response to my questions. My questions to [REDACTED] are italicized. [REDACTED] in essence, told me the following:

I came around the corner here and I heard this lady talking in Spanish. She was yelling at the gentleman who was on the other side of the car. I walked over to the van where they were and she [REDACTED] said the lady had a knife and to stay back.

I asked the guy, "Is this your wife?"

*What guy?*

I don't know I guess it was her husband. I don't know him. He was a Hispanic guy.

*Could you describe what he was wearing?*

No I sure can't. He was short and heavy set.

*Where was this....*

Oh it was at that silver minivan there. [REDACTED] pointed to a silver van near Officer BARRETT'S police car) She was yelling at him and I just walked up and I motioned for him to get out of there and run away. She was yelling on the other side of the car and I figured he could just run from her. Then the officer came up and told her, "Freeze, drop the weapon, drop the weapon. Don't come toward me or I'll shoot." She ran toward him. I only heard three shots but there were more than that. I was heading out of there when he did it.

*Where was the officer standing?*

I don't know that because I wasn't looking at the officer. He got out of the car and told her to drop the weapon.

*Where was the woman when the officer first arrived?*

She was over here. (Pointing to a silver minivan forward and to the left of the officer's car) She turned around and was heading toward him when he got here and was telling her to freeze and drop her knife. I walked away and he kept saying, "Stop, drop the knife" and then Pop-pop-pop-pop.

*Were you turned toward him when he started firing?*

No I was walking away when he fired.

*Okay so you heard it but didn't see it right?*

Yeah I wanted to get out of there.

*What happened afterward?*

I went to the house. My wife was in hysterics and the kids were going crazy because they heard the gunshots. I got them calmed down and then came back over to tell them what I saw and give a statement. At first when I was over here I was thinking he (Officer BARRETT) didn't have to do that and he could have gone another route. Then when you calm down and see the situation, she's coming at him and she has a knife his life is threatened. And there are other people around, he had to do it. I don't know if she was in hysterics or under the influence of something but she was speaking Spanish. I couldn't understand what she was saying. I was just trying to help the gentleman she had against the wall and try to calm her down but I should have just stayed out of the way.

*You said the guy she had was against the wall?*

Yeah they were running around the car and kind of using the car as a shield. I asked him if he knew her. He was speaking Spanish as well but he was kind of motioning like he didn't know her. I wasn't sure if that was his wife and she caught him cheating or what. I was just concerned she was going to stab him. Now her life is gone but she came at the officer with a knife.

[REDACTED] had no other information to provide so I concluded the interview at approximately 0415 hours.

I was asleep and my wife woke me up. She said someone was outside with a knife. I looked outside for about three minutes to see what was going on. I was upstairs looking from the second floor in the main bedroom.

I was looking outside just to see what was going on. I watched to see if it was going to escalate. I came down to yell at them.

*Could you see what was going on when you were upstairs?*

When I was up there she (ZARCO) was yelling and chasing the man outside with the knife.

*What was she saying?*

She was saying justice was going to serve her today in Spanish. She was telling the man, "You're dead, you're fucking dead. You're going to be buried today." She also said something to the sort that her blood had been spilt and she was going to get her justice.

*What did the guy look like?*

I don't know he was standing in the shadows. All I remember was he had a bald spot. I came down here and yelled at them asking what all the noise was about. I was trying to chase them off. She told me don't get in it.

*You were in your patio area? [REDACTED] has a patio surrounded by a wood fence adjacent to the parking area where the shooting took place)*

*What did he say to her?*

He didn't say much. He said a few words but he was calm. He was just trying to stay away. It didn't seem like he was scared for his life he was just trying to stay away. She was at one end of the car and he was at the other.

*They were using the car as a shield?*

Yeah. I came in and was about to call the cops. I just dialed the number and my wife said, "The cops are here." I saw him (Officer BARRETT) get out of his car and he said, "Stop, drop your weapon, drop your weapon, I'll shoot you." Pop-pop-pop-pop. That's what I saw.

I went there to the window right at that moment. What I saw was another man came out here to try and calm stuff down.

*Was this after the shooting?*

It was before and after. I saw both of them, the woman and the man that were fighting. They moved that way (pointing out the patio door) I saw a man that was running away. My wife said there was someone out there trying to calm them down. As the shots were fired the guy was running away.

*Where was the officer in relationship to his car when he was addressing the woman?*

I want to say it was off to the side. He came out of his car and he was forward of his door.

*Where was the woman?*

She was over here closer to my building. He might have been at the pathway to this building.

*How far away were they from each other?*

About twenty yards.

Yes.

After the cops arrived she (ZARCO) was out of my sight and I could not see her. It looked like everything moved toward the police officer. As soon as the officer arrived the man ran along the fence. We heard this kid crying and we saw this lady. We asked the lady why the kid was crying and she said some lady was walking around with a knife and is angry.

I don't know her name but I think she lives over here on this side (pointing to a nearby apartment building). I have met her before but I don't know who she is. I just know she lives in the vicinity.

*So it's a neighbor here somewhere you have met before who told you there is some lady walking around.*

Right, so I said what does she look like? She said the woman has a red shirt and jeans. I said I would watch for the woman and then I told my husband perhaps he should call the police about the loud music and I'll go see what's going on.

*Did you say you saw the kid who was crying?*

Yes I did. I saw him and he was holding his arm. I asked the lady what happened and she said he got stabbed. I asked who stabbed him and the lady said his mom did. I don't know the kid and I don't know his mom.

He stayed with the lady and I went in my house and got my cell phone. I came out and I heard this loud yelling but I didn't understand it because she was speaking Spanish. I'm walking here (on Ritva Court) and I see her. She was wearing a red top and jeans. I'm not

*What was she doing with the knife?*

She was just waving it around and then she lunged at the man and then she put it to her chest.

*What guy?*

It was a guy in a green shirt. He had curly hair. She was yelling but he wasn't yelling.

*What were they doing?*

He was dodging her going around the car to get away from her. This other guy came over and I told him not to go over there because she had a knife. He didn't listen and walked over there. Then I heard the police show up because I was on the phone with 9-1-1 and she (the dispatcher) said the police were on their way. I was panicking because I thought she was going to kill herself. I got upset because I witnessed my friend get killed and it brought back memories of that.

Then the police showed up and he kept saying, "Stop, drop the weapon."

*The officer said that?*

Yes.

*\*Note: At this point [REDACTED] pointed at Officer BARRETT'S vehicle and I asked if that is the car she was talking about.*

Yes it has not moved. The officer started by standing where his (car) door is and he pointed his gun. She was at the tail end of this van here. [REDACTED] pointed at a silver van parked near the police car) She kept saying, "No policia, no policia." He kept telling her to drop the weapon and she just took off running and ran right at him and that's when he shot her. She was not stopping and I was like, "Oh my God."

*What happened after that?*

That's what happened. I was really upset.

[REDACTED] had no other information to provide so I concluded the interview at approximately 0405 hours.

**SUBJECT INTERVIEWED:**

**WITNESS STATEMENT:**

On Saturday, April 27, 2013, at approximately 0050 hours, I was off-duty when I received a telephone call from Detective Sergeant Paul PHILLIPS, #4882 informing me an officer involved shooting occurred at [REDACTED] Quebec Court and Homicide Team I was assigned to investigate the incident. Detective Sergeant PHILLIPS directed me to respond to the scene to assist with the investigation.

At approximately 0158 hours, I arrived on scene and joined the other members of Homicide Team I.

At approximately 0222 hours, Acting Patrol Sergeant Kevin VALENZUELA, #6102 and Patrol Sergeant Adam SHARKI, #5986 conducted a briefing regarding the incident. The deceased suspect was identified as Maria ZARCO. San Diego Police Officer Michael BARRETT, #6469 was identified as the officer involved in the incident. We also learned a domestic violence incident occurred prior to the officer involved shooting incident at ZARCO'S residence located at [REDACTED] Ritva Place, apartment [REDACTED]

ZARCO had stabbed her husband, [REDACTED] and their two children, [REDACTED] and Jonathan DIAZ. ZARCO also stabbed Antonio WATANABE in the parking lot area.

[REDACTED] was transported to Scripps Mercy Hospital where he obtained medical treatment for his injuries. [REDACTED] and [REDACTED] were transported to Children's Hospital where they obtained medical treatment for the injuries they each sustained.

At approximately 0316 hours, the briefing was concluded. Detective Sergeant PHILLIPS directed me to conduct witness interviews with citizens identified by responding patrol officers.

At approximately 0430 hours, I conducted an interview with [REDACTED] which was digitally recorded, at her residence located at [REDACTED] Bear River Road Unit [REDACTED]. I subsequently conducted an interview with her husband, [REDACTED]. In essence, [REDACTED] stated the following in response to my questions:

My husband, [REDACTED] and I came home after about 12:00 AM. We heard loud music outside and we were listening to where it was coming from. I walked outside and as I was walking I saw some kids standing on Bear River Road. At first we saw them from the backyard and I had gone out to investigate the music. I came across this lady.

The lady asked me, 'Have you seen a lady?' I said no and the lady said, 'They were stabbed by their mother'. She said, 'Be on the lookout for a lady with a knife'. I said oh, okay. In the meantime we could hear the loud voice of a woman. I met that lady maybe one time previously. She lives over here, but I don't know her name. I met her a year or two ago and she lives on the other side of the street.

My husband came and I told him he'd better dial 911. I grabbed my cell phone and I went to see where the yelling was coming from. I took off walking and my husband stayed behind. I came across this cul-de-sac and this lady (Maria ZARCO) was screaming at this man. The lady was in front of a van and the man was behind the van. She was trying to go after him and he was trying to dodge her.

I dialed 911 and I said send someone quick because I didn't know what the lady was going to do. Another black man was walking up and I asked him, what street is this? He said Quebec. I told him, don't go over there, but he went over there anyway. I was still on the phone with 911. An officer pulled up, got out of his car and he began yelling for her to drop the weapon. He was trying to get her to stop and she was running as fast as she could at the officer. Like without even thinking. She was just running.

That's when he shot her. She was holding the knife straight up (holding the knife approximately waist high in her hand). At first the officer stood right by the door of his car, but as she came forward he stepped back a bit. She ended up where she was.

I asked [REDACTED] how close the lady got to the officer before gunshots were fired.

She got really close. I'm so bad at distance. She was maybe five or six feet away.

Page 3

I asked [REDACTED] how many gunshots she heard.

I heard three or four. It was pow, pow, pow. He [REDACTED] said he heard five or six. I was right at the driveway near the mailboxes. I was maybe from my neighbor's door to there (indicating approximately 25 yards away). I was just in shock.

A second police car came up right behind the other officer's car. When the first officer shot the lady she dropped. He was trying to get her to hold out her arms, but she was unresponsive. The next thing you see is the paramedics doing CPR on her within seven or eight minutes. They tried to work on her for a good while then they covered her up.

Honestly I stopped watching after a while. I saw the yellow sheet come out and I turned away. My husband came from this direction after the shooting. He was at the corner at the end of the house. He heard the gunshots, but he didn't see the shooting. He joined me within minutes. I don't understand why she wouldn't stop.

I've never met the woman and I don't know her son either. I saw a boy from a distance. I thought he was in his early teens. He was very distraught and he was sobbing loudly. That's when the woman said he was stabbed by his mother and she was running around with a knife. I didn't see any injuries from where I was standing.

At approximately 0444 hours, I thanked [REDACTED] for her time and I concluded the interview.

On Tuesday, April 30, 2013, at approximately 0845 hours, ██████████ telephoned me. The conversation was not audio recorded. My documentation is not intended to be a word for word account of our conversation, but it is an accurate summary of what ██████████ told me in response to my questions. ██████████ in essence, told me the following:

On Friday, April 26, 2013, at approximately 1300 hours, I was taking groceries out of my car. All of a sudden this lady was standing directly behind me. She just stared at me. She had really dark colored eyes. I said, "Can I help you?" She replied, "You have something I want." I told her I didn't have anything she wanted. She then started to take the groceries out of my car. I told her I didn't need any help. I had my two small children with me and I was scared. I tried to be nice, but I wanted to get away from her. When I walked to my house she followed us.

When I got to my front door I unlocked it quickly and went inside with my children. When I went to close the front door she pushed it back open and tried to get into my house. She told me, "I am ready to kill my family." I pushed the door closed and locked it. The woman said, "I don't want anything anymore."

I called 911, but the police never showed up. ██████████ called the police on 04-26-2013, at 1422 hours. The incident number was P130400468854. The call was transferred from the San Diego Sheriff's Department and the call was formatted as a mental case.)

The woman was Hispanic, approximately 30 years old, 5'2" in height, with a dark complexion and dark colored "beady" eyes. She was wearing a dark colored t-shirt, yellow colored baseball cap, nylon turquoise colored pants and an orange jacket "tied around her neck."

██████████ could not assist with the investigation any further. At approximately 0855 hours, I concluded the interview and thanked her for her time.

After that we made a right to go park here and after that we were going to go park in our space. I think a cop car or a cop came. He said freeze when we had our door open. He said like, "Freeze" and "Put your hands up" or something like that.

He said that like two times and then that's when there were gun shots. There were like three of them.

*Could you see anything while this was going on?*

No, I just heard the cop say freeze and then the gunshots.

As soon as I open the door I heard a cop say, "Freeze, police department" or something like that two or three times. Then I just heard the gun shots.

*When you first arrived in the area you said you saw an officer talking to another guy?*

Yeah it was at Ramfos and Woodman.

*Did you notice anything different about the guy?*

It looked like his face was bloody. I thought something happened like a fight or something. I noticed a cop did a u-turn and was behind us. I thought they were going to go look for someone.

I turned (into his parking lot) and I noticed he turned right before I did (in the adjacent lot). I thought he went somewhere else until I saw the lights.

*The officer showed me where your truck is backed in. That parking lot is essentially behind yours. Did you see the officer get out of his car?*

We went to pick up my husband from work. When we were coming back, the first thing we saw was a police car over here by the intersection where the lights are. There was a man standing there. I thought, "Ok well somebody got caught doing something."

As we got closer I saw blood on the guy and we thought somebody got jumped. The way he was explaining to the officer, it looked like he was mad about something. It didn't look like he was the one who got caught.

We turned around and were going to park over here. (Pointing to the parking lot next to her condo where the shooting occurred) We were getting out of our car and heard an officer giving a warning to someone. I can't remember exactly the words but it was either "Put your hands up" or "Freeze" or something. All I know is he gave a warning and they didn't listen and he was really loud about it.

That's when we heard shots. We didn't know who fired the shots. My husband said, "Get in the car" because we thought we were going to get hijacked or something. Then I thought, "What if they thought we were the suspects" so I just said stop.

We came out and he (Her husband, [REDACTED]) dropped us off and he went to park the car and we were waiting there.

*Where were you in relation to where the shooting took place?*

I didn't see that part. Our parking space is right here directly behind our house. There is the other area where the squad cars are and it's taped off. We were parked backwards. (Backed into the parking space) We were facing the opposite direction so we didn't see if

there were one or two cars. We saw one because we saw the lights. Then we heard the officer saying something. We didn't know if it was a big gang or what. Then we heard the pop-pop-pop.

He said either "Get down" or "Put it down". It was something with the word "down". He gave that person or people a warning.

We didn't know if they caught them or what. Then we heard pop-pop. My husband said, "Those are gun shots, they're starting to shoot." I wanted to run in the house. We just wondered where we were going to go.

*When you first saw the man who was bleeding could you tell where he was bleeding from?*

I saw blood on one of the sides of his head. I thought he had been jumped or mugged.

No I couldn't see. I could only see the lights. I could clearly hear him telling them to freeze. I heard like four shots and told my wife to get back in the car. I told them to close the door and then I dropped them off here in front of the house. As soon as I saw a bunch of cop cars show up I figured it was safe to just go put the car back.

[REDACTED] had no other information to provide so I concluded the interview at approximately 0343 hours.
